development of decision support systems, problem recognition & situation assessment & decision making, implications for military personnel, 8149
development of IMPACT Problem Solving program, grade school students, 13028
development of rule structures on balance-scale & inclined-plane tasks, 1st–6th graders, 19806
direct vs indirect maternal intervention techniques at age 4 yrs, school-related abilities & problem solving, children tested at ages 4–6 & 12 yrs, 14043
discrimination of problem features, prediction of problem solving success, college students, 21887
early life experiences, composites of strategic behavior to address problematic & cognitive aspects of daily grocery shopping tasks, mildly & borderline mentally retarded adults, 31089
educational background, acoustic problem solving, blind & visually impaired 18–50 yr olds, 25765
effectiveness of computer graphics in improving estimates for algebra word problems, college students, 29239
efficacy of social problem solving program, 4th graders, 32002
error detection protocols in statistical problem solving, college students, 27138
estimation of answers to algebraic word problems using weighted averages procedure, intuitions & methods used for problem solving, college students, implications for improving estimation skills, 24472
evaluation of inservice training session for increase of understanding & awareness of problem solving processes, college residence hall staff, 18539
examination of efficacy of program for teaching general solution strategies, 8th–10th graders, 7932
exhibition of bossy interpersonal style in problem solving situation, dyads containing 1 average status & 1 popular vs unpopular 3rd & 4th grader, 9310
experiential learning method, understanding of scientific approach in context of management problems, 26776
explicit translation teaching strategy, mathematical word problem solving, 4th graders, 18564
finger tapping with vs without solving of block design problems, lateralized processing of block design solutions, right handed college students, 8803
formal & informal resources, problem solving strategies, elderly in rural vs urban areas, 27712
formal reasoning capability, balancing chemical equations, 20–41 yr old college students, 29285
functional fixedness & inability to overcome set in Luchin's water-jar problems & Maier 2-string task, college students, replication of study by R. E. Adamson & D. W. Taylor, 3079
globus pallidus vs lateral thalamus vs substantia nigra vs midbrain central gray vs median raphe vs pontine reticular formation lesions, climbing detour problem solving behavior, male rats, 30190
group skills training, solving interpersonal problems, 24–45 yr old chronic psychiatric patients in partial hospitalization program, 1- & 4-mo followup, 23207
high vs low personal involvement in dating condition & person vs abstract information condition, strategy complexity in covariation judgment task, female college students, 30820
hypothetical youth-oriented dilemmas, social problem solving skills, 14–17 yr old White male delinquents, 28943
identification of problem space, prediction of decision making responses, college students, 13683
inactivation of left vs right hemisphere, visuospatial extrapolation task performance, adult vs infant Norway rats, 30051
information processing model, understanding & solving word arithmetic problems, children, 14055
initial planning time vs first-move strategies & assessment pauses, performance on Tower of Hanoi problem solving task, moderately & mildly & borderline mentally retarded adults vs nonretarded kindergarten & 3rd & 5th graders, 31102
instruction in part-whole line diagram, arithmetic problem solving, review of Dutch & Belgian research, 18607
instructions for overt vs covert verbalization, problem solving, learning disabled 10th & 11th graders, 4378
integration of speech & motoric behaviors during phases in puzzle solving task, 3.5–5 yr olds, 9185
intelligence & number of steps required to subgoal vs final goal, 3-disk Tower of Hanoi problem solving performance, 3rd–4th graders & mentally retarded Ss, 22351
intelligent tutoring systems & applications of teaching strategies to problem solving, 18562
interface between cognitive development & everyday problem solving, adults, 27763
interpersonal cognitive problem solving training, remediation of peer relationship difficulties, children & adolescents, meta-analysis, 23754

interpersonal problem solving skills training, aggressive preschool age children, 10200
interpretation of incomplete instructions, individual differences in strategy selection in solution of figural/numerical analogies, 4th vs 6th vs 8th graders vs college students, 19797
intervention group on coping with life challenges, reported illness & disability days, college students previously having high life change & high illness ratings, 26078
item complexity & correct vs incorrect transformation, strategies for solving geometric matrices, 7 vs 10 vs 13 yr olds, 19808
language experience in remedial mathematics program, problem solving, 2nd graders, 26645
language training, conceptual problem solving, chimpanzees, 5874
learning by problem solving, humans vs artificial systems, 16450
Learning to Live With Others program, practical knowledge & problem solving & human relations & conflict resolution skills, college students, 8110
level of expertise, abstract vs concrete task representations during problem solving, college students, 11314
Marriage Contract Game & therapeutic instruction, problem solving & affective behavior & mood & marital happiness, spouses, 4690
mathematics problem solving strategy, knowledge acquisition, 9th & 10th grade novice problem solvers, 29286
mental representation in problem solving, 16454
mental task performance, EEG measurement, 11–13 yr olds, 22341
MMPI characteristics & perceived problem solving abilities & violence & recidivism, Black vs White incarcerated males, 25641
model of mathematical problem solving, primary school students, 6302
monthly director-staff member evaluations in program for young children using model of 2-way problem solving conference, 18535
neocortical & hippocampal lesions, detour problem solving behavior, rats, 22128
nitrous oxide, mechanized cognitive sets, 18–55 yr old dental patients, 20912
operant analysis of problem solving & its transmission in culture, critical comments & author's reply, 29936
operant conditioning, food acquisition problem solving & role of insight, pigeons, replication of W. Kohler's 1925 experiment with chimpanzees, 446
orthographic problem solving as spelling error analysis, 2319
paradigms, progress of medical science, literature review, 18408
parent training program to encourage independent problem solving, mothers & their language delayed or disordered 3.3–4.9 yr olds, implications for language development & social adjustment, 15899
parental belief systems & teaching strategies, social-cognitive problem solving & school adjustment, intact families with 2nd graders, 25039
perceptual-active & perceptual-imaginative & verbal-logical thinking, normal vs mentally retarded vs minimally brain damaged 3rd graders, 9593
performance aids, interface design & performance strategy in optimization task, 20–30 yr olds, 26816
personality consistency, perceptions of problem solving behavior & attitudes 17–41 yr old college students, examination of applicability of J. L. Holland's typology, 25465
planning & organization in problem solving, 3075
play vs training experience & experimenter bias, performance on innovative task, 44–58 mo olds, replication of studies by T. Simon & P. K. Smith & by P. K. Smith & S. Dutton, 22349
precision & objectivity & systematization in structural analysis, 11339
presence of & training program for insight skills involving selective encoding & selective combination & selective comparison, normal vs gifted 4th–6th graders, 13134
presentation of fuzzy sets of figures, use of minimum-maximum or multiplicative strategies in similarity perception, 17–18 yr olds, 13684
problem-based learning method & person-centered education & apprenticeship, medical students, 32025
problem decomposition strategies in computer program design, college students, 24168
problem framing & presentation, individual decision making & organizational behavior, 8218
problem perception & schemata & solving, review of research, 16456
problem solving & inferential processes & mathematical aptitude, 344
problem-solving activities & cognitive development, young children, 27772
problem solving appraisal & career decision making, college students who appraised their problem solving skills as positive vs negative, 21555
problem solving in computer programing, 16235
problem solving in medical diagnosis, 17804
problem solving in natural intelligence, maintenance personnel, implications for aiding & training, conference presentation, 16256
problem solving performance using 3 table-problem apparatus, acquisition of cognitive maps, male rats, 8623
problem solving plan for indirect selling, 10927
problem solving process, career development or change, 2616
problem solving self appraisal & depression & attributional style, college students, 14562
problem solving skills training, problem solving with adolescents & family members, urban high school principals, 23715
problem solving skills training, 20–40 yr olds, implications for psychologically disturbed, 26105
problem solving strategies & difficulties in algebra, 14 yr olds, 30474
problem solving systems for mathematics learning, 16441
problem solving training & SES, creative response styles, Black middle class 4.5–6 yr olds vs disadvantaged 5–6 yr olds, 855
procedural theory of eye movements in solving arithmetic problems, college students & female 8th graders & 5th graders, 6007
prompting & generalization learning, solving missing minuend problems, educable mentally retarded 8.4–15.4 yr olds, 32148
provisional model for description of cognitive processes involved in solving algebraic & more complex mathematical problems, 27142
psychoeducational program, employability enhancement, 18–53 yr old rehabilitation clients, 28937
reading as problem solving process, educational implications, 26563
reasoning difficulty with 3-term series problems, 8–9 yr olds, 3658
recursive algorithms in computer programing, problem solving, 59
reframing technique, problem solving in organizational development, 16060
relapse coping vs problem solving vs attention placebo vs absolute abstinence maintenance strategy conditions, subsequent smoking behavior, treatment program participants, 31822
resistance to yielding, expectation of cooperative future interaction in negotiation, college students, 11997
restructuring concept in Gestalt theory of problem solving, 371
role of memory & strategies, solution of length-transitivity task, 4 vs 5 yr olds, 27785
role of questions in problem solving, 13687
role of reading ability, solving arithmetic word problems, implications for lesson plans, literature review, 32068
school vs everyday use of mathematics, 9–15 yr olds with 1–8 yrs of schooling selling goods on street, Brazil, 22310
self instruction skills training, generalization to proximal & distal problem solving tasks, 4 & 5 yr olds, 900
self perception of failure on unsolvable perceptual judgment problems, performance on subsequent similar tasks, college students, 13717
self verbalization training, free classification & matrix completion tasks, 7 yr olds, 11727
semantic knowledge & problem solving ability & other factors, prediction of computer science course performance, college students, 7981
septal lesions & use of intramaze stimuli, attenuation of problem solving deficit, rats, 22108
sex, problem solving, male vs female college students, 13682
single-strategy vs strategy-shifting models, relations among aptitude & spatial task solution strategy & task performance, male high school vs college students, 14060
social cognitive skills, interpersonal problem solving, male 4th & 6th graders with negative vs positive peer status, 19761
social interaction & cooperation in solving school task, 3rd & 5th & 7th & 9th graders, 23811

spatial vs symbolic stimulus presentation, discovery of mathematical function, college students, 24501
strategies & knowledge level, problem solving in semantically rich domains, college students, 3070
strategies for problem solving, children, 16910
structural arrangements & mode of field instruction & preparation of supervisor, social work problem solving ability, part-time graduate student social workers, 7768
structured tasks in environments having both social & cognitive components, development of problem solving skills, 12–13 yr olds, 27875
structured vs nonstructured groups, teaching problem-solving skills, Black & Hispanic acting-out 7th & 8th grade females, 26683
tasks requiring instructions vs independent problem solving, task preference, 2nd graders, 15841
teacher questioning, problem solving behavior, 17–20 yr old mentally retarded students, 23822
theses about research on problem solving in complex situations, West Germany, 8543
training in teaching children interpersonal cognitive problem solving skills, Black lower income inner city mothers of preschoolers, 18029
trait anxiety, GSR during problem solving tasks, college students, 3326
transfer of knowledge in solving 2 similar problems, 5–6 yr olds, 11736
triad thinking, opportunity levels of creative problem solving, 12071
understanding & use of Euclidean spatial relationships, 4–6 yr olds, 25152
use of odd-event rule, RT in sum verification tasks, college students, 5785
use of pocket calculator, training in problem solving, students, 18571
use of simulation in problem solving, 13487
use of "talking chart" problem solving model based on conflict cycle by N. Long, clarification & acceptance of responsibility for behavior, language impaired & learning disordered students, 21452
utility & relevance of induced verbal reports in study of problem solving, 16445
verbal rhymes as mediation strategy, learning & recall of mathematics computations & problem solving, 7th graders, Japan, 15766
working alone vs in socio-cognitive confrontation, solving of single formal logic construction, 11–12 yr olds, 11737

Procaine
efficacy of phenytoin & Vitamin C & Procaine & Lidocaine & Cimetidine & cyproheptadine & clonidine hydrochloride treatment, anorexia nervosa patients, 1-yr followup, 28787
morphine vs apomorphine vs LSD vs procaine vs pentobarbital, discriminative stimulus properties of cocaine, male pigeons, 16766

Process Psychosis
attention & logic & problem solving styles, 18–73 yr old process vs reactive schizophrenic vs patients with affective disorders, 14691
rate of progression, process schizophrenia, 12189

Process Schizophrenia [See Process Psychosis, Schizophrenia]

Prochlorperazine
neonatal prochlorperazine, open field behavior & activity level & learning ability, adult rats, 24923

Procrastination
efficacy of paradoxical interventions, treatment of agoraphobia vs depression vs insomnia vs procrastination, literature review, 20884
frequency & cognitive & behavioral & affective components, procrastination on academic tasks, college students, 7993

Productivity (Employee) [See Employee Productivity]

Professional Certification
certification, rehabilitation counselors, 5089
comparison of methods to establish minimum standards on National Teacher Examinations, teacher educators, 10662
credentialing guidelines in measurement & evaluation, counselors & student personnel specialists, criticism of views of L. C. Loesch, 21226
credentialing process, career counselors, 26455
design & purpose & content of North Carolina Marital & Family Therapy Certification Examination, 16344
development & current status & prospects for accreditation, clinical psychology graduate training, Canada, comments on article by J. B. Conway, 10634
development & current status & prospects for accreditation, clinical psychology graduate training, Canada, comments on article by J. B. Conway, 10561
development & current status & prospects for accreditation, clinical psychology training, Canada, comments on article by J. B. Conway, 10592
development & current status & prospects for accreditation, clinical psychology graduate training, Canada, post WW II to present, 10567
development & current status & prospects for accreditation, clinical psychology training, Canada, comments on article by J. B. Conway, 10641
development & current status & prospects for accreditation, clinical psychology training, Canada, comments on article by J. B. Conway, 10570
development & current status & prospects for accreditation, clinical psychology graduate training, Canada, comments on article by J. B. Conway, 10616
development & current status & prospects for accreditation, clinical psychology graduate training, Canada, comments on article by J. B. Conway, 10575
development & current status & prospects for accreditation, clinical psychology training, Canada, professional criticism reply, 10566
development & current status & prospects for accreditation, clinical psychology training, Canada, comments on article by J. B. Conway, 10568
development & current status & prospects of accreditation, clinical psychology training, Canada, comments on article by J. B. Conway, 10612
development & implementation & evaluation of plans for certification/credentialing, substance abuse counselors, 29010
development of professional psychology, Spain, 2266
doctoral-nondoctoral issue, school psychologists, reply to criticism by G. M. Trachtman, 18528
doctoral vs nondoctoral & clinical vs nonclinical issues & policies of professional organizations, school psychologists, criticism of paper by J. I. Bardon, 18550
establishment of standards for preparation in tests & measurements, counselors, criticism of credentialing guidelines proposed by L. Loesch, 21181
ethnic differences & current status & prospects for accreditation, clinical psychology training, Canada, comments on article by J. B. Conway, 10577
history & current criteria for national certification, rehabilitation counselors, 26418
history of clinical psychology & training, Canada, comments on article by J. B. Conway, 10588
job task categories & work settings, certified rehabilitation counselors & managers & educators, implications for curriculum & certification examination, 2302
legal recognition & regulation of professional psychology at state & federal levels, US, 2300
normative vs absolute methodologies, setting passing points on Examination for Professional Practice in Psychology, 11182
opinions concerning factors related to failure rate of foreign medical graduates on Royal College examination, psychiatric residents vs Royal College examiners, Canada, 10549
prerequisites for state certification, preservice teachers, implications for mainstreaming effectiveness, 2342
proposed revision of standards for certification, teachers of hearing impaired, 2328
prospects for national clinical psychology program accreditation system, Canada, comments on article by J. B. Conway, 10580
psychology as profession, Brazil, 2258
psychology as profession, East Germany, 2276
psychology as profession, France, 2239
psychology as profession, Hungary, 2313
psychology as profession, Ireland, 2284

psychology as profession, South Africa, 2293
psychology as profession, UK, 2285
regulation decree, practice of nonmedical psychotherapists, Switzerland, 7791
standards for credentialing in areas of evaluation & measurement, counselors & student personnel services providers, criticism of standards proposed by L. C. Loesch, 21191
standards for credentialing in evaluation & measurement, counselors & student personnel service providers, criticism of standards proposed by L. C. Loesch, 21200
standards for current American Association for Counseling and Development credentialing guidelines with reference to measurement & evaluation, 21197
standards of training measurement & evaluation & licensure/accreditation/credentialing issues, counselors & student personnel professionals, criticism of L. C. Loesch's standards, 21205
teacher's sex & inservice training & certification, achievement in Arabic & mathematics, 4th graders with certified vs noncertified teachers, Egypt, 7867
written simulations, professional psychology credentialing programs, psychologists, 12964

Professional Communication [See Scientific Communication]

Professional Consultation

acceptance of treatment recommendations of consultation psychiatrists, university hospital physicians, 18462
application of principles of community psychology through consultation with suburban community, development of social policy for prevention of vandalism, 2092
attitude survey-guided consultation, involvement, mining company employees, 9-yr longitudinal study, 26797
availability of consultation-liaison trained psychiatrist, attitudes toward psychiatric consultation, internists, 23621
avoidance of direct training & administrative roles & emphasis of learning design & consultancy work, working with public sector & voluntary agency professional staff, trainers, 13273
behavioral assessment of role in group mental health consultation with teachers, mental health consultants, Israel, 2361
behavioral consultation & selection of target behaviors in school setting, literature review, 26705
brief psychological interventions by liaison psychiatrist, medical & surgical patients, 15475
central role of consultation, school social worker, 26731
clinical & demographic characteristics, patients in medical-psychiatric unit vs liaison-consultation service vs psychiatric inpatient unit, 31712
confirmation of National Institute of Mental Health training objectives, consultation liaison psychiatry residents, 10621
conflict of interest in psychiatric consultation, 4588
consultant & consultee & organizational variables, preferences for school-based consultation vs traditional referral services, elementary school teachers & school psychology graduate students, 5177
consultation approach to educational program evaluation, school psychologists, 5162
consultation, coping with emotional stages of dealing with handicapped child, parents & school consultants, 18740
consultation-liaison psychiatry & psychosomatic aspects, plastic surgery, 12706
consultation-liaison psychiatry, psychiatrist as physician, 23623
consultation methods, therapist-family system in family therapy, 23241
consultation model, destructive impact of adversarial process in child custody cases, 11928
consultation role in Roman Catholic marriage annulment process, psychiatrists, 30613
consultation roles in medical arts practice or small hospital, private practice psychologists, 31861
consultation to childcare project, implications for development of child daycare & support for child care workers, social worker & childminders, 17196
consultation training, community psychology students, 12937
consultation with executive & management group in labor intensive plant & individual psychodynamics, psychoanalysts, 16102
consultations with family, decisions regarding psychiatric hospitalization, adolescents & social workers, 2120
consultative techniques, psychiatrists, 31829
consulting for family businesses, human resource professionals, 23971
contracting for services, school psychologists, 31929
counseling psychology, communication skills training & community health care & consultation services in health psychology comments on J. A. Klippel & D. M. DeJoy's article, 15052
definition & description of cost-effective & cost-benefit analysis & criticism of literature relevant to consultation-liaison psychiatry, 15081
description of services of psychological consultation program, learning disabled adult college students, US, 18746
development & distinctive characteristics of successful vs unsuccessful client-consultant relationship, organization consultants with 3–20 yrs experience, 32247
dual role as scientist vs consultant, organizational behaviorists, 16116
dyadic interaction, decision to request psychiatric consultation, primary physicians & patients, 15083
elimination of parental interview/consultation as intervention technique, parents of 14 yr old male with behavior problem, 15229
ethical concerns in consultation in human service delivery & government/private business settings, literature review, 12969
evaluation & treatment & referral to geropsychiatric consultation-liaison service, patients aged 60 yrs & older, 18322
evaluation of validity of psychoanalytic community mental health consultation models, comments on article by M. Rich & D. Barth, 16114
evolution of consultation tactics in community mental health program, social workers & public health nurses, Israel, 31832
experience level, presession planning & in-session verbal behavior, counseling supervisors, 31898
explanation & information-giving, outcomes in medical consultations, patients, literature review, 4873
family/systems model involving professional collaboration, assessment & treatment of behavioral pediatric problems, family therapists & pediatricians, 23088
functional approach, geriatric consultation, general hospital, 12813
general systemic model for intervention in organizations, psychologists, 15640
group mental health consultation with teachers, mental health professionals, Israel, 2333
group supervision in social work, 31868
guidelines for consultation with college mental health staff & deans, college students with psychiatric emergencies, 18750
guidelines for consultation with regular classroom teachers, special education teachers, 10677
guidelines for preparation of employability evaluation resulting from damages, psychologists & attorneys, 1130
headache-related etiological factors revealed during psychiatric consultation, 11–81 yr old patients, 25844
hermeneutic principles in supervision of candidates in psychoanalytic training, criticism of S. A. Leavy's paper, 29035
hermeneutic rules in supervision of candidates in psychoanalytic training, 29048
historical development & functions of consultation-liaison outpatient psychiatric clinics, 7693
hospitalization & consultation-liaison psychiatry after Law 180, psychiatric patients, Italy, 23496
integration of structural & strategic family therapy, school-based mental health consultation, 23890
language & consultation, change in psychological perspective & behavior, mental health professionals & clients, 23125
liaison clinic, provision of psychiatric evaluation & care for medical patients & training & research & funding in tertiary care setting, 7678
London Family Court Clinic, assessment & mental health consultation services, delinquents in juvenile court, Canada, 28948
magicians as consultants in parapsychological research, 26855
mental health consultation, primary prevention in community mental health, administrators in religious community, 2081
model for design & execution of controlled studies of consultation-liaison psychiatry, 31313
model for technical assistance to partial care rehabilitation programs, 4995

multilevel approach to operational patterns of consultation, counselors, 31653
need for regulation & professional consultation, community care facilities, 31642
noncompliance rates for followup after psychiatric consultation in general hospital, patients, 7643
organization of psychological & pedagogical consultation service, USSR, 10415
participant-observation needs assessment of use of psychiatrist in primary-care medical setting, 15367
perceived program need & agency & consultant contracts, development of agency based community mental health programs, 21013
perception of consultation skills necessary for resource teachers, resource teachers vs regular education teachers vs principals, 2340
perception of need for psychiatric treatment of burn unit patients, psychiatrists, 18317
political & social issues in Freud's essay on WWI, conference presentation, 17112
procedures for custody recommendations requested by court, 1121
processes leading to child psychiatry consultation to clarify expectations of specialists, parents, 17829
psychiatric care & services, psychiatric patients aged 20 yrs & older, Hong Kong, 23074
psychiatric consultation, drug-abusing hospitalized chronic pain patients, 15581
psychiatric consultation in internal medicine, psychiatrists, 18436
psychiatric consultation in internal medicine, psychiatrists, comments on article by J. H. Fetting, 18472
psychiatric consultation-liaison in discharge planning, high-risk 13 wk old male infant & his parents, 7661
psychiatric consultations/referrals in university hospital, Netherlands, 23503
psychiatric oncology, bibliography of publications in consultation-liaison psychiatry, 31215
psychodynamics of consultant-patient relationship, psychiatric vs nonpsychiatric consultants & patients in general hospital, 7645
psychological consultation, athletic team development, college swim team members, 10859
psychological service & counseling for prevention & early diagnosis of behavioral disorders & retardation & working with parents & child guidance clinics, kindergarten teachers, 8146
reimbursement & fiscal issues, consultation-liaison psychiatry, 56 yr old male admitted to hospital for coronary artery bypass surgery, 25975
resistance & interventions in psychiatric consultation, uncooperative & depressed 72 yr old aphasic female recovering from stroke, 31337
resistance to & facilitation of mutual collaboration, child psychiatry & pediatrics, 15612
role as consultant to health care organizations, family therapist, 12686
role as family medicine consultants, resolution of problems between families & medical systems, hospital social workers, 23514
role in organizational development & change, internal organizational development consultants, 13327
self monitoring of psychiatric consultation outcomes, psychiatry residents, 12924
skills for effective consultation, school counselors, 12993
social & structural factors, psychiatric consultation, male vs female physicians in medical ambulatory care center, 7808
supervision as form of permanent education & professional control, family & marital counselors, 23620
supervision session 4 hrs vs 1 vs 2 days before counseling session, supervisor & counselor performance & counselor & client satisfaction, 18–45 yr old clients & counselors & supervisors, 26410
support & advisory groups, problem child behavior, primary school teachers, 10669
surgeon's perspective, role of psychiatrist in treatment of burn unit patients, 18314
teaching of consultation liaison psychiatry in undergraduate curriculum of medical schools, Canada, 7844
team consultation approach, family therapy, 4692
themes in consultation with psychiatrist & reduction of stress, teacher of emotionally & behaviorally disturbed children, 31983
therapy theory for guidance in family therapy supervision, 31934
traditional vs open-classroom school structure, consultation services, doctoral students in school psychology, 23892
training program, conceptual & technical skills of supervision, advanced family therapists, 10606
utilization pattern of psychiatric consultation & referral service, institutionalized adult mentally retarded patients, 21086
ways to work within staff systems, family therapists in care-giving establishments, 2168

Professional Contribution [See Professional Criticism]

Professional Criticism

clinical confusion of Noonan syndrome with Borjeson-Forssman-Lehmann syndrome, comments on article by R. M. Veall et al, 6974
family models as addressing questions about emergent group characteristics vs attributes & interactions of individual members, comments on J. L. Bogdan's criticism of homeostatic theory, 20815
number of articles published in journal, estimations of journal quality based on development psychology textbook citations, comments on J. D. Hogan & R. Hedgepeth's article, 27733
serving immediate need vs establishing scientific support, psychologists, response to article by P. H. DeLeon, 28612
societal development, homicide, criticism of S. F. Messner's study, 28302

Professional Criticism Reply

societal development, homicide, reply to C. R. Chandler's criticism, 28338

Professional Development

attitudes toward staff development programs, psychiatric nurses & psychiatric care workers, 12907
career development, researchers for "The American Soldier" by S. A. Stouffer et al, 10564
career socialization experiences & current career attitudes, 3 generations of highly active vs regular faculties, 10661
commentary on professional & personal growth, female clinical psychologist, 21162
Continuing Professional Education Development Project, professionalism, clinical psychologists, 12929
continuing professional education in occupational therapy, 15619
correlates of scholarly productivity, 27–69 yr old faculty members of doctoral level counseling psychology training programs, 31925
demand for title & professional identity, psychology graduate students, 29063
description of work as playleader in play therapeutic situation & relationship to subsequent work as child psychotherapist, 3 case examples, 31897
developmental stresses of psychology internship training, implications for staff, 21192
domestic & professional roles & familial & professional & personal consequences, female architects vs their architect husbands, 29502
dreams, identity formation & adult development, female psychotherapists, 10573
feedback from 15–58 yr old clients who participated in rehabilitation counseling, professional development, rehabilitation counselors, 7699
feelings of professional identity in integrated psychosomatic approach, physicians, conference presentation, 29031
history of efforts in gaining public professional recognition, female psychoanalytic psychiatric practitioners, 31901
instructional program, preparation to record proceedings of interdisciplinary team conferences on developmental disabilities, predoctoral psychology interns & student trainees, 29060
interactive research & development project on schooling, researchers & developers & teachers, 15698
issues of pedagogic authority & knowledge base in movement toward professionalization, early childhood educators, 29156

unethical research practices, nursing, 23663
use of punishment as treatment modality & obligation of treatment providers, incompetent patients, 28581

Professional Fees

amount of fee for service, evaluation of counseling & willingness to seek help, male vs female college students & 15–54 yr old former psychiatric clinic clients, 31671
contingent reinforcement intervention methods, fiscal responsibility & clinic payment habits, 27–36 yr old methadone maintenance patients, 18395
court ruling on recovery of attorney's fees in Social Security & education & rehabilitation cases, case law, 14314
court ruling on reimbursement from estate for attorney's fees incurred by guardian in defense of action brought by state, case law, 14378
fee policies, psychologists in private psychotherapy practice, 10594
information system, confrontation of prospective payment for hospital care, hospital social work departments, 2147
problems & characteristics of delinquent clients & recommendations for collection of fees, therapists in private practice, 31910
psychoanalytic care in free clinic vs national insurance paid private care vs patient paid private care & client income & education & profession, type of treatment used & treatment completion patients, France, 28628
reimbursement & fiscal issues, consultation-liaison psychiatry, 56 yr old male admitted to hospital for coronary artery bypass surgery, 25975
theoretical orientation & personality & training & experience, rigor of fee policies, male vs female psychologists, conference presentation, 26465

Professional Liability

alleged failure of VA clinic to diagnose & treat posttraumatic stress disorder, Vietnam veteran injured in police shootout, case law, 14367
consent & patient's rights & psychiatrist's duties in psychiatric treatment, 31906
coping with Hedlund & Jablonski & Tarasoff cases regarding accountability for damage done by patients, psychotherapists, 29055
criminal liability for escape of patient found not guilty by reason of insanity, directors of state mental health facilities, case law, 6530
current laws & litigation & professional negligence & psychiatric malpractice, 31920
dismissal of defamation suit against newspaper report, former wife of mental patient, case law, 14369
dismissal of lawsuit against doctor for improper commitment, psychiatric patient, case law, 15468
doctrine of special relationships & duty to prevent harm in Tarasoff decision & inability to predict patient violence, psychotherapists, 29075
duty to protect 3rd parties from potential patient violence, psychotherapists, 31904
duty to warn potential victims of client violent behavior, psychotherapists, 21240
informed consent procedure & sharing of outcome uncertainties, prevention of malpractice in doctor-patient relationship, 15614
interdisciplinary team approach & ethical & legal considerations in identification & treatment of students with special needs, middle & elementary school counselors in large urban school district, 32134
lawsuits for neuroleptic-induced movement disorders, mental health professionals & medical care facilities, 23680
legal & ethical issues & practices, elementary & middle school counselors, 32191
legal aspects of early childhood special education, 29373
legal damage actions against psychiatrists, case law, 25336
legal significance of psychiatric malpractice based on concept of negligence, 7834

liability & immunity issues in failure to warn public about patient who later kills 3rd party, state or state agent or private mental health center, case law, 6522
liability for negligent release of dangerous patient, doctors at state mental institution, case law, 3869
liability of nursing homes & hospitals to patients, case law, 14368
limitations of defamation & privilege as defense in legal action against psychologists, England, 18467
mainstreaming, professional role & liability, school nurses, 5180
malpractice litigation, attitudes & personal & professional life, physicians who had vs had not been sued, 21165
malpractice suits on behalf of infants relating to disclosure of medical records & "wrongful life" & damages & jurisdictional issues, case law, 14370
mental disorders, physicians, implications for hospital & medical staff liability & legal & professional responses, 30910
model of "Tarasoff" doctrine, obligation to protect potential victims of patients, psychotherapists, 21156
outcome of malpractice actions against psychiatrists, 1974–78, 15651
patient & third party liability, psychiatrists, case law, 25335
prediction & communication of potential violence in patients, psychiatrists, implications for professional liability, 31856
professional standards & expert testimony & malpractice in psychiatry, 31930
psychiatry & principles of malpractice law, 2274
psychotherapist liability in case of client suicide & proposal for allowing rational suicide, 1125
reinstatement of psychiatric malpractice action by patient hospitalized & given ECT for what he alleged was physical problem, case law, 3850
review of Tarasoff v Regents of University of California case for clarification of therapist confidentiality liability, 18440
reviews of malpractice suits filed due to psychiatric treatment or iatrogenically induced traumatic neurosis in which damages were claimed, hospitalized patients & psychiatrists, Finland, 29008
state hospital's violation of deceased patient's rights to minimally adequate treatment, mentally retarded patient, case law, 14366
subjective assessment of suicide risk, malpractice liability & prevention, psychiatrists, 5091
suicide of patient in treatment, risk of liability & recommendations for avoidance of malpractice action, 23669
Tarasoff & Jablonski & Hedlund court decisions, duty to warn potential victims of violent clients, psychotherapists, 21241
tardive dyskinesia litigation & liability of medical community, 22509
teacher liability in integrated community-based educational services, integrated severely handicapped learners, 2332
therapists' obligation to assess possibility of violence & warn potential victims, 42 yr old psychiatric inpatient & Indian graduate student, 31931
use of legal standards in assessment of suicide risk & informed consent, malpractice liability & prevention, psychiatrists, 5076
wrongful death liability of church & county home in cases of clients' suicide, case law, 15585

Professional Licensing

financial resources & regulatory activities of professional licensing boards in psychology, American Association of State Psychology Boards, 12974
illegal misrepresentation in advertisements, psychologists, 18474
job analysis & demographic characteristics, licensed psychologists, implications for generic licensing examination, 12953
job analysis based on study by Educational Testing Service, licensed psychologists, US & Canada, 12954
legal & ethical & professional problems & recommendations for licensure, rehabilitation counselors, 26409
license revocation by state examining board, psychologist & nurse, case law, 6523
loss of professional license, attorney & psychiatrist, case law, 25333
normative vs absolute methodologies, setting passing points on Examination for Professional Practice in Psychology, 11182
North Carolina professional registration law, confidentiality & privileged communication, counselors, 5115
passing rates on Examination for Professional Practice in Psychology in California, 1979–81, 12883
perspective on public member representation on state licensing boards, 12938

professional licensing, school psychologists, 13021
professional licensing standards & laws, counseling psychology, state licensing boards, 12962
professional self monitoring of telephone directory advertisements, psychological examiners & psychologists in private practice, 21228
profile analysis, identification of culturally biased test components in state bar examination, 29755
pros & cons & alternatives to licensure, industrial/organizational psychologists, 31881
psychology as profession, Netherlands, 2307
psychology as profession, Norway, 2244
regulation decree, practice of nonmedical psychotherapists, Switzerland, 7791
restriction of practice to school settings, school psychologists with limited licenses, case law, 3875
right to engage in clinical practice, social psychologists, criticism of C. Hendrick's article, 2283
standards for current American Association for Counseling and Development credentialing guidelines with reference to measurement & evaluation, 21197
standards of training measurement & evaluation & licensure/accreditation/credentialing issues, counselors & student personnel professionals, criticism of L. C. Loesch's standards, 21205
steps leading to registration, psychologists, Canada, 10556
survey of licensing boards & state psychological associations to assess incidence & programs & statutes to remedy impairment, psychologists, 31888
suspension of license for Medicaid fraud, psychiatrist, case law, 3879
written simulations, professional psychology credentialing programs, psychologists, 12964

Professional Meetings and Symposia

abnormal development of event-related brain potentials, implications for use in diagnosis of developmental disorders & study of ontogeny of brain, conference presentation, 20577
abuse potential of drugs & treatments, conference presentation, 4308
abusive adolescents & psychodynamics, family violence, Japan, conference presentation, 9781
accuracy of neuropathological diagnosis, differentiation of types of dementia, deceased patients with multi-infarct &/or Alzheimer's type dementia, conference presentation, 20565
achievement of ambivalence & integration as treatment goal, hospitalized borderline patients, conference presentation, 4967
acquisition of causal vs temporal vs final vs consecutive connectives, 1st–6th graders vs college students, Netherlands and Italy conference presentation, 14034
acquisition of complex skills, implications for experimentation & computer revolution, conference presentation, 401
ACTH analog vs methylphenidate, attention deficit disorder, 6–12 yr old hyperkinetic males, conference presentation, 31493
active & passive forms & tests of empathy in psychotherapy, conference presentation, 23165
activities of daily living & emotional problems & behavior disorders, 5–75 yr old institutionalized mentally retarded with vs without epilepsy, conference presentation, 20447
activity wheel stress, regional brain norepinephrine & 3-methoxy-4-hydroxyphenylglycol content & gastric lesions, male rats, conference presentation, 30159
acupuncture, treatment of migraine headache, 21–59 yr olds, 7–9 mo followup, conference presentation, 20976
acute or chronic stressors vs desipramine, responding for electrical brain stimulation, mice, conference presentation, 30165
adaptation demonstrated by EPs & its role in drug treatment, conference presentation, 575
adenosine analogs, suppression of naloxone-precipitated withdrawal, opiate dependent guinea pigs & mice, conference presentation, 3524
administrative & financial issues, public mental health system, conference presentation, 31648

adult-child interaction, language self corrections, 4–5 yr old German speaking children, Switzerland, conference presentation, 14051
advantage & disadvantage of use of depot neuroleptics, Scandinavia, conference presentation, 10259
affirmative vs critical postmodernism in art & reflection of culture & society, conference presentation, 19939
age & disease duration & blood glucose, scores on Farnsworth-Munsell 100-Hue Test for Examination of Color Discrimination, 20–82 yr old diabetics, prognostic implications for retinopathy, conference presentation, 25867
age & dominant vs nondominant hand movement & motor control, cortical motor-readiness potentials, right vs left handed 8–19 yr olds, conference presentation, 19801
age & methylphenidate dosage & practice, EEG & RT & event-related brain potentials in visual detection task, hyperactive 88–150 mo olds, conference presentation, 20911
age & sex & performance time & intelligence & academic achievement, typical & atypical errors in pseudoisochromatic plate tests of color vision defects, 8–14 yr olds, conference presentation, 25895
age & skilled self-paced motor task, amplitude of cortical readiness & motor cortex potentials & P200 & skilled performance positivity, 8–13 yr old males, conference presentation, 19800
age, excretion of urinary-free cortisol, acutely stressed 47–78 yr olds with depressive symptoms, conference presentation, 6789
age, habituation of auditory event-related brain potentials, young vs old adult males, conference presentation, 19868
age, performance on Farnsworth Dichotomous Test for Color Blindness, 10–70 yr olds, conference presentation, 25782
age, progression from primary to secondary process thinking assessed through Rorschach responses, 6 & 9 & 12 yr olds, conference presentation, 25175
age regression to prebirth via hypnotherapy, conference presentation, 31556
age, stereotyped behaviors, mentally retarded in early education program, conference presentation, 22881
aggression as hysterical mechanism, conference presentation, 20748
aggression in clinical psychoanalysis, conference presentation, 20755
aging & regional cerebral blood flow, neuropsychological functioning assessed by Luria-Nebraska Neuropsychological Battery, 56–88 yr old patients with Alzheimer's disease, conference presentation, 25864
aids to text comprehension & suitability for student & type of material, conference presentation, 7920
aircraft instrumentation, technology & automation, performance & complacency, pilots, conference presentation, 21639
alcohol abuse & withdrawal, status epilepticus, 19–80 yr old males & 16–80 yr old females, conference presentation, 20540
alcohol administration, alpha activity, 19–21 yr old males at high risk for alcoholism, conference presentation, 1557
alexithymia, duodenal ulcer & irritable bowel patients, conference presentation, 28442
amitriptyline vs diazepam vs diazepam antagonist, topography of EEG changes, patients with primary depression & normal 20–40 yr olds, conference presentation, 766
analysis of background & contributions of K. Horney, conference presentation, 16176
analyst involvement in psychoanalytic impasse, 50 yr old female, conference presentation, 20750
analytical psychotherapy, autistic children, conference presentation, 7229
anatomical asymmetry of cerebral language centers & language development, children, conference presentation, 25103
androgyneity of man, conference presentation, 17239
animal models in research of anxioselective drugs, implications for treatment of anxiety, conference presentation, 6113
anomaly in structural linguistic capacity, sentence comprehension, adults with developmental dyslexia, conference presentation, 9839
anorexia nervosa & bulimia, diabetic 18–31 yr olds, conference presentation, 28503
antecedents of violent acts, 17–60 yr old male patients in prison hospital, conference presentation, 22873
anthropological approach to family therapy, conference presentation, 23201
anthropological thinking in work of K. Horney, conference presentation, 16170
antiandrogen therapy, sexuality, females with hyperandrogenism, conference presentation, 28733
anticipatory fear & morphine & shock penalties, RT, former narcotic addicts, implications for pain perception & stress-induced analgesia, conference presentation, 3018
anxiety & acute physical illness, 46 yr old male myocardial infarct patient, conference presentation, 20601
anxiolytic drugs, side effects & treatment of anxiety disorders, literature review, conference presentation, 7431
application of evolutionary models to decisions made during object possession conflicts, 47–83 mo olds, conference presentation, 30553
application of FORTH computer language, control of experiments, conference presentation, 86
application of signal detection theory, discrimination of adverse drug reaction from disease due to other causes, 25875
articulation & linguistic & auditory models for investigation of speech production & analysis of speech acoustics, conference presentation, 26954
artificial intelligence techniques, equipment training & maintenance, conference presentation, 16241
assembly language program for 6502 CPU for implementation of multitasking on small microcomputer, conference presentation, 66
assessment & implementation of health care priorities in developing countries, foreign development agencies, conference presentation, 26249
assessment & management problems, suicide risk, 17–75 yr old inpatients or recently discharged psychiatric patients who committed suicide, conference presentation, 25657
assessment of cognitive changes, 51–74 yr old patients with transient global amnesia, conference presentation, 20542
assessment of 2nd International Conference on Social Psychology & Language, comparison of papers presented, 1979 vs 1983, 9483
assessment scales for depression, implications & guidelines for future, conference presentation, 2873
Association for Methodology and Documentation in Psychiatry system & final syndrome scales, discrimination of depressive syndromes, conference presentation, 2937
asymmetrical electrocortical activity in schizophrenia, conference presentation, 1401
asymmetries of activation & arousal & brain neurotransmitter pathways in psychopathology, conference presentation, 1487
attentional effort & cognitive strategies, processing of temporal information, literature review, conference presentation, 3082
auditorily vs visually presented letters, recall & letter-matching, dyseidetic vs dysphonetic vs dyseidetic-dysphonetic 9–10 yr olds, conference presentation, 9864
auditory & visual EP amplitude & urinary homovanillic acid, autistic children, implications for dopamine metabolism, conference presentation, 20267
auditory EPs & contingent negative variation, schizophrenic patients, conference presentation, 1370
auditory event-related potentials, assessment of psychomotor retardation, depressed patients, conference presentation, 1358
auditory evoked P300 brain potential amplitude, college students at risk for development of schizophrenia, conference presentation, 20369
auditory stimulus detection task, nasopharyngeal potentials vs scalp event-related potentials, human Ss, conference presentation, 19509
auditory stimulus interval in go/no-go discrimination paradigm, contingent negative variation & slow-wave relationships, human Ss, conference presentation, 19448
auditory target localization tasks, short-latency event-related brain potentials, 17–30 yr old males, conference presentation, 19490
auditory vs visual discrimination stimuli, parieto-occipital alpha activity attenuation during vertex contingent negative variation development, 24–32 yr olds, conference presentation, 19452
auditory vs visual stimulus & stimulus duration & number, perception of temporal events, pigeons, conference presentation, 3202

AuthorAssist computer program, development of modules for computer assisted instruction, conference presentation, 2382
author's experience as patient in mental institution, conference presentation, 15496
autobiographical account of hope & recovery in chronic process schizophrenia from age 17–23 yrs, conference presentation, 17514
automated measurement of REM & delta sleep, depressed & normal 20–42 yr olds, conference presentation, 1422
autonomic nervous system function, 33–57 yr old male alcoholics & 27–61 yr old workers exposed to neurotoxic solvents, conference presentation, 20186
autonomic nervous system response patterns, prediction of development of schizophrenia, conference presentation, 1481
BALSA algorithm simulation & Apollo DN300 workstations in electronic classroom, teaching, conference presentation, 16274
bargaining task & facial expressions, P300 amplitude in event-related potentials, female college students, conference presentation, 19482
barriers contributing to incomplete education & career preparation, disabled adolescents, conference presentation, 32139
behavioral approach to empirical study of child abuse, conference presentation, 20379
behavioral vs pharmacological intervention, reduction in illicit opiate use, 29–40 yr old male methadone maintenance patients, conference presentation, 5060
benzodiazepines & antidepressants & anxiolytic drugs, treatment of anxiety disorders, literature review, conference presentation, 7468
benzomorphan analgesics & opioids, attenuation of bombesin-induced scratching, rats, conference presentation, 3424
beta-carboline, induction of extreme stress & anxiety, conference presentation, 25597
betting model of methodological decision rules in empirical research, conference presentation, 21704
bilateral carotid endarterectomy, cognitive functioning, patients with internal carotid artery stenosis, conference presentation, 20994
bilateral corticostriatal projection ablation, excitated vs inhibited striatal neuron response to dextroamphetamine, rats, conference presentation, 30193
biochemical & genetic markers in depression & schizophrenia, conference presentation, 28249
biochemical research in etiology of early childhood psychoses, literature review, conference presentation, 6742
biofeedback training, modification of client-therapist relationship, conference presentation, 7394
biologic responses to bereavement, infants vs adults, conference presentation, 6033
biological/genetic markers & epidemiology, patients with bipolar & unipolar major depressive disorder & their 1st-degree relatives, conference presentation, 28189
bit-addressable input/output interface for microcomputers, conference presentation, 42
blank flash vs verbal stimuli, hemispheric asymmetry in visual EPs, 11 yr old dyslexic males, conference presentation, 19447
body image distortion & physical anhedonia, slow brain potentials, male college students, conference presentation, 636
brain changes in learning disorders & giftedness & relationship of dysmusia to dyslexia, conference presentation, 9834
buprenorphine vs oxymorphazone vs morphine, analgesia & drug discrimination, mice & pigeons, conference presentation, 3441
bupropion vs alprazolam, cognitive processing & learning ability, children with attention deficit or conduct vs anxiety disorders, conference presentation, 31498
buspirone, anxiety, anxious outpatients, literature review, conference presentation, 26203
cadmium & lead exposure, amplitude & latency of auditory & visual EPs, 5–16 yr olds, implications for learning disabilities, conference presentation, 20621
cardiac arrest, neurological & neuropsychological symptoms, 22–66 yr old patients, 5–18 mo followup, conference presentation, 20539
cardiovascular pathology & occupational mobility & forced occupational change & layoffs, 25–55 yr old males, conference presentation, 28496
care of elderly parents as normative stress, families, conference presentation, 31576
career education & guidance, trainable mentally retarded, conference presentation, 23825
career guidance in higher education, conference presentation, 10863
category classification task using alphanumeric vs geometric stimuli presented at various retinal locations, latent components of event-related brain potentials, human Ss, conference presentation, 19522
cause of aphasia, stroke patients with cortical vs subcortical left hemisphere lesions, conference presentation, 20605
causes & consequences & criminal justice system, juvenile prostitution, US, conference presentation, 9752
cautions in interpreting research on homeless mentally ill, conference presentation, 21008
cellular aspects & CNS tissue responses to gonadal hormones, sexual differentiation, conference presentation, 30041
central fixation on stimuli presented to left vs right vs central visual field, hemispheric latency advantage in visual event-related potentials, strabismic Ss, conference presentation, 19430
cerebral hemispheric specialization as measured by event-related brain potentials during reading, congenitally deaf adults, conference presentation, 20570
cerebral laterality & dyslexia, discussion of S. T. Orton's early work, conference presentation, 9845
challenges in provision of sex education, learning disabled students, conference presentation, 32122
changes in classification of depressive disorders, implications for International Classification of Disease-10, conference presentation, 4242
changes in human rights & conditions for mentally ill, Australia, conference presentation, 20316
changes in labor market, unemployment, youth, Australia, implications for policy & planning, conference presentation, 21554
changing role of romanticism in modern literature, conference presentation, 19758
changing roles in career guidance in higher education & use of computers in counseling, counselors, conference presentation, 29471
characteristics of decision problem & roles & motivation of participants, design of decision support methods in organizations, conference presentation, 23990
child abuse & family violence & victimization, Finland, conference presentation, 9747
child maltreatment, developed vs developing countries, implications for policy options, conference presentation, 22813
childrearing practices, fulfillment of basic psychosomatic & psychosocial needs & subsequent emotional & social development, children, conference presentation, 30498
choline production from membrane phospholipids, Alzheimer's disease & aging, conference presentation, 31208
Chowchilla school bus kidnapping, posttraumatic stress reactions, children, 4-yr followup, conference presentation, 30894
chronic morphine vs ethylketocyclazocine administration, sleep & REM sleep & wakefulness & EEG & EEG power spectra & cross tolerance, rats, conference presentation, 3536
chronic self administration of alcohol, disruption of menstrual cycle regularity, female monkeys, conference presentation, 3487
circadian & interval timing of neuroendocrine systems, seasonal breeding & ovarian cyclicity & sexual behavior & pregnancy & parental care, mammals & birds, literature review, conference presentation, 3316
circadian rhythm of plasma melatonin, 30–66 yr olds with endogenous depression, conference presentation, 30967
clarification & clinical utility of dexamethasone suppression test, literature review, conference presentation, 30914
classical conditioning, opiate dependence, conference presentation, 5049
classical conditioning task, evoked brain potentials & P300 amplitude & variability, autistic children, implications for role of perceptual inconstancy & psychotic thought, conference presentation, 20305
client characteristics & sex of therapist, success of treatment & prognosis, bulimic patients, conference presentation, 28560
clinical color vision testing, conference presentation, 25898

clinical efficacy & tolerability of doxepin vs maprotiline, depression, 55–77 yr old patients with or without cardiovascular disease, conference presentation, 26137
clinical interviews, 23 & 32 yr old females with panic & anxiety, conference presentation, 20325
clinical psychopathology & course of symptoms & family history, prediction of development of manic depression, 13–16 yr olds hospitalized for depressive disorder, 4-yr followup study, conference presentation, 4260
clinical safety & tolerability of antidepressant nomifensine, conference presentation, 7479
clinical utility of color matching of purple, Ss with congenital & acquired color vision deficits, conference presentation, 25911
clinical utility of dexamethasone suppression test, school-age through elderly psychiatric patients, conference presentation, 30902
clinical utility of event-related brain potentials in psychiatry & clinical psychology & importance of dissociating aging effects & behavioral measures, conference presentation, 20195
clinical utility of transient tritanopia effect, localization of site of retinal damage, patients with various eye diseases, conference presentation, 25838
clomipramine treatment, intra- & interhemispheric EEG changes, chronic schizophrenics, conference presentation, 1984
CNS & immune system, literature review, implications for immune parameters as markers in mental diseases, conference presentation, 28192
cocaine abuse, adverse effects on health & psychosocial functioning, 22–59 yr olds, conference presentation, 4355
coeducation in institution, adults with polyhandicaps & epilepsy, conference presentation, 32124
cognitive &/or behavioral therapy, depression, inpatient alcoholics, literature review, conference presentation, 29003
cognitive approach to reading instruction, reading disabled students, conference presentation, 10797
cognitive asymmetry, manual vs vocal RTs for visual Kana letter processing tasks, college students, conference presentation, 603
cognitive asymmetry, visual Kana letter processing, criticism of T. Toshima's article, conference presentation, 549
cognitive asymmetry, visual Kana letter processing, reply to M. B. Bryden & D. Besner's criticism, conference presentation, 602
cognitive behavior psychotherapy & extinction & relaxation training, reduction of conditioned withdrawal-like responses, opiate-dependent male methadone patients, conference presentation, 5035
cognitive behavioral model, stress management problems, conference presentation, 7376
cognitive capacities involved in speech processing, neonates & infants, conference presentation, 25123
cognitive competencies, aggressive behavior, kindergartners to 2nd graders & 4th–6th graders, longitudinal study, conference presentation, 25041
cognitive deterioration & dementia before vs after levodopa treatment, patients with idiopathic Parkinson's disease, 8–10 yr followup, conference presentation, 20582
cognitive development, exacerbation & etiology of chronic disabilities, adolescents, conference presentation, 30878
cognitive maps & conceptions of causes of past vs future inflation & unemployment & consequences, professional decision makers, conference presentation, 21876
cognitive processing task, components of EPs, human Ss, conference presentation, 622
cognitive skills & motor performance & age, motor readiness potentials & reliability of cortical evoked waveforms during voluntary movements, 6–9 vs 10–12 vs 16–19 normal vs 15–21 yr old mentally retarded males, conference presentation, 19869
cognitive task performance, P300 & visual EPs, Huntington's chorea patients & Ss genetically at risk, conference presentation, 20545
color-dependent errors in performing urine glucose test, 19–75 yr old diabetics with vs without color vision deficiencies, conference presentation, 25784
color matching equations, diagnosis of color vision deficits, conference presentation, 25899
color vision, 65 yr old with unilateral nuclear cataract, conference presentation, 25957
color visual function, diabetics less than 2 yrs old to 31 yrs old, 17-yr longitudinal study, conference presentation, 25786
comments on Society of Medical Hypnoanalysts meeting & hypnoanalytic treatment of back pain, 52 yr old White male, 18158
community college women's resource center, conference presentation, 23896
components of research on decision making under risk & behavioral decision theory, literature review, conference presentation, 21877
comprehension of system's division of objects into categories, successful retrieval in menu-based systems, college students, implications for studying categorization problems, conference presentation, 55
comprehensive nutritional interview, children & adolescents with developmental disorders & their families, conference presentation, 15058
Computer-Assisted Analysis System, analysis of conversation, conference presentation, 61
computer axial tomography & structural pathology of brain in schizophrenia, conference presentation, 28277
computer-based courseware modules in psychology education, conference presentation, 2412
computer-based instructional techniques for application of psychological knowledge, conference presentation, 2403
computer-based measures of EEG alpha amplitude & validity in diagnosis, depressed patients & healthy volunteers, conference presentation, 102
computer-based portable keyboard monitor, data collection for timing studies of piano performance, conference presentation, 2824
computer-based procedures & ecological validity, reading research, conference presentation, 41
computer programs for record maintenance in token economy program & patient data entry, behavioral development, chronic psychiatric patients, conference presentation, 81
computerized tomography vs nuclear magnetic resonance imaging, differentiation of types of dementia, 55–75 yr old patients, conference presentation, 20261
concept of identity risk as basis for developmental transactions with environment, adults, conference presentation, 857
conceptual framework, victimological research, conference presentation, 9754
conclusions & recommendations, Second International Institute of Victimology, conference presentation, 9761
conditioned respondents as factor in stimulus control of drinking, alcoholic Ss, conference presentation, 4310
connection to her community, lesbian feminist psychotherapists in private practice, conference presentation, 26404
consequences of abuse investigation & conviction, 19–45 yr old male incest offenders, implications for treatment, conference presentation, 9818
constraints of interactive discourse, acquisition of word order & case marking, Kaluli children, New Guinea, conference presentation, 14098
construction & validation of BUMP scale, assessment of behavioral regression or upset, hospitalized medical patients, conference presentation, 29783
constructs of development of language, 5–7 yr olds, conference presentation, 25093
contemporary research, early infantile psychosis, literature review, conference presentation, 6748
content & structure of value tree representations, decision making, psychology graduate students, conference presentation, 21869
contingent negative variation & catecholaminergic receptor sensitivity, psychiatric patients, conference presentation, 1485
contributions of A. L. Benton & associates to research & test development in clinical neuropsychology, conference presentation, 30074
contributions of H. L. Teuber & Psychophysiological Laboratory of New York University to neuropsychology, conference presentation, 30112
contributions of H. S. Sullivan to scientific psychiatry, terminology of psychiatry, conference presentation, 4579
contributions of psychology & psychiatry to medicine, conference presentation, 15386

contributions of social psychology to study of language & speech & communication, literature review, conference presentation, 9489
contributions to development of clinical neuropsychology, conference presentation, 30066
contributions to German psychosomatic medicine, E. A. Dolle, conference presentation, 28587
contributions to psychosomatic theory, T. von Uexkull, conference presentation, 28596
coping & childrearing behavior, parents of dyslexic male, conference presentation, 9837
coping behavior, outcome, females with breast cancer, 10-yr followup, conference presentation, 28481
coping with depression course as psychoeducational group treatment for depression, literature review, conference presentation, 28686
correlations between visual EPs & chromatic saturation psychophysical functions, protan vs deutan vs normal vision Ss, conference presentation, 24395
counseling, integration into society, handicapped, conference presentation, 15443
countertransference processes to victims of natural vs human-induced violence, clinicians, conference presentation, 23618
course & student characteristics & study activities & academic achievement, framework for research on studying, literature review, conference presentation, 7986
course of help seeking behavior, 19–70 yr old patients who consulted Asai Mental Hospital, conference presentation, 23487
crime rate & state of victimology & study of criminal-victim dyad, Italy, conference presentation, 9771
criteria for evaluation of managerial decisions, 30–45 yr old mid-level managers, conference presentation, 23992
criterion-setting & intersensory effects, perception of temporal order & duration, comments on papers by R. J. Schweickert & D. G. Jamison et al & E. A. Wasserman et al & L. G. Allen, conference presentation, 3000
critical path network theory & additive factor method & mathematical model, duration & organization of cognitive processes during task performance, conference presentation, 3088
criticism of use of universal principles & need for minority intragroup studies of behavior, social science research, conference presentation, 30589
cross correlational analysis, temporal structure of play at home vs daycare center, 15–20 mo olds, conference presentation, 1013
cross correlational analysis, temporal structure of play behavior at home vs day care center, 15–20 mo olds, criticism of T. Torigoe & R. Kaneko's study, conference presentation, 987
cross species differences in timing competence & performance, experimental design, literature review, conference presentation, 3142
CS-UCS contingency theory vs context & reinforcer waiting times, explanation of associative process in classical conditioning, conference presentation, 3170
cultural factors in psychiatric treatment, immigrant Indian patients, conference presentation, 23146
damage to different locations within language-dominant hemisphere of brain, types of alexia, conference presentation, 9891
data collection of Project 12-Ways for measuring outcome of large in-home service for treatment & prevention of child abuse & neglect, conference presentation, 23106
de-mutizr:tion & language development, autistic 7–10 yr olds, conference presentation, 25543
debate over neutrality of psychoanalyst, conference presentation, 7236
debriefing sessions & consultations, emotionally abused children, conference presentation, 10055
definition of requisite decision model of problem solving in business & social sciences, conference presentation, 21868
definitional & interpretational issues surrounding negative components of event-related cortical potentials in relation to cognitive processes, conference presentation, 19512
definitional & methodological issues & principal components analysis in event-related potential research, conference presentation, 19525
degree of neurological impairment, average event-related brain potentials & contingent negative variation, 33–59 yr old chronic alcoholics, conference presentation, 20423
delusion formation as symbolic attempt at self cure, analysis of schizophreniform crisis suffered by playwright & poet A. Strindberg, conference presentation, 4142
demographic characteristics & consequences of long life span, Japan vs West Germany, colloquium, 17139
dependence features of 47 new chemical compounds, rhesus monkeys & rats & mice, conference presentation, 3397
dependence potential of zopiclone, monkeys, conference presentation, 3535
dependence potential of zopiclone vs triazolam, male recovered alcoholics, conference presentation, 4282
depression in medically ill & treatment of sleep disorders in elderly & clinical utility of dexamethasone suppression test, comments on 4 papers, conference presentation, 31326
depressive symptoms, drug abuse treatment clients, longitudinal study, conference presentation, 5040
dermatoglyphic patterns & chromosomal abnormalities & constitutional factors as markers in psychosis, India, conference presentation, 28257
description of RABBIT system, information retrieval, conference presentation, 16277
desipramine, depression, hospitalized mentally ill patients, conference presentation, 23302
desipramine, depression, melancholic elderly & Ss with delusional depression, conference presentation, 23344
desipramine, depression, outpatients, conference presentation, 23353
desipramine, paradoxical sleep, 67–77 yr old depressed patients, conference presentation, 1388
desipramine plasma levels & therapeutic response, depressed Ss with melancholia, conference presentation, 23317
deuterium oxide, circadian rhythm of water intake and lick rate, rats, conference presentation, 3353
development & current status of R. B. Cattell's theory of personality, conference presentation, 1321
development & evaluation of portable anomaloscope, diagnosis of color vision defects, conference presentation, 25780
development & evaluation of pseudoisochromatic plates, identification of color vision deficits, conference presentation, 25934
development & evaluation of Saturation Discrimination Test, assessment of color perception along tritanopic confusion line, 10–76 yr olds with congenital vs acquired color vision defects, conference presentation, 25880
development & operation & evaluation of inpatient forensic mental health unit, conference presentation, 21065
development of algorithms, color perception by computers & humans, conference presentation, 104
development of cathartic techniques of psychodrama & sociodrama originated by J. L. Moreno, conference presentation, 17974
development of causality, infants, conference presentation, 11673
development of clinical psychology as seen through personal experience of L. D. Cohen, conference presentation, 25969
development of concept of metapsychology & view of Kleinian psychoanalytic school, conference presentation, 24109
development of Halstead-Reitan Neuropsychological Test Battery & contribution of W. C. Halstead & associates to brain-behavior relations research, conference presentation, 29764
development of late onset anorexia nervosa following marriage, 21–80 yr old females, conference presentation, 28419
development of medical psychology, Hong Kong, conference presentation, 15064
development of phenothiazines, conference presentation, 10309
development of prosocial behavior, aggression, 22 yr study of Ss studied at 8 & 19 & 30 yrs of age, conference presentation, 25187
development of receptive & expressive language skills & reading impairment, language impaired tested at ages 4.5–8 & 8–12 yrs, 3–4 yr followup, conference presentation, 9880
development of Standardized Assessment of Depression Disorders & relationship to International Classification of Diseases-9, conference presentation, 4169
development of word meaning, conference presentation, 14013
developmental changes in event-related cortical potentials, 11–18 yr olds, conference presentation, 19810
developmental changes in organization of cohesive & agonistic peer activities, 8–66 mo olds, conference presentation, 30545

developmental changes, representation of meaning similarities of nouns, 4–8 yr olds, conference presentation, 14101
device to measure strength & decay of McCollough effect, testing for neuroophthalmological disease & visual fatigue & color defects, conference presentation, 25948
dexamethasone suppression test & sleep EEG & growth hormone response to clonidine & platelet imipramine binding as markers for affective illness, patients with obsessive compulsive disorder treated with clomipramine, conference presentation, 28205
dexamethasone suppression test & urinary methoxyhydroxyphenylglycol assay & tricyclic antidepressant plasma level assay, diagnosis of depression, conference presentation, 6767
dexamethasone suppression test, prediction of response to antidepressants, 26–76 yr old females with depressive disorders, conference presentation, 31486
diagnostic & therapeutic sexism toward females, male physicians, conference presentation, 23408
diagnostic criteria & epidemiology of depression, males vs females, conference presentation, 28154
diagnostic issues of DSM-III criteria for panic disorder, conference presentation, 20349
dietary treatment, prevention of mental retardation & nutritional deficiencies, conference presentation, 15033
differentiation of types of hypochondria, 39 yr old male with somatic delusions, conference presentation, 25908
difficulties & recommendations for transition from dependence to independence, disabled adolescents, conference presentation, 30895
difficulties in beginning 1st case, candidates in psychoanalytic training, conference presentation, 29020
difficulty level of word discrimination counting task, hemispheric asymmetries in P3 potentials, right handed males, conference presentation, 19434
difficulty of recognition memory & classification tasks, P300 latency & RT, 31–63 yr old alcoholics vs depressed patients, conference presentation, 20181
discrimination & physiological dependence properties of benzodiazepines, baboons, conference presentation, 3451
discrimination & retention of stimulus temporal order & duration, pigeons, conference presentation, 3211
discrimination of external duration vs regulation of action schedules, operant performance level, cats, conference presentation, 3180
discrimination of im vs iv vs intragastric administration of cocaine & dextroamphetamine during avoidance/escape procedures, rhesus monkeys, conference presentation, 3156
discriminative stimulus properties & other psychopharmacological properties of zopiclone, mice & rats & cats, conference presentation, 3464
disorders & their prevalence & treatment, females, implications for social change & professional training, conference presentation, 23064
disorders of separation & attachment during childhood development, children in psychoanalytic therapy, conference presentation, 31376
distribution of opioid peptides & receptor binding sites in spinal cord & activation by thermal & pressure & visceral nociceptive inputs, conference presentation, 30282
disturbances in experience of time & sense of timelessness, conference presentation, 1355
divided attention in RT task, correlation between contingent negative variation & EMG activity of extensor muscles, 17–32 yr olds, conference presentation, 19528
dopamine agonist mesulergine, motor disability & psychomotor & cognitive abilities, Parkinson's disease patients, conference presentation, 20914
drug abuse liability & behavioral toxicity, conference presentation, 4400
drug abuse liability & urine screening, conference presentation, 4303
drugs in psychiatric research & antidepressant drug therapy, conference presentation, 28737
DSM-III classification of mood disturbance & relationship to other classificatory systems, conference presentation, 4254
duration of stimulus-reinforcer relationship & response-reinforcer relationship, keypeck response rates under multiple schedule conditions, pigeons, conference presentation, 3163
dynamics of hospital care of newborn, relationship between parents & professionals & institutions, conference presentation, 7574
dynamics of middle phases of family therapy, conference presentation, 12553
early detection & prevention of infantile psychoses, conference presentation, 6863
ecological perspectives, provision of health services, disabled adolescents, conference presentation, 31577
economic & technological barriers to medical & psychiatric care, conference presentation, 23083
economic factors & family values, child abuse & neglect, Hispanic families, US, implications for intervention, conference presentation, 9800
education vs experience in psychoanalytic training, conference presentation, 29084
educational handling, 13–16 yr old males in boarding institutions, conference presentation, 32132
EEG & tooth-pulp EPs & neuroadenolysis of pituitary gland, neuronal activity in pituitary gland & involvement in pain perception pathways, monkeys, conference presentation, 27651
EEG activation levels, patients with schizophrenia vs mania vs neurosis vs depression vs personality disorders, conference presentation, 1467
EEG reactivity to information, acute vs recovered schizophrenics vs neurotics vs normal Ss, conference presentation, 1419
EEG sleep measures as neurophysiological markers of depression, conference presentation, 28213
effect of public opinion on public policy, conference presentation, 30706
effectiveness of group &/vs individual psychotherapy, psychiatric patients, followup study, conference presentation, 28651
effectiveness of short term anxiety provoking psychotherapy, neurotic patients with physical symptoms, conference presentation, 28654
efficacy & safety of nomifensine maleate, 18–60 yr old moderately to severely depressed outpatients, conference presentation, 7428
efficacy & safety of nomifensine, 18–65 yr old outpatients with primary affective disorder-depression, conference presentation, 7432
efficacy & safety of nomifensine vs imipramine, 18–65 yr old depressed outpatients, conference presentation, 7408
efficacy of nomifensine, subtypes of depression, conference presentation, 7466
efficacy of rapid serial visual presentation on CRT as reading aid & information processing research tool, conference presentation, 106
ego activity & self representation, psychotherapy, psychotic patients, conference presentation, 4642
electrical stimulation of median nerve at wrist, precentral vs postcentral cortex somatosensory EPs, human Ss, implications for independent generator of pre- & postcentral potentials, conference presentation, 19507
electronic chalkboard as computerized teaching method, conference presentation, 2413
electroretinogram & visually evoked cortical potentials in studies of electrophysiology of color vision, conference presentation, literature review, 24695
electroretinographic indices of color vision variations, monkeys, conference presentation, 24655
elements of genesis & psychopathology of language, children, literature review, conference presentation, 25100
emergence of primitive verbal utterances from babble to complex structural utterances, preschool children, Hungary, conference presentation, 25092
emergence of 4- and 5-generation families, conference presentation, 22488
empirical & theoretical relationships between value & utility functions in models of multiattribute preferences, conference presentation, 21783
encoding of prototypical events, acquisition of grammatical forms, children, conference presentation, 14106
encouragement of new types of cross cultural comparative research, conference presentation, 29678

endogenous beta-phenylethylamine, neural processes underlying reward or reinforcement, conference presentation, 30235
epidemiological & clinical research as guide in search for risk factor & biological markers of mental disorders, conference presentation, 28206
epidemiology & cross cultural & family studies of panic & anxiety disorders, conference presentation, 20342
estrangement & behavioral problems, parents & adolescent children, India, conference presentation, 6504
ethanol & auditory stimulus presentation rate & target detection task difficulty, event-related brain potentials, 20–32 yr olds, conference presentation, 19659
ethics & manner of relating to violence, individuals & societies, implications for psychiatric hospitals, conference presentation, 22837
ethyl ester of beta-carboline-3-carboxylic acid, induction of model of human anxiety, rhesus monkeys, conference presentation, 6165
etiological correlations & symptoms, children with Gilles de la Tourette's syndrome, France vs US vs Malaysia vs Siberia, conference presentation, 4408
etiology & symptoms & psychotherapy & treatment with lithium carbonate, manic depression, children & adolescents, conference presentation, 4163
etiology of mental retardation, 1–60 yr olds, conference presentation, 20440
evaluation of client's analyzability & course of treatment, analysts & their 20–54 yr old patients, 5-yr longitudinal study, conference presentation, 26026
evaluations & reliability & validity of Incapacity vs Environmental Status Scales, measurement of disability, multiple sclerosis patients, conference presentation, 21754
evaluative selection of color vision test batteries, conference presentation, 25833
evidence for ability to experience affective & sexual life, mentally handicapped, conference presentation, 30896
evoked neuromagnetic brain potentials & relevance for event-related potential research, conference presentation, 19483
evolution of aphasia, patients, conference presentation, 20602
evolution of behavior, conference presentation, 2771
evolution of brain function-behavior relationship, conference presentation, 560
evolution of grammatical categories from semantic categories, children, conference presentation, 14071
expectations & evaluation of & training in career guidance in higher & continuing education, conference presentation, 29431
experience of being dyslexic, conference presentation, 9851
experience of loss of self as narcissistic disturbance, patients with affective disorders, conference presentation, 25568
experiences of puberty development & need for sex education, 15–16 yr olds, Denmark, conference presentation, 25233
experiment design problems in use of cortical event-related potentials to study neural organization of development & cognition & motivation, conference presentation, 19467
expert & knowledge-based systems & decision technology, conference presentation, 21701
explicit counting, duration discrimination, conference presentation, 3023
exploration of families of origin & current group as "family" in workshop for family therapists, conference presentation, 2252
expressive movement behaviors, separation & individuation, mothers with 2–6 yr olds, conference presentation, 3819
extraversion & intensity of auditory stimulus, auditory EPs from frontal sites, college students identified as perceptual augmenters vs reducers, conference presentation, 19440
factor analysis & effect of summing scores, Incapacity vs Environmental Status Scales, multiple sclerosis patients, conference presentation, 21737
factors in decision to repeat 1st grade, promoted vs nonpromoted 1st graders identified as candidates to repeat 1st grade, conference presentation, 26577
factors in hospital psychiatric ward environments, suicidal urges, psychiatric patients, conference presentation, 26322
familial genetic aspects of color vision defects, males, conference presentation, 25953
familiarity & organization & predictability of sequences of musical notes, perception of duration & other factors, conference presentation, 3062
family conflict & stress, child's development, traditional vs nontraditional families, conference presentation, 30372
family therapy, Israel, conference presentation, 31429
fantasy, depression & other psychopathology, children of manic depressive vs normal parents, conference presentation, 4211
fantasy of having perfect relationship fill all needs, example from J. Rossner's "August", conference presentation, 25012
fate of reason in history, conference presentation, 18952
fear & anxiety & noradrenergic function, conference presentation, 24723
feelings of professional identity in integrated psychosomatic approach, physicians, conference presentation, 29031
feminist therapy & its perspective on females & mental health, conference presentation, 23168
flunitrazepam vs zopiclone & alcohol, psychomotor skills, male 20–25 yr olds, conference presentation, 3509
food & nutrition education, knowledge of nutrition, 6.9–12.8 yr old educable mentally retarded vs 8.2–11.2 yr old trainable mentally retarded, conference presentation, 15898
foreign policy decisions & structures of argumentations, 1900–55, Netherlands, conference presentation, 22529
FORTRAN programs for 2-party mixed-motive games on physically isolated terminals, implications for teaching & research, conference presentation, 2410
forward vs backward masking, perception of auditory durations, college students, conference presentation, 3061
foster family care, 46–92 yr old borderline & profoundly mentally retarded, 15423
foveal & extrafoveal distribution of macular pigment, humans, conference presentation, 24420
foveal color vision defect, 59 yr old with congenital stationary night blindness, conference presentation, 25958
frequency of mortality from child abuse, Denmark, conference presentation, 9770
functional assessment stages of dementia, psychometric & mental status test performance, outpatients with Alzheimer's disease, conference presentation, 31242
functional brain asymmetry, affective disturbances, literature review, conference presentation, 4239
functional similarity of time discrimination & classical conditioning, rats, conference presentation, 3191
future psychopathology-related research issues for event-related brain potentials in areas of diagnosis & positron emission tomography & neurochemistry & psychopharmacology, conference presentation, 20205
GABA & benzodiazepines, biochemistry of anxiety, conference presentation, 6763
GABA-ergic agents, opiate antinociception, conference presentation, 30289
GABAergic mechanisms, neurophysiological model of anxiety, conference presentation, 22751
genesis & psychopathology of language, children, conference presentation, 25089
genetic & functional differences of ego ideal vs ideal ego, differentiation of types of narcissistic disorders, conference presentation, 20279
genetic factors, infantile autism, conference presentation, 6844
genetic vulnerability markers in affective illness, conference presentation, 28164
geriatric depression, Peoples Republic of China vs Western societies, conference presentation, 20274
glaucoma damage, color vision deficiencies, 20–84 yr old patients, conference presentation, 25929
glycopyrrolate or arecoline, peripheral alpha-adrenergic sensitivity, patients with primary major depression vs primary anxiety disorder with no depression, conference presentation, 25596
goal frustration & life events, etiology of gastrointestinal disorders, 18–60 yr old patients, conference presentation, 28416
group analytic psychotherapy & growth of benign superego through love, conference presentation, 17988
group instruction, working with parents with pathological behavior, nurses in neonatal intensive care unit, conference presentation, 7516

group processes & perception of social injustice as barriers to intergroup communication, conference presentation, 9494
group size & subsequent activity & individual differences, actual drinking behavior vs drinking norms, normal Ss, conference presentation, 22566
hand holding behavior & denial of separation from mother, autistic children, conference presentation, 6813
handling reactions to perceived lack of progress of chronic mental patients, public mental hospital staff, conference presentation, 18313
handwriting analysis, identification of Oedipal complex, conference presentation, 30940
head temperature, time estimation, conference presentation, 3324
health care, children in labor force, conference presentation, 22298
health promotion & independent living programs, chronically ill & disabled, conference presentation, 26354
health, 45–54 yr old employed vs unemployed females vs full-time homemakers, conference presentation, 25497
heterochromatic brightness matching, color vision deficient Ss, conference presentation, 25907
high vs low lithium, diet & time of day circadian rhythms of drinking & body weight & retinal & blood distribution, pigmented eye vs albino rats, conference presentation, 30315
high vs low random ratio schedule & long vs short experimental session, foraging behavior, pigeons, conference presentation, 3157
HIPS software or Human Information Processing Laboratory's Image Processing System, study of vision & perception of American Sign Language, conference presentation, 78
HIPS software system or Human Information Processing Laboratory's Image Processing System, visual information processing, conference presentation, 93
historical roots & development of experimental & developmental & educational & social psychology, Japan, conference presentation, 16156
history & contemporary status of research on aphasia & neuropsychology of languages, conference presentation, 31163
history & contributions to German psychosomatic medicine, T. von Uexkull, conference presentation, 28566
history & experimentation & theories of parapsychology, conference presentation, 13403
history & status of insanity plea, 28 & 40 yr old male defendants, conference presentation, 1122
history of Chicago Institute for Psychoanalysis, conference presentation, 8330
history of family therapy, Australia, conference presentation, 23239
history of psychiatric care, prisoners, Canada, 1950 to present, conference presentation, 31748
history of vocational guidance, conference presentation, 8164
Huntington's disease, literature review, conference presentation, 25873
hypnosis, development & application of contraception, females, conference presentation, Italy, 22555
hypnotherapy & handwriting analysis, identification & treatment of homosexuality & lesbianism & transsexuality, conference presentation, 30732
hypnotherapy, development & enlargement of breasts, female clients, conference presentation, 31564
hypnotherapy, dissociated syndrome following car accident, 27 yr old priest, conference presentation, 31570
hypnotic susceptibility & large vs small amounts of information in memory & posthypnotic amnesia, time estimation, conference presentation, 3125
hypothalamic peptides, striatal dopamine receptor function, morphine tolerant-dependent rats, conference presentation, 3409
hypoxic hypoxidosis, brain function & attention & memory & RT & effect of aniracetam on EEG changes, 20–30 yr old males, conference presentation, 678
identical vs category monitoring, comprehension of spoken discourse, 5 & 7 & 10 yr olds, conference presentation, 14113
identification & remediation of subtypes of reading disabilities, literature review, conference presentation, 10800
identity risk & developmental transactions with environment, adults, criticism of S. C. Howell's paper, conference presentation, 853
identity risk & developmental transactions with environment, adults, reply to T. Fujihara's comments, conference presentation, 858
illness behavior & physical & mental disorders, psychiatric & gynecology & surgical patients, test of B. Blackwell's theory, conference presentation, 28130
illuminance level, scores on Panel D-15 Desaturated D-15 vs H-16 Panels of Farnsworth Dichotomous Test for Color Blindness, Ss with senile macular degeneration, conference presentation, 25781
immune functions of beta-endorphin, literature review, conference presentation, 27347
impairment in spatial thinking as reflected in right-left disorientation & poor visuomotor abilities, etiology of dyslexia, conference presentation, 9826
importance of conceptual model, research in family life influences, schizophrenia, conference presentation, 12177
importance of human engineered system features, use of microcomputer in US Navy, conference presentation, 84
in vivo lithium rates & medicated red cell lithium transport, bipolar vs schizophrenic patients, conference presentation, 31527
Incapacity Status Scale vs activities of daily living index, assessment of functional disabilities in multiple sclerosis, conference presentation, 21736
incentive theory & mathematical model of autoshaping, "adaptive clock" and CR rates & extinction, pigeons, conference presentation, 3173
incidence of passive aggression or verbal abuse or threats or acts of violence, mentally disordered patients in maximum security treatment facility, conference presentation, 31747
indicators & functions & tasks of termination of psychoanalysis, 19 & 25 yr old females with anxiety & panic & male with wool fetish, conference presentation, 26068
indiscriminate prescription of sleeping pills, Ss aged 60 yrs & older with insomnia, conference presentation, 31532
individual abilities, component skill learning in word processing, college students, conference presentation, system design implications, 412
individual responsibility, world population problems, conference presentation, 17105
influence of CNS on immune system functioning during psychological stress, medical students, conference presentation, 19562
influence of goals & social situation on what is said & how it is said in social interaction, conference presentation, 9511
information flow model of musical performance, perception & production & imitation of time ratios, professional musicians, conference presentation, 3033
information processing deficits, event-related potentials, 19–39 yr old schizophrenics, conference presentation, 1405
information processing model of animal timing behavior, effect of unbalanced stimulus probabilities & predictive cue on CR temporal criterion & response rule, rats, implications for human information processing, conference presentation, 3183
information-processing model of time perception, duration of stimulus light & probability of operant response, rats, conference presentation, 3161
information search & computerized decision aid in choice of holiday destination, human Ss, conference presentation, 21852
inhibition of adenosine uptake, actions of benzodiazepines, conference presentation, 30278
injuries to cortex, long term memory, conference presentation, 22022
institutional treatment approaches, childhood psychoses, conference presentation, 7248
instructional use of computers in psychology, conference presentation, 2378
integrity of treatment, special education, conference presentation, 15888
intelligence & impulsiveness & free-floating anxiety & stimulus occurrence guessing task, event-related brain potentials, college students, conference presentation, 19449
intense hostility in psychoanalytic situation as restitution of omnipotent primitive self, severely disturbed 25 yr old male, conference presentation, 20769
inter- & intrahemispheric distribution aspects of cortical event-related potentials to Stroop color & word stimuli, conference presentation, 19426

interaction of combinations of drugs & serotonergic system, behavioral effects, rats, conference presentation, 3503
interaction with computer & information search & evaluative processes in decision making, 20–40 yr olds, conference presentation, 21854
interactional processes, construction of language, children from 1 to 2.4 yrs, conference presentation, 14026
interactive videodisc instructional technology, conference presentation, 2398
interest & decisional power, judgments of risk & benefit concerning hazardous materials, conference presentation, 21864
interests & influences of F. Galton, experimental applied psychology, conference presentation, 18956
internal vs external schema orientation & learning strategy, acquisition of new computer skills, computer users, conference presentation, 389
international issues, counseling, conference presentation, 10435
interpersonal relatedness perspectiveness, treatment of schizoid personalities, therapist expectations, conferences presentation, 15160
interpersonal view of aggression in psychoanalysis, conference presentation, 20756
intra- & interhemispheric processing of auditory & tactile information, depressed vs schizophrenic vs normal Ss, conference presentation, 1420
ipsilateral vs contralateral finger vs foot flexions, amplitude of cortical readiness potentials, 18–26 yr olds, conference presentation, 19441
isoproterenol & racemic sodium lactate, production of panic attacks, male vs female 18–55 yr old patients with panic disorder, conference presentation, 25583
issues concerning use of pharmacologic agents for long term preventive treatment, mood disorders, conference presentation, 20936
issues for future of psychosomatic medicine, conference presentation, 28595
issues in artificial intelligence from perspectives of molecular & neural mechanisms of behavior & cognitive psychology & computer science & systems theory, conference presentation, 18973
issues in environmental psychology, conference presentation, 2714
issues in environmental psychology, criticism of S. Wapner's article, conference presentation, 2715
judicial & legislative decisions influencing preschool programs, prevention of academic failure, handicapped children, conference presentation, 10821
justification of personal violence, rapists vs general public, US, conference presentation, 9753
lactate vs isoproterenol, induction of anxiety states, 22–39 yr olds with panic disorder, conference presentation, 6838
language & law as indicative case for language-institution studies, conference presentation, 9055
language research & processes of social influences, conference presentation, 9047
large field mesopic color matching performance, deuteranopes, conference presentation, 25920
lead exposure, developmental changes in contingent negative variation & role of axodendritic vs axosomatic connections, children less than 5 yrs old, conference presentation, 20576
learned discrimination between rhythmic vs random tone patterns, discrimination between partly randomized patterns, European starlings, conference presentation, 3168
legal processes, sexual offenses & "organization" of sexuality, conference presentation, 9430
levo- & dextro-opiates, inhibition of codeine binding & cough reflex & blood pressure & heart rate, guinea pigs & cats, conference presentation, 3420
lexical access & recognition strategies & cues & recognition of vowels & methods of phonetic decoding, conference presentation, literature review, 27132
lexical innovations, construction of new word forms, 3–6 yr olds, conference presentation, 14023
life & contributions of K. Horney, conference presentation, 16181
life & work of psychoanalyst S. Ferenczi, Hungary, conference presentation, 18941
light absorbance spectra of photoreceptors of enucleated eye & relation to psychophysical functions of color vision, 75 yr old male deuteranope, conference presentation, 25881
limited capacity memory model, temporal discrimination & generalization learning, pigeons, conference presentation, 3164
linguistic competency & individual differences in language & communication, conference presentation, 9050
linguistic competency & individual differences in language & communication, conference presentation, 10751
linguistic processing task using mathematical equation stimuli, contingent negative variation & slow positive cortical potentials, 21–40 yr olds, conference presentation, 19472
lithium & nortriptyline & dexamethasone, insulin sensitivity, 21–59 yr old males, conference presentation, implications for treatment of depressed diabetics, 30236
lithium, aggression, mentally handicapped 14–50 yr olds, conference presentation, 31549
lithium, circadian rhythm of plasma & pineal melatonin, pigmented eye vs albino rats, conference presentation, 30294
lithium, growth hormone & prolactin responses to insulin hypoglycemia, bipolar 18–69 yr olds, conference presentation, 31505
long &/vs short term timing systems, anticipatory response accelerations before food reinforcement, rats, conference presentation, 3204
long-acting depot injection vs oral administration of neuroleptic agents, maintenance, schizophrenic patients, conference presentation, 10279
long term imipramine treatment, platelet radioactive imipramine binding, drug-free depressed patients, conference presentation, 31544
long term macronutrient selection, caloric intake & weight gain & lipid deposition, rats, conference presentation, 30125
long term nomifensine vs imipramine, side effects, depressed patients, conference presentation, 7492
long term outcome, adolescents & adults diagnosed as hyperactive during childhood, literature review, conference presentation, 31171
Lowenfeld Mosaic Test, diagnosis & psychotherapeutic treatment, children, conference presentation, 21778
magic & mystery in writings of V. K. LeGuin, conference presentation, 30348
major findings & problems in communication studies on persuasive message strategies, conference presentation, 9053
male social dominance & physiological states & behavioral characteristics, captive male vervet monkeys, 30027
masochism & depression, conference presentation, 6745
maternal ability & employment & employment choice, child development, children at 1 vs 3 vs 6 yrs of age & mothers in traditional vs single parent families vs social contract relationships vs communal living groups, conference presentation, 30406
maternal addiction to narcotic & nonnarcotic drugs, fetal & neonatal development & addiction, newborns, conference presentation, 4287
mathematical model & theoretical & methodological issues, anticipation of time of predictable sensory event & synchronization of motor response, conference presentation, 3014
mathematical model, performance in 2- vs 3- event delayed sequence discrimination task, pigeons, conference presentation, 3213
meaning of words in psychoanalysis, conference presentation, 1852
mecamylamine, nicotine dependence, 24–61 yr old smokers, conference presentation, 5061
mechanics of airborne decision making & judgment, pilots, conference presentation, 21650
mechanism of action of tricyclic & atypical antidepressants & role of monoamine function, literature review, conference presentation, 28753
medical epidemiological approach, lifestyle & health & role of social support in emotional adjustment, male patients suffering from myocardial infarctions, conference presentation, 25769
medications, assaultive behavior, 17–65 yr old psychiatric patients, conference presentation, 23366
memory for circadian phase of feeding, rats, conference presentation, 3195
memory size in auditory vs visual CV syllable memory scanning task, RT & EPs, human S, conference presentation, 19463

mental deterioration, Parkinson's disease, patients with mean age of 61.4 yrs treated vs not treated with levodopa, conference presentation, 20524
mental health services, chronically mentally ill & deinstitutionalized patients & families at risk for child abuse, conference presentation, 31636
mesopic visual acuity & color vision & threshold sensitivity of central retina, 29–65 yr old patients with slight macular degeneration, diagnostic & treatment implications, conference presentation, 25940
methadone dose & time in treatment, treatment retention & clinic attendance & illicit drug use & withdrawal symptoms, methadone detoxification patients with mean age of 29 yrs, conference presentation, 5048
methods for assessment of abuse liability of stimulants & depressants, animals, conference presentation, 4357
microcomputer-based propositional analysis system using Pascal language, conference presentation, 64
microcomputer-based testing system, collection & administration & storage of data in behavioral tasks, conference presentation, 60
microcomputers in psychology laboratory courses, conference presentation, 2371
microinjection of carbachol vs morphine vs methylatropine vs naloxone into periaqueductal gray, central cholinergic processes in opiate abstinence syndrome, morphine-dependent vs nondependent dogs, conference presentation, 3510
microprocessor-based experiment controller, conference presentation, 103
militarization, underdevelopment & exploitation of underdeveloped countries, criticism of A. Gellhorn's article, conference presentation, 25255
military & economic development, national security & health & other threats, less developed countries, criticism of A. Gellhorn's article, conference presentation, 25253
military & economic development, national security & health, conference presentation, 25246
military & economic development, national security & health, criticism of A. Gellhorn's article, conference presentation, 25245
military & economic development, national security & health, criticism of A. Gellhorn's article, conference presentation, 25248
military & economic development, national security & health, criticism of A. Gellhorn's article, conference presentation, 25254
military development, national security & health, reply to criticisms by C. K. Cassel, M. Jefferys, F. M. Mburu & P. J. McEwan & V. Navarro & H. L. Smith & P. Wood, conference presentation, 25247
minaprine vs carpipramine, event-related slow cortical potentials, 26–49 yr olds, implications for evaluation of psychotropic drug effects, conference presentation, 19713
MINERVA 2 as simulation model of human memory, conference presentation, 68
minicomputer-administered tasks in study of effects of sustained work periods & fatigue, physical & cognitive task performance, Marine Corps personnel, conference presentation, 94
model for development of conferences on creative expressive art therapies, 17882
model of individual decision making vs political processing under certainty, public officials & interest groups & industrial representatives, implications for government policy making, conference presentation, 22517
model of speech perception, memory structures & functional processes & evaluation & integration & classification of sound patterns & duration, conference presentation, 3078
modified Poisson counter model for time estimation, feedback & ability to produce temporal intervals with finger tapping, conference presentation, 3027
monocular vs binocular presentation of Farnsworth-Munsell 100-Hue Test, color vision scores, healthy Ss vs multiple sclerosis patients, conference presentation, 25923
mother-child communication, language development, 8 mo through 2 yr olds, conference presentation, 25136
mother-child interaction & maternal memories, mothers of autistic children, conference presentation, 6790
motor programing & temporal sequences in handwriting, college students, conference presentation, 3032
motor skill acquisition, electrocortical activity, 18–21 yr olds with varying levels of athletic participation, conference presentation, 19464
movement & motor control-related brain potentials, conference presentation, 19451
multi-attribute utility model & sentencing decision making, magistrates, conference presentation, 22518
multidimensional scaling & cluster analysis, classification based on similar symptoms, psychiatric patients, conference presentation, 1353
multidisciplinary approach to treatment in institutional setting, early childhood psychoses, conference presentation, 7669
multiple checkpoints in childcare institution admission, children with childhood psychoses, France, conference presentation, 7686
multiple objectives of gambling, experienced blackjack players, implications for decision research, conference presentation, 21878
multivariate EEG analysis, depressive psychotics vs manics vs schizophrenics, conference presentation, 1384
muscular force required for response, correlation between contingent negative variation & EMG amplitude, 18–32 yr old females, conference presentation, 19529
music & dance & drama & art education, quality of life & functional skills, severely mentally retarded 3–21 yr olds, conference presentation, 15891
naltrexone & behavior therapy, heroin addicts with mean age of 26 yrs, 5-yr posttreatment followup, conference presentation, 5053
naltrexone, behavioral depression following amygdala vs hippocampal kindled seizures, rats, conference presentation, 30215
naltrexone vs therapeutic community, opiate addiction, male veterans, conference presentation, 5027
need for asylum & sanctuary following deinstitutionalization, chronic patients, conference presentation, 18224
need for attentiveness & openness & alertness, caretakers in special premature baby care unit, conference presentation, 7528
need for combination of depot neuroleptics & psychosocial intervention, lowered relapse rates, schizophrenic patients, US, conference presentation, 10275
need for combined disability & income & age criterion for eligibility for housing assistance programs, elderly, conference presentation, 31633
need for familial support & coping techniques for optimal enjoyment/well-being, terminally ill children, conference presentation, 31361
need for microcomputer tools & courseware, undergraduate psychology curriculum, conference presentation, 2379
need for professional intervention, study of families of Alzheimer's disease patients, response to G. Niederehe & E. Fruge, conference presentation, 22923
need for rating scale for assessment of cognitive function in multiple sclerosis, conference presentation, 23269
need for social supports, single heterosexual feminist female psychotherapists in private practice, conference presentation, 26427
need for suicide prevention services, psychiatric patients, conference presentation, 18226
neurobiology of REM sleep & psychoanalytic dream theory, comments on paper by J. A. Hobson & R. W. McCarley, conference presentation, 24132
neurochemical connection between panic episodes & endocrine disregulation, conference presentation, 20335
neuroendocrine system, adaptation to psychological environmental change, animal & human Ss, conference presentation, 27434
neuroleptic maintenance & psychosocial intervention with family, relapse, 16–65 yr old schizophrenic patients, 2-yr followup, UK, conference presentation, 10071
neurological examination checklist, assessment of dementia, 15–83 yr olds with clinical symptomatology of dementia, conference presentation, 20598
neuropathologic & neuropsychologic data in development of screening battery & rating system, multiple sclerosis patients, conference presentation, 21772
neuropsychological characteristics of Alzheimer's disease, conference presentation, 31179

neuropsychological deficit factors, treatment outcome, male alcoholics, implications for use of assessment measures in prediction of cognitive functioning, conference presentation, 23589
neurotoxin lesions of nucleus accumbens & drug dose, CRs concurrently maintained by food & water & morphine reinforcement, rats, conference presentation, 3384
neurotransmitter receptors, etiology of depression & mechanisms of action of antidepressant drugs, conference presentation, 23363
nomifensine, depression, 18–65 yr olds with primary affective disorder–depression, conference presentation, 7425
nomifensine maleate vs imipramine, symptoms, geriatric outpatients with primary affective disorder-depression, conference presentation, 7414
nomifensine, precipitation of seizures, implications for management of patients with epilepsy & neurological diseases associated with lowered seizure threshold, conference presentation, 7481
nomifensine, safety & efficacy of treatment, depressed patients, results of 12 studies, conference presentation, 7430
nomifensine, symptoms, depressed vs nondepressed geriatric inpatients with mean age of 75.3 yrs, conference presentation, 7446
nomifensine, treatment of depression, elderly patients, conference presentation, 7417
nomifensine vs imipramine, depression, 22–56 yr old male inpatients, conference presentation, 7423
nomifensine vs imipramine, symptoms, depressed geriatric outpatients, conference presentation, 7461
nomifensine, models predictive of antidepressant activity & cardiovascular & anticholinergic side effects, animals, implications for treatment of endogenous depression, conference presentation, 6119
nonpsychotic dysphasia & audio-mutism & prognosis, children, conference presentation, 25747
nursing & care of disabled wives, 63–93 yr old widowers, conference presentation, 23427
object loss before achievement of object constancy, 36 & 37 yr old females & example from "August" by J. Rossner, conference presentation, 25561
object name reading vs verbal naming tasks, event-related brain potentials, right handed 23–26 yr old males, conference presentation, 19524
object of inquiry & status as science, victimology, conference presentation, 9750
object relations perspective of symptom formation & alexithymia, conference presentation, 28274
objective & quantitative evaluation of Farnsworth-Munsell 100-Hue Test, assessment of color vision defects, conference presentation, 25845
occult & magic & witchcraft in culture, US, conference presentation, 19972
occult language in writings of N. Hawthorne & H. Melville, conference presentation, 30361
occupational organic solvent poisoning, neurological clinical manifestations, conference presentation, 20531
ocular & macular pigment absorption, loci of chromaticity neutral points, protanopes vs deuteranopes vs tritanopes, conference presentation, 25847
online HELP & tutoring, user interface, conference presentation, 16255
onset of tics following amphetamine treatment for narcolepsy, 3 yr old male, implications for linkage to Gilles de la Tourette's syndrome, conference presentation, 4814
opioid-neurotransmitter interactions, analgesia & drug dependence & tolerance, conference presentation, 30250
opioids as agonists & antagonists & partial agonists at different receptors, theory presentation, conference presentation, 3292
oral vs depot fluphenazine, relapse rates, patients, US, conference presentation, 10282
organismic vs psychological approaches to etiology of infantile autism & early childhood psychoses, conference presentation, 6805
organization & distribution & control of interactive activities, prelinguistic communication & acquisition of grammatical knowledge, children, conference presentation, 14016
orienting reflex & effects of stimulus novelty & surprise on event-related cortical potentials, literature review, conference presentation, 19455
overview of desipramine, conference presentation, 23329
overview of recent research on anxiety disorders, conference presentation, 20264
overview of Type A behavior, conference presentation, 28061
panel discussion of what constitutes a good decision, theorists, conference presentation, 21857
panic & agoraphobic disorders & characteristics & drug treatment of separation anxiety, children & adults, conference presentation, 6776
paradigms & methodologies & mechanisms in research on learning & memory, conference presentation, 22007
parallel clock model, subjective duration, rats, conference presentation, 3158
paregoric vs phenobarbital vs diazepam, drug abstinence, neonates born to heroin- or methadone-dependent mothers, conference presentation, 5038
parental dysfunction, admission to institutional care, infants, Sweden, conference presentation, 10352
Parent/Child Early Education Program, prevention of child abuse, high risk families, conference presentation, 20888
Parkinson's disease, timing of repetitive movements, 44 yr old female, conference presentation, 4536
passive listening vs covert tone counting vs pitch discrimination, bilateral distribution of EEG O-wave, right vs left handed Ss, conference presentation, 19514
pathogenetic mechanisms & treatment, pain patients, conference presentation, 28576
pathological cognitive disharmony syndrome, psychiatric & nosological categories, severely mentally disturbed 13–19 yr olds, conference presentation, 31096
pathophysiological mechanisms & cerebrovascular risk factors, 50–74 yr olds with transient global amnesia vs 37–76 yr olds with transient ischemic attacks of brain, conference presentation, 20538
patient characteristics & hospital factors, suicide, psychiatric inpatients, England, 1972–81, conference presentation, 25645
patient-physician communication & interview training, physicians & outpatients & medical students, Hong Kong, conference presentation, 15360
patterned color vs black & white stimuli, visual EPs, conference presentation, 24648
patterns & possibilities & problems of international cooperation, policy regarding role & protection of crime victims, conference presentation, 9816
peace movement strategies, US, conference presentation, 30660
peace movement's impact on arms decisions & national security policy, conference presentation, 30693
peer & family & school bonds as 1st graders, substance use, male vs female Black adolescents, 10-yr followup, conference presentation, 3699
percentile reinforcement, latency & interresponse time & duration of conditioned responses, rats, conference presentation, 3190
perception & psychophysics, literature review, conference presentation, 24366
perception of therapist characteristics & effect of training & various experiences on development of empathic capacities & therapist skills, 28–44 yr old student therapists, conference presentation, 23624
perceptual capacity & uses of observations in psychotherapeutic relationship, hysteria, female patients, conference presentation, 26022
perceptual cue validation & speech perception, conference presentation, literature review, 27131
perceptual demands & practice of visual tracking task, amplitude of P300 component of event-related brain potentials, college students, conference presentation, 19531
perceptual latency vs subtracters models, time order discrimination of visual even sequences, conference presentation, 3012
performance on kindergarten tests of language skills, prediction of reading difficulties in 1st grade & suggestions for prevention, children, longitudinal studies, conference presentation, 10874
performance on WISC-R & handedness & personality traits, school age children of manic depressive parents, conference presentation, 4191
periodic breathing during sleep, 14–60 yr old mentally retarded patients, conference presentation, 20458

personal qualifications & roles, psychoanalysts, conference presentation, 18502
perspectives on research in psychiatry, Canada, conference presentation, 20676
pharmacodynamic studies of nomifensine, healthy Ss, conference presentation, 6163
pharmacodynamics & therapeutics efficacy, nomifensine, conference presentation, 7441
pharmacokinetic & pharmacodynamic approaches to depot neuroleptic therapy, conference presentation, 10264
pharmacologic prevention, recurrence of unipolar or bipolar disorder, conference presentation, 20928
pharmacology of sedative hypnotics, conference presentation, 3511
pharmacotherapy, treatment of depression, geriatric patients, conference presentation, 23297
phases of peace movement participation, conference presentation, 30708
phenomenological social psychology & sociology of knowledge in systemic family therapy, 14 yr old anorexic & her family, conference presentation, 23200
phenotypic & genotypic markers in psychosis & alcoholism, conference presentation, 28143
photoperiod, timing of incubation periods between mates, ring doves, conference presentation, 3229
physical & social factors that inhibit sexuality in older persons, commentary on 8th annual meeting of French Society of Clinical Sexology, 30742
physical dependence potential of zopiclone, 20–39 yr old males, conference presentation, 3430
physiological & cognitive developmental aspects of normal event-related brain potentials, literature review, conference presentation, 19485
physiological process model, effect of drugs or lesions or diet or other factors on temporal regulation, animals, literature review, conference presentation, 3218
platelet MAO activity & augmentation/reduction & personality traits, unipolar vs bipolar depressed vs neurotic reactive 24–69 yr olds, conference presentation, 1453
platelet MAO activity & red blood cell/plasma lithium ratio & tritiated imipramine binding to platelet membranes as trait markers for affective disorders, literature review, conference presentation, 28236
playing of note vs melody, readiness cortical potential amplitude & latency, right handed female pianists, conference presentation, 19484
pluridisciplinary approach to autism & childhood psychosis, conference presentation, 6765
positioning-movement task & sensory modality of delayed knowledge of results, hemispheric asymmetries in contingent negative variation, right handed males, conference presentation, 19468
positive vs negative brain potential shifts, facilitation of paired associate learning & concept identification task performance, human Ss, conference presentation, 19469
postal research, market researchers, conference presentation, 18906
postmodernism & national differences & conflicts, conference presentation, 20033
postmodernism as metaphorical expression of end of Western metaphysics, conference presentation, 18955
postmortem analysis of neurotransmitters & related biological markers in mental disorders, conference presentation, 28250
practical aspects of metameric matches in diagnosis of color blindness, conference presentation, 25910
predisposition to vary responses to same stimuli as genetic contribution to primate behavior, conference presentation, 30017
preference for lorazepam vs diazepam, 21–27 yr olds, conference presentation, 3971
pregenital aggression & symbiotic longings & countertransference problems in psychoanalysis of object loss, reference to J. Rossner's "August", conference presentation, 25009
premature mortality & neurosis, conference presentation, 28260
preparation of effective poster presentations for professional conferences & symposia, 7759
presence & development of retinal drusen & color vision deficiencies as indication of potential subsequent macula degeneration, patients over 50 yrs old, conference presentation, 25949
presentation of novel visual stimuli during sentence processing task, event-related cortical potentials, 18–27 yr old males, conference presentation, 19486
prevalence & incidence & psychotherapeutic care of psychological disorders, rural West Germany, 1950–80, conference presentation, 28606
prevalence of amphetamine addiction & suggestions for prevention, Japan, conference presentation, 17618
prevalence of psychiatric emergencies, Japan, conference presentation, 18242
prevalence of psychosomatic disorders in rural vs urban vs tribal environments, Iran, 1963–76, conference presentation, 28398
primitive mental states in clinical psychoanalysis, conference presentation, 15174
prior exposure to conditioning compartment, aversive classical conditioning, male rats, conference presentation, 458
prior exposure to conditioning compartment, aversive classical conditioning, rats, reply to A. Tomie's criticism, conference presentation, 459
prior exposure to conditioning compartment, aversive conditioning, rats, criticism of T. Nakaya's study, conference presentation, 468
priorities in counseling & guidance for future UNESCO programs & actions, conference presentation, 15454
probability learning from feedback in natural environments, conference presentation, 21886
probability models as legal evidence in courtroom, conference presentation, 22495
problem solving in natural intelligence, maintenance personnel, implications for aiding & training, conference presentation, 16256
problems & artificial intelligence solutions, technical training, US Navy personnel, conference presentation, 18786
problems in caring for disabled wives, elderly husbands, response to paper by B. H. Vinick, conference presentation, 23413
problems in research on educational guidance, conference presentation, 15944
problems of victim/witness assistance programs, conference presentation, 9452
procedure for training self control with provision for responding during reinforcement delay, pigeons, conference presentation, 3189
processing of temporal information, 5–11 vs 20 vs 60 yr olds, conference presentation, 3641
production-system-based formalism to describe knowledge of how to operate computer system & user friendliness, conference presentation, 89
professional contributions of J. Tizard, special education, New Zealand, conference presentation, 18926
program for prevention of learning disabilities, 1st grade promotion rate, preschool age children & elementary school students, conference presentation, 12-yr longitudinal study, 26648
pros & cons of institutional care & treatment, autistic children, conference presentation, 7667
prospective social psychological contributions to interdisciplinary understanding of ordinary language, conference presentation, 9057
provision of information about child abuse & neglect to social welfare & medical personnel, Ministries of Social Affairs & Health, Finland, conference presentation, 10363
psychiatric & psychosomatic disorders, 15–65 yr old nonpsychiatric inpatients, conference presentation, 28455
psychiatric diagnosis & cause of death & suicide verdict, psychiatric inpatients & expatients who died unexpectedly, conference presentation, 25675
psychiatric treatment, patients with workers' compensation injuries, conference presentation, 20643
psychoanalysis & characterization of Lulu Shinefeld in "August", conference presentation, 25017
psychoanalysis & martial arts as vocation, conference presentation, 23180
psychoanalysis, male obsessional patient, conference presentation, 17958
psychoanalysis, obsessive compulsive male, discussion of V. Spruiell's article, conference presentation, 17898
psychoanalysis, obsessive compulsive male, discussion of V. Spruiell's article, conference presentation, 17917

psychoanalysis, schizoid process, conference presentation, 15105
psychoanalytic approach to working with anger & destruction turned inward, schizoid patients, conference presentation, 20717
psychoanalytic definition of anxiety, autistic children, conference presentation, 6740
psychoanalytic observation of normal infants, detection of subtle signs of autistic behavior, 11 mo old normal female & 3 yr old autistic male, conference presentation, 6759
psychoanalytic psychopathology & psychoanalysis, separation & loss, disturbed children, comments on article by E. Mahon, conference presentation, 31391
psychoanalytic theory & interpretation of autistic behavior, children with autism & childhood psychosis & symbiotic psychosis, conference presentation, 6781
psychoanalytic theory, creativity in artists & scientists & creative experiences of painter B. Shahn & novelist J. Greenberg, conference presentation, 4067
psychoanalytical constructs of developmental profiles of self concept, psychotic 1–5 yr olds in daycare hospital, 10 yr longitudinal study, conference presentation, 6812
psychodynamics, Lowenfeld Mosaic Test, Navaho vs Hispanic vs Japanese vs Jewish-Iranian vs Iranian 18–41 yr olds, conference presentation, 119
psychological & political perspective, homicide victimization, Blacks, conference presentation, 9797
psychological characteristics, leaders of terrorist groups, conference presentation, 1500
psychological coping tasks, children of divorce, conference presentation, 30550
psychology & philosophy, conference presentations, 26846
psychology & relationship of guns & aggression, conference presentation, 22845
psychology education in medical schools, conference presentation, 15659
psychology of followers in terrorist groups, conference presentation, 1499
psychopathology category & measured psychotic load, P3 event-related potential measures to construct baseline for negative components, conference presentation, 20365
psychopharmacological aspects of multiple receptors for central neurotransmitters, conference presentation, 3264
psychophysical properties of temporal control & memory for event recency, effect of retention delays of performance on memory tasks, literature review, conference presentation, 3201
psychophysiological approach to role of subvocalization during language comprehension, conference presentation, 19567
psychosexual development & emotional security & neuroticism & anxiety, problem drinking & alcoholism, 19–55 yr olds with eating disorders & primary alcohol dependence syndrome, conference presentation, 28318
psychosocial factors in psychogenesis & management of psychosomatic distress, conference presentation, 28392
psychosocial intervention with reduced neuroleptic dosage strategies, positive & negative symptoms & disordered personal relationships, chronic schizophrenic patient, conference presentation, 18119
psychosomatic approach to diagnostic procedures, 15–72 yr old medical outpatients, conference presentation, 28438
psychosomatic medicine, implications for assessment & treatment of all disease as result of psychosocial & somatic factors, conference presentation, 22952
psychosomatic parameters wih problem-oriented approach to bio-psychosocial management, medical inpatients, 31303
psychotherapeutic treatment, maternal & infant functioning & development, 16 yr old anorexic mother & her infant daughter, conference presentation, 4670
public vs private responsibility, mental health & substance abuse services, conference presentation, 21027
purposes of "little people" & role of imagery in cognitive development, children, conference presentation, 30463
P300 & negative slow-wave brain potential deficits, anhedonics, conference presentation, 20314
P300 component of event-related auditory EP & dementia rating scale, evaluation of cognitive dysfunction in multiple sclerosis, conference presentation, 23046
qualities & skills needed by psychoanalytic trainees, conference presentation, 29074
quality & clock models of timing performance & direct scaling methods, time perception, discussion of papers by A. B. Kristofferson & G. W. Hopkins & D. A. Stubbs et al & H. Eisler & J. Gibbon et al, conference presentation, 3179
quantal & deterministic principles, time discrimination, conference presentation, 3019
race vs socioeconomic status vs age, masculine role perceptions, 22–83 yr old Black middle-class males, US conference presentation, 17245
radical views of K. Horney on psychoanalysis, 16211
rapid & frequent change of reinforcement frequencies, conditioned responding, pigeons, implications for understanding of predatory behavior, conference presentation, 3177
rate of mistreatment complaints, child welfare residential institutions, conference presentation, 9801
ratings of global psychiatric impairment & DSM III-axis II diagnosis, maturity of ego defense mechanisms, urban males with vs without personality disorder, conference presentation, 31004
rational emotive therapy techniques, reduction of stresses & tensions, vocational counselors, conference presentation, 18874
rational framework for use of sleeping pills, literature review, conference presentation, 4772
rationalization of violence, battered women, conference presentation, 9765
Rayleigh color matching equation, Ss with acquired color vision defects resulting from optic nerve & retinal disease, conference presentation, 25871
recommendations concerning employment & retirement issues, 1982 United Nations Assembly on Aging, 5434
recommendations for improvement in service systems & leadership & accountability areas of community services, disabled adolescents, conference presentation, 31634
recommendations for reduction of barriers to independent living, disabled adolescents, conference presentation, 30875
reform of current statutes regarding rights of mentally ill, Israel, conference presentation, 20216
reinforcement schedules & timing & learning & forgetting, computer simulation of pigeon associative learning, conference presentation, 3199
relationship between psychology & medicine, conference presentation, 15377
relationship between society & gynecology, implications for professional ethics, conference presentation, 23645
relationship of coronary prone behavior to forearm blood flow & vascular resistance & epinephrine & cortisol & role of hostility in coronary heart disease, male college students & patients, conference presentation, 20632
relative reinforcement properties of buprenorphine & methadone & heroin, monkeys, conference presentation, 3486
relevance & effectiveness of Newcastle Rating Scales, measurement of depression, conference presentation, 2944
repeated pairings of immune response modifiers with immunologically inert cues followed by reexposure to cues, associative learning & regulation of immune responses, mice, conference presentation, 29999
repeated vs acute desmethylimipramine injections, anorectic & plasma corticosterone responses to acute stress, rats, conference presentation, 30303
repetition vs alternation random stimulus series, P300 cortical potential amplitude & RT during auditory discrimination task & role of trial-to-trial expectations, 21–54 yr old male schizophrenics, conference presentation, 20255
replicative vs constructive vs reconstructive aspects of memory, implications for human & animal research, conference presentation, 21881
retinal detachment surgery, color discrimination deficiencies, patients, conference presentation, 26227
retrograde amnesia as attributable to lack of appropriate cues for retrieval, challenge to storage-disruption hypothesis, conference presentation, 21891
review of reliability of depression diagnoses since A. T. Beck's reliability studies, conference presentation, 2874
revision of 3-Light Test, diagnosis of color vision deficits, conference presentation, 25817

rhythmic vs arrhythmic temporal intervals & speed of auditory stimuli, discrimination learning, European starlings, conference presentation, 3167
risk/benefit ratio of depot fluphenazine therapy, literature review, conference presentation, 10270
Rodenstock test disk, diagnosis & differentiation of color vision deficits, Ss with protanomalous vs deuteranomalous vision vs protanopia vs deuteranopia, conference presentation, 25947
role & importance of animal behavior principles in agriculture, conference presentation, 3144
role conflicts as wives & mothers & therapists, female psychotherapists, conference presentation, 26411
role in humanization of medical practice, psychologists, conference presentation, 15381
role in reinforcement of appropriate attitudinal sets in clients undergoing biofeedback training, therapists, conference presentation, 7353
role of behavioral sciences in preclinical curriculum in medical schools, conference presentation, 15595
role of catecholamines in anxiety states, humans & rats, conference presentation, 6800
role of cognitive deficits in pathogenesis of autism, children, conference presentation, 30985
role of cognitive processes & prosocial development, inhibition & control of aggressive behavior in children, review of papers by S. Feshbach et al & L. D. Eron et al & G. V. Caprara, conference presentation, 25223
role of content & adaptation, user interfaces, conference presentation, 16228
role of creative arts in therapy & treatment, conference presentation, 17864
role of education in preparation for achievement in school & life, Blacks, conference presentation, 7857
role of empathy in H. Kohut's concepts of psychology of self & self/self object dyad, conference presentation, 23178
role of family unit in health care system, conference presentation, 26254
role of health education, general practitioners & patients with hypertension, Australia, conference presentation, 26250
role of leisure in career development, implications for counseling, conference presentation, 8171
role of nicotine, withdrawal from cigarettes, conference presentation, 29006
role of peripheral symptom mechanisms, genesis of anxiety, conference presentation, 25559
role of sounds & mode of transmission, character formation, 35 yr old patient in analysis, conference presentation, 20762
role of subjective probability & event relevance to task & task variables in modulation of P300 amplitude in event-related potentials, conference presentation, 19481
roots & resulting psychological needs of world scale violence, implications for social psychologists, conference presentation, 23110
rules of evidence applicable to clinician as expert witness, conference presentation, 1137
Salem witchcraft trials & social milieu & devil, young girls, conference presentation, 19975
scalar expectancy theory vs proximity decision rule, signal duration for long vs short responses & performance in temporal bisection tasks, rats, conference presentation, 3200
screening & diagnostic & scoring efficiency of City University Colour Vision Test, protanopes vs deutanopes vs tritanopes, conference presentation, 25778
screening & diagnostic & scoring efficiency of Standard Pseudoisochromatic Plates vs New Color Test of Lanthony, screening & differentiation of color vision defects, conference presentation, 25779
secondary special education & career preparation, disabled adolescents, research implications, conference presentation, 32115
selective attending to color vs word dimensions of Stroop & non-Stroop stimuli, hemispheric asymmetries & time course & scalp distributions of visual event-related potentials, right handed 28–40 yr olds, conference presentation, 19427
selective attention for information at different vs single point in visual space, hemispheric asymmetry in event-related potentials in occipital cortex, human Ss, conference presentation, 19470
selective referral vs routine screening in clinical EEG assessment, psychiatric patients, conference presentation, 12212
self administration of clonidine vs oxazepam, withdrawal symptoms, 23–41 yr old methadone maintenance patients, conference presentation, 5052
self esteem & peer group & parenting & family & services & enforced dependency & positive sexual socialization, social maturation, disabled adolescents, conference presentation, 30890
self management therapy, depression, conference presentation, literature review, 28728
self reinforcement & positive feedback mechanisms of obesity, humans & animals, conference presentation, 31227
semantic assimilation, mapping between semantic & syntactic knowledge, children, conference presentation, 14099
semantic concepts, grammatical organization of sentences, 4–5 yr olds, conference presentation, 14041
semantic differential, assessment of orality & fixation & regression, neurotic inpatients, conference presentation, 28508
semilogical aspects of tics, children, conference presentation, 4108
senses & hidden meaning in H. Melville's "Moby Dick", conference presentation, 30350
sensitivity of WAIS subtests to vitamin therapy for treatment of mild organic brain damage, patients with low serum & CSF folate levels, conference presentation, 10252
sensitivity to psychopathology & nosological category selectivity & reliability of contingent negative variation & spiral aftereffect, psychotic inpatients, conference presentation, 20356
separation & loss in psychoanalytic therapy, borderline patients, comments on remarks of H. F. Searles, conference presentation, 31355
serial somatosensory decision tasks, cortical positive event-related potentials, 22–25 yr old females, conference presentation, 19453
serotonin & dopamine receptors, pathogenesis of hypertension, spontaneous hypertensive rats, conference presentation, 30056
services for homeless mentally ill, conference presentation, 21007
severe dysphasia without neurological abnormalities & psychotic manifestations, 3 yr old female & 4 yr old male, conference presentation, 25755
severity of retinopathy, scores on Farnsworth-Munsell 100-Hue Test for Examination of Color Discrimination, insulin-dependent vs nondependent diabetics, conference presentation, 25868
sex differences, mental health standards & problems & community treatment, females, conference presentation, 23458
sex differences, spontaneous coalition formation during aggressive encounters, adult & adolescent & juvenile & infant chimpanzees, conference presentation, 30021
sex education program, 12–20 yr old mildly to moderately retarded adolescents in training institute, conference presentation, 32152
sex roles in schools, conference presentation, 31951
sexual functioning scale, assessment of sexual activity & attitudes, multiple sclerosis patients, conference presentation, 23041
sexual victimization, sexual assault trauma, female rape victims, 2-yr longitudinal study, conference presentation, 9802
sexuality, male 34 yr old with Mongolism, conference presentation, 31083
shape of matching field & duration of stimulation, color matching functions & chronicity coordinates, conference presentation, 24438
short vs long term time scales & energy expenditures, foraging decisions, animals, conference presentation, 3176
side effects & mode of action of lithium treatment, conference presentation, 31506
significance of separation & loss & coping behavior, females, implications for therapy, conference presentation, 30739
simple & choice RT tasks, cognitive processing & habituation of amplitude & latency of auditory EPs, 19–40 yr old neurotic depressives, conference presentation, 20329
size & location & ability to promote symbolic integration, small group-home facilities, mentally retarded, conference presentation, 15417
sleep characteristics & autonomic activity, Parkinson's disease patients, conference presentation, 20471
small vs large field color matching performance, deuteranopes & protanopes, conference presentation, 25840
social content & communicative competence, conference presentation, 9052

social interactive aspects of communication, grammatical aspects of language acquisition, conference presentation, 14103
social learning intervention, reduction of coercive interactions & improved parenting skills, child abusive vs distressed nonabusive vs nonproblem families, conference presentation, 20865
social maturation, handicapped & chronically ill adolescents, conference presentation, 30888
social psychiatric perspective of television & violence, conference presentation, 22850
social psychological view of cameras & world of photography, conference presentation, 9482
social structure, mental health system & treatment, females, conference presentation, 23424
social work interventions during father's absence & mother's mental illness & placement of children in long-term care, parents & their 3 children, conference presentation, 18248
social work organizations & social & policy influences, social work practice, social workers, conference presentation, 18486
societal changes & child abuse in childrearing, Nigeria, implications for prevention, conference presentation, 9792
sociobiological research on altruism & aggression, conference presentation, 3986
sociocultural context, physical & psychological violence, conference presentation, 9820
sociocultural factors, description of therapeutic relationship & analysis of resistances in psychoanalysis, Japan vs India vs US, criticism of A. Roland's study, conference presentation, 1873
sociocultural factors, description of therapeutic relationship & analysis of resistances in psychoanalysis, Japan vs India vs US, reply to M. Tatara's criticism, conference presentation, 1864
sociocultural factors, descriptions of therapeutic relationship & analysis of resistances in psychoanalysis, Japan vs India vs US, conference presentation, 1863
socioeconomic factors, 40–45 yr old adventitiously blind males, conference presentation, 5024
sodium deprivation & adrenalectomy, increased salt intake & role of chorda tympani nerve sensitivity to sodium chloride stimulation, rats, conference presentation, 658
sodium lactate vs isoproterenol, skin conductance & heart rate & anxiety & finger temperature, patients with panic disorder, conference presentation, 6771
sources of stress, registered vs licensed practical nurses, conference presentation, 5126
spatial summation, protanopes vs deuteranopes, conference presentation, 25803
specific vs correlated arousal vs common pacemaker hypothesis of arousal effects on internal clocks & pacemakers, EEG during time perception task, college students, conference presentation, 3333
spectral properties of retinal ganglion cells & neurons of geniculostriate pathway, color vision, monkeys, conference presentation, 24638
spectral response pattern of electroretinogram, normal vs deutan vs protan Ss, conference presentation, 25943
spiritualist movement & seances with spirit of B. Franklin on "scientific" immortality & his celestial telegraph & Indians as "realing spirits", conference presentation, 18920
spontaneous writing, learning disabled male college student, implications for remediation, conference presentation, 10805
staff support & coping mechanisms, mothers with infants in intensive care units, conference presentation, 7534
stages of activities in human-computer interaction, conference presentation, 16252
state of psychology, conference presentation, India, 16160
state of victimology & theoretical problems of criminal victimization surveys, Latin America, conference presentation, 8349
state-trait anxiety & painful electrical stimulation, contingent & post imperative negative variation & pain perception, college students, conference presentation, 19513
state-trait anxiety & stress associated with ego threat vs pain anticipation, early & late contingent negative variation during go/no-go task, right handed males, conference presentation, 19466
status-dynamic counseling, integration into society, disadvantaged clients, conference presentation, 18271
stimulation loci & pathways & neurohumoral mechanisms in electrical brain stimulation, pain modulation, humans & animals, conference presentation, 30175
stimuli delivery rate & selective attention to electrical stimulation of left vs right hand, somatosensory event-related brain potentials, human Ss, conference presentation, 19496
stimulus & environmental setting events, long term success in training for modification of aggressive child behavior, mothers, conference presentation, 20845
stimulus conditions involving various emotional & motivational levels, contingent negative variation, depressed patients, conference presentation, 20242
stimulus intensity & fingers vs forearm site of uni- vs bilateral stimulation, temporal discontinuity & 2-pulse discreteness thresholds, conference presentation, 3020
stimulus pitch & duration, magnitude estimation, college students, conference presentation, 3001
stimulus presentation contingent on occurrence of positive vs negative spontaneous shift in frontal lobe slow potentials, RT performance, right handed young adults, conference presentation, 19437
stimulus presentation order & speech vs tone stimuli & voice onset time, duration judgment, conference presentation, 3015
stimulus probability & learning contextual vs single-trial information processing, choice RT & cortical event-related potentials, human Ss, conference presentation, 19432
stochastic model for study of timing of skilled performance, 2-handed production of auditorily presented rhythms, musicians, conference presentation, 3034
stochastic models, prediction of individual choice & map of cognitive processes, students, conference presentation, 21781
stress & emotional state, hospitalized patients before & after cadaver renal transplantation, conference presentation, 28838
stress & personality & coping behavior & career choice, 28–70 yr old lawyers vs physicians, conference presentation, 29047
stress & psychosomatic complaints, conference presentation, 22936
stress & reactivity & cardiovascular disorders, conference presentation, 20557
stress location in series of rhythmic taps, RT & tapping intervals, conference presentation, 3028
stress management program, self esteem & interpersonal relationships & social supports & stress management strategies, low income females, conference presentation, 23247
stressful life events as precipitating factors, psychiatric crisis, implications for treatment, conference presentation, 17537
structure & implementation of Project 12-Ways, ecobehavioral approach to treatment & prevention of child abuse, conference presentation, 20867
studies in parapsychology, conference presentation, 11029
subjective rating of interest value of complex visual stimuli, late positive components of visual EPs, adult males, conference presentation, 19474
summary of events of 23rd International Congress of Psychology, 26847
summary of papers on treatment of chronic mental patients, conference presentation, 23122
superconducting quantum interference device 3rd order gradiometer, measurement of cortical magnetic fields, conference presentation, 19011
symptom formation & evolution of cultures & disease patterns, literature review, conference presentation, 28139
symptoms & catecholamine levels & response to isoproterenol, male vs female mitral valve prolapse patients, implications for relationship with anxiety states, conference presentation, 7019
synaptic neurochemical mechanisms in animal models of dementing disorders, conference presentation, 28177
syndrome of retardation in organization of reasoning, 8–15 yr olds, conference presentation, 31085
systems approach to career guidance, conference presentation, 8175
systems, family therapy, conference presentation, 1887
systems theory perspective, global political situation, conference presentation, 30676
tachistoscopic presentation of Rorschach, differential responses, schizophrenic vs orthopedic patients vs nonpatients, conference presentation, 25519

talking about labor & birth & delivery, mothers & medical personnel, conference presentation, 7529
taxonomic aspects of clinical character, neurotic patients, conference presentation, 28186
taxonomic subgroups within psychosomatic disease entities, conference presentation, 28567
teaching nursing homes & benefits to public policy & patient care & physician training, conference presentation, 31943
teaching use of imagery in family therapy, group workers, conference presentation, 31903
technological change & role in construction of alternatives to effects of change, women, conference presentation, 21529
technological developments in cockpit instrumentation, aircraft performance, aircraft pilots, conference presentation, 21646
technology, societal culture & knowledge, conference presentation, 3772
temporal organization of intramodal auditory intervals, intermodal temporal duration discrimination, conference presentation, 3026
temporal patterns, attention to & perception of pitch relationships in tonal sequences, college students, conference presentation, 3016
temporal probability & discriminability of unpredictable auditory stimuli, event-related potentials during target-standard discrimination, young adults, conference presentation, 19461
temporal processes in behavior, temporal perceptual & motor patterns, comments on studies by G. E. Stelmach et al & M. R. Jones & A. Semjen & A. M. Wing et al, conference presentation, 3011
temporal properties of reinforcement schedule, spatial organization of behavior in experimental chamber, pigeons, conference presentation, 3151
temporally patterned visual sequences, EPs & selective attention, conference presentation, 3054
thematic structure processing procedures, discourse relations in language development, French & English speaking 4–9 yr olds, conference presentation, 14050
themes of working groups sessions on career guidance in higher education, conference presentation, 18752
theoretical & research developments, stress & coping & vulnerability, conference presentation, 20208
theoretical issues regarding psychoanalytic concept of self in groups, conference presentation, 17378
theoretical orientation & personality & training & experience, rigor of fee policies, male vs female psychologists, conference presentation, 26465
theory of emotional & cognitive development & therapeutic acknowledgement of past, emotional adjustment, children & families, conference presentation, 18270
theory of K. Horney on biocultural dialectic, interpersonal neurosis, conference presentation, 16210
theory of K. Horney on use of hope in psychotherapy, conference presentation, 16200
theory of memory, effects of temporal variables on delayed matching, pigeons, literature review, conference presentation, 3192
theory of transitional space, treatment of retardation of organization of reasoning, conference presentation, 31105
threat of nuclear war & promotion of mutual security & peace, criticism of A. Gellhorn's article, conference presentation, 25258
threat of nuclear war, national security & health & role of medicine, comments on A. Gellhorn's article, conference presentation, 25260
tics as psychopathological symptoms vs transitory behavior vs obsessive compulsive nervous habits, children, implications for classification & treatment, conference presentation, 4102
time & cognitive processing & memory, comments on papers by J. A. Michon & J. L. Jackson & J. E. R. Staddon & W. A. Roberts & P. J. Kraemer & C. P. Shimp & E. G. Heinemann & D. W. Massaro & D. L. Medin, conference presentation, 3080
timing & characteristics & use of "lilt" feeling in psychoanalysis, conference presentation, 26040
timing in animal learning & behavior, comments on 7 studies, conference presentation, 3159
timing mechanisms in solo & duet musical performances, pianists, conference presentation, 3029
timing of initiation & termination & faster pace with right vs left hand, 2-handed tapping performance, right handed Ss, conference presentation, 3022
training course, diagnosis of psychopathology from paintings, graduate students, conference presentation, 15626
training in empathy & other psychotherapeutic skills, psychiatrists, conference presentation, 23653
training program for handling child sexual abuse cases, police officers, conference presentation, 9449
trait anxiety, establishment of expectancies & contingent negative variation amplitude during stimulus association learning, females, conference presentation, 19511
transference reactions, hospitalized borderline patients, conference presentation, 4637
transient color blindness associated with cerebral ischemia, 58 yr old patient, conference presentation, 25915
transition classes for children not ready for reading, conference presentation, literature review, 26646
treatment combined with simultaneous training of psychotherapists & educators & nature of symbolic games, disadvantaged autistic children, conference presentation, 7285
treatment of retardation in organization of reasoning & pathological disharmony, 6–7 yr olds with cerebral palsy, conference presentation, 31765
trends in career development, conference presentation, 8169
trends in research on patterns of attachment, conference presentation, 25025
trial duration & cycle time & CS duration, strength of autoshaped CR, pigeons, conference presentation, 3147
trial for plotting burning & robbery & murder with parallels to witchcraft trials, Blacks, US, 1741, conference presentation, 20007
tricyclic antidepressants vs MAO inhibitors & benzodiazepines, alprazolam, panic & anxiety disorders & depression, conference presentation, 20919
trifluoperazine &/vs morphine, dopamine turnover & analgesia, male rats, conference presentation, 30317
trimipramine, symptoms of major depression, medical patients, conference presentation, 31534
types & goals of training analysis, implications for psychoanalytic education, conference presentation, 29013
types of writing included in basal reading programs, kindergarten to 2nd grade readers, conference presentation, 10705
ultradian & circadian rhythms, time perception & psychomotor performance & physiological processes, humans & animals, conference presentation, 3309
ultradian cycles of eating & drinking, 18–39 yr old smokers vs nonsmokers, conference presentation, 3972
unemployment, physical & mental health & mortality, implications for economic & human service policies, conference presentation, 21567
unilateral clinical vs multilateral network models of counseling, scope of responsibilities of rehabilitation counseling & employee turnover, rehabilitation counselors, conference presentation, 23568
unintentional role of social control, criminal victimization, conference presentation, 9787
unity of psychoanalysis & relation between psychoanalytic theory & technique, conference presentation, 7257
use of biofeedback of event-related brain potentials in research on learning theory & nociception & as index of learning & as means to study event-related potentials of unknown origin, conference presentation, 19515
use of computers in Present State Examination, classification & diagnosis of depressive disorders, conference presentation, 4128
use of microcomputer in introductory psychology, conference presentation, 2401
use of mistress & internalized sexual mother, 40 yr old male patients in psychoanalytic treatment, conference presentation, 20744
use of Tinker to graphically display results of each step of programming, conference presentation, 16247
use of visual system in train-lesion-retrain paradigm, restoration of potency of spared visual memories, decorticate rats, conference presentation, 22117

usefulness of Multi-Axial Classification System of Affective Disorders, identification & differentiation of depression, conference presentation, 4227
validity, cross cultural differences on Lowenfeld Mosaic Test, college students, Japan, criticism of T. M. Abel's study, conference presentation, 152
validity, cross cultural differences on Lowenfeld Mosaic Test, college students, Japan, reply to K. Hirano's criticism, conference presentation, 120
validity of color vision test OSCAR, classification of color deficiencies, deutans & protans & anomalous trichromats, conference presentation, 25795
validity of perimetry vs visual contrast tests, diagnosis & classification of glaucoma, 17–72 yr old glaucoma patients, conference presentation, 25823
validity of various color vision deficit tests, 18–61 yr olds with acquired color vision deficits, conference presentation, 25924
value & inferential limitations of anatomical & physiological basis of auditory N1-P2 & P300 & associated event-related brain potentials, conference presentation, 19532
values in health care & public health education, resource- or disease-oriented political decision-makers & organized sellers & health care purchasing groups, conference presentation, 26238
variations in reinforcement probability, preference for long vs short elapsed-time schedule, pigeons, conference presentation, 3181
verbal communication & social & personal relationships, conference presentation, 9046
verbal vs nonverbal communication during conflict situation, preschoolers vs kindergartners vs 2nd graders, conference presentation, 30494
victim resistance, warding off attack & reducing risk of injury, crime victims, conference presentation, 9807
victimological viewpoint, sexual aggression & forensic psychiatry issues, conference presentation, 9822
victimology, Australia, conference presentation, 9760
views of Freud vs S. Bernfeld, psychoanalytic process, conference presentation, 1877
views of K. Horney on concept of neurosis, conference presentation, 16208
views of K. Horney on ego & guilt & self idealization, conference presentation, 16204
views of K. Horney on feminine psychology, conference presentation, 16198
views of K. Horney on psychotherapeutic transference & countertransference, conference presentation, 16177
vigilance fluctuations during regular daytime activity reflected in EEG & psychological rating scores, 16–30 yr olds, conference presentation, 619
violent acting out toward objects & people, 14 yr old male with battered child syndrome, conference presentation, 9767
visual flicker sensitivity, 18–40 yr olds with red-green color blindness or Vitamin A deficiency or other pathologies, conference presentation, 25877
visual information processing task, variability of contingent negative variation during interstimulus interval vs indicator of information contained in 1st vs 2nd stimulus, right handed college students, conference presentation, 19460
visual stimulus size, color vision, Ss with acquired color vision defects, conference presentation, 25870
visually-cued normal- vs anti-saccades, RT & event- vs response- vs movement-related brain potentials to foveal vs peripheral stimulus, human Ss, conference presentation, 19438
vitamin B6 & magnesium treatment, urine levels of homovanillic acid & autistic behavior & other dysfunctions, autistic 3.5–16.5 yr olds, 7401
voice recognition & synthesis systems, workload, pilots, conference presentation, 21648
voluntary manual tracking, anticipatory activity of limbic & frontal cortex as measured by readiness potential & conditioned premovement positivity & directed attention & relaxation potentials, right handed Ss, conference presentation, 19450
voluntary positioning movement task, event-related changes of beta EEG rhythm, right handed males, conference presentation, 19504
vulnerability to depression & schizophrenia, conference presentation, 17564
WAIS assessment of intellectual function, 20–61 yr old patients, multiple sclerosis, conference presentation, 22999
war as species disorder, conference presentation, 17114
ward layout & staffing & patient characteristics, suicide, 16–66 yr olds who committed suicide by jumping, conference presentation, 25673
weekly injections of cholecystokinin-octapeptide, 20–59 yr old schizophrenic patients receiving neuroleptics, conference presentation, 31523
window pointer technique, measurement of word processing time in reading, college students, conference presentation, 54
withdrawal from diazepam vs pentobarbital, anxiety, rats, conference presentation, 3434
word reading time as indicator of interclause integration, adults, conference presentation, 91
working conditions, stress & health, conference presentation, 26801
workplace as site for counseling & career development programs, employees, conference presentation, 16016
yoga, rehabilitation, mentally retarded Ss, conference presentation, 28963
zetidoline vs levosulpiride, cerebral bioelectrical potentials, psychiatric patients, conference presentation, 1991
ZOG human computer interface system, conference presentation 16250
zopiclone & triazolam, reinforcing properties & side effects, 18–60 yr old former alcoholics, conference presentation, 4333
zopiclone, averaged photopalpebral reflex & frontal midline theta activity, male college students, conference presentation, 3460
zopiclone dose levels, insomnia, 60–93 yr old patients, conference presentation, 4774
zopiclone, geriatric patients with sleep problems, conference presentation, 4770
zopiclone, sleep & EEG & psychological test performance, 22–45 yr old males, conference presentation, 3475
zopiclone, sleep & next-day performance on digit symbol substitution test, 21–33 yr old males, conference presentation, 3495
zopiclone, sleep time, 33–57 yr olds with chronic insomnia, conference presentation, 4791
zopiclone vs flunitrazepam vs nitrazepam, memory, college students, conference presentation, 3440
zopiclone vs flunitrazepam, 18–60 yr old outpatient insomniacs, conference presentation, 4823
zopiclone vs flurazepam, sleep, 40–60 yr old females with sleep disorders, conference presentation, 4805
zopiclone vs nitrazepam, sleep, 21–49 yr old insomniacs, conference presentation, 4782
zopiclone vs pentobarbitone, insomnia, 20–56 yr old outpatients, conference presentation, 4797

Profiles (Measurement)

ability to simulate normal MMPI profile, favorable prognosis, 17–30 yr old schizophrenic patients, 9694
assessment of personality variables related to management role, management specialists, 13292
clinical utility of McVaugh & Grow fake good & fake bad criteria, detection of faking on Personality Inventory for Children, 6–12.9 yr old private psychology practice patients, 5616
cluster analysis of Brief Psychiatric Rating Scale data, profile patterns, 61–90 yr old geropsychiatric patients, 4129
combination of individual repertory grids into consensus grids, misrepresentation of data concerning attitudes toward disabled, physically handicapped adults, 11117
common variance, correlation of skeleton profiles of Strong-Campbell Interest Inventory, college students, 16308
computerized symptomatic profile & semi-standardized letter for use by general practitioners & medical inspectors, 5576
development of method of rating global impairment, Luria-Nebraska Neuropsychological Battery, 11156
factor analysis & development of profiles, temperament features, 1 yr old twins, 29782
interest profiles, neurotic vs normal, 13–18 yr olds, 9631
interrelationship of state & trait variables, females vs males with mean age of 25 yrs, 9549
Millon Clinical Multiaxial Inventory profiles, military veterans with posttraumatic stress disorder vs confounding psychiatric disorders, 28248
MMPI codetypes & DSM-III diagnoses, schizophrenic & depressive & bipolar patients, 24309
MMPI critical item & clinical scale changes, parents of children & adolescents seen for psychiatric treatment, 1970–74 vs 1975–79, 5629
MMPI profiles & posttraumatic stress disorder, Vietnam veterans vs new psychiatric inpatient veterans, 17449
MMPI profiles, anorexic vs schizophrenic patients, comment on data presented by A. C. Small et al, 13611
MMPI profiles, patients with borderline personality vs chronic schizophrenia vs acute psychosis, 12154
multiple profile analysis of WISC-R scores, 1st–6th graders referred for evaluation & placed vs not placed in special education, implications for teaching strategies, 21506
neurobehavioral approach to classification using competency model, right-handed adult psychiatric patients, 20203
opiate withdrawal, MMPI profiles, 21–54 yr old opiate addicts, 2207
performance profiles on informal reading inventories, 1st–9th graders & adults attending Adult Basic Education, 5392
personality profiles from High School Personality Questionnaire, fine & performing arts vs intellectually gifted high school students, 21478
profile analysis, intellectual development & academic achievement & social adjustment, emotionally disturbed vs learning disabled vs educable mentally retarded children, 4097
profile clusters & personality characteristics derived by analysis of MMPI scores, low back pain patients, 31216
profile on WAIS, classification of dementia, 37–86 yr olds with Alzheimer-type dementia vs multi-infarct dementia, application of P. A. Fuld's formula, 7024
profiles on High School Personality Questionnaire, discrimination of students in leadership positions, intellectually gifted high school students, 10809
psychological testing & interviews, female psychic working in field for 10 yrs, 16166
psychometric profiles, psychoeducational multidisciplinary team evaluation, 1st–5th graders suspected of having learning disabilities, 18736
quick method for determination of individual MMPI scale impact to avoid distortions in profiles resulting from omitted items, 19072
recategorization of WISC-R scores, learning disabled bilingual Mexican American 9–12 yr olds, 14861
role in enforcement efforts to combat drug smuggling, clinical psychology, 10082
SAS computer program, analysis of group differences based on profile data, 2815
score profiles on Illness Behavior Questionnaire, measurement of illness attitudes, 28–65 yr old patients suffering from affective or conversion or transient or depressive or diagnostically uncertain disorders, 6832
screening for alcoholism using J. P. Feighner's symptom profile, 18–65 yr old medical patients at 1st time hospital admission, Kenya, 6934

self report questionnaires & sociometric-like techniques for development of compound profile of interactions, 18–22 yr old males, 19010
sourcebook of empirical studies on use of MMPI group profiles, Mexican Americans, 1963–83, literature review, 22633
test profile on WAIS, normal 19–25 yr olds with scopolamine-induced cholinergic deficiency vs patients with Alzheimer-type dementia vs multi-infarct vs other dementia, implications for differential diagnosis, 7049
test profiles, elderly chronic vs acute schizophrenic patients, 20222
utility of MMPI-168, estimation of full-scale code types, male inpatient alcoholics, 16282
WISC-R profiles, learning disabled Papago 3rd–5th graders, 14862

Profoundly Mentally Retarded

age & sex & intellectual functioning, emotional & behavioral problems, 4–55 yr old mentally retarded, implications for mental health service planning, 20431
age, stereotyped behaviors, mentally retarded in early education program, conference presentation, 22881
alum po, reduction of rumination, severely retarded 8 yr old & profoundly retarded 20 yr old male, 26632
assessment strategy & taxonomy of communicative abilities, nonverbal 10–18 yr olds with severe/profound mental retardation, 25707
blindfold contingency, treatment of pica & collateral behaviors, profoundly retarded 24 yr old female, 18080
change of hospital environment, daytime incontinence, profoundly mentally retarded adults, 7683
chlorpromazine, stereotypic & conditioned behavior, profoundly retarded 12–27 yr olds, 18092
cognitive training followed by language training, use of referential speech, profoundly mentally retarded 3–10 yr olds, 9838
color, visual discrimination of geometric symbols, severely & profoundly mentally retarded Ss with mean age of 23.2 yrs, 9852
comparison scan training, matching & visual scanning performance, severely & profoundly retarded Ss with mean age of 23.3 yrs, 12300
conductive education in feeding & drinking programs, profoundly mentally retarded 4.8–14.9 yr olds, 32120
contingent contact procedure, mealtime behavior, 32 yr old disruptive profoundly mentally handicapped female in residential home, 7354
contingent vs contingent-interrupted music, target behaviors, profoundly mentally retarded 10 & 11 yr olds, 20832
control of environmental variables & need for professional cooperation in institutional behavior management, profoundly retarded males, 26347
conventional pure-tone &/vs speech audiometric screening & tympanometry & acoustic reflex threshold testing, estimation of hearing loss, profoundly retarded children with mean age of 13.8 yrs, 17672
deinstitutionalization, activity patterns & skills, severely/profoundly mentally retarded & multiply handicapped adults, 31638
demographic & ecological & medical & social/sleep variables, use of psychotropic & anticonvulsant drugs, mildly to profoundly mentally retarded preschoolers vs special school students vs adults, 28732
dextroamphetamine vs thioridazine vs contingency management, behavior problems, severely & profoundly mentally retarded 11–21 yr olds, 23070
differential reinforcement of incompatible behavior & verbal punishment & required relaxation & overcorrection, self injurious behavior, profoundly mentally retarded 19 & 17 yr olds, 31469
DRO treatment & prevention of escape, self injurious behavior maintained by reduction of medication & transfer to new facility, profoundly retarded 27 yr old male, 1–35 mo followups, 10224
effectiveness & classroom use of DRO & momentary restraint procedures, reduction of stereotypic behaviors, 6–16 yr old severely or profoundly mentally retarded & multihandicapped students, 26629
endogenous depression, severely & profoundly retarded 19–34 yr olds, 17686
evaluation of instructional program for teachers & staff to increase manual sign use of students in classroom vs ward environment, teacher & residential staff & severely/profoundly mentally retarded 11.6–14.3 yr olds, 29353
evaluation of Morgenstern vs inflatable apparatus for play activities, severely & profoundly mentally handicapped, 31755
evaluation of reinforcer preferences, 13–18 yr old students with profound & multiple handicaps, 29388
facial screening, self injurious behavior, moderately & severely & profoundly retarded Ss, literature review, 10232
fire safety training, evacuation time & amount of help needed, 22–42 yr old profoundly mentally retarded in group home, 23524
flexible arm splints, control of finger biting & sucking, 11 yr old nonambulatory male with Lesch-Nyhan disease & 38 yr old profoundly mentally retarded male, 28708
foam rubber headpiece, reduction of asymmetrical tonic-neck reflex while eating, multiply handicapped 11.5 yr old female in class for profoundly mentally retarded, 25986
foster family care, 46–92 yr old borderline & profoundly mentally retarded, 15423
graphic symbol vs manual sign training, acquisition of expressive linguistic skills, profoundly retarded nonverbal 5–17 yr olds, 31763
human rights issues in education, severely & profoundly mentally retarded students, 32116
identification of behavioral syndromes & psychiatric disorders, severely & profoundly mentally retarded adults hospitalized over 6 yr period, 22895
instructional technique for increasing independent mobility skills, nonambulatory profoundly mentally retarded 22 yr old female with Hunter-Hurlers syndrome, 28975
interrelationships between stimulus variables & types of responses & developmental levels during behavioral observation audiometry, severely & profoundly multihandicapped 7–153 mo olds, 17671
music therapy, eye contact & vocalization & participation, profoundly retarded adults, 5009
nonexclusionary time out, elimination of stereotyped behavior, 28 yr old profoundly mentally retarded & autistic male with aggressive & self injurious behavior, 20872
nursery rhymes, communication skills, multihandicapped & profoundly retarded infants & children, 1598
organization of training using room management vs small groups vs individual training, profoundly mentally handicapped young adults, 32151
overcorrection, aerophagia, 19 & 22 yr old profoundly mentally retarded, 20857
overcorrection vs physical restraint, treatment of pica, profoundly retarded 20 & 21 yr olds, 1968
prelanguage communication programing technique, development of prelanguage communication signaling behavior, 13–22 yr old profoundly mentally retarded students, 26671
prevalence of self injurious behavior & O agreement, severely & profoundly institutionalized retarded adults, West Germany, 26342
procedures for development & implementation of curriculum for shaping functional skills, profoundly & severely mentally retarded preschool students, 8073
quantity of food ingestion & rumination, profoundly retarded 22–34 yr olds, 4370
recreation/leisure skill training, moderately & severely & profoundly mentally handicapped persons, literature review, 10516
research interests & methodological issues of self help research, severely/profoundly mentally retarded, literature review of studies published 1964–82, 28951
sensorimotor intelligence, severely/profoundly mentally handicapped 3–17 yr olds, 9829
sensory awareness training, reduction of self stimulatory behavior, profoundly mentally retarded 12 yr old female, 15266
stimulus manipulations antecedent to vs consequent on response, performance on position discrimination, profoundly mentally retarded 17.8–57 yr olds, 4360
training method of N. H. Azrin et al, dressing skills, profoundly mentally retarded 27–50 yr olds, experimental replication, 10503

usage of physical environment in community-based homes vs institutions, severely & profoundly mentally retarded 23–68 yr olds, 23441
use of automated equipment, contingent responding & auditory preferences, severely vs profoundly multiply handicapped 2.1–12.3 yr olds, 17673
use of protective clothing, reduction of self injury & corresponding self restraint, blind & profoundly mentally retarded 13 yr old male, 18079
Progestational Hormones [See Also Progesterone]
change in neonatal levels of progestins, social play behavior, rats, 22141
noradrenergic regulation of hypothalamic progestin receptors, hormonal induction of sexual receptivity, ovariectomized guinea pigs, 30052
progestin receptors & estradiol & progesterone facilitation of estrous behavior, female rodents, literature review, 27343
role of alpha-1 vs alpha-2 receptors in mediation of noradrenergic regulation of lordosis behavior & hypothalamic progestin receptors, female guinea pigs, 22027
role of neural progestin receptor system in mating-induced heat abbreviation, female rats, 19423
steroidal progestin receptor antagonist, inhibition of sexual behavior, female guinea pigs, 11582
Progesterone
cholecystokinin octapeptide, lordosis, female rats treated with estradiol benzoate or progesterone, 24888
daily estradiol vs progesterone administration, sexual receptivity & behavior, stallions & ovariectomized mares, 27550
dihydrotestosterone vs dihydrotestosterone propionate dosages & progesterone & estradiol benzoate, mounting & lordosis sexual behaviors, ovariectomized female rats, 19676
dosage level & time of prenatal exposure to 17-alpha-hydroxyprogesterone caproate, psychosexual development, 15–18 yr old males, 24857
estradiol & progesterone, scent marking behavior, ovariectomized rats, 726
estradiol &/vs progesterone injection, somatosensory lordosis stimuli-evoked midbrain neuronal activity, ovariectomized female hamsters, 9014
estradiol benzoate & progesterone, inhibition of levo-5-HTP induced myoclonus & temporal relation with lordosis & potential role of progestin receptors, female guinea pigs, 780
estradiol benzoate & progesterone, 2-deoxy-dextro-glucose-induced feeding during estrus vs diestrus vs following ovariectomy, female rats, 19701
estradiol vs progesterone, levo-5-HTP-induced myoclonus, castrated male vs female guinea pigs, 30275
estrogen alone vs with progesterone & ventromedial hypothalamus lesions, coital contacts, ovariectomized rats, 24763
estrogen vs progesterone, induced conflict, female rats, 22216
genetic differences in plasma progesterone levels, maternal nesting, pregnant mice, implications for role of thermoregulation, 5962
gonadal steroids & neuroendocrine mechanisms, fluid intake during estrous cycle, rats, 6022
high dosage of progesterone, postpartum depression symptoms, 25–41 yr old females, 18154
intracranial injections of actinomycin-D or cycloheximide or anisomycin in conjunction with estrogen or progesterone, lordosis, female rats, 6141
ovariectomy with vs without estradiol & progesterone, opioid effects on feeding, female rats, 22083
periovulatory changes in sexual behavior & estradiol & testosterone & progesterone levels, group-living adult female rhesus monkeys, 27432
plasma progesterone concentrations & temperament ratings, 36 day old infants, 6269
prenatal exposure to estrogens or progestogens vs pregnancy complications, demasculinization & dimorphic behavior, male vs female 8–14 yr olds, reanalysis of data from previous study, 24889
prenatal exposure to progestogens &/or estrogens, sexually dimorphic behavior in childhood male vs female 8–14 yr olds, 24829
progesterone, aggressive behavior, pregnant vs virgin mice, 8848
progesterone, concentration of estrogen binding cites in hypothalamic-preoptic area & anterior pituitary & uterus, ovariectomized rats, 8935
progesterone desensitization, effect of methysergide & luteinizing hormone releasing hormone on lordosis, female rats, 19675
progesterone in ventromedial hypothalamus vs preoptic area vs midbrain, inhibition of estrus behavior by systemic progesterone, ovariectomized estrogen-primed rats, 9015
progesterone, premenstrual syndrome, 20–44 yr old females, 26198
progesterone, psychological & somatic symptoms, 26–47 yr old females with premenstrual syndrome, 7485
progestin receptors & estradiol & progesterone facilitation of estrous behavior, female rodents, literature review, 27343
progestins, sexual receptivity, estrogen-primed ovariectomized female hamsters, 19716
role of progestin in regulation of estrous responsiveness, female rats, literature review, 22043
saliva concentrations of cortisol & progesterone & estradiol & psychological symptoms, mothers with postpartum depression, 9641
urine from females with ovariectomy with vs without progesterone vs estradiol, lordosis behavior, orchidectomized feminized rats, 6057
Progestins [See Progestational Hormones]
Prognosis
ability to simulate normal MMPI profile, favorable prognosis, 17–30 yr old schizophrenic patients, 9694
biological & psychosocial influences, prognosis, schizophrenic patients, 17457
characteristics associated with success in workplace alcohol treatment, problem drinkers, 23995
client characteristics & sex of therapist, success of treatment & prognosis, bulimic patients, conference presentation, 28560
clinical & social course & outcome, 17–55 yr old 1st admission patients with acute reactive paranoid psychosis, 10-yr followup, 30942
clinical features & prognostic factors & therapeutic results, Ss aged few hours through 14.6 yrs with neuroblastoma, followup at age 13.6 yrs, 1683
clinical indicators of prognostic significance for psychotherapy, borderline patients, 20782
clinical picture & time-course of sensorimotor aphasia, ischemic vs hemmoraghic stroke patients, 1–5 yr followup, 31266
coping behavior, outcome, females with breast cancer, 10-yr followup, conference presentation, 28481
course & outcome of drug abuse & medical & social conditions, drug abusers, Sweden, longitudinal study, 31016
course & outcome of drug abuse, military conscripts, Sweden, longitudinal study, 31017
course & prognosis, endogenous-phasic psychosis, adolescents with atypical vs affective psychosis, longitudinal study, 17494
course of illness outcomes, 18–55 yr old patients with schizophrenic psychoses vs other psychiatric disorders, 1-yr followup, 22700
course of psychosis in early schizophrenia, hospitalized patients, 1- & 2-yr followups, 28201
degree of deterioration at first remission & after last hospitalization, schizophrenic patients, 4206
dexamethasone suppression & thyrotropin releasing hormone stimulation test, identification of treatment responsiveness & relapse rates, patients with major depressive disorder, 9727
diagnosis & prognosis of schizophrenia using symptom scale, psychiatric outpatients & family members, 14654
dimensional assessment of course of endogenous psychosis, 17543
DSM-II vs DSM-III as broad & narrow concepts, prediction of prognosis & outcome, schizophrenic patients, 2-yr followup, 26004
emphasis on positive outcome in diagnoses & prognoses, expectation of more desirable of 2 alternative outcomes occurring, college students, 15057
epidemiology & clinical outcome, children with failure to thrive in rural ambulatory clinic, 2-yr longitudinal study, 9584
evolution of aphasia, patients, conference presentation, 20602
extreme deprivation in early childhood, cognitive & emotional & social development & prognosis, children, literature review, 6721
factors related to improvement, children with diagnosis of elective mutism, 8–18-yr followup, 6874

hyperactive vs aggressive symptoms & stimulant medication response & parenting & environmental variables, prediction of adolescent outcome, hyperactive children, literature review, 7092
hyperactive vs aggressive symptoms & stimulant medication response & parenting & environmental variables, hyperactive children, literature review, 28471
importance of temporal aspects of epilepsy as explanation for conflicting views of prognosis, 26000
in-hospital interpersonal relationships, prediction of posttreatment outcomes, 13–17 yr old hospitalized psychiatric patients, 4950
information processing & attentional functioning & prediction of disease course & outcome, schizophrenia, literature review, 1447
medical & demographic factors & continued cigarette smoking & depression & cognitive functioning, 3-yr survival rate, chronic obstructive pulmonary disease patients in pulmonary rehabilitation program, 4421
nonpsychotic dysphasia & audio-mutism & prognosis, children, conference presentation, 25747
onset & symptomatology & evolution & treatment & outcome, acute schizophrenia, 10-yr followup, 20370
patterns of community & interpersonal functioning, prediction of vulnerability or outcome of schizophrenic disorders, literature review, 1492
pharmacology & effects & classification of adverse reactions along temporal continuum & prognosis, psychedelic drugs, literature review, 6723
poststroke mood disorders & prognostic factors associated with outcome, hospitalized medical patients, 3–6 mo followup, 2-yr longitudinal study, 23525
prediction of 5–8 yr outcome from presenting symptoms & background data, young 1st-admitted schizophrenics, 6791
predictive value of Strauss Carpenter Scale, outcome, schizophrenic patients, 5-yr followup, 16350
process-reactive measurement, prediction of symptomatic improvement, 18–55 yr old DSM-III diagnosed schizophrenics, 25517
prognosis & clinical genetic examination, 4528
prognosis & outcome, 15–44 yr old patients with nonaffective functional psychosis, 3 yr longitudinal study, 17470
prognostic & other factors, anorexia nervosa, review of followup research, 31260
prognostic evaluation, epilepsy, 4398
prognostic factors, outcome of basal therapy with vs without therapist-directed prolonged exposure in vivo vs dynamic supportive therapy vs relaxation therapy, phobic females, 7178
REM latencies as diagnostic & prognostic indicators of depression & antidepressant treatment, depressed patients, 23362
seizures during 1st yr of life, prognosis, child patients, 5-yr followup, 14907
social & occupational adaptation, schizophrenic patients with periodic vs prolonged disease duration, 12125
staff rotation, amount of turmoil & course of treatment, 16–71 yr old psychiatric patients & therapists, 31362
suitability for insight-oriented psychotherapy, prognosis, phobic females in nondynamic therapies, 1-yr followup, 7179
symptoms as predictors vs classification system in prognostic assessment, 20193
therapeutic approaches to treatment & time course, patients with febrile schizophrenia, 31284
time course & social & occupational adaptation, patients with neurosis-like forms of organic brain diseases, followup study, 31194
use of prevalence vs incidence samples, long term prognosis of chronic illness, clinicians vs researchers, 9585
Verbal-Performance discrepancy on WAIS & WISC & discharge from residential facility, prognosis of rehabilitation, mentally retarded individuals, 21121
Program Evaluation [See Also Educational Program Evaluation, Mental Health Program Evaluation]
advantages & criticisms of social programs legislated as entitlements & role & tenuous position of program evaluators, 23442
alternative human service program evaluation methodologies, 4885
analysis of 1978–81 studies attempting to evaluate effectiveness of organizational development programs, determination of quality of research design, 32322
assessment of cost & benefit effectiveness, vocational rehabilitation programs, 15525
assessment of treatment implementation, social service programs for ex-offenders, 7712
context of strategic management in public sector, implications for program evaluation & research, 23984
corporate policy & service delivery & evaluation procedures in implementation of Kimberly-Clark Corporation's health promotion program, employees, 26807
critical incident method, measurement of training learning transfer & effectiveness, employees, 16041
critique of evaluations of energy conservation programs by California's major utilities, 1977–80, 8262
design & implementation & evaluation of decision support systems, literature review, 29700
development & field trial of system for evaluation of effectiveness of training programs, military training managers, 8187
development of field of evaluation, assessment of programs & services, 19001
differentiation of beta & alpha change, evaluation of organizational interventions, 21817
empirical evaluation method, content representativeness of personnel training program, administrators & job incumbents, 32235
establishment of multifacility patient registry system, documentation of problems associated with substance abuse, adult inpatients, implications for program evaluation & funding, 18379
evaluation & formulations of tactical recommendations, 5580
evaluation of accident-reduction program of Mine Safety & Health Administration, safety in stone & sand & gravel mines, 32213
evaluation of burglary & robbery prevention program in urban residential area, 17206
evaluation of institutional care vs family placement in Mga Bata sa Tahanan Project, needy 8–15 yr olds, Philippines, 26289
evaluation of Minnesota Vocational Rehabilitation Ombudsman Project, 28932
evaluation of program effectiveness with nonparticipators assigned to program, 5557
evaluation of progress using context input process & product model, Down's syndrome & multiply handicapped children in special programs, New Zealand, 21441
evaluation of Special Supplemental Program for Women & Infants & Children, health care & nutrition, low income pregnant & postpartum females, 23401
evaluation of success of occupational alcoholism programs, 2220
evaluation of utility energy conservation programs, 8258
evaluation system for exercise-based health promotion program in worksite, 12433
formal vs informal organizational structures in evaluation of youth programs, US & Israel, 2082
idiographic model, individual assessment in crime prevention & control programs, 18258
issues in evaluation of vocational rehabilitation programs, disabled, 23544
methodological issues in program evaluation, 31637
methodology for evaluation of volunteer programs in mental health centers, 21725
multiple baseline design for education of work performance in vocational training programs, trainers, 28962
new methods for conducting training evaluation & linking it to program redesign, police recruits, 13275
problems in program evaluation, 3rd world countries, 21717
program development evaluation method for integration of theory testing with development & evaluation of action programs, 29483
program evaluation practices in rehabilitation facilities, physically disabled children & adults, Canada, 23556
remodeling process of school guidance programs, 15931
satisfaction with university affiliated programs for developmentally disabled, staff from local & regional & state educational agencies, 13128
skill & status & activity-pattern & environmental principles of Rehabilitation Indicators Project & program evaluation, clients & patients, 23548
standards for Program Development Evaluation methodology, 29484
Program Evaluation (Educational) [See Educational Program Evaluation]
Program Evaluation (Mental Health) [See Mental Health Program Evaluation]

Program Planning (Educational) [See Educational Program Planning]
Programed Instruction
behaviorist techniques as means of improving American education, 21337
programed instruction & operant training & speech therapy, language rehabilitation, 26–64 yr old patients with severe aphasia, 12678
programed workbook &/vs audiotaped model self instruction module, affective communications skills, college students seeking psychological or vocational counseling, 29458
Programing (Computer) [See Computer Software]
Programing Languages (Computer) [See Computer Programing Languages]
Programs (Government) [See Government Programs]
Programs (Mental Health) [See Mental Health Programs]
Progressive Relaxation Therapy
biofeedback & progressive relaxation training, blood glucose levels, patients with diabetes mellitus, 4723
development of progressive relaxation techniques as nursing intervention, 15264
EMG biofeedback vs progressive muscle relaxation therapy, tension headache patients, 31454
hypnosis vs progressive muscular relaxation, physiological arousal & clinical effects, literature review, 15354
hypnosis vs progressive muscular relaxation, relaxation response, reply to comments of W. E. Edmonston, 15353
hypnosis vs relaxation techniques, physiological arousal & clinical effects, criticism of A. Humphrey's review, 15344
modified progressive relaxation training vs Agni-Yoga, cognitive vs somatic anxiety, college students with snake phobia, 4739
progressive muscle relaxation &/vs EMG or thermal biofeedback, tension &/or migraine headaches, patients with mean age of 38.6 yrs, 28710
progressive muscle relaxation training, blood glucose & stress & activity & caloric intake, diabetic 31–64 yr old males, 12595
progressive muscle relaxation training, physiological responses, 28–62 yr olds with essential hypertension, 23278
progressive relaxation, depersonalization, anxious patients, 18042
rational emotive vs progressive relaxation vs study skills treatment, test anxiety, college students, 2591
videotape-modeled progressive muscle relaxation training with vs without nitrous oxide, MMPI scores & heart rate & blood pressure & other physiological factors & subjective tension levels, patients, 12579
Project Head Start
comparability of Forms L & M of PPVT-R, Black 38–64 mo olds in Head Start program, 124
concurrent validity of WPPSI, Mexican American 53–66 mo olds enrolled in Head Start Program, 13228
Head Start/Title I vs learning-to-learn program participation from nursery school through 1st grade, academic achievement & educational placement, Black 4th graders, 2-yr longitudinal studies, 32038
methodology & research design for evaluation of Head Start project, 7888
preferences for specificity level in written recommendations in school psychological reports, Head Start teachers & aides with median ages of 37.5 & 30 yrs, 13022
Projection (Defense Mechanism)
commitment to social environment for standards of comparison, defensive projection in self assessment, process & reactive paranoid schizophrenic inpatients, 14679
concept of family projection process as illustrated in T. Williams's play "The Glass Menagerie", 3824
concepts of "projective identification" & "idealization" in theory of M. Klein, unborn children & infants, 17084
criticism of literature on projective identification, implications for psychoanalytic practice, 23159
notion of projective identification in works of M. Klein & W. Bion, 16202
observation of infant's behavior & projective identification of mother, attribution of personality traits to infant, 17–30 yr old mothers & their neonates, 6501
projection & repression & rationalization & denial, stress management, college students, 1283
projection as bridge between psychic reality & outside world, 1301
projection of envious spoiled personal traits, learning & interpersonal & emotional difficulties, 10 yr old female, 12514
projective identification & empathic process & transference & countertransference in psychoanalysis, 16 yr old female, 28662
Projective Personality Measures [See Also Bender Gestalt Test, Holtzman Inkblot Technique, Human Figures Drawing, Rorschach Test, Rosenzweig Picture Frustration Study, Rotter Incomplete Sentences Blank, Szondi Test, Thematic Apperception Test]
age differences, absolute frequency & percentage of response to Hand Test, college students & older adults with mean age of 64.9 yrs, 26973
comparison of instruments & methods for assessment of self esteem, 9th–10th graders, 26999
construct validity of Mutuality of Autonomy Scale, assessment of developmental level of object relations based on Rorschach test, 4th–6th graders, 27045
correlations between Hand Test & High School Personality Questionnaire variables, 9th–10th graders, 173
development & factor analysis of 2 scales derived from L. Cowan's picture preference test of personality, normal vs pathological Ss, 24205
development of projective measure, assessment of interpersonal values in peer & father-son settings, male high school & college students & delinquents, 177
ethical issues, school psychologist use of projective drawing techniques as method of personality assessment, children, criticism of R. P. Martin's study, 13206
laws of projection pertaining to psychology of handwriting & forms of hypersensitivity, 22629
method for scoring & interpretation of Personal Orientation Device so as to predict Guilford-Zimmerman Temperament Survey scores, forensic evaluations, 166
psychodynamics, Lowenfeld Mosaic Test, Navaho vs Hispanic vs Japanese vs Jewish-Iranian vs Iranian 18–41 yr olds, conference presentation, 119
psychological portrait, children & adolescents, 9097
psychometric properties & concurrent validity of Personal Sphere Model, assessment of object relations, college students, 24299
reliability & correlation between Job Choice Exercise & Miner Sentence Completion Scale, management students & campus leaders & nonleaders, 13604
validity, cross cultural differences on Lowenfeld Mosaic Test, college students, Japan, reply to K. Hirano's criticism, conference presentation, 120
validity, cross cultural differences on Lowenfeld Mosaic Test, college students, Japan, criticism of T. M. Abel's study, conference presentation, 152
Projective Techniques [See Also Bender Gestalt Test, Holtzman Inkblot Technique, Human Figures Drawing, Projective Personality Measures, Rorschach Test, Rosenzweig Picture Frustration Study, Rotter Incomplete Sentences Blank, Szondi Test, Thematic Apperception Test]
attitude toward clinical assessment using projective vs objective vs behavioral assessment practices, members of Association for Advancement of Behavior Therapy, 26120
"Bewitched Family" projective picture test, 5656
Defense Mechanism Test, prediction of ESP scores, male college students, Iceland, 26861
ethical issues, school psychologist use of Draw-A-Person test as method of personality assessment, children, reply to comments by J. G. Patterson & H. L. Janzen, 13199
graduate psychology course, influences of self selected literature on projective lifestyle, 7772
projective drawings & scores on communicative attitudes scale, 5–10 yr old stutterers vs nonstutterers, 6990
projective value of drawing test "The Enchanted Family", hospitalized neurotic vs asocial or antisocial behavior disordered 10–15 yr olds, 12120
psychoanalytic & graphological interpretation of Baum Test as psychodiagnostic technique, chronic psychotic patients, 6779
psychosomatic approach to treatment in day hospital & psychotherapy, 40 yr old female patient in mourning, 7237
puppets & dolls & objects & masks & make-up as projective techniques, psychotherapy, 28562

relationship between revised version of Basic Character Inventory & Defense Mechanism Test, pregnant females, 28124
sentence completion method in cross cultural group counseling, group discussion & interaction, 18012
social atom theory & inventory of J. L. Moreno, analysis of interpersonal relationships & application to creative arts therapies, 10047
status of projective assessment techniques as seen from perspective of academic community & clinical psychologists & internship centers & applied clinical setting & private practitioners, 15643
techniques for teaching projective assessment, graduate psychology students, 2306
use of early recollections as projective technique in counseling, 35 yr old male psychiatric patient, 23485
use of projective assessment techniques in pediatrics, 28559
validity & reliability of Rotter's Sentence Completion Test, clinical application of Norwegian translation as diagnostic projective instrument, psychiatric patients, literature review, Denmark, 24312
Projective Tests [See Projective Techniques]
Prolactin
acute & chronic noise, serum pituitary hormones, male rats, 16692
amitriptyline therapy & recovery from depression, plasma prolactin levels, psychiatric patients, 26181
apomorphine, growth hormone & prolactin & luteinizing hormone, 18–70 yr old acute & chronic schizophrenics, 7427
apomorphine hydrochloride, growth hormone & prolactin responses, 19–38 yr old drug-free psychotic patients with vs without Schneider's 1st-rank symptoms of schizophrenia, 9738
apomorphine vs dopamine vs levodopa & carbidopa, prolactin concentration in blood serum, remitted vs exacerbated vs chronic schizophrenics vs personality disorders, 20252
atropine, diurnal prolactin response to thyrotropin releasing hormone, 25–29 yr old males, 22200
autogenic training vs transcendental meditation, cortisol & prolactin plasma levels & urinary catecholamines, 27442
bilateral vs unilateral ECT, serial post-ictal serum prolactin levels, male psychiatric patients, 12457
bromocriptine, distress associated with hyperprolactinemia, 18–56 yr old patients, 15280
chemical vs radioreceptor assays of plasma levels of haloperidol & prolactin response, prediction of clinical improvement, schizophrenic patients with mean age of 28.7 yrs, 10310
chronic lithium treatment, circadian rhythm of serum prolactin & growth hormone & melatonin, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 793
CSF homovanillic acid & cyclic adenosine 3',5'-monophosphate & serum prolactin, 40–60 yr old male chronic paranoid schizophrenics with tardive dyskinesia vs symptoms of chronic neuroleptic parkinsonism, 6732
defeat by lactating females, plasma prolactin & luteinizing hormone & corticosterone, male mice, 19539
des-tyr1-gamma-endorphin, CSF homovanillic acid & 3-methoxy-4-hydroxyphenylglycol & cortisol & growth hormone levels, neuroleptic-free patients with paranoid vs hebephrenic vs other schizophrenias, 7487
dextroamphetamine, well being & blood levels of growth hormone & prolactin & homovanillic acid & dextroamphetamine, 19–37 yr olds, 22155
diagnostic specificity of dexamethasone suppression test, levels of cortisol & prolactin, depressed inpatients, 25556
diazepam, prolactin secretion & antipsychotic effects, 14–18 yr old acute schizophrenics, 7489
ECT, monoamine metabolites & growth hormone & plasma prolactin, depressed 34–80 yr olds, 1793
endogenous hyperprolactinemia, utilization of noradrenaline & dopamine in brain nuclei, male rats, 27371
exposure to electric shock individually vs in pairs, pituitary adrenal activity & prolactin & catecholamine synthesizing enzymes, male rats, 19611
gonadal steroids & neuroendocrine mechanisms, fluid intake during estrous cycle, rats, 6022
haloperidol doses, serum prolactin levels, 18–45 yr old schizophrenic patients, 2005
hyperprolactinemia & psychiatric illness, comment on article by R. Gangbar & R. P. Swinson, 1326
hyperprolactinemia & psychiatric illness, reply to comments by G. A. Fava & L. M. Cohen, 1344
iv naloxone after 6.3 mi run, pain sensitivity & mood & plasma endocrine levels, male long-distance runners with mean age of 38.8 yrs, 6020
lithium, growth hormone & prolactin responses to insulin hypoglycemia, bipolar 18–69 yr olds, conference presentation, 31505
long term neuroleptic drug treatment & drug withdrawal, growth hormone peak levels after apomorphine, 29–54 yr old schizophrenic patients with vs without tardive dyskinesia, 26189
long term phenothiazine treatment, pituitary tumors, 31–76 yr old psychiatric patients, 7458
morphine, prolactin & cortisol secretion, 23–28 yr olds, 27672
morphine sulfate, mean maximum prolactin response, 18–59 yr old unmedicated inpatients with depressive vs other psychiatric disorders, 6843
need to screen psychiatric patients for hyperprolactinemia, comment on article by R. Gangbar & R. P. Swinson, 1328
plasma homovanillic acid & methoxyhydroxyphenyl glycol & serum haloperidol & prolactin levels on admission vs after 10 days, 16–52 yr old good vs poor responders to haloperidol treatment for acute psychosis, 10254
plasma prolactin, premenstrual tension syndrome, 22–42 yr old females, 13830
plasma prolactin vs drug plasma levels vs dopamine receptor blocking activity, clinical responses, 19–68 yr old acute schizophrenics treated with pimozide vs haloperidol, 23360
pimozide vs fluphenazine vs flupentixol, within-individual variation in steady state plasma & prolactin levels, 39–72 yr old male chronic schizophrenics, 12645
prolactin & follicle stimulation & luteinizing hormone levels, epileptic patients with partial seizures with vs without psychopathology, 9915
prolactin response, schizophrenic & manic & schizophreniform adult patients, 14682
prolactin responses to hypoglycemia & thyrotropin-releasing hormone, patients with acute primary & secondary depression & bipolar patients, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 1400
prolactin, sexual behavior, animals & humans, literature review, 24578
right vs left-side mastectomy vs unilateral vagotomy, plasma prolactin levels & grooming behavior, male rats, 19627
serum concentrations of dopamine & prolactin & thyrotropin & thyroid hormone, acute schizophrenic males, implications for pituitary secretory function & beta-adrenergic activity, 9705
serum prolactin & haloperidol concentrations, clinical response, acutely psychotic 16–64 yr olds treated with haloperidol, 4819
serum prolactin levels, psychopathology & ventricular size, 18–42 yr old schizophrenic patients, 17515
single vs chronic doses of desipramine vs zimelidine, plasma prolactin & growth hormone & luteinizing hormone & cortisol levels, 17–67 yr old depressed patients, 28743
stress of running & immobilization & footshock, levels of pituitary cyclic adenosine monophosphate & plasma corticosterone & prolactin & growth hormone, male vs female rats, 618
suckling capability & suckling-induced prolactin secretion, hypothyroid female rats & their offspring, 27431
thyrotropin-releasing hormone, prolactin levels, 19–75 yr old females with nonendogenous vs endogenous depression, 28282
thyrotropin releasing hormone vs 3-Me-His2-TRH vs naloxone, chafing & calling movements & other behavior patterns, Hemichromis bimaculatus, 24809
ultrasonic distress vocalizations of pups, prolactin secretion, lactating rats, 624
weekly thyrotropin-releasing hormone, thyrotropin stimulating hormones & prolactin response, 21–37 yr old healthy males, 9039
Prolixin [See Fluphenazine]
Promazine
chlorpromazine & promazine, reversal rate & perception of ambiguous visual figures, 19–37 yr olds, 11612
Promiscuity [See Prostitution]
Pronouns
age, comprehension of pronoun references in aural stories, 3.2–6.1 yr olds, 16995

assignment of noun as coreferent for anaphoric pronoun presented subsequently in same message, French-speaking 10–14 yr olds vs adults, test of parallel function hypothesis, 11760
coreferential contents & structural restraints, anaphoric noun phrases of written narratives, below- vs above-average 5th–7th grade writers, 19793
mothers' use of nouns & pronouns & references to objects & persons, speech style, 1–2.5 yr olds, 9179
presentation of "he" vs "she" vs "they" in story, sex-biased responding & memory, male vs female kindergartners vs 1st graders, 25090
production of case-marked pronouns, 2–5.5 yr olds, Israel, 19849
topic continuity, use of marked vs unmarked linguistic forms in discourse writing & comprehension, college students, 19743
understanding of spatial points of view, correct comprehension & production of I/you pronouns, 2 yr olds, 9205
Pronunciation
aspects of regularity effect, single word pronunciation, college students & staff, 11650
assessment of ability to correct & detect mispronunciations & their location in speech, college students, methodological implications, 21846
distinction between European vs indigenous views on correct pronunciation in Tok Pisin, Papua New Guinea, 22250
early pronunciation processes for maintenance of syllables in polysyllabic words, later pronunciation skill & production, males studied at 1.9 & 3.7 & 6 yrs, 25110
egalitarianism & independence & structural features & orthoepy of languages, western Melanesia, 22249
forced choice testing in evaluation of speech production, hearing impaired 13–19 yr olds, 28406
irregularities in spelling &/or pronunciation, word recognition, college students, 8551
knowledge of orthographic elements, pronunciation of synthetic words containing variant-predictable vowel patterns, 1st & 3rd & 5th graders with high vs low reading ability, 13085
learning of meaning & pronunciation of unfamiliar words varying in length & letter-sound regularity & complexity, 5th & 6th grade disabled readers, 17681
mispronounced high-frequency words presented in storylike context, production of correct pronounciation, 2nd graders, 3630
presentation of printed Hebrew words in isolation, role of phonemic mediation for lexical access, college students, 11630
semantic vs nonsemantic orientation & associative processes, levels of processing & facilitation of pronunciation & recall, college students & staff members, 3085
shift in language of pronunciation & meaningfulness of CVCs, release from proactive inhibition & recall, French-English bilingual college students, 5823
Property [See Ownership]
Propranolol
bicycle exercise vs aversive RT stressor & beta adrenoceptor blockade, cardiopulmonary system response, healthy nonsmoking males, 30157
captopril following abrupt termination of pargyline & propanolol, bipolar symptoms, hypertensive 54 yr old female, 28784
carbon dioxide & oxygen inhalation & propranolol, occurrence of panic symptoms, healthy 24–36 yr olds, implications for treatment of panic disorder, 6174
clonidine vs prazosin vs propranolol, short- & long-term habituation of acoustic startle response, rats, replication of study by M. Davis et al, 8982
diagnosis & treatment of akathisia, 23352
essential tremor self treated with alcohol & subsequently treated with propanolol, 47 & 49 & 52 yr old male patients, implications for tremor as risk factor for alcoholism, 28802
haloperidol vs propranolol vs thymoxamine pretreatment, dextroamphetamine induced behavioral & cardiovascular & hormonal responses, 21–37 yr olds, 24901
heart rate changes during sleep & induction of propranolol & atropine, healthy males with mean age of 25.6 yrs, 631
imipramine vs propanolol, panic disorder & agoraphobia with panic attacks, 23–61 yr old patients, 31522
isoproterenol & yohimbine vs propranolol, selective attention, 15 vs 30 vs 55–60 day old rats, implications for role of ascending dorsal noradrenergic bundle, 27572
levopropanolol, puromycin-induced amnesia of aversive maze learning & cerebral spread of memory, mice, 22164
mechanism & treatment of propranolol-induced depression, 42 yr old male & 56 yr old female with essential hypertension & angina pectoris, 4803
n-propanol, brain development, neonatal rats, 19680
oral doses of diazepam vs propranolol, psychomotor performance, 20–61 yr old patients with panic disorder & agoraphobia, 28755
propranolol, depression, hypertensive nondepressed patients, 15325
propranolol, depression, 53–73 yr old medical patients, 18132
propranolol, migraine headache, 9–15 yr olds, 31499
propranolol, premature ejaculation in chronic anxiety settings, 18–58 yr old males, 26151
propranolol vs chlordiazepoxide treatment, 18–55 yr old anxious neurotic patients, 4762
propranolol vs phentolamine, sleep-wake patterns, female dogs, 6129
scopolamine vs methylscopolamine vs phentolamine vs propranolol vs chlorpromazine vs chlordiazepoxide, spatial memory & maze performance, rats, 3455
Proprioceptors
blockade of muscle & foot afferentiation, maintenance of bodily equilibrium in sagittal plane with leg muscles, 25–35 yr olds, 30105
discharge patterns of single-spindle primary afferents from forelimb muscles during locomotion, decorticate cat, 16611
elastic load applied to right wrist, estimation of position & force of elbow flexors, right handed 19–42 yr olds, 29825
proprioception, postural stabilization as assessed by ischemia, 28–32 old males, 617
spatial & temporal coordination during walking & role of peripheral receptors, rock lobster, 19445
structure & types of Golgi tendon organ, literature review, 5990
tonic neck proprioception following hemilabyrinthectomy, normal eye motility & nystagmus, guinea pigs, 27528
visual vs vestibular vs proprioceptive reflexes, postural responses, adult males, 21829
Prose [See Also Autobiography, Biography]
age & task difficulty, referential cohesion of story retelling, 4 vs 6 yr olds & 1st vs 3rd graders vs college students, 16981
analytic procedure for direct evaluation of expository prose, students, 29420
cerebral laterality, auditory processing of prose, college students, 5973
combinations of explicitness of argument repetitions vs connective concepts, prose comprehension, college students, 6192
comparison of prose-learning variations of mnemonic method, recall, 7th–8th graders, 7976
computer assisted instruction, development of prose-writing ability, college students, 23734
content analysis of nonverbal behavior & emotions in person descriptions, prose written by males vs females, 9070
coreferential contents & structural restraints, anaphoric noun phrases of written narratives, below- vs above-average 5th–7th grade writers, 19793
erotic literature, sexual arousal, male vs female college students, 25366
generalizability of educational research on children's main idea comprehension of prose, 5155
generic vs specific inclusion of women in essay, recall of essay's factual content, female vs male college students, 19271
high- vs low-level prepassage questions, cued recall of expository prose, college students with higher vs lower vocabularies, 11384
imagery instruction, reading & retention of literary text, female college students, 29914
individual vs TV presentation of fairy tales, story recall, children with mean age of 6.5 yrs, 14048
motivational/affective factors, recall of short stories, male patients with alcoholic Korsakoff's syndrome vs alcoholics vs normal Ss with mean ages of 58.8 & 54.3 & 56.2 yrs, 12237
number & processing of related vs unrelated details, recall of major ideas in prose, college students, 11366
recall of extended expository prose, college students vs 64–79 yr olds, 14109
recall of story propositions & inferences & written narratives, hearing vs deaf high school students, 20593

recognition of sentence structure in meaningful prose, 3rd & 4th grade skilled decoders vs good comprehenders, 7959
relativistic vs dualistic beliefs about nature of knowledge & immature vs mature concepts of prose coherence, college students, 15850
responses to broken vs unbroken narrative containing plurals vs singulars, college students, 16448
role of imagery & analogy & instantiation in understanding proverbs & conceptual base theory, 24991
role of organization, recall or judgments of canonical stories, young vs middle aged vs old females, 24497
S verbal ability & task instructions, standards of evaluation for expository prose comprehension, college students, 23775
structure of expository prose, learning & comprehension, college students, 11364
text structure vs processing task, memory for main idea of passage, college students identified as good vs poor readers, 11316
thematically related cue information presented before vs after reading, prose processing & recall, 411
transformational vs representational imagery instructions & name vs occupation passages, recall of prose passage, 8th graders, 19844
use of model essays, reduction of context effects in essay scoring, college student scorers of essays by 13–14 yr old high school students, 21473
validity of depth-of-processing model, text recall in intentional vs deep vs shallow semantic orienting conditions, 17–35 vs 36–59 vs 60–82 yr olds, West Germany, 11349
visuospatial organization of prose materials & lateral preference patterns, short term memory & verbal facility, bilateral readers, 8540
word frequency & predictability, lexical access & content-dependent word interpretation in reading of prose, college students, 24360
Prosencephalon [See Forebrain]
Proserine [See Neostigmine]
Prosocial Behavior [See Also Altruism, Assistance (Social Behavior), Charitable Behavior, Cooperation, Sharing (Social Behavior), Trust (Social Behavior)]
Christian view of prosocial behavior, 14488
defensive vs offensive object-related interactions & compliant vs spontaneous prosocial behaviors, high- vs low-dominance 2.5–3 vs 4–5 yr olds, 969
development of moral judgment & empathy & prosocial behavior, kindergarten students, 25062
development of prosocial behavior, aggression, 22 yr study of Ss studied at 8 & 19 & 30 yrs of age, conference presentation, 25187
forms of prosocial behavior, 14–16 yr old males, 25243
imperative vs nonimperative directive choices & affect & situation & linguistic politeness, 1st graders vs college students, 25032
individual vs equal/unequal role in paired task oriented group experience, subsequent prosocial behavior in different context, male college students, 25414
interpersonal construct differentiation & empathy & communication apprehension & locus of control, comforting behavior offered to distressed person, female college students, 28109
job satisfaction, personal sensitivity & altruism & consideration, utility company managers in vs not in training program, 13296
knowledge of social functions of younger vs older vs same-age peers with respect to friendship & instruction & leadership & help & sympathy, 1st vs 3rd graders, 9281
Maslow's cognitive need theory, prosocial/antisocial behavior, 9–14 yr old psychiatric patients, 9659
maternal reinforcement style, prosocial motives & behaviors, Anglo American vs Mexican American 5–12 yr olds, 9298
methods & interpretation of behavior ratings, positive social behavior, kindergartners, 25239
moral & values education, socialization & development of prosocial & collective behavior, children, USSR vs Hungary, literature review, 25179
motivations & profile of sperm donors & incidence of artificial insemination, France, 1973–78, 2047
naturalistic observation vs structured measures of empathy & perspective taking vs teacher ratings, assessment of prosocial behavior, 52–66 mo olds, 13497
parental childrearing attitudes, child's prosocial behavior, 3–6 yr olds from 2-parent families, 14206
physical size & quality of dress of shoplifter, report of shoplifting, bystanders, support for equity theory, 4020
prosocial attitude & behavioral self control training, attitude & behavior change, criminal offenders in minimum security institution, 3-yr followup, 28978
psychoeducational treatment program, aggressive & prosocial behavior, hospitalized conduct disordered 6.4–11.5 yr olds, 7666
reasoning about compliant adult- vs peer-directed prosocial vs nonprosocial behavior, 45–65 mo olds, 17037
reciprocal concession vs perceptual contrast vs worthy person theories, compliance with requests in door-in-the-face procedure, adults, 25424
role of cognitive processes & prosocial development, inhibition & control of aggressive behavior in children, review of papers by S. Feshbach et al & L. D. Eron et al & G. V. Caprara, conference presentation, 25223
self attributions about naturally occurring prosocial behaviors & frequency of prosocial responding & moral judgments, 47–63 mo olds, 9275
social expectations for prosocial behavior & altruism, college students & military officers & rural-urban populations, implications for socialization & social stability, 9365
theories of & methodologies for research on prosocial behavior, 1246
therapeutic signs & sayings for teaching self control & prosocial behavior, emotionally disturbed students, 21423
transgression, prosocial behavior, college students, 30832
TV, facilitation of prosocial behavior, children, literature review, 25192
Prostaglandins
calcitonin vs prostaglandin E2, anorexia & gastrointestinal motility, male rats, 16757
clonidine, prostaglandin-induced spawning behavior, female goldfish, 9024
diuretics & oral contraceptives & pyridoxine & prostaglandin antagonists/precursors & lithium & bromocriptine, premenstrual syndrome, literature review, 31509
dopamine vs prostaglandin, E1 injections into lateral cerebral ventricles, thermoregulation & core temperature & motor activity, male rats, 22194
high vs low dosages of prostaglandin F2alpha or PGE1 & dextroamphetamine, hyperthermia & operant behavior, male rats, 22202
indomethacin, modulation of dextroamphetamine action on operant FR responding & rectal temperature, male rats, 24899
nursing care, infants with congenital heart disease receiving prostaglandin E1, 31610
onager oil treatment based on hypothesis of underlying prostaglandin deficiency, 25–48 yr olds with schizophrenia, 28741
platelet binding of tritiated dihydroergocriptine & plasma norepinephrine levels & norepinephrine inhibition of prostaglandin in E1 stimulation of cyclic adenosine 3',5'-monophosphate production, depressed patients, 6853
prostacyclin vs placebo, postoperative cognitive deficits, open heart surgery patients, 4804
prostaglandin E1, treatment of schizophrenia, 21–31 yr old inpatients, 10281
prostaglandin, oviposition & spawning behavior, female teleost fish, 24811
prostaglandins in etiology of depression, comment on R. H. Gerner & J. Merrill's assertions, 22676
therapeutic use of onager oil as precursor of prostaglandin E, patients with schizophrenia, 20938
Prostheses
cochlear implants, deaf children, implications for education, 26257
development of implantable cochlear prothesis, deaf with inner ear damage to sensory hair cells, 20665
intelligibility of electrolaryngeal speech produced with aid of differing electrolarynges, laryngectomized 54–64 yr olds, 28521
intonation & contrastive stress patterns in speech, normal speakers vs laryngectomized Ss with electronic artificial larynges, 15371
maintenance care & developmental needs & emotional support & coping behavior, children with gastrostomy tubes & their parents, 18198

Melbourne multichannel cochlear implant, recognition of consonants & vowels & words & speech tracking & lipreading, hearing impaired 33 & 45 yr old males, 15396
movement patterns, use of artificial limb, 13 yr old female with congenital absence of left arm, 20506
patient selection methodology for use of speech prostheses, dysarthric 13–75 yr olds, 26229
penile prosthesis implant, postsurgical psychological adjustment & satisfaction, patients & their partners, literature review, 31581
psychodynamic aspects of wish for penile prosthesis, males with psychogenic impotence, implications for medical decision making, 15086
Prostitution
causes & consequences & criminal justice system, juvenile prostitution, US, conference presentation, 9752
causes & patterns & characteristics & legal status of prostitution, Black female prostitutes, Africa, 28327
dynamics of male prostitution, 22838
factors leading to prostitution, adolescents, 4346
homosexual prostitute subculture, 18–22 yr old males, Philippines, 17268
occupational mobility & career development in world of prostitution, adult female former prostitutes, 1528
participation in prostitution & pornography, 8–12 yr old females, 22829
prostitutes & their clients, Austria, 1186
racial distribution & sexual history & family background, male-to-female preoperative transsexual prostitutes aged 15–35 yrs & older, New Zealand vs Australia, 17265
sex, disparity release in bail-setting procedure, Ss arrested for prostitution or patronizing prostitutes, US, 1977–79, 27960
social functions of prostitution, 1187
sociodemographic factors & self concept, 13–15 yr old female prostitute vs non-prostitute juvenile delinquents, 28298
style of citizen's band radio prostitution & pimping, 28336
violent pornography & sexual abuse & assault, 10–46 yr old female prostitutes, 14829
Protein Deficiency Disorders [See Also Kwashiorkor]
body weight, climbing & locomotor activity, protein malnourished vs well-nourished rats, 663
early protein malnutrition, acoustic startle responses, rats, 3345
Protein Metabolism
brain protein synthesis, memory, literature review, 11471
pretraining administration of cycloheximide vs anisomycin, memory impairment induced by cycloheximide & anisomycin, male mice, replication of studies by W. J. Kasprow et al & T. C. Rainbow et al, 3426
Protein Sensitization [See Anaphylactic Shock]
Proteinases
biochemistry of synaptic processes, memory & information storage, mammals, 5988
thiol proteinase inhibitor leupeptin, ingestive behavior & escape & avoidance conditioning & spatial memory, male rats, 797
Proteins [See Also Antibodies, Blood Proteins, Endorphins, Globulins, Hemoglobin, Immunoglobulins, Serum Albumin]
allosteric properties of nicotine receptor for acetylcholine, literature review, 5969
attitudes toward prenatal screening with alpha-fetoprotein, midwives, 7797
brain-specific proteins & endogenous oligopeptides, emotional reactivity & aggressive behavior, male rats, 27639
cholecystokinin vs lithium injections, diet self selection & ingestion of protein vs fat vs carbohydrate diets, rats, 30308
CSF interferon activity, chronic schizophrenic patients with mean age of 26 yrs, 14730
dietary protein intake, food selection & plasma & brain levels of amino acids, male rats, 27629
early protein undernutrition & later frontal cortex damage, sensory discrimination & reversal learning, rats, 22089
enriched vs restricted vs impoverished housing environments, CNS neurotransmitter amino acids & protein, postweanling mice, 27340
experimental neurosis, local brain circulation rate & cytochrome content, rats, 27377
GABA & protein diet content, food intake & growth & plasma GABA & tissue amino acid concentrations, kittens, 3519
glycerol injection, food intake, male rats fed high carbohydrate vs fat vs protein diet, 19694
icv calmodulin vs calcium ions, spontaneous feeding behavior & core body temperature, satiated female cats, 3479
intracranial injections of actinomycin-D or cycloheximide or anisomycin in conjunction with estrogen or progesterone, lordosis, female rats, 6141
maternal protein restriction during late gestation & lactation, development of home orientation, 2–14 day old kittens, 16698
morphine sulfate, macronutrient intake of fat vs carbohydrate vs protein, female rats, 19711
normal vs low protein diet, endorphin-like immunoreactivity & avoidance task, performance, rats, 3358
notification of elevated serum alpha-fetoprotein level, psychological reactions, singleton-pregnant females, 7519
partial trigeminal lesions of oral somatosensory afferents & total food deprivation vs intragastric protein or carbohydrate supplementation, dietary self selection of protein vs carbohydrate, male rats, 8917
partial trigeminal lesions of oral somatosensory afferents, ad libitum dietary protein intake impairment, male rats, 8916
phosphorylase kinase, biophysical changes of type B photoreceptors, mollusk, implications for biophysical effects of associative conditioning, 718
prenatal vs postnatal protein malnutrition, spontaneous electrical activity of frontal cortex neurons, rats, 16707
protein concentration of vaginal discharge, facilitation of copulatory behavior, male hamsters, 24615
protein malnutrition prior to & during pregnancy, 1st & 2nd offspring development, rats, 19596
removal of tectum at time of axotomy, role of target tissue in regulation of pattern of neuronal protein biosynthesis, goldfish, 696
role of endogenous nerve growth factor in adrenergic innervation of submandibular gland, male vs female mice, 30145
self selection of diet during gastrointestinal toxic drug injections, learned aversions to protein vs carbohydrate sources, rats, implications for cancer patients receiving chemotherapy, 27208
tryptophan-induced brain 5-HT elevation, food intake & choice of diets varying in protein vs carbohydrate content, rats, 3500
Protest (Student) [See Student Activism]
Protestantism [See Also Fundamentalism]
alternative religious structures & institutional interpenetration by media evangelists, clergy & lay leaders of Protestant denomination, 14245
assessment of rightness vs wrongness of 17 moral issues, Roman Catholic vs Protestant 14–16 yr olds, Northern Ireland, 25043
attitudes toward abortion as means of sex selection, Catholic vs Protestant 17–37 yr olds, 3956
expression of hostility, male vs female 17–35 yr old Catholics vs Protestants, 17137
Freudian psychoanalysis & pastoral counseling & religious family life education in rise of personal religion in 20th century American Protestantism, 26904
friendship choices in integrated primary school, Protestant vs Roman Catholic 7–11 yr olds, Northern Ireland, 14144
importance of religious ethnic & political social identities, Protestants vs Catholics with mean age of 16.6 yrs, Northern Ireland, 13986
professional values, teachers in Protestant vs Catholic schools, Northern Ireland, 31984
Protestant Work Ethic of M. Weber, literature review, 6641
psychoanalytic reflections on superegos of Judaism vs Catholicism vs Calvinism, 9378
religious orthodoxy, other-worldly approach to life & involvement in secular affairs, US & Canadian & British & Australian Protestant missionaires, Kenya & Tanzania, replication of study by R. Stark et al, 6442
unidimensionality of political liberalism-conservatism, Protestant clergy, 9386
Pseudocyesis
pseudocyesis following sterilization, 24 yr old female, 17816
Pseudodementia
administration of dexamethasone suppression test, geriatric patients with dementia vs pseudodementia vs endogenous vs nonendogenous depression, 17846

criticism of use of "depressive pseudodementia" vs "dementia syndrome" in diagnosis, 17585
differential diagnosis & treatment, pseudodementia & dementia & affective disorders, literature review, 4096
manic depression misdiagnosed as organic brain syndrome, 48 yr old female, 4189
misdiagnosis of dementia, 63 yr old female with manic pseudodementia, 1484
Pseudopregnancy [See Pseudocyesis]
Psychedelic Drugs [See Also Lysergic Acid Diethylamide]
pharmacology & effects & classification of adverse reactions along temporal continuum & prognosis, psychedelic drugs, literature review, 6723
Psychiatric Aides
attitudes toward staff development programs, psychiatric nurses & psychiatric care workers, 12907
cumulation of validities of verbal ability selection test over 5–6 yrs, psychiatric aides, meta-analysis, 140
experimental design & lay interviewer, reliability of Diagnostic Interview Schedule for assessment of lifetime history of psychiatric symptoms, schizophrenics, reply to criticism of M. Karno et al, 185
subjective feelings of hospital staff, symptoms, chronic psychotic inpatients, 7674
Psychiatric Classifications (Taxon) [See Psychodiagnostic Typologies]
Psychiatric Clinics
application of Mental Research Institute's brief therapy model in psychiatric clinic, families, 28856
assessment of community-based care system, mental patients, West Germany, 31630
attitudes toward psychiatric clinics in general practice, vs conventional outpatient clinics urban psychiatric patients from low SES, England, 18240
complications of outpatient clinic structure in psychoanalytically-oriented treatment, 10150
coordination by social worker of polyclinic & hospitals for provision of mental health services, 67 yr old mentally ill male, 31673
frequency of contact with different psychiatric services, opening of general practice psychiatric clinics, patients with low SES, England, 18241
functional & affective & community-integrative roles in geropsychiatry outpatient clinic, geriatric workers, 28901
historical development & functions of consultation-liaison outpatient psychiatric clinics, 7693
home care vs hospitalization in psychiatric clinic, 27 yr old chronically ill female with asthenic-cenostropathic syndrome, Italy, 31589
liaison clinic, provision of psychiatric evaluation & care for medical patients & training & research & funding in tertiary care setting, 7678
prevalence of requests & types of outpatient mental health services requested, Blacks vs Whites, 12769
psychiatric clinic as teaching & research center, outpatients, 23457
psychiatric diagnosis & health problems & chronic illness & death in family & traumatic incidents & current functioning, client of women's psychiatric clinic, 21061
team approach to treatment in clinic, patients with mood disorders, 23456
Psychiatric Disorders [See Mental Disorders]
Psychiatric History [See Patient History]
Psychiatric Hospital Admission [See Also Psychiatric Hospital Readmission]
changes in diagnostic criteria, patterns of psychiatric morbidity & hospital admission, Australia, 1848–1978, 26331
client diagnostic & demographic characteristics & trends in voluntary admission for treatment, psychiatric patients, Nigeria, 4960
clinical assessment of socio-interactional context of symptomatology & hospital admission, psychiatric patients, 26324
consumer's social characteristics & behavior, psychiatric admission decisions to commit or release, 23–51 yr old residents in psychiatry, 26311
criteria for psychiatric hospital admission & discharge, Brazil, 18293
date of psychiatric admission, phases or critical days in biorhythm cycle, patients with major vs bipolar depression vs schizophrenia vs other diagnoses, 20372
different hospital admissions, patterns of mental illness, psychiatric patients, 12139
distance from inpatient facilities & rate of psychiatric admissions, male vs female patients 15 yrs old & older, Australia, 28927
distinguishing between physical & psychiatric disorders, hospital emergency admissions, elderly vs middle aged patients, 12826
DSM-III diagnostic axes, hospital admission decisions, 10479
ethnicity & geographical factors, psychiatric hospital admission, England, 28918
frequency of contact with different psychiatric services, opening of general practice psychiatric clinics, patients with low SES, England, 18241
multidimensional diagnosis at 1st admission, subsequent suicide, alcoholics in hospital psychiatric unit, 6893
national levels of unemployment, rate of first admission to mental hospitals, psychiatric patients, 1950–1976, England vs Wales, replication of findings of M. H. Brenner, 31737
number & types of hospital admissions over 10 yr period, mentally handicapped patients, England, 23493
patient characteristics & treatment regimes, 12–16 yr olds admitted to regional general purpose psychiatric unit for adolescents, 31674
phases of menstrual cycle, acute psychiatric hospital admission, 20–39 yr old females, 18311
prevalence of psychiatric symptoms, consecutively admitted mentally handicapped male & female patients with mean ages of 31.3 & 40.5 yrs, 6973
psychiatric hospital admission & cross cultural comparison, 16–58 yr old Asians vs indigenous patients, England, 23530
SES & social mobility prior to first admission & manner of admission & length of therapy in first 2 yrs after admission, patients with schizophrenia, West Germany, 31717
SES, psychiatric admissions in public psychiatric hospital, Spain, 15497
stress associated with hospital admission, results of dexamethasone suppression test, depressed vs nondepressed psychiatric patients, 15479
Psychiatric Hospital Discharge
arrests & convictions & incarcerations, insanity acquittees after hospital discharge, 15-yr longitudinal study, 31734
assessment of mental health service needs, 18–65 yr old discharged psychiatric patients, 31646
changes in living arrangement following hospital discharge, rehospitalization, 18–55 yr old chronic schizophrenics, 23495
client characteristics & use of aftercare services, community tenure, discharged state hospital patients with mean age of 34 yrs, 12765
client characteristics, delayed psychiatric hospital discharge, 10–91 yr old psychiatric patients, 18285
commitment & release, defendants acquitted by reason of insanity, case law, 3872
consumer's social characteristics & behavior, psychiatric admission decisions to commit or release, 23–51 yr old residents in psychiatry, 26311
criteria for psychiatric hospital admission & discharge, Brazil, 18293
day hospital vs inpatient treatment, postrelease adjustment, schizophrenic & psychopathic & neurotic patients, 23507
directed verdict in insanity restoration hearing, case law, 3887
functioning capacity following psychiatric hospital discharge, 18–25 yr old chronic psychiatric patients, 10465
granting of passes to patients at Minnesota state mental hospitals not considered as type of discharge, case law, 3890
guidelines for preparation of discharge & neuroleptics, schizophrenia, outpatients, 18291
hospital discharge planning process, 18–55 yr old chronic schizophrenic inpatients, 2145
incidence of aftercare & hospital readmission, 15–65 yr old patients discharged from psychiatric inpatient services, Netherlands, 31738
liability for negligent release of dangerous patient, doctors at state mental institution, case law, 3869
locus of responsibility & courts' power to review & availability of relief, discharge from state hospital facilities, case law, 25318

negative & positive symptoms following hospital discharge, schizophrenic & depressed 18–30 yr olds, 1.5 yr followup, 17544
psychiatric hospital discharge & aftercare, 6-mo & 2-yr followup study, Canada, 10471
psychiatric hospital discharge, social & emotional functioning, schizophrenic patients, 5–9 yr followup, 28919
role of outreach community mental health unit, rehabilitation programs, discharged psychiatric patients, Israel, 10401
role of social relationships, recovery after hospital discharge, 20–41 yr old psychotic patients, 1-yr study, 14643
social outcome & adjustment, 16–57 yr old schizophrenics discharged after 1st time hospitalization, Australia, 25549
treatment outcomes after discharge from psychiatric therapeutic service, children & adolescents, longitudinal study, 1975–80, 7664

Psychiatric Hospital Programs [See Also Therapeutic Community]
brief hospitalization in psychoneurological dispensary, psychiatric patients, 15490
care & staff & environment & hospital administration, adaptive behavior, mentally retarded 9–13 yr olds living in bungalow on hospital grounds vs mentally retarded 10–15 yr olds on long-stay ward, 7663
client demographic & hospitalization data regarding operation of secure care programs, psychiatric centers, 10478
development of activity center with multidisciplinary team, chronically mentally ill day patients & inpatients, 15485
development of cost- & space-efficient psychogeriatric services within teaching hospital, 15472
ethics & manner of relating to violence, individuals & societies, implications for psychiatric hospitals, conference presentation, 22837
experimental methodology & use of longitudinal research in development of treatment programs, client characteristics & other factors in outcome of hospital treatment, child psychiatric patients, followup studies, literature review, 12801
family large group therapy, hospitalized psychiatric patients & their families, 15484
format for enhancing involvement of activity therapy in multidisciplinary treatment plan, hospitalized psychiatric patients, 31702
goal-directed informal sessions, communication between adolescents & parents, 11.5–18 yr old psychiatric patients & their parents, 2163
inpatient group psychotherapy on short-term acute care units, 31709
inpatient treatment program, young adult chronic psychiatric patients, 7684
institutional food preparation & mealtimes, social intercourse & conflict resolution, psychiatric patients, 12824
multiple family therapy, psychiatric & emotionally disturbed adolescent inpatients, 15511
outpatient individual therapy for children & family therapy through VA hospitals, clinical status of parents, volatile adult psychiatric patients & their spouses & disturbed children, 12818
patient characteristics & contextual variables, violence in psychiatric institutions, implications for prevention & intervention programs, 31700
patient-staff interaction & patient activities & medication practices & ward physical environment & nursing staff rotation, outcome of psychiatric hospital treatment, male psychiatric patients, 3-mo followup, 26320
philosophy & instructional work of Austen Riggs Center's Activities Department in Massachusetts, psychiatric patients, 2149
Project Outreach as volunteer transitional employment program, psychiatric patients, 2155
psychiatric care, elderly, psychiatric team, France, 2160
psychiatric day hospital programs, treatment outcomes, psychiatric patients, 26338
psychoeducational instruction & skill building vs group counseling, interpersonal communication & life goals & physical fitness, hospitalized male psychiatric patients, 1- & 2-yr followups, 26335
psychoeducational treatment program, aggressive & prosocial behavior, hospitalized conduct disordered 6.4–11.5 yr olds, 7666
rhythm group in day hospital, psychotic patients, 18236
short excursions & day trips, mental status, chronic psychiatric patients, 21072
suggestions for establishment of intensive care units in psychiatric hospitals, 21081
supportive containment approach, hospitalized treatment-resistant borderline adolescents, 15477
therapeutic apartments, mentally-ill adults, France, 2085
therapeutic effects of Moonwalk playground apparatus, 5–8 yr olds with emotional or behavioral problems, 12613
therapeutic summer camp picnics, severely disturbed psychiatric hospitalized patients, 31708
treatment characteristics & ward environment, effective psychiatric hospital programs, male patients, 10464
2-track program, differentiation of patients by level of functioning & degree of pathology, chronically ill psychiatric day hospital patients, 10453

Psychiatric Hospital Readmission
analysis of readmission pattern & stability of diagnosis, unipolar & bipolar manic depressive patients, 5–7 yr followup, 28276
awareness of presence of mental disturbance in treatment of relapse, rehospitalization vs outpatient treatment, 20–50 yr olds with diagnosis of schizophrenia, 20659
changes in living arrangement following hospital discharge, rehospitalization, 18–55 yr old chronic schizophrenics, 23495
demographic & clinical factors, prediction of readmission to treatment program, alcoholics, 2-yr follow up, 23598
demographic characteristics & duration of admissions & number of readmissions, stability of psychodiagnoses, psychiatric patients, 31720
discharge planning & community treatment compliance & interpersonal stress, prediction of days in hospital after discharge using mathematical model, 18–55 yr old chronic schizophrenics, 21062
incidence of aftercare & hospital readmission, 15–65 yr old patients discharged from psychiatric inpatient services, Netherlands, 31738
patient characteristics & receipt of outpatient services, readmission to inpatient care, suburban alcoholics, 28999
perceptions of past & present maternal & paternal care & interpersonal relations, relapsing vs nonrelapsing schizophrenic patients readmitted vs nonreadmitted to hospitals, 9613
person-environment congruence, prediction of rehospitalization from community care homes, psychiatric patients, 23435
readmission rates & posthospital employment rates & adjustment & prognostic variables, Mexican American psychiatric inpatients, 18299

Psychiatric Hospital Staff [See Also Psychiatric Aides]
attitudes & job satisfaction, direct-care & professional employees of community or hospital residential care facilities for profoundly retarded & multiply disabled patients, 10622
difficulties in balancing freedom & need for control of patients, staff members in open psychiatric residential treatment setting, 31743
District of Columbia court ruling on appointments of employees working in special program at St. Elizabeths psychiatric hospital, case law, 15584
handling reactions to perceived lack of progress of chronic mental patients, public mental hospital staff, conference presentation, 18313
intensive staff training, treatment & education of institutionalized mentally retarded, 12817
management practices & interactions with residents in long-stay psychiatric unit, staff members & 26–59 yr old chronic patients, 4938
patient-staff ratios & staff perceptions of work environment, state psychiatric hospital staff, 2254
race & emotional reactions & perceived causes of 1981 riots & proposed solutions, psychiatric hospital staff, England, 2237

Psychiatric Hospitalization [See Also Commitment (Psychiatric), Psychiatric Hospital Admission, Psychiatric Hospital Discharge, Psychiatric Hospital Readmission]
acute hospitalization, dexamethasone suppression & thyrotropin-releasing hormone stimulation tests, depressed 19–60 yr old inpatients, 7679
age & sex & intellectual capacity & length of hospitalization & presence of somatic disease, frequency of Schneider's 1st rank symptoms, hospitalized schizophrenics, 9681

agency-based treatment vs less comprehensive home-visiting program in Thresholds Mothers' Project, parenting abilities & child development, mothers who experienced psychiatric hospitalization during their children's early yrs, 21033
amount of stress & level of functioning, prediction of length of hospital stay, psychiatric inpatients aged 12 yrs old & over, 15486
analysis of emotional status during hospital treatment, borderline female patients, 21080
artwork & drawings in therapeutic communication, self concept before & during & after psychiatric hospitalization, 9–12 yr olds, 2164
assailant's history of psychiatric hospitalization, rating of court's acceptance of not guilty by reason of insanity plea, 17–65 yr olds, 11934
author's experience as patient in mental institution, conference presentation, 15496
brief hospitalization in psychoneurological dispensary, psychiatric patients, 15490
broadened civil commitment standards, admissions to state mental hospitals, US, 15500
changes in intensity of behavior problems, 4–14 yr olds admitted to child psychiatry inpatient service, 26332
changes in role stressors & expectations due to short term care, occupational therapists, 18495
client characteristics & diagnosis & prediction of length of hospitalization, actual length of stay, general psychiatric inpatients, 18312
clinical & demographic characteristics, patients in medical-psychiatric unit vs liaison-consultation service vs psychiatric inpatient unit, 31712
combined in- & outpatient long term treatment, 17–74 yr old psychiatric patients with endogenous psychoses, 18330
community-based vs psychiatric hospital oriented treatment, 15–65 yr old psychiatric patients, 10061
conjugal psychiatric hospitalization, 41 yr old paranoid schizophrenic male & 36 yr old mildly mentally retarded & behaviorally disordered female, 21073
consultations with family, decisions regarding psychiatric hospitalization, adolescents & social workers, 2120
cost effectiveness at home- vs hospital-based treatment, psychiatric patients, 2-yr longitudinal study, 17844
degree of deterioration at first remission & after last hospitalization, schizophrenic patients, 4206
demographic characteristics & duration of admissions & number of readmissions, stability of psychodiagnoses, psychiatric patients, 31720
demographic factors & length of hospitalization & diagnostic category, academic abilities, 20–77 yr old psychiatric inpatients, 18325
depression & psychoticism MMPI content scales & length of psychiatric hospitalization, 17–35 yr old psychiatric patients, replication of study by E. I. Peteroy et al, 24280
development of Progress Review Index, evaluation, long term psychiatric patients, 12812
diagnosis & treatment of multiple personality concurrent with psychosis, 39 yr old female with history of psychiatric admissions, 31295
duration of hospitalization & diagnosis, 19–79 yr old schizophrenics, 7673
effectiveness of time-limited psychiatric hospitalization, 4–15 yr olds, 4957
evaluation questions for documentation of psychiatric inpatients, West Germany, 20254
experimental methodology & use of longitudinal research in development of treatment programs, client characteristics & other factors in outcome of hospital treatment, child psychiatric patients, followup studies, literature review, 12801
external variables vs individual discretion, treatment outcome, 21–64 yr olds admitted to state mental hospitals during 1956–65, 28923
factors facilitating injury, hospitalized chronic psychotics, 18320
functions of therapeutic vs nontherapeutic settings in treatment, psychotic hospitalized children, 7655
hand & eye dominance, age of onset & course of illness & premorbid functioning, 20–56 yr old newly admitted chronic schizophrenic males, 28232
home care vs hospitalization in psychiatric clinic, 27 yr old chronically ill female with asthenic-cenostropathic syndrome, Italy, 31589
hospital care & aftercare vs comprehensive community treatment, hospital admission, 15–65 yr old schizophrenics, 12-mo followup, 7593
hospitalization & consultation-liaison psychiatry after Law 180, psychiatric patients, Italy, 23496
hospitalization, development of psychotherapeutic alliance with staff, 20 & 27 & 39 yr old chronic & paranoid schizophrenics, 15508
hospitalization in psychiatric wards, chronically mentally ill patients, Italy, 31739
inappropriateness of least restrictive alternative concept, involuntary interventions, institutionalized psychiatric patients, 3921
individual & occupational therapy in inpatient setting, 17 yr old anorexic female, 15505
influence of Reform Acts on psychotherapy & role of hospitals, Italy, 28907
inpatient psychiatric treatment, effectiveness, 4.2–10.7 yr olds, 2159
inpatient psychoanalytic treatment, psychosomatic disorders, 15518
inpatient psychotherapy, psychosomatic disorders, 15483
inpatient treatment, chronic psychiatric patients, 21070
interdisciplinary short term hospital treatment, patients with acute schizophrenic episode, 18302
MMPI & MacAndrew Alcoholism Scale results, psychiatrically hospitalized 11.5–17 yr old substance users & their parents, 1333
models for inpatient treatment of psychosomatic disorders, West Germany, 15489
need for asylum & sanctuary following deinstitutionalization, chronic patients, conference presentation, 18224
out-of-state hospitalization, risk of suicide, psychiatric patients under 30 yrs of age, 15506
per-service vs per-case payment methods, length of hospital stay, patients with mental disorders, 31727
personality & sociopsychological characteristics during illness process & premorbid state, duration of hospitalization, schizophrenic patients, 4976
placement in community nursing homes vs VA nursing care units vs continued psychiatric care on same vs other ward, treatment outcome, male psychiatric patients with schizophrenia &/or organic brain syndrome, 31703
prevalence & rationale of seclusion & restraint procedures in psychiatric treatment facilities, children & adolescent inpatients, literature review, 31694
prohibition against separation from family & defining nature of own difficulties, female inpatients, 23183
prospective payment system, evaluation of diagnosis-related groups for mental disorders & alcoholism & drug abuse, 7687

evaluation of Spanish version of Frankfurt Psychopathological Inventory, schizophrenics & phobic-obsessives, 16334
examination of depressive phenomena as part of full depressive syndrome, 13–18 yr old psychiatric inpatients, 9581
family history & subsequent schizoid personality & diagnosis validity & symptoms, 5–14 yr old males with schizoid personality, 10-yr followup, 6880
feedback process, diagnostic psychological testing, 19016
format & style of psychological report, comprehension, elementary school teachers, 15720
functional assessment stages of dementia, psychometric & mental status test performance, outpatients with Alzheimer's disease, conference presentation, 31242
genetic studies, medical & psychiatric diagnoses & classification of mental disorders & etiological concepts & therapeutic approaches, 20312
German version of diagnostic interview schedule vs International Classification of Diseases, diagnostic assessment, 25–65 yr old former psychiatric patients & adults in general population, West Germany, 31123
handwriting analysis, identification of Oedipal complex, conference presentation, 30940
heuristic vs social psychological models for detection of malingering & deception, 1562
history & evolution of psychodiagnostic methods in chronic pain assessments, 31214
history of hyperactive symptoms, subsequent psychiatric disorders, adolescents, implications for psychodiagnosis, 9594
human & computer steps of Present State Examination of psychiatric diagnosis according to J. K. Wing & J. E. Cooper & M. Sartorius, 28270
hypnosis vs power of suggestion, psychodiagnosis of unconscious processes, 20958
hypnotically induced dreams, diagnosis, 4.5–45 yr olds, 20961
identification & treatment methods, female adult survivors of childhood incest, 12472
Illness Behavior Questionnaire, differentiation of conscious exaggerated symptoms & neurosis, pain clinic patients & public utility members, 16305
implications of use of "oriented times three" referring to patients' orientation to time & place & person, 23667
improvements in psycholegal assessment & diagnosis, legal testimony, forensic mental health specialists, 1104
incorporation of school information into comprehensive psychiatric assessment, children, 20185
integration of DSM-III classification & idiographic behavioral assessment, childhood disorders, 12112
interrater reliability, evaluation of current psychopathology at 2-yr followup, blind vs informed raters, 16286
interrater reliability of Personality Assessment Schedule, diagnosis of personality disorder, 18–66 yr old patients, US vs UK, 11196
introduction of DSM-III, diagnosis of schizophrenia, psychiatrists, 22737
inventory of & treatment program for agoraphobia, 31455
issues of Millon Clinical Multiaxial Inventory, reply to comments by S. E. Greer, 24271
lay diagnostic interview schedule vs DSM-III diagnosis by psychiatrists, mental disorder prevalence rates, adults, 30899
lay examinations vs psychiatrists' evaluations using diagnostic interviewer schedule, diagnosis of mental disorders, adults, 30937
Lowenfeld Mosaic Test, diagnosis & psychotherapeutic treatment, children, conference presentation, 21778
manic-depressive symptomatological changes & subsequent diagnosis of schizophrenia, adolescents with schizophrenia, 30973
markedly elevated MMPI schizophrenia scale scores, college students & university employees & community residents attending university counseling center, diagnostic implications, 1352
medical & psychiatric diagnosis of depressive disorder, 18–82 yr olds in combined medical-psychiatric unit, 30999
migration status & urban vs rural origin, psychodiagnosis, adult psychiatric patients, 25527
Millon Clinical Multiaxial Inventory & its mail-in computer scoring, personality & psychopathology assessment, 8404
misdiagnosis of complex partial seizures as psychiatric illness, 36 yr old female, 6722
misdiagnosis of psychiatric disorders, Blacks, 4273
misuse of borderline diagnosis, teaching opportunities in clinical supervision, psychiatric residents, 12951
MMPI & discrimination of alcoholism, Black vs White male psychiatric inpatients, 8440
MMPI items, identification of schizoid-taxon membership, schizophrenics, 24275
MMPI, psychometric detection of fabricated symptoms of posttraumatic stress disorder, disordered vs well-adjusted Vietnam veterans & mental health professionals, 19055
MMPI Schizophrenia-Organicity & Psychiatric-Organic scales, differentiation of brain damage & schizophrenia, literature review, 217
mnesic scales of A. Rey vs computerized tomography as diagnostic tools, patients with cerebral atrophy, 23002
modified video camera, measurement of body image distortion, implications for anorexics, 8357
Munchausen's vs Asuero's syndrome, psychodiagnosis, 14656
Mutuality of Autonomy Scale, indication of psychopathology, previously hospitalized Ss with mean age of 38.5 yrs, 150
narrowly defined diagnostic criteria, morbidity risk patterns, nuclear families of chronic schizophrenic probands, 28159

number & frequency of usage of cards & administration & evaluation methods, patterns of usage of TAT in juvenile forensic settings, psychologists, US & Canada, 26963
objective diagnostic criteria using polygraphic studies, endogenous depressive syndromes, 23–55 yr old schizophrenic patients, 6827
perceived treatability & offender & offense variables, legal disposition & judicial decisions, mentally disordered male offenders with mean age of 28.5 yrs, 1559
personality trait scores from Comrey Personality Scales, correlation with ratings of psychiatric disturbance from case history data, psychiatric outpatients, implications for use of personality measures in psychiatric screening, 30920
phenomenological approach to examination of psychodiagnostic assessment interview, psychologists, 15031
positive & negative symptoms, 20–61 yr old drug-free schizophrenic patients, 30983
practical & ethical issues, computerized testing & interpretation, psychologists, 16259
prevalence estimates using DSM-III, criteria vs validity of Personality Inventory for Children & Children's Depression Inventory, diagnosis of depression, 8–12 yr olds, 16340
problems in diagnosis & diversity of causal models & drug treatment, anxiety & panic & phobic disorders, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 1469
problems in testing, diagnosis of memory disorders, 21734
problems with psychodiagnosis & treatment of hyperactivity, 28494
problems with psychodiagnosis & treatment of hyperactivity, literature review, 7123
process-reactive measurement, prediction of symptomatic improvement, 18–55 yr old DSM-III diagnosed schizophrenics, 25517
projective value of drawing test "The Enchanted Family", hospitalized neurotic vs asocial or antisocial behavior disordered 10–15 yr olds, 12120
psychiatric diagnosis & management, psychogenic impotence, literature review, 14896
psychiatric evaluation & diagnosis, offenders experiencing dissociative states, 1533
psychiatric evaluation & treatment in home, homebound elderly patients, 30956
psychiatric evaluation, depression & anxiety & organic mental disorders, 18–45 yr old heart transplant patients, 1669
psychiatrists' diagnoses vs operational definitions, schizoaffective vs cycloid psychoses, 16–65 yr old patients with schizophrenia & affective psychoses, 31005
psychoanalytic & graphological interpretation of Baum Test as psychodiagnostic technique, chronic psychotic patients, 6779
psychoanalytic diagnosis of identity problems, 6839
psychoanalytic observation of normal infants, detection of subtle signs of autistic behavior, 11 mo old normal female & 3 yr old autistic male, conference presentation, 6759
psychodiagnosis & etiology of behavior problems, developmentally disabled children, 14614
psychodiagnosis, malingering, 31070
psychodiagnosis of abortion, 12–47 yr old females, 2052
psychodiagnostic test usage, survey of Society for Personality Assessment, 24198
psychodiagnostic work, 6 yr old male only child of divorced mother, 7264
psychological assessment, factitious claims & compensation for injuries related to trauma, 1164
psychological assessment in family therapy, families with children experiencing learning difficulties, 17992
psychological test battery, differentiation of Alzheimer type dementia, 63–84 yr olds, 7128
psychomotor factors, psychiatric diagnosis & treatment of geriatric patients, health care professionals, 31244
psychosomatic approach to diagnostic procedures, 15–72 yr old medical outpatients, conference presentation, 28438
psychotherapy & handwriting analysis, diagnosis of true vs fabricated memory disorders following shock, 30913
range & utility of MMPI-derived MacAndrew Alcoholism Scale & Heroin Addiction Scale, diagnosis of alcoholism, drug addicts with mean age of 33 yrs, 8397
rates of diagnosis of schizophrenia & affective disorders, hospitalized psychiatric patients, implications for adherence to DSM-III criteria in diagnosis, 31704
recognition of depression & anxiety & neurasthenic & hypochondriacal & somatic symptoms, medical physicians, 20179
recommendations for improving TAT instructions & administrative procedures, usefulness in clinical practice, 10067
record of prehearing psychiatric examinations not required for civil commitment process, case law, 3855
referral pattern & diagnostic labels, integration of family therapist into medical practice, family therapist vs family physicians, 12703
relevance & effectiveness of Newcastle Rating Scales, measurement of depression, conference presentation, 2944
reliability & validity of Children's Depression Inventory, normal 7–13.3 yr olds vs 7.1–16.3 yr old psychiatric inpatients, 13596
reliability & validity of MMPI translated into Puerto Rican Spanish, 15–18 yr old high school students vs students returning from US vs clients at mental health centers, Puerto Rico, 19049
reliability of DSM-III vs Diagnostic Interview for Borderline Patients criteria, diagnosis of borderline personality disorder, 18–45 yr old outpatients, 1386
reliability of inter- & intrajudge scoring on axis V of Multi-axial Classification Scheme for Psychiatric Disorders in Childhood & Adolescence, 5689
reliability of life event information, psychodiagnosis, 13–76 yr old psychiatric patients vs close relatives, India, 25588
reliability of psychiatric diagnoses in Israel Psychiatric Case Register, implications for diagnosis of affective disorders, 6777
reliability of self report Personality Diagnostic Questionnaire vs DSM III-oriented clinical interview vs Diagnostic Interview for Borderline Patients, assessment of borderline personality disorders, 18–45 yr old outpatients, 2910
response patterns & diagnostic signs from Rorschach test, schizophrenic vs nonschizophrenic psychiatric Ss, 12192
review of reliability of depression diagnoses since A. T. Beck's reliability studies, conference presentation, 2874
revision of predictive concepts related to diagnosis of homosexuality with Rorschach Test, 17586
right to attorney during psychiatric examination, mother in parental rights case, case law, 3859
right to presence of attorneys for diagnostic mental health study ordered for delivery hearing, juvenile male, case law, 14373
role of psychological factors & interpersonal communications, initiation & maintenance of chronic pain syndromes, implications for treatment, 31270
Rorschach test analysis, brain damage, 45 yr old male, 23056
RT & agreement & level of experience, diagnosis of personality disorders in DSM-III using prototype model, psychiatrists vs clinical psychologists, 30906
schizophrenia as misdiagnosis, 13–69 yr olds with delusional or bizarre thinking, 9610
scoring of Millon Clinical Multiaxial Inventory, response to comments by S. E. Greer, 24272
screening procedures & discriminating criteria for identification of severely mentally disabled, 18–65 yr old psychiatric patients, 22712
selective referral vs routine screening in clinical EEG assessment, psychiatric patients, conference presentation, 12212
self-report depression scales vs clinician DSM III diagnoses of major depressive disorder, 21–77 yr old chronic pain patients, 1346
sensitivity of MMPI Scale 8, identification of schizophrenia, schizophrenia vs schizophrenic-spectrum patients, 216
signature size, psychodiagnosis, patients with schizophrenia vs depression vs manic depression vs organic mental disorders, 17435
single vs dual administration of Beck Depression Inventory, screening for depression, college students, 29674
social atoms, examination of drawings, 25–60 yr olds with chronic psychosis vs judged not guilty by reason of insanity, 2867
Social Introversion scale of MMPI vs Social Interaction Self Statement Test, prediction of shyness at intake, 18–49 yr old mental health center clients, 14707

Spanish translation of Whitaker Index of Schizophrenic Thinking Form A, psychodiagnosis, 18–65 yr old acute & chronic schizophrenics vs depressives, Puerto Rico, 17534
staging & psychodrama & role playing, diagnosis of defense mechanisms, college students with anxiety problems, 7224
standardized assessment procedures, psychiatric disorders, 19029
storytelling, psychiatric assessment, children, 31319
sudden violent death in family, evaluation of psychopathology in survivor requesting compensation, psychiatrists giving testimony, 30976
symbolic interactionist basis for identification of insanity, 22767
symbolism in choice of clothing attire, psychodiagnosis & treatment, mentally ill, 4228
temporal variables, evaluation of psychopathology, 12186
training course, diagnosis of psychopathology from paintings, graduate students, conference presentation, 15626
training in & use of mental status examination, psychiatry residents, Canada, 21214
training program for conducting psychological evaluation of convicted offenders, probation officers, 2262
types & analysis of psychological tests for clinical assessment of chronic pain, 29726
underdiagnosis of cognitive impairment, 17–86 yr olds hospitalized in rehabilitation hospital with physical disorders, 12837
use & usefulness of Bayes's theorem for modifying number of symptoms needed for diagnosis, 22647
use of adaptive behavior intelligence measures in diagnostic practices within vocational rehabilitation, clients with primary disability of mental retardation, 28964
use of associative procedure in initial assessment for psychoanalysis, 7267
use of computers in Present State Examination, classification & diagnosis of depressive disorders, conference presentation, 4128
use of Rorschach test in brief clinical evaluation, 13568
usefulness of diagnosis in day-to-day practice, child psychiatrists, 23143
usefulness of Multi-Axial Classification System of Affective Disorders, identification & differentiation of depression, conference presentation, 4227
usefulness of organic integrity test, diagnosis of dementia, depressed vs demented vs normal 66–86 yr olds, 146
usefulness of Stimulus Recognition Test for dementia, assessment of depression, geriatric patients, 24212
utility of L. R. Goldberg's Neurotic Psychotic rule, prediction of schizophrenic vs nonschizophrenic diagnosis, male psychiatric patients with 2-7-8 MMPI profiles, 193
validation of concept of borderline schizophrenia, 12173
validation of scoring system of Weigl Colour-Form Sorting Test, neurological diagnosis, 20–94 yr olds with depression or dementia, 5623
validity & clinical utility of Present State Examination, assessment, neurotic inpatients in behavioral treatment, 16370
validity & reliability of Newcastle Endogenous Depression Diagnostic Index, depressed patients, 2888
validity & reliability of Rotter's Sentence Completion Test, clinical application of Norwegian translation as diagnostic projective instrument, psychiatric patients, literature review, Denmark, 24312
validity & usefulness of borderline diagnostic criteria, 25607
validity of Levine-Pilowsky Depression Questionnaire, assessment of major depressive disorder, psychiatric inpatients, 130
validity of Rule 1 of L. R. Goldberg's MMPI sequential diagnostic system, assessment of psychiatric status, epileptic patients with inpatient vs outpatient psychiatric treatment & chronic vs intermittent vs no emotional problems, 4447
validity of self report measures of anxiety, identification of learning disabilities & emotional handicaps, Anglo American vs Mexican American vs Black 1st–3rd graders, 23877
WAIS & Wechsler Memory Scale & signal detection task & EEG analysis, assessment of cerebral functioning, outpatients suspected of having Alzheimer's disease, 12379
word-ordering tasks, differential identification, aphasics vs schizophrenics, 17410

Psychodiagnostic Interview

age of interviewee, reliability of NIMH Diagnosis Interview Schedule, disturbed 6–18 yr olds & their parents, 16316
approach for teaching, psychiatric interviewing, medical students & physicians, 5069
assessment interview, families of patients using psychiatric emergency services, 18318
assessment of sexual functioning, alcoholics, treatment implications, 23594
biopsychosocial integrative interview in psychotherapy, psychosomatic disorders, 38 yr old female & 20 yr old male, 17926
biostatistic approach & addition of measure of anger to Videotaped Structured Interview, assessment of Type A behavior, criticism of M. Friedman & L. H. Powell's paper, 1745
complaints at initial interview, type of therapeutic strategy, therapists in psychiatric setting, 28549
content analysis of family treatment approaches, expert counselors, 17991
counselor-initiated humor, perceptions of attraction to counselors, 31–66 yr old clients & 29–57 yr old counselors, 15157
counselor's self disclosure, client's impression of counselor's empathy & competence & trustworthiness, college students, 25988
development of Nelson-Malony Religious Status Interview, assessment of religious maturity, 27027
development of Summary Format of Family Functioning, assessment of family interaction & functioning, 28673
diagnosis & quantitative assessment of Type A behavior & coronary heart disease, questions regarding standardization of Videotaped Structured Interview, criticism of M. Friedman & L. H. Powell's paper, 1703
diagnostic interview outline, agoraphobia, 14671
experimental design & lay interviewer, reliability of Diagnostic Interview Schedule for assessment of lifetime history of psychiatric symptoms, schizophrenics, reply to criticism of M. Karno et al, 185
German version of diagnostic interview schedule vs International Classification of Diseases, diagnostic assessment, 25–65 yr old former psychiatric patients & adults in general population, West Germany, 31123
hypothesis testing & questioning strategies, counselors, 21051
interview in hospital, assessment of deliberate self harm, patients, 2137
interview procedure using amobarbital sodium, differential diagnosis for catatonia, 48 yr old Black male with late onset psychosis with cultural features, 1451
interviewing micro strategies, behavior vs client-centered vs Gestalt therapists, 15070
lay diagnostic interview schedule vs DSM-III diagnosis by psychiatrists, mental disorder prevalence rates, adults, 30899
lay examinations vs psychiatrists' evaluations using diagnostic interviewer schedule, diagnosis of mental disorders, adults, 30937
life event interview, 18–56 yr olds who attempted suicide, 25655
moods, perceptions of professional's empathy & acceptance & regard & genuineness in interview, male psychiatric patients, 25979
need for redefinition of structured interview & further study of Type A behavior & heart disorders, Videotaped Structured Interview for assessment of Type A behavior, criticism of M. Friedman & L. H. Powell's paper, 1689
need for refinement of rating scale & statistical analysis & culture-bound scoring technique, Videotaped Structured Interview for assessment of Type A behavior, comments on M. Friedman & L. H. Powell's paper, 1728
need for study of development of cardiovascular disorders & stress reduction for recovering patients, Videotaped Structured Interview for assessment of Type A behavior, commentary on M. Friedman & L. H. Powell's paper, 1678
need for testing for human connectedness & self protectiveness in psychiatric interview, 4178
origins & objectives of standardized research method for clinical interview, assessment of interactions, families, 15213
predictive value of psychological tests & geriatric scales & interviews, eventual referral advice to nursing home, geriatric patients, 16312
presentation of complaints & expectations during initial interview, psychiatric outpatients, 28550
principles & guidelines for brief focal family therapy, 7309
process of assessment in psychotherapy, 15 & 20 yr old females, 7287

psychiatric diagnostic interview for acute mental illness, 30953
psychiatric evaluation as part of workers' compensation case & degree of assigned psychiatric disability, case settled for lump sum payment, patients with settled claims, followup study, 28589
psychotherapeutic interview technique as basic device of clinical method, 4546
quality of counselors' written intake evaluations following interview, 17–36 yr old college students with vocational &/vs personal problems, 31867
questions regarding reliability & validity of Videotaped Structured Interview, assessment of Type A behavior, criticism of M. Friedman & L. H. Powell's paper, 1746
reliability & validity of Gunderson's Diagnostic Interview for Borderlines, retrospective diagnosis from hospital records, clinical psychologists & students, 14623
reliability & validity of Standard Psychiatric Interview, indication of psychiatric disorders, patients over age 65 yrs, 16303
reliability & validity of Structured Interview for DSM-III Personality Disorders, 18–77 yr olds, 29772
reliability of Diagnostic Interview for Borderline Patients, 13–18 yr old hospitalized psychiatric Ss, 26337
reliability of DSM-III vs Diagnostic Interview for Borderline Patients criteria, diagnosis of borderline personality disorder, 18–45 yr old outpatients, 1386
reliability of family structure categories, classification in structural family therapy, clinicians, 8425
reliability of self report Personality Diagnostic Questionnaire vs DSM III-oriented clinical interview vs Diagnostic Interview for Borderline Patients, assessment of borderline personality disorders, 18–45 yr old outpatients, 2910
research design, reliability of Diagnostic Interview Schedule for assessment of lifetime history of psychiatric symptoms, schizophrenics, criticism of A. E. Pulver & W. T. Carpenter's study, 160
role of psychiatric interview in psychoanalysis, 26050
short term psychiatric assessment by occupational therapist, psychiatric patients, 17857
social exchange at initial interview, enhancement of client engagement in family therapy, college students, 17976
stimulus background & judge's personality & institutional norms & objectives of interview, clinical judgment & person perception in clinical interview, literature review, 26405
structured format for 1st treatment interview, families with dysfunctional children, 23194
structured interview formats, assessment of psychopathology, children, implications for use by school psychologists, literature review, 15956
subjective descriptions vs objective measurement, qualitative assessment of hand movements during psychiatric interview at admission vs discharge, lay judges, 25603
test-retest reliability of Schedule for Affective Disorders & Schizophrenia for School-age children, 6.4–17.8 yr olds, 29740
use of microphones & 1-way receivers & screens, improvement & efficiency of interviewing techniques, psychiatric residents, 21216
use of propositions from psychodiagnostic interviews, assessment of conceptual knowledge, science students, 29412
usefulness of Schedule for Affective Disorders & Schizophrenia diagnostic interview, evaluation of criminal responsibility in forensic clinic, 14413
uses & reliability & validity of Psychiatric Diagnostic Interview, 19106
Videotaped Structured Interview, assessment of Type A behavior, comments on M. Friedman & L. H. Powell's paper, 1743
Videotaped Structured Interview, assessment of Type A behavior, postinfarction patients, 1670

Psychodiagnostic Typologies

application of criteria for hysterical psychosis, psychiatric inpatients, 17471
application of DSM-III criteria, new & repeat outpatients, Botswana, 17439
application of DSM III, diagnosis of depression, Ivory Coast, 22745
Association for Methodology and Documentation in Psychiatry system & final syndrome scales, discrimination of depressive syndromes, conference presentation, 2937
attitudes toward & use of borderline personality diagnosis, hospital consulting psychiatrists, 6864
background & rationale & practical implications of diagnostic criteria in psychiatry, 20192
behavior pattern profiles, psychiatrically referred & developmentally disabled 3–12 yr olds, 28133
behavior ratings & psychometric profiles, 7–12 yr old males with attention deficit disorders vs developmental reading disorders, 32165
changes in classification of depressive disorders, implications for International Classification of Disease-10, conference presentation, 4242
characteristics of somatoform & conversion & psychogenic pain disorders & hypochondriasis, literature review, 6786
classification & characteristics of forms of schizophrenia, USSR, 30966
classification & concepts & prospects, organic brain syndromes as defined in DSM-III, 17771
classification & diagnoses in practice of psychiatry, geriatric patients, 20194
classification & nosology in making psychiatric diagnosis, 20212
classification of depressive disorders with Linnaean binomial nomenclature model, 14760
classification of homosexuality & sexual disorders in DSM III, 22658
classification of neuroses, 14756
classification problems in infant psychiatry in relation to its characteristics & new proposals of nosology, 20182
classification system based on etiology & IQ, definition & labeling of mental retardation, 9870
classifications of mental disorders in psychiatry, children & adolescents, 20315
clinical & pharmacological problems in classification of responders & nonresponders to neuroleptics, schizophrenics, literature review, 26152
clinical analysis of delusional vs nondelusional unipolar depression, 22665
clinical diagnosis vs Research Diagnostic Criteria, 16–87 yr old psychiatric patients hospitalized during 1960–81, Switzerland, 12182
clinical features of identity diffusion, implications for differential diagnosis & prognosis & treatment, 9600
clinical vs teacher ratings of behavior problems & independent dimensionality of attention deficit disorder & conduct disorder, children with conduct or attention deficit or anxiety disorder, 25503
cluster analysis & MMPI, identification of heterogeneous diagnostic groups, 20–30 yr old psychiatric inpatients, 16389
computerized diagnostic system, comparison of alternate classification systems of depression, 18970
concept of cycloid psychosis & bouffee delirante vs schizoaffective psychosis, Europe vs US, 20302
conceptual development of K. Leonhard's classification of chronic schizophrenia, 22666
conclusions & recommendations of project examining current status of diagnosis & classification in psychiatry, 20196
concordance among DSM-III & Research Diagnostic Criteria & criteria by J. Feighner et al, diagnosis of alcoholism, 19–61 yr old blue collar workers, 25646
construct validity & personality disorders associated with DSM-III Axis I diagnoses & relationship with DSM-III Axis II, medical patients, 14695
continuous word associations, schizophrenics diagnosed according to DSM-II vs Research Diagnostic Criteria, verification of L. J. Chapman & J. P. Chapman's response bias theory, 6855
contributions of epidemiological research to classification of mental disorders, 9677
cross cultural differences, determination & categorization & psychodiagnosis of mental disorder, mental health professionals from 10 countries, 9615
cross cultural difficulties in consensus of diagnosis & classification in psychiatry, third world countries, 20211
definitions of schizophrenia, response to comments by J. S. Strauss & W. T. Carpenter, 17548
development of diagnostic related groups using DSM-III, 6–14.9 yr old inpatients & outpatients, 30893
development of MMPI scales, measurement of DSM-III dimensions of personality disorder, psychiatric patients, 27031

development of Standardized Assessment of Depression Disorders & relationship to International Classification of Diseases-9, conference presentation, 4169
development of typology of chronic physical or life threatening illness, implications for research & assessment & treatment, 23026
dexamethasone suppression test & DSM-III criteria, differentiation of depression from chronic pain, 18–69 yr old chronic low back pain patients, 12104
dexamethasone suppression test & DSM-III Axis I diagnosis, inpatients with borderline personality disorder, 6736
diagnoses according to DSM-III criteria, Vietnam veteran inpatients, Australia, 22779
diagnosis based on DSM-I & II & EEG recordings, schizophrenic adults, 6859
diagnostic classification, early childhood depression, 9675
diagnostic classification schemes in psychiatry, implications for DSM-IV, 1414
diagnostic classification systems in psychiatric epidemiology, 20180
diagnostic criteria & validity of DSM-III, depression, children, 6753
diagnostic criteria, anorexia nervosa, 28429
diagnostic issues of DSM-III criteria for panic disorder, conference presentation, 20349
diagnostic issues, treatment of rumination disorder, infants, 31184
dispute during preparation of DSM-III regarding elimination of psychodynamic perspective & "neurosis" as diagnostic class, 14627
distinction between bulimia with vs without anorexia nervosa according to DSM-III, anorexic vs normal-weight bulimic females, 22960
DSM-II vs DSM-III as broad & narrow concepts, prediction of prognosis & outcome, schizophrenic patients, 2-yr followup, 26004
DSM-III approach to organic mental disorders, 7079
DSM-III classification of mood disturbance & relationship to other classificatory systems, conference presentation, 4254
DSM-III diagnosis vs Beck Depression Inventory diagnosis of depression, Ss with mean age of 37.9 yrs, 4223
DSM-III diagnostic axes, hospital admission decisions, 10479
DSM-III exclusion criteria, implications for possibility of nonorganic psychiatric disorders causing other nonorganic disorders, 9625
DSM-III method, diagnosis of psychiatric disorders, 9740
DSM-III vs classification system developed at Centre Alfred-Binet, psychodiagnosis, 5–14 yr olds, 4103
DSM III vs criteria developed by O. F. Kernberg, diagnosis of borderline personality disorder, patients with diagnosis of borderline personality vs schizophrenia, 22711
early & current clinical classification schemes & meta-analysis of factor & cluster analytic studies in child psychopathology, patterns of antisocial behavior, implications for diagnosis & treatment, 25648
empirically derived typology of disturbed behavior patterns & development of scale to quantify behavior disturbance, mentally retarded 16–45 yr olds, 29753
evolution & use of DSM-III category borderline personality disorder vs psychoanalytic concept borderline personality organization, 28241
evolution of classification of mental illnesses in psychiatry, 20223
evolution of concept of schizoaffective psychosis, US, 1436
factor analysis & cross cultural differences, symptomatology, depressed 21–65 yr old outpatients, Turkey, 9616
factor analysis & validity of Beth Israel Alexithymic & Psychosomatic Questionnaire, psychiatric outpatients, 11144
family history & disease onset & symptoms, patients with puerperal psychosis vs schizophreniform variant of manic depression, longitudinal study, 4179
French version of DSM-III, 20171
genetic studies, medical & psychiatric diagnoses & classification of mental disorders & etiological concepts & therapeutic approaches, 20312
German version of diagnostic interview schedule vs International Classification of Diseases, diagnostic assessment, 25–65 yr old former psychiatric patients & adults in general population, West Germany, 31123
glycopyrrolate or arecoline, peripheral alpha-adrenergic sensitivity, patients with primary major depression vs primary anxiety disorder with no depression, conference presentation, 25596
guidelines for use of Forms S & D of Lists of Integrated Criteria for Evaluation of Taxonomies, nonaffective psychoses & depressive syndromes, 22762
history of concepts of schizophrenia & affective psychosis, 28160
identification of subtypes of tardive dyskinesis, 18156
importance of classification systems in psychiatry, 12179
importance of symptoms in drafting medical & psychiatric nosology, 20183
insufficient attention developmental issues, DSM III classification of serious psychopathology, children, 17567
integration of DSM-III classification & idiographic behavioral assessment, childhood disorders, 12112
introduction of DSM-III, diagnosis of schizophrenia, psychiatrists, 22737
issues in classification of borderline personality disorder, 20234
labeling & classification & sex role stereotyping, anorexia nervosa & bulimia, 10004
late paraphrenia as schizophrenia, 64–84 yr old patients, implications for DSM-III & other diagnostic criteria, 25541
life histories, situational vs nonsituational depression, patients, 12157
life threatening & self destructive behavior & suicide, classification & systematization concepts of C. J. Frederick, 12277
limitations in diagnosis of depression using DSM-III & Research Diagnostic Criteria & criteria of J. P. Feighner, 14649
MAO inhibitors, anxiety & phobic disorders, implications for DSM-III classification, literature review, 15322
meaning of diagnostic label "hysteria", 11 yr old male & 26 yr old female, 1445
minimal brain dysfuction & hyperkinesis as uncertain diagnostic categories, 7032
MMPI codetypes & DSM-III diagnoses, schizophrenic & depressive & bipolar patients, 24309
moral reasoning as primary determinant in diagnosis of homosexuality & sexual disorders, 22654
multidimensional scaling & cluster analysis, classification based on similar symptoms, psychiatric patients, conference presentation, 1353
Munchausen's vs Asuero's syndrome, psychodiagnosis, 14656
narcissistic personality, DSM-III criteria & views of H. Kohut & O. Kernberg, 20271
need for integration of psychological research with psychiatric approach, revision of personality disorder axis of DSM-III, 31006
neurobehavioral approach to classification using competency model, right-handed adult psychiatric patients, 20203
new field of classification of knowledge & psychiatry, 20184
operational definitions of schizophrenia & nonaffective psychoses, France, 25582
origin & evolution & critique of DSM-III multiaxial system, 14617
overlap between diagnostic categories of borderline personality & affective disturbances, 17477
periods of active addiction vs nonaddiction, criminal activity, male narcotic addicts, 12278
pharmacological & psychopathological approach, neurotic vs psychotic anxiety, 9603
phenomenology & characteristics & etiology of agoraphobia, 6768
potential role of functional biochemical disturbances in functional psychoses, implications for distinction between organic vs functional psychoses, 6762
practicum supervision, identification of common errors in application of DSM-III, psychiatry residents & psychology interns, training implications, 2304
prevalence estimates using DSM-III, criteria vs validity of Personality Inventory for Children & Children's Depression Inventory, diagnosis of depression, 8–12 yr olds, 16340
problem in classification & diagnosis & treatment, language disordered children, 22911
problems in diagnosis & diversity of causal models & drug treatment, anxiety & panic & phobic disorders, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 1469

process-reactive measurement, prediction of symptomatic improvement, 18–55 yr old DSM-III diagnosed schizophrenics, 25517
professional language & difficulty in applying DSM-III criteria, schizoaffective syndromes, literature review, 30984
proposed diagnostic class "psychotic trigger reaction", White males, 12195
psychiatric & psychosocial & abuse-pattern classifications, drug addicts, 14776
psychodiagnostic systems, schizophrenia & other psychotic syndromes, 20366
psychoneuroendocrine distinction between subtypes of borderline states, dysphoric borderline 17–45 yr old inpatients, 14743
purpose of system of classification & psychoanalysis, 20209
ratings of global psychiatric impairment & DSM III-axis II diagnosis, maturity of ego defense mechanisms, urban males with vs without personality disorder, conference presentation, 31004
reconceptualization of hyperkinetic disorder, review of research on attention deficit disorder as diagnostic entity, 14963
reliability & validity & suggested revisions of multiaxial system of DSM-III, 14616
reliability & validity of DSM-III criteria & Schedule for Schizotypal Personalities, diagnosis of schizotypical personality disorder, 9698
reliability & validity of Structured Interview for DSM-III Personality Disorders, 18–77 yr olds, 29772
reliability of DSM-III criteria, criticism of J. L. Lopes's article, 25563
reliability of inter- & intrajudge scoring on axis V of Multi-axial Classification Scheme for Psychiatric Disorders in Childhood & Adolescence, 5689
reliability of psychiatric diagnoses in Israel Psychiatric Case Register, implications for diagnosis of affective disorders, 6777
retrospective identification & stability of subtypes, 2nd grade disabled readers previously assessed in kindergarten, 13201
rigidity of typologies of personality structures & symptoms in psychiatry, 23117
RT & agreement & level of experience, diagnosis of personality disorders in DSM-III using prototype model, psychiatrists vs clinical psychologists, 30906
school behavior & performance & personality traits, 2nd–5th graders with attention deficit disorder with vs without hyperactivity, 9963
sex patterns in DSM-III, comments on work by M. Kaplan, 25576
sexist biases in DSM-III, comments on article by M. Kaplan, 25605
specific & taxonomic differences, patients with psychoneurosis vs psychovegetative disorders, 7044
steps for drafting new psychiatric classification based on biology & principles of taxonomy, 20172
subcategories of borderline personality disorder & comparison with schizophrenic & affective disorders, 6731
subtypes of borderline pathology, 4263
symptoms & classification of Ganser's syndrome as dissociative disorder, 25 yr old female & 39 yr old male, 6750
symptoms & syndrome categories & review & comparison of previous writings, organic brain syndrome, 31177
taxonomic aspects of clinical character, neurotic patients, conference presentation, 28186
taxonomic subgroups within psychosomatic disease entities, conference presentation, 28567
transition from depression to dexpression & expression of emotions, 4168
treatment outcome & family history & mortality rate, patients with chart diagnosis of hysteria, 9634
use & usefulness of Bayes's theorem for modifying number of symptoms needed for diagnosis, 22647
use of computers in Present State Examination, classification & diagnosis of depressive disorders, conference presentation, 4128
use of descriptive criteria in DSM-III, classification of neurosis & personality disturbances, 17427
use of 4-point rating scale for DSM-III axis II categories, assessment of prevalence of personality disorders & their interrelationships, outpatients, 22723
usefulness of diagnosis in day-to-day practice, child psychiatrists, 23143
usefulness of Multi-Axial Classification System of Affective Disorders, identification & differentiation of depression, conference presentation, 4227
utility of MMPI to distinguish subtypes, 12–17 yr old delinquents, 14803
utilization of DSM-III in psychiatric residency training, surveyed program directors, 29094
validation of concept of borderline schizophrenia, 12173
validity of axis II of DSM-III, diagnosis of personality disorders, adult males, 33-yr longitudinal study, 22693
validity of diagnosis of major depression by DSM III, 10–19 yr olds of parents with affective disorders, 28161
validity of DSM-III & demographic & gender role & behavioral disturbances, preadolescent gender-referred children who did vs did not meet criteria for gender identity disorder, 4274
validity of positive & negative subtypes, 18–34 yr old acute schizophrenics, 4198
validity of Research Diagnostic Criteria vs DSM-III typologies for melancholia & endogenous depression, reply to comments by M. Zimmerman & W. Coryell, 30954
validity of Research Diagnostic Criteria vs DSM-III typologies for melancholia & endogenous depression, comments on findings by J. F. Leckman et al, 31010
validity of revised Jesness Inventory I-Level Classification System, delinquents, 10-yr followup, 13562

Psychodrama

conceptual & methodological issues of research, drama therapy, 4569
conceptualizations of psychodrama, 31342
containment & boundaries in psychodrama, outpatient 12–15 yr olds, 31424
creative drama as therapy & recreation, autistic adolescents, 20827
development of cathartic techniques of psychodrama & sociodrama originated by J. L. Moreno, conference presentation, 17974
drama & theater techniques, treatment & basic educational skills, prison inmates & ex-offenders, 12841
drama therapy, 10–13 yr old males with emotional problems, 23195
family life laboratory drama therapy course offered by sociology department, college students, 29198
group drama therapy, insight & transference phenomena, 64–96 yr old nursing home residents, 31427
movement & drama therapy, representation of internal world, 18 yr old male catatonic schizophrenic, 15056
Myers-Briggs Type Indicator scores, applicants to psychodrama training program, 18416
practice of & training in drama therapy, 29057
psychoanalytic psychodrama technique, psychotic patients, 17977
psychodrama & role playing, correctional institution residents, 2194
psychodrama, borderline personality, 12562
psychodrama group, depression & anger & abandonment & fear from grief for unresolved losses, elderly psychiatric patients in nursing home, 17979
psychodrama vs drama therapy & goals & functions of National Association for Drama Therapy, 28557
psychodramatic game workshops, psychotic & autistic 2–10 yr olds in day hospital, 7642
puppets & dolls & objects & masks & make-up as projective techniques, psychotherapy, 28562
staging & psychodrama & role playing, diagnosis of defense mechanisms, college students with anxiety problems, 7224
structured fantasy & drama in Clown Club, expression & resolution of conflict & interpersonal relationships, 8–10 yr old girls, 31438
theology of psychodrama based on writings of J. L. Moreno, 4625
Transformation Theater model & drama-imagery processes as socialization & intervention, children & adults & juvenile delinquents, literature review, 28542
use of psychodramatic theory & technique, psychodrama skill development, Master's level student therapists, 12926

Psychodynamics

acultural dimensions of chronic pain, pain patients in their late 30's, 14940
art therapy, expression of regression & intrapsychic reactions to disease, 58 yr old female patient with Alzheimer's disease, 10100
attribution of human behavior to internal vs external causes, 22604

behavioral & psychological & historical correlates of MacAndrew Scale Scores, 20–77 yr old male alcoholic veterans, 6937
beliefs & habits & identity & avoidance behavior & personal constructs, 16–34 yr old females with eating disorders, 20586
biodynamic & psychodynamic approaches, anxiety, 9612
biological & social & psychodynamic factors, etiology of anorexia nervosa, female patients, 4430
brief psychotherapy, psychological tasks of pregnancy, expectant mothers, 7255
cancer survival, psychiatric symptomatology & adjustment problems, former childhood cancer patients with mean age of 18 yrs, 7102
cancer survival, psychiatric symptomology & adjustment problems, former childhood cancer patients, 28479
chosen format & composition of typewritten manuscripts, identification of author of psychological research, 29665
Christian origins of aggression against pedophiles, 14769
clinical & psychodynamic view of pain in feminine sexuality, 7139
cognitive & psychosocial & intrapsychic processes accompanying psychological regression, patients in intensive care units, implications for staff intervention, 28913
concept of time & unconscious defense mechanisms, psychological status, elderly, 1015
conceptualization of psychosocial pregnancy research based on model of stress, 18181
consultation-liaison psychiatry & psychosomatic aspects, plastic surgery, 12706
continuous ambulatory peritoneal dialysis, psychological reactions, 34–79 yr old males with end-stage renal disease, 4848
contrasting experiences & psychodynamics, shame & guilt, 18–65 yr olds, 12077
crisis period in training programs due to separation individuation issues, psychotherapy trainees, 26446
cultural influences & patriarchical society, mother-daughter relationship, 11921
deanimated transitional phenomena, paranoid 29 yr old male & female, 9726
demographic characteristics & marital & family relations & illness behavior & complications & self esteem & locus of control & life satisfaction, depression, adult chronic insulin-dependent diabetics, 20612
depression, female patients who experienced miscarriage or induced abortion, Chile, 4839
detailed accounts of psychodynamics of child abuse cases in 2 preromantic novels, 22263
disasters & personal traumatic events, psychological mechanisms & manifestations, survivors of trauma, implications for diagnosis & treatment, 28622
disasters induced by human errors of omission vs commission, emotional phases & psychological manifestations & social processes, victims, 28162
discontinuous vs continuous behavioral development, children, 981
dispute during preparation of DSM-III regarding elimination of psychodynamic perspective & "neurosis" as diagnostic class, 14627
disruptive anxiety & annihilation fears, schizophrenia, 12216
drug therapy & crisis intervention & support activities & dance & relaxation therapy & plastic surgery, adjustment to mastectomy, female patients, 2053
dynamic calculus theory of R. B. Cattell, classroom motivation, students, 2460
dynamics of suicide, implications for counseling, 26301
effects of new baby & concept of "psychic skin", mother & her 20 mo old firstborn son, 6351
emotional & psychosocial factors, doctor-patient relationship & treatment outcome, infertile couples, 7579
environmental & lighting design based on psychodynamics of color, disciplinary problems, elementary school students, longitudinal study, 13124
excuses & reasons & justifications, convicted rapists, 9805
experience of aloneness, psychiatric patients & staff members, 12083
factors related to improvement, children with diagnosis of elective mutism, 8–18-yr followup, 6874
failure in human growth hormone replacement therapy, psychological responses, 6–20 yr olds with hypopituitary-growth-hormone deficiency, 7474
familial & sociocultural factors, kwashiorkor syndrome, children, Africa, 17784
family relations & blocked individuation, families with psychosomatic disordered & schizophrenic adolescents, 4115
family system dynamics & script decisions & self parenting styles, eating disorders, 20611
health beliefs & psychological variables, male diabetic patients, 20519
hearing problems, mental states & depression & anxiety & disability, elderly patients aged 70 yrs & older, 4460
historical & religious & cultural perspectives & psychodynamics, circumcision, Jewish vs North African males, 1032
history of medical & psychogenic explanations & treatment of ulcerative colitis, 7098
illustrated structure, criminal victimization, 12242
impasse theory of R. I. & M. M. Goulding, depression & anxiety about eating & weight loss, 20514
incestuous relationship with father, long range psychosocial impact & self devaluation & heterosexual aversiveness, 15–23 yr old females, 6938
individual responsibility, world population problems, conference presentation, 17105
informed consent & cognitive distortions in sex between children & adults, pedophiles, literature review, 14386
intergenerational psychodynamics, aging & extended families, implications for therapeutic interventions, 12538
intrapsychic internal conflicts in struggle to achieve sex role identity, children, comments on article by L. Furby, 17014
issues in psychological care, children undergoing cancer treatment, 7521
lack of knowledge concerning psychological factors of criminal behavior, 31046
latent theology & role of religion within individual psychic structure, implications for psychotherapy, 28602
mass screening for cervical cancer, psychological side-effects, 35–54 yr old females with positive vs negative smear, 2059
menstrual cycle & premenstrual syndrome, mood changes, females, 6032
menstrual cycle, sexual behavior & psychological & physical well-being, 22–42 yr old females, prospective longitudinal study, 6026
motivations & profile of sperm donors & incidence of artificial insemination, France, 1973–78, 2047
mythology & ego psychology in groups, 14487
nature & psychological impact & therapeutic elements, religious experiences of testimony & Holy Ghost possession & dancing & speaking in tongues as functional community mental health resources, 18–67 yr old Black church members, 6443
nature of self & psychological basis for mirror self, 9541
needs & personality traits within family, child abuse, parents & their children, 9823
neurotic structure of depressive syndrome, 6733
normal psychology of aging, White elderly males, criticism of R. J. Nathan's article, 865
object loss & loneliness & hopelessness & helplessness, suicide & adolescence, 4352
organ transplantation, psychological aftereffects, 31572
organismic vs psychological approaches to etiology of infantile autism & early childhood psychoses, conference presentation, 6805
personal & cultural & social acknowledgement of sexual freedom & acceptance of oral contraceptives, females, 1175
personal construct theory, conceptualization of grief & mourning processes, widows, 6700
personal myth as bridging particulate & transcendent realms of existence, 1314
personality & psychosocial & biological correlates, menstrual cycle, female college students, 13824
phenomenological analysis, morbidly obese Ss scheduled to undergo elective intestinal bypass surgery, 15384
physiological & psychological & neurochemical & behavioral correlates of cocaine abuse, 12268
potential psychological effects of abortion, human females, 20989

problems correlated with Beck Depression Inventory scores, male vs female college students, 17549
progression of disease as exemplified in creative literary output, paranoid schizophrenic 48 yr old inpatient, 9733
psychiatric profiles, 24–42 yr old males with acquired immune deficiency syndrome, 14918
psychic factors & long term psychosocial adaptation, colostomy & ileostomy patients, 7545
psychoanalytic & behavioral interpretations of Stockholm Syndrome, hostages, 22649
psychoanalytic interpretation & psychodynamics & psychobiographical aspects, personal bankruptcy, 45 yr old male & 34 yr old female, 3917
psychoanalytic interpretation of origins & dynamics of human time perception, 13445
psychodynamic & behavioral techniques, dysfunctional anxiety of studying & fear of criticism discomfort in groups, married graduate student in mid-30's, 12422
psychodynamic & family issues in post-divorce child custody litigation, 25337
psychodynamic & therapeutic aspects, mixed marriages, 23240
psychodynamic & therapeutic aspects of family therapy, 23215
psychodynamic approach, psychiatric life event research, 4244
psychodynamic approach to psychotherapeutic processes of meditation & altered states of consciousness, 15198
psychodynamic aspects of wish for penile prosthesis, males with psychogenic impotence, implications for medical decision making, 15086
psychodynamic characteristics, 20–25 yr old females with anovulatory menstrual cycle vs psychogenic amenorrhea vs 20–35 yr olds with no menstrual symptoms, 7046
psychodynamic elements & lifestyles, 31 & 35 yr olds with multiple sclerosis, 31220
psychodynamic framework & underlying structural configuration, borderline personality, schizophrenics & borderline & character disordered patients, 12160
psychodynamic interpretation & analyis, Rorschach test, 29722
psychodynamic process of rejection, nonmainstreamed normal & mainstreamed special education students, 8066
psychodynamic theory & dynamic psychiatry, 2775
psychodynamic vs cognitive behavioral vs self help approaches to group therapy for bulimia, implications for membership & time frame & leadership & contract & content & goals, 28674
psychodynamics & behavioral correlates & mental & physical health, insomnia, 18–84 yr old patients, 9957
psychodynamics & bias of psychiatrists, plastic surgery, 12718
psychodynamics & client centered art therapy, mental anorexia, 33 yr old male, 23069
psychodynamics & coping behavior & attributions & victim's demographic characteristics, rape trauma syndrome, rape victims, literature review, 9782
psychodynamics & correlates of malingering, medical & psychiatric patients & medical students, 1569
psychodynamics & etiology of exhibitionism, males, 20410
psychodynamics & personality factors, prescription of behavioral therapy, 28718
psychodynamics & social development, award vs denial of disability compensation, neurotic patients, 1385
psychodynamics & treatment, Koro, 21 yr old male, India, 30945
psychodynamics, artificial insemination, 2048
psychodynamics, choice of radiation therapy as alternative to mastectomy, 25–74 yr old females with breast cancer, 12715
psychodynamics, female patients with anorexia nervosa vs weight-vs not-weight-preoccupied female college & ballet students with mean age of 21.9 yrs, 7051
psychodynamics, migraine headache, literature review, 22966
psychodynamics of alcohol use & associated illicit drug usage, 16–39 yr old drinkers, 1540
psychodynamics of hysterectomy & need for caring doctor-patient rapport, female patients, 2050
psychodynamics of illness & treatment & quality of life, children & adolescents with cancer & their families, literature review, 17757
psychodynamics of infertility, females, 1708
psychodynamics of occupational stress & dissatisfaction, 21637
psychodynamics, physical illness, 4537
psychodynamics, survivors of Nazi concentration camps, 3763
psychodynamics underlying psychopathology, 50 yr old male with obsessive fantasies about murdering his wife, 1437
psychological & behavioral characteristics, Ss with dream disturbances & good dream recall, 19296
psychological & demographic & perceptual influences & preexisting physical conditions, near death experiences, 12–76 yr olds, 26880
psychological & neuropsychological functioning, patients with chronic obstructive pulmonary disease, 22964
psychological & physical & economic & social change, male vs female Whites with average age of 72 yrs, 4-yr longitudinal study, 866
psychological & physiological aspects, fainting as stress response, 10020
psychological & psychiatric factors, dermatitis artefacta, females who previously attended skin clinic, 9772
psychological & social effects of youth unemployment, 3766
psychological adaptations during medical training, male vs female medical students vs house officers, 10611
psychological aspects of home vs hospital vs semi-assisted treatment, dialysis patients, 31595
psychological causes & effects & role of social sciences in prevention, racism, 1047
psychological correlates of weight control, 14–32 yr old female anorexic inpatients vs normal 15–19 yr old females, 1681
psychological factors, functional upper airway obstruction, 23–46 yr old females, 10009
psychological impact of human growth hormone replacement therapy, 6.6–20.9 yr olds with hypopituitary growth hormone deficiency, 28791
psychological implications of abortion, male partners, 20984
psychological predisposition in cocaine addiction, 12256
psychological profile, chronic pain patients, 14999
psychological reactions to cancer, oncology patients in psychotherapy, 14968
psychological risks in association with voluntary abortion, human females, 20983
psychological status, male heterosexuals vs transvestites vs pre- vs post-operative transsexuals, 25612
psychological theories of grief, literature review, 28110
psychological treatment in captive communities, 17841
psychology of followers in terrorist groups, conference presentation, 1499
psychosocial & environmental factors, survival under extreme conditions, prisoners of war during World War II, 3761
psychosocial & psychosexual & psychiatric characteristics, middle-aged vs younger White males seeking sexual reassignment, 7566
psychosocial assessment, 56 yr old female with chronic headache, 25913
psychosocial factors in childhood, prediction of adult outcome, hyperactive 17–24 yr olds, 10–12 yr followup, 9941
recent stresses & marital satisfaction & personality patterns, 45–73 yr olds with blepharospasm, 12343
relationship of victims & psychodynamics & characteristics, suicide pacts, 6907
restoration of normal body weight, luteinizing hormone releasing factor responses & adolescent conflict, 15–31 yr old females with anorexia nervosa, 1997
scholastic difficulties & remedial education, adolescents with severe behavior disorders, 23824
SES & depression & anxiety & loneliness & self esteem & social supports, well-being, adolescent mothers vs pregnant vs nonpregnant & nonparenting female adolescents, 6338
significant others' voluntary termination of pregnancy, psychopathological reactions & depression & attempted suicide, 18–22 yr old male military recruits from disadvantaged backgrounds, 1374
sleep research in psychotherapy, identification of emotional status after treatment, 7261
social support network, normalization of dexamethasone suppression test, 44 yr old depressed male, 9718
sociocultural & psychodynamic factors, acting-out & violence, adolescents, 4331
sociodemographic characteristics & methods & causes, "parasuicide", 14–70 yr old suicide attempters, Kenya, 6886
stages & characteristics of anaclitic depression, adults, 6746

stressful life experiences, patients with alopecia areata & common baldness & fungal infections, 1705
symptom formation & etiology & dynamics & analysis, transvestite male patient, followup study, 20746
system of "shoulds" as generating neurosis & self hate, 4186
tensions & demoralization & threat to integrity, professionals exposed to terminal or life-threatening illness, 5129
tracking movements of eyes & muscle activity & respiratory cycle & remembering & thinking during lucid dreams in REM sleep, 43 yr old male, 639
underlying conflicts & psychodynamics of murder, offenders acquitted by reason of insanity, 6895
unemployment, hostility & symptoms & conservatism & life satisfaction & authority within family & social contacts, unemployed workers with mean age of 39.7 yrs, 13266
unemployment, psychological & biochemical & economic impact, unemployed workers in program to reduce negative effects of unemployment, 2614
voluntary sterilization, psychological & sexual & marital consequences, criteria for selection of suitable candidates, 2039
Psychogenesis [See Also Childhood Play Development, Cognitive Development, Emotional Development, Intellectual Development, Language Development, Moral Development, Perceptual Development, Personality Development, Psychomotor Development, Psychosocial Development, Speech Development]
analysis of psychopathological & psychoethanological phenomena, implications for phylogenetic model of psychosis, 4134
aspects of internalization & separation-individuation in J. Joyce's "Portrait of the Artist as a Young Man", 3569
community space as aspect of psychic functioning, North Africa, 22439
consciousness & pre-reflection in infancy, development of self & autonomy, 9325
deterministic models vs consequence of similar choices based on common values as explanation of regularities in human behavior, Christian implications, 17376
evolutionary viewpoint in relation to interplay of genetic programming & maturational status & environmental influence, mental development, monozygotic vs dizygotic twin pairs, longitudinal study, 9250
interior speech & holographic thought & poetic process, personal growth, 1264
mutationist & Darwinian theories of evolution & Piaget's tertium quid, 5529
ontogeny & phylogeny & Piagetian theory, 5549
personality traits & informal contact with faculty & other factors as perceived influences on personal development during college, college students, 32111
pregnancy & prenatal care & physical & psychological development, adolescent females, literature review, 12713
psychological & Zen Buddhist perspectives on development of sense of self during psychotherapy, anorexic patient, 15115
role of family dynamics & individuation in borderline personality, 17466
sense of personal identity & early experience of security & knowledge of own background, confidence & security, adoptees & Ss who grew up in foster homes & were in early or mid-20s, 11839
Psychogenic Pain
alcoholism & depression among 1st degree relatives & clinical depression, females with idiopathic pelvic pain, 31206
characteristics of somatoform & conversion & psychogenic pain disorders & hypochondriasis, literature review, 6786
EMG activity & self report data in headache vs pain-free states, differentiation of muscle contraction headache vs psychogenic pain, 17–60 yr olds, 31166
injuries in work setting, treatment for resulting psychiatric problems, patients with posttraumatic stress disorder vs reactive depression vs hysterical neurosis vs psychogenic pain disorder, 25579
posttrauma MMPI scores, accident-injury trauma patients vs patients with organic illness vs psychogenic pain, 14909
psychiatric treatment following unsuccessful drug therapy, chronic pelvic pain without apparent organic cause, female patients, 20668
psychogenic abdominal pain as expression of anxiety or emotional or psychological problems, children, 20221
Psychohistory
analysis of M. Monroe as narcissistic personality, 1367
analysis of M. Monroe as narcissistic personality, comment on article by R. D. Chessick, 1403
biographical features common to some would-be rescuers of degraded women, psychoanalytic interpretation, 9554

hierarchical structures of sentences in psycholinguistics, 6190
history of empirical research on Sapir-Whorf linguistic hypothesis, 6193
meaning of numbers vs words, multilingual speakers, implications for psychological semantics, 9058
methodology for generation of set of cognitive & psycholinguistic operations & structures, 2809
neuro-linguistic programing vs self control desensitization, public speaking anxiety, college students, 31463
phonemic clause, grammatical encoding, criticism of D. S. Boomer's article, 27692
prearticulatory editing process in language production, implications for aphasic symptoms, 1671
prospective social psychological contributions to interdisciplinary understanding of ordinary language, conference presentation, 9057
psycholinguistic approach, man-machine communication, 13352
psycholinguistic aspects of visual metaphors, 30331
psycholinguistic model, educational processes in language acquisition, 15791
psycholinguistic overview of different ethnic & linguistic groups, Piedmont region of Italy, 30342
psycholinguistic view of writing as cognitive process of translation of concepts into sentences, 27689
psycholinguistics & development of grammar, Basque-speaking 3–11 yr olds & adults, Spain, 3623
psycholinguistics & euthanasia, 818
psychological status of vowel shift rule, 18–36 yr olds, 3547
psychologistic structuralism, analysis of linguistic behavior, 16828
psychophysiological approach to role of subvocalization during language comprehension, conference presentation, 19567
reasoning processes in identification of objects that correspond to statements in psycholinguistic task, 11 yr olds, 3616
Sapir-Whorf hypothesis & color perception, 3546
speech accommodation & ethnolinguistic identity theories & theory of 2nd language acquisition, 816
typology of psycholinguistic instructional theories, 3548
Psychological Adjustment [See Emotional Adjustment]
Psychological Correlates [See Psychodynamics]
Psychological Endurance
personality correlates, coping with stress & psychological endurance, children, 25241
Psychological Reactance
manifestation of cognitive dissonance & psychological reactance in decision making situation, 10–12 yr olds, 6227
motivational state of psychological reactance, effective control relinquishment, male college students, 17355
self attribution reactance, recovery from running related injuries, 21–42 yr olds with Type A behaviors, 31243
vicarious control over vs time delay in elimination & restoration of freedom of choice, psychological reactance, 15–17 yr olds, 30537
Psychological Screening Inventory
development & interscale correlations & reliability & validity of Psychological Screening Inventory, assessment in mental health settings, literature review, 13612
Psychological Stress
acculturation, psychological stress & concern for parental health & financial support & housing needs of parents, male & female Chinese American adults, 3844
aerobic fitness, autonomic reactivity to psychosocial stress, 17–50 yr olds, 24717
anticipatory stress, heart rate & T-wave amplitude, comments on study by G. B. Penzien et al, 19563
autogenic training & relaxation, psychological stress & catecholamine excretion, female 23–43 yr olds, 12521
base rate, correlations of select stressors with illness variables, hospital nurses & food processors at various sites, 8455
different levels of aerobic fitness, heart rate & skin conductance & cognitive ability under demanding tasks, 35–45 yr olds, 11525
disasters & personal traumatic events, psychological mechanisms & manifestations, survivors of trauma, implications for diagnosis & treatment, 28622
divorce & change in living arrangements & job changes, mental strain, blue vs white collar metal workers, Finland, 5-yr followup study, 2665
emotional experiences during flight duty & emotional tension, flying squadron pilots, Japan, 23937
employment dislocation & involuntary unemployment & discouragement, family, implications for family counseling, literature review, 6479
health habits & burnout & social support & job performance & psychological distress, college student resident assistants, 31988
influence of CNS on immune system functioning during psychological stress, medical students, conference presentation, 19562
inventory of everyday problems vs life change events as ongoing vs acute stressors, nonfamily social support, female college students, 29720
job dissatisfaction & burnout, family, implications for family counseling, 6486
life events, psychological well-being, reanalysis of longitudinal data from Michigan Panel Study of Income Dynamics, methodological & theoretical implications, 16879
mental & cold stress, finger temperature, female 20–55 yr olds with Raynaud's disease, 9951
mental stress vs absence of physical love, sexual attitudes, male prisoners, 10513
methodologic issues associated with assessment of psychophysiologic reactivity, risk of cardiovascular disease, adults, literature review, 12372
negative life experiences & positive events & actual vs perceived social support, psychological impairment & depression, college students, 22684
notification of elevated serum alpha-fetoprotein level, psychological reactions, singleton-pregnant females, 7519
occupational & psychological stress, job satisfaction, myocardial infarct patients under 40 yrs of age, 4399
occupational & psychosocial stressors, mental & physical health, managerial/professionals & blue collar workers, implications for rehabilitation counseling, 29557
ontogenetic approach to stress & psychological load, 9113
pathways of psychological & cold & pharmacological stress in CNS, rats, literature review, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 594
physical stress & simulated flight emergencies & combat, presence of neurotransmitters & their metabolites in urine, student vs experienced US Air Force pilots, 3327
prenatal loss of father as maternal stress during pregnancy, incidence of psychiatric disorders, 57-yr longitudinal study, 9663
psychological & perceptual-motor aspects of Huntington's disease, rehabilitation implications, 23007
psychological & social & biochemical effects of unemployment with vs without intervention, Sweden, 12108
psychological stress & legal issues precipitated by Three Mile Island nuclear reactor accident & possible restart of undamaged reactor, 29572

psychological tension, interpersonal distance preference, college students, 9498
psychological vs cardiovascular reaction to emotional stress test, healthy females, 16686
psychosocial stress & cardiac mortality, implications for diagnosis & treatment, 20512
psychosocial stress, patients surviving by dialysis, implications for psychological intervention in kidney units, 10354
psychosocial stress, Type A behavior pattern & development of cardiovascular disease, 28465
reliability & validity of Psychological Stress Evaluator output & frequency modulation suppression as inaudible vocal measure of stress-arousal, 22–45 yr old graduate students, 2894
ship collision, psychological distress & reactions, US Navy personnel, 30961
sources of stress & alcohol usage, 22–62 yr old free-lance professional popular musicians, UK, 13340
standardized psychomental stress model, hemodynamic response & plasma catecholamine, 20–55 yr old tetraplegic patients, 17744
stress induced by TV game, cortisol & growth hormone & free fatty acids & lactate, healthy college students, 22054
stress, obstetrical complications, 16–42 yr old females, 17734
surgery-induced stress, trait anxiety, 17–71 yr old plastic or reconstructive surgery patients, 2038
unemployment, physiological & psychological & interpersonal stress, 13258
unilateral migraine headaches & mental arithmetic & exercise tests, extracranial vascular changes, 18–61 yr old patients, 9920

views on sexuality, Christianity vs psychology, 17138

Psychology Education [See Also Graduate Psychology Education]
annotated materials for adding international dimension to undergraduate courses in developmental & social psychology, bibliography, 21341
BASIC computer programs, classroom demonstration of personnel selection principles, industrial/organizational psychology students & teachers, 32027
behavioral oriented program, implementation of community & clinical psychological intervention skills, undergraduate psychology students, 10715
brown adipose tissue thermogenesis laboratory exercise, college students in physiological psychology class, 2418
classroom demonstration of encoding specificity, college students, 2417
community-based group residence, recently discharged psychiatric patients & psychology & social work college students, 23665
computer assisted laboratory exercises for introductory psychology, 2376
computer-based courseware modules in psychology education, conference presentation, 2412
conceptual problems in mathematics, learning statistics, psychology undergraduates, 5280
content of course on psychology of work safety at Polytechnical Institute, USSR, 15723
delineation of psychological knowledge transmitted by universities & impact on development, Kuwait & Qatar & Saudi Arabia & Bahrain & United Arab Emirates, 10655
development of Project Simulation, instruction in psychological research methodology, psychology students, 32018
development of psychology & psychology education, Hong Kong, 16154
development of true-false test items, assessment of knowledge of relationships between concepts in undergraduate psychology course, college students, 2557
diary of instances of forgetting during semester, college students in course on human memory, 2416
educational vs professional plans, decision to enroll in psychology program, students predominantly 17–20 yrs old, 21388
establishment of advising system for large psychology department, 2566
evaluation of course in personal development psychology & assessment of performance in experiential group activities, assessment of effectiveness of techniques for grading performance in experiential activities, college students, 2551
evaluation of Unique System of Practice, education for psychological practice, college students, Mexico, 31902
expectations of psychology graduates skills & ability in information technology, managers, implications for changes in curriculum of psychology departments, 32223
goals & content & evaluation strategies of a psychological training program, preservice science teachers, 21276
history of psychology in terms of undergraduate & postgraduate training & theoretical orientation, Brazil, 29640
instructional use of computers in psychology, conference presentation, 2378
integration of cross cultural research information into undergraduate psychology courses, 21342
introductory psychology course, 10721
life span psychology education, 18480
microcomputers in psychology laboratory courses, conference presentation, 2371
misconceptions about psychology, beginning psychology students, 2457
need for microcomputer tools & courseware, undergraduate psychology curriculum, conference presentation, 2379
perceptions of competency of psychology graduates, employees & faculty & 3rd-yr college students, Australia, 10649
popular music, learning about psychology of personality, college students, 2395
procedure for teaching experimental methods in designing research, psychology students, 18589
psychology education in medical schools, conference presentation, 15659
psychology education, Philippines, 18561
review & renewal of undergraduate education in psychology department, 2402
sociocultural beliefs & problems in learning Western psychology, college students, Algeria, 32051
teaching of introductory psychology, 7899
teaching of introductory psychology course in traditional college vs nontraditional inner city setting, performance, college students, 2383
training in development psychology, teacher trainees, Portugal, 21261
TRS-80 programs, control of experiments involving paired associate verbal learning procedures, 92
undergraduate psychology education, 1980's, 2409
use of computers, university psychology departments, Great Britain, 18516
use of microcomputer in introductory psychology, conference presentation, 2401
user friendly statistical package for Apple II microcomputers, data analysis & tutorial routines for introductory statistics, 21345
videotaped demonstrations & unit-mastery systems & lecturing methods of instruction, large psychology classes, 2408
volunteer work with exceptional children, college students in course on psychology of developmental disabilities, 2384
ways in which information about people living in rest of world enters undergraduate psychology curricula, US, 21297

Psychometrics
clinical vs psychometric evaluation of intellectual state, 33–81 yr olds with Parkinson's disease, 31221
computer applications, program generation for scoring psychological tests, 5564
correlation between computerized axial tomography & psychological test scores, patients with severe head injuries, 25866
criteria of success used in research on effectiveness of creativity training, elementary & secondary & college students & adults, meta analysis of 242 studies, 27809
development & internal consistency of skeleton key technique, probable determination of correct answers to questions whose correct answers are unknown, 11114
development of psychometrics & connection with systems research, Netherlands, 21735
discussion of monotonicity hypothesis in multidimensional scaling, 16387
ethical issues, computerized psychological assessment, psychologists, 12955
examination of psychometric vs Piagetian kinds of intelligence & measures, kindergartners & bright & average & retarded 5–7 yr olds, reanalyses of studies, 5604

expansion of Guttman simplex model to 3 sets with applicability to longitudinal data, 27063
factor analysis & personality models, self expressed interests of R. B. Cattell, 1928–1984, 1268
familiarity with hypothetical role, validity of measurement techniques using behavioral decision theory, college students, 24213
feedback process, diagnostic psychological testing, 19016
formal properties & empirical predictions of new metric for bounded response scales, 21810
frequency of psychological test usage, US, 1935–82, 5592
functions & activities of International Test Commission, 18483
integration of experimental & psychometric & developmental approaches in psychology, 21669
item selection issues in personality test construction, implications for person-situation debate, 27002
latent structure analysis & item sampling models for testing, literature review, 16368
legal control & psychological test practices, South Africa, 19030
limitations of intelligence & interest & personality tests, 2868
necessary & sufficient conditions for existence of probability measure agreement with weak order on countable algebra of events, 21788
precautions regarding reliability of indices of response consistency in aggregated measurements, comment on findings of H. D. Day et al, 27076
predictive value of psychological tests & geriatric scales & interviews, eventual referral advice to nursing home, geriatric patients, 16312
problems with computerization of psychological tests & questionnaires published originally in printed form, 16267
psychiatric properties of self report scales, assessment of alexithymia, 4247
psychological assessment in family therapy, families with children experiencing learning difficulties, 17992
psychological testing, educational & personnel selection, Africa, 10849
psychometric analysis, methods of comparable worth evaluation of state agency job positions, 13501
psychometric cognition as alternative to discarnate existence, 5
psychometric concepts as latent variables & scalepoints linked by statistical concept of stochastic ordering, 21738
psychometrics & information processing research & spatial relations & visualizaton as components of spatial ability, 27120
psychometrics & psychotherapy in sports, implications for sports-oriented psychologists, 17858
publications by R. F. van Naerssen, bibliography, 21729
qualifications & knowledge of psychological testing & offering opinions during expert testimony, forensic psychologists, 31859
rating scales vs questionnaires & mental tests, assessment of anxiety, 8379
scaling methodology & reliability & validity of social support network scales, 27043
size of stimulus choice set, consistency of choice in "pick" vs "reject" response modes, test of C. H. Coomb's unfolding theory, 21731
test-retest reliability & convergent validity of social knowledge of personality vs scientific personality constructs, 14579
types & analysis of psychological tests for clinical assessment of chronic pain, 29726
use & misuse of norm-referenced tests, assessment by speech/language clinician, 8378
use of video games as psychological tests, 13563
validity of specificity doctrine vs general intelligence construct in psychometrics, reply to R. J. Sternberg, 16333
validity of specificity doctrine vs general intelligence construct in psychometrics, 16332
validity of specificity doctrine vs general intelligence construct in psychometrics, comments on A. R. Jensen's article, 16364
Psychomotor Development [See Also Speech Development]
Apgar scores 5 & 10 minutes after delivery, screening for abnormal psychological development, infants, 6264
development of posture & locomotion, Japanese monkey infants, 21906
developmental stages in behavior regulation & effects of speech development, normal 4–31 mo olds & severely retarded 87–151 mo olds, 14854
grasping with left vs right hand, 6 mo to 3 yr olds, 14122
intelligence & psychomotor development & psychological factors, 5.8–19.7 yr old patients with Prader-Labhart-Willi syndrome, literature review, 25728
interactive performance, communicative ability & motor functioning, methadone-maintained females & their 4 mo olds, 10539
neonatal hospitalization, psychomotor development & behavior problems, twins & triplets studied at 4 mo & 4 yrs & 5 yrs, 875
predictive validity of Movement Assessment of Infants, neuromotor assessment, high risk infants assessed at 4 mo & 1 or 2 yrs old, followup study, 13557
psychomotor & language training, preschoolers, Brazil, 5207
psychomotor development during 1st yr of life, mentally retarded, 6984
psychomotor development, 5–15 yr olds, 9232
psychomotor vs cognitive vs linguistic development & family environment, reading & writing readiness, 4 vs 5 vs 6 vs 7 yr olds from city vs small town vs village, 19799
tactile & auditory & visual stimulation & interpersonal communication for 5 min per day, mental & psychomotor development, orphanage-raised 4–13.6 mo olds, 6-mo followup, 7659
Psychomotor Processes [See Perceptual Motor Processes]
Psychoneurosis [See Neurosis]
Psychopath [See Antisocial Personality]
Psychopathology
adult development & pathological aging, unsuccessful reminiscence & mourning, 73 yr old male, 9100
age & gender, sleep wake cycle & insomnia & psychopathology, 18–72 yr old insomniacs, 11513
aggression & CNS & psychopathology, poltergeist phenomena, 13413
aggressiveness & psychopathology, firesetting vs nonfiresetting hospitalized disturbed 5–13 yr olds, 25643
analysis of psychopathological & psychoethanological phenomena, implications for phylogenetic model of psychosis, 4134
anthropological philosophy, psychology & psychopathology & psychotherapy, 18950
assessment of delineation of psychopathology, medical students, 10582
assessment of psychopathology, mentally retarded adults, 20453
asymmetries of activation & arousal & brain neurotransmitter pathways in psychopathology, conference presentation, 1487
belated psychological problems, concentration camp survivors, 17442
body & self image, psychopathology, adolescents, 17062
calculations of mebicar dosages, borderline psychopathological abnormalities, alcoholics, 31548
classification of adaptive & pathologic personality organizations using developmental structuralist approach, infants & children, 28197
classification of analytic factors, operational side of thinking in psychopathology, 22648
client characteristics & psychopathology, 2–11 yr olds referred with encopresis, 4532
clinical-behavioral vs self report measures of psychopathy, male prison inmates, 20280
clinical characteristics of psychopathological variants of hereditary purinosis, 12–15 yr old males, 14900
clinical utility of event-related brain potentials in psychiatry & clinical psychology & importance of dissociating aging effects & behavioral measures, conference presentation, 20195
concordance for alcoholism vs depression vs criminality vs psychopathology, hospitalized alcoholic mono vs dizygotic twins & their cotwins, 16578
constraints in attentional capacity & boredom & psychopathology, adolescents, 3634
day care program, psychopathology & attitudes toward mental illness & treatment, chronic psychotic patients from lower SES backgrounds, 2141
death attitudes & role of psychiatrist & psychopathology & interactions with family & hospital staff, hospitalized terminally ill patients with lung cancer, 31725
depression, psychopathological behavior, 14–26 yr old high school students, Mexico, 30922

development & construction of brief scale for anxiety, assessment of anxiety with & without depressive or phobic or obsessional or psychotic symptoms, 19102
development & psychopathology, 36–186 mo olds with fetal alcohol syndrome, 7126
development of biosocial theory of emotional/psychopathological disorders in mentally retarded persons, 28376
development of Comprehensive Early Memory Scoring System, differentiation of diagnostic types, 8–12 yr old delinquent vs hyperactive vs somatic complaints vs schizoid males, 24256
developmental structuralist approach, classification of adaptive & pathological personality organizations, infants & children, 6364
diagnosis & treatment, pathological gamblers, conference presentation, 28307
diagnostic laparoscopy & MMPI testing, etiology & psychopathology of chronic pelvic pain, 16–52 yr old females, 23027
economic deprivation & change, social pathology, literature review, 6918
educational handling, 13–16 yr old males in boarding institutions, conference presentation, 32132
effectiveness of F & F-K indices of MMPI, detection of dissimulation or malingering, VA psychiatric patients applying for disability benefits, 2896
effects & components of pathological gambling, development of methods for detection & preventive strategies, self reported compulsive gamblers, implications for diagnosis & treatment, 28369
etiology & treatment of family pathology, 23222
expression of absurdity in psychopathology of schizophrenia, 30909
factor structure of Brief Psychiatric Rating Scale, assessment of psychopathology, 61–90 yr old geropsychiatry inpatients, 2931
false paradoxes & psychopathological behavior, 14652
family therapy, family with 20 mo old male with severe developmental psychopathology, 4689
fetal alcohol syndrome & other psychopathologies, 1.3–13 yr old offspring of alcoholic parents, 17561
foundations of beliefs before World War II, modern life & psychopathology, Europe, 4235
functional psychopathology, performance on neuropsychological screening batteries, male psychiatric inpatients, 28267
future psychopathology-related research issues for event-related brain potentials in areas of diagnosis & positron emission tomography & neurochemistry & psychopharmacology, conference presentation, 20205
graphic representation of models in psychopathology, 1438
group therapy vs individual therapy, psychopathology, 16–59 yr old hemodialysis patients, 15109
high vs low word definition pathology on induction series, expectations of degree of psychopathology in definitions & handwriting samples, college students, 12026
history of descriptive psychopathology, 9622
hypermasculinity, 36 yr old "man's man" & 27 yr old "ladies man", 6910
infant & early childhood development & adaptation & diagnosis & treatment & prevention of psychopathology, 4176
influence of psychopathology on culture, 22738
insufficient attention to developmental issues, DSM III classification of serious psychopathology, children, 17567
internalization of loss & parent child relations & attachment, emotional development & psychopathology, males followed from adolescence to middle life, 31003
interrater reliability, evaluation of current psychopathology at 2-yr followup, blind vs informed raters, 16286
irrational beliefs, psychopathology & criminal behavior, inmates, 17412
judgment of psychopathology in handwriting & vocabulary definitions of schizophrenic vs non-schizophrenic patient, specificity of contrast effect, college students, 6646
life event stress & locus of control, psychopathology, 21–62 yr olds, 17489
long term stages of disorder, senile schizophrenics, 4213
maternal psychiatric illness, cognitive & socioemotional development, infants & young children, 20245
maternal psychopathology & perception of child behaviors, mothers of abused & neglected school age children, 25626
metapsychological work of D. Rapaport on activity-passivity & psychopathology, implications for adolescent development, 28188
Millon Clinical Multiaxial Inventory & its mail-in computer scoring, personality & psychopathology assessment, 8404
MMPI performance, patients with significant weight loss with vs without anorexia & psychopathology, 22963
mother child interaction & parent psychiatric status & child psychopathology, 6–11 yr old hyperactive children & their mothers, 25773
Mutuality of Autonomy Scale, indication of psychopathology, previously hospitalized Ss with mean age of 38.5 yrs, 150
narcissism, drug addiction, 25693
need for recognition & testing of evolutionary principles for explanation of psychopathological symptoms, 25499
neurological & psychopathological features, schizophrenic vs affective patients, 9680
neuropsychiatry & psychopathology in clinical psychiatry, 17851
orienting response & psychopathology, autistic & retarded & normal children, comments on papers by A. T. James & R. J. Barry, 4177
outline of theory of spectrum of psychopathology, 14752
parental divorce & environmental changes, cognitive & behavior changes, psychopathology, 6–16 yr olds, 881
parental psychiatric illness, childhood psychopathology, 5.7 yr olds with communication disorders, 28381
pathological personality development, infants & children, analytical psychology perspective, 4628
personality characteristics & personal history & psychodynamics & psychopathology, physically abusing parent vs borderline patient, implications for treatment, 22858
plasma noradrenaline, clinical psychopathology, schizophrenic patients with mean age of 30.4 yrs, 4150
presence of psychopathology other than alcoholism, alcoholics with vs without alcoholic family members, 20387
preservice psychological status & type & severity of disability & vocational adjustment, 16–62 yr old rehabilitation clients, follow-up study, 21100
prevalence of psychopathology & sociocultural factors, males vs females, Argentina, 1356
problems of internationalizing Association of Methodology & Documentation in Psychiatry rating scale, 11120
prolactin & follicle stimulation & luteinizing hormone levels, epileptic patients with partial seizures with vs without psychopathology, 9915
psychiatric evaluation, filicidal vs abusive mothers, 28326
psychiatric histories in prediction of alcoholism & psychopathology, adult males, 40-yr longitudinal study, 28292
psychodynamics, survivors of Nazi concentration camps, 3763
psychodynamics underlying psychopathology, 50 yr old male with obsessive fantasies about murdering his wife, 1437
psychological & personality profile, male patient with Gilles de la Tourette's syndrome, 31223
psychological status, male heterosexuals vs transvestites vs pre- vs post-operative transsexuals, 25612
psychopathologic symptoms, misuse of hypnosis, patients with posthypnotic trauma, 20294
psychopathological approach, encopresis, children, 4526
psychopathological aspects of tetania, 17726
psychopathological characteristics of dysphoric conditions, patients with endogenous depression, 22797
psychopathological consequences of Buffalo Creek mining disaster, implications for rescue programs, 17541
psychopathological dialog in F. Dostoievsky's 'The Double', 1382
psychopathological pattern of depressive-paranoid syndrome, hospitalized patients, 6797
psychopathological study of psychiatric casualties of WW I vs II, 17507
psychopathology & biochemical abnormalities & previously unrecognized somatic illnesses, psychiatric outpatients, implications for etiology, 4106
psychopathology & central arousal & time experience & psychometric variables before vs after thyreostatic therapy, 20–55 yr old female hyperthyroid outpatients, 20635
psychopathology & clinical picture of double affective attacks, patients with schizophrenia, 30943

psychopathology & labeling in brief therapy transcript, clinical judgment, doctoral level psychologists with varying levels of experience with mentally retarded, 4359
psychopathology & treatment outcome & attitude toward mental illness, 19–67 yr old low SES European American vs Mexican American psychiatric inpatients, 1424
psychopathology, bulimic vs obese adult females, 23057
psychopathology, Maghrabian immigrants in urban areas, France, 20353
psychopathology of anxiety & depression, female geriatric inpatients, implications for sociology & psychology & psychotherapy, 18326
psychopathology of depressive symptomatology during schizophrenic processes, 4269
psychopathology, response to graduated spinal block, chronic pain patients, 18202
psychosomatics & body expression, child psychiatry, 17760
reflections on H. Deutsch's "hysterical fate neurosis", 9667
research problems & issues, childhood psychopathology, 9599
retributive & dissuasive sanctions & psychomedical interventions, reduction of psychopathological criminal behavior, mentally abnormal delinquents, 31769
risk for psychopathology, epileptic patients, 7146
role of diet in psychopathological disorders, children, comments on L. E. Arnold's article, 10025
roles of psychopathology & personality characteristics in traffic accidents, literature review, 22786
screening utility of parent vs clinician vs teacher ratings on Child Behavior Checklist, measurement of behavior disorders, 6–7 yr olds, 27006
self concept & age & disability & institutional residency, residents of VA medical center, 18308
self image, emotionally disturbed vs depressed vs conduct disordered vs eating disordered vs psychotic 12–19 yr olds, 9590
self report dimensions of psychopathology, alcoholics vs psychiatric patients vs prison inmates vs college students, 17408
self reported psychopathology & errors in recognition of recorded voice of self vs familiar other as evidence of self deception, reply to W. Douglas & K. Gibbins's criticism, 22770
self reported psychopathology & errors in recognition of recording of own vs familiar other's voice as evidence of self deception, reply to H. A. Sackeim & R. C. Gur's reply, 22705
semiology & rating scales in adult psychiatry, France, 29724
SES & severity of parental psychopathology, cognitive & emotional functioning, children of mothers with vs without psychiatric disturbances followed from birth to 4 yrs of age, longitudinal study, 20337
sex differences in childhood psychopathology & comparison with adult disorders, literature review, 28135
sex differences in childhood vs adult psychopathology, literature review, 6709
significant others' voluntary termination of pregnancy, psychopathological reactions & depression & attempted suicide, 18–22 yr old male military recruits from disadvantaged backgrounds, 1374
socioanthropological perspective of belief in occult in popular culture, implications for psychiatric pathology, 30586
spatial synchronization of biopotentials of left vs right hemispheres, psychopathological syndromes, 22657
stressful life events & mental disorders, literature review, 9604
stressful life events, onset of acute psychiatric disorders, children & adolescents, 4264
structural abnormalities in CNS psychopathology, 20237
temporal variables, evaluation of psychopathology, 12186
treatment participation & psychopathology & alcoholism, improvement or resistance, White male problem drinker-drivers with mean age of 38.3 yrs, 2227
use of superego & ego ideal & ideal ego, understanding psychopathological structures in treatment, analysts, 12529
utility of disguised test items in structured self report, assessment of psychopathology, college students, 21757
validity of Rule 1 of L. R. Goldberg's MMPI sequential diagnostic system, assessment of psychiatric status, epileptic patients with inpatient vs outpatient psychiatric treatment & chronic vs intermittent vs no emotional problems, 4447
women's movement, incidence of mother-blaming for psychological problems reported in major clinical journal articles, offspring, 1970 vs 1976 vs 1982, 30367
writings of D. Wyss & psychopathological research & psychiatry & psychotherapy, 31341

Psychopathy

electrophysiological measurement of interhemispheric interaction using light stimuli, psychopathic patients with excitatory vs inhibitor cycles, 6852
fantasy, depression & other psychopathology, children of manic depressive vs normal parents, conference presentation, 4211
MMPI Psychopathic Deviate scale, relationship between WAIS Picture Arrangement subscale & MMPI Social Introversion scale, adult psychiatric patients, 117
personal characteristics using MMPI, clients of university counseling center with vs without elevated Depression & Psychopathic Deviate scales, implications for therapy, 17429
stress & social support & coping processes, psychopathology, literature review, 17493
symptomatic correlates of psychopathology & alcohol abuse, adults seeking mental health services, 14827
utility of subtle items for MMPI Psychopathic Deviate & Hypomania scales, college students, 116

Psychopharmacology

attitudes toward psychotropic medication, medical vs psychology students in clinical training, 26429
attitudes toward significance of test results & utility of positive controls, behavioral teratologists, Japan, 19156
behavioral pharmacology of cocaine, human Ss, 11587
benzodiazepines & amphetamines, exploratory behavior, weanling rats, test of animal model for anxiolytic activity, 6155
biochemical & physiological & cognitive & subjective effects as necessary components of theory of psychopharmacology, 13918
biochemical strategies used in psychopharmacological research, 802
biological research in child psychiatry, pediatric psychopharmacology & neurodiagnostic techniques & psychogenetics, 7183
chronic administration of tricyclic & nontricyclic antidepressants, central noradrenergic receptor function & neural transmission, literature review, 7456
clinical trials of lithium, neurological disorders, literature review, 28806
CNS stimulating & anticonvulsive & tranquilizing drugs & benzodiazepines, detail discrimination ability, human Ss, implications for psychopharmacological research, 19706
diagnostic criteria in psychopharmacology, children, 7406
diazepam dosages & previous exposure to diazepam, compensatory tracking behavior, rhesus monkeys, 19656
discriminative stimulus properties & other psychopharmacological properties of zopiclone, mice & rats & cats, conference presentation, 3464
dosage schedule & radioimmunoassay monitoring of haloperidol serum levels, clinical & adverse effects, chronic psychiatric patients, 7443
drug testing, physical dependence & abuse liability, 8947
effects of phencyclidine, volunteers, literature review, 24917
efficacy of staircase method, screening of anxiolytic drugs, 24178
ethological approach, effect of drugs on animal aggressive & defensive behavior, implications for humans, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 775
familiarization sessions in pharmaco-EEG studies placebo control, analysis of drug effects, male Ss under 30 yrs of age, literature review, 2812
history & trends in psychopharmacology, 23321
history of psychopharmacology, 23340
impact of behavior analysis on behavioral pharmacology in psychobiology, 30213
interdisciplinary model for pediatric psychopharmacology seminar, 12 yr old male presenting with self destructive behavior, 29039
legal issues, psychopharmacology, 31512
methodological guidelines for reading psychopharmacological research, 28771
methodology for schedule-induced self injection of drugs, acquisition & maintenance of drug intake behavior, 6164
methodology for studying effectiveness of anti-anxiety drugs, France, 1994

methodology in psychopharmacological studies, mentally retarded, 2002
minaprine vs carpipramine, event-related slow cortical potentials, 26–49 yr olds, implications for evaluation of psychotropic drug effects, conference presentation, 19713
need for assistance in interaction with accepted channels of scientific communication & potential impact on contributions to field of psychopharmacology, scientists, Asia, 24929
paradigm for alternating observation of solitary & social behavior in open field, male rats, implications for anxiolytic drug research, 19573
pharmacodynamic studies of nomifensine, healthy Ss, conference presentation, 6163
pharmacodynamics & therapeutics efficacy, nomifensine, conference presentation, 7441
pharmacologic & clinical review of use of phencyclidine, 14779
pharmacologic properties & epidemiology & effects on CNS & abuse potential, marihuana vs alcohol, 30753
pharmacological & psychoactive properties of amantadine, treatment of viral influenza & Parkinson's disease, 31552
pharmacological mechanisms of ayahuasca & myristicaceous hallucinogens, 30269
pharmacology & active anxiolytic mechanisms of buspirone, conference presentation, 24924
pharmacology & effects & classification of adverse reactions along temporal continuum & prognosis, psychedelic drugs, literature review, 6723
pharmacology of cocaine, 11599
pharmacology of sedative hypnotics, conference presentation, 3511
psychopharmacologic issues, diagnosis & treatment of organic mental disorders, 31508
psychopharmacologic treatment, medical patients, 31511
psychopharmacological & physical effects of dimethyl heptyl pyran, animals & humans, 19719
psychopharmacological aspects of multiple receptors for central neurotransmitters, conference presentation, 3264
psychopharmacological guidelines, social workers, implications for social work education, 18127
psychopharmacological treatment, childhood psychosis & autism & attention deficit disorder & enuresis & appetite disorders, literature review, 31551
psychopharmacological treatment, depression, medically ill patients, implications for diagnostic problems & interactions due to multiple medications, 23294
psychopharmacology & drug treatment of neoplastic pain, 31528
psychopharmacology & semiological modifications, 31526
psychopharmacology in intensive care unit, 31789
psychopharmacology of cocaine, implications for existence & treatment of dependence or abuse, 11591
psychopharmacology of deprenyl, 8981
psychopharmacology of tranquilizers, 10258
psychotropic properties of nimodipine, 19–33 yr old males, 3461
radioreceptor binding assay, psychopharmacology & psychopathology, 7448
rate dependency & behavioral pharmacology & experimental analysis of behavior, 29667
research on neuroleptic drug receptors, methodological problems in in vitro receptor binding assays, 770
resorption & distribution & excretion of psychotropic medication, 7407
role of stereoisomers of drugs in neurotransmitter function, implications for treatment of mental disorders, 19729
rubidium, affective symptoms, patients with affective or schizophrenic disorders, 28222
sedative effects & tolerance, chlordiazepoxide & lorazepam, rats, 6120
semiology & animal experimentation in psychopharmacology, 30300
utility of amfonelic acid-induced locomotor stimulation, evaluation of potencies of classical & atypical antipsychotics, male mice, 6142
withdrawal phenomena & mechanisms of action & structure activity relationships, benzodiazepines, literature review, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 773

Psychophysical Measurement

adaptation & presentation procedures & volume, magnitude estimation of taste, 19180
alternative for attention band & response ratio hypotheses based on Thurstonian model for magnitude estimation, 16273
anxiety & threat of physical harm, finger pulse volume, college students, 645
binaural vs temporal loudness summation vs judgments of loudness intervals, assessment of individual differences in loudness processing, college students, 29888
construction & prediction of psychophysical power functions, sweetness of equiratio sugar mixtures, college students, 11212
controlled vs uncontrolled reinforcer-ratio procedure, discrimination of luminance differences, pigeons, 11417
description of nongustatory stimuli in terms of 4 primary tastes & colors, college students, psychophysical measurement implications, 5703
development of rating scales, measurement of pain sensation induced by shock vs word rating list, 22–39 yr olds, 16326
dichotomy of psychophysical responses, 9–36 yr olds with retrobulbar neuritis, 4387
efficiency of 2- vs 3-alternative adaptive staircase vs alternative maximum-likelihood procedures, measurement of auditory thresholds, college students, 8533
elimination of eye movements during brief vs long stimulus exposure time, assessment of deficits in binocular stereosis, college students, 8510
experimental design & psychophysical method & inspection procedure, measurement of orientation-contingent color aftereffects, college students, 2787
fixation parameters, habituation &/vs recovery patterns, 4 mo olds, 22311
forced-choice psychophysical procedures & norms of Seashore Measures of Musical Talents, 11153
formal properties & empirical predictions of new metric for bounded response scales, 21810
full work day of lifting psychophysically selected loads, cardiovascular & metabolic & subjective fatigue, male soldiers, 24039
interpersonal contact between S & experimenter & thinking styles & current concerns, task-irrelevant thought & imagery in auditory signal detection experiment, 20–39 yr olds, 20075
Kalman filter algorithms, detection of change in physiological measures, 11108
loudness scale & S. S. Stevens's measurement methods, psychophysical measurement, 13673
magnitude production vs magnitude estimation vs comparison judgments & feedback, measurement of numerosity perception & role of cognitive vs perceptual factors, college students, 19177
maximum likelihood method of sequential threshold estimation & simplified approximation, 24321
methodologic issues associated with assessment of psychophysiologic reactivity, risk of cardiovascular disease, adults, literature review, 12372
oral chemical irritation derived from spices, perceived intensity & areas of sensation over time, 20–36 yr olds, 11268
peak velocity values & timing for preplanned & corrective phases of arm movement in visual display task, adults, 11279
physiological assessment, workload in simulated landing vs hostile threat environment, aircraft pilots, 8863
psychophysical & electroretinographic assessment, severely amblyopic 21–62 yr olds, 31175
psychophysical constraints, establishment of acceptable maximum work loads, industrial workers, 24042
psychophysical measurement methodology, measurement of work load & task demands, 20–60 yr old males, 11079
psychophysical methods, development of recommendations for permissible lifting work loads, implications for incidence of low back pain & disability & compensation, 24043
psychophysical techniques, measurement of perceived exertion during physical work, 24036
psychophysics of taste from entropy of stimulus, 5701
psychophysiological criterion, assessment of whole-body low frequency vibration, 25–44 yr olds, 6035

psychophysiological test of RT & time estimate & touch discrimination subtest of Halstead-Reitan Neuropsychological Test, assessment of effects of benzodiazepines on attention & sleepiness states, 21–29 yr olds, 11586
re-scaleability of force & time in aiming movements, 20–31 yr old males, 11219
reliability of method for obtaining psychophysical tuning curves, 21–38 yr old normal hearing listeners, 99
response to correspondence on historical priority for idea of relation theory in psychophysical measurement, 21733
semantic differential, detection of sound stimuli, college students, 29900
sensitivity functions in spectral structures, application to auditory & visual psychophysics, 19127
shape of matching field & duration of stimulation, color matching functions & chronicity coordinates, conference presentation, 24438
signal detection theory framework, verbal report vs EEG discrepancy in sleep research, 20–35 yr olds, 588
size of Mueller-Lyer illusion under psychological method of adjustment vs limits vs constant stimuli, college students, 3048
sodium chloride & iso-amyl butyrate & age, odor & taste perceptions, 20–25 vs 65–78 vs 80–95 yr olds, 11771
spatial 2-alternative forced-choice staircase technique, measurement of visual contrast sensitivities, 2–16 yr olds vs adults, comments on study by A. Bradley & R. Freeman, 5713
spatial 2-alternative forced-choice staircase techniques, measurement of contrast sensitivity, 22 mo to 16 yr olds vs adults, reply to criticism of A. P. Ginsburg & M. W. Cannon, 9158
stimulus range effects in magnitude estimation of contrast, experienced Ss, 24392
table of criterion values for varying proportions of false alarms & hits, signal detection theory, 29683
temporal & spatial characteristics of upper displacement limit for positional shift in perception of coherent movement, human Ss, 8507
vibrotactile magnitude scales for tongue & thenar eminence, 18–40 yr olds, 3008
weighted average model, integration of ratings of pain elicited by shocks in 3 rating categories, college students, implications for analgesic procedures, 2972

Psychophysics

accumulator vs random walk models of response time, confidence judgments in line length discrimination, human Ss, 19205
applicability of equiratio taste-mixture model to 2-component sorbitol-sucrose mixtures, human Ss, 21825
computational techniques for graphic simulation of curved surfaces, 18991
haloperidol vs clozapine, detection thresholds for electrical brain stimulation of midbrain or forebrain, male rats, 22229
method for presenting full field images with minimal distortion, 29838
new psychophysics, literature review, 29598
perception & psychophysics, literature review, conference presentation, 24366
visual perception vs memory, magnitude estimations of distances & map reproduction task, college students, 27103

Psychophysiologic Disorders [See Psychosomatic Disorders]

Psychophysiology

advance information, autonomic & somatic manifestations of anticipation, 27447
altered pharmacokinetics of dexamethasone vs overproduction of cortical, positive dexamethasone suppression test, psychiatric patients, 12129
anticipatory stress, heart rate & T-wave amplitude, comments on study by G. B. Penzien et al, 19563
anxiety & anger & sadness, physiological symptoms, 17–46 yr olds, 8871
arterial pressure & autonomic regulation of heart during strenuous operator activity, 25–35 yr old males, 3319
auditory & speech perception research conducted at Institute of Electroacoustics, 29899
biological factors & family background & sociocultural context of learning in biosocial theory of rape, implications for behavior therapy in prevention of disorders, 31048
biopsychological approach to denial, alcoholics, 1574
box length & width & frequency & height & body twist in lifting vs lowering task, acceptable weight load & heart rate & oxygen consumption, male college students, 22055
contributions to field of psychophysiology, Scandinavia, 1968–83, literature review, 27444
different levels of aerobic fitness, heart rate & skin conductance & cognitive ability under demanding tasks, 35–45 yr olds, 11525
differential psychology & psychophysiology, personality & individual differences, 1279
etiology of pain as psychophysiological process, chronic pain patient, implications for treatment, 17778
experiment design problems in use of cortical event-related potentials to study neural organization of development & cognition & motivation, conference presentation, 19467
extraversion & intensity of auditory stimulus, auditory EPs from frontal sites, college students identified as perceptual augmenters vs reducers, conference presentation, 19440
fear & anxiety & noradrenergic function, conference presentation, 24723
functional approach to affect & emotion, 19565
generalities & specifics in defining psychophysiology, reply to J. A. Stern's criticism, 22060
idea of psychophysiological parallelism of G. Bergmann, 1953–81, 11058
methodologic issues associated with assessment of psychophysiologic reactivity, risk of cardiovascular disease, adults, literature review, 12372
methodological issues in process & outcome studies & role of psychophysiology & systematic desensitization, dental fear, 15250
morphological differences in autonomic nervous system functioning, male vs female college students, 24660
neuropsychological & psychophysiological basis of 4 primary tastes, selected passages from H. Oehrwall's & H. Henning's & E. von Skramlick's writings, 8739
perceptions of psychophysiological characteristics, Hutterite sect, 3799
physiologically oriented research strategies in differential & diagnostic psychology, 8870
physique & masculinity/femininity, sex differences in self reports of psychophysiological activity, college students, replication of R. Plutchik & H. Conte's study, 22628
propositional representation model of psychophysiological processes of imagery formation, 27452
psychophysiological & neurophysiological & color perception studies at Neurophysiological Laboratory of the Institute of Defectology, visually impaired, USSR, 23012
psychophysiological & physiological aspects of T-wave amplitude, implications for scientific study of behavior at various levels of investigation, 27441
psychophysiological approach to role of subvocalization during language comprehension, conference presentation, 19567
psychophysiological aspects of cerebral asymmetry in attention, literature review, implications for information processing, 5983
psychophysiological aspects of psychiatry, 12447
psychophysiological criterion, assessment of whole-body low frequency vibration, 25–44 yr olds, 6035
psychophysiological differences between alternate personalities in multiple personality disorder, 4226
psychophysiological factors, pilot errors & accident rates, Air Self Defense Force, Japan, 2698
psychophysiological nature of aircraft perception & flying skills, pilots & cadets, 27455
psychophysiology, criticism of J. J. Furedy's definition, 22070
psychophysiology of anxiety, 9673
psychosomatic nature of oral-alimentary behavior, college students, 31250
relaxation & autogenic training vs transcendental meditation, neurophysiological & respiratory changes, 22–31 yr olds, implications for psychosomatic diseases, 25972
reliability of Bernell Occlud-A-Measure Scale, measurement of pupil dilation, college students, implications for studies of nervous system activation & cognitive processing, 2752
theories & research on psychophysiology of individual differences, 8858
validity & utility of psychophysiological lie detection, 16688

viewing of infant videotaped emotional expressions & physiological measurement & self rating of emotional responses to tape, responses to infants' signals, breast vs bottle feeding mothers & their 90–194 day old infants, 30141
visual imagery during initial noxious stimulation, reported pain & distress during later noxious stimulation, college students high vs low in pain sensitivity, 30139
Psychosexual Behavior [See Also Bisexuality, Erection (Penis), Eroticism, Exhibitionism, Extramarital Intercourse, Female Orgasm, Fetishism, Frigidity, Heterosexuality, Homosexuality, Human Courtship, Impotence, Incest, Lesbianism, Male Homosexuality, Male Orgasm, Masturbation, Pedophilia, Premarital Intercourse, Premature Ejaculation, Prostitution, Rape, Sex Roles, Sexual Abstinence, Sexual Arousal, Sexual Deviations, Sexual Function Disturbances, Sexual Intercourse (Human), Transsexualism, Transvestism, Vaginismus, Virginity, Voyeurism]
activity level in daily living, sexual competence, burn-disfigured victims, 14914
adult mental health & psychosexual adjustment, 18–24 yr old females removed from home in childhood due to sexual or physical abuse or neglect, 6889
aging & biological changes, sexuality, elderly, social work implications, 2127
alcohol, human sexual response, females vs males, literature review, 22190
articles & books frequently cited in sex research, literature review, 1200
attitude & behavioral determinants, coital & masturbatory orgasmic responsiveness, 18–52 yr old sexually active females, 30734
birth control attitudes & sexual behaviors & knowledge of contraceptives & resources, pregnant adolescents, implications for social work & family planning services, 11783
cardiac illness & surgery, sexual activities & satisfactions, 28–74 yr old cardiac surgery patients, implications for counseling, 12707
catastrophe theory as mathematical model of sexual orientation, 30722
choice of contraceptives after legal abortion & psychological masculinity vs femininity & psychosexual functions, 14–42 yr old females, 1-yr followup, 17262
communication & satisfaction & empathy in sexual relationship, extension of author's dyadic interaction model, 14433
comparison of laboratory parapsychology & sex research, 8284
comparison of M. Rosenberg's vs M. Fishbein's vs L. R. Beach's models, prediction of contraceptive attitudes & behavior, female college students, 3963
coping strategies & psychosexual behavior from childhood to adulthood, 22–31 yr olds with micropenis, followup studies, 31219
coronary bypass surgery, sexual & psychological & vocational adaptation, 46–72 yr old females, 26226
criminal & personal history & sexual preferences & arousal, social & sexual behavior, incarcerated male rapists vs hebephiles vs pedophiles, 28291
definition of sexual orientation & identification of Ss, research studies, 6592
development & reliability & validity of depth of sexual involvement scale, measurement of desired vs experienced sexual behavior during 1st date vs several dates vs going steady, 16–48 yr olds, 24264
development of dyadic sexual regulation scale, measurement of perceptions of control relevant to sexual dyad, 17–61 yr old White heterosexuals with regular sex partners, 19042
development of self report for assessment of sexual functioning after treatment for gynecological cancer, females with mean age of 56.5 yrs, 13533
drive & motivation & aspiration in sexual desire, 11962
emergence of sexual feelings of male clients, psychotherapeutic process, female therapists, 10161
erotica & pornography & sexually violent material, attitudes & behavior, literature review, 6581
erotophobic vs erotophilia emotions, condom usage, male college students, 1179
ethical & moral issues of sexual relations, adolescents & adults, 22398
ethical uncertainties regarding parameters of sexual intentions & intimacy, therapists & patients, 31844
evidence for ability to experience affective & sexual life, mentally handicapped, conference presentation, 30896
genetic factors, sexuality & attitudes toward marriage & reproduction, mentally handicapped, 22896
group therapy, trust & self concept & anger expression, females who had sexual involvement with former therapists, 20823
historical & theoretical aspects of sexuality, aged, 14197
holocultural analysis of sociobiological hypothesis of monogamy, humans, 30623
homogeneous sexual behavior, friendship choice, male vs female 12–17 yr olds, 961
human sexuality classes, sexual behavior, college students, 18567
intervention strategy in social work, sexual expression, single elderly clients, 12795
legal & professional issues of sexual involvement, clients & their psychotherapists, 20702
levo-alpha-acetylmethadol maintenance, alcohol & diazepam use & sexual behavior & cardiovascular functions, males with mean age of 31 yrs, 18378
maintenance hemodialysis, sexual performance, male patients with advanced uremia, 25902
marihuana use, sexual behavior & practices, White regular marihuana users, 7-yr followup, 6612
marital adjustment, sexual communication, spouses, implications for marital therapy, 30615
masturbation attitudes & sexual history, never-married female college students who currently vs formerly vs never masturbate, 22546
onset of disorders & sexual behavior, male vs female anorexic & bulimic 13–41 yr olds, 14939
opiates & sexual behavior & functioning & physiology, literature review, 8929
parent communication & boyfriend support & perceived costs & benefits of contraception & sex education & knowledge & attitudes toward pregnancy & contraception & sexual experience, contraceptive use, 15–18 yr old females, 3714
parental & church & peer influences, sexual attitudes & behaviors & contraceptive behavior, male vs female college students, 17249
parental attitudes toward sexual behavior & premarital sex & marriage & reproduction & sexual education, mentally retarded 6–18 yr olds, 20459
personality traits & sexual behavior & sexual fantasy themes, female vs male college students, 20045
physical & social factors that inhibit sexuality in older persons, commentary on 8th annual meeting of French Society of Clinical Sexology, 30742
postcoital tests, sexual function, 21–37 yr old females undergoing infertility testing, 22947
prenatal exposure to estrogens or progestogens vs pregnancy complications, demasculinization & dimorphic behavior, male vs female 8–14 yr olds, reanalysis of data from previous study, 24889
prenatal exposure to progestogens &/or estrogens, sexually dimorphic behavior in childhood male vs female 8–14 yr olds, 24829
prenatal hormones, gender identity & sex role behavior & sexual orientation & cognitive ability, 5958
prenatal sex hormones, gender identity & sex role behavior & sexual orientation & cognitive ability, 27330
preoperative vs postoperative mental state & subjectively assessed mental & physical health, healthy multiparous females having elective internal or postpartum sterilization, 10335
proceptive sex choice & reproductive freedom, comments on W. B. Miller's article, 25374
prolactin, sexual behavior, animals & humans, literature review, 24578
proposal of pregnancy protection index, combination of sexual & contraceptive practices into summarizing measure, 20063
psychological & sexual & physical functioning following noncancer hysterectomy, methodological implications, literature review, 28846

quality of recovery from cardiopulmonary bypass surgery & personality factors & level of postoperative vocational & psychosexual readjustment, Ss awaiting open-heart surgery, 6-mo follow-up, 2051
racial distribution & sexual history & family background, male-to-female preoperative transsexual prostitutes aged 15–35 yrs & older, New Zealand vs Australia, 17265
ratings of male in abortion situation & female who had abortion & attitudes towards women & level of sexual experience, social perception of abortion as stigma, male vs female college students, 28056
reliability & validity of Sexual Experiences Survey, male vs female college students, 24253
religiosity, attitudes toward sex & unwanted pregnancy & contraception use & sexual activity, college freshmen, Israel, 1195
role of choosing among alternatives in decision to have child, comments on W. B. Miller's article, 25364
role of endorphins in schizophrenia & affective illness & sexual behavior & mood & memory, 12214
role of hormones, sexual behavior, humans, 611
role of hormones, sexual behavior, humans, criticism of J. Bancroft's article, 616
romantic & sexual content of advice books, elderly, before & after 1970, 17240
scores on Eysenck Personality Inventory & sexual attitudes & behaviors, male college students, Canada, 9530
sex & completeness of injury, experiences of pre- vs postinjury sexual relationship with nonhandicapped partner, outpatients with traumatic spinal cord lesions, 25946
sex, birth control behavior & developmental issues, 15–17 yr old males, 25177
sex differences & religiosity, sexual behavior, unmarried college students, Colombia, 5-yr followup, 6563
sex education, psychosexual behavior, adolescents, 10699
sex for grades vs transference as explanatory models of sexual relationships, college students & faculty members, 5316
sex habits & recent venereal disease & drug use, male homosexuals, Scandinavia, 17253
sex role orientation & mother's expression of affection toward spouse, attitudes toward sexual behaviors, female college students, 1191
sex therapy, sexual response & performance, spinal-cord-injured Ss, literature review, 12451
sexual activeness & satisfaction, reactions to humorous sexual stimuli, college students, 11970
sexual activity, male & female patients with ischemical cardiopathy, 31230
sexual attitudes & behavior, male vs female college students, 1969 vs 73 vs 77 vs 81, 26594
sexual behavior prior to addiction vs while drinking addictively vs during sobriety, recovering alcoholic females, 22802
sexual behavior, 14–18 yr olds, Spain, 17055
sexual conflict, anorexia nervosa, female adolescents, 4507
sexual desire & behavior & conflict with feminist principles, 27981
sexual dissatisfaction, adult female alcoholics vs females of alcoholic partners, 25666
sexual dynamics of client-counselor relationship in alcohol rehabilitation, 23591
sexual exploitation of clients, psychotherapists, 23675
sexual functioning deficits & sexual satisfaction & adjustment in marriage & body image, 27–67 yr old females with breast vs gynecological cancer, 20473
sexual history & attitudes & behavior, adult schizophrenic females, 25536
sexual history & nocturnal penile tumescence, assessment of erectile failure, 22–57 yr old males with normal renal functioning vs end-stage renal disease, 25903
sexual identity & sexual relationships, 6570
sexual intercourse behavior of male & female best friends, translation from virgin to intercourse within 2 yrs, White vs Black students initially in Grades 7–9, 17017
sexual knowledge & attitudes & experiences, chronic psychiatric patients with mean age of 26.3 yrs, 14731
sexual knowledge & myths, adolescents, implications for sex education, 14172
sexual maturation & behavior, 9–11 yr old Black males & females, 3613
sexual practices, mentally ill in open & institutional settings, 20974
sexual relations with therapists, 28–51 yr old female clients, 4620
sexual scripts & perceived sexual behavior, premarital coitus, college students, 9470
sexual selection & competition for mates, biological vs evolutionary explanations, males vs females, 20051
sexuality & sex education, mentally retarded adolescents, 22882
sexuality, male 34 yr old with Mongolism, conference presentation, 31083
smoking & use of drugs & alcohol & sexual behavior, 16 yr olds, 2-yr longitudinal study, 3700
social learning vs biological model of human sexuality, literature review, 6577
social perception & nonverbal social skills, psychologic & social aspects of sexuality, female vs male learning disabled 13–53 yr olds, 22905
socio-sexual issues & treatment implications, using & recovering alcoholics, 22870
sociobiological & evolutionary theories of sexual orientation, 6572
steroids & steroid antagonists, sexual development & behavior, 24626
temporal structures of personality, psychosexual behavior, mentally handicapped, 22885
transference & countertransference, sex & extrarelationship involvement, 15117
urethral caruncle & atrophic vaginitis & urinary incontinence, sexual functioning, females, 20560
verbal communication & family social activities, sexual communication & functioning, heads of migrant vs nonmigrant families in urban neighborhoods, Australia, 30620
viewing sexually arousing theatrical film, subsequent sexual activity, college students, 1203
voluntary sterilization, psychological & sexual & marital consequences, criteria for selection of suitable candidates, 2039
wife's power within marriage, sexual behaviors & attitudes, test of V. Abernethy's hypothesis, 14434

Psychosexual Development

anal stage & ego autonomy & transitional objects, 6260
appropriateness & ramifications & feasibility of sex education, autistic children & youth, reply to criticisms, 29356
books & symbolic models & gender constancy, sex role attitudes, kindergarten students, 9272
changing attitudes toward menarche & hygiene during menstruation, psychosexual development, females, 11819
childhood gender identity, subsequent sexual orientation, 3.5–11 yr old males re-interviewed during adolescence & young adulthood, 17048
coping strategies & psychosexual behavior from childhood to adulthood, 22–31 yr olds with micropenis, followup studies, 31219
demographics & gender-related & familial & early sexual experience factors, heterosexual & homosexual & bisexual behavior & preferences, adults, 25378
development & sex differences, psychosexual development & homosexuality, college students, 6574
development of conscious gender identity & social competence, implications for concept of androgyny, 19879
development of gender constancy, number conservation, 7.5–8 yr olds, 17016
development of homosexual identity, 6386
discussion of J. Kestenberg's work in female sexuality during preadolescence & expression of object relationship, 17022
drawings of male vs female figures, sexual differentiation & identification & anxiety & aggression & hostility & insecurity & lability, pre- vs postmenarcheal 7th & 8th grade females, 6390
early cross-gender behavior & familial factors, heterosexual vs homosexual males, US vs Guatemala vs Brazil vs Philippines, 25379
establishment of individual & occupational & sexual identities, college students, 6224
experiences of puberty development & need for sex education, 15–16 yr olds, Denmark, conference presentation, 25233
experimental methodology, gender understanding & identity & sex-typed behavior, 18–54 mo olds, 17039

explicit sexual education, autistic individuals, comments on essay by S. Elgar, 29346
feasibility & appropriateness & ramifications of sexual awareness building & sex education, autistic children & youth, 29355
Freudian theory & castration anxiety, 6366
Freudian view of female psychosexual development, research on role of vagina in female heterosexuality, 6579
gender classification & constancy & behavioral & biological cues, development of gender identity, 2.6–4 yr olds, 14141
gender roles as developmental pathways, 19876
gender schema theory & biology & childrearing strategies, reply to comments by K. P. Morgan & M. Ayim, 14130
gender schema theory & implications for child development, criticism of S. Bem's paper, 14191
infant sexuality & primary object relationships, female homosexuality, 25 yr old female undergoing therapy, criticism of M. Khan's case study, 20722
intrapsychic internal conflicts in struggle to achieve sex role identity, children, comments on article by L. Furby, 17014
issues of sex education, autistic children & youth, comments on essay by S. Elgar, 29371
knowledge of sex role stereotypes & preferences for sex-typed activities, male vs female 2–5 yr olds, 14195
new observations on development of Oedipus complex, 14179
object representations revealed through questions about female sexuality, 16–18 yr old males, 3717
origin of concept of latency period in works of Freud, 18934
parent-child interaction in free play situation, sex-typed behavior, mothers vs fathers & their male vs female 45 mo olds, 25204
perception of father's role in family work & discipline, family climate for sexual learning, unmarried college students, 3810
perceptions of sexuality & relationship to development of incest, 5–15 yr olds, Australia & England & North America & Sweden, 27846
personality adjustment & body image & sex role development & reactions to frustration, children & adolescents with hypopituitarism, 7042
prenatal exposure to estrogens or progestogens vs pregnancy complications, demasculinization & dimorphic behavior, male vs female 8–14 yr olds, reanalysis of data from previous study, 24889
prenatal exposure to progestogens &/or estrogens, sexually dimorphic behavior in childhood male vs female 8–14 yr olds, 24829
primal scene fantasies, psychosexual development, 17059
psychosexual development & emotional security & neuroticism & anxiety, problem drinking & alcoholism, 19–55 yr olds with eating disorders & primary alcohol dependence syndrome, conference presentation, 28318
psychosexual development as process of equilibration in context of drive theory, 30513
psychosexual milestones, 17–30 yr old females with prenatal exposure to diethylstilbestrol vs females with history of abnormal Pap smear, 25878
relevance of G. Maranon's work to scientific psychology, 16184
selective sex education, autistic individuals, comments on essay by S. Elgar, 29375
sex differences, intellectual & ego development in areas of occupational choice & interpersonal relationships & sexual identity, 17–30 yr old college students, 25026
sex education & psychoanalytic perspectives of sexual development, children, 9257
sex education & sexual awareness building, autistic children & youth, comments on essay by S. Elgar, 29376
sex role behaviors, 4–12 yr old female vs male same-sex cotwins vs female-male twin pairs, 16575
sexual concerns & questions & sex education program, high school juniors, 5253
sexual development & attitudes & arousal, female schizophrenics, 17546
sexual identity, 3–20 yr olds raised by homosexual or transsexual parents, 9287
sexual instruction, autistic children & youth, comments on essay by S. Elgar, 29387
sexual maturation & arousal & psychosexual identity & romantic responsiveness, erotic orientation development, males vs females, 9474
single parent & homosexual family as forms of father absence, sex role development, children, 17003
stereotyped sex role behavior as maladaptive & androgyny as preferred mode of being, reference to theories of cognitive dissonance & consistency, 17255
steroids & steroid antagonists, sexual development & behavior, 24626
testosterone, formation of male gender identity, male pseudohermaphrodites with 5-alpha-reductase deficiency, 7065
themes emerging from research & framework for conceptualizing sex typing, literature review, 17058
theory of cognitive schema of sex, acquisition of culturally specified sex role behaviors & attributes, children, 17072
validity of 6-stage theoretical model of homosexual identity formulation, males & females, 6568
violation of child-generated norms for sex-typed behavior, attitudes toward offending peer, kindergartners vs 2nd vs 4th vs 6th graders, 27830

acute psychosis, 30 yr old male patient with hypophosphatemia, 28477
analysis of psychopathological & psychoethanological phenomena, implications for phylogenetic model of psychosis, 4134
antiparkinsonian drugs, psychotic symptomatology, 34–76 yr old Parkinsonian patients, 18143
application of self-psychology concepts to psychotherapy, 30 yr old male psychotic patient, 28664
art, diagnostic assessment of psychosis, literature review, 9672
art therapy, psychotic patients, 28552
attachment to mothers with history of nonorganic psychosis, high-risk 11.5–14.5 mo olds, 4219
autism & symbiotic psychosis & severe deficiency, self mutilation, young adults, 4293
bilateral skin conductance & heart rate & CSF monoamine metabolite levels & psychotic symptoms & habituation, 19–44 yr old unmedicated schizophrenic vs paranoid patients, 9614
biochemical basis of niacin as antidote to acute LSD- induced psychedelic psychosis, 6128
brief hospitalization in psychoneurological dispensary, psychiatric patients, 15490
characteristics & outcomes, young adults with mild or moderate mental deficiency with & without psychosis, 1347
chronic mental illness vs "chronicization" of treatable psychoses, hospitalized psychiatric patients, Italy, 31710
clinical & ethiopathogenic variables, epileptic psychosis patients, West Germany, 1960–79, 12345
clinical & hormonal aspects of postpartum psychosis, 15–45 yr old females, Zaire, 28223
clinical features & family history & hypothalamic-pituitary-adrenocortical axis function, patients with major depression with vs without psychotic features, 1371
collective interviews & observations of family relations, creation & revelation of psychotic state, young psychotic inpatients, 4131
combined in- & outpatient long term treatment, 17–74 yr old psychiatric patients with endogenous psychoses, 18330
commission of crime of violence, 14–83 psychotic vs nonpsychotic offenders evaluated at court psychiatric clinic, 6916
concept of form in work with psychoses, 1797
concept of "limits" in psychoanalytic treatment of psychosis, 17906
course & prognosis, endogenous-phasic psychosis, adolescents with atypical vs affective psychosis, longitudinal study, 17494
course of psychosis in early schizophrenia, hospitalized patients, 1- & 2-yr followups, 28201

day care program, psychopathology & attitudes toward mental illness & treatment, chronic psychotic patients from lower SES backgrounds, 2141
de Clerambault syndrome, female, 22710
delayed punishment procedure mediated by playing segment of tape recorded tantrum behavior, suppression of tantrum behavior in public, psychotic vs emotionally disturbed vs mildly retarded 10–13 yr olds, 20880
dermatoglyphic patterns & chromosomal abnormalities & constitutional factors as markers in psychosis, India, conference presentation, 28257
dexamethasone suppression test, 21–49 yr old patients with postpsychotic or major depression, 22775
diagnosis & treatment of multiple personality concurrent with psychosis, 39 yr old female with history of psychiatric admissions, 31295
differential diagnosis of borderline vs psychotic disorders, 17521
differentiation between hypokalemic psychosis & exacerbation of schizophrenia, 60 yr old female with chronic schizophrenia, 10272
dimensional assessment of course of endogenous psychosis, 17543
drug therapy vs psychotherapy, psychosis, 10092
efficacy of ECT, phencyclidine-induced psychosis, 17–18 yr old patients with history of drug abuse, 15579
efficacy of emotive reconstructive therapy, neurotic vs personality disordered vs psychotic 20–61 yr olds, 1855
ego & complementary perspectives of psychosis & physiological aging, 5530
ego activity & self representation, psychotherapy, psychotic patients, conference presentation, 4642
epidemiology of mental disturbance during pregnancy, index females with history of nonorganic psychosis, 20308
epidemiology of psychosis, Ireland, 14746
etiology of psychotic symtoms, 19–44 yr olds with anorexia nervosa or bulimia, 28446
evaluation of hierarchical model of personal illness by G. A. Foulds, patients with functional nonaffective psychoses, 3-yr followup, 22689
eye tracking & attentional & psychometric correlates of psychopathology, 20–60 yr old schizophrenic & nonschizophrenic psychotic & schizotypal & neurotic patients, 22787
family collaboration method, psychoanalytic treatment in day hospital, adult psychotic patients, 18221
family history & diagnosis, 6–12 yr olds with psychosis & depression, 28194
family history & disease onset & symptoms, patients with puerperal psychosis vs schizophreniform variant of manic depression, longitudinal study, 4179
fear of strangers, infants of mothers with nonorganic psychoses during 1st yr of life, 6822
folic acid & vitamin B12 serum & erythrocyte levels, 20–94 yr old patients with senile dementia & psychosis & opiate addiction, 20187
frequency & severity of positive thought disorder, schizophrenic vs manic vs psychotic patients, 14702
Freudian view that all psychosis is conflict between self & exterior world, 16173
guidelines for use of Forms S & D of Lists of Integrated Criteria for Evaluation of Taxonomies, nonaffective psychoses & depressive syndromes, 22762
haloperidol vs trifluoperazine vs thioridazine vs fluphenazine decanoate vs thiothixene perphenazine vs chlorpromazine, plasma neuroleptic & homovanillic acid levels, psychotic patients, 15297
history & organization of day-care hospital, psychotic adolescents, 23535
home hospitalization system, 39 yr old female psychotic patient, 2104
hyperbaric oxygen, psychiatric disturbances, patients with severe craniocerebral injury, 4456
hypnotic susceptibility & hypnotherapy, psychotic patients, literature review, 2019
hypnotic trance induction, hysterical psychosis, 22 yr old female, 15352
hypnotizability & hypnotherapy, psychotic patients, comment on J. Scagnelli-Jobsis's review, 2033
hypnotizability & hypnotherapy, psychotic patients, reply to criticism by D. Spiegel, 2031
importance of Rorschach content in work with psychopaths & psychotics, discussion of teenage sex murderer in "The Fifty-Minute Hour" by R. M. Lindner, 10135
Impulsive Nonconformity Scale, assessment of impulsive antisocial behavior in prediction of psychotic-like & schizotypal symptoms, college students, 9535
ingestion of isosafrole, development of schizophrenic-like psychosis, 19 yr old male, implications for biochemical model for schizophrenia, 14688
intermediate structures & bipolar technique, prevention of chronicity & dependency & regression in psychosis, 1771
interview procedure using amobarbital sodium, differential diagnosis for catatonia, 48 yr old Black male with late onset psychosis with cultural features, 1451
language lateralization & neuropsychological correlates of psychotic disorders, review of bilingualism data, 22691
late onset psychosis, Nazi concentration camp survivors 35 yrs after trauma, 25512
linear disease model of psychopathology, development of endogenous psychoses, 25581
lithium-depamide, manic depression & depression & cycloid psychosis, 35–65 yr olds, 31497
lithium treatment, remission of psychoses, psychotic patients with variant red blood cell/lithium ratio or schizophreniform diagnosis, 15291
major depression with mood-congruent vs incongruent psychotic features, outcome, psychiatric patients, 40-yr followup, 20248
meaning & function of psychosis, 1366
medical & psychiatric & social problems in evolution of psychiatric illness, physician-patient relationship & coordination of services & treatment compliance, abusive patient with heart disease & alcoholism, 25535

methodological concerns & social influence of public opinion polls, 8268
number of handicapped TV game show contestants as indication of social attitudes toward handicapped, 20204
opinions on mental illness, 18–76 yr old community residents, Israel, 30978
perceived vote outcomes vs actual vote behaviors, eligible voters, test of spiral of silence theory, 17207
perception of community attitudes toward mental illness & news coverage of mental health issues, TV news staff & mental health workers, 28148
perception of crime & violent criminals & swindlers, high school students & adults, Australia, 22848
perceptions of risk of criminal victimization & preventive measures taken & attitude toward crime prevention & criminal justice system, general public, Canada, 30689
preparedness & reactions to warnings & knowledge of crisis relocation for nuclear attacks, adult citizens, US, 26837
public attitudes concerning penal & correctional measures & punitiveness, Canada, 14392
public attitudes toward reliance on social security in retirement income, adults, 5440
public attitudes toward social welfare expenditures, 6410
public opinion & fear, nuclear war, 20–50 yr old shopping mall customers, 13358
public opinion on nuclear armaments & psychologists' role in issue, 25250
public support, attitudes toward feminism & Women's movement, 27892
satisfaction with police officer/citizen communication, citizens, implications for role of police organizations, 32296
situation-specific vs transsituational factors of SES & motivational attributes, generation of policy-relevant knowledge, mail survey respondents, 17346
social feminism & need for study of female social attitudes in research on public opinion, US, 1171
strategies for measurement of consensus, public evaluation of crime, 29696
style & meaning & message, public reactions to communicated information, respondents, 16834
support for citizen involvement in health planning, health care professionals vs general public, 7525
survey of use & perceptions of newspapers, adults, 16816
teaching of breast self-examination & cervical screening techniques, opinion concerning early treatment & practice, females, 10347
use of role playing situation, measurement of attitudes toward drunk driving, adults, 17290
voter behavior & impact of economic conditions, government electoral behavior, Western democracies, 25353
Public Policy [See Government Policy Making]
Public Relations
extensive police presence vs reinforced foot patrol unit in high crime neighborhood, attitudes toward police & their community, citizens, Israel, 6539
internal & external communication duties of British Psychological Society's new information director, 31909
public relations campaign, growth of pastoral care program, 15450
public relations techniques, school psychologists, 13024
Public School Education
academic achievement in secondary school, alternative vs public school students, Canada, 7889
application of Theory Z to management of public schools, 26483
attitudes toward grade inflation, deans of colleges of education at private & public institutions, 13020
basic goals of teaching & public education, 29114
cognitive morality & moral behavior, 6th graders from secular vs religious school, Israel, 8017
college enrollment, high school seniors from public vs Catholic vs other private schools, 7852
corporate involvement in public schools, 2318
factors leading to erosion of segregation in public schools, 26472
funding & philosophy & services & population served & parental involvement & staffing practices & standards & governance, private vs public early special education programs, 29364
history of orientation toward academic excellence at Central High School in Philadelphia, 10651
implementation of individualized education program in public schools, kindergarten through 5th grade regular & special education students, 15881
indoctrination of patriotic ideologies in public schools during economic recessions, New Zealand, 15666
minimum competency testing programs & standards for promotion & retention in public education, 26574
organizational currents & triangulation in study of public school system, public school personnel, 31993
perception of effectiveness of public elementary & secondary schools, superintendents vs principals vs teachers, US, 29140
private vs public schools, academic achievement, high school seniors, 10-yr longitudinal study, 23760
role of education in preparation for achievement in school & life, Blacks, conference presentation, 7857

standardized interview, current practices & problems in public school testing programs, program coordinators, 26694
typology of occupational stress, public school administrators, 29144
urban decay & public school systems, 7856
vocational & practical & preprofessional public education levels, academic motivation, students, 32011
voice clinic program in public schools, public understanding & management of voice disorders, followup study, 23852
voice disorder training, perception of disorders, public school teachers, 29127
Public Sector [See Also Government, Government Agencies]
analysis of litigated employment discrimination cases, Hispanics in public sector, 1978–83, 1128
assessment centers in local government settings, selection & promotion, employees, 18789
attitudes toward interdisciplinary training program, psychiatric residents & social work graduate students & faculty members & paraprofessional case workers, 5122
context of strategic management in public sector, implications for program evaluation & research, 23984
family-larger systems interview method, relations between large public sector systems & families, 15203
personnel management in public sector, Japan, 8197
private vs public ownership of mental health services, institutional performance, 21031
pros & cons of careers in public mental hospitals, psychiatrists, 21202
public vs private responsibility, mental health & substance abuse services, conference presentation, 21027
service provision & client utilization of public service organizations, clients, implications for comprehensiveness of care, 2054
sex, type of appointment vs tenure vs rank vs salary, administrators & faculty of public comprehensive college, 15694
Public Speaking
climate setting in personnel training situation, 26752
misattribution of physiological arousal, tension & nervous symptoms during public speaking, high vs low speech anxious female college students, 1255
needs & behavioral styles, addressing various audiences, training implications, 26733
neuro-linguistic programing vs self control desensitization, public speaking anxiety, college students, 31463
respiratory relief therapy, public speaking anxiety, college students, 18060
role of audience design in theories of understanding, 349
self instructional training vs skills training vs flooding & home practice & role of cognitions, public speaking incompetence & generalization of treatment effects, Ss with speaking anxiety, 10222
social skills training vs behavior acquisition & anxiety reduction vs group discussion, anxiety & public speaking, female college students, 4720
techniques for teaching verbal presentations, gifted students, 2503
training in speech skills alone vs with anxiety control skills with vs without paradoxical instructions, public speaking anxiety, college students, 20889
Public Transportation
public hearings, understanding of highway improvements, community residents, US, 25347
Public Welfare Services [See Community Welfare Services]
Puerto Rican Americans [See Hispanics]
Puerto Rico
attitudes toward English as second language, 17 yr old high school students, Puerto Rico, 21384
attitudes toward school & teachers & self on mainland vs in Puerto Rico, circulation vs returning female vs male migrant students, Puerto Rico, 2483
demographic characteristics & personality & attitudes, 20–72 yr old female entrepreneurs, US vs Puerto Rico, 18776
educational problems, students returning from US, Puerto Rico, 21389
empowerment goals, rural community development, Puerto Rico, 11869
Eysenck Personality Questionnaire, assessment of cross cultural differences in personality, males vs females, Puerto Rico vs Great Britain, 29723
parental support & control, identification with father vs mother, male vs female high school students, West Germany vs US vs Spain vs Puerto Rico vs Mexico, 25236
personality & interpersonal predictors of loneliness, college students, US vs Puerto Rico, 28086
reliability & validity of MMPI translated into Puerto Rican Spanish, 15–18 yr old high school students vs students returning from US vs clients at mental health centers, Puerto Rico, 19049
reliability of translated Self-Esteem Inventory, Puerto Rican Spanish speaking 15–18 yr olds, mainland US vs Puerto Rico, 2940
self concept & perception of physical & social & cultural aspects of new vs old environment, 14–18 yr old migrants returned from US, Puerto Rico, 19913
Spanish translation of Whitaker Index of Schizophrenic Thinking Form A, psychodiagnosis, 18–65 yr old acute & chronic schizophrenics vs depressives, Puerto Rico, 17534
structural relationships & degree of meaningfulness in word associations, concept of death, college students, Puerto Rico vs US, 17393
Pulse (Arterial) [See Arterial Pulse]
Punishment
anti-drunk driving movement & perceived certainty of punishment, deterrence, potential drunk drivers, 6555
anticonvulsant & antipunishment effects of toluene, rats, 19738
attitudes toward corporal punishment in schools, parents of military dependents, 32094
bonus for cooperative choice vs penalty for noncooperative choice, rate of cooperation in social dilemma situations, college students, 20114
brief shock as punishing stimulus, RT & skin resistance, college students, 688
continuous vs partial reinforcement vs partial punishment in 1 trial/day conditioning, resistance to extinction, male rats, 8656
delayed punishment procedure mediated by playing segment of tape recorded tantrum behavior, suppression of tantrum behavior in public, psychotic vs emotionally disturbed vs mildly retarded 10–13 yr olds, 20880
development of Catalan-language scale, measurement of susceptibility to punishment, 2nd-yr medical students, Spain, 11194
dose of diazepam vs ethclorvynol vs chloral hydrate vs tertiary-butanol vs ethanol, response rate during operant schedule involving alternation of punished & unpunished responding, rats, 24967
evolution of punishment & incorporation of punitive & reformative & preventative approaches in penal philosophy & practice, India, 26359
fear of crime, attitudes toward punishment of criminals, general public, France & Canada & US, 30658
gamma-butyrolactone &/vs sodium pentobarbital, rate of punished lever pressing, rats, 3484
group cohesiveness & drive & productivity, leader reward & punishment behaviors, municipal & state & mental health service employees, 21623
hippocampal theta-driving septal stimulation, proactive behavioral effects on conditioned suppression & punishment, rats, 27498
issues of love & care & control & punishment, implications for social work & family therapy, 7331
justice model vs rehabilitative ideal as basis for criminal sanctioning policy, 14394
legislation with fines & therapeutically oriented sentences vs criminal law approach, recidivism, drunk driving offenders, Scandinavia, 20032
levels of damage vs culpability vs recompense, judgments of deserved punishment, 4–9 yrs olds vs adults, 22279
mass media broadcasting of punished vs rewarded violence, homicide rate, US, 13928
parents vs police as complainant, legal sanctions, juvenile offenders, 22503
perceptions of appropriate services for juvenile offenders, juvenile court vs social service vs community mental health center personnel, 28959
preliminary models of social control, threat of sanction & peer group influence & marihuana use & deviant behavior, 10th graders, 3-yr longitudinal study, 4326

problem of philosophical analysis of religious concepts of punishment & reward, 8296
psychoanalytic theory & punishment, 8334
public attitudes concerning penal & correctional measures & punitiveness, Canada, 14392
punishment & loss of rights & treatment/rehabilitation, eradication of criminal activity, delinquents, 31768
punishment & retribution & deterrence & rehabilitation, criminal offenders, 4990
punishment vs moral education, children, 11820
racial or ethnic stereotype of perpetrator of job related or criminal infraction, punishment recommendations & recall of information, college students, 20103
recidivism-level-specific licensing actions, subsequent driving under influence, 1st vs 2nd vs 3rd drunk driving offenders, 20041
risk of legal & informal sanctioning & internalized normative constraint, subsequent involvement in delinquency, 8th–12th graders, test of H. G. Grasmick & D. E. Green's deviance-inhibitory model, 20382
self reported driving behavior & perception of fines & jail sentences, drunk driving offenders who had had their licenses suspended vs revoked, 20042
seriousness of dishonesty & attribution of responsibility & low vs high status of offender judgment of socially proscribed acts, college students, 14512
severity of criminal sanctions, interpersonal networks, dealers of illicit drugs, 6-yr longitudinal study, 22505
shock location & duration, punishment-induced facilitation vs suppression, rats, 13756
shock punishment contingent on interresponse time, response rate & cessation of responding, adult squirrel monkeys, 8625
stimulus frequency & distribution & reinforcement schedules, response-specific learning in signaled punishment procedure, rats, 19324
student's gender & age & race & IQ level, choice of punishment, 22–70 female White public school teachers, 21395
thyrotropin releasing hormone & MK-771, punished responding, squirrel monkeys, 11581
transgressor & victim sex, importance of transgressor punishment vs victim assistance, 3rd & 5th graders, 9258
use of punishment as treatment modality & obligation of treatment providers, incompetent patients, 28581
vicarious punishment or reinforcement, time spent on imitative play, 4–12 yr olds, 11717

Punishment (Capital) [See Capital Punishment]

Pupil (Eye)

visual evoked responses, family with progressive myoclonus epilepsy with dilated pupils vs 20 yr old female with Lafora-type epilepsy vs 27–62 yr olds with grand mal epilepsy, 31174

Pupil Dilation

heart rate & pupillary response to cold pressor vs ego threat, Type A vs Type B 18–24 yr old males, 6675
pupillary response as indicator of activation of CNS, implication for studies of cognitive processes, 252
reliability of Bernell Occlud-A-Measure Scale, measurement of pupil dilation, college students, implications for studies of nervous system activation & cognitive processing, 2752

Putamen

bilateral microinjections of dextroamphetamine into nucleus accumbens or caudate putamen, stereotypy & locomotion, rats, 22221
dopamine depletion produced by 6-hydroxydopamine lesions of caudate-putamen, skilled forepaw use, male rats, 30150
haloperidol & metoclopramide vs clozapine & sulpiride & stimulation of putamen & caudate nucleus, head-turning, cats, 30143
performance of operant behavior & pargyline-induced inhibition of monoamine oxidase, turnover of dopamine in caudate-putamen & amygdala, male rats, 564
sex & turning preferences, asymmetry of dopamine & norepinephrine in caudate-putamen, rats, 3267

Pyramidal Tracts

neonatal pyramidal tract injury, axonal development & regrowth, rodents, 24768
short term anoxia, bioelectrical activity of pyramidal neurons & state of redox system, cats, 6001

Pyromania

relative frequency of arson vs pyromania based on psychiatric clinical observations, Canada, 31029

Q Sort Testing Technique

application of Q methodology, psychoanalytic study of political psychology, 29695
clinical psychology & use of Q-methodology & theory, 29774
development of inventory using Q-sort technique, measurement of real vs ideal beliefs about parenting, parents, 19077
discriminant validity of related constructs using Q-sort definitions of social competence & self esteem, 3–5 yr olds, 24306
merits of Q methodology in research, 16289
Q-analysis of R. Atkin vs W. Stephenson, 21792
Q-analysis of R. Atkin vs W. Stephenson, comments on P. Gould's article, 21786
Q methodology in advertising & mass media & Latin American policy, 21814
Q sort methodology, analysis of scientific paradigms in communication theory, 16221

Quadriplegia

art therapy, 18 & 52 yr old quadriplegics, 1804
passive range of motion exercise & positioning program, reduction of long term knee contractures, spastic quadriplegic severely mentally retarded 10–18 yr olds, 2187
physical disability, adjustment, 24 yr old quadriplegics, 20522
right to determine & cease treatment, 54 yr old female quadriplegic, case law, 14357
standardized psychomental stress model, hemodynamic response & plasma catecholamine, 20–55 yr old tetraplegic patients, 17744
visual-discrimination paradigm, assessment of perceptual-cognitive abilities, neurologically impaired 26 mo old male with quadriplegia, 14903

Quails

agonistic behavior & levels of plasma luteinizing hormone & androstenedione & dihydrotestosterone & corticosterone & testosterone, male Japanese quail, 19422
conditioned fluid aversion as index of motion sickness, Japanese quail, 5858
domestication, development of wing-flapping rate & lateral flight & wing area & ratio of wing area to body weight, Japanese quail & chickens, 438
individual differences in sexual & aggressive behavior, testosterone-dependent morphological characteristics, male Japanese quails, 27420
proposal for standard ethogram coding & presentation of behavior patterns, bluebreasted quails, 5582
simulated predator eye illumination, tonic immobility duration, 6 wk old Japanese quail, 3217
ventricular implants of testosterone & 5-alpha-dihydrotestosterone & estradiol benzoate, calling & locomotor activity, castrated male Japanese quail, 9034

Quality of Life

activity patterns & concepts of leisure & perceptions of time & present position in life, day- vs night-shift production-line workers, implications for occupational therapy, 11017
assessment of nutrition status & mothers' perceptions of quality of life & immunization & cause of infant death, 21–39 yr old mothers & their 3–14 yr olds, rural Nigeria, 20573
construction of instrument, measurement of well-being & quality of life, chronically & terminally ill patients, 5620
daily life events & quality of life, elderly, 25227
extra costs of daily living, mentally handicapped adults & children, 9828
hospice concept & nontreatment & devaluation of human life, mentally retarded, comments on D. Gibson's contentions, 1599
hospice concept & nontreatment & devaluation of life, mentally retarded, 1596
hospice concept & nontreatment & devaluation of life, mentally retarded, comments on D. Gibson's contentions, 1595
hospice concept & nontreatment & devaluation of life, mentally retarded, comments on D. Gibson's contentions, 1613
hospice concept & nontreatment & devaluation of life, mentally retarded, reply to J. Ellis & R. Luckasson & A. Gordon & W. Wolfensberger, 1597
issues of euthanasia & quality of life, newborns with severe handicaps, 14979

life span perspective, individual & sociocultural factors in choice & well-being & quality of life, 16898
lifestyle & quality of life, adults, Japan vs France, 9369
living conditions, elderly vs children, US, 1960 vs 1984, 11867
loneliness & marital adjustment & vocational burnout, pastors & their wives vs nonpastoral males & females, 22453
marital status & living arrangements, well-being, community residents aged 65 yrs & older, 19900
music & dance & drama & art education, quality of life & functional skills, severely mentally retarded 3–21 yr olds, conference presentation, 15891
music participation program, life satisfaction & music attitudes & self concept & quality of life, 60–95 yr old nursing home residents, 10492
neuropsychological status, quality of everyday life functioning, patients with chronic obstructive pulmonary disease & neuropsychological impairment, 25874
oral history & associated reminiscence, well being & quality of life, aged, 30501
organizational work experiences, overall quality of life, employees, 24026
perceived support & internal control over health & self esteem & attitudes toward illness & psychological factors, quality of life, 27–98 yr olds with various forms of arthritis, 31133
personal & social religious beliefs, quality of life & aging experiences, families, 30377
problems & morbidity & quality of life, informal caregivers of elderly clients, implications for health & social services, 21020
proposal of dependency rule & medical indications policy as alternatives to autonomy criterion & quality of life, decision-making in care of elderly patients, 28591
provision of services & quality of life, severely handicapped & unborn known to be disabled, 4858
psychological indicators of well-being in assessment of quality of life, recommendations for community psychologists, 26970
public vs community residential facilities, quality of life, mentally retarded residents, 12809
qualitative assessment of social & physical environment, life satisfaction, rural 60 yr olds & older, 30381
quality of life & psychological well-being, elderly retirement community & neighborhood & congregate-housing residents & depressed patients, 9116
Quality of Life Scale, assessment of deficit symptoms, schizophrenic inpatients, 16327
quality of life, 35–65 yr old male coronary artery revascularization patients at 3–5 & 6–8 mo postoperation, 7558
rapid industrialization, perception of quality of life, Whites, South Africa, 22421
savings & investments & standard of living & family life & spare time & housing & work, general well being, blue collar factory workers & white collar bank & car manufacturer employees, 13303
US government assistance programs, quality of life & mental health & poverty cycle, chronic welfare recipients & street criminals & alcoholics & drifters & mentally ill street people, 9344
validation of Anamnestic Comparative Self-Assessment scale, assessment of subjective quality of life, 16–81 yr old patients with malignancies, 5597
videogames, self esteem & affect, elderly residents of long term care facility, 26336
work vs nonwork factors, perceived quality of life, 24027

Questioning

ability to recognize comprehension difficulties & implementation of strategies for resolving them, 31–51 mo olds, 25140
adjunct question aids & hierarchical organization of text materials, text comprehension, educable mentally retarded high school students vs normal 1st graders, 12304
age & attention to & verbal labeling of target & nontarget stimuli, question asking in referential communication, 5 vs 8 yr old dyads, 6318
alternative question forms for attitude scale questions in telephone interviews, 16348
analysis of questions asked by parents during dyadic play, parents & their 2–3.3 yr olds, 995
asking closed vs open question, response rate in interviews, retired soldiers, 13504
classification of research questions in education, 23684
classroom seating position, frequency of receipt of teacher questions, 2nd–3rd graders, 8025
conditions that lead to asking questions vs exploring or pondering or trial & error, experts vs novices, implications for action-theoretical format of planning information, 11386
degree of politeness & speech level, judgment of social distance vs closeness between questioner & persons being questioned, 7–14 yr olds, 9248
dialectical inquiry vs devil's advocate approach of inquiry, performance in business environment, college students & managers, 32256
expectations concerning target person's personality, number of questions asked of unknown person, college students, reexamination of G. R. Semin & F. Strack's & M. Snyder & W. B. Swann's studies, 30826
half-open question as tool in evaluation of teacher-pupil classroom interactions, teachers & students in 5th yr art classes, England, 2467
heightened awareness program for information extraction, question- answering behavior, 5th vs 8th graders, 10733
high- vs low-importance sentence targets & leading questions containing inconsistent information, recognition, college students, implications for coexistence of inconsistent memory traces, 5826
high vs average vs low student performance, wait-time in developing answers vs revisions to answers in classroom solicitation, high school foreign language students, 29293
hypothesis testing & questioning strategies, counselors, 21051
information vs command functions of questions, school children, implications for reading teachers, 5216
inserted questions, studying behavior of course related materials, college students & 5th graders, 10737
integration of systemic family therapy & Ericksonian hypnotherapy & use of circular questioning, 31 yr old depressed female, 20669
interturn pauses between questions varying in content & level of difficulty & answers, facilitation of communicative elements of conversations, 11635
introductions with rhetorical questions vs statements & high vs low issue involvement, processing of message content & thoughts & attitudes, college students, 11317
inversion in development of question form, 25–47 mo olds, 27778
kinds of questions formulated, testing hypothesis about another's personality, college students, 14529
level of importance of postquestions, understanding & recall of expository text, 5th grade readers, 7948
main idea prequestions, understanding cause-effect in prose, low average & good 6th grade readers, 10727
markedness of adjectival expressions in questioning, recollection of details from videotape of theft, college students, implications for eyewitness reports, 3100
metalinguistic awareness of pragmatic rules concerning direct vs indirect requests for action vs information, 6 vs 7 vs 8 yr olds, 14119
metapragmatic knowledge of request function, 5–8 yr old students, 16999
more effective questioning of students, teachers, 26486
mystery box modeling strategy, comprehension & use of question forms, profoundly hearing impaired 16–17 yr old students, 5338
number of previous convictions, interrogative suggestibility, 11–16 yr old delinquent males, 6913
postreading question-answer segments & basal manual suggestions, 2nd grade teachers with 2–22 yrs teaching experience, 15790
pre- & postquestioning format of directed reading activity with stories & story structure, listening comprehension, kindergartners, 32026
prequestioning, recall of brand names of advertised products, graduate students, 29589
prior knowledge of answers, question answering, 5th graders with good vs poor reading ability, 10753
question-answer relationship training, comprehension question performance, 6th graders, 23756
question-response-feedback interactions during basal reader instruction, 4th grade teachers & their reading groups, 29215
question type & task type & individual differences, lateral eye movement & hemisphere asymmetry, college students, 19471

question type in textual reading, understanding retention of biology concepts, college students, 7912
questioning cueing before reading, reading flexibility & attention allocation in question answering, 4th vs 6th graders vs college students, 10763
reading anxiety scales vs non-anxiety reading measures & prequestions, prediction of reading comprehension & reduction of anxiety, reading-anxious college students, 15915
relationship & individual effects in dyads in groups, self disclosure & questions asked, graduate students, 20099
responses to different types of questions, low vs middle SES 3.5–5.2 yr olds, 27773
rhetorical questions, target of receiver elaborations & source processing & persuasion, college student business majors, replication of study by R. E. Petty et al, 24086
role of questions in problem solving, 13687
self- vs experimenter-generated questions, learning from museum case exhibits, college education majors, 26571
self concept & preconceptions, information seeking & impression formation, female college student dyads, 22612
self questioning procedure modeled on cognitive behavior modification, sentence elaboration & recall, 5th–7th graders, replication of research by J. D. Bransford et al, 2422
self questioning vs summarizing, free recall & performance on objective & essay tests, college students, 21313
social meaning of questions in court discourse, 30677
subject-auxiliary inversion in yes-no questions & non-inversion errors in wh-questions, 2.5–3 yr olds, 9175
teacher questioning, problem solving behavior, 17–20 yr old mentally retarded students, 23822
test of additive stage process model of answering yes-no questions, college students, 5800
time limit & access to questions & text- vs reader-based questions, response accuracy & frequency of lookbacks, college students, 11315
training program in questioning strategies, remedial reading, intermediate & middle school students, 23865
types & number of reading comprehension questions in teachers' guides for basal reading textbooks used at 4th-grade level, 13027
use of interrogative words & structures & linguistic environment, 2nd vs 4th vs 6th graders, 27780

Questionnaires

advantages of visual analog scales on questionnaires in self evaluation of anxiety, psychiatric patients, 29718
age norms & reliability & scale intercorrelations for impulsiveness questionnaire, measurement of impulsiveness & venturesomeness & empathy, males with mean age of 11.9 yrs vs females with mean age of 12.6 yrs, UK, 11140
analysis of categorical data in survey questionnaires, 2818
analysis of mail survey research, nursing education, 21727
analysis of questionnaire items for classification of pain & evaluation of treatment & prediction of outcome, 22–70 yr old chronic pain patients, 16304
Chinese translation of Offer Self-Image Questionnaire for Adolescents, male vs female 9th graders vs adolescent factory workers, Taiwan, 24303
comparison of French translation of commitment questionnaire by R. T. Mowday et al & J. D. Cook & T. D. Wall's commitment scale, assessment of organizational commitment, 17–19 yr old cadets, 11169
concurrent validity of questionnaires in population studies, assessment of drug use, 18 yr old male military conscripts & 9th graders, Sweden, 29734
construction & evaluation of cognitive dysfunction questionnaire, epileptic 6–13 yr olds, educational implications, 11118
construction & reliability & validity of questionnaire for self evaluation of depressive symptomatology, patients, 24286
construction & validation of questionnaire, selection of morning- vs evening-type persons, 19073
construction of Cognitive Bias Questionnaire for Children, assessment of cognitive bias & depression relation, psychiatrically disturbed 8–16 yr olds, 29746
construction of Dartmouth Pain Questionnaire, assessment of complaints & interventions & functioning, medical patients, 5605
construction of self administered questionnaire, measurement of body image & marital relationship & attitudes toward sex & pregnancy & motherhood, females in late pregnancy & after delivery, 5633
construction of sexual attitudes questionnaire, female vs male college students, 27013
cross national validation of Client Satisfaction Questionnaire, community mental health outpatients, Holland, 5606
demographic & personality & attitudinal biases, return of postnatal questionnaires, mothers sent questionnaire 4–6 wks after delivery, 14568
development & evaluation of Multimethod Job Design Questionnaire & job design taxonomy, prediction of job design-outcome relationships, 19–63 yr old employees & supervisors, 13537
development & reliability & discriminant & construct validity of Agoraphobic Cognitions Questionnaire & Body Sensations Questionnaire, assessment of fear of fear, agoraphobics, 13540
development & validity & standardization of parental questionnaire, measurement of temperament variables, 6 mo olds, 5647
development & validity & test retest reliability of Personal Authority in Family System questionnaire, measurement of family processes based on intergenerational family theory, nonclinical 19–62 yr olds, implications for family therapy, 8395
development & validity of Self-Image Questionnaire for Young Adolescents, 6th graders, 24284
development of Infant Characteristics Questionnaire, measurement of perception of infant difficultness, mothers of 4–6 mo olds, 5596
development of modified life-event questionnaire, female graduate students & single & partnered mothers, 8424
development of pre-employment experience questionnaire, assessment of applicant experiences & training, job applicants, 18795
development of questionnaire, assessment of achievement motivation, male middle managers, Israel, 29778
development of questionnaire measuring activism regarding nuclear arms race, 20–85 yr old peace activists & religious teachers & graduate students & Republican party members & defense industry workers, 24307
development of self disclosure questionnaire, assessment of disclosure about personal feelings & response to health care & lifestyle, 15–80 yr old patients, 11131
dimensionality of Body Focus Questionnaire, assessment of body awareness, reply to criticism by J. Reihman & S. Fisher, 157
factor analysis & validity of Beth Israel Alexithymic & Psychosomatic Questionnaire, psychiatric outpatients, 11144
factor analysis & validity of General Health Questionnaire, assessment of psychiatric disturbance, 20–60 yr old male patients of general practitioners, 8410
factor analysis of social resources measures in OARS Multidimensional Functional Assessment Questionnaire, social resources & mental health, Ss aged 62 yrs old & older, 24236
factor structure & reliability & constant validity of Sleep Questionnaire, sleep assessment, 28–86 yr olds, 11134
factor structure of Chinese version of Supervisory Behavior Description Questionnaire & relationship between subordinate perception of leader behavior & leader performance & job position, military enlisted men & low military staff, Taiwan, 13233
factor structure, Study Process Questionnaire, college students, 29440
gender differences on subscales of Cognitive-Somatic Anxiety Questionnaire, assessment of effects of relaxation on anxiety, college students, criticism of study by G. E. Schwartz et al, 11137
Illness Behavior Questionnaire, differentiation of conscious exaggerated symptoms & neurosis, pain clinic patients & public utility members, 16305
implicit leadership theory, descriptions of actual leadership behavior & susceptibility of leadership questionnaires to response bias, college students, 28043
individual differences in hemispheric organization based on schizotypy scale & development of STQ questionnaire based on distinction between schizotypal & borderline personality disorder, 26995
internal consistency of short form of Questionnaire on Resources & Stress, parents of handicapped & nonhandicapped children, 25502

interpretation issues in Body Focus Questionnaire, comment on points made by E. Iagolnitzer & M. Bruchon-Schweitzer, 115
item factor analysis of Waring Intimacy Questionnaire, married college students vs 19–74 yr old psychiatric inpatients vs 25–83 yr old adults, 27041
level of interest in topic, response to initial mail questionnaire vs follow-up, manufacturing companies, 2814
marketing readiness survey, assessment of understanding applicability of marketing & facilitation of team discussions & needs assessment, practitioners & agencies promoting mental health services, 2734
McGill Pain Questionnaire, differentiation between reversibly & irreversibly inflamed tooth pulp, 14–68 yr old dental patients, 5624
McGill Pain Questionnaire, identification of pain syndromes, rheumatoid vs degenerative arthritis vs cancer patients, 178
mode of questionnaire item presentation, scale reliability, college & graduate students, 207
monetary incentives, mail questionnaire response rate, professional business executives, 87
peer tutoring questionnaire, evaluation of tutoring training course & assessment of competence, college students, 21460
predictive value of Cognitive Failures Questionnaire vs Test Anxiety Scale, assessment of cognitive interference & test anxiety in group testing situation, female college students, 21522
Presleep Arousal Scale, self report assessment of presleep state, 21–65 yr old normal sleepers vs insomniacs, 21768
probability of answering sensitive question & proportion of population with nonsensitive characteristic, frequency estimates in randomized response design, college students, 19031
questionnaire construction, measurement of responsiveness to spiders, spider phobics, 8442
questionnaires vs observation methods, collection of data on behavioral mapping in unrestricted outdoor environments, pedestrians, 2810
rating scales vs questionnaires & mental tests, assessment of anxiety, 8379
reliability & validity, Home Environment Questionnaire for 1- vs 2-parent families, families of 4th–6th graders, 5652
reliability & validity of Automatic Thoughts Questionnaire, frequency of depressive thoughts & absenteeism, factory workers, 24220
reliability & validity of Primary Prevention Awareness Attitudes & Usage Scale, assessment of alcohol & drug usage & attitudes, 7th–12th graders, 13607
reliability & validity of questionnaire assessing psychic & somatic complaints, aged, 16322
reliability & validity of questionnaire for assessment of malaise, cancer patients undergoing radiation therapy, 21759
reliability & validity of questionnaire formats, assessment of image of US vs UK vs Japan vs West Germany vs Israel, managers, Israel, 11154
reliability & validity of Waring Intimacy Questionnaire, measurement of marital intimacy, married Ss & psychiatric inpatients, 8441
reliability of English & Spanish version of Client Satisfaction Questionnaire, Anglos vs bilingual Hispanics, 29765
reliability of self report Personality Diagnostic Questionnaire vs DSM III-oriented clinical interview vs Diagnostic Interview for Borderline Patients, assessment of borderline personality disorders, 18–45 yr old outpatients, 2910
score profiles on Illness Behavior Questionnaire, measurement of illness attitudes, 28–65 yr old patients suffering from affective or conversion or transient or depressive or diagnostically uncertain disorders, 6832
self report questionnaires & sociometric-like techniques for development of compound profile of interactions, 18–22 yr old males, 19010
self report vs dichotic listening techniques, measurement of brain lateralization, college students & hospital workers, 8787
service evaluation questionnaire, measurement of satisfaction, patients, 5641
simulative vs dissimulative vs insincere attitudes toward testing in psychological research, intensity & quality of aggressive behavior, experimental Ss, 5562
stability & internal consistency & predictive validity of Master Questionnaire, assessment of obesity & treatment-related change, clinically obese patients in behavior &/vs drug therapy, 5655
structural model of dimensions of Life Satisfaction Index-A, elderly 65 yrs & older, 19079
Subjective Vitality Questionnaire, measurement of attitudes toward usage of Italian vs English, Italian vs English 12th–13th graders, Canada, 25170
temperamental characteristics & face validity of revision of Infant Temperament Questionnaire, 4–8 mo olds, Taiwan vs US, 27854
translation of McGill Pain Questionnaire, Italy, 16343
unsatisfactory grade adjustment plan, improvement of GPA, failing students with adequate cognitive ability in rural school system, 8108
use of Positive Analysis Questionnaire, evaluation of laboratory simulation of work tasks & conditions, 5482
validity & reliability, shortened version of Client Satisfaction Checklist, Hispanic vs White vs Black community health center clients, 188
validity of Headache Assessment Questionnaire, discrimination between chronic vs occasional tension headache sufferers, college students, 29759
validity of Levine-Pilowsky Depression Questionnaire, assessment of major depressive disorder, psychiatric inpatients, 130
validity of Menstrual Symptom Questionnaire & scoring procedures, discrimination between spasmodic vs cogestive dysmenorrhea, female college students, 11176
validity of Position Analysis Questionnaire, assessment of job knowledge, experts vs college students, comments on & replication of J. E. Smith & M. D. Hakel's study, 133
validity of Severity of Alcohol Dependence Questionnaire, 20–75 yr old problem drinkers, Ireland, 29756
validity of Student Study Time Survey, assessment of study time, graduate & undergraduate students, 13214

Quinine
choice testing with quinine vs halogenated hydrocarbon contaminated water, prediction of fluid intake during forced exposure, mice, implications for experimental methodology, 2816
pleasantness & intensity of taste of sugar & salt & quinine solutions, cigarette smokers allowed to smoke vs smokers not allowed to smoke vs nonsmokers, 24377

Quinine Sulfate [See Quinine]

Rabbits
age differences & time of day, development of nipple-search behavior, 1–13 day old rabbit pups, 8593
bicuculline-induced epileptiform activity, development of receptive field properties in striate cortex & lateral geniculate nucleus, rabbit pups, 16790
blinking & eye movements, human vs pigmented vs albino rabbits vs pigmented guinea pigs, 24641
CS-US intervals & CS modality, transfer of conditioned nictitating membrane response, rabbits, 8633
devascularization of visual cortex, brightness & pattern vision, rabbits, 30188
gonadal steroids, behavioral dimorphism in mounting & pelvic thrusting, female vs male rabbits, 24942
incubation with monoclonal substance P antibody, vestibular end organs, young rabbits, 19534
lesion of dorsolateral interpositus nucleus of cerebellum, associative learning & memory, rabbits, 22116
lesions of cerebellar cortex, conditioned nictitating membrane response, rabbits, 30194
monocular flicker stimulation, flash induced nystagmus, New Zealand white vs Dutch pigmented rabbits, 24689
reductions in strength of original conditioned reflex, transfer of training across sensory modalities, female rabbits, 8634
structure of inferior collicular commissure, adult male rabbits, 22014
use of visual evoked cortical responses to determine ocular refraction & visual contrast sensitivity, pigmented rabbits, 8814
visual experience in early life & flocculectomy, vertical vestibulo-ocular, reflex, dark-reared 3 mo old rabbits, 30183

Race (Anthropological)
sociodemographic changes & history & sociopolitical events & sex & race, adolescents, US, 1900–80, 9087

theoretical issues on "mixed race" children & racial categorization system, Great Britain, 9388
Race Attitudes [See Racial and Ethnic Attitudes]
Race Relations [See Racial and Ethnic Relations]
Racial and Ethnic Attitudes [See Also AntiSemitism, Ethnocentrism, Racism]
attitudes toward Black African college student males & interracial marriage, 20–25 yr old female college students, France, 30612
attitudes toward client ethnicity, service delivery, child welfare workers vs minority workers in innovative ethnic settings, 10595
attitudes toward English & West Indians & Jews & Irish & Pakistanis, Indians vs Pakistani vs West Indians vs White British students in comprehensive school, England, 13119
attitudes toward federal spending & evaluation of government performance & civil rights, attitudes toward Blacks & disabled, participants in American National Election Study, 25344
attitudes toward racial busing, Whites, implications for L. Bobo's conflict theory, 22412
attribution of author race & essay quality, evaluations of essays, White experienced vs student teachers, 30814
autostereotypes & heterostereotypes, Jewish & Arab adolescents attending segregated high schools & living under different contact situations, Israel, 1043
beliefs & attitudes toward sex discrimination & female economic opportunity & racial equal opportunity, survey respondents over 18 yrs of age, 3770
Black vs White skin color intensity, prejudice, college students, 6463
changes in attitude toward Blacks on campus, White University of Alabama students, 1963–1982, 9375
changing conceptions of race & drugs, sentencing outcomes during antidrug crusade, drug offenders, 1963–76, 1148
choice of Cantonese or English or Mandarin by E, ethnic affirmation & perception of E, Chinese trilingual college students, Hong Kong, 30581
complexity & consensus of attitudes toward Americans vs Britons vs Indians vs Pakistanis vs several Mideastern nationalities, college students, Qatar & Bahrian, 6455
conservatism & authoritarianism & achievement motivation & self esteem & anxiety & attitudes toward Blacks & conformity, urban Afrikaners, South Africa, 6685
cultural paranoia that prevents disclosure to White therapists, Black psychotherapy clients, 26063
demographic characteristics & attitudes toward homosexuals & Blacks & women & elderly, male vs female 17–45 yr olds, 30580
development of semantic differential instrument, measurement of attitudes toward Black Americans vs Black American patients, White nursing students, 21766
ethnicity & sex & context of Aboriginal speech, personality judgments, urban White vs rural White vs Aboriginal 8th–12th graders, Australia, 19768
experiential group process, development of sensitivity to cultural identity & dynamics of power that affect treatment, clinicians, 23666
gap between Oriental & Western culture, Israel, 19956
interracial contact & race of child & age & sex, racial prejudice, Black & White 6th–10th graders, 14190
locus of control, anti-Black prejudice, Whites, South Africa, 1037
multivariate analysis of race attitudes response structure, 3803
on & off field attitudes & involvement in interracial interactions, Black vs White male varsity high school athletes, 18667
outgroup speech style & norms for in- vs out-group speech & ethnocentrism, attitudes toward Hispanics & Spanish language, 13 yr old Anglophone students, implications for effect of speech on intergroup attitudes, 19774
patterns of political tolerance & intolerance, Jews vs Arabs, 30607
perceived level of esteem for own vs 2 other ethnic groups, Black vs White vs Native American high school seniors, 27821
perception of personality traits & social behavior of different racial groups, White vs Black college students, South Africa, 27906
perceptions of barriers to Black political & economic progress, Blacks vs Whites in Deep South counties, 11866
perceptions of Black female vs male economic earnings superiority, male vs female Black vs White college students, 30576
psychodynamics & age & parallels with emotional & perceptual development & ethnic status, development of ethnic attitudes, children, literature review, 3570
race & sex & psychiatric symptoms & violent behavior, incarceration vs hospitalization, adolescents, implications for race bias, 7372
racial aversion, urban-to-rural migrants, 11861
racial or ethnic stereotype of perpetrator of job related or criminal infraction, punishment recommendations & recall of information, college students, 20103
racial self labeling & preference for counselor race, Black college students, 18267
racial threat vs self interest & new symbolic & old-fashioned racism, attitudes toward affirmative action programs, Whites, 30592
reactions to Blacks' career development, Whites employed in private vs public sector, South Africa, 18869
reactions to career advancement of Blacks to middle ranks, middle ranking White employees from private vs public sector, South Africa, 18870
reactions to racial vs psychiatric stigmata in job interviews, employers in medium-sized southern city, 23953
recall of opinions held 10 yrs ago on political & social issues, implications for reliability of attitude recall methodology in social science research, 9356
reliability & correlation of ethnic attitude assessment measures, 2.6–6 yr olds, 8427
role of ethnic & sex role conflict in origin of American slang terms for ethnic females, 17236
role of ethnocultural stereotypes & foreign languages in commercials, Japan, 24066
SES & age & sex, attitudes & beliefs about immigrants from Colombia vs Argentina vs Spain, urban Ss, Venezuela, 17148
SES & perception of surveyor, return rate of racial attitude survey, White neighborhood residents, 47
socio-psychological dynamics in pathological interracial romantic alliances, Black-White couples, 19977
stereotyped descriptions of & contrast with national/ethnic groups, college students, US, 3791
stereotypes of Black vs White Americans, Black college students, 1048
stereotypic perception of minority groups, 14273
Subjective Vitality Questionnaire, measurement of attitudes toward usage of Italian vs English, Italian vs English 12th–13th graders, Canada, 25170
transmission of racial attitudes, White vs Black fathers vs sons, 17165
Racial and Ethnic Differences
academic self concept & projected academic achievement & locus of control, Maori vs Pakeha students with mean age of 11.2 yrs, New Zealand, criticism of P. Ranby's article, 8005
academic vs financial vs family vs personal stressful events & preferences for sources of help, male vs female Black vs White vs Hispanic vs Asian-American college students, 32104
acculturation, MMPI performance, Anglo vs Mexican American college students, 17144
achievement orientation & self esteem & attitudes toward females & sex typing, educational achievement, 10th graders of different ethnic groups, Fiji, 27708
age & race & sex, platelet monoamine oxidase activity, Ss aged 18 yrs & older, 30131
age & sex & race & regional differences, smoking intentions, 6–12th grade nonsmokers, extension of work by L. Chassin et al, 22390
age vs sex, internal consistency of Index of Well-being, Blacks vs English- vs Afrikaans-speaking Whites, South Africa, 16353
aging & ethnicity & sex & SES & marital status, health, Mexican Americans vs Anglos 60 yrs of age & older, 4-yr longitudinal study, 11692
alcohol consumption patterns, American Indian vs White college students, 22564
alcohol consumption, 15–44 yr old Mexican American vs White females, 6606
alcohol use & existence of & amount required for flushing response, families, Korea vs Taiwan, 28012
androgyny & ethnicity, adjustment, 13.8 vs 15.9 yr olds from Anglo vs Greek vs Italian backgrounds, Australia, 3726

arithmetic & spelling ability & achievement, Black vs White educable mentally retarded 1st–12th graders, replication of J. E. Whorton & R. M. Wilson's study on reading discrepancies, 15903
assessment issues, culturally diverse exceptional children, literature review, 13204
assessment of social skills & validation of Behavioral Assertiveness Test for Children, Black vs White male vs female 4th & 5th graders, 24241
attitudes toward family values & need for closeness & emotional expression & separation-individuation, Japanese American vs White families with 13–21 yr old children, 30521
attitudes toward transference & countertransference issues with Black vs White patients, Black vs White vs Asian American psychiatrists & residents, 23617
attributions for academic success & failure, low achieving Anglo vs Black vs Hispanic vs Native American community college students, 10789
background factors, prediction of neurosis, adult Australians vs Greek vs Italian male vs female immigrants to Australia, 22697
behavioral characteristics & self concept, American Indian vs Caucasian 4–5.9 yr olds, 964
birth seasonality, Black vs White institutionalized schizophrenics with mean age of 58 yrs, 6773
brand loyalty & preference for familiar businesses & products & price consciousness, Mexican American vs non-Hispanic consumers, 29595
capacity for work & play & love, White vs Black adolescents with good levels of psychological adjustment from middle & upper SES vs working class backgrounds, 3721
career fantasies, prekindergarten through 1st grade White private school vs Hispanic barrio school students, 16891
cathartic vs social status approaches, measurement of expression of aggression in humor, Jewish vs Arab high school students, Israel, 17145
cerebral asymmetry & drinking history, American Indians vs Whites vs Blacks, 1210
change of career aspirations during college, male vs female Mexican-American vs Anglo students in 2- vs 4-yr colleges, 8020
characteristics of satisfying conversations with member of own ethnic group, Black vs White vs Hispanic college students, 11883
classification analysis of reading test performance, Black vs White college students, 21352
Client Satisfaction Questionnaire, assessment of attitudes toward community health center, Hispanics & other ethnic groups, 7606
clinical judgments of "easy" vs "difficult" clients, counselor trainees with mean age of 28.4 yrs, 2235
concurrent validity of Creativity scale of Scales for Rating Behavioral Characteristics of Superior Students, Mexican American vs Anglo American 3rd & 5th grade gifted students, 15906
constructive memory, low vs middle SES Black vs White 4th graders, 30443
consumption & shopping behaviors & media usage & durable goods ownership, French- vs English-speaking families, Canada, implications for advertising & marketing, 24080
conventional model of general medical practice & increasing heterogeneity of society, determination & delivery of health care, Great Britain, 23420
cooperative-group intervention, interracial friendships, male vs female White vs Black 5th & 6th graders, 30506
counselor sex & ethnicity & similarity of attitudes toward acculturation, rating of counselor credibility & attractiveness, Mexican American community college students, 7618
counselor's locus of control for family planning & ethnicity, rating of pregnancy counselor credibility, 18–35 yr old Anglo vs Mexican American females, 31651
cross cultural communications problems & treatment & adjustment to therapeutic milieu, self-correction remedial technique, psychiatric patient & college student dialect speakers of varied ethnic origins, 26317
cross cultural differences in verbal participation in group therapy, White vs Mexican American vs Native American alcoholic inpatients, implications for homogeneous or heterogeneous ethnic groupings in therapy, 28998
cross cultural training, empathic responses & attending behavior & anxiety during interviews with culturally dissimilar Black clients, 23–44 yr old White graduate trainees in counseling, 7764
cultural & socioeconomic factors, emotional health, bereaved Asian/African- vs Western- vs Israeli-born parents, Israel, 14729
cultural differences in Rorschach protocols, 5–83 yr old Skolts vs Lake Lapps, Finland, 30840
defense mechanisms & background characteristics, reactance to & acceptance of labeling, Black vs White heroin addicts in treatment, 28306
demand for health during preretirement years, Black vs White 45–59 yr old males, 22626
demographic & racial characteristics, compulsory psychiatric hospital admission, White vs West Indian inpatients, England, 28916
demographic characteristics & attitudes toward homosexuals & Blacks & women & elderly, male vs female 17–45 yr olds, 30580
demographic characteristics & attitudes toward seeking professional psychological help & preferences for counselors, 17–51 yr old Vietnamese vs White community college students, 29397
demographic variables & social conditions & ethnicity, prediction of foster care placement, children, 21019
determination of temporal variation in racial characteristics of rape in single city, 1971–75, 28334
development & validity of Wells-Bledsoe Motivation Checklist based on 8th graders' perceptions of adults' & peers' behaviors on school performance, White vs non-White 8th graders, 11197
dichotically presented CV syllables, cerebral asymmetry in speech processing, bilingual Crow Indian vs monolingual Anglo 1st–6th graders, 16899
drinking patterns & alcohol-related problems, Black vs White vs Hispanic 19–59 yr olds, 6598
ear advantage in dichotic listening task, Anglo vs Navaho Ss, replication of study by S. Scott et al, 16644
early socialization practices, ethnic groups, Philippines, 17030
ethnic group & yr, performance on SAT, American Indian vs Black vs Mexican American vs Oriental vs Puerto Rican vs White high school students, 1976–82, 10901
ethnic identity & SES & self concept, academic performance, Mexican American vs Anglo-American 8th graders, 29298
ethnic origin & gender & home environment, academic achievement, Black vs White preschool age children, UK, 32047
ethnic origin, cerebral asymmetries on computerized tomography scans, American Indians vs Blacks vs Whites 10 yrs of age & older, 11487
ethnicity & age differences, well-being, Anglo vs Black vs Mexican American 45–74 yr olds, 3790
ethnicity & age, emotional response to & perceived causes of & solutions for 1981 riots, female vs male nurses & doctors & other psychiatric hospital staff members, England, 1016
ethnicity & classroom social status, ratings of stressful experiences, Hispanic vs Anglo 4th–6th graders, 2492
ethnicity & family & church & community resources, ministry, aged, 6449
ethnicity & gender & SES, performance on mathematics strands, American Indian vs Asian vs Hispanic vs Black vs White female vs male kindergartners through 4th graders, 21364
ethnicity & geographical factors, psychiatric hospital admission, England, 28918
ethnicity & manifestations of child abuse, Anglo vs Black vs Hispanic victims & suspects, 22836
ethnicity & SES & age, sociolinguistic variation & accommodation, 5–12 yr olds, Hawaii, 939
ethnicity & SES, mainstreaming, profoundly deaf 13–14 yr olds with normal intelligence, 5325
ethnicity & sex & context of Aboriginal speech, personality judgments, urban White vs rural White vs Aboriginal 8th–12th graders, Australia, 19768
ethnicity & sex differences, conversational time patterns, 8 yr olds, Hawaii, 25162
ethnicity & socioeconomic status & home language, verbal & reasoning & quantitative & memory & motor abilities, Chicano vs non-Hispanic White 2.5 yr olds, 14061
ethnicity, consistency of reporting symptoms, 20–42 yr old Anglo vs Hispanic schizophrenics, 25584
ethnicity, recognition of facial expressions, college students, Zambia vs US, 12020

ethnicity, stability of Stanford Achievement Test reading & mathematics scores, Black vs White vs Hispanic hearing impaired students, 5-yr followup study, 15989
ethnicity, trait anxiety & self esteem & health locus of control & impact of illness, 10–21 yr old Hispanic vs White cancer patients, implications for use of behavioral intervention in cancer treatment, 28527
extent & type & duration of flushing, alcohol drinking behavior, White vs Chinese vs Filipino vs Hawaiian/part Hawaiian vs Japanese families, 16770
factor structure of Kaufman Assessment Battery for Children, Black vs White children, 11155
factor structure of 6 subtests of California Achievement Tests, Black vs White vs Hispanic male vs female 5th vs 7th graders, 13209
factorial design, testing of demeanor & race & sex effects in experimentation, college students, 9526
familial patterns of mental retardation, family members of Black vs White mildly vs severely mentally retarded, 17683
family attitudes, Japanese American vs White families with unmarried 13–20 yr old children, implications for family assessment & therapy, 30635
family interaction patterns, Japanese American vs White families, Hawaii, 22471
family structure, alcohol use, Black vs White 7th–12th graders, 30492
feminist vs ethnic ideology, Armenian vs Polish vs Italian vs Cuban vs nonethnic females, US, 25376
fertility rates, minority groups vs general population, Australia, 27905
friendship & family & church-related associations, personal well-being, elderly Blacks vs Whites, 3796
gender & race & class, levels of feminist orientation, 20–21 yr olds, 25363
gender & SES & race, self disclosure in psychotherapy, adult Ss, 15165
guidelines for counseling, interracial children, 23482
higher plasma haloperidol concentrations, schizophrenic patients, China vs US, 18133
history of withdrawal seizures, intellectual & neuropsychological differences, White vs Black male alcoholics, 17613
homogenous friendships, 60 yr old Blacks vs Whites, 6407
income level & race, childrearing attitudes & dependency, Black vs White mothers of adolescent females, 9400
individual & group differences in reaction time of elementary cognitive processes, Black vs White male vocational college students & college students, 20167
industrial & technological growth, occupational aspirations & choice, Black vs White vs American Indian male vs female 10th graders in rural school system, implications for counseling, 22282
informal faculty-student contact & educational aspirations, White vs non-White commuter college freshmen, 32093
ingroup vs outgroup membership, attribution of internal vs external cause of positive vs negative behavior, Malay vs Chinese male college students, Malaysia, test of ethnocentric attribution hypothesis, 19961
interethnic contact in alternative educational environments, ethnic stereotypes, 12th graders of Western origin, Israel, 26598
internal consistency reliability & item content validity of Children's Anxiety Scale, Anglo vs Mexican-American kindergarten students, 23876
interracial experiences, Black vs Hispanic college students from 2 campuses, implications for student affairs administrators, 26612
interracial pastoral counseling, Black clients, 2136
IQ & sex & physical dexterity, teacher ratings of classroom performance & motivation & learning potential, White vs Black vs Hispanic 5–11 yr olds, 18654
job applicant suitability & race & sex & responses, impression confirming information seeking strategies & applicant ratings, interviewers, 29509
knowledge & behavior regarding primary cancer prevention, White vs Black vs Mexican-American urban community residents, 20644
knowledge base & control processes & metacognitive states, Black vs White 2nd & 3rd graders, implications for racial differences in intelligence, 6277
lateral cradling behavior, Black vs White mothers, 3835
level of retardation & living environment & race, excessive body weight, male vs female mentally retarded 18–74 yr olds, 31081
level of schooling & credentials & earnings, 18–64 yr old Hispanics & non-Hispanic White males, 26768
levels & trends of suicide, elderly males vs females, 1933–78, 20409
levels of achievement motivation, Black vs White college students, South Africa, 6667
levels of stress & coping behavior, male vs female freshman vs senior Anglo vs Mexican American college students, 15844
listening & responses to logic in classroom narratives, Black vs White 2nd graders & teachers, 15845
live voice vs taped presentation method, performance on subtests of Woodcock-Johnson Psycho-Educational Battery, Black vs White students with mean ages of 8.3 vs 13.4 yrs, 21483
logic & methodology & evidence for explaining race differences in IQ, Blacks vs Whites, 25462
major genes, vocabulary test performance, family members from different ethnic groups in Hawaii, 3250
marriage & residential patterns & socioeconomic status, social segregation, ethnic group members, Israel, 30571
maternal reinforcement style, prosocial motives & behaviors, Anglo American vs Mexican American 5–12 yr olds, 9298
maternal vs paternal education vs occupation vs encouragement, educational attainment, White vs Black 14–24 yr old females, 17089
meta analysis & race of ratee & rater, performance ratings, Black & White raters, 14514
methodology & results of cross cultural research on achievement motivation, adolescents, literature review, 27831
minority status & health risks, Black vs White male vs female US Navy officers, 1331
misdiagnosis of psychiatric disorders, Blacks, 4273
MMPI & discrimination of alcoholism, Black vs White male psychiatric inpatients, 8440
MMPI characteristics & perceived problem solving abilities & violence & recidivism, Black vs White incarcerated males, 25641
model of relative deprivation, prediction of attitudes toward perceived cause of deprivation, employed vs unemployed Black vs White 16–25 yr olds, 14161
notion of "common sense racism", Great Britain, 9367
opinions & preferences regarding formal vs informal care for aged, elderly Hispanics vs Anglos enrolled in case management system, 26278
parent's home ownership & income, home ownership, Black vs White adult children, 1071
perceived job fulfillment, Black vs White clerical employees, 2667
perception of personality traits & social behavior of different racial groups, White vs Black college students, South Africa, 27906
perception of self & others, aboriginal vs White 11–13 yr olds in rural vs urban areas, Australia, 25174
perception of seriousness of crime & common crimes & responsibility for crimes, Black vs White vs Mexican American college students, 31042
perceptions of barriers to Black political & economic progress, Blacks vs Whites in Deep South counties, 11866
performance on Black Intelligence Test of Cultural Homogeneity vs Anglo-oriented Vocabulary subtest of California Achievement Test vs WISC-R, Black vs White 10th graders, implications for test construction & administration, 109
personality & behavior & family environment, Black vs White 6–10 yr olds, 17045
personality correlates, psychotropic drug & alcohol use, female vs male French- vs English-speaking college students, Canada, 20066
preference for dying at home, Mexican Americans vs Whites, 19971
prevalence of requests & types of outpatient mental health services requested, Blacks vs Whites, 12769
problems in transracial adoption & foster care, Black 3–14 yr olds in White staffed foster homes, UK, 1092
profile of drug users, urban Southern community, 22842

psychodynamics & age & parallels with emotional & perceptual development & ethnic status, development of ethnic attitudes, children, literature review, 3570
psycholinguistic overview of different ethnic & linguistic groups, Piedmont region of Italy, 30342
psychosocial variables, occupational aspirations & expectations, rural White vs Black 10th graders, implications for vocational training, 997
race & adoption & foster care, need for social support services & parent training for Black families, UK, paper presented at March 1983 meeting of Transcultural Psychiatry Society, 1063
race & age, multiple placement in foster family care, children, 23459
race & aggression & uncooperativeness, transfer to high security unit, West Indian vs African vs White 16–79 yr old hospitalized psychiatric patients, England, paper presented at March 1983 meeting of Transcultural Psychiatry Society, 2142
race & emotional reactions & perceived causes of 1981 riots & proposed solutions, psychiatric hospital staff, England, 2237
race & ethnicity & type of offense & mode of disposition & prior record, determinate sentencing, White vs Black vs Chicano felons, 14421
race & income level & preferred category organization, category clustering in recall, Black vs White 1st vs 5th graders, 6315
race & occupational status, proactive police arrest, intoxicated drivers from roadside survey vs officially arrested drunk drivers, 6541
race & other demographic characteristics, sentencing or adjudication, female felony defendants 17 yrs & over, 14805
race & SES, psychological distress, Black vs White rural vs urban 18–89 yr olds, 12188
race & sex, public opinion toward Black & female presidential candidates, Blacks vs Whites, 3941
race & sex, seasonality of birth, mentally retarded, 4364
race & sex, sexual fantasies, Black vs White college students, 3964
race & skin color concepts, study of essential hypertension, US, interdisciplinary research implications, 4524
race of therapist, transference & countertransference in interracial psychotherapy, 4651
race of victim & location of crime, decision to seek death penalty in South Carolina homicide cases, 9440
race, sentencing decisions, defendants charged with armed robbery & burglary, 10-yr study, 6552
race vs socioeconomic status vs age, masculine role perceptions, 22–83 yr old Black middle-class males, US conference presentation, 17245
racial & cultural differences, group psychotherapy, psychiatric patients, paper presented at March 1983 meeting of Transcultural Psychiatry Society, 1908
racial & ethic differences, dexamethasone suppression, Anglo vs Hispanic vs Black vs Oriental 20–76 yr old depressed outpatients, 14666
racial & ethnic differences & age & sex, reported pain & emotional distress & requests, Italian American vs Anglo American patients, 7546
racial & ethnic differences & intelligence, performance on Bender Visual Test, Black vs Hispanic vs White 5–11 yr olds, 3672
racial & ethnic differences & sociocultural factors, psychological distress, 21–60 yr olds, Mexico vs US, 6437
racial & ethnic differences, involuntary hospitalization, White vs non-White patients, 7677
racial and ethnic differences, health risks & hospital admission rates, male Black vs White enlisted US Navy personnel, 1339
racial and ethnic differences in sexual abuse, White vs Black children, 17640
racial aversion, urban-to-rural migrants, 11861
racial differences, deaths due to accidents or poisonings or violence, Black vs White Navy personnel, 1974–79, 32215
racial differences, hypertension & coronary heart disease, Black vs White Navy enlistees, United States, 1974–79, 12389
racial distribution & sexual history & family background, male-to-female preoperative transsexual prostitutes aged 15–35 yrs & older, New Zealand vs Australia, 17265
racial isolation among faculty in urban schools under court-ordered faculty desegregation, achievement, Black vs White vs Hispanic elementary students, 23812
racial successions in individual housing units, 1974–77, 27921
racism & concepts of physical & mental health & experiences with health care systems, Pathan mothers, England, 1036
raters' race & sex, assertive/aggressive ratings of women, White vs Black college students, 17259
reading attainment, female vs male Black vs White students tested at ages 10 & 14 yrs, England, 4-yr followup, 26572
reductions in size of average academic achievement differences, White vs Black elementary & secondary school students, 26568
relationship between Graduate Record Examination scores & grades, Black vs White graduate students, implications for graduate school admissions policies, 29456
response style, Black-White differences in self esteem, high school students, 14127
responsibility for younger siblings, school grades, Black vs White 6th & 8th & 10th & 12 graders, 7992
role of extracurricular activities, promotion of cross-race contact from high school to college, White students, 26587
school attendance in adolescence & living in female headed household, school attendance at age 17 & completion of high school & experience of persistent poverty, Black vs White 17–27 yrs olds, 27732
school grade & race & SES & residence & religion & family composition & parental drinking patterns, drinking behavior, Black vs White 6th–8th graders, 28314
scores on Test of Scholastic Abilities vs Progressive Achievement Tests, ability group placement, Maori vs European students, New Zealand, 29461
self reported psychiatric symptoms & symptom severity & relation to therapist-reported severity of psychiatric diagnosis, Black vs Hispanic vs White applicants for outpatient psychotherapy, 6857
SES & genetics & other factors, selective survival in advanced ages, Blacks vs Whites vs Native Americans, literature review, 25273
SES & preferred category organization, category clustering in recall, Black vs White 1st vs 5th graders, 27796
SES & race & social influence variables & personality, academic achievement, kindergartners through 6th graders, implications for multivariate model of educational achievement, 10757
SES & race, self esteem & academic achievement & achievement orientation, Black vs White 5th graders, 8018
sex & age & ethnic differences, self reported assertiveness, 17–58 yr old Anglo vs Mexican Americans, 17381
sex & age differences & experience & race, perception of school climate, teachers, 26511
sex & cultural differences, sex-typing, Fijian vs Indo-Fijian vs part-European vs Chinese secondary school vs university students, Fiji, comparison with US study by J. T. Spence & R. L. Helmreich, 9455
sex & education level & rural vs urban origins, space-time beliefs, Fiji Indian vs Indigenous vs Caucasian peoples, Fiji Islands, 29815
sex & ethnic status & birth order & father's absence & occupations, scores on Scholastic Aptitude Test, high school seniors, 7956
sex & lower vs middle SES classification, moral judgment, Black vs White high school students, 27723
sex & minority status & school, premedical school demographic & stress variables & numbers & types of stresses during 1st yr of study, medical students, 18471
sex & race & inside vs outside appointment & proportional representation, institutional selection patterns & trends, chief student affairs officers, 29116
sex & race & marital status, needs & problems, White vs non-White 1st & 2nd yr medical students, 26428
sex & race & nonverbal cues of applicant perception of applicant qualifications, male vs female interviews, 10939
sex & race & stimulus duration, memory efficiency, college students, 386
sex & race, suicide rates, Black vs White Ss aged 55–74 vs 75–84 vs 85 yrs old & older, 25654
sex & racial differences, predictability of alcohol & drug abuse with MMPI, Blacks vs Whites, 29770
sex differences, reading interests, Black vs White 4th graders, 27750
"simpatia" as cultural script, Hispanic vs non-Hispanic US Navy recruits & monolingual vs bilingual Hispanic college students, 11908

situational factors & fear of aging & subjective well-being, Black vs White 55–89 yr olds, 25048
social support group concerns & experiences & activities, females in interracial relationships, 12781
social tolerance, mental illness, Mexican Americans vs Anglo Americans, 22755
sociocultural factors of class conflict consciousness, White vs Black nonsupervisory textile workers, 22424
socioeconomic characteristics vs parental education level vs family compositional factors, grade retention, Hispanic vs Black vs White school age children, 18611
stability of partial correlation index vs comparisons of item characteristic curves vs comparisons of item difficulty, assessment of race & sex differences in Graduate Record Examination performance, Black vs White males vs females, 13226
stages & problems in treatment process, 31–60 yr old Black vs White psychiatrists & their Black nonpsychotic patients, 28623
stress & coping strategies in care of elderly relatives with chronic disorders, American Indian vs White 24–74 yr olds, 14310
student ethnic origin & studying behavior, formation of evaluation of academic achievement, 23–54 yr old elementary school teachers, 23704
subcultural differences, alcohol use, 16–22 yr old White vs Black vs Hispanic vs Indochinese Job Corps members, 11825
survey response style, Black vs White 15–23 yr olds, 2851
suspicion & hostility & feelings of displacement, Chinese minority vs White majority, US, 30583
taxonomic vs thematic clustering during free recall of pictures, Black vs White 7 vs 10 yr olds from low- vs middle-SES backgrounds, 9230
timing of marriage following premarital birth, 15–44 yr old Black vs White females, 22491
transmission of racial attitudes, White vs Black fathers vs sons, 17165
TV viewing, diversity of activities, Navajo vs Mexican American vs Euro-American families, 22237
understanding of family patterns & problems & suggestions for intervention, ethnically intermarried couples, 20813
unemployment, psychological health & labor market commitment, 17 yr old Blacks vs Whites from urban areas, UK, 30551
use of informal social networks as source of information about legal services, Chinese Americans vs Whites vs Blacks vs Chicanos vs Hispanics vs Native Americans, 1106
validity of Military Applicant Profile, prediction of early attrition, US Army enlistees from various educational & racial backgrounds, 8178
value systems & anomie, 17–21 yr old Africans vs Indians vs Europeans, South Africa, 30587
violent behavior & psychopathology, White vs Black hospitalized psychiatric patients, 17505
visit of Black Santa, beliefs about race of "real" Santa, Black vs White 49–73 mo olds, support for cognitive developmental theory, 6263
voice characteristics, identification of speech samples of Ojibway Indians vs Whites, White college students, 19239
weak links in families leading to & resulting from substance abuse, adolescents from Irish- vs Italian- vs Jewish-American vs Anglo-Saxon Protestant families, implications for family therapy, 14794
White vs Hispanic teachers, reading achievement, 3rd–4th grade Chicano students, 29296
WISC-R verbal performance, Black vs Hispanic vs White 6–11 yr olds, implications for educational diagnosis, 26722
work values, Black vs White male vs female employees, South Africa, 8223

Racial and Ethnic Relations
contribution of H. Blumer to sociology of race & ethnic relations, 9373
cooperative experiences in structured vs unstructured class activities vs home activities, cross-ethnic & cross-sex relationships, 4th & 6th graders, 18606
cooperative games, interracial interactions, Black & White 5th & 6th graders in desegregated schools, 10786
cooperative-group intervention, interracial friendships, male vs female White vs Black 5th & 6th graders, 30506
demographic data & interracial interactions & attitudes & job characteristics, White faculty members at Black colleges, 31994
disposition of White S to initiate interracial interaction & race of E & gender composition, unstructured interaction, dyads of Black & White college students, 1234
examination of P. M. Blau's theory of social structure, racial inequality & salience, 1222
experience of being only White member of all Black basketball team, self esteem & peer relations, male high school student, 23795
group dynamics & leadership, multiracial & ethnic clinical team, England, 2241
group size & neighborhood heterogeneity, intergroup conflict & interpersonal crime, examination of P. M. Blau's theory of social structure, 1973–78, 1239
inadequacies of state legislation & criminal enforcement procedures to deter & punish racially motivated violent crime & role of federal remedies, 17224
interaction of Western culture & primitive cultures, Australia & New Zealand & US, 19958
intergroup cooperation vs completion, cross-ethnic relationships, Black vs White 4th graders, 29321
interracial contact & race of child & age & sex, racial prejudice, Black & White 6th–10th graders, 14190
interracial contact experiences, school persistence & attrition, Black students in predominantly White college, 15821
on & off field attitudes & involvement in interracial interactions, Black vs White male varsity high school athletes, 18667
problems of field research in ethnic relations, France, 6465
racial & ethnic composition of conference group & leadership, group dynamics & individual experience, Black vs White professionals, paper presented at March 1983 meeting of Transcultural Psychiatry Society, 1924
racial discrimination & persecution of outgroups, social history & need for global culture to end man's inhumanity to man, 1017
relevance & nature of ethnic relations teaching, Canada, 6433
semantic differential analysis, stereotyped attitudes & interpersonal relations, German- vs French-speaking Ss, Switzerland, replication of H. Fischer & V. P. Trier's study, 27908
SES, residential segregation, Black & White & Spanish Texas residents, 27918
socio-psychological dynamics in pathological interracial romantic alliances, Black-White couples, 19977
sociology of ethnic relations, literature review, 6450
stereotyped descriptions of & contrast with national/ethnic groups, college students, US, 3791

Racial Differences [See Racial and Ethnic Differences]
Racial Discrimination [See Social Discrimination]
Racial Integration [See Social Integration]
Racial Segregation (Schools) [See School Integration]

Racism
connotation of label of Black & racial dichotomy in culture, Blacks, US, 22440
inadequacies of state legislation & criminal enforcement procedures to deter & punish racially motivated violent crime & role of federal remedies, 17224
methodological problems in study of racism, Canada, 6441
multicultural education & racism in schools, US, 5313
notion of "common sense racism", Great Britain, 9367
psychiatric services as form of social control, misdiagnosis & differential treatment, Blacks, UK, paper presented at March 1983 meeting of Transcultural Psychiatry Society, 1795
psychological causes & effects & role of social sciences in prevention, racism, 1047
race & aggression & uncooperativeness, transfer to high security unit, West Indian vs African vs White 16–79 yr old hospitalized psychiatric patients, England, paper presented at March 1983 meeting of Transcultural Psychiatry Society, 2142
racial discrimination & persecution of outgroups, social history & need for global culture to end man's inhumanity to man, 1017
racial threat vs self interest & new symbolic & old-fashioned racism, attitudes toward affirmative action programs, Whites, 30592
racism & concepts of physical & mental health & experiences with health care systems, Pathan mothers, England, 1036

racism & mental illness & diagnosis & treatment, apartheid & psychiatric facilities, Blacks, UK & South Africa, paper presented at March 1983 meeting of Transcultural Psychiatry Society, 1455
racism, depression, Blacks, UK, paper presented at October 1982 workshop of Transcultural Psychiatry Society, 1383
racism, educational & job opportunities, Black nurses & paramedical personnel, UK, 2251
racism, mental illness, West Indian immigrants, UK, paper presented at March 1983 meeting of Transcultural Psychiatry Society, 1365
reliability of A scale, assessment of right wing authoritarian attitudes & racism, Australia, 20155
sloppy identification procedures & racist attitudes in case against L. Geter & A. Williams, 14393
structure & philosophy of child welfare system, racial & ethnic minorities, UK, 2101
types of stress & adjustment factors & types of mental disorders & prevention & treatment, Vietnamese refugees, paper presented at March 1983 meeting of Transcultural Psychiatry Society, 1410
Radial Nerve [See Spinal Nerves]
Radiation [See Also Laser Irradiation]
gamma ray, learning ability, rats, 13859
high neutron low gamma radiation pulse exposure, behavior degradation in avoidance behavioral task, rhesus monkeys, 27459
intensity of irradiation, aversion/attraction to 2.45 Hz microwaves, blue jays, 27204
model of choice behavior, escape from painful stimuli & microwave irradiation & disturbed thermal regulation, rats, 13846
po administration of premazepam, metabolism & pharmacologic effects, 26–28 yr old males, 27658
viability of swimming vs rotarod task as training method & task sensitivity following exposure to ionizing radiation &/vs pyridostigmine, rats, 30142
Radiation Therapy
anxiety & distress, 16–75 yr old patients receiving radiation treatment, 20972
methodological shortcomings, research on verbal ability, children with acute lymphocytic leukemia treated with radiation & chemotherapy, 20660
problems in radiotherapy, treatment of cancer patients, radiographers, 10343
psychodynamics, choice of radiation therapy as alternative to mastectomy, 25–74 yr old females with breast cancer, 12715
psychological functioning & adjustment, 31–64 yr old females who underwent radical mastectomy vs 41–68 yr old females who underwent lumpectomy & radiation therapy, 15393
radiotherapy with vs without psychotherapy, distress, 23–81 yr old cancer patients, 15041
reliability & validity of questionnaire for assessment of malaise, cancer patients undergoing radiation therapy, 21759
Radical Movements [See Political Revolution]
Radicalism (Political) [See Political Radicalism]
Radio
comprehension of & memory for TV vs radio vs book version of story, 3rd & 6th graders, 14084
distraction in radio commercial, cognitive response & message acceptance, male college students, 24075
levels of broadcast experience & speech tasks, radio language performance, beginning college students vs professionals, 16824
model of social interaction in presence of media situations, college students, 17315
radio counseling programs, Canada, 31665
radio weather forecast with vs without TV pictures, recall, college students, 30327
style of citizen's band radio prostitution & pimping, 28336
TV vs radio, creative thinking, 3rd & 6th graders, replication of study by P. Greenfield et al, 22295
Radiology
use of computerized axial tomography scanning in psychiatry, 23398
Rage [See Anger]
Railroad Trains
air vs car vs train transportation, subjective stress & heart rate & dysrhythmia & urinary catecholamines, male vs female 30–50 yr olds, 27450
false signs & distraction, failure to confirm railway signal on train's departure in simulated train driving, 20–52 yr olds, 2696
Random Sampling
evaluation & use & possible limitations of D. Kahneman & A. Tversky's representativeness heuristic as means of making statistical likelihood judgments from population sample, 24354
multiattribute utility approach, use of random assignment to form comparable aggregate units, 5563
partial knowledge of scores of random sample, estimation of population mean, college students, extension of A. Tversky & D. Kahneman's study, 24469
Rank Order Correlation
application of statistical ranking & selection tables in diagnosis, learning disabled students, 8135
dual scaling method for successive categories data, comments on S. Nishisato's method, 13632
Rape
arousal level & visual stimulus content, control of penile tumescence, incarcerated rapists, implications for deception in assessment of sexual arousal, 22840
attitudes toward sex & sexual aggression in federal prisons, male prisoners, 28960
attribution of behavioral vs characterological blame to rape victims as means to maintain adoptive belief in predictable & controllable & meaningful world, college students, 20112
attribution theory, rape victim responsibility, medical students with mean age of 26 yrs, 1526
avoidance strategies, rape, females aged 18 yrs & older who had avoided vs not avoided rape, 14765
behavioral approach to assessment, rapists, 14806
biological factors & family background & sociocultural context of learning in biosocial theory of rape, implications for behavior therapy in prevention of disorders, 31048
characteristics of crime & relationship to assailant, reporting of rape, female rape victims, 14840
community intervention via mental health education & crisis intervention strategies, prevention & education on sexual assault & rape, 4905
construction of personality measure, males accused of rape, 5610
contribution of violence to incidents of rape, 14–19 yr olds arrested for rape vs nonsexual offenses, 28364
coping ability & responsibility of rape, victims, reply to criticism by G. B. Wieder, 25659
countertransference issues in crisis intervention, rape & sexual assault victims, 12743
depiction of consenting intercourse vs stranger vs acquaintance rape & rape debriefing, attitudes toward rape, female vs male college students, implications for experimental ethics, 1513
depictions of rape & consensual sex, subjective sexual arousal & penile tumescence, 18–33 yr old college students, 11957
determination of temporal variation in racial characteristics of rape in single city, 1971–75, 28334
development & misuse of concept of Rape Trauma Syndrome, need for caution & for professional training in use of diagnostic process, 31075
distinctions & similarities, rapists processed by criminal justice system vs other sex offenders vs property & violent offenders, 17587
excuses & reasons & justifications, convicted rapists, 9805
exposure to pornographic rape depictions in literature followed by debriefing, attitudes toward & perception of rape, female vs male college students, implications for experimental ethics, 1544
exposure to sexually violent vs nonviolent written & pictorial stimuli, sexual arousal, males, 8855
exposure to slides depicting aggression vs close heterosexual interactions vs females as sex objects, judgments regarding female victim & her alleged rapist, female vs male college students, 20127
facts & misconceptions about rape & characteristics & motives of rapists & intervention strategies for victims, 12760
heterosexual molestation in childhood, 20–54 yr old males convicted of raping females, 4335
hypnoanalytic art therapy, treatment of 40 yr old incest & 29 yr old rape victims, 18164
incidence of rape & sexual assault, 18–82 yr old urban females, Canada, 14768

incidence of sexual harassment & rape & obscene calls & fondlings, 18–52 yr old females, 4290
inmate characteristics & involvement in homosexuality & reactions to solicitations & impact of sexual activities on employees, prisoners & correctional officers, 7707
justification of personal violence, rapists vs general public, US, conference presentation, 9753
legal processes, sexual offenses & "organization" of sexuality, conference presentation, 9430
O empathy & victim physical attractiveness & resistance, social perception & attribution of responsibility for rape & certainty of rapist guilt, male vs female college students, 4018
penile tumescence, classification & categorization & assessment of treatment, 19–37 yr old incarcerated rapists, 26369
perception of outcome & social expectations to report & situational & individual characteristics, 18–62 yr old rape victims who report vs don't report to social service agency, 25627
proposed rape awareness lesson guide, US Navy recruit & follow-on commands, 10946
prosecution of rape cases & psychological & legal issues associated with evidentiary reform of rape laws, 17202
psychodynamic & demographic characteristics, 2-man vs gang rapes, Canada, 1975–78, 28333
psychodynamics & coping behavior & attributions & victim's demographic characteristics, rape trauma syndrome, rape victims, literature review, 9782
rape & incest, sexual functioning, 18–67 yr old female assault survivors, 25613
rape & masochistic personality & post-traumatic stress disorder, females with multiple personalities, implications for group & individual therapy, 25521
rape, depressive symptoms & major depressive disorder, 14–47 yr old female victims, 3- & 6- & 12-mo followup, 14783
rape in 18th-century Massachusetts & legal processes, 14801
rape legislation reform, conviction rates & treatment of victims within justice system, Canada, 1100
rape trauma syndrome as circumstantial evidence in prosecution of rape cases, 9443
relationship between life events & art, 27 yr old female rape victim who wrote short story about experience, implications for role of psychotherapy, 15126
responsibility in rape, criticism of article by M. Meyers et al, 25692
seasonal variations in plasma testosterone, violence & rape & crime rates, comment on R. P. Michael & D. Zumpe's hypothesis, 1581
seasonal variations, sexual aggression & violent crimes, US, 28339
seasonal variations, sexual violence, comments on study by R. P. Michael & D. Zumpe, 14813
seasonal variations, sexual violence, reply to criticism by C. Nadelson & M. Notman, 14809
sex role orientation, belief in rape myths, male college students, 1173
sexual victimization, sexual assault trauma, female rape victims, 2-yr longitudinal study, conference presentation, 9802
societal institutions as institutions of social control serving to promote sexism & powerlessness & contribution to rape, 28352
status of rape, 13th century, England, 14772
treatment & role of distress, 28 yr old male rapist, 15173
validity of Rape Trauma Symptom Rating Scale, measurement of aftermath of rape, 16–53 yr old rape victims, 21753
victimization & coping & exertion of control, rape victims, 12241
Raphe Nuclei
blue spot & raphe nuclei stimulation, neuronal activity of cerebellar intermediate nucleus, 3373
differential pulse voltammetric determination of 5-hydroxyindoles in nuclei raphe dorsalis & centralis & pontis & magnus during sleep-waking cycles, male rats, 8769
electrical stimulation of medullary raphe nuclei with vs without prior administration of methysergide or phentolamine, antinociception, male rats, 11539
electrolytic lesions to nucleus medianus raphe vs forebrain serotonin depletion, performance on spontaneous vs delayed spatial alternation tasks, rats, 30179
fetal raphe cell & parietal cortex cell transplantation into denervated hypothalamus, sexual behavior & ventromedial nucleus concentrations, adult rats, 24770
globus pallidus vs lateral thalamus vs substantia nigra vs midbrain central gray vs median raphe vs pontine reticular formation lesions, climbing detour problem solving behavior, male rats, 30190
glutamate administration into periaqueductal gray or ventromedial medulla & serotonergic & noradrenergic & opioid receptor antagonist, tailflick & hot plate response, male rats, 27599
lesions of olfactory bulb or lateral septum or medial accumbens or hypothalamus or dorsal & median raphe or amygdala, inhibitory control of agonistic behavior, mammalian species, literature review, 8908
long term diazepam administration, decrease in postsynaptic sensitivity to GABA in serotonergic dorsal raphe nucleus cells receiving GABAergic input, male rats, 748
manipulation of central serotonergic transmission through 5,7-dihydroxytryptamine lesioning of dorsal raphe & substantia nigra & benzodiazepine receptor antagonist Ro 15-1788, antipunishment effects of diazepam, rats, 6059
mediation of 5-HT agonist-induced rotational behavior by 5-HT_1, rats, 11579
microinjection of zimelidine & morphine into nucleus raphe magnus, nociceptive threshold, male rats, 16776
midbrain raphe lesions & serotonin depletion, body weight recovery following deprivation, female rats made obese by medial hypothalamic lesions, 24762
neurotensin & lesions of nucleus raphe magnus, periaqueductal gray & analgesia, male rats, 27457
role of brain catecholamines & serotonin in acquisition & retention of defensive conditioned response, male rats, 559
stimulation of posterolateral hypothalamus & nuclei raphe, response crosscorrelations in cortex, rabbits, 22098
Rapid Eye Movement Sleep [See REM Sleep]
Rapport [See Interpersonal Attraction]
Rasch Model [See Item Response Theory]
Rat Learning
conditioning of selective associations, mediation of cue-consequence specificity effect, rats, 8642
cortical lesions, acquisition of latchbox problems, male rats, 19646
motivational system approach to avoidance behavior, rats, reply to comments by S. S. Rakover, 29988
normal vs low protein diet, endorphin-like immunoreactivity & avoidance task, performance, rats, 3358
open field & instrumental food conditioning & acute hypoxic techniques, low- vs middle- vs high-entropy rats, 16497
reflexive vs learning reaction to gustatory stimuli, rat pups, 471
Rating
accuracy of subjective vs survey vs interview appraisal methods, individual proficiencies & performance, military personnel, implications for feedback systems, 8188
age & sex & marital status, perception of life events, 18–60 yr old university staff vs students, Hong Kong, 1035
analysis of cohorts, ratings of success using multivariate prediction configural frequency analysis, 16384
assessment of marital communication & distress, couples, 19023
audio vs video presentations of counseling interviews, ratings of facilitative level, 20–50 yr old counselor trainees with 0–7 yrs of experience, 15649
behavioral dimensions represented in parental ratings, 10–12 yr olds with behavior problems, 28313
codable supervision rating format as systematic supervision for brief psychotherapy, spouses of cancer patients, 1834
combinatorial matching paradigms, derivation of kappa-type statistics for measuring agreement with ranked data, 11236
computer-based algorithm, simulation of human ratings of Paragraph Completion Method as measure of cognitive complexity & socialization, 70
computer software for calculation of content validity & repeatability & homogeneity coefficients, analysis of reliability & validity of ratings, 19111
concurrent validity of Daberon screening tool, judgment of preschoolers' abilities, preschool teachers, 29463
definition of accuracy based on raters' cognitive schema & signal detection theory, behavioral assessment ratings, 13499
description of nongustatory stimuli in terms of 4 primary tastes & colors, college students, psychophysical measurement implications, 5703

desirability ratings of personality attributes, adults, empirical testing of scale interval structure, 11113
development of method of rating global impairment, Luria-Nebraska Neuropsychological Battery, 11156
epistemic vs diversive aesthetic ratings of paintings of human figures, college students, test of uncertainty basis of aesthetic evaluations, 21860
error vs accuracy & comprehensive vs abbreviated training, reliability & validity of rated counselor empathy, college students, implications for counselor education, 29095
experimental manipulation of social behavior, sociometric ratings of other children & social impact of behavior as function of behavior & its antecedents & consequences, 5th–6th graders, 19882
factor analysis of teacher ratings, identification of 2 dimensions of cognitive deficits, 2nd–5th graders, 15955
interactive computerized rating system, preprocessing of verbal protocols, 24139
interrater reliability, reports of neonatal behavioral style, mothers with obstetrical complications & optimum deliveries vs trained Os, 8368
leniency error & convergent & discriminant validity & halo error, subordinate ratings of manager performance as compared to supervisor & self ratings, middle level managers, 13297
level of selective-attention ability & memory manipulation, accuracy of ratings, field-dependent vs independent psychology & management college students, 10947
logarithmic least-squares approach to T. L. Saaty's scaling method for priorities in hierarchical structures, 19123
maternal rating of child's vocabulary vs Reynell Developmental Language Scale scores, mothers of 37–90 mo olds with Down's syndrome, 28370
meta analysis & race of ratee & rater, performance ratings, Black & White raters, 14514
performance appraisers as test developers, test of ability to use ratee information validly in judging performance, 16044
predictive validity of teacher & maternal ratings of problem behavior for subsequent hyperactivity, infants through 12 yr olds, longitudinal study, 9903
previous performance, contrast effects in rating of present performance, college students, 14521
procedure for determination of statistical significance of ratings on bidirectional/bipolar scales, 27059
psychological construing, use of extreme ratings semantic differential, schizophrenic vs nonschizophrenic inpatients, 12174
psychophysical scaling of intensity vs unpleasantness word descriptors, 29 to 77 yr old chronic pain patients, 25944
rating of work performance for speed & efficiency, untrained volunteers, 2640
ratings of temperament of self & spouse & each twin, parents of newborn through 5 yr old female vs male twins, 25234
reliability & variability between raters, ratings of clinical oral examination in psychiatry, medical students, 18463
reliability of helper behavior rating system, response mode analysis of interactions, student counselors & clients, 96
reliability of single rater judgments of cloze test responses, assessment of reading comprehension, 3rd & 5th & 7th & 9th & 11th graders, 23887
return of rating forms at checkout vs by mail & rate of return, rating of hotels, guests, 2735
self report personality measures & spouse ratings & interviewer-O ratings, assessment of personality similarity, spouses, 3813
self vs O ratings of job characteristics, shop workers, 21635
self vs other driving ratings & typology of rated driving, 20–62 yr olds, 21540
specification & estimation of probit & logit models for ordinal variables, 19164
Symptom Checklist 90 & questionnaire as global ratings, assessment of psychological disturbance in pain drawings, chronic pain patients, 17802
teacher-rated vs observed social behavior in classroom vs small group room, 35–73 mo old students, 18639
test rating system based on quality & completeness & validity & reliability, Netherlands, 19054
use of 4-point rating scale for DSM-III axis II categories, assessment of prevalence of personality disorders & their interrelationships, outpatients, 22723
validity of evaluations using Tsumori's developmental diagnosis method, mothers of mentally retarded 3–12 yr olds, 12290

Rating Scales

analysis of R. Cattell's anxiety state-trait theory & IPAT Anxiety Scale-Self Analysis Form, 2925
assessment of self concept & body image using semantic differential bipolar scales, 12–61 yr olds, implications for psychiatric nursing, 12050
auditory &/vs visual information, reliability of clinical assessment of affect using rating scales, 20–63 yr old schizophrenics, 2919
behavioral observation vs behavioral expectation scales, measurement of observation ratings of teachers, college students, 13193
behaviorally anchored rating scale system, personnel appraisal, rehabilitation counselors & supervisors, comments on article by J. A. Sample, 18792
behaviorally anchored rating scales, personnel appraisal, rehabilitation counselors & supervisors, 18492
Beoordelingschaal voor Oudere Patienten rating scores vs psychodiagnosis, 50–80 yr old psychiatric inpatients, Netherlands, 26984
clinical usefulness as indicator of validity of Visual Analog Scale, assessment of chronic pain, reply to criticisms of M. Giuffre & T. D. Walsh, 5603
clinical vs teacher ratings of behavior problems & independent dimensionality of attention deficit disorder & conduct disorder, children with conduct or attention deficit or anxiety disorder, 25503
cluster analysis of Brief Psychiatric Rating Scale data, profile patterns, 61–90 yr old geropsychiatric patients, 4129
comments on methodology & validity & reliability of Visual Analog Scale, assessment of chronic pain, criticism of A. M. Carlsson's paper, 5621
community ratings vs Marital Interaction Coding System, appraisal of parent-adolescent problem solving, families with adolescents & mental health professionals, 19097
comparison of French translation of commitment questionnaire by R. T. Mowday et al & J. D. Cook & T. D. Wall's commitment scale, assessment of organizational commitment, 17–19 yr old cadets, 11169
comparison of rating scales, assessment of prevalence of hyperactivity, elementary school students, 2569
concurrent validity of Dunst age for use with Uzgiris and Hunt Infant Psychological Development Scale, 6–35 mo olds wth heterogeneous handicapping conditions, 8409
construct validity of Sandoz Clinical Assessment-Geriatric scale, senile patients 60 yrs & older, 13589
construction & evaluation of Behavior Rating Index for Children, brief assessment of behavior problems, children, 13606
construction & factor analysis of short form of University Residence Environment Scale, college students, 29470
construction & preliminary validation of Managing People Inventory, assessment of trust & respect in management behavior, employed business students, 2891
construction & validation of BUMP scale, assessment of behavioral regression or upset, hospitalized medical patients, conference presentation, 29783
construction & validation of Play Rating Scale, 3–5 yr olds, 27046
construction & validation of Relational Behaviors Survey, assessment of heterosocial conflict resolution skills, college students, 19048
construction & validity of revised Family Adaptability & Cohesion Evaluation Scale, assessment of family dynamics, families with adolescents, 13571
construction of Behavior Rating Form-Revised, parent-report measure of children's self esteem, parents of 4–6 yr olds, 155
construction of Communication Rapid Assessment Scale, assessment of communication quality, marital & other intimate dyads, 27017
construction of Fear of Success Consequence scale, measurement of fear of social consequences of academic success, 7th–12th graders, 2571
construction of pain & distress scale, pain patients, 221

construction of Rasch scales, equality vs performance principle in distributive justice judgments, students, 11186
construction of self rating scale, assessment of depression, patients, 29744
construction of Work Orientation Scale for California Psychological Inventory, couples & correctional officers, 29745
convergence among Liking & Love Scales & Interpersonal Jealousy Scale & Sexual Attraction Scale, interpersonal attraction, 18–19 yr old dating couples, 8420
convergent & discriminant validity of ratings on Employee Problem Appraisal Form of common presenting problems at college counseling center, college employee clients vs school counselors, 5421
correlation of scores on Whole Word Accuracy with results of Arizona Articulation Proficiency Scale, assessment of articulation proficiency in conversation, 3–7 yr olds, implications for diagnosis of speech pathology, 5651
correlational analysis, Hamilton Depression Rating Scale & Carroll Depression Rating Scale, 19–62 yr old outpatients, replication of study by B. J. Carroll et al, 5683
desirability ratings of personality attributes, adults, empirical testing of scale interval structure, 11113
development & construct validity of Dental Visit Satisfaction Scale, 18–73 yr old patients, 11127
development & construction of brief scale for anxiety, assessment of anxiety with & without depressive or phobic or obsessional or psychotic symptoms, 19102
development & evaluation of rating scale, measurement of work skills & health & social behavior, clients referenced for horticultural therapy, 13615
development & features of severity scale for penalties, assessment of attitudes toward criminal justice & severity of death penalty vs other sanctions, prisoners vs police vs probation officers vs sociology students, Israel, 13599
development & reliability & validity & factor structure of Self Evaluation of Life Function Scale, assessment of physical & emotional & social function, elderly adults, 19080
development & reliability & validity of social competence survey, socially rejected vs adaptive 3rd–5th graders, 26686
development & reliability & validity of Tourette's syndrome global scale, rating of symptom frequency & disruptiveness, 6–56 yr old patients, 2903
development & reliability of Dangerous Behavior Rating Scheme, prediction of violence, forensic patients, 19087
development & reliability of subscale of Comprehensive Psychopathological Rating Scale, assessment of severity of depression, 21–70 yr old patients, 24283
development & testing of stochastic model of response to rating scales, assessment of attitudes toward work, electronics plant workers, 11145
development & validation of life events rating scale, 11124
development & validation of Peer Depression-Rating Scale, college students, 13579
development & validity of Visual Analogue Scales of Pain & Depression & Anxiety, assessment of sensory & affective components of cancer-related pain, 17–86 yr old severely ill cancer patients, 8386
development of Aberrant Behavior Checklist, measurement of drug & other treatment effects, severely mentally retarded, 19035
development of Alzheimer's Disease Assessment Scale, rating of severity of cognitive & behavioral dysfunction, 55–73 yr olds with Alzheimer's disease, 8430
development of behavior rating scale, assessment of classroom behavior, mentally retarded children, 5374
development of collaboration scale, assessment of therapeutic alliance, therapists & clients in psychoanalysis, 8387
development of Illinois Classroom Assessment Profile, measurement of behavior disorders, 2nd & 3rd graders, 21499
development of interval scale for measurement of social interaction, rhesus monkeys, 5884
development of mood-adjective scale, prediction of forced-choice ESP performance, high school students, 11123
development of Morningside Rehabilitation Status Scales, assessment of psychiatric rehabilitation, psychiatric patients, 24204
development of playground improvement rating scale & importance of play in childhood development, 27730
development of rating scales, measurement of pain sensation induced by shock vs word rating list, 22–39 yr olds, 16326
development of scale, assessment of ambiguity tolerance, teachers, 11163
development of stress response rating scale, assessment of response to serious life events, Ss who had or had not sought psychiatric treatment, 2956
development of Superiority & Goal Instability scales, assessment of H. Kohut's constructs of self, college students, 16362
developmental tasks & rating scales, assessment of social interaction, 3–4 yr olds, 26944
differences in use by profession & reliability of Fitness Interview Test, assessment of fitness to stand trial, lawyers/law students vs social workers vs psychiatrists vs psychiatric nurses, 27044
discriminate validity of E. Heimler's social functioning scale, 25–75 yr old mastectomy patients vs healthy females, 13532
dispositional vs rational vs phenomenological jealousy scales, college students, 5660
endogenicity & severity, consistency between clinician- vs patient-rated depression scales, 20–62 yr old inpatients with major depression, 9739
evaluation instrument for audiovisual materials in religious education, 15979
Evaluation Ranking Scale, assessment of satisfaction with public health center, patients, 5578
evaluations & reliability & validity of Incapacity vs Environmental Status Scales, measurement of disability, multiple sclerosis patients, conference presentation, 21754
factor analysis & effect of summing scores, Incapacity vs Environmental Status Scales, multiple sclerosis patients, conference presentation, 21737
factor analysis of Loneliness Rating Scale, assessment of loneliness, 11–72 yr olds, 8431
factor structure, Basel Mood Inventory & Freiburg Personality Inventory & Giessen Test & Complaint List & Paranoid Neuroticism Depression Scale, psychiatric patients & healthy persons, 2908
factor structure of Bayley's Infant Behavior Record profiles, 3–24 mo old identical vs fraternal twins, 6251
factor structure of Brief Psychiatric Rating Scale, assessment of psychopathology, 61–90 yr old geropsychiatry inpatients, 2931
factorial structure of original format vs Likert versions of Rotter's Internal-External Locus of Control Scale & Marlowe-Crowne Social Desirability Scale, college students, 21742
Fargo Activity Timesampling Survey, assessment of physical activity & parent-child interactions related to activity, overweight vs normal weight 20 mo to 4 yr olds, 19074
framework characterizing abnormal & deviant behavior patterns, analysis of Bayley Infant Behavior Record, 6–30 mo olds, 27058
generalizability analysis, interrater reliability of point-method job evaluation instrument, employee relations workers, 10990
guide to norms & ratings & lists, research in cognitive psychology & memory & psycholinguistics & neuropsychology, 5558
Guttman scale, measurement of heterosexual behavior, 16–50 yr olds, 11143
imipramine or clomipramine treatment, assessment of symptom change from scores on Hamilton Depression Scale, 19–65 yr old psychiatric patients, 26146
improvement in psychometric properties of Behavioral Eating Test, kindergartners to 1st graders, 19038
Impulsive Nonconformity Scale, assessment of impulsive antisocial behavior in prediction of psychotic-like & schizotypal symptoms, college students, 9535
Incapacity Status Scale vs activities of daily living index, assessment of functional disabilities in multiple sclerosis, conference presentation, 21736
individual administration, reliability of original vs alternate forms of Carleton University Responsiveness to Suggestion Scale, college students, 208
interrater reliability & criterion-related & construct validity, revised version of comprehensive therapy scale, psychiatric patients observed by occupational therapists, Taiwan, 11158
interrater reliability of Arbeitsgemeinschaft fur Methodik und Dokumentation in der Psychiatrie scale vs Comprehensive Psychiatric Rating Scale, hospitalized psychiatric patients, 24263

methodological refinements in Observation Scale of Behavioral Distress, habituation & validity of scale, pediatric cancer patients undergoing bone marrow aspiration, 13561
Millon Behavioral Health Inventory, prediction of response to behavioral treatment, chronic headache sufferers, 31160
Missouri Alcoholism Severity Scale, measurement of severity of symptoms, alcoholic outpatients with mean age of 39 yrs, 5589
mode of questionnaire item presentation, scale reliability, college & graduate students, 207
multiple audience rating form strategies for evaluation of college teaching, college students, 15959
need for multiple measures, assessment of chronic pain, comments on A. M. Carlsson's study on visual analog scale, 5658
need for rating scale for assessment of cognitive function in multiple sclerosis, conference presentation, 23269
neuropathologic & neuropsychologic data in development of screening battery & rating system, multiple sclerosis patients, conference presentation, 21772
participation in rating scale development used in feedback interview, reactions to performance appraisal interviews, hospital personnel, 13279
past observations, social expectations about social behavior, college students, implications for bias in psychometrics, 9506
Patient Satisfaction Questionnaire vs direct measures of patient satisfaction, public health service patients, 5646
predictive value of Cognitive Failures Questionnaire vs Test Anxiety Scale, assessment of cognitive interference & test anxiety in group testing situation, female college students, 21522
problems of internationalizing Association of Methodology & Documentation in Psychiatry rating scale, 11120
procedure for determination of statistical significance of ratings on bidirectional/bipolar scales, 27059
psychophysiological correlates of Type A behavior & reliability of Structured Interview vs Jenkins Activity Survey, male college students, 27449
P300 component of event-related auditory EP & dementia rating scale, evaluation of cognitive dysfunction in multiple sclerosis, conference presentation, 23046
Quality of Life Scale, assessment of deficit symptoms, schizophrenic inpatients, 16327
rating scale categories & points, levels of interrater reliability, 29787
rating scale format & rater training & personal characteristics, rating errors in instructor & course evaluation, college students, 18735
rating scales vs questionnaires & mental tests, assessment of anxiety, 8379
relationship between health locus of control scale & multidimensional locus of control scale, medical students, 209
relevance & effectiveness of Newcastle Rating Scales, measurement of depression, conference presentation, 2944
reliability & correlations between teacher version of Child Behavior Profile & Conners Revised Teacher Rating Scale, behaviorally disordered 6–11 yr old males, 26688
reliability & validity & factor structure of subscales of Child's Report of Parent Behavior Inventory, assessment of childrearing behaviors, college students vs their mothers vs fathers vs siblings, 21773
reliability & validity of Children's Hispanic Background Scale, assessment of acculturation level, Chicano 4th graders, 19082
reliability & validity of memory impairment scale, assessment of degree of amnesia & ward behavior, memory impaired chronic alcoholic & Korsakoff patients with mean age of 58.1 yrs, 2920
reliability & validity of rating scales having binary comparisons vs logarithmically spaced alternatives, assessment of subjective probability of rare events, implications for perceived risk of arrest for drunken driving, 21771
reliability & validity of revised Children's Depression Rating Scale, 6–12 yr old patients, 2939
reliability of A scale, assessment of right wing authoritarian attitudes & racism, Australia, 20155
reliability of F. A. King's Rodent Emotionality Rating Scale, laboratory-animal experienced vs inexperienced college students, 24249
reliability of premorbid adjustment measures, 22–61 yr old schizophrenics, 6860
reliability of Scale for Assessment of Negative Symptoms, 20–55 yr olds with chronic schizophrenia, 27028
research design, reliability of rating scales in marketing research, meta analysis of marketing journal articles, 11125
scale construction & validity, measurement of role playing ability, college students, 5615
scaling methods, scale values & intergroup reliability of environmental perception rating scales, 2866
self assessment of pain using rating scale & relationship to physiologic parameters & behavioral indicators & word descriptors of pain, 9–15 yr old patients, 17700
semiology & rating scales in adult psychiatry, France, 29724
sexual functioning scale, assessment of sexual activity & attitudes, multiple sclerosis patients, conference presentation, 23041
short term psychiatric assessment by occupational therapist, psychiatric patients, 17857
single-column vs discrepancy-column Likert-scale formats, discrimination strength in assessment of need, 2861
stability of masculinity-femininity scores on Gough Femininity Scale, community college students, 1970–80, 3949
standardized assessment procedures, psychiatric disorders, 19029
tachistoscope vs global accessibility rating, screening for delirium, hospitalized patients, 30900
translation & adaptation of J. B. Rotter's Interpersonal Trust Scale, West Germany, 16293
univariate & multivariate distributions of Job Descriptive Index's measures of job satisfaction, 30 yr old workers, 19032
use & limitation of Hypochondriasis Scale for Institutional Geriatric Use, 16278
use of Wing rating scale, measurement of rehabilitation success, chronic schizophrenic patients, 15542
usefulness of Inferred Self-Concept Scale vs Behavioral Academic Self-Esteem Scale, measurement of self esteem, preschoolers, 2570
utility & scoring efficiency of Counselor Rating Form & Counselor Rating Form-Quick Score, assessment of client perceptions of counselor, counseling psychologists & college students, 27001
utility of Sickness Impact Profile, assessment of disability with chronic back pain, patients, 29742
validation of Anamnestic Comparative Self-Assessment scale, assessment of subjective quality of life, 16–81 yr old patients with malignancies, 5597
validation of scale, prediction of repeated suicide attempts, suicide attempters less than 25 yrs of age, implications for 15–19 yr olds, 2882
validity & reliability of Abnormal Involuntary Movement Scale, patients with tardive dyskinesia, 24254
validity of Beck Depression Inventory vs MMPI Depression scale vs Self-Rating Depression Scale, male psychiatric vs chemically dependent patients, 24296
validity of behavioral vs subjective self report pain severity scale used in completion of diaries, 9–17 yr old migraineurs & their parents, 187
validity of Children's Action Tendency Scale, role play assessment of social skills, children, comment on study by D. A. Williamson et al, 138
validity of computer-controlled magnitude scaling to measure emotional impact of stimuli, college students & 25–54 yr old nonstudents, 85
validity of Counselor Rating Form-Short version & comparison with long form, college students, 13548
validity of Depression Self Rating Scale, child psychiatric inpatients, 29730
validity of Kindergarten Teacher Rating Scale, prediction of reading achievement, 2nd graders, 15981
validity of Multisensory Imagery Scale, screening of hyperopia developmental disability, students, implications for educational process, literature review, 10888
validity of Rape Trauma Symptom Rating Scale, measurement of aftermath of rape, 16–53 yr old rape victims, 21753
validity of Risk and Rescue Scale, measurement of suicidal acting out behavior, suicide attempters, 5608
validity of Scales for Rating the Behavioral Characteristics of Superior Students, 3rd & 4th graders identified as candidates for gifted program, 5382

validity of Symptom Check List-90 translated into Hebrew, general practice patients & other adults, 191
validity of teacher & student scales & matching familiar figures test, assessment of aggressive classroom behavior, emotionally & behaviorally disturbed male 9–16 yr olds & their teachers, 21440
Visual Analogue Scale vs Duration & Intensity & Behavior Scale, self recording of chronic epigastric pain, patients with mean age of 35.8 yrs, 5686
within-rater & within-patient variability, ratings of fluctuations in tardive dyskinesia, 42–58 yr old outpatients, 7014
Ratio Reinforcement [See Fixed Ratio Reinforcement, Variable Ratio Reinforcement]
Ratiocination [See Logical Thinking]
Rational Emotive Therapy
Adlerian parent training based on A. Ellis's rational emotive therapy, 7346
diagnostic evaluation in rational emotive therapy, 20753
exposure in vivo vs rational emotive therapy vs self instructional training, social anxiety, adults, 20849
in vivo vs rational emotive therapy vs self instructional training, 21–61 yr old social phobics, 23258
psychoeducational group counseling, irrational beliefs, shoplifters with mean age of 25.7 yrs, 1920
pure vs pragmatic rational emotive therapy, 20734
rational emotive therapy, abrasive 25 yr old female, 15114
rational emotive therapy, anxiety & number of intercourse attempts, males with erectile failure, 26117
rational emotive therapy, criminals, reply to G. Harris & S. Samenow's criticism, 26356
rational-emotive therapy, rational beliefs, male alcoholic patients of medical-psychoeducational treatment program, 26390
rational emotive therapy, reduction of interpersonal anxiety, 12–16 yr olds, 10159
rational emotive therapy techniques, reduction of stresses & tensions, vocational counselors, conference presentation, 18874
rational emotive therapy, transition between active mothering & continual relationship with adult offspring, 7350
rational emotive vs progressive relaxation vs study skills treatment, test anxiety, college students, 2591
rationale & technique of combining hypnotherapy & rational emotive therapy, 33 yr old female with phrenophobia, 28546
relative preferences for counseling orientations, preference for demonstrated counseling/interview approaches of C. Rogers vs A. Lazarus, college students without training in counseling, 1814
self control & rational emotive therapy, 20848
sex therapy vs systematic desensitization vs rational emotive therapy, male sexual dysfunction, couples, 20651
therapeutic value of autoprediction in rational suggestion therapy, 27 yr old female with bulimia, 31347
Rationalization
projection & repression & rationalization & denial, stress management, college students, 1283
rationalization of violence, battered women, conference presentation, 9765
simple vs difficult task in presence of friendly vs rude experimenter, effort justification, college students, 22592
Rats [See Also Norway Rats]
acquisition & extinction of conditioned emotional response, 150 vs 600 day old male rats, 8628
anatomical & functional structure of frontal cortex, rats vs human & nonhuman primates, literature review, 24658
arousal response during artificial hypobiosis, rats vs hamsters, 16670
associative learning to obtain water by barpressing following ad libitum water access, pack rats from barren & rocky terrain vs those from moist habitats, implications for behavioral economics, 5848
avoidance training, interresponse time profiles & response chains, female rats, 8627
changes in environment characteristics, behavioral tactics in radial maze with multiple food sources, Wistar vs Krushinsky-Molodkina rats, 3148
cholecystokinin & bombesin & calcitonin & naloxone & glucagon & somatostatin & pancreatic polypeptide, food intake regulation, intact vs subdiaphragmatic vagotomized dogs vs rats, 22080
chronic melatonin implants near suprachiasmatic nucleus & subsequent estradiol benzoate, lordosis reflex & sexual receptivity, ovariectomized female rats, 8949
colony aggression toward unfamiliar intruder of same species, laboratory rats, literature review, 5915
controllable vs uncontrollable shock, maternal behavior, female rats, 8899
cytochrome oxidase activity in hypothalamus before vs after fasting, hypertensive vs normotensive rats, 27372
delayed weaning & feeding experience, taste aversion conditioning, rat pups, 24546
demonstrator rat, food preferences of observer rat, wild & domesticated rats, 24542
development of olfactory bulb & olfactory perception, spiny mice vs Norway rats vs Mongolian gerbils, 570
diazepam, hyponeophagia & benzodiazepine receptor binding, rats of several genotypes, 9019
differential pulse voltammetry, monitoring of 3,4-dihydroxyphenylacetic & 5 hydroxyindoleacetic acid levels, rats, 13498
duration of contextual cuing & cuing-test interval, forgetting of maze performance, male rats, 8620
electrical & mechanical stimulation of perioral areas & trigeminal orosensory deafferentation, jaw-opening reflexes in ingestive behavior, male rats, 27490
exposure to conspecific odor & familiarity & sex of odor donor, scent marking, Norway rats, 8590
frequency contours vs local cues, discrimination of complex auditory stimuli, female rats & cebus monkeys, 8617
hormonal condition & sex & castration & ovariectomy of intruders, aggressive & attack behavior, male & female rats, 8879
individual & group housing, target biting behavior, male mice & rats, 437
isolation in small cages vs housing with female in larger cages, wound patterns of opponents, offensively motivated male rats, 6052
large vs small reward odor cues, simultaneous vs successive negative contrast, 11 vs 14 vs 17 day old rat pups, 11406
lateral ventricles & amygdaloid nucleus & substantia nigra & caudate nucleus & lateral hypothalamus & nucleus accumbens as neural sites for dextroamphetamine injection, feeding & drinking behavior & mouse killing, rats, 808
learned aversion to ingestion of novel solution, taste aversions mediated by lithium induced illness in nursing pups & role of olfactory cues, nonlactating multiparous females vs adult male vs mother rats, 16505
lisuride, sexual behavior, juvenile male rats, 8973
maternal chemomyelotomy vs spinal transection, direct observation of fetal behavior without anesthesia, rats at 17–20 days gestational age, 24179
measurement of extraversion & neuroticism, rats, 24583
memory & perceptual-alerting processes, neophobic responses, rat pups, 24559
mesencephalic locomotor region, rats, 19520
methods for extinction of Pavlovian conditioned inhibitions, rats, 8665
muramyl dipeptide, slow wave sleep & body temperature, rats, 3439
naloxone vs naltrexone, exploratory head-poke response & locomotor activity & rearing, male rats, 24859
neonatal handling vs maternal separation, developmental changes in heart rate & behavioral reactivity & adult blood pressure regulation, spontaneously hypertensive vs normotensive rats, 24706
odor & thermotactile exposure to lactating & nonlactating mothers & surrogates, filial huddling, rat pups, 475
ontogenesis of circadian sleep-wakefulness rhythms & changes in sleep patterns, guinea pigs & rats aged 1 wk through adulthood, 6018
parachlorophenylaline & fluoxetine, muricidal aggressive behavior, male rats, 724
pharmacologic blockade of central dopa decarboxylase, levodopa-induced circling, male rats with nigral lesions, implications for parkinsonism, 24772
postnatal development of sensory functions of lateral hypothalamic neurons, 1–25 day old vs adult rats, 557
postpartum maternal & sexual behavior, female rats, 27256

pre- & postnatal administration of alcohol in milk diet, growth rate & exploratory behavior, female rats & their offspring, 13895
predominant defensive reactions, avoidance & classical & pseudo-conditioning, high vs low avoider strains of Australian rats, 24535
prenatal exposure to predictable vs unpredictable stress, early development, 2–16 day old rats, 24526
problem solving performance using 3 table-problem apparatus, acquisition of cognitive maps, male rats, 8623
reactivity to dorsal tactile stimulation & intruders & shock, aggressive behavior, male rats, 692
response to absence of water, water-deprived rats, 27481
serial patterns of electrical brain stimulation rewards, rule learning, rats, 24541
sex & strain differences, activity patterns in presence of clean vs home cage bedding, rat pups, 432
sex differences, maternal licking, rat pups, 528
slow secondary negative wave & sensory afterdischarge VEP components under influence of amphetamine vs apomorphine, genetically high vs low self stimulation lines of rats, 677
squeal detector based on phase-locked tone decoding, mice & rats, 29670
suckling activity during sleep vs wakefulness, 2 wk old rats, 3331
time series of temperature & stochastic models, laboratory rats, 3313
trigeminal orosensation, control of food & water intake, rats, 19649
ultrasonic vocalization during copulatory behavior & correlation with hippocampal & cortical electrophysiological activity, male rats, 27383
unilateral vs bilateral olfactory bulbectomy, olfactory-mediated arousal & maternal recognition, neonatal rat pups, 711
voluntary ethanol consumption & brain & liver aldehyde dehydrogenase activity, male Long-Evans vs Wistar vs Sprague-Dawley rats, 24940
yohimbine, sexual motivation, sexually vigorous male rats, 16745

Raven Coloured Progressive Matrices
dynamic testing procedures, scores on Coloured Progressive Matrices Test, 8–9 yr olds, 16309
Raven Coloured Progressive Matrices as measure of Piaget's cognitive developmental stages, 201

Raven Progressive Matrices
development & standardization & validation of shortened version of Raven Standard Progressive Matrices, psychiatric patients, 11198
EEG visual EP parameters & scores on the Raven Advanced Progressive Matrices, 18–56 yr olds, replication study, 19098
environmental conditions, expression of intelligence assessed using Raven Advanced Progressive Matrices, 17096
eye movement & verbalization of thinking process during performance on Raven Matrices, 5797
parent recommendation vs performance on Woodcock-Johnson Psychoeducational Battery & Raven Progressive Matrices, educational diagnosis, gifted 4–6 yr olds, 10861
performance of WISC subtests & Raven Progressive Matrices, 8–13 yr old mono-vs dizygotic twin kibbutz school children, 16591
reliability & validity of new American age norms for Raven's Progressive Matrices, hospitalized vocational counseling & psychiatric patients 16 yrs old & older, 16301

Raynauds Disease [See Cardiovascular Disorders]

Reactance [See Psychological Reactance]

Reaction Formation
mefenamic acid, bioelectric activity in cerebral cortex & hippocampus & mesencephalic reticular formation, cats, 22211

Reaction Time
acceleration vs deceleration perturbation, response biasing in production of well-learned discrete timing responses, college students, 11255
alcohol dose, escape latency & threshold for aversive electrical stimulation of periaqueductal gray, rats, 27565
alternative timings of 1 hr nap, early morning performance on RT task, 20–25 yr old military conscripts & students, 19564
anticipatory fear & morphine & shock penalties, RT, former narcotic addicts, implications for pain perception & stress-induced analgesia, conference presentation, 3018
ascorbic acid, performance on visuomotor coordination & complex RT & digit-symbol substitution tests, 19–35 yr old females, 24908
auditory CV stimulus syllables, perceptual motor processing & RT in production of syllables with similar voicing & articulation features in speech, college students, 263
bicycle exercise vs aversive RT stressor & beta adrenoceptor blockade, cardiopulmonary system response, healthy nonsmoking males, 30157
brief shock as punishing stimulus, RT & skin resistance, college students, 688
caffeine usage level & intake, visual vigilance performance, college students, 24877
central vs peripheral visual stimuli presented to right vs left eye, RT, right handed 26–56 yr olds, 30046
choice between movements of identical vs different form with either hand, RT, 22–33 yr olds, 16400
choice RT task, mental representation of movement sequences, college students, test of motor-program editor model vs hierarchical decisions model of motor control, 16402
classical vs popular music & warning stimuli in right vs left visual field, motor RT, 19–55 yr olds, 8844
clobazam, memory & attention & RT, normal Ss, 19652
cognitive asymmetry, manual vs vocal RTs for visual Kana letter processing tasks, college students, conference presentation, 603
combination rule for redundant information, RT tasks with divided attention, female college students, 11323
comprehension time for consensus vs distinction information regarding actions vs occurrences & answering time vs attribution questions, college students, 3092
context & linguistic processing, reading-related differences, highly skilled vs skilled vs less skilled 3rd & 4th grade readers, 11753
contrast level & number of distractor patterns, RT in pattern discrimination, monkeys, 24532
convolution analysis of RT distribution, analysis of cognitive processes & differential behavior of analysis parameters in different tasks, college students, 24150
decision making process & RT, paranoid vs nonparanoid schizophrenics, 1435
decision strategies & event probability & time allotted to complete response, response time & positional changes, sports players, 16000
degree of response-response compatibility in choice RT task, interference & inhibition, college students, 3003
development of mathematical single-decay model, description of sequential effects in 2-choice RT tasks with short response-stimulus interval, 13648
difficulty of recognition memory & classification tasks, P300 latency & RT, 31–63 yr old alcoholics vs depressed patients, conference presentation, 20181
estimation of RT hazard functions, 19116
experimental factors, RT & accuracy on memory scanning & lexical decision & choice tasks, 21874
extended training & temporal contingencies, response speed to matching-to-sample discriminations, 18–21 vs 65–74 yr olds, 30411
factor analysis of choice RT, young vs elderly adults, 19184
field dependence & sex & street background complexity & sign type, verbal RTs to directional street signs embedded in photographic street scenes, college students, 2706
flash intensity & saccade vs manual response, stimulus detection RT performance, human Ss, 19175
flash luminance & positional expectancy, visual response latency, college students, 24407
gamma ray, learning ability, rats, 13859
generalization of M. Stone's random walk model of 2-choice RTs using sequential probability ratio test, 21782
grade & sex, performance on RT & pursuit rotor & hand tapping & arm-hand steadiness tasks, 1st–6th graders, 944
heart rate & eye movements & EMG during foreperiod in simple auditory RT task, 18–37 yr olds, implications for cardiac-somatic coupling hypothesis, 11523
hedonic tone of words, decision time, college students, 3067
hemispheric lateralization, decision stage in choice RTs, reply to G. Heister & P. Schroeder-Heister's criticism, 8834
hemispheric specialization, decision in RTs, criticism of study by E. Bisiach et al, 8790

hypoxic hypoxidosis, brain function & attention & memory & RT & effect of aniracetam on EEG changes, 20–30 yr old males, conference presentation, 678
impatience & competitiveness as components of Type A behavior in choice RT task, cardiovascular reactions, Type A vs Type B college students, 22061
incorrect voicing, RT for consonant or vowel identification, college students & staff, 22241
individual & group differences in reaction time of elementary cognitive processes, Black vs White male vocational college students & college students, 20167
individual differences in psychophysiological recordings of heart rate & frontalis EMG during choice RT task involving visual presentation, extraverts vs introverts, West Germany, 19566
individual vs group housing & age, RT & open field behavior & weight & longevity & activity & operant responding, rats, 22082
information feedback & training, RT on aiming movement task, mentally retarded 21–49 yr olds, 4376
information load & analgesics & rate of cooling, RT, 19–45 yr old males, 16697
intelligence test scores & RT & perceptual speed performance, 12 yr olds, 6326
intensity & location of monaural vs binaural soundbursts, left vs right manual RT to visual stimulation, 20–28 yr olds, 27097
intensity of short duration visual stimulus, detection RTs, human Ss, test of single visual channel model for weak test signals, 8522
interstimulus interval & repetition vs nonrepetition of kinesthetic vs visual-kinesthetic stimulus, RT, adults, 8553
introversion vs extraversion, performance on choice RT tasks, 18–54 yr olds, 1291
involuntary breath holding, RT patterns, adult Ss, 13829
IQ & performance speed, mildly retarded vs nonretarded adults with mean age of 23.8 yrs, 9855
knowledge of sequential vs parallel mental activities, synthesis of partial orders in critical path networks using transitive orientation algorithm, implications for RT data analysis, 21811
lateralized visual stimuli, RT during negative vs neutral emotional states, female college students, 16639
level of facilitation of unattended word for target word, RT in imagery formation, 19–23 yr olds, 29924
levels of frontalis tension, discrimination & RT task performance, headache sufferers, 25883
magnitude of single dose of diazepam, plasma diazepam concentration & memory & discrimination RT & performance on other psychometric measures, 60–77 yr olds, 26193
matching of syllable & consonant sound & congruence between articulatory information & auditory input form, speed of naming syllables & short term recall, college students, 11305
memory size in auditory vs visual CV syllable memory scanning task, RT & EPs, human S, conference presentation, 19463
menstrual cycle, RT & academic performance, 18–21 yr old females using oral vs no contraception, 3323
misalignment of egocentric & environmental frames of reference, spatial stimulus-response compatibility effects, college students, 268
motor task velocity, premotor RT, adults, implications for response programing, 11274
multiletter comparison with simultaneous vs sequential presentation, same-different judgment time, college students, 5784
need for speed of response & choice vs no choice of which limb to use, RT & response delay, right handed college students, 24376
order & orientation of letters & word vs nonword, RT in identification of target letter & classification of trigrams, college students, 5769
orthographic structure, typing of letter strings, female college students, 29816
performance on high speed memory scanning task, mildly mentally retarded adults, 31093
phasic forearm blood flow & heart rate responding prior to voluntary muscle contraction in stressful vs nonstressful RT task, male college students, 11529
physical health vs psychosocial variables as predictors of RT & serial learning performance, 65–85 yr old males, 25125
potential stimuli as source of movement uncertainty in running task, reaction vs movement time, learning disabled 8 & 10 yr olds, implications for skills teaching, 17667
practice &/vs attentional instructions & knowledge of results, visual dominance in bimodal RT task, college students, 262
pre-experimental semantic relations vs newly-learned episodic associations, speed & accuracy of discriminations of memory recency, 27144
presentation of homophones vs homonyms, decision time, college students, 3068
probability of event in choice reaction task, weight shift preceding stimulus to facilitate execution & movement time, Ss, implications for sport-like situations, 13654
processing same vs different judgments vs criteria setting, RT for positive vs negative responses in 2-choice matching tasks, 19264
psychological distance between 2 locations in auditory space, attention switching time, 3059
psychometric artifact, slowing on cross-modal vs ipsimodal sequences in RT task, 18–48 yr old schizophrenics, 22742
psychophysiological test of RT & time estimate & touch discrimination subtest of Halstead-Reitan Neuropsychological Test, assessment of effects of benzodiazepines on attention & sleepiness states, 21–29 yr olds, 11586
P3 component of EP as time marker of duration of perceptual & cognitive processes in RT task, 18–31 yr olds, 11491
reaction & movement time & constant & variable error in 1- vs 2-hand movement with styli from midline of body to lateral targets, college students, 11269
repetition effect in 2-choice RT task, college students with high vs low figure reversal rates, 3047
repetition vs alternation random stimulus series, P300 cortical potential amplitude & RT during auditory discrimination task & role of trial-to-trial expectations, 21–54 yr old male schizophrenics, conference presentation, 20255
response time & age of autobiographical memory retrieved in response to single word prompt, 11–75 yr olds, 25091
response time to microcomputer video monitor, assessment of eye dominance, college students, 19495
restriction of sleep to 1st vs 2nd half of night, composition of sleep & performance on RT task, 17–22 yr old females, 11551
right vs left visual field & handedness advantage, RT on visual & tactual-kinesthetic density & length tasks, right handed college staff & students, 30109
right/left cues, spatial compatibility effects of above/below & near/far dimensions in visual discrimination RT task, college students, 8471
RT & attention & reading comprehension & intelligence & academic achievement, 7th graders, 6284
RT & IQ, criticism of A. R. Jensen's studies, 20149
RT & movement time & WISC-R & subtest scores, children with mean age of 8.2 yrs, 5590
RT for processing temporal vs spatial stimuli presented to left vs right visual hemifield, right handed Ss, 8758
RT measurement, receptive field properties of fovea, humans, 8839
RT to light & sound stimuli & word alliteration, plasma catecholamine levels, hyper- vs normotensive outpatients, 4493
RTs to lateralized light flash, nasotemporal overlap in retina, college students, 3290
saccadic RTs & neural activation in prelunate visual association cortex, trained rhesus monkeys, 3263
same vs different color stimuli, RT for discrimination & matching within & between hues, Os, 19188
secobarbital, choice RT in character recognition task, male college students, 8986
selective interference imagery procedure, verbal vs spatial response RTS, congenitally blind vs sighted vs blindfolded sighted female school students with mean age of 16 yrs, 22969
self disclosure, RT, male vs female college students, 6666
self report of cognitive dysfunction vs objective performance & illness chronicity, 19–59 yr old schizophrenic inpatients, 9741
sensorimotor RT & stimulus recognition, scalp topography of electrical potentials & dominance, humans, 24639
serum neuroleptic level & extrapyramidal side effects & level of symptoms, distractibility & RT, 19–55 yr old clinically stable chronic schizophrenics, 20941
similarity space of schematic face stimuli, pattern classification, graduate students, 11303

simple- & choice-RT before vs 1–6 mo after surgery vs during radiation vs chemotherapy, evaluation of brain function, patients with brain tumors, 7547
simple & choice RT tasks, cognitive processing & habituation of amplitude & latency of auditory EPs, 19–40 yr old neurotic depressives, conference presentation, 20329
simple & choice RTs for writing homogeneous vs heterogeneous letters & numerals, 20–30 yr olds, 11277
sleep deprivation, body temperature & disjunctive RT & tapping, 8-hr & 12-hr shift operators, 16045
slides of positive vs negative facial expressions exposed to left vs right visual field, RT, male vs female right handed college students, 30106
sound, acoustic RT, 4–14 & 15–72 yr olds, 14010
spatial compatibility of 2-dimensional stimulus arrays vs 1-dimensional response & effector arrays, 20–30 yr olds, 3031
speech rate & voice pitch of phoneme synthesized speech, intelligibility of & RT to warning messages, helicopter pilots, 11313
speed of reactive capacity, prediction of differences in striatal binding of spiroperidol, rats, 11503
speed of verification of statements containing property vs category information, college students, implications for semantic memory, 24461
starting positions of arm, EMG RTs of biceps brachii muscle for elbow flexion & forearm supination, male college students, 11516
stimulus conditions involving various emotional & motivational levels, contingent negative variation, depressed patients, conference presentation, 20242
stimulus factors in previewed displays, RT & selective classification, college students, 5792
stimulus probability & learning contextual vs single-trial information processing, choice RT & cortical event-related potentials, human Ss, conference presentation, 19432
stimulus-response compatability, choice RT performance & role of motor programing of manual responses, college students, 19176
stimulus vs response processing demands, intrahemispheric interference & RT to lateral stimuli, college students, 562
success & failure experiences, RT & cardiac rhythm, mentally retarded 13–15 yr old males, 28373
tachistoscopic presentation of same vs different stimuli, interhemispheric differences in RT, right handed adults, 16643
temporal order judgments of illumination of 2 lights, visual response proportion & RT, college students, 16412
test of explanations for crossed hand effect of response latencies, college students, 29819
theory & methodology for inference of mental processes from analysis of RT data, 19157
threatened stressor vs RT vs imagery tasks, bilateral temporal artery & digital pulse amplitudes & heart & respiration rate, 19–42 yr olds with migraine headache, 20567
trait anxiety, establishment of expectancies & contingent negative variation amplitude during stimulus association learning, females, conference presentation, 19511
transmural carotid baroreceptor stimulation, performance on RT tasks, human Ss, failure to support J. I. Lacey & B. C. Lacey's hypothesis, 19183
trial-by-trial self tracking, responses on visual or vibrotactile 2- & 4- & 8-choice RT tasks, college students, 3024
unilateral vs bilateral presentation methods, RT on object naming latency task, college students, implications for right visual field superiority, 24174
use of additive factors logic to test energy summation view of auditory accessory stimulus, adult volunteers, 29823
use of odd-event rule, RT in sum verification tasks, college students, 5785
vigilance & RT & norepinephrine metabolism in CSF, patients with Parkinson's disease, 10010
visual stimulus offset in right vs left visual field, RT, college students, 24631
visual vs auditory choice RT, highly practiced Ss, 27094
visual 4-choice RT measurement at 24 hrs vs 6 wks after injury, 16–55 yr olds with minor head injuries, 28458
visually-cued normal- vs anti-saccades, RT & event- vs response- vs movement-related brain potentials to foveal vs peripheral stimulus, human Ss, conference presentation, 19438
visually presented letters, simple vs choice RT & response inhibition, college & high school students & laboratory assistants, 269
voluntary contractions of eyelid or forearm muscle in RT task, excitability of cutaneous eyeblink reflex, right handed 17–39 yr olds, 27397
waiting time for RT experiment on CRT display, effort of preparation, Ss aged under vs over 65 yrs, 19174
word association response times, 50–71 yr old male Nobel Prize laureates vs depressive 19–40 yr olds vs schizophrenic 17–26 yr olds, 4237
word frequency, RT & performance on category verification & lexcial decision & pronunciation tasks involving word recognition, college students, 5804
word pairs presented monaurally to left vs right ear, ear advantages in RT, 57–84 yr olds with Broca's aphasia, 22959

Reactive Depression
antidepressant medifoxamine, 23–75 yr old depressed endogenous & reactive & neurotic & mixed patients, 1983
clonidine, growth hormone, 23–59 yr old patients with endogenous vs reactive depression, 30915
injuries in work setting, treatment for resulting psychiatric problems, patients with posttraumatic stress disorder vs reactive depression vs hysterical neurosis vs psychogenic pain disorder, 25579
premorbid severe life events & major difficulties, 5-yr outcome, inpatients with endogenous vs reactive depression or reactive vs nonreactive psychosis, 6751
thymoleptic Hydiphen in high doses, endogenous vs reactive vs organically induced depression, 20–60 yr old patients, 4773
treatment with dextro-phenylalanine, outpatients with endogenous or reactive depression, 23357

Reactive Psychosis
application of criteria for hysterical psychosis, psychiatric inpatients, 17471
attention & logic & problem solving styles, 18–73 yr old process vs reactive schizophrenic vs patients with affective disorders, 14691
clinical & social course & outcome, 17–55 yr old 1st admission patients with acute reactive paranoid psychosis, 10-yr followup, 30942
psychotherapy, foot & shoe fetish, psychotic 6 yr old female who had been traumatized by her father, 7228
reactive psychosis & possible etiology of chronic psychosis, psychiatric patients, 2 case reports, 25544

Reactive Schizophrenia [See Reactive Psychosis, Schizophrenia]

Readability
analysis of readability of science worksheets vs textbook materials, secondary school teachers, 26546
assessment of elementary reading text readability, 7925
character- vs word-stepped moving presentation in 1-line continuous text visual display, information processing performance during reading, skilled adult readers, implications for human factors design, 13350
close vs regular letterspacing & serif vs sans serif typefaces, readability of advertising copy, college students, 11021
cross validation & recalculation of 3 readability formulas for German language, 21513
discourse structure, difficulty in reading, kindergarten students & 1st graders, 19812
extraction of information from continuously masked successive visual & verbal stimuli, 3005
Flesch-formula-derived reading ease rankings vs student ratings of readability of introductory psychology textbooks, college students, 2388
Lix procedure research on readability formulae, Austria, 3542
need for improved textbooks at all educational levels, 26534
page format & grade level & sex & content, ability to read science material measured by cloze readability method, 4th vs 5th vs 6th graders, 29299
readability & use of advance organizers & contextual factors, college survival skills & reading instruction & practice texts, 29237
readability level & story context, vocalization latency of target words congruous vs noncongruous with story context, 3rd vs 6th graders, 7990
readability of child personality assessment instruments, 2905
readability of Gates-MacGinitie Reading Tests, 5360

readability of health care literature, Great Britain, 28840
readability of Personality Inventory for Children, 2872
readability of psychoeducational reports, parents, 26477
reading ability vs textbook readability, community college students, 23784
review of research by J. S. Armstrong on relationship between journal passage readability & intelligibility & rated prestige, 18944
RIXRATE computer program, estimation of text readability, 13490
task difficulty vs glare, response time on video display terminal reading comprehension task, college students, 32326
text adaptation, reader rated interest & difficulty, low-achieving junior & high school reading students, 32007
text displayed on CRT vs paper & type of error annotation, proofreading performance, 34–61 yr olds, implications for computer applications, 29492
theoretical &/vs situational knowledge of elementary reading instruction, estimation of readability of materials, preservice vs inservice teachers, 5197
types & levels of linguistic cohesion & referential coherence in social studies textbooks written for different grade levels, instructional implications, 5223
use of literary quality & reader perceptions of text structure, assessment of comprehensibility of textbooks, 5215
validity of cloze procedure as alternative to readability formulas, measurement of reading comprehension, adolescents vs young adults, 26677
video games, reading speed & scanning skills, children, educational implications, 29236
vocabulary & syntax & density & format & teacher evaluation, determination of textbook readability, reading disabled students, 23837
Readaptation [See Adaptation]
Reading [See Also Braille, Oral Reading, Remedial Reading, Silent Reading]
adult encouragement of reading & writing behavior, young children, 3678
age & communication status & verbal IQ, directiveness of parental teaching, 3.5–5.7 yr olds, 27740
amount of space separating letters, eye fixation duration during search task, adults, implications for control of eye movements during reading by information processing, 21863
application of naturalistic paradigm to research in content area reading, secondary school social studies classes, 2798
attitudes toward reading & types of reading interests, 1st–6th graders, 5295
attitudes toward reading research, 20–66 yr old teachers, 29133
auditory perceptual skills & reading achievement, children, response to R. Gersten & D. Carnine's comments, 16957
behavioral reinforcement program, leisure reading at home, 2nd–8th graders in remedial reading class, 26521
cerebral hemispheric processing of Kanji vs Kana writing systems, 19480
clarification requests & responses during joint book reading, kindergartners & their mothers, 16949
communicative theories of cognitive processing, teaching reading in foreign language, 29251
comparison of processing time measures, assessment of mental processes during reading, college students, 26917
comprehension of punctuation & graphic representation in reading & writing, 4.8–6.7 yr olds, 16928
computer-based procedures & ecological validity, reading research, conference presentation, 41
depth of processing & lexical access of mono- & polymorphemic words, college students, 5793
development factors, reading & study habits, 10–12 yr olds, 25038
development of meta-linguistic knowledge & concepts of reading & writing, 4.1–5.9 yr olds, 3663
development of Reading Attitude Imagination Technique, assessment of positive & negative attitudes toward reading, high- vs low-achieving 5th grade readers, 5395
distraction, short term storage in reading, college students, 19273
educational & developmental & cognitive psychology research publications that publish articles on reading, 26844
efficacy of rapid serial visual presentation on CRT as reading aid & information processing research tool, conference presentation, 106
evaluation of processes involved in decisions about terminal vs preterminal items in sequential item recognition task, right-handed 21–47 yr olds, 8566
exercises for critical reading strategies, 29218
experiences & conceptions of reading, 3–5 yr olds, 14095
eye fixation patterns during reading, theories of exhaustive visual search & speech comprehension, 13650
factive verb with false complement & mask, lexical retrieval & postlexical processes during eye fixations in reading, college students, 30335
factor structure of Mikulecky Behavioral Reading attitude Measure, assessment of reading attitudes, gifted 7th–8th graders, 13190
factorial design methodology, reading research, 8353
general & language development approach to content analysis of emergent reading attempts, kindergartners & 2–4 yr olds, 30476
hemispheric asymmetry & reading & writing habits, directional preferences in reproducing horizontally displayed visual stimuli, readers of Hebrew vs English vs Arabic, 30088
hermeneutics as interpretive model in literary criticism, 30364
hyperlexia as language disorder, female assessed at 3 mo & 7.8 yrs, 25759
identification of oral & silent reading & role of print in reading & perceptions of own reading ability, 3 vs 4 vs 5 yr olds, 3637
imageability, reading of words, deep dyslexics, 17675
incidental learning from context during reading, vocabulary acquisition, 8th graders, 14078
inserted questions, studying behavior of course related materials, college students & 5th graders, 10737
instructions about text structure prior to reading vs prior to recall, free recall & recognition of information in research vs journalism texts, college students, 11344
intensive design methods, analysis of individual differences in text processing, 57 & 65 yr old proficient readers, 27153
irregularities in spelling &/or pronunciation, word recognition, college students, 8551
letter cancellation task, examination of whether prelexical phonological representation is essential component of normal reading process, college students, 19265
lexical vs phonologic conversion systems in reading, 53 yr old male with transcortical aphasia & deep dyslexia, 17722
matching animals with footprints, alexia & ideogram or Kanji reading, non-Japanese 35–70 yr olds with left brain lesions & aphasia vs right brain lesioned Ss, 20626
metaphorical usage of neurobiological knowledge, model of reading, 19282
methodology & utilization of verbal reports in reading research, literature review, 31946
mispronounced high-frequency words presented in storylike context, production of correct pronounciation, 2nd graders, 3630
modified Stroop Color-Word Test, spontaneous reading & decoding of word information & concomitant interference, aphasic patients, 31141
object name reading vs verbal naming tasks, event-related brain potentials, right handed 23–26 yr old males, conference presentation, 19524
perceptual breakdown & reintegration of characters in reading Chinese, 13681
phonological code & spelling of character strings, classification by physical criteria, college students, implications for computation of abstract letter identities as precursor to reading, 5767
picture naming & auditory word comprehension & cued word reading, 43 yr old globally aphasic female, 9949
polar reading & literacy experience, lesbian readers, 6211
preferences when being read to by others, 5–13 yr olds, 25052
prior knowledge of linguistic context, time during reading processing, college students, 5790
reading & spelling ability, use of spelling-sound correspondences in reading & spelling, 3rd graders, 25160
reading anxiety scales vs non-anxiety reading measures & prequestions, prediction of reading comprehension & reduction of anxiety, reading-anxious college students, 15915
reading as problem solving process, educational implications, 26563

reading basal vs student-authored stories, interest in reading, 1st graders, implications for reading education, 29289
reading comprehension interview, perceptions of classroom reading activities, 3rd–8th graders, 5425
reading habits, adults, literature review, 11329
reading level, quality & quantity of miscues, functionally illiterate adults, 19261
reading of content & noncontent words, dyslexic male children, 25701
reading of image in psychology & literary texts, 30346
reading practices, adults in various occupational categories, 13241
reading scientific material, change in stereotyped attitudes toward lions & ticks, college biology students, 10784
reading theory & instructional design, 18556
reading topic & use of cohesive conjunctions & level of reference & presence of response rhetorical predicates, reading rate & free recall, college students, 11338
reading vs total vs manual vs oral communication skills, severely & profoundly deaf 9–20 yr olds, 17738
realistic vs unrealistic criteria for perfomance, studying behavior, college students, 7951
reduction of glare vs attenuation of stripe patterns, eye strain & headache while reading, 19–60 yr olds, 3057
repeated exposure of visually presented phrase, phonological recoding vs visual mediation in reading, college students, 11385
role & influence of audiolingual component, foreign language learning, native speakers of German, 11649
role of partial specification in formulation of definitions of reading in theory & practice, 15773
role of reader in "new novel", 9075
sensitivity to propositional units, college students who are good readers, 11648
sentence context of word vs pseudohomophone, target recognition, 9–10 yr olds who were good vs poor readers, test of interactive-compensatory model of reading, 9162
sentence contexts, word-nonword decision latency, deaf vs hearing college students, 14920
sex differences, reading interests, Black vs White 4th graders, 27750
Short Circuit Model of Reading as synthesis of reading theories, 3077
size of perceptual span, use of visual information to distinguish among letters during reading, college students, 13666
stimulus quality & semantic context, word recognition, congenitally blind Ss with mean age of 12.2 yrs vs sighted Ss with mean age of 10.5 yrs, 9988
strategies in reading sentences for retention vs comprehension, 5th graders vs college age adults, 6273
text presentation in upright vs inverted position, eye movements & reading performance, dyslexic 2nd graders, 9843
theoretical models of skilled reading, literature review, 814
time limit & access to questions & text- vs reader-based questions, response accuracy & frequency of lookbacks, college students, 11315
type & rate of saccadic pattern disturbance during reading, 27–76 yr old aphasics, 22982
use of different aspects of sentence structure to facilitate decoding in course of reading development, 1st & 2nd graders representing 4 levels of early reading competence, 3653
use of semantic vs graphemic information, reading spatially transformed text, college students, 21861
verbal report immediately after task vs 3 days later, self report of reading-summarizing strategies, college students, 5774
visual mask size & stimulus onset delay, eye movement control during reading & role of direct control & preprogramming, college students, 19211
window pointer technique, measurement of word processing time in reading, college students, conference presentation, 54
word frequency & predictability, lexical access & content-dependent word interpretation in reading of prose, college students, 24360
word reading & picture recognition task, event related brain potenials, 5–6 vs 20–32 yr olds, 30077
word reading time as indicator of interclause integration, adults, conference presentation, 91
word shape, lexical access & word recognition during reading, college students, 5824
words presented with morpheme vs syllable breaks, performance on "find-the-word" test, college students, 11270

Reading Ability

ability level & comprehension monitoring cards, comprehension & recall of science & social science text, 4th graders, 7884
age & reading ability, memory for phonemically confusable & nonconfusable letters, 2nd vs 4th vs 6th grade disabled vs average vs superior readers, 9155
age & reading proficiency & type of standard, spontaneous vs instructed use of multiple standards for evaluation of comprehension, 9 vs 11 yr olds, 5270
amount & mode of assigned contextual reading, 1st & 3rd & 5th graders designated as good vs poor readers, 13071
attentiveness & vocal excitability & irritability & activity in infancy, IQ & reading ability & reflection-impulsivity, 10 yr olds, longitudinal study, 9195
awareness of expository text structure, reading comprehension & writing & recognition & production of relevant information, college students, 10752
Bender Visual Motor Gestalt Test, diagnosis & prediction of reading achievement & ability, literature review, 1962–81, 15949
Blissymbols vs printed words, symbol learning, nonreading 4.3–5.1 yr olds, implications for special education, 30449
carbohydrate intake & hair trace elements & EEG measures, reading ability, 5–16 yr olds, implications for development of causal model of ecological factors influencing child development & reading ability, 25154
causal modeling of reading acquisition, reply to K. O. Yap & L. M. Wolfe & L. M. McGee, 6304
cognitive ability & formal operational thought, reading comprehension & ability, 11–14 yr olds, 6316
cognitive effort & distinctiveness of encoded word, recall, skilled vs learning disabled readers, 9860
cognitive processes & language awareness & reading, 2nd vs 4th graders, 7973
comfortable vs uncomfortable reading materials & educational placement, reading ability & achievement, 3rd–8th graders, 26525
commercial informal reading inventories as alternatives to teacher-constructed instruments, 8 & 10 & 14 yr olds, 32022
common etiology of speech & language & reading & writing difficulties, dyslexic & dysphasic children, literature review, 22886
comprehension monitoring, 5th graders assessed as skilled vs less skilled readers, 10743
conceptual & methodological issues associated with reading level design, measurement of reading ability, reading disabled children, 13169
conceptual tempo, reading task performance, 2nd graders, 29275
construct validity of phonological awareness assessment, reading achievement prediction, kindergarten students with mean age of 6.2 yrs, 5419
construction & validity, of Test of Early Reading Ability, 3–7.1 yr olds, 26729
context & linguistic processing, reading-related differences, highly skilled vs skilled vs less skilled 3rd & 4th grade readers, 11753
criterion related validity of psychoeducational tests for reading ability, learning disabled 4th–7th graders, 21516
decentering & classification ability, reading ability, male 2nd graders, 16951
detection of informational inconsistencies in narratives, 4th vs 6th vs 8th graders with different reading comprehension levels, implications for attentional assistance, 13074
development of inventory, assessment of reading knowledge of mathematical vocabulary & concepts, elementary school students, 5366
development of word recognition processes, 9–12 yr old poor vs good readers vs college students, 9242
direct training of comprehension monitoring, detection of reader-based vs text-based inconsistencies, 6th & 7th graders with poor reading ability, 10734
discourse structure, difficulty in reading, kindergarten students & 1st graders, 19812
errors & response latencies on Auditory Cognitive Style Task, 1st vs 3rd graders classified as good vs poor readers, 14107

experience with environmental print, context-free word reading skill, 2–5 yr olds, 32065
exposure to pre- & posttest versions of reading games vs similar games, improvement of comprehension-monitoring skills, 4th–5th graders & college students with different levels of reading ability, 13076
familiarity with oral vs written language structure, reading comprehension, 2nd graders, 7974
field dependence, reading comprehension & accuracy & speed, 10 yr olds, 19807
free recall of abstract vs concrete words, poor vs normal readers in 2nd vs 6th grades, 19867
homogeneous grouping on basis of ability, reading achievement & social & affective development, students, 13066
horizontal eye movements associated with visual tracking of smoothly moving target, dyslexic 8–13 yr olds, 12291
improvement of reading skill, writing skill, 9th & 10th graders, 26562
indirect intervention methods, improvement in reading ability & achievement, hearing impaired 11–15.6 yr old students, 5348
individualized language experience vs basal reader approach, reading ability & skills, kindergartners through 3rd graders, 23733
informal reading inventories, assessment of reading behavior & criteria for instructional reading level, discussion of P. A. Killgallon's study & W. R. Powell's critique, 5396
intraword structure & orthographic knowledge, word recognition & reading ability, mature readers, 29946
knowledge of orthographic elements, pronunciation of synthetic words containing variant-predictable vowel patterns, 1st & 3rd & 5th graders with high vs low reading ability, 13085
letter vs abstract form stimulus arrays with variable interstimulus intervals, retention, 3rd & 5th graders classified as average vs supra readers, 14075
level of reading acquisition, performance on word boundry tasks written at 4 readability levels & validity of word boundry tasks as measure of reading ability, 3rd & 5th & 7th graders, 7966
listening comprehension, determination of reading potential, 1st–3rd graders, 5413
main idea prequestions, understanding cause-effect in prose, low average & good 6th grade readers, 10727
male vs female perceptions of sex stereotypes in reading & math & intellectual ability vs achievement in standardized tests, 3rd & 6th graders, 29292
Matteson Four-Dimensional Reading Project vs Scott Foresman Reading System, reading achievement, 6th graders with high vs low ability levels, 21302
metaphonological skills of sound blending & segmentation, reading & spelling, 1st graders & dyslexic elementary school students, 15901
methods for teaching negative sentence structure, reading & reasoning abilities, students, 5233
motor & language & reading development & intelligence & behavioral problems, 7 yr olds with delayed speech development, 6997
oral vs silent reading of passage, literal vs inferential reading comprehension, 2nd–5th graders, 29284
page format & grade level & sex & content, ability to read science material measured by cloze readability method, 4th vs 5th vs 6th graders, 29299
paraphrasing skills, reading comprehension, 4th–6th graders, 29277
performance profiles on informal reading inventories, 1st–9th graders & adults attending Adult Basic Education, 5392
phonetic analysis & synthesis, reading & spelling abilities, children, 14092
pictorial &/or textual visual cuing strategies, reading scores, 4th graders with average vs low reading ability, 26515
piracetam, reading & writing & spelling abilities, dyslexic 8–13 yr olds, 10256
piracetam, reading speed & accuracy, dyslexic male 8–13 yr olds, 12665
presentation & recall requirements, comprehension of story schemata, good vs poor 6th grade readers, 14073
preservation of stenographic reading & writing abilities, 84 yr old male with pure alexia, 31239
prior knowledge, learning new information from text & ability to correct old information, average- vs below-average 3rd graders, 7975
prior knowledge of answers, question answering, 5th graders with good vs poor reading ability, 10753
reading & spelling ability, use of spelling-sound correspondences in reading & spelling, 3rd graders, 25160
reading ability & instruction method, oral reading strategies, 1st graders, 5262
reading ability & repeated presentations of words & pseudohomophones & control nonwords, lexical judgments, college students, 11647
reading ability & sexism in children's reading materials, male vs female children, 29264
reading ability & testing vs review study activity, rote & conceptual learning, high school students, 15801
reading ability & use of phonetic representation, spoken sentence comprehension & repetition, 3rd graders, 9207
reading ability & word knowledge, text recall & comprehension processes, children, 27795
reading ability, functional sight vocabulary, 2nd–5th graders, 22303
reading ability, spelling performance, 8 yr olds, 25141
reading ability, use of context in identification of words, children, 372
reading ability vs textbook readability, community college students, 23784
reading competence & preference, achievement in school reading, students, US, 18625
reading familiar vs unfamiliar words, successive recoding of graphemes into phonemes, 2nd vs 3rd vs 4th grade good vs poor readers, 22345
reading instruction in 2nd language, reading concepts & phoneme segmentation ability, students 8 yrs old & younger vs 9 yrs old & older, Papua New Guinea, 5273
reading level, quality & quantity of miscues, functionally illiterate adults, 19261
reading levels & development, early reading vs nonreading kindergartners from low SES background, 25121
reading rate & comprehension, speed readers vs professionals vs college students vs people who score high on standardized tests, 32050
reading skill, proficiency in retelling aurally-presented stories, 6 yr olds, 16942
reading skill, word recognition with vs without context, 1st graders, longitudinal study, 10766
reading time for letters vs words vs text, kindergartners & 2nd–3rd graders with high vs average reading ability, 16954
recall of story propositions & inferences & written narratives, hearing vs deaf high school students, 20593
reliability of diagnostic & remedial decisions of reading difficulty, reading specialists, 6985
review & suggestions for improvement of reliability & validity of informal reading inventories, 15946
review of 1981 revised edition of Diagnostic Reading Scales, assessment of reading ability & skills & listening comprehension, students functioning at reading levels 1–7, 23897
role of reading ability, solving arithmetic word problems, implications for lesson plans, literature review, 32068
saccadic eye movement patterns, 6–16 yr old poor vs normal readers, implications for dyslexia, 4361
science vs social studies vs literature text, reading strategies for comprehension, low vs average vs high ability 5th graders, 23782
selective ability to read closed-class words, 75 yr old male with profound Wernicke's aphasia, 25800
self questioning procedure modeled on cognitive behavior modification, sentence elaboration & recall, 5th–7th graders, replication of research by J. D. Bransford et al, 2422
sensitivity to propositional units, college students who are good readers, 11648
sentence context of word vs pseudohomophone, target recognition, 9–10 yr olds who were good vs poor readers, test of interactive-compensatory model of reading, 9162
simultaneous vs successive information-processing tasks, good vs poor 9–11 yr old 5th grade readers, 13086

special reading time with Spanish materials, reading abilities & attitudes & self concept, Hispanic junior high school students, 32036
standardization & reliability & validity of measures of paragraph reading, elementary & high school students, 23882
story structure instruction, recall learning, low-SES 6th graders with poorly developed story concept, 32040
structural organizers, comprehension & recall of expository text, high- vs moderate- vs low-ability 9th graders, 15793
text structure vs processing task, memory for main idea of passage, college students identified as good vs poor readers, 11316
theme shifts in orally presented passages, schema shifts & comprehension, 3rd grade good vs poor readers, 7996
theoretical models of skilled reading, literature review, 814
theoretical structure for analysis of reading efficiency problems & treatment, high school students with visual function disorder, 14996
use of graphemic vs phonemic characteristics of words, good vs poor readers with mean age of 10 yrs, 14114
use of propositions for sentence meaning & reading speed & retention, 3rd grader beginning readers vs 5th grade skilled readers, 9197
visual vs auditory vs mixed vs no sensory confusions, reading decoding & silent comprehension & specific errors & verbal retention, 8–11 yr old dyslexics, Chile, 21399
word length & familiarity & syllable length & complexity, reading errors, good vs poor 8–9 yr old readers, 26564
word recognition under normal vs reversed vs inverted orientation, 9–11 yr old mentally retarded vs normal readers, 4371
words presented with vs without environmental context, ability to read words, preschoolers, 3629

Reading Achievement

ability tracking, discriminatory practices in type of reading instruction received, elementary school students in urban schools, 10697
accuracy of judgments of students' achievement level, teachers & 3rd–8th graders, 10666
achievement & SES, self concept vs perceptions of parental expectations vs family attitudes, learning disabled 7–13 yr old students, 2537
administration of comprehensive test battery in kindergarten, prediction of reading achievement in grades 1–6, elementary school students, 7-yr longitudinal study, 29267
attitudes toward reports of standardized reading test results, parents of 3rd graders, 23685
attitudes toward school & self & others & reading achievement, 10th–12th graders in alternative high school, 5287
attitudes toward testing & test results of reading achievement, teachers, 10680
attributions for failure & success in different aspects of reading, 3rd vs 6th graders, 15838
auditory perceptual skills & reading achievement, children, response to K. A. Kavale's comments, 16941
auditory-perceptual skills & reading, learning disabled children, criticism of K. Kavale's meta-analysis, 2505
background knowledge of concepts of print & written language & story structure & usefulness of reading, reading success, children, 7987
Bender Visual Motor Gestalt Test, diagnosis & prediction of reading achievement & ability, literature review, 1962–81, 15949
bilingual education, mathematics & reading achievement, 1st–6th graders, use of meta analysis in reanalysis of C. F. Leyba's data, 13055
classification analysis of reading test performance, Black vs White college students, 21352
cognitive ability & achievement in reading & mathematics, 1st & 5th graders, US vs Japan vs Taiwan, 26580
cognitive style, learning maximal vs minimal contrast words, kindergartners, 29266
comfortable vs uncomfortable reading materials & educational placement, reading ability & achievement, 3rd–8th graders, 26525
computer assisted instruction, reading & mathematics achievement & attitudes toward school & self esteem & locus of control, 4th & 5th graders, 29200
daily parental tutoring, achievement in reading/language arts & mathematics & student attitudes toward reading & self concept & motivation & parental attitudes toward school, 1st vs 2nd graders & their parents, 5252
delayed vs immediate teacher correlation of oral reading errors, reading proficiency, mentally retarded 11–17 yr olds, 32147
deletion of accompanying passages, scores on multiple choice reading comprehension questions, college students, 5393
development of Reading Attitude Imagination Technique, assessment of positive & negative attitudes toward reading, high- vs low-achieving 5th grade readers, 5395
discrepancy scores vs unadjusted low-achievement criterion, identification of learning disabilities, 1st graders in rural elementary schools, 15937
discussion of intervention strategies & development of information-processing approach, reading achievement, Black children, 29265
educational diagnosis & tutoring, reading & arithmetic performance, incarcerated handicapped adolescents, 2510
efficacy of text lookback strategy training, elementary & middle school remedial readers, 29361
factor analysis of Assessment of Reading & Language Maturity, measurement of progress in reading, 5398
factors influencing reading achievement & attitude, 17 yr old students, 10770
family stability in community, reading achievement, 3rd–7th graders, 19830
handedness, reading achievement & symbol reversal, 6–7 yr old 1st graders, 2433
homogeneous grouping on basis of ability, reading achievement & social & affective development, students, 13066
implementation of technically adequate curriculum-based measurement & evaluation system for instructional decision making, reading achievement, 1st–7th graders, 2419
indirect intervention methods, improvement in reading ability & achievement, hearing impaired 11–15.6 yr old students, 5348
intraclass peer tutoring, sight word recognition skills, 11–13 yr old mildly mentally retarded students, 26636
language analysis skills & rapid naming ability, 1st grade reading achievement, kindergartners & 1st graders, 10745
long term stability or variability in individual reading achievement, 6th graders, development & educational implications, 10744
main & interactive effects of hair concentrations of lead & arsenic & mercury & cadmium & aluminum, reading & spelling achievement & visual-motor performance, elementary school students, implications for educators, 25882
Matteson Four-Dimensional Reading Project vs Scott Foresman Reading System, reading achievement, 6th graders with high vs low ability levels, 21302
method of spelling acquisition & remediation developed by J. Carlin, spelling & reading & mathematics achievement, 3rd vs 4th graders, 13033
mother-child relations & cognitive ability, mathematics & reading achievement & conversation & vocabulary & block design performance, mothers & their 3 mo olds studied at 6 yrs of age, longitudinal study, 9166
phonemic processing instruction model, reading achievement, 8.2–11.6 yr old reading disabled children, 26661
phonological recoding skills following kindergarten, reading acquisition & achievement, 1st & 2nd graders, longitudinal study, 32058
pictorial &/or textual visual cuing strategies, reading scores, 4th graders with average vs low reading ability, 26515
predictive validity of reading measures, rural 1st graders, 29464
predictors & sources of individual differences in reading acquisition, Ss during kindergarten & 1st grade, Australia, 15817
reading attainment, female vs male Black vs White students tested at ages 10 & 14 yrs, England, 4-yr followup, 26572
reading competence & preference, achievement in school reading, students, US, 18625
reading performance instability, learning disabled 3rd–8th graders vs emotionally handicapped 4th–9th graders, implications for diagnosis & treatment of exceptional students, 18685
reinforcement for reading accuracy vs speed, generalized accuracy vs speed, learning disabled 9–12 yr olds, 20438

repeated curriculum-based measurement/evaluation vs conventional special education evaluation, pedagogical decisions & student knowledge & achievement, female special educators of emotionally or physically or mentally handicapped students, 8105
role of word features & basal text characteristics, acquisition of word identification skills, 1st graders, 15758
secondary school influences, reading achievement & intelligence & behavior, 10 yr old students, longitudinal study, England, 8034
segmenting-training with vs without blending-training, improvement in segmenting skills, kindergartners, 15746
Self Concept of Ability Scale & Self Perception of Attainment Scale, prediction of reading achievement, 8th graders, 29404
self instructional procedures, academic achievement, educationally handicapped 13–14.6 yr olds, 23869
sex & grade level & attributions of reading achievement, achievement motivation, 6th vs 7th vs 8th graders in middle school, 26613
sex & introversion-extraversion & teaching strategy & word complexity, reading accuracy, 7 yr olds, 29241
teacher characteristics & student learning of reading skills, 7957
teacher-rated reading achievement & social acceptance, 2nd vs 6th graders, 8006
teacher-student cognitive style, reading & mathematics achievement, 4th graders, 5285
time spent in learning & time needed for learning, reading & spelling achievement, 4th–5th graders, 23781
traditional vs experimental curricula & classroom activities & teaching styles, reading achievement & related cognitive & linguistic abilities, 1st & 2nd graders, 29191
use of advertising logos in beginning reading instruction, 3.5 vs 4.5 yr old nursery school students, 23769
use of desk-top scoring unit, errors in scoring mathematics & reading proficiency tests, 8th graders, 5407
validity of Kindergarten Teacher Rating Scale, prediction of reading achievement, 2nd graders, 15981
views on failure in reading education, urban Black children, 29270
White vs Hispanic teachers, reading achievement, 3rd–4th grade Chicano students, 29296
word identification strategies, reading achievement, elementary & junior high school students in remedial reading, 29357

Reading Comprehension

ability level & comprehension monitoring cards, comprehension & recall of science & social science text, 4th graders, 7884
ability to decode printed words, reading comprehension, 9th graders, 10754
acquisition of word meaning through context, 5th graders assigned to high vs low ability groups, 32066
adjunct question aids & hierarchical organization of text materials, text comprehension, educable mentally retarded high school students vs normal 1st graders, 12304
affect intensity & emotive content & relative importance of story paragraphs, recall & comprehension of stories, college students, 29955
age & reading proficiency & type of standard, spontaneous vs instructed use of multiple standards for evaluation of comprehension, 9 vs 11 yr olds, 5270
aids to text comprehension & suitability for student & type of material, conference presentation, 7920
amount of & emphasis on comprehension instruction in university reading clinic, 3rd–7th grade remedial readers reading at middle- & upper-elementary levels, 5201
appropriate vs inappropriate uses of norm-referenced tests of reading comprehension, 5412
assistance in selection of schema for understanding passage, comprehension-monitoring abilities, 6th graders, 8002
attitudes actualized in working memory, text comprehension, 379
awareness of cohesive relationships in text during cloze comprehension, 9th grade good vs poor readers, 6279
awareness of expository text structure, reading comprehension & writing & recognition & production of relevant information, college students, 10752
category membership vs normative importance vs goal relatedness, perceived importance of information unit, college students, implications for recall, 29933
causal relatedness of sentences, reading times of 2nd sentence & recognition & recall for causes, college students & adults, 5781
character- vs word-stepped moving presentation in 1-line continuous text visual display, information processing performance during reading, skilled adult readers, implications for human factors design, 13350
childhood hyperlexia, 13–25 yr old males with infantile autism, 7–17 yr followup, 1495
cognitive ability & formal operational thought, reading comprehension & ability, 11–14 yr olds, 6316
cognitive-semantic structure differences in lecture presentations & understanding of text, memorization of text, 18 yr old students, 352
cognitive style & task variables, assessment of reading comprehension, hearing students with mean age of 12 yrs & deaf students with mean age of 15 yrs, 15924
combinations of explicitness of argument repetitions vs connective concepts, prose comprehension, college students, 6192
commercial informal reading inventories as alternatives to teacher-constructed instruments, 8 & 10 & 14 yr olds, 32022
comprehension monitoring, 5th graders assessed as skilled vs less skilled readers, 10743
comprehension of & memory for TV vs radio vs book version of story, 3rd & 6th graders, 14084
comprehension processes, foreign language reading, 13931
comprehension skills & price knowledge, reading comprehension, education majors, 29259
comprehension time for consensus vs distinction information regarding actions vs occurrences & answering time vs attribution questions, college students, 3092
computer models & algorithms, comprehension of sentence or text, 51
concept-text-application teaching method, comprehension of expository text, elementary school students, 23771
conceptual & perceptual processing, reading rotated passages, college students, 8544
construct validity of sentence verification technique, measurement of reading comprehension, college students, 29452
construction of mental models from text structure & cues & general knowledge & spoken vs written discourse, text comprehension ability, preschool children, 27757
construction of text representation in semantic memory, 353
content & text structure & reader expectations, reading comprehension, literature review, 359
contradictions involving inference vs sentences in separate paragraphs vs conceptual paraphrasing, detection of contradictions & self rated comprehension of text, high school students, 25087
declarative knowledge & reflexive access to current memory states & flexible control of cognitive processes, text comprehension & retention, elementary school students, 29276
decoding & paragraph comprehension performance, 1st vs 3rd graders, Turkey vs US, implications for regularity of letter-sound correspondence, 9217
definition recall ability through keyword method, vocabulary comprehension, college students, 32064
definitions pretraining with vs without signaling, understanding of unfamiliar scientific passage, college students, 15768
deletion of accompanying passages, scores on multiple choice reading comprehension questions, college students, 5393
deletion of letters from words & adopted perspective, memory & recall of idea units in story, college students, 403
detection of informational inconsistencies in narratives, 4th vs 6th vs 8th graders with different reading comprehension levels, implications for attentional assistance, 13074
direct instruction, comprehension of implied messages & reading between lines, college students, 5214
direct instruction, main idea comprehension, 6th graders, 10689
direct instruction model, reading comprehension test-taking skills, 29172
direct scaling methods, evaluation of comprehension & information content of short text passages, 29918
direct training of comprehension monitoring, detection of reader-based vs text-based inconsistencies, 6th & 7th graders with poor reading ability, 10734
efficacy of miscue combination scores, prediction of reading comprehension performance, 5th graders, 29453
emphasis on inference in reading comprehension instruction, children, literature review, 29222

Engineering Individual Growth through Manipulative Associations program, reading comprehension & vocabulary & development of concepts & self confidence in regular & special education settings, 21331
English proficiency & context, lexical guessing of foreign words, college students taking English as 2nd language, 13072
exposure to pre- & posttest versions of reading games vs similar games, improvement of comprehension-monitoring skills, 4th–5th graders & college students with different levels of reading ability, 13076
facilitative questioning vs practice with feedback, ability to infer literary characters' motives, 4th–6th graders, 7891
familiarity with oral vs written language structure, reading comprehension, 2nd graders, 7974
format & style of psychological report, comprehension, elementary school teachers, 15720
formation of macrostructures during reading as integral component of comprehension process, college students, 19254
function of right hemisphere in reading & dyslexia, comment on M. Coltheart's hypothesis, 27388
function of right hemisphere in reading & dyslexia, comments on K. Patterson & D. Besner's view of M. Coltheart's hypothesis, 27395
function of right hemisphere in reading & dyslexia, comments on K. Patterson & D. Besner's view of M. Coltheart's hypothesis, 27417
function of right hemisphere in reading & dyslexia, reply to B. Rabinowicz & M. Moscovitch & F. Zaidel & A. Schweiger, 27389
generalizability of educational research on children's main idea comprehension of prose, 5155
generic vs specific inclusion of women in essay, recall of essay's factual content, female vs male college students, 19271
graphic organizer as aid in text lacking in unity, retention of relevant vs irrelevant ideas, above average 4th graders, 5267
heightened awareness program for information extraction, question- answering behavior, 5th vs 8th graders, 10733
hyperlexia as language disorder, female assessed at 3 mo & 7.8 yrs, 25759
hypnotic training, reduction of test anxiety & recall & reading comprehension performance, college students, 5388
hypothesis formation & revision in process of reading comprehension, 19268
imagery instruction, reading & retention of literary text, female college students, 29914
imagery training, reading comprehension, 3rd & 6th graders, 7922
inductive concept-identification model of text processing as basis of instructional model, comprehension of expository text, 4th vs 6th graders with mean ages of 9.6 & 11.8 yrs, 10741
informed instruction, use of comprehension skills & reading awareness, 3rd & 5th graders, 15780
Informed Strategies for Learning curriculum, improvement of reading awareness & comprehension, 3rd & 5th graders, 15779
instruction in critical listening, critical reading & attitudes toward reading, 4th–6th graders in remedial class, 5206
instruction in narrative structure, reading comprehension, average & below average 4th graders, 10704
instructional strategies, formulation & evaluation of hypotheses concerning reading text, readers, 29208
inter-rater reliability of Cloze Reading Inventory, reading comprehension, elementary & junior & high school students, 32010
interword & interline space, Chinese reading, college students, Taiwan, 11319
item analysis & test standardization of Durrell Listening-Reading Series, assessment of reading & aural comprehension, English-speaking school children, South Africa, 5371
language structure, oral reading comprehension, college students, Poland vs US, replication of study by J. H. Danks et al & Danks & G. O. Hill, 16825
lateral preference, passage comprehension & short term memory, 4th grade males, 29288
level of importance of postquestions, understanding & recall of expository text, 5th grade readers, 7948
main idea instruction, summary writing & general reading comprehension, Black & Hispanic high school students, 29247
main idea prequestions, understanding cause-effect in prose, low average & good 6th grade readers, 10727
measurement of metacognition in reading by detectability of cloze accuracy, 5778
metacognitive training, reading comprehension, 8th grade male, implications for classroom instruction, 7916
narrative vs expository-descriptive vs expository-interference texts, selective recall of decision-relevant information, college students, 5819
need for improved textbooks at all educational levels, 26534
need for teaching main idea concept in reading education, 29243
observational methods, reading comprehension instruction research, comments on D. Durkin's studies, 10712
oral vs silent reading of passage, literal vs inferential reading comprehension, 2nd–5th graders, 29284
order of presentation & processing & structure of operations, reading of sentences, adults, 827
paraphrasing skills, reading comprehension, 4th–6th graders, 29277
perceived comprehension of text, ability to predict future test performance on material, college students, 24496
performance on semantic-processing & speed-of-processing tasks, examination of difficulties in reading comprehension, good vs poor comprehending 4th & 6th graders, 6297
plans-&-goals activity prior to silent reading, reading comprehension, learning disabled 8–9.9 yr olds, 2533
presentation & recall requirements, comprehension of story schemata, good vs poor 6th grade readers, 14073
presentation of meaningful passages in print vs signed English vs American Sign Language, recall & preference & comprehension, hearing vs prelingual deaf 15–19 yr olds, 10819
presenting message orally with vs without written form, ability to evaluate its communication adequacy, 1st grade beginning readers, 25077
prior knowledge & comprehension & metacomprehension in reading, implications for classroom instruction with college students, 5209
prior knowledge activation, comprehension of compatible vs incompatible text, 6th graders, 32044
prior knowledge, learning new information from text & ability to correct old information, average- vs below-average 3rd graders, 7975
prior knowledge vs topic interest, reading comprehension, male vs female high achieving 7th & 8th graders, 32045
processes of acquisition of new information from texts, literature review, 380
processes of understanding & memorizing texts, 7–11 yr olds, test of cognitive story-schemata hypothesis, 905
proportions & locations of difficult vocabulary, free recall & summary recall & sentence recognition, 6th graders, 10750
qualitative analysis of content area reading, 7th & 8th grade students, implications for class instruction, 32024
qualitative vs quantitative free association scores of topical knowledge, production of comprehension of passage, 6th grade exceptional readers, 7965
question-answer relationship training, comprehension question performance, 6th graders, 23756
questioning cueing before reading, reading flexibility & attention allocation in question answering, 4th vs 6th graders vs college students, 10763
reading ability & word knowledge, text recall & comprehension processes, children, 27795
reading ability, functional sight vocabulary, 2nd–5th graders, 22303
reading anxiety scales vs non-anxiety reading measures & prequestions, prediction of reading comprehension & reduction of anxiety, reading-anxious college students, 15915
reading comprehension & mathematics performance & classroom behavior, learning disabled vs normally achieving 6–7 yr olds, 2522
reading comprehension interview, perceptions of classroom reading activities, 3rd–8th graders, 5425
reading comprehension, issues in education, 29230
reading comprehension skill, detection of errors in letter "t" in normal vs scrambled prose vs word list vs scrambled letter passage, 7–8 yr olds, 16975

reading comprehension using cloze procedure, 3rd & 6th & 9th grade speakers of Black English vernacular vs standard English, 7994
reading comprehension, 13 to over 18 yr old hearing impaired students in special education programs, 5-yr followup, 5351
reading rate & comprehension, speed readers vs professionals vs college students vs people who score high on standardized tests, 32050
reading skill & text structure & paragraphing vs color cueing, oral reading speed & free recall & comprehension, 7th & 8th graders, 26513
reading time for letters vs words vs text, kindergartners & 2nd–3rd graders with high vs average reading ability, 16954
recall of story propositions & inferences & written narratives, hearing vs deaf high school students, 20593
recognition of sentence structure in meaningful prose, 3rd & 4th grade skilled decoders vs good comprehenders, 7959
reliability of single rater judgments of cloze test responses, assessment of reading comprehension, 3rd & 5th & 7th & 9th & 11th graders, 23887
repeated readings & neurological impress & imitative reading, motivation in reading comprehension, children with learning disabilities & emotional disorders, 29370
research on cognitive style & reading comprehension & instruction, 3069
role of pictures in comprehension & retention of written texts, children, literature review, 25144
RT vs tachistoscopic training in identification of high- and low-frequency words, time required to read simple sentences containing trained words, elementary & high school students, 5205
rule-governed vs GIST intuitive instruction, summary writing & reading comprehension, 6th graders, 32005
S verbal ability & task instructions, standards of evaluation for expository prose comprehension, college students, 23775
schema theory, psycholinguistic model of English as second language, 13932
science vs social studies vs literature text, reading strategies for comprehension, low vs average vs high ability 5th graders, 23782
semantic mapping vs verbal readiness instruction, reading comprehension & recall of concepts, 2nd–8th grade reading disabled students, 26668
short passages with adjective-category noun reference to antecedent, reading time for anaphoric reference, 24988
speech & reading comprehension, children learning how to read & write, 940
standardization & reliability & validity of measures of paragraph reading, elementary & high school students, 23882
story mapping vs questions/discussions following basal reading lesson, reading comprehension, 5th graders, 29240
story schemata, comprehension & recall, implications for reading instruction & choice of materials, 5245
structural organizers, comprehension & recall of expository text, high- vs moderate- vs low-ability 9th graders, 15793
suppression vs substitution vs remind vs normal instructional models, comprehension of text with unfamiliar vs recently taught words, 4th graders, 15776
suprasegmental phonology in speech perception & reading comprehension, children, implications for reading education, 29185
surface dyslexia, 13 yr old male with epilepsy, 25938
systemic instruction strategy vs corrective feedback, text-based inferences, 5th graders, 7890
task difficulty vs glare, response time on video display terminal reading comprehension task, college students, 32326
teacher characteristics & other factors, development of comprehension & decoding skills, implications for teaching gifted, 18714
teaching methods for metacognitive awareness & monitoring, adult & college student readers, 15786
techniques for improving rate of silent reading, 4th–6th graders, 26516
temporal analyses of comprehension during oral reading, 2nd & 4th graders, 11763
test battery developed by Danish National Institute for Blind, assessment of visual ability & perceptual motor coordination & visual processing/reading comprehension, visually handicapped, 7075
test lookbacks, assessment of reading comprehension, good vs poor comprehenders in 6th & 7th grade, 5217
text & model mapping in model of understanding of discourse, 376
text structure & reader's background knowledge & goals, text processing & memory, college students, 23776
text structure vs processing task, memory for main idea of passage, college students identified as good vs poor readers, 11316
textbook lookback training, reading comprehension & question-answering accuracy, minority low income high school vs middle school students, 18572
thematically related cue information presented before vs after reading, prose processing & recall, 411
theoretical model of text comprehension, 365
training in development of inferential skills, comprehension of expository text, 6th graders, 10693
types & number of reading comprehension questions in teachers' guides for basal reading textbooks used at 4th-grade level, 13027
underlining cues, prose comprehension & memory, 59–84 yr old high vs low scorers on vocabulary test, 30477
use of cognitive methodology & structures, study of reading comprehension, 16219
use of lexical vs internal vs external consistency standards for evaluation of passage comprehension, 5 vs 7 vs 9 vs 11 yr olds, 9146
validity of cloze procedure as alternative to readability formulas, measurement of reading comprehension, adolescents vs young adults, 26677
value of Nelson Denny Reading Test, measurement of reading comprehension, college students, 15958
verbal-mediated modeling presented in mass vs spaced format, transfer to criterion referenced paper/pencil test of concrete-operational reasoning, educable mentally retarded & learning disabled high school students, 26664
visual vs auditory vs mixed vs no sensory confusions, reading decoding & silent comprehension & specific errors & verbal retention, 8–11 yr old dyslexics, Chile, 21399
visuospatial organization of prose materials & lateral preference patterns, short term memory & verbal facility, bilateral readers, 8540
vocabulary instruction, reading comprehension, 4th graders, replication & extension of study by I. L. Beck et al, 10726
vocabulary preinstruction, reading comprehension, 5th graders with average reading ability, 10739
vocabulary training, reading comprehension, students, 26517
window pointer technique, measurement of word processing time in reading, college students, conference presentation, 54
word processing systems, implications for educational use in text comprehension, 29205
word reading time as indicator of interclause integration, adults, conference presentation, 91

Reading Disabilities [See Also Dyslexia]
academic & nonacademic reading problems, reading disabled 6–14 yr old students, implications for reading remediation, 5331
appropriateness of distinction between dull & retarded readers, reply to comments by W. Yule & U. Frith, 22902
appropriateness of distinctions between retarded & dull readers, comments on article by A. Van der Wissel & F. E. Zegers, 22906
assumptions underlying concept of specific reading retardation, comments on paper by A. Van der Wissel & F. E. Zegers, 22888
behavior ratings & psychometric profiles, 7–12 yr old males with attention deficit disorders vs developmental reading disorders, 32165
ceiling effect on reading test & reading score distribution, distinction between retarded vs dull readers, male vs female 9–10 yr olds, 22903
Classroom vs Ekwal Reading Inventory, identification of grade level designation, 1st–7th graders with reading problems, 18751
cognitive & linguistic strategies in oral storytelling, reading retarded & dyslexic Ss with mean age of 9 yrs, 1604
cognitive approach to reading instruction, reading disabled students, conference presentation, 10797
cognitive-monitoring &/vs creative problem solving programs, oral comprehension, reading disabled 3rd graders, 5343
conceptual & methodological issues associated with reading level design, measurement of reading ability, reading disabled children, 13169

consistency of clinical diagnosis of reading disabilities, reading specialists vs graduate students, 8142
deficits in use of phonetic memory strategies, order memory, reading disabled children, reply to P. Tallal's comments, 14856
development of receptive & expressive language skills & reading impairment, language impaired tested at ages 4.5–8 & 8–12 yrs, 3–4 yr followup, conference presentation, 9880
diagnostic populations & test instruments in diagnosis of learning vs reading disability, learning disabilities vs resource learning vs reading resource specialists, 25716
early identification of visual-perceptual problems & remedial activities, learning or reading disabled school age children, 21434
evaluation of screening battery, identification of future reading disabilities, preschool students, 3-yr followup, 21464
identification & remediation of subtypes of reading disabilities, literature review, conference presentation, 10800
intelligence & academic achievement & behavior & self esteem, 8–11 yr old learning disabled vs mentally retarded vs reading disabled students, 4362
language development, prediction of reading disability, 9–13 yr old male twins, 28374
laterality & hemispheric EEG activation, literacy development, reading disabled 20–38 yr old males, 20436
learning of meaning & pronunciation of unfamiliar words varying in length & letter-sound regularity & complexity, 5th & 6th grade disabled readers, 17681
manual communication, language instruction, school age children with severe reading disabilities, 10796
memory processes, reading disabled children, literature review, 25738
neurolinguistic model of naming process, development of reading, children tested from kindergarten through 2nd grade, longitudinal study, implications for reading disabilities, 9867
neuropsychological foundations, spelling & reading difficulty, 2nd–8th graders, 12308
nonverbal enactment vs verbal paraphrase of narrative, normal vs learning disabled 6–7 yr olds, 3-yr longitudinal study, 10803
parental history of reading disability, prediction of reading disability in children, 7.5–16 yr olds, 12313
performance on kindergarten tests of language skills, prediction of reading difficulties in 1st grade & suggestions for prevention, children, longitudinal studies, conference presentation, 10874
performance on Luria-Nebraska Neuropsychological Battery—Children's Revision, normal vs reading disabled 8–13 yr olds matched for IQ, 145
phonological awareness & verbal short term memory, prediction of deficiencies in spoken language skills & reading disabilities, elementary school students, 13154
prevalence & cognitive & neurological & motor & speech & family characteristics, general reading backwardness or reading retardation, 9 yr old males, 6-yr followup, 25760
process measure of learning rate during phonics instruction, prediction of retention & transfer, remedial reading students with mean age of 7.2 yrs, 10855
reading disability & language deficits & numeric ability & distractibility, 10–14 yr old male twins, 16580
reading disability & memory & recognition, 64 yr old patient with alexia without agraphia, 14934
reliability of diagnostic & remedial decisions of reading difficulty, reading specialists, 6985
repetition & comprehension of spoken sentences, reading disabled 3rd graders with mean age of 107.4 mo, 14867
retrospective identification & stability of subtypes, 2nd grade disabled readers previously assessed in kindergarten, 13201
semantic mapping vs verbal readiness instruction, reading comprehension & recall of concepts, 2nd–8th grade reading disabled students, 26668
sentence meaningfulness & length & presentation mode, sentence-demonstration performance, reading disabled vs nondisabled college students, 9840
strategy & control methods, inferencing skills, reading disabled 5th graders, 8074
unimanual vs coordinated bimanual finger tapping, motor timing control, 12–13 yr old males with reading disabilities, 25762
use of Kaufman Assessment Battery for Children, diagnosis of reading & learning disabilities & educational applications, 13186
use of WPPSI, identification & prediction of reading disabilities, 5 yr olds at risk for learning disabilities, 13170
vocabulary & syntax & density & format & teacher evaluation, determination of textbook readability, reading disabled students, 23837

Reading Education

ability level & comprehension monitoring cards, comprehension & recall of science & social science text, 4th graders, 7884
ability tracking, discriminatory practices in type of reading instruction received, elementary school students in urban schools, 10697
academic & social factors in grouping students for reading instruction, elementary teachers & student teachers, 7863
acquisition of meaning of stimulus words presented in isolation vs context, 8th graders, 29269
adapted strategies, reading education, deaf children, 15860
advantages & limitations of computer-assisted & computer-managed instruction, reading education, 29175
alternative employment opportunities, reading specialists, 5187
analogy strategies, word recognition vs transfer, normal achieving 2nd vs 5th graders vs educationally handicapped or learning disabled 5th graders, 15799
analysis of poetry teaching methods in 6th grade basal reader manuals, 23761
application of motivation theories to reading instruction, promotion of student motivation in reading, 5249
assessment of elementary reading text readability, 7925
attitudes toward parental involvement in teaching reading at home, 7 yr olds & head teachers & classroom teachers of 7 yr olds, 2466
attitudes toward reading & classroom activities to foster positive attitudes, gifted vs average vs below average 6th–8th graders, 18652
attitudes toward reading acceleration & enrichment for gifted elementary school students, elementary school teachers, 5332
bibliography on reading leadership in education, reading administrators, 15784
books for 6–16 yr olds, bibliography, 13043
categorization strategy, word recognition ability, 3rd grade remedial reader, 5238
children's recreational reading selections, bibliography, 26561
classroom storytelling in reading/language arts curriculum, kindergartners through 6th graders, 15774
classroom uses of microcomputers in elementary reading program, 5202
cloze vs maze instructional procedures in reading education, 5258
comfortable vs uncomfortable reading materials & educational placement, reading ability & achievement, 3rd–8th graders, 26525
computer applications, file maintenance on materials & tests & prescriptive instructional suggestions, schools & reading centers, 13036
computer-automated reading in reading instruction, word recognition & phrase reading & reading comprehension, 1st & 2nd graders, implications for role of school psychologist, 26539
computer-based approach, teaching of word decoding skills, mildly mentally & physically handicapped children, application of cognitive model, 8062
computerized activities in language experience approach, reading instruction, 26529
concept-text-application teaching method, comprehension of expository text, elementary school students, 23771
criteria for reading ability group assignments, 4th–6th grade teachers, 29202
deletion exercises, learning of narrative & grammatical conceptual & logical textual elements, students, 15749
development of construct "word", 3–6 yr olds, implications for reading instruction, 3635
development of televised reading/language arts learning program, children, Israel, 15798
direct instruction, comprehension of implied messages & reading between lines, college students, 5214
direct instruction, main idea comprehension, 6th graders, 10689
direct training of comprehension monitoring, detection of reader-based vs text-based inconsistencies, 6th & 7th graders with poor reading ability, 10734
disparities between reading & writing teaching methods, underprepared college students, 29229

division of vocabulary into semantically related clusters, elementary school teachers, implications for vocabulary instruction, 7918
effectiveness of elementary reading programs, literature review, 10714
elderly characters in basal readers, 13062
emphasis on inference in reading comprehension instruction, children, literature review, 29222
emphasis on meaning vs accurate oral reading, sentence recall, 3rd graders, 10685
Engineering Individual Growth through Manipulative Associations program, reading comprehension & vocabulary & development of concepts & self confidence in regular & special education settings, 21331
evaluation of elementary school's implementation of whole language approach to reading instruction using nonverbatim responses to cloze procedure, 7–15 yr old hearing impaired students, 2513
exercises for critical reading strategies, 29218
guidelines for individualized reading education, teachers, 15764
heightened awareness program for information extraction, question- answering behavior, 5th vs 8th graders, 10733
home encouragement of reading & writing skills, bibliography of materials for parents, 23757
imagery training, reading comprehension, 3rd & 6th graders, 7922
individual responses & literature conferences, 10–11 yr old elementary students, 15753
individualized language experience vs basal reader approach, reading ability & skills, kindergartners through 3rd graders, 23733
inductive concept-identification model of text processing as basis of instructional model, comprehension of expository text, 4th vs 6th graders with mean ages of 9.6 & 11.8 yrs, 10741
inexpensive educational programs, techniques of reading aloud to their preschool children, parents, 26538
information vs command functions of questions, school children, implications for reading teachers, 5216
Informed Strategies for Learning curriculum, improvement of reading awareness & comprehension, 3rd & 5th graders, 15779
instruction in narrative structure, reading comprehension, average & below average 4th graders, 10704
instruction in vocational & functional reading skills, autistic adolescents of limited English proficiency, 29354
instruction of text structure, information recall, elementary school students, 29221
instructional explanations of main idea identification in 4 basal readers, 1st–6th graders, 21309
instructional strategies, formulation & evaluation of hypotheses concerning reading text, readers, 29208
instructural approaches, reading, visually impaired in residential schools, 15879
interactive reading, method for meaningful response to text by drawing & writing ideas that complement story, normal & disabled readers, 5218
internal & external contexts, understanding classroom instruction in reading, 10694
intraclass peer tutoring, sight word recognition skills, 11–13 yr old mildly mentally retarded students, 26636
language of instruction, understanding of print-related concepts, 1st graders, 13048
learning process during reading instruction, 37 yr old illiterate adult male, implications for learning by learning disabled, 13132
long term stability or variability in individual reading achievement, 6th graders, development & educational implications, 10744
main idea instruction, summary writing & general reading comprehension, Black & Hispanic high school students, 29247
mathematics vs reading help seeking classroom behaviors, male vs female 1st & 3rd & 5th graders in high vs average vs low ability classrooms, 15846
Matteson Four-Dimensional Reading Project vs Scott Foresman Reading System, reading achievement, 6th graders with high vs low ability levels, 21302
metacognitive training, reading comprehension, 8th grade male, implications for classroom instruction, 7916
methods for teaching critical reading skills, gifted children, 15863
methods for teaching negative sentence structure, reading & reasoning abilities, students, 5233
microcomputer drill programs in reading instruction, special education students, 5319
microcomputers, motivation for learning to read & write, students, 15739
microcomputers, reading & writing education, learning disabled children, 15885
more effective questioning of students, teachers, 26486
multi-ability classroom model, 5th & 6th graders, 10695
need for teaching main idea concept in reading education, 29243
observational methods, reading comprehension instruction research, comments on D. Durkin's studies, 10712
organization of print laboratory & instructional strategies, promotion of independence in seeking meaning during reading, 5251
perceived ideal vs actual role performance in reading program supervision & administration, elementary school principals, 29149
perceptions of importance of fostering attitudes & actions taken to promote positive attitudes toward reading, elementary school teachers, 5305
perceptions of reading courses at undergraduate level, preservice teachers, 12988
phonemic processing instruction model, reading achievement, 8.2–11.6 yr old reading disabled children, 26661
phonics approach to teaching letter-sound correspondences with pictorial associations, 32015
post-reading writing assignments, integration of text information with experience, 29217
postreading question-answer segments & basal manual suggestions, 2nd grade teachers with 2–22 yrs teaching experience, 15790
predictors & sources of individual differences in reading acquisition, Ss during kindergarten & 1st grade, Australia, 15817
preschool reading instruction, 5266
prescriptive vs personalized instruction programs, reading attitudes & self confidence, college students, 15745
primary-level word list, individualized literature based beginning reading instruction, kindergartners through 3rd graders, bibliography, 15742
procedure for teaching parents to be reading tutors, generalization of reading skills from home to school, mildly retarded 8.8–10 yr olds, 5341
professional life & impact on reading education, W. S. Gray, 31971
pull-out vs in-class program, roles & activities of reading specialist, reading specialists & classroom teachers, 23826
qualitative analysis of content area reading, 7th & 8th grade students, implications for class instruction, 32024
question-answer relationship training, comprehension question performance, 6th graders, 23756
question-response-feedback interactions during basal reader instruction, 4th grade teachers & their reading groups, 29215
readability & use of advance organizers & contextual factors, college survival skills & reading instruction & practice texts, 29237
reading & writing strategies, enhancement of oral language skills & development, students with auditory language disorders, 26651
reading ability & instruction method, oral reading strategies, 1st graders, 5262
reading basal vs student-authored stories, interest in reading, 1st graders, implications for reading education, 29289
reading comprehension, issues in education, 29230
reading education & parent-school relationship, gifted students, 18699
reading instruction, China, 29206
reading instruction, gifted students, 8053
reading instruction in 2nd language, reading concepts & phoneme segmentation ability, students 8 yrs old & younger vs 9 yrs old & older, Papua New Guinea, 5273
reading instruction method, nonverbal autistic 6 & 6.5 & 9 yr olds, 8068
reading theory & instructional design, 18556
real classroom research in reading education, 10700
relaxed approach to reading instruction, teachers, Denmark, 26518
reliability of Theoretical Orientation to Reading Profile, measurement of reading instruction beliefs, teachers, 23886
repeated practice technique & social reinforcement, acquisition & maintenance of basal preprimer & organic words, preschool students, 10-week followup, 26555

repeated readings & neurological impress & imitative reading, motivation in reading comprehension, children with learning disabilities & emotional disorders, 29370
research on cognitive style & reading comprehension & instruction, 3069
responses to reading miscues during oral reading sessions, 2nd grade teachers & their students, 5226
role in reading process, parents, 5259
role of partial specification in formulation of definitions of reading in theory & practice, 15773
schema theory, psycholinguistic model of English as second language, 13932
schooling, acquisition of literacy & cultural transmission, 1st graders, 18521
segmenting-training with vs without blending-training, improvement in segmenting skills, kindergartners, 15746
self report & ranking of teaching strategies, reading education, teachers of kindergarten through 7th grade, 15754
semantic mapping vs verbal readiness instruction, reading comprehension & recall of concepts, 2nd–8th grade reading disabled students, 26668
sex & introversion-extraversion & teaching strategy & word complexity, reading accuracy, 7 yr olds, 29241
sociological perspective, classroom reading instruction, 10688
speaking tablet, acquisition of reading skills, dyslexic vs normal readers with mean age of 12.7 & 8.7 yrs, 21449
special reading time with Spanish materials, reading abilities & attitudes & self concept, Hispanic junior high school students, 32036
story grammar categories, composition of written book reports, elementary school students, implications for reading teachers, 5241
story mapping vs questions/discussions following basal reading lesson, reading comprehension, 5th graders, 29240
story maps vs directed reading activity, comprehension of narrative & expository basal lesson text, 5th graders, 15785
story retelling & strategies for reading stories to children, recall & comprehension, kindergartners, 26541
story schemata, comprehension & recall, implications for reading instruction & choice of materials, 5245
student interests & attitudes, reading education, gifted, 29184
subjective approach to vocabulary, verbal learning in reading-language arts education, 5231
subskills method of teaching new words, instruction in context clues & phonic & structural analysis, 5240
suppression vs substitution vs remind vs normal instructional models, comprehension of text with unfamiliar vs recently taught words, 4th graders, 15776
suprasegmental phonology in speech perception & reading comprehension, children, implications for reading education, 29185
systematic progress check, evaluation of individualized reading progress, special education students, 15874
task & structure & teacher location & activity, responding during reading instruction, special- vs regular-education 3rd & 4th graders, 2546
teacher characteristics & other factors, development of comprehension & decoding skills, implications for teaching gifted, 18714
teacher prompts & cues during oral reading activities, student confusion about reading & word recognition, 5232
teaching of reading & Piagetian theory of cognitive development, 14089
teaching techniques, teaching of reading at student's frustration level, learning disabled 8–11 yr olds, 8091
techniques for improving rate of silent reading, 4th–6th graders, 26516
test lookbacks, assessment of reading comprehension, good vs poor comprehenders in 6th & 7th grade, 5217
text adaptation, reader rated interest & difficulty, low-achieving junior & high school reading students, 32007
textbook lookback training, reading comprehension & question-answering accuracy, minority low income high school vs middle school students, 18572
theoretical &/vs situational knowledge of elementary reading instruction, estimation of readability of materials, preservice vs inservice teachers, 5197
theory & practice relationship & trends in reading process & instructional research, 26914
types & number of reading comprehension questions in teachers' guides for basal reading textbooks used at 4th-grade level, 13027
types of writing included in basal reading programs, kindergarten to 2nd grade readers, conference presentation, 10705
use of advertising logos in beginning reading instruction, 3.5 vs 4.5 yr old nursery school students, 23769
use of comprehensible input & reinforcement prior to Language Experience Approach, language & reading instruction, limited English speaking students, 23750
use of humor, reading/language arts curriculum, 29183
use of student reaction cards, student feedback & teacher-student interaction in reading/study skills programs & laboratories, college students, 5301
use of word processors, language experience approach to reading & writing instruction, 26553
usefulness of knowledge of letter names in learning to read, children, 5219
video games, reading speed & scanning skills, children, educational implications, 29236
views on failure in reading education, urban Black children, 29270
vocabulary instruction, reading comprehension, 4th graders, replication & extension of study by I. L. Beck et al, 10726
vocabulary training, reading comprehension, students, 26517
word shape, perception in beginning reading, kindergartners, 10749

Reading Materials

analysis of poetry teaching methods in 6th grade basal reader manuals, 23761
assessment of elementary reading text readability, 7925
children's recreational reading selections, bibliography, 26561
comfortable vs uncomfortable reading materials & educational placement, reading ability & achievement, 3rd–8th graders, 26525
deletion exercises, learning of narrative & grammatical conceptual & logical textual elements, students, 15749
elderly characters in basal readers, 13062
formal model of macro- and microprocess representation, extraction & summarization of text information & meaning, 16446
instructional explanations of main idea identification in 4 basal readers, 1st–6th graders, 21309
organization of print laboratory & instructional strategies, promotion of independence in seeking meaning during reading, 5251
perceived self efficacy & attributions for success vs failure with TV vs printed material, investment of mental effort in learning, 6th graders, 10765
primary-level word list, individualized literature based beginning reading instruction, kindergartners through 3rd graders, bibliography, 15742
reading ability & sexism in children's reading materials, male vs female children, 29264
role of word features & basal text characteristics, acquisition of word identification skills, 1st graders, 15758
science vs social studies vs literature text, reading strategies for comprehension, low vs average vs high ability 5th graders, 23782
story schemata, comprehension & recall, implications for reading instruction & choice of materials, 5245
test lookbacks, assessment of reading comprehension, good vs poor comprehenders in 6th & 7th grade, 5217
text characteristics, types of reading errors & self corrections & comprehension, elementary school students, 7904
theoretical &/vs situational knowledge of elementary reading instruction, estimation of readability of materials, preservice vs inservice teachers, 5197
types of writing included in basal reading programs, kindergarten to 2nd grade readers, conference presentation, 10705
use of picture books in elementary school curriculum, 7935
use of printed handout on hypnosis, patients seen in general practice, 10351

Reading Measures [See Also Gates MacGinitie Reading Tests, Metropolitan Readiness Tests]

adequacy & refinement of Kennedy-Halinski Reading Attitude Inventory, 10th graders, 15961
Classroom vs Ekwal Reading Inventory, identification of grade level designation, 1st–7th graders with reading problems, 18751

cognitive style & task variables, assessment of reading comprehension, hearing students with mean age of 12 yrs & deaf students with mean age of 15 yrs, 15924
commercial informal reading inventories as alternatives to teacher-constructed instruments, 8 & 10 & 14 yr olds, 32022
confirmatory factor analysis & multitrait-multimethod procedure, assessment of discriminant validity of diagnostic reading tests, 10876
construct validity of Boder Test of Reading-Spelling Patterns, classification of dyslexia subtypes, dysphonetic vs nonspecific vs normal readers, 8423
construct validity of sentence verification technique, measurement of reading comprehension, college students, 29452
construction & validity, of Test of Early Reading Ability, 3–7.1 yr olds, 26729
development of inventory, assessment of reading knowledge of mathematical vocabulary & concepts, elementary school students, 5366
direct instruction model, reading comprehension test-taking skills, 29172
efficacy of miscue combination scores, prediction of reading comprehension performance, 5th graders, 29453
inter-rater reliability of Cloze Reading Inventory, reading comprehension, elementary & junior & high school students, 32010
item analysis & test standardization of Durrell Listening-Reading Series, assessment of reading & aural comprehension, English-speaking school children, South Africa, 5371
predictive validity of readiness vs school achievement tests vs teacher ratings for alphabet learning, male vs female 1st graders from low vs high SES schools, 18748
predictive validity of reading measures, rural 1st graders, 29464
purposes & procedures of Biemiller Test of Reading Processes, assessment of ability to identify letters & words & use context, 2nd–6th graders, 8145
reading anxiety scales vs non-anxiety reading measures & prequestions, prediction of reading comprehension & reduction of anxiety, reading-anxious college students, 15915
reliability & statistical analysis & norms for Survey of Reading Attitudes, 4th–6th graders, Canada, 26700
reported administration of informal reading inventories, elementary school teachers, 29432
socioeconomic bias in standardized reading tests, 8th graders who participate vs do not participate in federal lunch program, 2554
standardization & reliability & validity of measures of paragraph reading, elementary & high school students, 23882
validity of cloze procedure as alternative to readability formulas, measurement of reading comprehension, adolescents vs young adults, 26677
value of Nelson Denny Reading Test, measurement of reading comprehension, college students, 15958

Reading Readiness

background knowledge of concepts of print & written language & story structure & usefulness of reading, reading success, children, 7987
characteristics of early readers, children identified as reading before age 4 yrs, 11762
construct validity of phonological awareness assessment, reading achievement prediction, kindergarten students with mean age of 6.2 yrs, 5419
inexpensive educational programs, techniques of reading aloud to their preschool children, parents, 26538
integration of visual/tactual systems, reading readiness & learning, children, 14038
perceptual & motor trauma, reading readiness, 5.5–7.5 yr olds, Brazil, 5203
predictive validity of readiness vs school achievement tests vs teacher ratings for alphabet learning, male vs female 1st graders from low vs high SES schools, 18748
preschool reading instruction, 5266
psychomotor vs cognitive vs linguistic development & family environment, reading & writing readiness, 4 vs 5 vs 6 vs 7 yr olds from city vs small town vs village, 19799
reading readiness & print awareness, 3 vs 4 vs 5 yr olds, 918
teaching of reading & Piagetian theory of cognitive development, 14089
told vs dictated stories & re-reading attempt, assessment of emergent reading abilities, kindergartners, 7995
transition classes for children not ready for reading, conference presentation, literature review, 26646
word order awareness, reading readiness, 1st graders vs 5–7 yr olds, 9156
words presented with vs without environmental context, ability to read words, preschoolers, 3629

Reading Skills [See Also Reading Comprehension, Reading Speed]

ability to phonemically analyze syllable-initial consonsant clusters & conception of spoken language, reading & spelling ability & alphabet acquisition, children, 27810
academic support services, reading skills & college GPA, 18–19 yr old high-risk college students, 8047
amount & mode of assigned contextual reading, 1st & 3rd & 5th graders designated as good vs poor readers, 13071
application of traditional assessment methodology & assessment of reading skills, hearing impaired children, 29390
categorization vs mental imagery mnemonic aids with vs without E instructions, reading skills & recall, 5th graders, 3650
classification analysis of reading test performance, Black vs White college students, 21352
component skills approach to building theory of cognitive organization & integrating reading research, 27761
context & linguistic processing, reading-related differences, highly skilled vs skilled vs less skilled 3rd & 4th grade readers, 11753
decoding & paragraph comprehension performance, 1st vs 3rd graders, Turkey vs US, implications for regularity of letter-sound correspondence, 9217
decoding, reading acquisition, 16978
developing pattern of reading errors & style, 5–6 vs 7–8 vs 9–11 yr olds, 19818
development & role of inner speech in reading, elementary school students, 21346
dose of methylphenidate, reading skills & oral reading, hyperactive 9–15 yr old males with attention deficit disorder, 12619
educational & literacy background, acquisition of reading skills, adult Japanese vs Arabic vs Spanish speaking second language learners, 27681
EXTRA after-school tutorial program, mathematics & reading skills, inner-city elementary school students, 7937
field independence vs dependence, reading performance, college students, 18627
group instruction, sight word recognition & acquisition & generalization of daily living skills using general instruction booklet, moderately retarded adults, 4982
handwriting vs typing in language arts instruction, speed of writing & accuracy of copying & word recognition skills, moderately mentally retarded 12.6–14.9 yr old male students, 23829
individualized language experience vs basal reader approach, reading ability & skills, kindergartners through 3rd graders, 23733
instructional program, reading & writing skills, primary school students with learning difficulties, India, 8090
irregular spelling & spelling-sound correspondences, word recognition, 3rd vs 5th graders vs college students, 11779
manual communication, language instruction, school age children with severe reading disabilities, 10796
metaphonological skills of sound blending & segmentation, reading & spelling, 1st graders & dyslexic elementary school students, 15901
parental home tutoring program, prereading skills, 4.1–6.7 yr olds with mild to moderate language delays, 7946
phonological recoding skills following kindergarten, reading acquisition & achievement, 1st & 2nd graders, longitudinal study, 32058
purposes & procedures of Biemiller Test of Reading Processes, assessment of ability to identify letters & words & use context, 2nd–6th graders, 8145
qualitative analysis of content area reading, 7th & 8th grade students, implications for class instruction, 32024
reading comprehension skill, detection of errors in letter "t" in normal vs scrambled prose vs word list vs scrambled letter passage, 7–8 yr olds, 16975

reading skill & text structure & paragraphing vs color cueing, oral reading speed & free recall & comprehension, 7th & 8th graders, 26513
reading skill, incidental learning of word meanings from context, 5th graders, 29280
reading skill, word recognition with vs without context, 1st graders, longitudinal study, 10766
review of 1981 revised edition of Diagnostic Reading Scales, assessment of reading ability & skills & listening comprehension, students functioning at reading levels 1–7, 23897
schooling, acquisition of literacy & cultural transmission, 1st graders, 18521
self centered oral reading errors in reading process, children learning to read, 11775
self perceived reading proficiency predictions, scores on essay vs free recall measures, self perceived high-proficiency vs low-proficiency 7th grade average readers, 7952
skill learning, improvement of reading performance & fluency, children, 6278
social milieu & cultural influences, reading skills & literacy, Vai people, Africa, 25002
subskills method of teaching new words, instruction in context clues & phonic & structural analysis, 5240
syllable structure, development of phonemic analysis & reading skills, 4–5 & 7–9 yr olds, 19863
systematic progress check, evaluation of individualized reading progress, special education students, 15874
teacher characteristics & other factors, development of comprehension & decoding skills, implications for teaching gifted, 18714
text characteristics, types of reading errors & self corrections & comprehension, elementary school students, 7904
theory & practice relationship & trends in reading process & instructional research, 26914
Reading Speed
conceptual & perceptual processing, reading rotated passages, college students, 8544
CRT vs hard copy display, performance & feelings & vision, 20–27 yr old vs 40–61 yr olds, 8242
order memory & item-identification speed on digit span test, educable mentally retarded vs normal 4th graders, 25709
piracetam, reading speed & accuracy, dyslexic male 8–13 yr olds, 12665
prior knowledge of linguistic context, time during reading processing, college students, 5790
reading rate & comprehension, speed readers vs professionals vs college students vs people who score high on standardized tests, 32050
reading skill & text structure & paragraphing vs color cueing, oral reading speed & free recall & comprehension, 7th & 8th graders, 26513
reading time for letters vs words vs text, kindergartners & 2nd–3rd graders with high vs average reading ability, 16954
reading topic & use of cohesive conjunctions & level of reference & presence of response rhetorical predicates, reading rate & free recall, college students, 11338
reinforcement for reading accuracy vs speed, generalized accuracy vs speed, learning disabled 9–12 yr olds, 20438
short passages with adjective-category noun reference to antecedent, reading time for anaphoric reference, 24988
techniques for improving rate of silent reading, 4th–6th graders, 26516
use of propositions for sentence meaning & reading speed & retention, 3rd grader beginning readers vs 5th grade skilled readers, 9197
video screen vs book display of text, reading speed, college students, experimental replication, 8244
word overlap among passages, speed of repeated reading vs nonrepetitive reading, learning disabled 8.6–12 yr olds, 14865
Readjustment (Psychosocial) [See Psychosocial Readjustment]
Readmission (Hospital) [See Hospital Admission]
Readmission (Psychiatric Hospital) [See Psychiatric Hospital Readmission]
Reality
amusement in social interaction, reality work & reality play, 3994
beliefs & constructs as interpretation of reality, implications for family therapy, 23238
clinician differentiation between fantasy & reality in diagnosis, patient reports of incest, 28579
distinctions & structures of reality, implications in family therapy, reply to comments by P. Watzlawick, 23237
labeling reality, implications in family therapy, comments on article by B. Speed, 23242
mass media, social construction of reality, 16814
modification of Freud's theory of psychosis with regard to neurosis, 12 yr old female, implications for schizophrenia, 11040
origin of concept of disavowal in psychoanalytic theory, 8294
patient-group storytelling & recitation, imposition of order in relation to self & others & objects, psychotics, 17874
place of experience in formation of everyday world experience, 21
projection as bridge between psychic reality & outside world, 1301
recognition & recall of one's own vs others' dreams through reality monitoring, college & graduate students, 16393
shadow realities, close relationships & marriage, treatment implications, 11922
temporal organization & reconstructions of reality, courtroom interaction, 30653
theory of formative causation & implications for archetypes & parallel inventions & L. Watson's "Hundredth Monkey Phenomenon", 26
time & reality in H. Pinter's plays, 13948
unitary vs sensory vs mythic vs social experience of reality & attitude toward change & leadership style, implications for management, 26784
visit of Black Santa, beliefs about race of "real" Santa, Black vs White 49–73 mo olds, support for cognitive developmental theory, 6263
wage system & complexity of work, wishful vs realistic aspiration levels, 5485
Reality Testing
factor analysis & reliability & validity of Bell Reality Testing Inventory, patients with schizophrenia or schizoaffective or borderline disorders, 29733
field dependence vs independence, reality monitoring & identification of memory origin as thought process vs perception, female college students, 20139
reality monitoring discrimination deficits, manic & schizophrenic patients with & without thought disorders, 17481
reality testing & object relations & defense mechanisms assessed by ego functions assessment scale, ambulatory borderline vs neurotic patients receiving psychotherapy, 6802
reality testing, ability to cope with feelings of aggression & violence & community, adolescents, 14839
Reality Therapy
benefits of exploratory insight-oriented vs reality-adaptive supportive psychotherapy, schizophrenia, comment on study by A. H. Stanton et al & J. G. Gunderson et al, 26054
efficacy of reality therapy in nursing homes, 31741
exploratory insight-oriented vs reality-adaptive-supportive psychotherapy, schizophrenic patients, 12 & 24 mo followup, 26034
reality orientation in geriatric community outpatient day treatment facility, elderly participants with mental status deterioration, 26284
reality therapy, responsible behavior, adult offenders, 4983
sensory stimulation, reality orientation & personal hygiene & interests, 68–87 yr old geropsychiatric patients, 15545
short term memory vs long term memory, 75–86 yr old institutionalized females with organic brain syndromes, implications for effectiveness of reality orientation therapy, 25768
Reasoning [See Also Inductive Deductive Reasoning, Inference]
age & sex & curriculum & personality & memory span, formal reasoning, college students vs 63–75 yr olds, 3620
age & sex differences, logical reasoning in proportion & probability & correlation tasks, 8th vs 10th vs 12th graders, 25161
analysis of protocol for causal reasoning in medicine, implications for creation of expert computer system, 27149
anthropological perspective, school literacy & reasoning & civility, 31952
associative vs cognitive mode of identification & classification of drawings, 3 vs 4 vs 5 yr olds, 27779
boundaries between reason & insanity, heroes & heroines in Virgil's Aeneid, 13942
cognitive development & logical reasoning, 4–7 yr olds, 30461

combinatorial structure, double reversibility in formal thought, 10–16 yr olds, 11716
componential & eye movement analysis of geometric analogies tasks, individual differences in adaptive reasoning strategies, 14.5–17.5 yr old high school students, 22305
concurrent memory load & problem difficulty, reasoning task performance, college students, 21885
context & realistic disjunctive statements, reasoning, college students, 24467
cultural diversity, formal reasoning ability, 10–18 yr old Whites from rural vs suburban homogenous vs heterogeneous communities, 19827
development of consistent moral reasoning & altruistic behavior & perspective coordination, 4–11 yr olds, 11666
development of sociopolitical reasoning, 7–8 vs 10–12 vs 15–17 vs 20–25 yr olds living on kibbutzim, Israel, 3602
development of temporal reasoning & concepts, 5–8 yr olds, literature review, 30456
dissociable vs nondissociable vs common vs specific features of pictorial stimuli, analogical reasoning, college students, 16439
economic perspective, acquisition of reasoning skills, 29905
education programs on use of reflection & rational thinking, students in elementary teacher education program, 12994
efficacy of direct instruction model, analogical reasoning, 4th & 6th graders, 29257
evaluation & use of criteria for assessment of scientific claims in advertising, 7th–8th graders, 27782
everyday spatial activities, spatial ability & mechanical reasoning, college students, 11333
experimental instructions & process of abstraction in reasoning & judgment studies, 5762
failure to consider negative instances & disconfirming evidence for reasonal hypothesis, counselors & their clients, 18247
fate of reason in history, conference presentation, 18952
fuzzy-trace theory of transitivity development, solution of thinking & reasoning problems, kindergartners & 1st & 2nd graders, 11721
grouping by formal reasoning ability, science content achievement & formal reasoning ability & learning environment & relationships between individuals in group, preservice elementary teachers in science laboratory, 21269
historical & psychological perspectives, teaching & learning reasoning & civility, 29935
human-computer interaction in knowledge-based inference, 32330
human experimentation on rationality & concepts of probability, reply to comments by D. Kahneman & A. Tversky, 29908
inference task with vs without contradiction training & cognitive style, generalization of training to conditional reasoning task, 8th vs 10th vs 12th grade males, 30467
information processing account of use of analogs in innovation process, engineering managers & contractors, 23987
intelligence measures & patterns of reasoning, definition of intelligence, 30852
interpretation of incomplete instructions, individual differences in strategy selection in solution of figural/numerical analogies, 4th vs 6th vs 8th graders vs college students, 19797
item complexity & correct vs incorrect transformation, strategies for solving geometric matrices, 7 vs 10 vs 13 yr olds, 19808
level of moral reasoning, whistle blowing behavior, 21–30 yr old college students, 6656
logic based measurement of verbal reasoning, implications for personnel selection, 29505
logical reasoning & memory & personality, 17–23 vs 37–43 vs 61–80 yr old college students, 3585
magical vs explicit & realistic explanations of remote occurrence, logical reasoning & generalization, 5 yr olds, 14057
material implication in concrete vs arbitrary form, logical reasoning 16–25 yr old students, implications for selection task paradigm, 29926
methods for teaching negative sentence structure, reading & reasoning abilities, students, 5233
mood & attitude, performance on grammatical reasoning test, college students, 19292
morality & self interest & justification for being moral, 8328
object & age & cultural/social background, reasoning of aliveness & animism, 5–9 yr old northern Unitarians vs southern Baptists, 25148
open vs restricted context material in conditional propositions, decoding & reasoning behavior, college students, 25000
pathological cognitive disharmony syndrome, psychiatric & nosological categories, severely mentally disturbed 13–19 yr olds, conference presentation, 31096
precausal thinking, literature review, 22340
presentation method & response format, responses on Piagetian reasoning problem, college students, 8138
pretraining vs feedback, performance on reasoning tasks, kindergartners vs 1st graders, 19860
reasoning processes in identification of objects that correspond to statements in psycholinguistic task, 11 yr olds, 3616
role of mathematics & science instruction vs development, reasoning skill, 6th vs 8th vs 10th vs 12th graders, 7910
series formation & elimination strategies, strategy shifts in solving spatial reasoning problems, female college students, 24468
subjective sensitivity vs isolation analysis vs minimal focusing vs balanced subjective sensitivity analysis, probability judgment, college students, 3072
syndrome of retardation in organization of reasoning, 8–15 yr olds, conference presentation, 31085
task features &/or misunderstanding of judgment problems, conjunction fallacy, college students, 16449
teaching methods for metacognitive awareness & monitoring, adult & college student readers, 15786
theory of transitional space, treatment of retardation of organization of reasoning, conference presentation, 31105
treatment of retardation in organization of reasoning & pathological disharmony, 6–7 yr olds with cerebral palsy, conference presentation, 31765
unified coherent mental representation of problem, reasoning, 17–48 yr old college students, 24477
verbal-mediated modeling presented in mass vs spaced format, transfer to criterion referenced paper/pencil test of concrete-operational reasoning, educable mentally retarded & learning disabled high school students, 26664
written language & intellectual development & reasoning, 30409
2-wk moral education programs, maturity of moral reasoning stages, 25–58 yr old male inmates of medium-security prison, 12830

Rebuttal [See Professional Criticism Reply]

Recall (Learning) [See Also Free Recall]
ability level & comprehension monitoring cards, comprehension & recall of science & social science text, 4th graders, 7884
accuracy of "feeling of knowing" judgments, prediction of perceptual identification & relearning, college students, 8569
accuracy of memory in recall of patient data, psychologists, 29043
activation of pool of associates during initial recall, proactive inhibition, adult Ss, 16474
activation under semantic vs nonsemantic processing conditions, free & cued recall & word recognition, college students, 24488
addition of contents in recall of REM dream vs film 5 hrs later, male college students, 11347
advance organizers & learner vs controlled sequence of text, recall of paragraph attributes, college students, 5242
affect intensity & emotive content & relative importance of story paragraphs, recall & comprehension of stories, college students, 29955
affection & surprise, long term recall for context information of real-world events, 20–42 vs 60–84 yr olds, implications for ecological validity of developmental memory research, 27169
age differences, word retrieval in lexical decision task, 18–34 vs 64–79 yr olds, 30416
age, rate of free recall & speed of cued recall, 59–76 vs 27–38 yr olds, 14069
anticipation of social interaction, recall of negative self-descriptive traits, socially anxious vs nonanxious female college students, 4038
application of composite holographic associative recall model to issues in cognitive processing & memory, 13697
area postrema lesions, recall of previously acquired taste aversion, male rats, 6085

articulatory suppression & phonological similarity & rate of auditory presentation, recall of short vs long words, 20–70 yr olds, 11343
attitudes toward capital punishment, recall bias of article on general deterrent effect of death penalty, adults, Canada, 14412
auditorily vs visually presented letters, recall & letter-matching, dyseidetic vs dysphonetic vs dyseidetic-dysphonetic 9–10 yr olds, conference presentation, 9864
auditory rapid digit sequences followed by suffixes at various delay intervals, delayed suffix effect in recall, test of masking vs perceptual grouping hypothesis, 24357
behavior descriptions & dispositional cues, recall of sentences, college students, implications for spontaneous attribution of personality traits, 1259
brightness discrimination task learning & posterior visual decortication, postoperative retrieval of memories of previous learned behavior, male rats, 30187
categorization vs mental imagery mnemonic aids with vs without E instructions, reading skills & recall, 5th graders, 3650
category recall, Ss with mean ages of 20.1 vs 67 yrs, 6333
category vs letter vs no cue, word recall, Alzheimer's disease patients with mean age of 76.9 yrs, 7038
causal attributions about recall performance, assessment of metamemory & prediction of strategic memory behavior, 1st & 2nd graders, 906
causal relatedness of sentences, reading times of 2nd sentence & recognition & recall for causes, college students & adults, 5781
cerebral laterality, auditory processing of prose, college students, 5973
cognitive effort & distinctiveness of encoded word, recall, skilled vs learning disabled readers, 9860
communication techniques, improvement of patient recall & comprehension of instructions, physicians, 7572
comparison of prose-learning variations of mnemonic method, recall, 7th–8th graders, 7976
compatibility between retrieval requirement & prior semantic vs nonsemantic phonemic encoding of word pairs, recall, college students, 27175
complexity of drawing details, recall of pictures, college students, 21883
comprehensibility & recall of miniature computer programs, nonprogramer college students, 5492
concreteness of memory vs elaboration prompts, noun recall, college students, 8567
consistent & contradictory evidence in texts, decision making & recall & recognition & memory, college students, 24483
constructibility & associability of internal cues composed of personal experiences vs names of body parts, recall in self reference task, college students, 3095
context cues, eyewitness identification responses, college students, 14415
control of processing during learning, cued recall, normal 53–73 yr olds vs 36–67 yr old patients with Alzheimer's disease or senile dementia of Alzheimer's type vs amnesic Ss, 7030
convolution & correlation as associative & retrieval operations in theory of distributed associative memory, reply to criticism by R. Pike, 13710
cooling of anterior vs posterior temporal lobe, visual discrimination learning & recall, female monkeys, 3346
cooperative learning in pairs, acquisition of knowledge & skills, college students, 10748
cue-induced transformation of verbal stimuli, recall & recognition of words not presented in learning lists, 12–18 yr olds, 6285
deficits in temporal & phonetic processing, recall of order of stimuli, dyslexics, comments on study by R. B. Katz et al, 14870
deficits in use of phonetic memory strategies, order memory, reading disabled children, reply to P. Tallal's comments, 14856
definition recall ability through keyword method, vocabulary comprehension, college students, 32064
definitions pretraining with vs without signaling, understanding of unfamiliar scientific passage, college students, 15768
degree of learning & study time & single vs multiple exposure, retrieval speed, human Ss, 24485
delayed recall, word associations & memory, college & high school students, replication of A. J. Parkin et al study, 5828
delayed retention testing, word associations to emotional vs neutral stimuli, reply to comments by R. Rossman, 5825
deletion of letters from words & adopted perspective, memory & recall of idea units in story, college students, 403
depressed mood induction, recall of target words embedded in sentences or alone, college students, 11350
depression & alcoholism, learning & recall & recognition, male VA patients who had been treated on alcohol ward, 1340
descriptive details, recall of major ideas in text, college students, 8571
development of theory of working memory, effects of concurrent memory load & phonemic similarity & articulatory suppression & word length & unattended speech on recall & storage capacity, college students, 407
dichotic presentation of CV syllables, immediate recall, 16–48 yr old dextral vs sinistral Ss, 8795
differences in encoding specific & categorical information, cued recall for cue-target picture & word pairs, 2nd vs 5th graders vs college students, 19789
elaboration, retention of words in free-association task, 29953
emphasis on meaning vs accurate oral reading, sentence recall, 3rd graders, 10685
encoding instructions & retrieval cues, recall, patients with senile dementia, 12344
facilitation of juror comprehension & recall of trial events & creation of favorable impression, persuasion of jury, attorneys, 11940
failure to encode vs inability to retrieve, next-in-line effect of failure to remember, college students, 19267
familiarity of concepts & text cohesion, recall, 7th–8th graders, 15809
family branding advertising policies vs individual policies & number of included products, level of suitability for use of umbrella advertisement approach, college students, 29588
filled vs unfilled retention interval without rehearsal, short term recall of temporal information about visually guided movements, Ss with mean age of 25.9 yrs, 391
forensic hypnosis & trance depth, posthypnotic suggestions for recall, police recruits, implications for witness recall, 9442
fragment vs schema model, cued vs not cued recall, college students, 11359
frequency of stimuli, preference formation, amnesic Ss with mean age of 49 yrs, 7111
generality of strength model, complete vs restricted vs no reminding, college students, 19284
generalization from categorical memory tasks to prose, learning disabled 12–14.4 yr olds, 15868
generative text processing strategies, recall & retention of textual material, college students, 29921
generic vs specific inclusion of women in essay, recall of essay's factual content, female vs male college students, 19271
grouping, word recall, 19–28 yr olds, 3099
high- vs low-level prepassage questions, cued recall of expository prose, college students with higher vs lower vocabularies, 11384
hypnosis, recall of simulated bank robbery, hypnotically susceptible college students, 21901
hypnosis vs imagination vs repetition, visual recall memory, college students, 24503
hypnosis vs waking conditions, auditory memory for meaningful verbal material, high- vs low-hypnotizable college students, implications for forensics, 21898
hypnotic hypermnesia, literature review, 13729
hypnotic training, reduction of test anxiety & recall & reading comprehension performance, college students, 5388
image vs issue content of advertising, recall of information from preferred candidate vs TV commercials for opposing candidate, 18–68 yr olds, 24061
imagery & contextual organization, associative memory & recall, college students, 384
imagery-base mnemonics & returned cues, acquisition of French article-noun pairs, English-speaking college students, 5272
imipramine or methylphenidate vs withdrawal from medication, paired associate learning & recall, hyperactive 5.3–14.9 yr olds, 4808
immediate vs delayed story recall, 7 vs 8 vs 10 yr olds, 6290

immediate vs delayed temporal vs thematic cues, recall of paired items conforming to underlying order, college students, 27165
importance of textual information, recall, 21888
individual vs TV presentation of fairy tales, story recall, children with mean age of 6.5 yrs, 14048
induction of depressed vs neutral mood & word connotation, spacing effect for word recall, college students, 8578
information encoded at structural vs phonemic vs semantic levels, recall & recognition, college students, test of levels-of-processing theoretical framework of F. I. Craik & R. S. Lockhart, 13692
information regarding attitude formation toward person vs behavior of person, recall & attitudes, college students, 6645
injuries to cortex, long term memory, conference presentation, 22022
instruction of text structure, information recall, elementary school students, 29221
instruction to remember TV programming for later testing vs to watch for entertainment, recall of visual vs auditory vs audiovisual information, 5 vs 9 yr olds, 16935
instructions to disregard information, subsequent recall of information & use in making social impression judgments, college students, 20128
integrative imagery vs concrete enaction & repetition strategies, recall of pictograph sentences, 5.5–6.5 yr olds, 25117
intelligence, logical memory & recall, 2nd graders, 14086
interaction involvement, emotional state & recall during conversation vs competitive negotiation, college students, 30766
interests, attentional shift & recognition & recall, 2.9–3.5 vs 3.6–4.2 yr old preschoolers, 30470
interrogative suggestibility & memory recall & self esteem, 19–32 yr olds, 9566
isolation by color, recall of printed words, Ss with mean age of 9 yrs vs mentally retarded Ss with mean age of 18 yrs, 9866
key behavior distinctiveness, generalization & recall in behavior modeling training, college students, 11365
lateralized nondominant hemispheric dysfunction as measured by recall asymmetries, depressed inpatients, 25529
level of importance of postquestions, understanding & recall of expository text, 5th grade readers, 7948
lexical storage & retrieval, language impaired 4–13 yr olds, 1619
linguistic deficit, recall of word sequence, autistic vs mentally retarded children & adolescents, 1456
list learning mnemonics with & without visual imagery, recall, 60–73 yr olds, 29963
locus of control, recall of death related vs neutral words, college students, 25450
lower vs middle class background, recall of picture story, 4–5 yr olds, 19794
maintenance rehearsal with vs without utterance, delayed recognition & recall, college students, 11381
manner in which trait & behavioral information is organized in memory, prediction of recall & recognition of information about persons & groups, college students, 22616
matching of syllable & consonant sound & congruence between articulatory information & auditory input form, speed of naming syllables & short term recall, college students, 11305
memory & short term retention, 19–56 yr olds with multiple sclerosis, 14930
memory for acts & contents & spatial position patterns, serial position effects, college students, 16467
mild vs severe simulated stuttering, recall of high vs low information words, college students, 6989
mnemonic strategies that provide both perceptual & conceptual links, recall of Chinese symbols, 9th & 10th graders, implications for role of critical cognitive functions, 16950
monaurally presented words, ear asymmetry & recall, 7–9 vs 13–16 vs 25–30 yr olds vs aged, 16858
mood & recall of pleasant vs unpleasant personality trait words, usage rates of personality trait words, female vs male college students, 28070
mood congruence between information input & output vs events & emotional state, recall & memory, college students, 29957
mood variation, learning & memory & retention, college students, 409
motivational/affective factors, recall of short stories, male patients with alcoholic Korsakoff's syndrome vs alcoholics vs normal Ss with mean ages of 58.8 & 54.3 & 56.2 yrs, 12237
multiple simultaneously present cognitive structures, representation & recall of trait-related behaviors, college students, 5796
multiple vs single composite imagery in mnemonic prose learning, recall, college students, 24499
narrative vs expository-descriptive vs expository-interference texts, selective recall of decision-relevant information, college students, 5819
neuroleptic drugs with vs without anticholinergic drugs, performance on verbal matched-recall vs recognition tasks, mildly disturbed schizophrenics with mean age of 38 yrs, 10255
noise & language change, proactive interference, bilingual 18–32 yr old students with varied degrees of language dominance, 16464
note-taking instructions & studying, recall & recognition performance, high school students, 18602
number & processing of related vs unrelated details, recall of major ideas in prose, college students, 11366
octave equivalence & immediate recall of pitch sequences & 2-channel model, college music students, 24443
oral reading vs silent mouthing of letter strings, recall, paid volunteers, 8527
organization of memory retrieval, 5 vs 6 vs 9 yr olds, 27815
organization of verbal stimuli, production & memorization of words, psychology students, 29907
paired associate learning of noun lists, ability to predict which items would be retrievable in subsequent recall, college students, 24495
perceptual cognitive organization, learning list recall & reproduction of figurative material, brain damaged patients, 4437
perceptual reactance to simple vs complex stimuli, information processing & recall, female college students identified as augmenters vs reducers, 360
perceptual skills & recall of positions in Othello game, skilled players vs nonplayers, 24511
performance of visual tracking task with right vs left hand, narrative recall performance, right handed male college students, 11249
pictorial instruction, paired associate recall, 1st graders, 27783
pictorial vs verbal advertisement, memorability of brand names of consumer products, college students, 2718
pictures & verbal descriptions of normal vs disfigured faces, free & cued recognition of pictures & recall of descriptions, college students, implications for mechanisms of amnesia, 5690
precuing, focused search for retrieval of facts in sentences, college students, 24509
prequestioning, recall of brand names of advertised products, graduate students, 29589
presence vs absence of TV cameras in courtroom, recall of evidence & verdicts & awards, community adults with mean age of 35 yrs, 11937
presentation & recall requirements, comprehension of story schemata, good vs poor 6th grade readers, 14073
presentation format of TV program, free & probed recall & recognition, 18–23 vs 65–70 yr olds, 14021
presentation of meaningful passages in print vs signed English vs American Sign Language, recall & preference & comprehension, hearing vs prelingual deaf 15–19 yr olds, 10819
presentation of verbal & spatial information, recall, 5th graders, 14059
primacy & recency effects, availability heuristic for judgment of category frequency information, college students, 8561
proactive interference, long term recall of lists learned singly vs simultaneously, college students, implications for simultaneous acquisition-retention phenomenon, 417
procedures of B. J. Meyer vs R. E. Johnson, prediction of recall of information from text, 8572
processes involved in recognition & recall, college students, 13712
processes of understanding & memorizing texts, 7–11 yr olds, test of cognitive story-schemata hypothesis, 905
processing time & group vs individual performance, recall of consistent & inconsistent behaviors, college students, 1256
productivity, memory for newly formed words, 3–5 yr olds, 9164
prose passages with picture adjunct aids, memory & verbal comprehension, 4th graders, 7964

psychological defense mechanisms in dream & joke recall, 15–70 yr olds, test of Freud-Grotjahn hypothesis, 402
public vs private self consciousness, recall of self relevant information, college students, 17333
pulse rate at beginning vs end of prenatal clinic visit as index of autonomic arousal, recall of information about pregnancy, 17–36 yr old females, 4872
qualitative vs quantitative free association scores of topical knowledge, production of comprehension of passage, 6th grade exceptional readers, 7965
race & income level & preferred category organization, category clustering in recall, Black vs White 1st vs 5th graders, 6315
racial or ethnic stereotype of perpetrator of job related or criminal infraction, punishment recommendations & recall of information, college students, 20103
reading ability & word knowledge, text recall & comprehension processes, children, 27795
recall & manipulation of information in working memory, college students with good vs poor writing skills, 10774
recall & structure assessments, measurement of comprehension of concepts vs nonspecific facilitative transfer, college students, 13695
recall & temporal information & utilization of temporal organization, 5 mo olds, 11768
recall of extended expository prose, college students vs 64–79 yr olds, 14109
recall of opinions held 10 yrs ago on political & social issues, implications for reliability of attitude recall methodology in social science research, 9356
recall of phobic-related vs neutral material, 30–52 yr old female agoraphobic patients, 4222
recall of pleasant vs unpleasant words, depressed inpatients with mean age of 42.6 yrs, 6816
recall of postnatal depression, mothers, 3-yr followup, 28175
recall of story with vs without prompts, pause durations as evidence of narrative structure, 5817
recall of trigrams rated as liked or disliked & effect of therapy success, depressed outpatients over age 60, 6858
recall vs recognition memory, adult hospitalized depressives, 26318
recognition & recall of one's own vs others' dreams through reality monitoring, college & graduate students, 16393
recognition experience between acquisition & retrieval, cued recall of episodic information, 2nd vs 4th graders vs college students, 9142
recognition of famous surnames vs cued recall of same surnames, college students, implications for generation-recognition theory, 5821
reconstructive recall for linguistic style, college students, 5808
rehearsal & self instructional techniques, recall & skill generalization & maintenance, educable mentally retarded 25–35 yr olds, 1610
rehearsal during delay between stimulus presentation & recall, verbal short term memory performance, 5–15 yr old deaf students, 12327
relational vs individual item information, recall of small vs large categories, college students, 11356
reliability of retrieval from memory of semantic information about commonly used nouns, college students, 27161
REM vs slow wave sleep, retention of information, college students, 643
retention interval & processing during incidental learning & number of study vs test trials during intentional learning, response accuracy vs latency of recall on paired associate tasks, college students, 29954
retrograde amnesia as attributable to lack of appropriate cues for retrieval, challenge to storage-disruption hypothesis, conference presentation, 21891
review of theory behind cloze procedure & cognitive complexity test & relation among advertisement recall & enjoyment & prediction of verbal structure, college students, 18908
role of organization, recall or judgments of canonical stories, young vs middle aged vs old females, 24497
role of part-set cuing in organization of memory for chess piece placement, casual vs tournament chess players, 21892
schema expectancy & item saliency, memory for items in room, college students, 408
seizure duration & anesthetic dose, verbal recall & depression following ECT, depressed patients, 28570
self questioning procedure modeled on cognitive behavior modification, sentence elaboration & recall, 5th–7th graders, replication of research by J. D. Bransford et al, 2422
self-reference orienting task as encoding activity, free recall of trait-descriptive adjectives, kindergarten & 1st & 4th grade students, 3632
semantic complexity of program modules, recall & hand execution performance, college students, 7978
semantic constraints of sentence structures, elaborative learning, 2nd & 6th graders, 11776
semantic processing, serial recall, adolescent educable mentally retarded, 25717
semantic vs nonsemantic orientation & associative processes, levels of processing & facilitation of pronunciation & recall, college students & staff members, 3085
semantically & acoustically related vs unrelated word pairs, word recall, bilingual Ss dominant in Hindi vs English, India, 13934
semantics in observation & recall of behavior, graduate students, criticism of R. A. Shweder & R. G. D'Andrade's systematic distortion hypothesis, 14523
sensitivity to passage organization, recall, normally achieving vs learning disabled 5th–7th graders, educational implications, 5352
serial position of isolated item, immediate recall of nonsense syllable list, female college students, 13707
serial position on grouped vs ungrouped lists & probe position & precuing, temporal properties of recall, 18–39 yr old college students, 29951
serial recall of imagined voices, college students, 8530
SES & preferred category organization, category clustering in recall, Black vs White 1st vs 5th graders, 27796
sex & race & stimulus duration, memory efficiency, college students, 386
shift in language of pronunciation & meaningfulness of CVCs, release from proactive inhibition & recall, French-English bilingual college students, 5823
source credibility & memory for past behaviors, attitudes toward toothbrushing, college students, 9559
spaced retrieval technique, treatment of memory disorders, 29–68 yr olds, 20679
spatial context, recall of items, 3–4 yr olds, 9190
speech rate, short term memory span, 3–4 vs 7–8 vs 10–11 yr olds vs adults, 3639
spontaneous vs verbal vs imaginal encoding strategies, verbal learning efficiency, college students, 24500
story retelling & strategies for reading stories to children, recall & comprehension, kindergartners, 26541
story schemata, comprehension & recall, implications for reading instruction & choice of materials, 5245
story structure instruction, recall learning, low-SES 6th graders with poorly developed story concept, 32040
structural organizers, comprehension & recall of expository text, high- vs moderate- vs low-ability 9th graders, 15793
subjective vs experimenter-induced vs forced-random organization, recall of movement information, 7–8 & 11–12 yr olds, 11724
supportive vs refutive information, recall of personally relevant communication, smokers vs nonsmokers vs ex-smokers & seat-belt wearers vs nonwearers, 11376
suppression vs substitution vs remind vs normal instructional models, comprehension of text with unfamiliar vs recently taught words, 4th graders, 15776
systematic vs random organization of words & differing presentation methods & knowledge level of word organizing principles, memory & recall, college students & elderly with mean age of 71 yrs, 11744
tables &/vs graphic presentations of data, comprehension & recall of information, college students, human factors implications, 405
task variables, retention & recall of verbal materials, male vs female 11th graders, 3646
taxonomic organization, free vs cued recall of 2 & 4 category lists, 2nd vs 6th graders, 19819
test expectations & time of day, recall & recognition, 16–18 yr olds & college students, 385

text structure & cognitive consistency, attitude change & recall of information, college students, support for cognitive dissonance theory, 21850
thematic-fantasy play paradigm, facilitation of immediate & maintained story recall, Black kindergartners & 1st graders, 23753
thematically related cue information presented before vs after reading, prose processing & recall, 411
time interval between challenges to recall information blocked by hypnotic amnesia, recall, college students, results contrary to dissipation hypothesis, 11396
time of day, memory for televised news information, 16–34 vs 35–49 Ss over 50 yrs of age, 3098
training in use of self monitoring strategy to prepare for recall, generalization to serial or free recall, 3rd graders, 9-mo followup, 25116
training to increase speech rate, serial recall performance, 7.1–8.1 yr old, 25101
transformational vs representational imagery instructions & name vs occupation passages, recall of prose passage, 8th graders, 19844
TV viewing & over-the-counter drug advertisements, use of cigarettes & recall of drug advertisements & drug abuse, college & graduate students, 25383
typicality & category clustering in word list learning, college students, 24491
use of bounded recall in single interview, college students, 2841
use of rehearsal strategy in self paced recall readiness task, mildly mentally retarded 10 & 12 & 14 yr olds, 31104
use of reminiscence-aids package in weekly group by social worker & occupational therapy aide, confused elderly psychiatric patients, 26329
validity of depth-of-processing model, text recall in intentional vs deep vs shallow semantic orienting conditions, 17–35 vs 36–59 vs 60–82 yr olds, West Germany, 11349
verbal & spatial intelligence & divergent thinking, recall memory performance, children with mean age of 12.2 yrs, 16986
verbal ability & text structure, text recall, 20–39 vs 40–57 vs 60–84 yr olds, 24484
verbal instruction alone vs with line drawings & visual vs nonvisual testing & cued vs free recall & order of testing, academic achievement, college students, 5275
verbal rhymes as mediation strategy, learning & recall of mathematics computations & problem solving, 7th graders, Japan, 15766
verbatim vs recollected therapy sessions, treatment protocols, 10039
visual imagery ability, recall of modeled motoric stimuli varying in complexity & orientation, college students, 13703
visual vs auditory information, asymmetries in verbal recall, right handed college students, 16659
visual vs auditory presentation of events on TV, recall of temporal sequence of events, preschoolers, 11740
vocabulary & age & organizational strategies, word recall, 18–56 yr olds, 8563
weak vs strong cues, recognition & recall, male college & graduate students, 5833
written vs oral recall & memory expectancies, memory for conversation, college students, 6199

Recency Effect

delay between training & testing, recency effect in long term memory, pigeons, 3206
description of person as introvert vs extravert & order effects, personality impressions, high school & junior high school students, 6381
primacy & recency effects, availability heuristic for judgment of category frequency information, college students, 8561
psychophysical properties of temporal control & memory for event recency, effect of retention delays of performance on memory tasks, literature review, conference presentation, 3201
repetition & recency, word recognition, college students, 8570
same/different concept learning & serial probe acquisition & probe delay, serial position functions & recency effect, monkeys, 19341
same/different concept learning & serial probe recognition & probe delay, serial position functions & recency effect, pigeons, 19336

Receptive Fields [See Also Cutaneous Receptive Fields, Visual Receptive Fields]

frequency shifts of tone & context, auditory event related potentials, adults, 6015
functional organization of cell cluster responses in auditory cortex AI vs AII as measured by frequency tuning & bandwidth & binaural interaction class, cats, 8824
location & intensity & unpleasantness & extent of dental pain spread & role of receptive field size of trigeminal nociceptors, utility of pain spread as diagnostic tool, patients, 31253
olfactory discrimination & receptor cell responses, frogs, 591
tone frequency & receptive field location of electrical stimulation, poststimulus & lateral inhibition in neurons of primary auditory cortex, cats, 27398

Receptor Binding

age & Pavlovian conditioning, brain biogenic amine content & spiroperidol receptor binding in caudate nucleus, rabbits, 582
age & sex differences, 3H-imipramine platelet binding sites, 18–39 yr olds, 19654
agonist interactions with beta adrenergic receptors on brain membranes, rats, 8999
amitriptyline vs desipramine mianserin vs pargyline, mepyramine binding in cortex, guinea pigs, 24945
antipsychotic drugs, neuroleptic affinities for brain receptors, humans at autopsy, implications for predicting adverse effects, 16795
autoradiographic visualization of nicotinic transmission in brain, rats, 19446
bilateral corticostriatal projection ablation, excitated vs inhibited striatal neuron response to dextroamphetamine, rats, conference presentation, 30193
biochemical basis of niacin as antidote to acute LSD- induced psychedelic psychosis, 6128
biochemical characteristics & regulation of brain alpha-2-adrenoceptors, 3304
biochemical properties & neurotransmission role of muscarinic receptor, literature review, 8809
blood plasma protein binding, brain uptake of erythrosin B, rats, implications for food dye induced behavioral disorders, 27376
caffeine administration & withdrawal, diazepam binding sites in brain, male rats, 9040
central benzodiazepine receptors, pharmacological effects of benzodiazepines & control of anxiety-related states, animals, 9023
central serotoninergic receptors & binding characteristics of new agonist 8-OH-N,N-dipropyl-2-aminotetralin, 24651
characteristics & distribution of muscimol binding sites in visual cortex, cats, 19503
chronic administration of diazepam, EEG & coupling between GABA receptors & benzodiazepine binding sites, male rats, 27618
chronic methamphetamine administration, hypothalamic bimodal & unimodal rhythm beta & alpha adrenoceptor binding & circadian food intake, male rats, 24868
chronic naloxone administration, opiate binding in CNS & effect of morphine on antinociception & conditioned taste aversion, male rats, 22135
corticosteroid-binding globulin, depressed 28–76 yr old patients, 28212
daily cyclical fluctuations in binding capacity of dopamine receptors in striatum, male rats, 22040
diazepam, hyponeophagia & benzodiazepine receptor binding, rats of several genotypes, 9019
diazepam, wheel tracking & digit-symbol substitution performance, college students, evidence for prediction of pharmacodynamics from pharmacokinetics, 13881
diisopropyl fluorophosphate, reduced muscarinic receptor binding & memory for passive avoidance task, rats, 27610
diisopropylfluorophosphate, passive avoidance retention & cortical quinuclidinyl benzilate binding, rats, 27587
distribution of opioid peptides & receptor binding sites in spinal cord & activation by thermal & pressure & visceral nociceptive inputs, conference presentation, 30282
high affinity imipramine binding to platelet membranes, 11–17 yr olds with major affective disorders, 22763

high altitude simulation, peripheral & central dopaminergic & adrenergic & histaminergic neurotransmitter-receptor densities & affinities, male guinea pigs, 672
hippocampal uptake of norepinephrine, maze acquisition & performance, spontaneously hypertensive vs normotensive 6 mo old rats, 19487
icv injection of angiotensin II vs angiotensin III, receptor binding in circumventricular organs & water intake, rats vs gerbils, 3534
imipramine receptor binding in plasma, differential diagnosis of subtypes, patients with primary major depressive disorder, 22735
indalpine & adaptive changes of postsynaptic receptors after chronic treatment & binding sites, rats, 24871
indalpine, platelet serotonin uptake, 18–36 yr old males, 24815
interaction of phencyclidine analog with mu opioid receptors, mice, 19687
intermittent haloperidol, behavioral sensitivity to apomorphine & striatal spiroperidol binding, male guinea pigs, implications for prevention of tardive dyskinesia using drug holidays, 24862
lead exposure during prenatal & postnatal development, nitrendipine binding in striatum, rats, 27634
light & dark adaptation, binding of flunitrazepam to benzodiazepine receptors in retina & lateral geniculate nucleus & superior colliculus & visual & frontal cortex, rats, 30099
lithium, muscarinic receptor binding parameters, laboratory animals, implications for therapy, 30222
long term imipramine treatment, platelet radioactive imipramine binding, drug-free depressed patients, conference presentation, 31544
methamphetamine, reduction of radioactive kainic acid binding in cerebral cortex, male rats, implications for susceptibility to methamphetamine-induced behavioral supersensitivity & psychosis, 22179
monocular suture of eyelids, retinal levels of met-enkephalin & substance P & neurotensin & muscarinic & dopaminergic & opiate & benzodiazepine receptors, day old chicks after 17 days, 13788
mu- & kappa-like binding properties of levo-3H-N-allylnormetazocine in brain homogenate, mice, 24664
muscarinic cholinergic receptor binding, Ss who committed suicide, 14795
muscimol, role & ontogenesis of GABA in visual cortex, cats, 24682
neuroleptics vs antidepressants, 3H-clonidine & 3H-yohimbine binding to alpha-2-adrenergic receptors in cerebral cortex, rats, 22226
nicotine-induced seizures & nicotine receptors, C3H/2lbg vs DBA/2lbg mice, 24891
nortriptyline binding to brain sections as determined by saturation & competition experiments & autoradiographic localization & monoaminergic lesions, rats, 27458
operant conditioning, behavioral tolerance to ethanol & muscarinic cholinergic receptor binding, male rats, 5875
pentazocine & tripelennamine, drug discrimination & mu-receptor binding, male rats trained to discriminate morphine from saline, 30295
phenothiazine treatment, platelet alpha 2-adrenergic receptor binding before vs after treatment, 22–39 yr old schizophrenic patients, 15316
platelet adrenergic receptor binding sites & plasma catecholamines, 18–36 yr old patients with panic attacks vs depression before & during imipramine treatment, 9629
platelet aggregatory responses to 5-HT vs adenosine diphosphate, drug-free depressed patients with mean age of 49.7 yrs, 14754
platelet binding of tritiated dihydroergocriptine & plasma norepinephrine levels & norepinephrine inhibition of prostaglandin in E1 stimulation of cyclic adenosine 3',5'-monophosphate production, depressed patients, 6853
premenstrual tension, distress levels & serotonin concentration & uptake in blood plasma, 18–40 yr old females, 24722
prenatal exposure to methyl mercury, potentiation of apomorphine-induced stereotyped sniffing & role of enhanced dopamine binding sites, rats, 22148
progesterone, concentration of estrogen binding sites in hypothalamic-preoptic area & anterior pituitary & uterus, ovariectomized rats, 8935
pyrazolo(1,5-a)pyrimidine analogs, receptor binding & anxiolytic activity assessed in muricide & approach/avoidance conflict & 2-chamber exploration tests, male rats, 3480
quantitative method of cross-adaptation, identification of multiple receptor sites for amino acids in olfactory receptors, carp, 22028
radioligand binding techniques, determination of dopamine receptor subtypes, 2823
radioreceptor binding assay, psychopharmacology & psychopathology, 7448
reversibility in therapy of tranylcypromine & phenylzine binding, comments on G. D. Tollefson's review of MAO inhibitors, 15276
role of dopaminergic receptor binding mechanism in central behavioral effects of morphine, rodents, literature review, 19458
self administration vs yoked infusion of morphine, muscarinic cholinergic & benzodiazepine receptor affinities & densities, male rats, 3513
serotonin agonists & antagonists, inhibition of labeled serotonin binding in frontal cortex in presence of guanosine triphosphate, rats, implications for presence of multiple receptor subtypes, 24938
sites of action for anxiogenic drugs in animal models of anxiety, behavioral & electrophysiological & biochemical correlates, literature review, 24911
speed of reactive capacity, prediction of differences in striatal binding of spiroperidol, rats, 11503
steroidal progestin receptor antagonist, inhibition of sexual behavior, female guinea pigs, 11582
stress treatments during pregnancy, development of brain adrenergic receptors & binding, mother rats & their 16 vs 23 vs 40 vs 60 day old offspring, 27390
strychnine binding to spinal cord & brain stem for determination of glycine binding deficits, adult mutant spastic mice, 30113
training in vestibular control, binding of GABA to vestibular nucleus Deiters's neurons, female rats, 8796
trazodone vs amitriptyline, uptake of serotonin into platelets & serotonin receptor activity & plasma free & bound tryptophan concentrations, depressed patients, 7436
tritiated imipramine platelet binding, Ss with major depressive disorder or schizophrenia, 4160
use of in vivo autoradiography, study of changes in opiate receptor occupancy in brain induced by footshock & forced swims in cold water, male rats, 11501
yohimbine & dihydroalprenolol & spiperone binding sites in blood cells & serum catecholamine levels, medicated vs unmedicated schizophrenic patients, 28165
Receptors (Neural) [See Neural Receptors]
Recidivism
actuarial variables for potential use in identification of high risk behavioral patterns, male vs female violent offenders & recidivists, 23560
addictive processes frame of reference, drug & alcohol & tobacco addiction relapse & criminal recidivism, 1551
age, burnout & reduction in recidivism rates, adult criminal offenders, 2-yr followup, 26362
analysis of US Justice Department's Law Enforcement Assistance Administration's Career Criminal Program, 22515
arrests & convictions & incarcerations, insanity acquittees after hospital discharge, 15-yr longitudinal study, 31734
authoritarian personality & attitude toward authority & facism, male recidivist prisoners, 12844
characteristics & dispositions & subsequent arrests, 16–71 yr old defendants who had entered insanity plea, 1967–68, 17642
client characteristics & service delivery program attributes, recidivism, delinquent adolescents with mean age of 14.9 yrs, 7716
clinical & statistical prediction of recidivism, male inmates, 7718
Community Connections aftercare program, reduction of hospitalization, chronic psychiatric patients, 4-yr followup, implications for extended time frame in evaluation of community based programs, 26282
crime rate statistics in evaluation of police department effectiveness, comments on P. E. Ginsberg's theory, 2186
driving while intoxicated law, drunk driving recidivism, 1st-time & multiple offenders, 1566
eclecticism, recidivism in alcohol detoxification center, counseling, 23612

employment & prisonization & self esteem, postrelease adjustment & recidivism, ex-offenders, literature review, 4992
incidence & recidivism, alcohol-related traffic convictions & accident involvement, 5431
inmate classification system by E. I. Megargee, effectiveness in predicting institutional adjustment & recidivism, Black medium security inmates involved vs not involved in prison riots, 18355
legal & ethical aspects of selective incapacitation & recidivism, criminals who pose threat to society by frequent criminal activity, 30680
MMPI characteristics & perceived problem solving abilities & violence & recidivism, Black vs White incarcerated males, 25641
Mortimer-Filkins test, prediction of alcohol-impaired driving recidivism, 5659
personal characteristics, recidivism, 17–54 yr old probationers, 4343
prediction of prosocial behavior after institutionalization, 13–17 yr old male delinquents, Canada, 244
psychological state & background variables, incarcerated female 1st offenders vs recidivists, 28956
recidivism in foster care, children, 18239
recidivism-level-specific licensing actions, subsequent driving under influence, 1st vs 2nd vs 3rd drunk driving offenders, 20041
rehabilitation & recidivism as process, males released from prison, 4981

Reciprocity

age & mutual vs unilateral friendship, reciprocity in acknowledgment of each other's personal-social characteristics, 2nd vs 4th graders, 994
analysis of reciprocity between nonkin in terms of altruism & selfishness as defined by theory of inclusive fitness in human society, 17301
contrast of behavior in 2-person power game, college students, India vs Canada, 6625
distinction between concepts of social exchange & reciprocation, 17310
ethnic origin of S & victim & power to retaliate, administration of electric shocks to Western vs Middle Eastern Jewish vs Arab-Israeli victim, Middle-Eastern vs Western male 11th graders, Israel, 3684
individual- vs group-family-based reciprocity training, communication skills, families involved in parent-child conflict with 10–16 yr olds, 23231
individual differences in aggression, arousal & retaliatory aggression in ambiguous vs nonambiguous intent, college students, 17406
interactivity of & reciprocity principle of language & writing & speaking, 6 yr old, 14080
intimacy motivation trait & degree of reciprocity, frequency of laughter & eye contact & smiling in same-sex dyads, college students, 20070
modeling & social reciprocity, aggressive interpersonal acts, 1st & 2nd grade males, 977
physical attractiveness of female opponent delivering severe vs mild shock attacks, retaliation with electrical shock, male college students, Japan, 17321
possibility of society of general reciprocity, 14405
promotion of reciprocity in social interactions, special education students, 2538
reciprocal sharing of food & regurgitation of blood, vampire bats, 542
reciprocated help, recipient's estimation of helper, 11990
reciprocation of concessions, negotiations in Strategic Arms Limitations, USSR & US, 1969–79, 6543
reciprocity as coping strategy, rural elderly, Ireland, 22375
reciprocity in toy sharing, 29–36 mo olds, 14181
role of exchange theory in social psychology, 17298
sex & sex role taking of conflict situation, aggressive retaliation, 8–9 yr olds, 9320
soft vs tough reciprocity vs toughness, outcome in oligopoly bargaining, female undergraduates, 30796
victim resistance, warding off attack & reducing risk of injury, crime victims, conference presentation, 9807

Recognition (Learning)

abstract vs concrete words, recognition & image formation in selective attention conditions, 17–24 yr old females, 11332
accuracy of "feeling of knowing" judgments, prediction of perceptual identification & relearning, college students, 8569
affective assessment, left vs right hemisphere recognition of pictorial vs verbal materials, high school students, 11378
after vs before recognition of alternating positive & negative puzzle picture, visually evoked potentials, 13802
age differences & complex environmental stimuli, recognition of mother & home environment, 1–14 wk old piglets, 5907
alcohol intoxication, effects of semantic vs phonemic vs graphemic processing levels on verbal free recall & recognition, 21–32 yr old male students, 805
ambiguity of recognition memory tests, assessment of function & consequences of schemata for information processing, 27151
analogy strategies, word recognition vs transfer, normal achieving 2nd vs 5th graders vs educationally handicapped or learning disabled 5th graders, 15799
anxiety & extraversion & neuroticism & psychoticism, recognition memory under noise vs threat vs reward conditions, college students, 5831
awareness of expository text structure, reading comprehension & writing & recognition & production of relevant information, college students, 10752
bilateral hippocampal lesions, acquisition of & performance on no-delay vs delayed pair comparison recognition task, pigeons, 709
carbamazepine vs phenytoin, memory & word list learning & delayed recognition of pictures & visual tracking & decision making & mood, 13–66 yr old epileptics, 12618
causal relatedness of sentences, reading times of 2nd sentence & recognition & recall for causes, college students & adults, 5781
cerebral dominance, recognition of internal & external features of famous faces, right handed adults, 8843
cerebral laterality, recognition of Chinese characters & words & Arabic ideograms, right handed Ss, 13819
childhood hyperlexia, 13–25 yr old males with infantile autism, 7–17 yr followup, 1495
classification & recognition of sonorant consonants in continuous speech, speakers, 24989
combinations of picture & word triads, short term recognition memory performance, college students, support for dual coding theory, 13714
conceptual similarity & amount of other previously studied information & delay prior to recognition & consistency of facts test, fan effect, college students, 24505
consistent & contradictory evidence in texts, decision making & recall & recognition & memory, college students, 24483
context cues, eyewitness identification responses, college students, 14415
context, word recognition, hospitalized schizophrenic patients with mean age of 55.8 yrs, 14663
control over accommodation & visual acuity, female college students with aphakia, 14952
critical visual exposure duration, affective discrimination of unrecognized stimuli, college students, 11295
cue-induced transformation of verbal stimuli, recall & recognition of words not presented in learning lists, 12–18 yr olds, 6285
cue to selectivity process stimuli, detail encoding & facilitation of picture recognition, college students, 27182
depressed mood, tachistoscopic recognition of neutral/unpleasant words, depressed inpatients, 28247
depression & alcoholism, learning & recall & recognition, male VA patients who had been treated on alcohol ward, 1340
development of word recognition processes, 9–12 yr old poor vs good readers vs college students, 9242
difficulty of recognition memory & classification tasks, P300 latency & RT, 31–63 yr old alcoholics vs depressed patients, conference presentation, 20181
elaboration, retention of words in free-association task, 29953
emotional tone of pictorial stimuli, reidentification, alcoholic Korsakoff patients & nonamnesic patients with alcoholism, 31047
encoding strategy & content change, recognition memory for faces, college students, 3106
evaluation of processes involved in decisions about terminal vs preterminal items in sequential item recognition task, right-handed 21–47 yr olds, 8566
expertise, inference vs recognition memory, college students, 382

exposure duration to pictorial stimuli & illumination vs darkness during interstimulus interval, recognition memory in delayed matching, squirrel monkeys, 11421
factor analysis, EEG potentials during recognition of learned words, 5986
familial sinistrality, speed of color naming, female vs male 5–7 yr olds, 16982
familiar words embedded in interchangeable vs noninterchangeable sentences, word recognition, 2nd vs 6th graders, 11777
familiarity of letter strings, interference with visual word recognition, college students, implications for specialized mechanisms in cognitive processes, 5766
familiarity vs vocabulary size vs recognition ability in semantic domains of musical instruments vs fabrics vs trees vs hand tools, college students, 11636
family branding advertising policies vs individual policies & number of included products, level of suitability for use of umbrella advertisement approach, college students, 29588
food recognition task, test of convergence of human & nonhuman memory strategies, rats, 5865
gender, word recognition in lateral tachistoscopic presentation, adults, literature review & meta-analysis, 13659
hedonic tone of words, signal detection analysis of recognition memory, depressed patients with mean age of 41.7 yrs, 6760
hemispheric specialization, visual recognition of textural images, rats, 3209
high- vs low-importance sentence targets & leading questions containing inconsistent information, recognition, college students, implications for coexistence of inconsistent memory traces, 5826
immediate vs delayed story recall, 7 vs 8 vs 10 yr olds, 6290
individual differences in recognition memory, individual differences in intelligences, 5 yr olds, 6291
inflection & frequency, recognition of words in lexical decision task, college students, West Germany, 19274
information encoded at structural vs phonemic vs semantic levels, recall & recognition, college students, test of levels-of-processing theoretical framework of F. I. Craik & R. S. Lockhart, 13692
intelligence & speed of color naming, male vs female 5–7 yr olds, 16955
interaction of signal systems, recognition of visual images, children, 22313
interests, attentional shift & recognition & recall, 2.9–3.5 vs 3.6–4.2 yr old preschoolers, 30470
intraword structure & orthographic knowledge, word recognition & reading ability, mature readers, 29946
length of verb form & placement in grammatical vs nongrammatical sequences, recognition of root vs tense in spoken language, adults, 339
level of perceptual & cognitive decisions about visually presented words, EP waveforms, Ss with mean age of 29.6 yrs, 11468
lexical decision list task, assessment of word recognition processes, college students, 3549
lexical familiarity & word frequency & semantic concreteness & number of meanings, word recognition latency, college students, 8562
lexical structure of words, eye fixation location & its effects on naming latency & gaze duration, college students, 404
lorazepam, digit span testing & visual retention & picture recognition & verbal learning, Ss with mean age of 22 yrs, 11603
maintenance rehearsal with vs without utterance, delayed recognition & recall, college students, 11381
manner in which trait & behavioral information is organized in memory, prediction of recall & recognition of information about persons & groups, college students, 22616
melodic contour & reversals in pitch & nonreversals, melody recognition, listeners, 11306
memory for instance information, recognition & concept learning & classification, graduate & college students, 27183
memory size in auditory vs visual CV syllable memory scanning task, RT & EPs, human S, conference presentation, 19463
microcomputer-based gaming assessment system, recognition of Soviet fighters & bombers, F-14 pilots & radar intercept officers, 29569
multicomponent vs confusion-choice vs identification models, letter identification, 13627
music vs noise auditory distraction, recognition & meaningful vs nonsense verbal material, graduate students who were vs were not studying music, 13699
neuroleptic drugs with vs without anticholinergic drugs, performance on verbal matched-recall vs recognition tasks, mildly disturbed schizophrenics with mean age of 38 yrs, 10255
neutral vs sexually charged stimuli during learning, recognition memory, female patients with conversion hysteria, implications for psychodynamic vs neurobiological theories of hysteria, 28178
note-taking instructions & studying, recall & recognition performance, high school students, 18602
orthographic regularity vs lexicality, word recognition & superiority effects, college students, 21893
perceived identity of odorous stimuli & ability to recognize previous occurrence of them, college students, 5704
performance on object & histogram & word & number & abstract picture tests of recognition memory, 39–83 yr old Parkinson's disease patients, 25819
picture context & color, recognition with novel vs mirror image distractors, college students, 8496
picture frequency-discrimination vs recognition, rate of forgetting, college students, 27172
pictures & verbal descriptions of normal vs disfigured faces, free & cued recognition of pictures & recall of descriptions, college students, implications for mechanisms of amnesia, 5690
position response bias in visual field recognition of nonverbal stimulus, college students, 8792
pre-experimental knowledge & number of text implications, recognition memory & judgment, college students, 8576
pre-experimental semantic relations vs newly-learned episodic associations, speed & accuracy of discriminations of memory recency, 27144
precuing, focused search for retrieval of facts in sentences, college students, 24509
presence of contextual detail, picture recognition, college students vs 65–69 yr olds, 3659
presentation format of TV program, free & probed recall & recognition, 18–23 vs 65–70 yr olds, 14021
presentation intervals between homographs & context words, recognition memory of homographs, 11369
presentation of English letters in foveal & parafoveal field & Hiragana & Katakana in parafoveal field, interference & letter recognition, monolingual vs bilingual college students, Japan vs Australia, 11353
presentation of idioms vs connected discourse, recognition of words vs meaning, 16–19 yr olds, 13713
presentation of printed Hebrew words in isolation, role of phonemic mediation for lexical access, college students, 11630
processes involved in recognition & recall, college students, 13712
proportion of related prime-target pairs & stimulus onset asynchrony of prime & target, magnitude of associative priming effects, college students, 11348
proportions & locations of difficult vocabulary, free recall & summary recall & sentence recognition, 6th graders, 10750
reading disability & memory & recognition, 64 yr old patient with alexia without agraphia, 14934
recall vs recognition memory, adult hospitalized depressives, 26318
recognition & recall of one's own vs others' dreams through reality monitoring, college & graduate students, 16393
recognition memory for numbers vs shapes, heart rate, 18–28 yr old males, 11526
recognition of famous surnames vs cued recall of same surnames, college students, implications for generation-recognition theory, 5821
recognition of self- vs other-generated utterances in conversation, law students, 29961
recognition of sentence structure in meaningful prose, 3rd & 4th grade skilled decoders vs good comprehenders, 7959
recognition task response, deaf vs hearing children with mean age of 9.6 yrs, 4496
repetition & recency, word recognition, college students, 8570
retention intervals, episodic memory of surface structure in sentence recognition task, college students, 24498
same vs alternate language conditions, word recognition, bilingual Hindi-English speaking college students, India, 13938

secobarbital, choice RT in character recognition task, male college students, 8986
segmented alternated CVC words, word recognition, Ss with mean ages of 21.4 & 26.3 & 25.4 yrs, 343
self- vs other-referencing during trait encoding vs retrieval, trait recognition, college students, 29962
semantic category of distractors & targets, semantic errors in auditory comprehension & picture naming, aphasics vs nonaphasic brain damaged, treatment implications, 17715
semantic constraint, role of word frequency in word recognition, college students, 8564
semantic relationship of priming word to target, RT in lexical & nonlexical decision tasks & strategic control of processing depth, 27139
semantically related vs unrelated contexts, recognition memory, young adults vs aged, 14044
sensorimotor RT & stimulus recognition, scalp topography of electrical potentials & dominance, humans, 24639
sentence context of word vs pseudohomophone, target recognition, 9–10 yr olds who were good vs poor readers, test of interactive-compensatory model of reading, 9162
sequential presentation of 2 pictures of some category to left vs right visual field, semantic priming effect in picture naming, college students, 16633
single-level vs 2-level hierarchical delimiters, cognitive processes in command construction & interpretation, adults, 813
size & case of typeface & string length & practice, performance on silent vs oral reading & skill transfer, college & graduate students, 375
stimulus characteristics, object recognition, college students, 383
stimulus quality & semantic context, word recognition, congenitally blind Ss with mean age of 12.2 yrs vs sighted Ss with mean age of 10.5 yrs, 9988
structural factors, tachistoscopic recognition of Chinese characters, children vs adults, 5735
study-phase processing & word frequency, recognition memory, college students, 11375
syntactic structure in sentences, lexical decision & word recognition, college students, 418
systematic vs inconsistent association of source & attitude statements, memory for statement-source relations, college students, replication & modification of study by J. R. Eiser et al, 13691
tachistoscopic presentation, recognition of Chinese characters & nonsense shapes, college students, China, 13668
target & probe stimuli tachistoscopically presented to same vs opposite visual field, hemispheric asymmetry in memory encoding vs recognition of spatial vs verbal stimuli, college students, 16607
teacher prompts & cues during oral reading activities, student confusion about reading & word recognition, 5232
temporal coding in automatic memory coding operations, young vs elderly adults, 27788
test expectations & time of day, recall & recognition, 16–18 yr olds & college students, 385
tonal structure vs function & studies of recognition of harmonic motion, college music students, 24442
trait vs feature judgments of face stimuli during encoding, memory for faces as measured by reconstruction vs recognition, college students, 24508
unfamiliar speaker's voice sample duration & set size & context information, voice recognition performance, college students, 5820
unilateral temporal- vs frontal-lobe lesions, melodic discrimination & recognition, surgical patients, 31276
unilateral vs bilateral olfactory bulbectomy, olfactory-mediated arousal & maternal recognition, neonatal rat pups, 711
validity of computer program EPAM-III, simulation of human verbal learning, 26929
view vs trace vs imagine tracing pictorial stimuli, recognition & memory of activity, college students, 29942
visual identification task at near threshold exposures & recognition of polygonal shapes with vs without semantic meaning, visual evoked impulse activity of neurons, Ss with parkinsons disease vs skull trauma vs epilepsy, 14893
visual novelty preference at age 7 mo, prediction of estimated IQ at age 3 yrs & later IQ & recognition memory, 5 yr olds, 30429
visual perception & Chinese character recognition & auditory perception, 7.8–9.9 yr old dyslexic males, Hong Kong, 28379
visual recognition memory as predictor of later intelligence, infants, literature review, 6293
visual recognition memory assessed by Kimura Recurring Figures Test, head injured adults, 12333
visual stimuli without vs with concrete vs abstract labels, recognition memory, 13–16 yr old males, 3655
visual vs acoustic vs semantic distractors, word recognition, learning disabled vs non-learning-disabled 2nd vs 6th graders, 25722
weak vs strong cues, recognition & recall, male college & graduate students, 5833
win-stay vs win-shift training in 8-arm radial maze, forced-choice memory recognition test performance, rats, 19323
word contexts, identification of tachistoscopically presented words, college students, 5813
word frequency, RT & performance on category verification & lexcial decision & pronunciation tasks involving word recognition, college students, 5804
word identification strategies, reading achievement, elementary & junior high school students in remedial reading, 29357
word imageability, recognition threshold, female graduate students, 5822
word shape, lexical access & word recognition during reading, college students, 5824
words presented in lower-case vs mixed-case type, distinction of correct spellings, college students & 7th graders, 5811

Reconstruction (Learning)
amount of information in verbal description of lines, image reconstruction & inference of missing information to represent figure, human Ss, 19251
theme & type of sentence & retention interval, recall, college students, 29960
trait vs feature judgments of face stimuli during encoding, memory for faces as measured by reconstruction vs recognition, college students, 24508

Reconstructive Psychotherapy [See Psychotherapy]

Recorders (Tape) [See Tape Recorders]

Recovery (Disorders)
abstinence for 1–6 wks vs 27 mo, cardiac vagal reflexes, alcoholic 47–62 yr olds, 28362
acoustic parameters, evaluation of recovery of phonation in dysphonia following severe head trauma, 17–32 yr old patients, 17694
ambulation & discharge & return to work, patients with myocardial infarction, 1730
aphasia reversal after extracranial-intracranial bypass surgery, 71 yr old female, 26240
attitudes toward effectiveness of treatment & recovery, recovered anorectics, 20551
autism & language acquisition after age 17 & findings postmortem, feral child K. Hauser, 9723
autobiographical account of hope & recovery in chronic process schizophrenia from age 17–23 yrs, conference presentation, 17514
behavioral manifestations & consciousness & resolution of traumatic event, transitional vs long-term recovery of moderate vs severe head injury, 1676
brain stem electrical responses of right vs left ears, adult male vs female active vs recovered stutterers, 17697
clinical & psychological impact of injury & strategies for recovery process, severe burn injury patients & staff & family, 31164
concentrations of 5-hydroxyindoleacetic & homovanillic acid in CSF during depression vs after recovery, 30–63 yr old depressed patients, 6868
conceptualization of steps to recovery from alcoholism, 2200
conversion from sustained intoxication to sustained sobriety, alcoholics, implications for multiple personality, 4205
dexamethasone-induced suppression of cortisol following recovery from depression, 20–70 yr old patients, 14686
emergence of self in recovery, depression, 12172
family functioning & environment, families of recovered & relapsed alcoholic patients following residential treatment, 6931
Greenery's interdisciplinary team approach, assessment of stages of cognitive recovery & physical ability, head injured patients, 2174

handling reactions to perceived lack of progress of chronic mental patients, public mental hospital staff, conference presentation, 18313
hemispheric specialization & recovery of function following brain injury, children vs adults, 17768
hermeneutics & pastoral & psychotherapeutic interventions in medical center, 28892
hospital room with window view of natural setting vs brick wall, postoperative recovery, cholecystectomy patients, 10491
hypnotically induced vasodilation, healing of burn wounds, 27–40 yr old patients, 7505
language-oriented vs stimulation-facilitation vs stimulation-oriented therapy, recovery, 29–85 yr old aphasic patients, 15357
language recovery, right handed bilingual 39 yr old aphasic, 17749
life span developmental perspective, middle age depression & recovery of S. Johnson, 6216
meaning of recovery & outcome in psychiatry, 12432
personal & social-environmental characteristics, remitted vs partially remitted vs nonremitted patients in posttreatment phase of unipolar depression, 25965
pre- & postoperative relaxation & biofeedback training, recovery from hysterectomy, adult female patients, 20863
prediction of emotional & social adjustment following heart attack, patients during recovery, 7088
processes of recovering from surgery, 10349
quality of life, 35–65 yr old male coronary artery revascularization patients at 3–5 & 6–8 mo postoperation, 7558
quality of recovery from cardiopulmonary bypass surgery & personality factors & level of postoperative vocational & psychosexual readjustment, Ss awaiting open-heart surgery, 6-mo follow-up, 2051
rapid clinical improvements after phenelzine & psychotherapy, new psychological symptoms, 42 yr old female with atypical depression, 18149
regressive experiences, relationship to war & posttraumatic symptoms & recovery, Vietnam combat veterans, 12136
relationships with parents & peers & siblings, children during & after recovery from major depressive disorder, 22760
role of social relationships, recovery after hospital discharge, 20–41 yr old psychotic patients, 1-yr study, 14643
self attribution reactance, recovery from running related injuries, 21–42 yr olds with Type A behaviors, 31243
self reliance regarding recovery from breast surgery, relationship between stress & social support & adjustment, 29–92 yr old females with breast cancer, 7535
simple- & choice-RT before vs 1–6 mo after surgery vs during radiation vs chemotherapy, evaluation of brain function, patients with brain tumors, 7547
spiritual principles for stress management, recovery from alcoholism, 5065
stress management during recovery from dependence, alcoholics, 2230
treatment outcome & family history & mortality rate, patients with chart diagnosis of hysteria, 9634
use of Alcoholics Anonymous concepts & reality oriented therapy in development of cocaine recovery support groups, 19–58 yr olds, 31795
verbal & spontaneous paraphasias & neologisms during recovery, 11 & 9 yr old males with acquired aphasia & 11 yr old female with fluent aphasia & 5 yr old male with phonemic jargon aphasia, 15009
viewing slides related vs not related to alcohol, subjective & physiological & behavioral responses, 24–52 yr old abstinent alcoholics, 14780

Recreation [See Also Athletic Participation, Baseball, Basketball, Camping, Childhood Play Behavior, Childrens Recreational Games, Clubs (Social Organizations), Dance, Doll Play, Football, Gambling, Sports, Swimming, Television Viewing, Tennis, Traveling, Vacationing]

accuracy of recall of recreation activities, community swimming pool members, 29479
aesthetic & escapist & agentic experiences in recreational activities, Ss with mean age of 29 yrs, 9544
age differences & occupation & income & sex, outdoor recreation patterns, 55–74 yr olds vs 75 yrs & over vs 18–54 yr olds, 25059
application of discriminant function analysis to leisure & recreation research, 226
attitudes & involvement in physical activities, blind 16–50 yr olds, 20600
attitudes toward oil & gas development, forest recreationists, 13361
behavioral science research, recreation & wilderness resource policy & management, 16126
creative drama as therapy & recreation, autistic adolescents, 20827
critique of instruments that examine behavior during play & environment of play & attitudes toward play, applications in occupational therapy, 21110
determinants of preferences for driving-type games in arcades & extended play, mood & motivation to play, 9–15 yr old college student males, 30527
exercise & recreation program, aged female residents of group home, 10462
functions of privacy, wilderness environment, wilderness recreationists, 8257
historical associations between group work & recreation, 2124
influence of amount & type of past experience, participation in recreational activities, river recreationists, 5435
informal social support & participation in recreational activities, elderly Ss over 60 yrs of age, Canada, 3990
intergenerational activities, nursing home residents & preschool & high school students, 31682
leisure activities, learning disabled 4th & 5th graders, 22891
litter & noise & overuse & visual encounters with others, displacement process in recreation, implications for management control, 5428
modeling & verbal prompts & manual guidance, leisure skills & game playing, severely mentally retarded 15 & 19 yr old males, 31462
onsite vs offsite measurement of "escape physical stress" needs, steelhead anglers, 16248
participation in & needs fulfilled by leisure activities, females vs males, 27982
patterns of recreation, Mexican-Americans vs Americans, comment on study by J. B. McMillen, 27917
perception of security & scenic quality, urban recreation sites, college students, 13365
preliminary taxonomy using cluster analysis for psychological benefits of participation in leisure activities, adults, 18772
previous experience, motivations for & perceptions of recreational participation, novice river float trip recreationists, 8157
psychological & physical & social dimensions of recreational activity & leisure time, adolescents, 6272
recreational role of nature in everyday environments, literature review, 16135
river use & visual encounters & crowding expectations & feelings, perceived crowding, innertube floaters ages 14 yrs & over, 5433
sex & age & education level & geographic location, preferences in play materials, 15–61 yr old preschool center personnel & teachers, 2346
sex roles & motives for pursuing leisure activities, male vs female 19–72 yr olds, 17377
stability across seasons in factor analysis, recreational activities, adult recreationists, 5665
status differences & interpersonal influences, diffusion & adoption of new recreation activities, 29491
usefulness of conjoint analysis for study of cultural & leisure preferences, Canada, 16226
utilization of countryside vs urban fringe recreation areas, 16–69 yr olds, UK, 29574
wilderness outing program, well-being & environmental attitudes, 19–48 yr olds, 26737
wilderness use, self actualization, adults, 12098
work activities & family environment & social activities, aphasic patients, 9955
zest for danger & risk taking & death instinct, mountain climber, 2613

Recreation Areas [See Also Playgrounds]

cross cultural differences, time spent shopping vs viewing scenery vs taking photographs, Japanese vs French vs European tourists at Grand Canyon National Park, 6451
environmental conditions, occurrence of vandalism to picnic tables, implications for managers of recreation areas, 31064

exposure to threatening behavior & constrained physical movement, perceived crowding at heavily used outdoor recreation site, recreationists, 8256
primitive-urban continuum, experiential variation in outdoor recreational settings, 26839
utilization of countryside vs urban fringe recreation areas, 16–69 yr olds, UK, 29574
Recreation Therapy [See Also Art Therapy, Dance Therapy, Music Therapy]
activity programing, health & well-being, aged, 31330
Day Room Program, mental orientation & physical comfort, nursing home residents, 31683
diversional therapy via recreation & leisure, aged in residential care, 31711
Good Samaritan in-house volunteer program, nursing home residents, 31731
intensive group experience in wilderness, self awareness & self concept & social functioning, emotionally disturbed adolescents, 17830
intergenerational activity programs, 2nd graders & nursing home residents, 31729
need for interdisciplinary teamwork, activity professionals working in nursing homes, 31714
problems in use of theater company as therapeutic method, developmentally disabled, 31292
recreation/leisure skill training, moderately & severely & profoundly mentally handicapped persons, literature review, 10516
resident volunteering in activity programs, nursing home residents, 31696
role of activity coordinator, life satisfaction, long term nursing home residents, implications for M. P. Lawton's environmental press model, 31677
role of activity professionals, institutionalized geriatric patients, 31732
school system as resource for intergenerational programs, nursing home residents, 31716
short excursions & day trips, mental status, chronic psychiatric patients, 21072
symbolic communication with music & art & body movement, expression of feelings around traumatic experience, children in psychotherapy, 17880
therapist role & creative art therapies as independent profession, 10065
value of recreation therapy, 4581
Recruitment (Military) [See Military Recruitment]
Recruitment (Personnel) [See Personnel Recruitment]
Red Nucleus [See Mesencephalon]
Reductionism
concept of structure in personality theory, 9557
integration vs reductionism in psychiatry, comments on article by Z. J. Lipowski, 25998
interdisciplinary relationships, history of psychology, Hungary, 8329
philosophical approach to scientific laws based on structure of universe & applicability to mental activity, 15
Reentry Students
anticipated vs experienced barriers to adult learning, 25–54 yr olds enrolled in college evening certificate or degree programs, 29330
depression symptoms & negative life events & family social support, returning female college students with mean age of 35 yrs, 9710
factors influencing degree-seeking, 25–69 yr old college students, 18662
performance profiles on informal reading inventories, 1st–9th graders & adults attending Adult Basic Education, 5392
problems & counseling needs, Black vs White female reentry college students, 10889
reasons for higher education & perceptions of self & family support & employment expectations, female college students aged 50–81 yrs, 15839
semilog wage-regression method, measurement of rate of return to interrupted schooling, 21–31 yr old Vietnam veteran & civilian school interrupters, 15950
variables associated with satisfaction with school performance, 30–49 yr old females entering or reentering college, 21390
Referral (Professional) [See Professional Referral]
Reflectiveness [See Impulsiveness]
Reflexes [See Also Acoustic Reflex, Eyeblink Reflex, Flexion Reflex, Hoffmanns Reflex, Nystagmus, Ocular Accommodation, Orienting Reflex, Startle Reflex]
adaptive plasticity & diurnal rhythm in spinal stretch reflex, monkeys, implications for memory, 8840
age & sex, magnitude of asymmetrical tonic neck reflex, 3 & 5 yr olds, 25066
baroreflex, control of blood pressure during changes in behavioral state, literature review, 623
bilateral lesions of substantia innominata, conditioned & unconditioned alimentary & other reflexes, cats, 22109
body build changes & stepping reflex, newborns, 11709
clinical & electrophysiologic symptoms of Miller Fisher syndrome, 18–74 yr old patients with ophthalmoplegia & ataxia & areflexia, 14988
commercial soy lecithin preparation, development of reflex righting & swimming behavior & brain biochemistry, pregnant rats & their offspring, 27559
cortical disinhibition, cognitive impairment, patients with diffuse cerebral dysfunction, 12362
cutaneous receptive fields, detection of hamstring flexor reflex, rats, 8841
cutaneous stimulation of anterior paw muscle, transcortical reflex generation in same muscle & role of cortical regions 3a & 4, cats with motor epilepsy, 687
DALA-methionine enkephalinamide, tailflick reflex & cardiovascular system & antinociception, male rats, 27631
development of head & shoulder rotation & air-righting reflex, 5–17 day old vs adult rabbits, 5938
electrical & mechanical stimulation of perioral areas & trigeminal orosensory deafferentation, jaw-opening reflexes in ingestive behavior, male rats, 27490
electrical stimulation of cerebral cortex vs superior laryngeal nerve, spasmodic expiratory response vs coughing & role of limbic modulation, cats, 16716
electrostimulation of frontal & motor neocortical zones, reflection of interneuronal connections in long term memory, rabbits, 6064
energy vs latency vs amplitude vs recruitment time vs duration vs efficiency of stapedius muscle contraction reflex, 20–25 yr olds, 19553
foam rubber headpiece, reduction of asymmetrical tonic-neck reflex while eating, multiply handicapped 11.5 yr old female in class for profoundly mentally retarded, 25986
formation of delayed conditioned reflex before vs after neocortex lesion, spatial-temporal EEG characteristics, cats, 22122
intensity of tactile stimulation of siphon, neuronal reflex activation, aplysia, 13795
interaction between pentobarbital sodium & other modulators of GABAergic transmission, maximal electroshock seizures & righting reflexes, male rats, 30283
intragastrically infused ethanol, oxidation rate & centrally mediated jaw-jerk reflex, 4 vs 14 vs 26 mo old male mice, 13827
latency of pathways involved in vestibulo-ocular reflex, monkeys, 13804
morphine, rigid immobility vs sudden locomotor bursts in catalepsy as adaptive reflex, male rats, 3427
moving source of illumination, organization of functional connectivity between array of visual interneurons & motor neurons in oculomotor reflex pathway, crayfish, 19465
neonatal ip capsaicin injections, threshold for eliciting jaw opening reflex, rats, 24948
olfactory bulbectomy, reflexive biting & locomotor activity & serotonin levels in olfactory tubercle & lateral olfactory tract & piriform cortex & nucleus accumbens & anterior olfactory nucleus, male mice, 3385
pontile lesions, long term development of grooming reflexes into Brown-Sequard seizures, cats, 27529
primitive reflexes as normal vs related to cerebral atrophy & cognitive dysfunction, aged, 25112
primitive reflexes, infants & children, bibliography, 1978–82, 9118
quantitative standardization data on primitive reflexes, normal infants, 2-yr longitudinal study from birth, 13538
reflexive vs learning reaction to gustatory stimuli, rat pups, 471
relations of biopotentials of hippocampus & amygdala & neocortex during instrumental alimentary behavior or brain self stimulation, dogs, 21996

reliability of reflex measurement hammer, healthy adults, 16266
singing & recitation, development of seizures, 26 mo old male, 9944
testosterone propionate, effect of direct stimulation of genitalia on completeness & duration of erectile & ejaculatory reflexes, neonatally castrated male & genetically masculinized female adult dogs, 3337
tolerance & dependence & withdrawal of chlordiazepoxide, spinal reflex function, male rats, 27638
voluntary & reflex ocular movements, 8–14 yr old dyslexics, 9833
zopiclone, averaged photopalpebral reflex & frontal midline theta activity, male college students, conference presentation, 3460
Reformatories
juvenile justice & Boys' Farm & Training School, juvenile delinquents, Canada, 10519
Refraction Errors [See Also Myopia]
early histories of astigmatism, oblique effect & variations in patterns & amounts of anisotropy, nonastigmatic 3–8 yr olds, 9189
simulated Seidel aberrations, visual target discrimination, 23–43 yr olds, implications for assessment of visual image quality for afocal instrument design, 3042
Reframing [See Paradoxical Techniques]
Refugees [See Human Migration]
Regression (Defense Mechanism)
cognitive & psychosocial & intrapsychic processes accompanying psychological regression, patients in intensive care units, implications for staff intervention, 28913
construction & validation of BUMP scale, assessment of behavioral regression or upset, hospitalized medical patients, conference presentation, 29783
hypnotherapy & psychotherapy, spontaneous age regression, 16 yr old female, 28588
psychological regression as phenomenological "purchase" or barter system, 28119
recognition of regressive reactions to hospital discharge, treatment outcomes, hospitalized adolescent psychiatric patients & their family & therapist & hospital staff & aftercare organization, 4970
regression as productive process in psychotherapy, 59–68 yr old patients, 20698
regressive experiences, relationship to war & posttraumatic symptoms & recovery, Vietnam combat veterans, 12136
Regression Analysis [See Statistical Regression]
Regression Artifact [See Statistical Regression]
Rehabilitation [See Also Cognitive Rehabilitation, Drug Rehabilitation, Occupational Therapy, Physical Therapy, Psychosocial Rehabilitation, Vocational Rehabilitation]
acquired hearing loss, social & psychological aspects of family life & leisure & employment, adults, implications for rehabilitative provisions, United Kingdom, 23541
application of Japanese management strategies, rehabilitation administration, 5022
application of Japanese management strategies, rehabilitation administration, comment on J. R. Solomon's article, 4980
application of Japanese management strategies, rehabilitation administration, criticism of J. R. Solomon's article, 4991
assessment of treatment implementation, social service programs for ex-offenders, 7712
attitudes toward disabled persons in various stages of rehabilitation, physically disabled clients, 10525

center for reeducation & social reintegration, 15–18 yr old male offenders with internal conflicts & adjustment problems, comments on M. Le Blanc's evaluation, 31776
Courage Residence Brain Injury Program, transitional & comprehensive rehabilitation, brain injured individuals, 15544
development & goals of self help network & followup service, veterans with impaired vision or complete blindness who had completed training at VA rehabilitation center, 31758
family problems & role of center-based teaching professionals, blind & visually impaired clients of rehabilitation centers, 5016
institutional culture, subsequent lifestyles, disabled graduates of children's rehabilitation center, program evaluation implications, 23538
integration, behavior & attitudes, staff of integrated day care center & physically & mentally & psychiatrically handicapped clients, 10527
rehabilitation hostel, independence, epileptic 18–38 yr olds, 18336
Rehabilitation Counseling
assessment process & practices in rehabilitation counseling, rehabilitation counselors, 23542
attitudes toward effectiveness of rehabilitation counselor education programs, administrative personnel in state vocational-rehabilitation agencies, 31879
background & role & job participation, ex-addict vs non-ex-addict paraprofessional vs degreed professional drug counselors, 12849
background issues & counselor intervention strategies, drug abuse, Native American students, 28993
basic considerations of counseling, rehabilitation counseling as profession, 23677
case load management & administration, rehabilitation counseling, rehabilitation counselors, 23572
chronology of basic core curriculum in rehabilitation counseling education, 23674
counselor characteristics, preferences for counselors in personal vs vocational concerns, disabled vs disadvantaged college students, 31778
cultural factors in adjustment to rehabilitation counseling programs, Mexican American clients, 28954
demographic & alcohol related factors, selection of medical residential vs recovery home services vs outpatient counseling treatment methods, alcoholics, 21133
employment trends & opportunities, rehabilitation counselors, 23657
experiential training in rehabilitation counseling vs didactic gerontology training, locus of control, 22–54 yr old graduate students, implications for personality change & counselor education, 21211
history & quest for professionalism of American Rehabilitation Counseling Association, 21171
home environment & family members, rehabilitation process, rehabilitation clients, 7703
inclusion of management & supervision training in rehabilitation counselor training programs, 26399
information on rehabilitation counseling doctoral programs, 31896
manual with vs without demonstration vs manual & lecture methods of microcomputer training, performance & attitude toward computer technology, rehabilitation counseling students, 31916
need for professional cooperation in rehabilitation counseling, 7700
occupational & psychosocial stressors, mental & physical health, managerial/professionals & blue collar workers, implications for rehabilitation counseling, 29557
philosophies & activities & directions of research in rehabilitation counseling, 23559
rehabilitation counseling, alcoholics, 12855
rehabilitation counseling, disabled clients from ethnic minority groups, 5012
rehabilitation counseling, individuals with life-threatening disabilities, 12829
rehabilitation counseling, learning disabled adults, 28953
rehabilitation counseling, patients with multiple sclerosis, 28977
rehabilitation counseling, sexual adjustment, patients with spinal cord injuries, counselor training implications, 5020
rehabilitation counseling, treatment of chronic pain, 21117
rehabilitation perspective & interventions, obesity, 4994
team approach, rehabilitation, disabled persons, 15532
2nd-order & subfactoring techniques, factor analysis of private-sector rehabilitation specialist role behavior, 11230
Rehabilitation Counselors
actual & preferred instructional areas in rehabilitation education programs, rehabilitation educators, 7776
assessment process & practices in rehabilitation counseling, rehabilitation counselors, 23542
attitudes toward dress habits & appearance, rehabilitation professionals, 23659
attitudes toward drug abuse & treatment & expectations for clients & clients' attitudes, ex-addict vs non-ex-addict paraprofessional drug abuse counselors vs degreed professionals, 15629
background & role & job participation, ex-addict vs non-ex-addict paraprofessional vs degreed professional drug counselors, 12849
behaviorally anchored rating scale system, personnel appraisal, rehabilitation counselors & supervisors, comments on article by J. A. Sample, 18792
behaviorally anchored rating scales, personnel appraisal, rehabilitation counselors & supervisors, 18492
case load management & administration, rehabilitation counseling, rehabilitation counselors, 23572
case manager psychiatric rehabilitation training, need for & access to aftercare services, chronically mentally ill, 23465
certification, rehabilitation counselors, 5089
changes in job tasks & role, rehabilitation counselors, 1966 vs 1979 vs 1982, 2303
chronology of basic core curriculum in rehabilitation counseling education, 23674
client interview subroles & problem-discussion unit & counselor interview subroles, clients whose rehabilitation counselors demonstrated high- vs low-facilitative communication levels, 12845
clothing, professional image, male vs female rehabilitation counselors & administrators, 12935
clothing, professional image, rehabilitation counselors & administrators, comments on survey by R. E. Matkin et al, 12931
design of education programs on arthritis, 23–61 yr old vocational rehabilitation counselors, 12948
development & implementation & evaluation of plans for certification/credentialing, substance abuse counselors, 29010
employment trends & opportunities, rehabilitation counselors, 23657
evaluation of sex counseling training program courses, rehabilitation personnel, 21179
ex-drug addiction of paraprofessional & professional drug counselor, treatment progress, methadone maintenance clients, 18369
experiential training program, conflict management competence, rehabilitation counselor trainees, 7801
factor analysis of Abbreviated Task Inventory, job task groups, rehabilitation counselors, 123
feedback from 15–58 yr old clients who participated in rehabilitation counseling, professional development, rehabilitation counselors, 7699
history & current criteria for national certification, rehabilitation counselors, 26418
history & work of Public Offender Counselor Association, 21210
history of linkage between vocational rehabilitation & special & vocational education & function of rehabilitation counselors in public schools, 29465

inclusion of management & supervision training in rehabilitation counselor training programs, 26399
instruction in written behavior-based client objectives, vocational rehabilitation counselors, 7790
job task categories & work settings, certified rehabilitation counselors & managers & educators, implications for curriculum & certification examination, 2302
legal & ethical & professional problems & recommendations for licensure, rehabilitation counselors, 26409
occupational stress & burnout, rehabilitation professionals, 18485
occupational stress, rehabilitation professionals, comments on article by T. F. Riggar et al, 18497
perception of instructional/competency areas in rehabilitation counselor education, rehabilitation counseling graduates, 12915
performance of supervisory/administrative duties & length of time postgraduation before assumption of duties & time spent/wk, masters level rehabilitation counseling education graduates, 1978–82, 7823
possible role of rehabilitation counselors in employee assistance programs, program personnel, 29544
professionalization of rehabilitation counselors, 23683
reduction of burnout & personal stress, alcoholic treatment counselors, 12943
role as expert witness & testifying in court, rehabilitation professionals, 1096
self instructional manual, self monitoring & self evaluation & self reinforcement in generalization & maintenance of interview skills, vocational rehabilitation counselors, 12897
supervisor's task vs relationship orientation, job satisfaction & stress & health problems, 21–58 yr old rehabilitation workers in mental health & retardation settings, 28969
survey of issues of common concern, members of American Rehabilitation Counseling Association & National Association of Rehabilitation Professionals in the Private Sector, 29053
training as supervisees in clinical practice seminars, rehabilitation counselors, 12896
unilateral clinical vs multilateral network models of counseling, scope of responsibilities of rehabilitation counseling & employee turnover, rehabilitation counselors, conference presentation, 23568
Rehearsal [See Practice]
Reinforcement [See Also Differential Reinforcement, External Rewards, Fixed Interval Reinforcement, Fixed Ratio Reinforcement, Internal Rewards, Monetary Rewards, Negative Reinforcement, Positive Reinforcement, Praise, Preferred Rewards, Punishment, Reinforcement Amounts, Reinforcement Delay, Reinforcement Schedules, Rewards, Secondary Reinforcement, Self Reinforcement, Social Reinforcement, Variable Interval Reinforcement, Variable Ratio Reinforcement, Verbal Reinforcement]
acculturation & intrinsic vs extrinsic reinforcement, field deprivation, Chicano 4th graders, 19773
alien &/vs external reinforcement & personality, discrimination learning behavior, 6th graders, 30378
analysis of D. Premack's theory of value in reinforcement vs W. Timberlake & J. Allison's response-deprivation hypothesis, 24123
approaching vs retreating vs stationary disk, reinforcement of imprinting, domestic chicks, 19346
attribution theory, operant conditioning & organizational behavior, comments on article by J. C. McElroy, 21616
attribution theory, operant conditioning principles, implications for organizational behavior, 21617
autoshaping, patterning phenomena during keypecking, reinforced vs nonreinforced pigeons, 16517
brain reward circuitry & intracranial self stimulation, rats, 5997
brief interruption of tone, response latency & discrimination of impending reinforcement, 8622
client-assumed responsibility, use of contingent vs noncontingent responses, therapists, 20763
contingent vs noncontingent reinforcement, subsequent cognitive problem solving tasks, 5th & 6th graders, 9198
correlation of stimulus, choice & rate of primary reinforcement, male pigeons, 30006
definitions of reinforcement as behavioral process, implications for experimental design, 29623
description of "Walden II" type of community & its reinforcement, Mexico, 30561
development & reliability & concurrent validity of autism reinforcer checklist, assessment of preference for reinforcers, autistic preschoolers through early adolescents, 11116
dextroamphetamines, extraversion & modes of reinforcement in verbal operant conditioning, 19–24 yr old female postgraduates, India, 8970
discrimination training to disengage posttrial processing/rehearsal of prior food cue, pigeons, 24537
endogenous beta-phenylethylamine, neural processes underlying reward or reinforcement, conference presentation, 30235
evaluation of reinforcer preferences, 13–18 yr old students with profound & multiple handicaps, 29388
frequency vs magnitude of reinforcement, pigeons, 3208
high vs low probability of food omission in key pecking paradigm, autoshaping & preferences, pigeons, 8647
icv injections of dextroamphetamine sulfate into nucleus accumbens, behavioral control by conditioned reinforcers, rats, 24950
illumination of black vs white stimuli after correct response, discrimination learning, moderately & severely retarded Ss with mean age of 8.3 yrs, 9853
injection of d-ala2-met5-enkephalinamide vs thiorphan &/vs naloxone into ventral tegmental area, conditioned reinforcement, female rats, 3446
interburst interval between 2 bursts of medial forebrain stimulation, temporal summation of rewarding effects, male rats, 8905
intertrial interval & expectancy of reinforcement, delayed matching of key location, pigeons, 11431
levels of anxiety & intelligence & types of reinforcement, learning of easy paired associates, students with mean age of 14.7 yrs, 11778
maternal reinforcement style, prosocial motives & behaviors, Anglo American vs Mexican American 5–12 yr olds, 9298
mechanisms of neuroleptic induced performance deficit, animals, literature review, 30280
naloxone, suppression of self stimulation by antagonism of endorphin-mediated reward vs analgesia, male rats, 16772
neuroregulatory effects of nicotine, formulation of biobehavioral hypothesis to explain reinforcement of smoking behavior, 24673
neurotoxin lesions of nucleus accumbens & drug dose, CRs concurrently maintained by food & water & morphine reinforcement, rats, conference presentation, 3384
noncontingent reinforcement & response cost, learned helplessness, emotionally disturbed 7.1–15.4 yr olds, 25589
parental reinforcement behavior in homework situation, achievement motivation, 8–10 yr olds, 23778
perception of reinforcement contingency, scalar timing & response bias & erasure of memory, pigeons, 11415
pimozide & reward, licking responses to sucrose solutions in anhedonia paradigm, nondeprived male rats, 22168
postconditional devaluation of reinforcer, instrumental responding, male rats, 29996
reinforcement for reading accuracy vs speed, generalized accuracy vs speed, learning disabled 9–12 yr olds, 20438
reinforcement strength of redundant stimuli, keypecking, pigeons, 8644
reinforcement vs reinforced self evaluation with vs without methylphenidate, social behavior, hyperactive 8–13 yr old males, 4561
reinforcer variety, resistance to extinction in behavioral conditioning, 2nd graders, implications for reinforcement-based psychotherapies, 9148
reinforcing properties of lorazepam vs diazepam, 21–27 yr olds, 6107
relative reinforcement properties of buprenorphine & methadone & heroin, monkeys, conference presentation, 3486
response-reinforcer contingency, time allocation in open field, female albino rats, 8661
self concept & self control & health locus of control & reinforcement hierarchy & activities, obese vs previously obese Ss, 12361
serial vs simultaneous feature negative discrimination procedure, effects of postconditioning reinforcement of inhibitory feature stimulus, rats, 19327
short vs long platform duration, acquisition & extinction & flooding in avoidance learning, rats, 8643
side effects of reinforcement, comment on P. D. Balsam & A. S. Bondy's study, 23259

side effects of reinforcement, reply to R. Epstein's criticism, 23250
signal duration & modality as cues & relative signal duration & intertrial duration, transfer of learning in postreinforcement signal processing in discrete-trials choice procedure, male rats, 30005
spatial relationship of response & reinforcer, discrimination learning, mentally retarded 28–56 yr olds, 9831
stereotypic behavior as reinforcement, 5.8 & 8.8 yr old autistic males, 28729
symmetrical reinforcement of delayed matching to sample & auditory vs visual stimulus, retention, rats, 5863
temporal organization of intracranial self stimulation of medial forebrain bundle & role of motivational & priming factors, male rats, 27500
theory of general level of reinforcement, clinical implications, 26088
vicarious punishment or reinforcement, time spent on imitative play, 4–12 yr olds, 11717
VOLTWIN computer software, establishment of criteria for reinforcement of stable levels of EMG activity in biofeedback training, 2836
zopiclone & triazolam, reinforcing properties & side effects, 18–60 yr old former alcoholics, conference presentation, 4333
Reinforcement (Vicarious) [See Vicarious Experiences]
Reinforcement Amounts
amount & delay of reinforcement during modified fading, self control & choice behavior, pigeons, 8639
amount of sucrose reward, contrast & patterning, female rats, 16500
extensiveness of training & partial reinforcement, maze choice behavior, rats, 24548
food deprivation & sucrose reward reduction, runway speed, female rats, 5862
large vs small reward odor cues, simultaneous vs successive negative contrast, 11 vs 14 vs 17 day old rat pups, 11406
number of sucrose pellets as reward, successive negative contrast effect & patterning, female rats, 16499
number of sucrose pellets as reward, successive negative contrast effect, rats, 16501
preference for small vs larger predictable vs unpredictable rewards, male rats, 535
reinforcement frequency vs magnitude, detection performance in luminance discrimination, pigeons, 29993
reinforcement schedule & sucrose concentration, concurrent FR bar-press responding, rats, 8654
Reinforcement Delay
chlorprothixene vs haloperidol vs trifluoperazine, delayed-matching-to-sample performance, pigeons, 24915
concurrent reinforcement chains & reinforcement delay & number of reinforcers & terminal-link duration, multiple food chain preference, pigeons, 21933
correction to C. L. Hull's law on delay of reinforcement & extention to FI operant schedules, 26889
delayed reinforcement, generalization & maintenance of nonverbal/verbal correspondence training, 4–5 yr olds, 16909
fixed vs variable delays before reinforcement, indifference point of choice for key pecking, pigeons, 19333
immediate vs delayed token reinforcement, performance on WISC-R, Black & White low income 2nd graders, 21459
inescapable shock with delayed shocks & task irrelevent cues, choice-escape learning, rats, 19334
length of key illumination & delay & duration of food delivery response choice under autoshaping procedure, pigeons, 30011
patterns of discharge by hippocampal neurons during delayed-response task, monkeys, implications for working-memory hypothesis of hippocampal function, 30111
reinforcement by houselight illumination in operant conditioning paradigm, short term memory, pigeons, 19320
reinforcement delay vs probability, discrimination learning, pigeons, 19318
reversed reinforcement time in discrete-trial peak procedure, adjustment of temporal criterion, rats, 11418
signaled vs unsignaled reinforcement delay & blackout interval association, response rates in delay of reinforcement procedures, pigeons, 21922
Reinforcement Schedules [See Also Fixed Interval Reinforcement, Fixed Ratio Reinforcement, Reinforcement Delay, Variable Interval Reinforcement, Variable Ratio Reinforcement]
amount & delay of reinforcement during modified fading, self control & choice behavior, pigeons, 8639
aperiodic time-based reinforcement schedules with short vs long arithmetic vs harmonic mean interreinforcement interval, schedule choice in concurrent-chain procedure, male pigeons, 21925
brief disruptions in response-reinforcer temporal contiguity, choice of food vs blackout, male pigeons, 5873
changeover cost, switching between concurrent adjusting VR schedules, pigeons, implications for foraging behavior, 29995
choice for conditioned reinforcers in signaled absence of primary reinforcement, pigeons, 3166
concurrent operant schedules, choosing between varying amount of foods in lever press design, 1–2 yr old beagles, 13751
concurrent reinforcement chains & reinforcement delay & number of reinforcers & terminal-link duration, multiple food chain preference, pigeons, 21933
concurrent reinforcement schedule procedures, evaluation of preferences for different sugar solutions, 9–19 mo old beagles, 13749
continuous reinforcement followed by sudden extinction, self stimulatory behavior, institutionalized severely mentally retarded 19 yr old males, 31468
continuous vs partial reinforcement schedule, learning of shock-escape response, toads, 16508
continuous vs partial reinforcement vs partial punishment in 1 trial/day conditioning, resistance to extinction, male rats, 8656
controlled vs uncontrolled reinforcer-ratio procedure, discrimination of luminance differences, pigeons, 11417
delayed reinforcement, free-operant responding, female pigeons, 3212
depletive vs repletive autoshaping schedules, strength of signal-directed behavior, male rats, 3154
derivation of matching law from differential equation, comment on R. J. Herrnstein's formulation, 21793
derivation of matching law from differential equation, reply to R. A. Heiner's response, 21794
differential reinforcement schedule followed by nondifferential schedule, response rate, pigeons, test of A. R. Wagner & R. A. Rescorla's model, 8613
differential vs nondifferential sample responses, overshadowing in zero-delay matching-to-sample task, pigeons, 24558
discrimination of external duration vs regulation of action schedules, operant performance level, cats, conference presentation, 3180
dose & reinforcement schedule effects & blockade of benzodiazepine & GABA receptors, self-injection of diazepam, male rats, 24913
duration of leverholding requirement in operant contingency, interreinforcement & work time & postreinforcement response pause, male rats, 21935
duration of stimulus-reinforcer relationship & response-reinforcer relationship, keypeck response rates under multiple schedule conditions, pigeons, conference presentation, 3163
effort & familiarity of food source, choice of food source, male rats, support for neophobia-optimality model, 3160
endogenous noncatecholic phenylethylamines, operant schedule-controlled behavior, dogs, 9018
fixed vs mixed reinforcer durations, concurrent VI schedule performance, homing pigeons, 3155
high vs low random ratio schedule & long vs short experimental session, foraging behavior, pigeons, conference presentation, 3157
inductive effects of reinforcement schedule, 8615
interactions of reinforcers under concurrent chained FR1 FR9 schedule of food & water & morphine presentations, male rats, 6111
intermittent reinforcement, order sequences in color matching-to-sample performance, pigeons, 27215
interposition of stimulus between reinforced response & presentation of reinforcer, response reduction on intermittent reinforcement schedules, male rats, replication of findings by R. M. Tarpy et al, 21913
intravenous self administration of nicotine with vs without schedule-induction, monkeys, 30297

lack of awareness of noncontingent feedback in video game play, performance on lexical decision task & production of learned helplessness, college students, 3117
lateral septum lesions induced by 6-hydroxydopamine, water intake during intermittently scheduled food delivery, male rats, 30189
length of delays to reacquisition, robustness of schedule induced polydipsia, rats, 27219
lesions of habenula nucleus, lever press behavior during tandem operant schedule with contrasting response requirements, male rats, 19647
low-response rate operant reinforcement contingency, response rate during single vs concurrent schedules, pigeons, implications for reinforcement value maximization, 21942
LY150720 vs LY136596 vs morphine & naloxone, schedule-controlled responding, monkeys, 24806
methadone & multiple FI/FR & VI/VR reinforcement schedules, operant response rate, male rats, 24952
methodology for schedule-induced self injection of drugs, acquisition & maintenance of drug intake behavior, 6164
multiple variable-time reinforcement schedules, stimulus control of schedule-induced behavior, pigeons, 21911
naloxone, schedule-induced drinking vs drinking induced by water vs cellular deprivation vs reduced body weight vs salbutamol, male rats, 19733
number of short duration stimuli, operant behavior & stimulus directed activities, homing pigeons, 30014
partial reinforcement & delayed extinction using water & saccharin, resistance to extinction, male rats, 27211
patterns of rewarded vs nonrewarded operant discrimination trials, stimulus control & role of memory, goldfish, 16503
perceived cohesiveness & exchange ratio & alternatives & reinforcement schedule, unmarried couples, 25389
percentile reinforcement, latency & interresponse time & duration of conditioned responses, rats, conference presentation, 3190
practical implications of matching law, comments on paper by I. Meyerson & S. Hale, 13624
practical implications of matching law, reply to criticism of R. W. Fuqua, 5681
practical implications of matching law for reinforcement schedules, 5682
procedure for training self control with provision for responding during reinforcement delay, pigeons, conference presentation, 3189
rapid & frequent change of reinforcement frequencies, conditioned responding, pigeons, implications for understanding of predatory behavior, conference presentation, 3177
reinforcement levels, 2-choice multidimensional discrimination shift learning, 11–13 yr olds, 27752
reinforcement schedule & sucrose concentration, concurrent FR bar-press responding, rats, 8654
reinforcement schedules & research, 29716
reinforcement schedules & timing & learning & forgetting, computer simulation of pigeon associative learning, conference presentation, 3199
reinforcement schedules, bias of phencyclidine discrimination, male pigeons, 19704
required temporal duration of operant leverpress in concurrent reinforcement schedules, response accuracy, male rats, 21921
response deprivation, establishment of reinforcement schedules for academic performance, educable mentally retarded, 21420
scalar expectancy theory vs proximity decision rule, signal duration for long vs short responses & performance in temporal bisection tasks, rats, conference presentation, 3200
schedule-induced ethanol dependence, phenobarbital preference, 11621
semimixed & multiple VI schedules, positive contrast, rats, 13443
separation of response dependency & response–reinforcer contiguity within recycling conjunctive schedule, male rats, 3172
simulated foraging chain with 3-component operant chain schedule, search-cost ratio & foraging & feeding, female pigeons, 21930
stimulus frequency & distribution & reinforcement schedules, response-specific learning in signaled punishment procedure, rats, 19324
temporal properties of reinforcement schedule, spatial organization of behavior in experimental chamber, pigeons, conference presentation, 3151
thyrotropin releasing hormone & enzyme-resistant analog, multiple schedule operant escape vs food reinforced conditioning, monkeys, 22144
variations in reinforcement probability, preference for long vs short elapsed-time schedule, pigeons, conference presentation, 3181
water deprivation & progressive ratio schedule in operant task & quinine induced drinking suppression task, reinforcement strength of water, male rats homozygous for diabetes insipidus, 30032

Reinnervation [See Neural Development]

Relapse (Disorders)
abstinence & temporary erectile difficulty, alcoholic relapse, alcoholic males, 22841
addictive processes frame of reference, drug & alcohol & tobacco addiction relapse & criminal recidivism, 1551
amitriptyline vs lithium, relapse, 25–65 yr old patients with history of 1 vs more than 1 depressive episode, 4778
analysis of factors underlying successive relapse & remission time distributions, heroin addicts, implications for treatment, 15574
awareness of presence of mental disturbance in treatment of relapse, rehospitalization vs outpatient treatment, 20–50 yr olds with diagnosis of schizophrenia, 20659
behavioral approach to multiple family therapy, 21–35 yr old male schizophrenics, 10178
beliefs in controlled drinking, recidivism, male alcoholics participating in VA treatment program, 7750
cardiac counseling alone vs with Type A counseling, Type A behavior & cardiovascular recurrence, nonsmoking postinfarction volunteers, 18199
clinical EEG sleep measures & serum cortisol level, prediction of treatment response time, recurrent depressive outpatients receiving pharmacotherapy & psychotherapy, 30932
cognitions surrounding relapse episodes & effects of relapse on self efficacy, ex-smokers, 11988
conceptual & clinical features of relapse prevention in excessive or addictive behavior patterns, 23606
conditioning, reinstatement of opiate & stimulant self administration, humans & laboratory animals, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 798
course of illness outcomes, 18–55 yr old patients with schizophrenic psychoses vs other psychiatric disorders, 1-yr followup, 22700
definitions & criteria for diagnosis of relapse, schizophrenia, literature review, 1380
demographic & clinical factors, prediction of readmission to treatment program, alcoholics, 2-yr follow up, 23598
detoxification from methadone using clonidine with vs without naltrexone, treatment outcome & relapse rate, adult Ss, 18389
development & reliability & validity of locus of control of behavior scale, prediction of relapse following apparently successful therapy, college students vs nurses vs stutterers vs agoraphobics, 11128
dexamethasone suppression & thyrotropin releasing hormone stimulation test, identification of treatment responsiveness & relapse rates, patients with major depressive disorder, 9727
drinking relapse circumstances & attitudes, outcome status prediction, male alcoholic outpatients in abstinence-based program, 26389
education about schizophrenia & support group & family therapy, expressed emotion & subsequent relapse rate of schizophrenic inpatient, relatives of schizophrenic inpatients, 17828
family factors, relapse, schizophrenics with mean age of 25.6 yrs, 9-mo followup, replication of studies by G. W. Brown et al & C. E. Vaughn & J. P. Leff, 9735
high relapse rate following behavior therapy, reply to A. A. Lazarus's response to author's critique, 26136
hospital-based psychosocial rehabilitation Veterans Resource Program, recidividism rate, veterans, 23489
importance of temporal aspects of epilepsy as explanation for conflicting views of prognosis, 26000
life table methods in survival analysis, relapse in affective disturbances, 6804
need for combination of depot neuroleptics & psychosocial intervention, lowered relapse rates, schizophrenic patients, US, conference presentation, 10275

neuroleptic maintenance & psychosocial intervention with family, relapse, 16–65 yr old schizophrenic patients, 2-yr followup, UK, conference presentation, 10071
neuropsychological deficits & primary dependence on sedative & hypnotic drugs, outcome of hospital treatment, 21–69 yr olds, 4–6-yr followup study, 12850
nonpuerperal psychotic relapses, females previously hospitalized for puerperal psychiatric disorders, 5–12 yr followup, 9716
oral vs depot fluphenazine, relapse rates, patients, US, conference presentation, 10282
orthomolecular eclectic program, violations of regimen & relapse, psychotic 23–38 yr old patients, 4571
perceptions of past & present maternal & paternal care & interpersonal relations, relapsing vs nonrelapsing schizophrenic patients readmitted vs nonreadmitted to hospitals, 9613
pharmacologic prevention, recurrence of unipolar or bipolar disorder, conference presentation, 20928
psychosocial intervention with families, course of illness & level of functioning at discharge into community, schizophrenic patients, 23063
social skills training, communication & community survival skills, 29–35 yr old male chronic schizophrenics at risk for relapse, 7373
thyrotropin-releasing hormone test & prophylactic amitriptyline, prediction & prevention of relapse after ECT, 42–84 yr old patients with unipolar endogenous depression, 15061
treatment outcomes & relapse risk factors following cognitive-behavioral therapy, 19–60 yr old unipolar depressed patients, 1–3 yr longitudinal study, 31458
type & frequency of prodromal symptoms, patients with schizophrenic relapse, 17482
use & effectiveness of coping behaviors at inpatient alcohol treatment intake, relapse after discharge, alcoholic patients, 6-wk & 6–12 mo followup, 23604
use of relapse precipitants inventory, prediction of alcoholism relapse, patients, 22821
validation of scale, prediction of repeated suicide attempts, suicide attempters less than 25 yrs of age, implications for 15–19 yr olds, 2882

Relationship Therapy
symbolic & concrete approach, neurotic symbolic function & partner relationship, couples, 15196

Relaxation
favorable vs unfavorable rationale to meditation, physiological factors during rest vs meditation, female experienced transcendental meditators vs nonmeditators, 24518
framework for integration of meditation & psychotherapy, 15147
gender differences on subscales of Cognitive-Somatic Anxiety Questionnaire, assessment of effects of relaxation on anxiety, college students, criticism of study by G. E. Schwartz et al, 11137
meditation vs daydreaming & napping & recreation, relaxation, 27195
mental hygiene & relaxation courses, college students, 26542
relaxation & autogenic training vs transcendental meditation, neurophysiological & respiratory changes, 22–31 yr olds, implications for psychosomatic diseases, 25972
relaxation & suggestion procedure with vs without music vs music alone, scores in forced choice test of clairvoyance, 17–50 yr olds, 13416
relaxation-associated changes before & during panic attacks, patients with anxiety disorders, 14655
relaxation vs fantasy journeys vs free imagery, control & vividness of imagery, college students, 29920
relaxation vs stressful intellectual procedures, salivary characteristics, 23–41 yr olds, 27435
use of relaxation techniques, student visualization abilities & teaching of spelling, learning disabled students, 8095

Relaxation Therapy [See Also Progressive Relaxation Therapy]
anxiety reduction program, methadone dosage & alcohol & illicit drug usage & withdrawal symptomatology, methadone maintenance clients, 7729
applied relaxation technique & perceptual restructuring, treatment of tinnitus, male in late 50's, 15257
applied relaxation with vs without operant condition therapy, chronic pain patients with mean age of 43 yrs, 10231
autogenic relaxation training in health center, clients with physical & psychological problems, 12603
autogenic training & relaxation, psychological stress & catecholamine excretion, female 23–43 yr olds, 12521
basal therapy with vs without exposure in vivo vs dynamically oriented supportive vs relaxation therapy, female 18–60 yr old agoraphobics not suited for insight therapy, 17826
basal therapy with vs without exposure in vivo vs relaxation therapy, 18–60 yr old female agoraphobics suitable for insight therapy, 17827
basal vs imagination vs supportive vs relaxation therapy, 18–60 yr old social phobic patients not suitable for insight psychotherapy, 9-mo followup, 20638
behavior therapy & biofeedback training & relaxation techniques, childhood disorders, 18063
behaviorally-based rehabilitation approach using relaxation & desensitization therapy & cognitive restructuring & stress management & activity scheduling, depression & anxiety, post-myocardial infarction patients with mean age of 57 yrs, 4710
benzodiazepines vs verbal psychotherapy vs relaxation training, generalized anxiety, 10051
biofeedback & relaxation training & psychotherapy & seizure control techniques as alternatives to drug therapy, epilepsy, children, 31336
biofeedback relaxation training, academic achievement, male learning disabled elementary school students, 26638
biofeedback vs autogenic training with vs without music, self regulation of cultivated low arousal state, 22–24 yr old college students, 26123
caffeine fading with vs without relaxation, caffeine intake, 22–56 yr olds, 23599
coping style & relaxation training &/vs information giving, levels of postoperative pain & anxiety, 19–70 yr old surgical patients, 25999
counseling & relaxation techniques, severe headaches, 16 yr old female, 4735
counseling programs & relaxation training & modifying inappropriate expectations, learning disabled college students, 15926
drug vs breathing & relaxation therapy vs hyperventilation provocation training vs psychotherapy, hyperventilation, 18–50 yr old patients, 26110
EMG & skin conductance biofeedback-based relaxation training, labor & childbirth, 20–35 yr old primiparous females, 15265
EMG-based relaxation training, treatment outcome, chronic pain patients, 23286
EMG biofeedback assisted relaxation & stress reduction therapy, ability to decrease muscle tension & pain, 24–61 yr old patients with posttraumatic head & neck pain, 20871
EMG biofeedback training vs progressive muscle relaxation, anxiety, gifted 11–14 yr old 6th–8th graders, 29380
EMG biofeedback vs relaxation treatment, flexibility of hip joint & sprinting performance, 13–21 yr old sprinters, 31447
exposure in vivo vs relaxation treatment, agoraphobia, 25–52 yr old psychiatric outpatients, 12607
feedback from product of interbeat interval & pulse transit time vs relaxation training vs habituation to task, product feedback & self control of cardiovascular response to exercise, 18–34 yr olds, 7374
functional relaxation therapy, self awareness & perception, physically & mentally handicapped, 26122
Gestalt therapy with deep relaxation, lack of energy & sadness & guilt & poor self image & guided fantasy & visual imagery & blaming & dreamwork, clients, 31353
group progressive relaxation training vs individual EMG biofeedback training, academic achievement & self control, hyperactive 3rd–5th graders, 31449
group psychotherapy vs running vs medication relaxation therapy, depression, depressed patients, 20662
guided imagery relaxation, classroom tension & interpersonal conflict, 3rd–5th graders, 10880
home relaxation techniques vs EMG biofeedback with vs without antihypertensive medication, blood pressure, 35–62 yr old patients with essential hypertension, 23264
hypno-relaxation therapy, female with dental phobia, 10041

hypnosis or relaxation 2-alternative forced choice assessment technique, 35 yr old male with functional right hemiparesis, 28537
hypnotic procedure vs music, reduction of anxiety level, adults, 6-mo followup, 23387
imagery & relaxation techniques & hypnotic strategies in sports medicine, bibliography, 20864
maintenance procedures, behavior therapy, 25–52 yr old agoraphobics with previous exposure to in vivo vs applied relaxation therapy, 7366
meditative relaxation exercises with supportive brief psychotherapy, psychogenic retarded ejaculation, 33 & 34 yr old males & their spouses, 26094
modes of relaxation induction, emotionally healthy 16–19 yr olds, 4724
muscle relaxation training, insomnia, 21–80 yr old cancer patients, 4713
noise stress during relaxation, pain, 20–60 yr old chronic migraine sufferers, 23279
nutritional supplementation &/or relaxation training, malnutrition & weight loss, adult cancer patients, 26235
patient characteristics, outcome of relaxation vs biofeedback treatment, patients with chronic mandibular joint pain, 15246
patients' initial experience of therapist & therapeutic conditions in 4 treatment methods, treatment outcome, female phobic patients, 7180
physical fitness training program, self concept & tension & depression, 19–35 yr olds, 20843
positive vs neutral demand instructional sets, outcome of stress management program, 20–60 yr old community residents, 7386
pre- & postoperative relaxation & biofeedback training, recovery from hysterectomy, adult female patients, 20863
prognostic factors, outcome of basal therapy with vs without therapist-directed prolonged exposure in vivo vs dynamic supportive therapy vs relaxation therapy, phobic females, 7178
psychological differences & relaxation/sensitization methods, flight anxiety, successfully vs unsuccessfully treated US Navy & Marine Corps flight students, 3-yr followup, 18034
quieting reflex & success imagery training, stress & anxiety & test taking, 5th graders, 15923
relaxation & assertive training, self control, 23–57 yr old psychiatric patients, 10218
relaxation & biofeedback as alternatives to drug therapy, hyperkinetic children, literature review, 7198
relaxation &/vs biofeedback training vs drug therapy, essential hypertension, literature review, 7393
relaxation in systematic desensitization, literature review, 23272
relaxation response, successful coping behavior, implications for crisis intervention, 10411
relaxation response treatment, cardiovascular disorders, 28709
relaxation therapy & meditation, treatment of drug & alcohol abuse, literature review, 7737
relaxation therapy & reduction of salt intake & weight control vs clinic monitoring, blood pressure, 37–65 yr olds with borderline hypertension, 31460
relaxation therapy, anxiety, 20 yr old female with temporomandibular joint dysfunction & pain syndrome, 18082
relaxation therapy, comprehension of muscular system & self control of bodily reactions to stress, children, 10053
relaxation therapy, psychotic patients, 18083
relaxation therapy, 18 yr old psychotic female, 18069
relaxation training & EMG biofeedback & cognitive restructuring & contingency management & social skills training, 36 yr old female with chronic pain, 23271
relaxation training program, stress, 12th graders, 23893
relaxation training programs with vs without benzodiazepine tranquilizers, heart rate & frontalis EMG, 16–64 yr old psychiatric inpatients, 15252
relaxation training vs competing response training, hair pulling & nail biting, 17 yr old female, 18041
relaxation treatment, onset of hot flashes during heat stress, 44–61 yr old menopausal females, 15248
relaxation vs arousal induction & physically active vs sedentary & coping vs mastery rehearsal strategy, physiological arousal & anxiety & imagery & controllability & efficacy expectations, 21 yr old varsity football player, 18047
relaxation word for day for measuring adherence to relaxation therapy & decline in blood pressure, human Ss, 21705
respiration control, stress management, male US Army trainees in airdrop training, 13271
responses to muscle tension/relaxation & controlled breathing & suggestions of relaxation & imagery, mentally retarded with mean ages of 23 & 33.4 yrs, 12608
self control techniques & relaxation therapy & biofeedback, reduction of stress associated with cardiovascular arousal, 28720
self-help vs therapist assisted relaxation, migraine or muscle contraction or mixed headache, headache patients, 1-mo follow-up, 18087
self-recorded DRO & social skills & relaxation training, agitated/disruptive behavior, 22–28 yr old mentally retarded group home residents, 18072
self vs therapist instructed relaxation program, 18–54 yr olds, 7362
short term relaxation training, rehabilitation after myocardial infarction, male patients, 10510
single vs couples relaxation therapy vs cognitive therapy, 21–65 yr olds with mild hypertension, 7392
social skills & systematic relaxation training, 6–9 yr olds, 4703
spiral method of hypnosis, heterohypnotic induction & self relaxation training, 38 yr old female, 20965
stress-inoculation therapy with vs without cognitive & relaxation therapies, plasma-cortisol value in morning vs evening, duodenal ulcer patients, 18035
suitability for insight-oriented psychotherapy, prognosis, phobic females in nondynamic therapies, 1-yr followup, 7179
taped vs live relaxation in systematic desensitization treatment, anticipatory nausea & vomiting, cancer patients, 15260
temporal aspects & stable therapist-patient relationship, relaxation therapy, psychotic patients, 18076
therapeutic corporeal approach to relaxation therapy, phobic 55 yr old female, 10212
therapist-directed prolonged in vivo vs support vs relaxation vs basal therapy, ratings of interpersonal relations, female social phobics & their therapists, 3-mo followup, 20673
thermal imagery vs biofeedback vs relaxation, treatment of migraine headache, high vs low hypnotically susceptible 18–55 yr olds, 15042

Relearning
bilateral inferior temporal lesions, relearning visual discriminations, male monkeys with partial vs total striate cortex ablations, 27512

Reliability (Statistical) [See Statistical Reliability]

Reliability (Test) [See Test Reliability]

Religion [See Also Related Terms]
aboriginal double-headed images in religious art of northern Eurasia & New World, cross-cultural analysis of religions in prehistory, critical comments & author's reply, 11894
analysis of C. Jung & S. Freud's relationship, antisemitism & transference, 21681
analysis of nonsymbolic mystical experiences, 27190
analysis of symbol of Virgin Mary from feminist-psychoanalytic perspective, 27912
attitudes toward relationship between religion & psychotherapy, adults, 20758
bias against religion in funding psychological research, 7841
Christian understanding of therapeutic issues in individual & marital & family settings, females, 31310
critique of religion by K. Marx, social functions of group therapy, 12536
cults & new religions, sociology of religious creativity, Western world, 11895
danger of nuclear holocaust, pride & narcissism, implications for psychiatry & religion, 9348

sociobiology & ethics & theology, 2754
sociobiology & theology, 3797
suppression of females in religion, implications for counseling, 11905
temporal lobe signs & religious experiences, college students, 3798
theological themes in clinical pastoral education for delineation of different ethical assumptions, implications for pastoral care & personal growth, 14257
theology & functions of parapsychology of religion, comments on D. S. Rogo's book "Miracles", 13409
theology of psychodrama based on writings of J. L. Moreno, 4625
theory & technique of use of religious imagery in psychotherapy, 28660
training model, addressing spiritual issues & concerns of clients, counselors & psychotherapists, 12792
transitional experiencing & intermingling of inner & outer reality, psychoanalysis & religious experience, 28624
understanding all human behavior in relation to God, 19970
use of masks in theater & religion in ancient Greece, 9068
utopias & religion & "Tarzan" & "Superman" comics, 16820

Religiosity
comparison of decompensation to schizophrenic psychosis & dramatic religious conversion, 14755
defensive characteristics & religiosity & conscious fear of death, Jewish college students, Israel, 30599
defensive style & Jewish religiosity, conscious & preconscious & unconscious death anxiety, college students, Israel, 6689
definition & diagnosis & treatment of unusual states of consciousness as spiritual emergency, 32 yr old male, 28621
demographic characteristics & religiosity & belief in afterlife & death anxiety, college students, 6652
development of Nelson-Malony Religious Status Interview, assessment of religious maturity, 27027
dyadic & generalized trust, dating or engaged secular vs Christian-college students, 23804
education & occupational prestige & income, "religious salience," "community" vs "church participant" White adult residents, US, 17155
empathy & religiosity & social desirability & helping behavior, college students, 25482
examination of perfectionistic tendencies & concept of God in psychotherapy, religiously committed middle aged female, 28649
expectations of therapists & therapy, charismatic Christian family with 12 yr old underachieving daughter, 26010
formative spirituality & formation counseling, 28667
images & self communication & intimate experiences with God, personal growth, 27903
intrinsic vs extrinsic religiousness, meta-analytic literature review, 19955
level of identity formation in religious ideology & occupational decision & overall ego, female college students, 32103
locus of control, religiosity, female vs male graduate students, 4048
parental religiosity vs support, religious orientation, 11–18 yr olds attending Catholic schools, Pakistan, comparison with US study, 17077
peer group & religiosity & sexual guilt, premarital sexual intercourse, college students, 6589
psychosis & thymoma & hyperreligiosity, 19 yr old Black female, 1322
psychotheology of religious commitment & psychotherapy, 28 yr old female who had been denied entry into religious order, 28659
religion & age & sex, death anxiety, Indian high school & university students, South Africa, 16878
religiosity, attitudes toward sex & unwanted pregnancy & contraception use & sexual activity, college freshmen, Israel, 1195
religiosity, death anxiety, 40–59 yr old males, 4043
religious commitment, psychotherapeutic needs & processes, religious & religious feminist clients, 28647
religious institution attendance & self rated religiosity, functional health, Mexican Americans, 30596
religious involvement & suicide rates, White vs Black males vs females, US, 1972–78, 6926
sex differences & religiosity, sexual behavior, unmarried college students, Colombia, 5-yr followup, 6563

Religious Affiliation [See Also Buddhism, Christianity, Fundamentalism, Hinduism, Islam, Judaism, Protestantism, Roman Catholicism, Shamanism, Zen Buddhism]
abstract religious thinking & interpretation of Bible, Roman Catholic vs Nazarene 3rd–12th graders, 14025
attempt by guardians to convert S to Roman Catholicism, female Jewish adolescents in 19th century, France, 3712
catechol O-methyltransferase activity & lithium-sodium countertransport, Amish Ss with vs without bipolar illness, 1376
determinants of fertility, Mormon polygamous & monogamous families, US, 1861 to mid-1880's, 30633
development of concept of God, Jewish vs Protestant vs Catholic 5–16 yr olds, 9216
development of ethnocentrism & religious identity, 4–5 vs 8–9 vs 14–15 yr old students in Hindu vs Muslim vs Sikh vs Christian schools, India, 3716
dominance of social & economic resources by religious hierarchy, Mormon polygyny, 3786
examination of G. S. Hall's theory of religious conversion, 14265
friendship & family & church-related associations, personal well-being, elderly Blacks vs Whites, 3796
genetic linkage study of color blindness & red blood cell & related markers & human leukocyte antigen & Bf & GLO, Amish 6–87 yr olds with bipolar illness, 1418
limited & conflicting stereotypic information, categorization of religious group, Protestant vs Catholic female polytechnic students, Northern Ireland, 30836
Mormon subculture, literature review, 6452
organization & function of Unitarian church's "extended family" program, church members, 7-yr followup, 3805
organizational structure, intrinsic vs extrinsic, motivation in voluntary organizations associated with conservative Protestant churches, ministers & congregation members, 11904

parental religiosity vs support, religious orientation, 11–18 yr olds attending Catholic schools, Pakistan, comparison with US study, 17077
perceptions of psychophysiological characteristics, Hutterite sect, 3799
perceptions of spirituality & religious affiliation & belief & theoretical orientations & educational & training experiences, clinical psychologists, 31932
personality characteristics, fit in more vs less autonomous open churches, male church members, 27923
religion & social class, marriage & family formation, India, 17169
religious orientation of counselor, expectations for counseling, Christian vs non-Christian college students, 15448
risk factors, prevalence of depression, Mormon females, 6861
sociology of religious conversion, literature review, 6466
superstitious beliefs & practices & church attendance & religious affiliation, 12–22 yr old basketball players, 14017
Religious Beliefs [See Also Fundamentalism, God Concepts, Religiosity, Religious Affiliation, Sin]
age & educational variables & church attendance, attitudes toward premarital & extramarital relations, males vs females aged 21–50 yrs & older & 20 yrs & younger, 17261
attitudes toward desirability of religious values in therapeutic process & cooperative treatment, clergy & mental health professionals, 2289
attitudes toward religion & death, female vs male public health graduate students, 7767
attitudes toward sexual expression & sex role attitudes & occupation & religion & politics, identity status & cognitive complexity, male college students, 3737
beliefs in extraordinary phenomena, college students, Canada vs Singapore, 2747
biological functions & emotional & spiritual meanings of heart, implications for disease processes & heart transplant surgery, 28468
Christian beliefs, Methodist college ordinands vs conservative vs liberal Anglican college students vs graduate teacher trainees, 15832
concepts of causality & logical structures, task for assessment of chance, 25–60 yr old formal operational female members of spiritual community, 22331
convergence of psychology & spirituality, 14263
cults & new religions, sociology of religious creativity, Western world, 11895
demographic characteristics & religiosity & belief in afterlife & death anxiety, college students, 6652
development & validity of attitude toward evangelism scale, college students, 24297
development of religious concepts, children, implications for religious education, literature review, 30386
distinction between religion & spirituality, implications for communism & politics, 14219
Eastern sense of unity vs Western sense of antagonistic principles, interpretation of thermodynamics of evolution, 19983
ethics of sharing religious faith in psychotherapy, therapists, 7815
faith-feeling interface of theology & psychology, 30603
fear of death & religious commitment, 18–30 yr old Jewish males, Israel, 27909
Freud's views on monotheism & Moses & reaction to Nazi period, 18938
gender differences & religion, attitudes toward homosexuality, male vs female 17–54 yr old college students, 1188
Greek origin & meaning of word "image", Christianity, 11888
ideology & occupational community, social movement participation, pastors, 25280
incarceration & social & psychological factors & need for working-through process, "born again" experience, prison inmates, 6945
local community reference, religious beliefs, Catholics, support for W. C. Roof's local-cosmopolitan theory of religious commitment, 3800
locus of control & level of conflict as correlates of immortality orientation, 35 vs 45 vs 55 vs 65 yr old college professors, 6682
maternal instinct in biblical literature, 13958
multidimensional analysis, religious involvement, 16–90 yr old Mennonites, 19962
neuropsychological knowledge as basis for correlating empirical & theological understanding, reply to I. M. Wong's criticism, 19431
neurotheology, understanding of brain & religious beliefs, 6431
noogenic & religious attitudes, 16–17 yr olds, Sweden, 17004
paranormal & religious beliefs & GPA, high school vs college students, 13120
parapsychological interpretation of reincarnation beliefs, 14
parental & church & peer influences, sexual attitudes & behaviors & contraceptive behavior, male vs female college students, 17249
parental use of threat "God will punish", compliance, 4th–8th graders, replication of C. Z. Nunn's study, 19911
patriarchy & violence in households, refuge in religious devotion & solidarity, heretical & Catholic wives of artisans, Renaissance Italy, 30597
perceptions of spirituality & religious affiliation & belief & theoretical orientations & educational & training experiences, clinical psychologists, 31932
personal & social religious beliefs, quality of life & aging experiences, families, 30377
practice & beliefs in traditional counseling, Nigeria, 12785
problem of philosophical analysis of religious concepts of punishment & reward, 8296
psychotherapeutic confrontation & clarification & interpretation & working through of discrepancies between religious beliefs & experiences, 28642
rejection of right to refuse antipsychotic medication on religious grounds, involuntary committed psychiatric patient, case law, 3893
relationship between alcoholism & hemisphere functioning in spirituality, implications for treatment of alcoholism, 28330
relationship to religious objects & image of God, psychotherapy, religious patients, 20767
religious beliefs & withholding of medical care & legal processes, 28821
religious beliefs, perception of parents, 18–26 yr olds, Brazil, 20002
religious commitment & GPA, 13–18 yr olds who attended Assembly of God churches, 861
religious commitment, death anxiety, students of theology vs other disciplines, 6457
religious experiences & altered states of consciousness, 14262
religious faith vs science, field of learning & mental disabilities, 14845
religious intrinsic values & perceptions of meaningfulness of life, coping behavior & well being, 20–76 yr old cancer patients, 14885
religious loyalties as behavioral motivations, implications for psychotherapy, 1029
religious orthodoxy, other-worldly approach to life & involvement in secular affairs, US & Canadian & British & Australian Protestant missionaires, Kenya & Tanzania, replication of study by R. Stark et al, 6442
religious salience of solicitation, contributions to charities, college students at church affiliated school, 30784
religious socialization & family background, apostasy, college students, 19963
religious values, client-therapist matching in psychotherapy, 7245
religious vs secular cognitive-behavioral therapy, depression, 19–36 yr old Christian college students, 7380
religiousness & cultural complexity & childrearing practices, cross cultural study of 109 societies, 14284
role of spiritual support as coping strategy, family caregivers of dementia patients, 31408
Salem witchcraft trials & social milieu & devil, young girls, conference presentation, 19975
search for meaning & scientific vs religious beliefs, 1030
self inference from recent & unmanded vs distant & manded religious behaviors, attitude accessibility, college students, 1274
sex-role & religious attitudes, forced marital intercourse norms, community residents, 20052
shared religious belief system as resistance in psychotherapy, priest psychologist & priest-client, 7233
spiritual & religious concerns, hospitalized 11–19 yr olds, implications for training in adolescent health care, 18327
spiritual egocentrism & spiritual maturity, 6438
theology of causality in psychiatry, 31304

therapist's religious attitudes & convictions & psychotherapeutic processes, 28620
transpersonal psychology's perspective on African American view of transcendence, 30578
utilization of client's spiritual values, counseling, 7275
Religious Education
artistic experience of Judaism, special needs learners, 8049
cognitive morality & moral behavior, 6th graders from secular vs religious school, Israel, 8017
concepts of instruction in biblical wisdom vs Rinzai Zen, 14252
cross cultural educational ministries, Pueblo Indian & Spanish American & Anglo families, 6453
description of church-based sex education program, adolescents & their parents, 9107
development of religious concepts, children, implications for religious education, literature review, 30386
double bind & Koan Zen, 11887
evaluation instrument for audiovisual materials in religious education, 15979
inclusion of theory of morality in religious educational framework & social change, Christian religious educators, 14283
possible contributions of process thought to Jewish education, 14275
radical interdependence as authority mode for learning & teaching justice & peace, 6444
religious education in schools & crises of literacy, children & adolescents, England, 29227
social sciences & religious education, 6470
Religious Literature [See Also Bible]
all myths & religious stories through generations as monomyth, 13952
transcendental meditation & testability of Vedic psychology of Bhagavad-Gita, 14250
use of insights from psychology vs Scriptures & philosophers vs literature, pastors, 3785
Religious Occupations [See Religious Personnel]
Religious Personnel [See Also Chaplains, Clergy, Evangelists, Lay Religious Personnel, Ministers (Religion), Missionaries, Nuns, Priests, Seminarians]
modification of nominal group technique, group decision making, members of religious order, 32281
personality attribute inferences on role of religious officeholders, 18–78 yr old males, Mexico, 9368
psychotherapeutic issues, Roman Catholic priests & religious, 28668
training & emotional variables, time usage & time spent in visitation & counseling, clinical pastoral education students, 31858
types of love & communal organization, monasteries, 27915
use of insights from psychology vs Scriptures & philosophers vs literature, pastors, 3785
Religious Practices [See Also Confession (Religion), Faith Healing, Meditation, Prayer, Yoga]
aging, religious participation, church members aged 50 yrs & over, 6222
analysis of Thaipusam ritual trances & ceremonial possession & self mortification practices within psychoanthropological framework, Hindus, Malaysia, 17154
Christian perspective, forgiving, 14282
emphasis on spirituality in hospital alcoholism treatment, 5030
liturgical elements of G. Herbert's poetry, 22261
multidimensional analysis, religious involvement, 16–90 yr old Mennonites, 19962
nature & psychological impact & therapeutic elements, religious experiences of testimony & Holy Ghost possession & dancing & speaking in tongues as functional community mental health resources, 18–67 yr old Black church members, 6443
number of congregation members, participation in religious groups & level of self attention, members of religious groups, 25274
public grieving at death through wake & funeral & commitment service & feast & Giveaway, Native American male, 14266
rebirthing, potential psychological & physiological harm, 27913
religious compulsions, 25–35 yr old males & 60 yr old female with obsessive compulsive neurosis, Israel, 6778
religious institution attendance & self rated religiosity, functional health, Mexican Americans, 30596
role of females in synagogue, Reform vs Conservative Jewish congregations, Israel, 17152
sex & age & church attendance & education, attitudes toward homosexuality, 21–50 yr old residents vs college students, Australia, 9464
spiritual principles for stress management, recovery from alcoholism, 5065
superstitious beliefs & practices & church attendance & religious affiliation, 12–22 yr old basketball players, 14017
suppression of females in religion, implications for counseling, 11905
therapeutic utility of providing access to ritualistic ceremonies, hospitalized patients with terminal illness, 28592
Religious Prejudices
psychodynamic & sociocultural & cognitive theories of prejudice against traditional religion in psychology, 30588
REM Sleep
afferent stimuli & phase relationships with phasic events, hippocampal theta rhythm during paradoxical sleep, rats & cats, 30173
alcohol intake before vs during vs after REM-sleep deprivation, adult male rats, 11531
apomorphine, changes in aggressive behavior, normal vs REM sleep deprived male inbred rats, 22091
chloramphenicol vs thiamphenicol, atonia during REM sleep, cats with dorsolateral tegmental pontine lesions, 13872
chronic morphine vs ethylketocyclazocine administration, sleep & REM sleep & wakefulness & EEG & EEG power spectra & cross tolerance, rats, conference presentation, 3536
chronic sodium barbital treatment & abrupt cessation, sleep patterns, cats, 755
clomipramine induced sleep deprivation during neonatal stage, adult ethanol related behavior, male rats, 16765
clomipramine, sleep structure, 25–63 yr old patients with endogenous depression, 20920
computer graphics analysis, effect of lesions of pontine gigantocellular &/or lateral tegmental fields on sleep wakefulness state, adult female cats, 19624
consolidation hypothesis, function of REM sleep & learning & memory, literature review, 8588
correlational analysis of right & left frequency band activity of sleep EEG & REM/NREM sleep cycle, 24–28 yr olds, 21997
daytime physical exercise, NREM & REM sleep, 20–24 yr old males, 22065
depletion of serotonin by chronic amphetamine injections, pontogeniculo-occipital wave activity, cats, 24953
deprivation of REM sleep, right hemisphere processing & performance on cognitive/perceptual tasks, 17–38 yr old right handed males, 30148
desipramine, paradoxical sleep, 67–77 yr old depressed patients, conference presentation, 1388
dexamethasone suppression test & REM sleep, 16–61 yr old parents with major depressive disorder, 28231
different degrees of running, sleep power & EEG power density, 30–35 yr old physically-fit males, 6038
dream sleep vs nondream sleep & awake activity, memory for complex associative information, 29–54 yr old narcoleptics, 14991
dream sleep vs nondream sleep vs wakefulness, memory for complex associative information, 29–54 yr old narcoleptics, comments on L. Scrima's study, 14946
EEG-based multivariate statistical analysis of sleep stages & wakefulness, male Ss, 19498
eye burst vs quiescent intervals of REM sleep, heart rate, 21–51 yr olds, 29980
eye movements & dream imagery in REM sleep, young adults, 430
growth hormone secretion & EEG & REM sleep & neuroendocrine parameters, depressed 14 yr old twins & 16 yr old female, 9683
hippocampal EEG recordings during REM sleep vs active waking behaviors, time changes in theta power & frequency & coherence & phase, rats, 30078
hypercapnia, REM sleep, rats, 19582
length of sleep prior to awakening out of Stage 2 vs REM vs NREM sleep, sense of having been asleep, 20–35 yr olds, 13730
lucid dreaming & waking intrusions during REM sleep, 3129
lucidity of dream content & EEG alpha activity during REM sleep, 19–31 yr old good dream recallers, 11505

methylglucamine orotate, paradoxical sleep, male rats, 24966
morphine, wakefulness & NREM & REM sleep & EEG, adult cats, 30219
naloxone injections, sleep patterns, 18–39 yr olds pretreated with haloperidol, 11583
neurobiology of REM sleep & psychoanalytic dream theory, comments on paper by J. A. Hobson & R. W. McCarley, conference presentation, 24132
neuroleptic suspension, REM reduction, 31 yr old male schizophrenic, 28798
neurophysiology of slow wave sleep vs REM predominance, depressive syndromes, literature review, 22734
nocturnal REM latency & sleep disturbance, narcoleptic 13–74 yr olds, 14967
nomifensine vs imipramine vs fluoxetine, locomotor activity, male rats deprived of REM sleep, 3525
paradoxical sleep deprivation induced by platform method, intracranial self stimulation response rates, male rats, 22081
paradoxical sleep deprivation, photically evoked potentials in visual cortex, waking male rats, 682
paradoxical sleep deprivation, rate of DNA synthesis in brain, fetal rats, 30153
potential distribution on scalp of vertex sharp wave & saw-toothed wave in NREM & REM sleep, 25–28 yr olds, 13818
presleep auditory & visual learning, REM sleep & bursts, college students, 27453
reliability of automated REM vs delta sleep analysis, assessment of abnormal sleep patterns, 20–45 yr old normal Ss vs depressed patients, 30950
reliability of fixed vs total sleep time approaches, analysis of sleep stages, 18–30 yr olds, 11073
REM & delta wave analysis, testing of two-process model of sleep regulation in assessment of abnormal sleep patterns, 20–45 yr old normal Ss vs depressed patients, 30951
REM latencies as diagnostic & prognostic indicators of depression & antidepressant treatment, depressed patients, 23362
REM latency & polysomnographic observations, nonschizotypal borderline outpatients vs patients with primary major depression vs personality disorders, 14622
REM sleep & insomnia & hypersomnia as differential psychophysiological markers, anxious depressive vs primary dysthymic patients, 9602
REM sleep deprivation & stress & enkephalinase inhibitor phosphoramidon, handling-induced convulsions, male mice, 13856
REM sleep, electrical activity of basolateral amygdala & cingulate gyrus & dorsal hippocampus & thalamic nucleus & sensory motor cortex, cats, 19442
REM sleep, food intake, adult cats, replication of study by J. Siegel, 19538
REM sleep, genetic determination of behavior, humans & animals, 11524
REM sleep latency & activity & density, patients with Alzheimer's type dementia, 10022
REM sleep latency & dexamethasone suppression & clonidine & apomorphine tests as biological markers, 28–61 yr old patients with major depression with endogenous subtype, 17432
REM sleep vs NREM sleep vs wakefulness, memory for complex associative information, 29–54 yr old narcoleptics, comments on L. Scrima's study, 14897
REM sleep vs NREM sleep vs wakefulness, memory for complex associative learning, 29–54 yr old narcoleptics, comments on study by L. Scrima, 14931
REM sleep vs NREM sleep vs wakefulness, memory for complex associative learning, 29–54 yr old narcoleptics, comments on study by L. Scrima, 14973
REM sleep vs wakefulness, EEG wave amplitude recorded at visual cortex & lateral geniculate body & eye movement direction, cats, 19499
REM vs slow wave sleep, retention of information, college students, 643
right-hemispheric activation during waking vs awakenings from REM vs NREM sleep, left-hand superiority in tactile recognition, right handed male college students, 11466
role of acetylcholine in REM sleep, review of human & animal studies, 22009
single ultradian rhythm disturbance methodology, measurement of distribution of REM latencies & other sleep phenomena, depressed patients, 14628
sleep interruption followed by exercise, 3rd REM sleep period, 19–30 yr olds, 19574
sleep stage transitions & tonic REM, 17–25 yr old primary depressives, 25600
tracking movements of eyes & muscle activity & respiratory cycle & remembering & thinking during lucid dreams in REM sleep, 43 yr old male, 639
validity of cuff pedestal technique for REM sleep deprivation, electrophysiological correlates of sleep wake cycle, male rats, 18989
vasoactive intestinal peptide, REM sleep modulation, cats, 22158
wakefulness vs NREM vs REM sleep, visual EPs elicited by chronically implanted light-emitting diode, cats, 6003
wakefulness vs REM sleep, saccadic eye movements, college students, 30047
wakefulness vs sleep vs REM sleep, regional cerebral glucose utilization, males, 27358
water tank REM sleep deprivation, consolidation of memory trace & long term memory formation, male rats, 27477
weightlessness, eye movements during sleep, astronauts, 16704

Remarriage

Adlerian approach to psychotherapy, children following parental divorce or remarriage, implications for elementary school counseling, 10862
characteristics of 2nd families, children whose mothers have recently remarried, US, 14288
counseling "blended" families, implications for role of school counselor, 10185
current marital trends & divorce & remarriage ratios, Japan, 11913
developmental effects of separation & divorce & remarriage & role of pediatricians, children & adolescents & college-aged youth, 14140
divorce grief & personal adjustment, 25–35 yr olds who remarried vs remained single, 6509
family strength & marital satisfaction, remarried husbands & wives, 6496
formation & integration of stepfamilies & remarriage as transition, bibliography, 3811
history of remarriage patterns, Germany, 18th & 19th centuries, 30628
perceived family strengths, 10–24 yr old children of remarried families, 11687
role relationships following remarriage, child support & telephone & visiting frequency, divorced males with mean age of 37.4 yrs, 6514
Second Time Around program, preventive intervention, remarried couples, 27931
widowhood & remarriage trends, males vs females, Canada, 1956–81, 22482

Remedial Education [See Also Remedial Reading]

academic support services, reading skills & college GPA, 18–19 yr old high-risk college students, 8047
computer assisted instruction, remedial English teaching & attitudes, female 8th graders, 18608
diagnostic & skill building program, writing & proofreading of written assignments, special education & remedial & regular English students, 23748
educational therapy for parent's learning disabilities within context of family & individual therapy, family relations & members' self esteem & emotional adjustment, parents and their children, 12437
environmental analysis & individualized education & quality circles, integration of vocational education objectives in remedial & counseling settings, 23758
imitation/modeling procedure, spelling performance & learning transfer, learning disabled 11 yr old female, 2504
language experience in remedial mathematics program, problem solving, 2nd graders, 26645
morphographic direct spelling instruction vs remedial English classes, spelling scores, 11.5–12.8 yr old year 7 students, 21340
performance on Kaufman Assessment Battery for Children, remedial education planning & pupil learning, 13161

reliability & validity of English & Spanish editions of Cooperative Preschool Inventory, measurement of achievement, monolingual English- & Spanish-speaking Hispanic 4 yr olds in remedial education, 13210
remedial instruction in depth cues, understanding diagrams of 3-dimensional spatial relationships, 10–17 yr olds, Nigeria & Kuwait, 13088
remedial instruction involving rule-based approach & token reinforcement, spelling skills, 11 yr old male, 21451
remedial language skills program, community college students, 26653
remedial spelling instruction, learning disabled children, 2506
remedial tracking program, writing performance, dysgraphic 3rd graders, 26670
remediation & compensation/accommodation education, learning disabled elementary & secondary school students, 5324
scholastic difficulties & remedial education, adolescents with severe behavior disorders, 23824
screening & early remedial intervention project, low- vs high-risk disadvantaged school age children, Wales, 2-yr followup study, 29411
spontaneous writing, learning disabled male college student, implications for remediation, conference presentation, 10805
strategies for creation of incentives for teaching underprepared students, college teachers, 31963
strategy self-verbalization during remedial listening comprehension instruction, self efficacy & performance, 2nd–4th graders with language deficiencies, 21438

Remedial Reading
academic & nonacademic reading problems, reading disabled 6–14 yr old students, implications for reading remediation, 5331
amount of & emphasis on comprehension instruction in university reading clinic, 3rd–7th grade remedial readers reading at middle- & upper-elementary levels, 5201
behavioral reinforcement program, leisure reading at home, 2nd–8th graders in remedial reading class, 26521
categorization strategy, word recognition ability, 3rd grade remedial reader, 5238
cognitive approach to reading instruction, reading disabled students, conference presentation, 10797
computer-automated reading in reading instruction, word recognition & phrase reading & reading comprehension, 1st & 2nd graders, implications for role of school psychologist, 26539
efficacy of behavioral peer tutoring training, reading achievement, 12 yr old remedial readers tutored by 16 yr old low achievers, 23873
efficacy of text lookback strategy training, elementary & middle school remedial readers, 29361
identification & remediation of subtypes of reading disabilities, literature review, conference presentation, 10800
instruction in critical listening, critical reading & attitudes toward reading, 4th–6th graders in remedial class, 5206
playing with puppets, improvement of reading proficiency, learning disabled students, 8059
process measure of learning rate during phonics instruction, prediction of retention & transfer, remedial reading students with mean age of 7.2 yrs, 10855
reliability of diagnostic & remedial decisions of reading difficulty, reading specialists, 6985
strategy & control methods, inferencing skills, reading disabled 5th graders, 8074
training program in questioning strategies, remedial reading, intermediate & middle school students, 23865
word identification strategies, reading achievement, elementary & junior high school students in remedial reading, 29357

Remembering [See Retention]

Reminiscence
adult development & pathological aging, unsuccessful reminiscence & mourning, 73 yr old male, 9100
characteristics & function of reminiscence, elderly, 11702
determining readiness for age regression, 34 yr old male client with memory loss of portion of childhood, 23390
female influences on life review poetry of W. C. Williams, 9080
group meetings for oral history project, nursing home residents & 3rd graders, 18319
joys & problems of aging & coping strategies for adaptation to facility assessed through life history interviews, elderly residents of nursing facility, 1-yr followup, 26312
life history interviews, nursing intervention & identification of health patterning, Ss 60 yrs & older, 18179
life review workshop, denial of death & reminiscence, Ss with mean age of 74.6 yrs, 11672
oral history & associated reminiscence, well being & quality of life, aged, 30501
personal life histories & competition in contributing to historical archives, elderly, Norway, 27709
reminiscence & life review & other life history methods in gerontology & anthropology, bibliography, 9124
reminiscence & life review process, aged, 9123
reminiscence in life review journal, aged females, 9110
retrospection & life review, understanding of self, 9112
role of reminiscence in process of life review, aged, 9109
use of reminiscence-aids package in weekly group by social worker & occupational therapy aide, confused elderly psychiatric patients, 26329

Remission (Disorders) [See Also Spontaneous Remission, Symptom Remission]
cognitive therapy, enhancement of remission, patients with schizophrenia & bipolar illness, 1787
degree of deterioration at first remission & after last hospitalization, schizophrenic patients, 4206
erythrocyte cation transport during acute depressive episode vs remission, 24–56 yr olds with bipolar vs unipolar endogenous depression, 25598
frequency & duration of remission, spasmodic torticollis, patients, 12 yr followup, 25981
importance of temporal aspects of epilepsy as explanation for conflicting views of prognosis, 26000
lithium carbonate, impaired smooth pursuit eye movements, inpatients with bipolar affective disorder vs outpatients with bipolar affective disorder in remission, 20923
lithium treatment, remission of psychoses, psychotic patients with variant red blood cell/lithium ratio or schizophreniform diagnosis, 15291
mild herpes encephalitis treated without antiviral chemotherapy, 42 & 56 yr old female & 37 yr old male, 26175
perceived social support & length & severity of illness & age & remissions, depression, 23–71 yr old spinal multiple sclerosis outpatients, 1697
personal & social-environmental characteristics, remitted vs partially remitted vs nonremitted patients in posttreatment phase of unipolar depression, 25965
psychic status & cognitive processes & attitudes toward work & social adaptation during remission, epileptic patients, 4478
somatic therapy, mood & lymphocyte activity, in regression cancer patients, 10365
treatment effects & remission, former schizophrenic inpatients, 31307

Remote Associates Test
manipulation of Remote Associates Test item difficulty, feedback on actual performance, college students, 172

Repairmen [See Technical Service Personnel]

Repeated Measures
bootstrap approach of B. Efron, repeated measures design, 19140
estimation of latent correlations between repeated testings, determination of psychic vulnerability, Denmark, 24313
FORTRAN IV program, Stuart-Maxwell test for change in categorical measures using repeated measures or matched groups, 29676
MANOVA method, analysis of repeated measures designs, 19145
multiple within-groups analysis & product-term regression analysis, estimation of main & interactive effects of stress & social support & coping, 5672
parallelism of repeated measures & skill transfer & suitability of latency vs accuracy scores of Manikin Test, assessment of spatial ability, enlisted US Navy 18–21 yr olds, 29739
repeated measures analysis of means in clinical research, 24330
repeated measures on same vs different Ss, validity & reliability of investigations of study time, college students, 10850

repetition daily for 2 wks vs at minimum intervals of 5 days, isometric lifting strength, 19–58 yr olds, ergonomic implications, 16119
within group vs between group methodologies, distinguishing of infant cry patterns, college students, 8372
within-Ss vs between-Ss designs & experimental instructions, rank order of ratio vs difference judgment of heaviness, students, 82
Repetition (Compulsive) [See Compulsive Repetition]
Replication (Experimental) [See Experimental Replication]
Reply (to Professional Criticism) [See Professional Criticism Reply]
Repression (Defense Mechanism)
Freudian interpretation of "The Book of Thel", 13956
Freud's concepts of repression, 8323
Freud's vs Lacan's theory of psychoanalysis, affect & effect & repression, 8318
projection & repression & rationalization & denial, stress management, college students, 1283
proposed psychoanalytic model of repression, 5547
repressive coping reactions, 40–65 yr old patients with malignant melanoma vs cardiovascular disease, 9960
review of & proposed modifications to repression theory in psychoanalysis, 24107
sex guilt & repression & sexual arousability & experience, sexual arousal during viewing of erotic film & fantasy, 18–53 yr old females, 30733
stories as psychotherapeutic technique, catastrophic anxiety & repression, 15133
Repression Sensitization
age & social desirability & repression-sensitization & direct measures &/vs indirect measures, death anxiety, college students, 28077
conditioning intensity of noise bursts, acoustic EP & unconscious perception, repressors vs nondefenders vs sensitizers, 16653
defensive characteristics & religiosity & conscious fear of death, Jewish college students, Israel, 30599
defensive style & Jewish religiosity, conscious & preconscious & unconscious death anxiety, college students, Israel, 6689
trait anxiety & self concept & locus of control & repression-sensitization & depression, social anxiety, college students & homosexuals, 1307
validity of Repression-Sensitization scale, assessment of self reported symptoms of psychopathology vs defensive style, college students, 13534
Repression Sensitization Scale
correlation between repression sensitization scales & anxiety measures, psychological clients, 203
Reptiles [See Crocodilians, Lizards, Snakes, Turtles]
Republican Party [See Political Parties]
Research [See Experimentation]
Research Design [See Experimental Design]
Research Methods [See Methodology]
Research Subjects [See Experimental Subjects]
Resentment [See Hostility]
Reserpine
alpha-methyl-paratyrosine vs diethyldithiocarbamic acid vs reserpine vs alpha-adrenergic blocker BE-22254, brain norepinephrine & dopamine & naloxone potentiation of apomorphine-induced stereotypic climbing, mice, 24921
reserpine & subsequent dextroamphetamine vs levodopa vs apomorphine, hypothalamic self stimulation, male rats, implications for role of dopamine in reinforcement & possible relations to neocortical slow wave activity, 11552
reserpine, EEG analysis of activating vs inhibitory mechanisms of brain, rabbits, implications for "reserpine depression" & clinical depression, 13921
reserpine, hypertension, 26216
reserpine, stereotyped response to repeated dextroamphetamine administration, rats, 6110
reserpine vs saline pretreatment & para-chloroamphetamine vs side-chain fluorinated analog, open field behavior & brain levels of serotonin & dopamine & noradrenaline, rats, 3405
Residence Halls [See Dormitories]
Residency (Medical) [See Medical Residency]
Residential Care Attendants [See Attendants (Institutions)]
Residential Care Institutions [See Also Halfway Houses, Hospitals, Nursing Homes, Orphanages, Psychiatric Hospitals]
abuse in institutions & residential centers, children, 31606
actions & philosophy & practices of facility administration, establishment & effectiveness of therapeutic milieu, administrators of residential care institutions, 18292
adaptations of short term psychotherapy in residential treatment settings, 7641
administration of residential facilities, mentally retarded, literature review, 1970–82, 23532
age at entry & duration of stay, aggressive behavior & intelligence, 3–25 yr old children's home residents, India, 31687
appropriateness of private residential placement, mentally retarded & emotionally disturbed & handicapped children & adolescents, case law, 25334
Ardale residential community, hard-core juvenile delinquents, England, 18368
art therapy, aged in nursing homes & extended care facilities, 31726
art therapy, autistic & aphasic 6.6 yr old male in residential care institution, 1763
attitudes toward deinstitutionalization & community placement of their child/ward, parents/guardians of mentally retarded former state hospital residents, 9856
attitudes toward residential facilities for psychiatric patients, community residents, 23462
Castle Project, rehabilitation & supportive group housing, 16–21 yr old psychiatric outpatients, England, 26266
change in behavioral & social variables, residents of treatment facility for childhood asthma, 1969–1979, 7647
closing of state hospital & transfer of mentally retarded patients to other facilities, case law, 15470
coeducation in institution, adults with polyhandicaps & epilepsy, conference presentation, 32124
community-based vs residential-center training, independent living skills, blind adults, 21130
community inpatient model program, treatment & rehabilitation, 14–17 yr old mentally retarded offenders, 2177
community residential treatment service, chronically mentally disabled, 28868
computerized model for rank ordering of placement alternatives, children needing residential care, 12822
control of environmental variables & need for professional cooperation in institutional behavior management, profoundly retarded males, 26347
coordination efforts of residential treatment centers & departments of social services & courts, prospective adoptees, 10480
countertransference issues in long term residential treatment, 18–20 yr old males, 4942
critical issues in residential care, prospective adoptees, 10472
demographic & alcohol related factors, selection of medical residential vs recovery home services vs outpatient counseling treatment methods, alcoholics, 21133
design & use of dramatic activities in long term health facilities, disabled elderly, 26315
development of residential treatment in community-based home & educational program & social support system, schizophrenic 15 yr old male with congenital hearing loss, 31627
difficulties in balancing freedom & need for control of patients, staff members in open psychiatric residential treatment setting, 31743
diversional therapy via recreation & leisure, aged in residential care, 31711
early institutional care & return to biological mother vs placement in adoptive vs foster home, adjustment & school performance, 15 yr olds registered for adoption as infants, longitudinal studies, 27824
early institutional care vs return to biological mother vs placement in adoptive or foster home, adjustment & school performance, 15 yr olds registered for adoption as infants, longitudinal study, 6341
educational handling, 13–16 yr old males in boarding institutions, conference presentation, 32132
evaluation of family support unit, mentally handicapped children who used residential facility, England, 23520
excerpts from Michigan Department of Mental Health guidelines, rights of mentally ill & developmentally disabled living in community residences, 15409

facility & community & client characteristics, integration into community residential facility, patients under 35 to over 66 yrs old, 31631
holding environment in residential treatment, severely emotionally disturbed children, 18286
implementation of behavioral system of motivation in residential treatment center, emotionally disturbed children, 31742
institutional abuse as structural aspect of institution itself, adolescents & children, 18329
institutional change, handicapped, 15510
institutional reform, staff quality of work life & adaptive functioning of residents, institutional staff & mentally retarded residents with mean age of 32 yrs, 14860
level of functioning, placement in continuum of residential programs of mental health center, clients with major mental illness, 5026
life skills training & on-the-job training, job assignment in private sector, residents 15 yrs & older leaving group care, 18363
management of personal identity in group home, elderly, Norway, 23491
medication prescriptions, aged in long term care institutions, US vs England, 31516
mental & physical impairment & quality of family & social contacts, geriatric nursing home vs old people's home residents over 65 yrs old, West Germany, 18289
music activities to meet needs & treatment goals, geriatric patients in long term care facilities, 10495
national census of residential facilities for mentally retarded, US, 1982, 10474
need for conceptual model of culture integrated with clinical techniques, residential treatment center serving multicultural children & youth, 31718
need for regulation & professional consultation, community care facilities, 31642
need structures, retired persons living in retirement homes vs with family members, 6350
nonhospital residential setting, short term treatment of acute psychiatric symptoms, 23510
parental dysfunction, admission to institutional care, infants, Sweden, conference presentation, 10352
parental role in treatment, emotionally disturbed adolescents in residential institution, family therapy implications, 31730
perceived control, Ss over 68 yrs of age living in health care facility vs with family members vs in own homes, 3753
personality measures, prediction of success in residential treatment center, emotionally disturbed female adolescents, 4956
place of death & social & demographic & hospice characteristics & days in hospital, elderly patients who died at home vs returned to facility where they died, 12682
predictive factors, costs in behaviorally oriented residential treatment, emotionally disturbed children, 31719
predictive validity of selection interview tool for residential facilities, child care workers, 18797
private vs public space, spatial arrangements in residential group care institutions, residents & staff, 31706
private vs public vs voluntary children's homes, England & Wales, 23430
proposal for special focus program for permanent placement, 5–13 yr old prospective adoptees, 10408
public vs community residential facilities, quality of life, mentally retarded residents, 12809
rate of commitment to residential community corrections programs, convicted adult offenders, 2176
rate of mistreatment complaints, child welfare residential institutions, conference presentation, 9801
residence in large central vs regional institutions vs group homes & social deprivation, responsiveness to social reinforcement & wariness & expectancy of success, male vs female mentally retarded adults, 2-yr longitudinal study, 31675
residential environment quality & resident functioning, 18–81 yr old psychiatrically ill or mentally retarded persons in community residences & boarding homes & independent living units, 7594
residential homefinding unit, preparation & homefinding & postplacement support in residential care & family placement, children, 23434
residential therapeutic program, chronically & severely mentally disturbed patients, 10523
residential treatment & long term care, moderately & severely emotionally disturbed orphans, 10483
residential treatment, autonomy & social integration, mentally handicapped adult residents, 31680
residential treatment center's adjustment of services & assessment & intervention strategies, suicidal behavior, adolescent inpatients, 31722
residential treatment centers, peer review by American Psychiatric Association & Civilian Health & Medical Program of Uniformed Services, 7671
residential treatment program, stress reduction & posttraumatic disequilibrium, acute & chronic victims of violence, bibliography, 23419
residential vs intensive day treatment, school attendance & status offenses, juvenile delinquents, 6- & 12-mo followup studies, implications for cost analysis, 31781
role in institutional reform litigation, social workers, 5125
role of residential treatment centers in preparation for adoption, older children, 10484
self management strategy, implementation of behavior management procedures & role playing & modeling & group discussion, residential child & family workers, New Zealand, 18444
social work & placement in residential care vs family therapy, children, Israel, 23468
staff contact in small vs large unstructured play sessions, severely multiply handicapped children in residential unit, 21075
symbiosis & individuation, integrative process in residential treatment, severely disturbed adolescents, 23501
systems of institutional care & health status of residents & responses of staff, institutionalized elderly females & staff members, New York vs London vs Mannheim, 31707
transfer to small institutional unit, adaptive behavior & psycholinguistic abilities, retarded adults, 4943
transition from residential treatment to permanency in adoption, emotionally disturbed 9–15 yr olds, 4908
treatment of characterological difficulties of old age in chronic care institution, 71 yr old female, 2166
usage of physical environment in community-based homes vs institutions, severely & profoundly mentally retarded 23–68 yr olds, 23441
variables affecting residential placement, severely mentally retarded adults & children, 21096
videogames, self esteem & affect, elderly residents of long term care facility, 26336
words & thoughts from children in residential care institution, 10477
zoning disputes related to group homes for mentally retarded adults & community care facilities for juveniles & elderly, case law, 15469

Resistance (Psychotherapeutic) [See Psychotherapeutic Resistance]
Resocialization (Psychosocial) [See Psychosocial Readjustment]
Resonance [See Vibration]
Resource Teachers
amount of instruction time & formal training & self reported competence in assessment & teaching skills & concepts & perceived importance of subject area, mathematics resource room teachers of learning disabled students, 26481
consistency of clinical diagnosis of reading disabilities, reading specialists vs graduate students, 8142
perception of consultation skills necessary for resource teachers, resource teachers vs regular education teachers vs principals, 2340
resource room programs for special education service delivery, departments of education, 8058
task orientation & adaptability & reactivity of 1st–6th grade learning disabled students, decisions, special education resource & regular education mainstream teachers, 26660
Respiration
age differences & inescapable vs escapable aversive early training experience, heart & respiration rate & amplitude & somatic activity during classical conditioning, kittens, 30008
age differences, cardiovascular & electrodermal changes after visual & auditory stimulation, autistic vs normal vs retarded children, 4365

alcohol ingestion, sleep-disordered breathing, 20–40 yr old premenopausal females, 16736
auditory stimulus & behavioral control of respiration in sleep, college students, 19537
average longitudinal forced expiratory volume, scores on Battery of Asthma Illness Behavior, 15–66 yr old chronic asthmatic patients, 4426
aversion conditioning, development of respiratory & vocal responses, adult cats vs 1 vs 4 vs 8 vs 12 wk old kittens, 27221
biofeedback training, respiration & chronic hyperventilation & idiopathic epilepsy, 23–46 yr olds, 31453
box length & width & frequency & height & body twist in lifting vs lowering task, acceptable weight load & heart rate & oxygen consumption, male college students, 22055
breath- ethanol vs breath-acetaldehyde measurement, determination & time course of blood ethanol level, humans, 24152
circadian rhythms of carbon dioxide emission, genetically deaf vs nondeaf mice, 19424
classical discrimination conditioning of heart rate & respiratory-motor activity, newborn & neonatal goats, 8624
delayed onset of respiration at birth, subsequent development & mortality & cerebral palsy & bronchitis, children studied from birth through 5 yrs of age, 5-yr followup, 6257
diaphragmatic respiration training with percent end-tidal carbondioxide biofeedback, moderate to severe chronic hyperventilation & idiopathic seizures, 10–42 yr olds, 18043
duration of breath-holding, expired air carbon monoxide concentration, cigarette smokers, 25385
electrical stimulation of cerebral cortex vs superior laryngeal nerve, spasmodic expiratory response vs coughing & role of limbic modulation, cats, 16716
electrophysiologic characteristics & heart rate of spontaneous respiratory suspension during practice of Transcendental Meditation program, 21–43 yr olds, 5953
EMG & skin conductance & thoracic respiratory amplitudes during perceptual motor task, telic- vs paratelic-dominant 18–23 yr olds, validation of reversal theory constructs, 16689
encouragement & motivation, performance on forced expiratory maneuver, college students with no history of respiratory disease, 22970
facial & limb muscle tension training, peak expiratory flow rate & respiration & heart rate, male 18–25 yr olds, 8859
grief, ventilatory control, grieving couples under 30 yrs of age, 14602
heart & breathing rates & muscle tone & eye movements & blinking, 21–61 yr old depressed patients, 4252
high vs low airway hyperreactivity, scores on Battery of Asthma Illness Behavior, 17–62 yr old asthmatics, 4424
human/animal bonding, blood pressure & heart rate & respiratory rate, 24–74 yr olds, 8853
inspiration & expiration & muscle control, professional singers, 24705
intermittent pink noise during performance of complex task, blood pressure & heart rate & respiration & pulse, volunteer Ss, 13852
intracisternal administration of morphiceptin analog & morphine sulfate & dextro-ala-dextro-leu-enkephalin, ventilation & ventilatory pattern, unanesthetized dogs, 27591
involuntary breath holding, RT patterns, adult Ss, 13829
musical emotionality, GSR & respiration rate, female college students, 11527
prolonged respiratory exhalation in threatening vs nonthreatening situation, physiological & psychological arousal, college students, 24710
pulmonary afferent inputs, discharge properties of dorsal respiratory group inspiratory neurons, decrebrate paralyzed cats, 8763
rebirthing, potential psychological & physiological harm, 27913
regulated breathing as treatment for stuttering, verbal interaction, 15–27 yr olds, 26223
regulation of breathing during REM vs non-REM vs indeterminant sleep vs waking, human & animal neonates, literature review, 620
relaxation & autogenic training vs transcendental meditation, neurophysiological & respiratory changes, 22–31 yr olds, implications for psychosomatic diseases, 25972
respiration control, stress management, male US Army trainees in airdrop training, 13271
respiration during stages of meditation in yoga & mental arithmetic exercises & deep relaxation, autonomic nervous system activity, 16685
respiratory adjustment during speaking & singing activities, highly trained 23–38 yr old male baritones, 19557
respiratory relief therapy, public speaking anxiety, college students, 18060
respiratory sinus arrhythmia, prediction of cardiac attentional responses during attention to visual stimuli, 14 & 20 wk olds, 30388
resting vs ice water immersion vs alpha biofeedback vs being touched on wrist, heart rate & EMG & skin resistance response & respiration, 18–34 yr olds, 30132
timing of prephonatory movements of larynx & rib cage & abdomen & role of vocal folds in posturing of chest wall, 23–30 yr old males, 19541
ultrasound-related & expiration & inspiration unit discharges associated with ultrasonic vocalization, 3307
vasopressin neuropeptides & ACTH fragments, functional state & capacity of cardiovascular & respiratory systems at rest vs during exercise & memory, human Ss, 6092
ventilatory response to carbon dioxide, neurotically disturbed patients vs transcendental meditation practitioners, 17556
ventilatory response to carbon dioxide, psychobiological marker of respiratory system, 19–41 yr old normal medical students, 16676
yoga, anxiety & intelligence & memory & attention & blood pressure & pulse & respiration, female college teachers, India, 30129

Respiration Stimulating Drugs [See Caffeine]

Respiratory Distress [See Also Apnea, Dyspnea, Hyperventilation]
early language abilities, infants with history of prematurity & respiratory distress syndrome, 25836
hypnotherapy, psychological trauma & drug & alcohol abuse as result of prenatal oxygen deprivation, clinical psychology patients, 2027
respiratory distress syndrome with vs without intraventricular hemorrhage vs bronchopulmonary dysplasia vs hydrocephalus, intellectual outcome, premature infants assessed at 6 & 12 & 24 mo of age, 4472

Respiratory System [See Also Diaphragm (Anatomy), Larynx, Nasal Mucosa, Nose, Olfactory Mucosa, Pharynx, Thorax, Trachea, Vocal Cords]
bicycle exercise vs aversive RT stressor & beta adrenoceptor blockade, cardiopulmonary system response, healthy nonsmoking males, 30157
critical care unit noise, cardiovascular & respiratory systems & psychological comfort during sleep, 20–24 yr old females, 31733
meditation, respiratory & cardiovascular & electrodermal & peripheral vascular & EMG responses, literature review, 31448
mouth vs mouth/pharyngeal vs upper & lower airway anesthesia with lidocaine, cigarette craving & smoking satisfaction, pack-a-day cigarette smokers with mean age of 31 yrs, 11616
ventilatory response to carbon dioxide, psychobiological marker of respiratory system, 19–41 yr old normal medical students, 16676

Respiratory Tract Disorders [See Also Apnea, Asthma, Bronchial Disorders, Dyspnea, Hay Fever, Hyperventilation, Laryngeal Disorders, Lung Disorders, Pharyngeal Disorders, Pneumonia]
biofeedback techniques, respiratory rehabilitation, patients with chronic obstructive pulmonary disease & hyperventilation due to psychic stress, 1941
congenital heart disease vs respiratory infection mortality, deceased Down's syndrome patients, 25705
hypnotic techniques & insight-oriented psychotherapy, 27 yr old female with complex respiratory problems including asthma, 15027
psychological & neuropsychological functioning, patients with chronic obstructive pulmonary disease, 22964
psychological factors, functional upper airway obstruction, 23–46 yr old females, 10009
respiratory & psychological factors, prediction of initial & final work capacity, 42–70 yr old males with chronic obstructive airways disease attending rehabilitation clinic, 5021
sleep related respiratory disturbances, 45–60 yr olds & 60–85 yr olds at 8 & 1–4 yr intervals, 7016
social & familial factors, viral respiratory infections & illness, infants monitored from birth through 1st yr, 4436

solvent abuse associated pulmonary abnormalities, 11–31 yr old solvent inhalers, 17647
Respondent Conditioning [See Classical Conditioning]
Response Amplitude
active respond-withhold tasks, sustained event-related potentials & P3 response & late activity, 26–35 vs 45–55 vs 65–73 yr olds, 16650
age, habituation of auditory event-related brain potentials, young vs old adult males, conference presentation, 19868
amplitude of scalp-recorded event-related potential & sequence of preceding signals & preceding & subsequent behaviors using prediction paradigm, 18–30 yr olds, 19501
anticipatory stress, heart rate & T-wave amplitude, comments on study by G. B. Penzien et al, 19563
assessment of voluntary accommodation, 18–19 mo old monkeys vs 24 yr old human Ss, 29874
auditory evoked P300 brain potential amplitude, college students at risk for development of schizophrenia, conference presentation, 20369
cadmium & lead exposure, amplitude & latency of auditory & visual EPs, 5–16 yr olds, implications for learning disabilities, conference presentation, 20621
classical conditioning task, evoked brain potentials & P300 amplitude & variability, autistic children, implications for role of perceptual inconstancy & psychotic thought, conference presentation, 20305
click stimulation in wakeful state, latency & amplitude changes in brain-stem auditory EPs, 26–38 yr olds, 24654
diazepam & personality traits, latency & amplitude of visual EP, 22–27 yr old males, 19657
electrodermal responding to tone series, assessment of antisocial behavior & schizoid tendencies, 15 yr old males, 12275
hemispheric asymmetry of movement-related potentials preceding foot vs finger movement, right handed 18–26 yr olds, 13793
induced hypothermia by cold water immersion, changes in EEG frequency & amplitude of visual EP, conscious male with mean age of 24.6 yrs, 13850
initial response magnitude & habituation rate to auditory stimulus, orienting response to stimulus omission, female vs male college students, 19291
intensity & duration of shock as UCS in classical conditioning of hindlimb flexion, latency & amplitude of flexion response, cats, 3377
intensity & frequency of sinusoidal displacement stimuli, intensity & frequency of neural firing in pacinian corpuscles, cats, 8755
interstimulus interval & amplitude & frequency of tones, latency & amplitude of event-related potentials during selective auditory attention, 18–28 yr olds, 11478
latency periods & amplitudes of optical EPs, male 9–11 yr olds with brain damage sustained in early childhood, 4404
positive & negative verbal reinforcement, latency & amplitude of evoked cortical activity, human Ss, 27370
psychophysiological & physiological aspects of T-wave amplitude, implications for scientific study of behavior at various levels of investigation, 27441
simple & choice RT tasks, cognitive processing & habituation of amplitude & latency of auditory EPs, 19–40 yr old neurotic depressives, conference presentation, 20329
sinusoidal displacement stimuli, intensity of & amplitude-frequency characteristics for receptor potentials & neural spikes in pacinian corpuscles, cats, 8756
spatial frequency of sinusoidal gratings, amplitude & latency of visual EPs, human Ss, 27419
standard vs deviant tones, short term habituation & dishabituation of mismatch negativity of event related potentials, college students, 11500
tetrodotoxin, regenerative action potentials & receptor potentials of pacinian corpuscles in response to sinusoidal displacement stimuli, cats, 8936
tone intensity, augmenting/reducing phenomena in auditory EPs, 21–48 yr old right handed Ss, 19510
Response Bias
affective response to job as source of bias, dimensionality of Job Diagnostic Survey, nonsupervisory employees, 29768
associative response bias & severity of thought disorders, manics & paranoid & nonparanoid schizophrenics, 1466
common variance, correlation of skeleton profiles of Strong-Campbell Interest Inventory, college students, 16308
confidentiality & anonymity vs nonanonymity alone, predictive validity of self report personality measures & biasing effect of response, college students, 18979
continuous word associations, schizophrenics diagnosed according to DSM-II vs Research Diagnostic Criteria, verification of L. J. Chapman & J. P. Chapman's response bias theory, 6855
controlled vs uncontrolled reinforcer-ratio procedure, discrimination of luminance differences, pigeons, 11417
demographic & personality & attitudinal biases, return of postnatal questionnaires, mothers sent questionnaire 4–6 wks after delivery, 14568
discussion of monotonicity hypothesis in multidimensional scaling, 16387
evaluation of utility energy conservation programs, 8258
formal properties & empirical predictions of new metric for bounded response scales, 21810
guessing & response style, validity & reliability of true-false tests developed for physician certification, 19063
implicit leadership theory, descriptions of actual leadership behavior & susceptibility of leadership questionnaires to response bias, college students, 28043
implicit theories & prior information, bias in judgments of statistical data, college students, 8555
informed consent, bias in research results, patients with tardive dyskinesia, literature review, 21699
knowledge that essay author was assigned position taken or counterattitudinal position, judgment of writer's attitude, college students, 12015
level of interest in topic, response to initial mail questionnaire vs follow-up, manufacturing companies, 2814
locus of control, females who birthed at home vs in hospital, implications for response bias on Rotter's Internal External Locus of Control Scale, 3822
mail survey vs face-to-face interview, social desirability of responses in equity research, urban residents, Netherlands, 5577
neutral instructions vs instructions with negative implications for errors, frequency & detection of reported memory & motor lapses in everyday life, college students, 21732
perception of reinforcement contingency, scalar timing & response bias & erasure of memory, pigeons, 11415
position response bias in visual field recognition of nonverbal stimulus, college students, 8792
presence of response-shift bias, relative power of 5 methods of analysis, 11205
probability of answering sensitive question & proportion of population with nonsensitive characteristic, frequency estimates in randomized response design, college students, 19031
proxy responses to symptom survey, report of illness of absent person, wives vs husbands, 26920
reliability & validity of survey response data on household electrical conservation, surveyed households, 29682
response bias, matching of successive vs simultaneous presentation of multiletter strings, students, 11336
sex of interviewer, response bias in sex role orientation survey, male vs female White college students, 147
social desirability response set bias, interaction effect of locus of control beliefs & stressful life events on psychological well being, married females, 29725
word frequency, use of question mark responses in stress & arousal mood adjective checklist, hospital clinic outpatients with mean age of 43 yrs, 134
Response Duration
duration of leverholding requirement in operant contingency, interreinforcement & work time & postreinforcement response pause, male rats, 21935
percentile reinforcement, latency & interresponse time & duration of conditioned responses, rats, conference presentation, 3190
required temporal duration of operant leverpress in concurrent reinforcement schedules, response accuracy, male rats, 21921
stopping time for inspection items following fault detection, college students, 26827
unilateral vs bilateral presentation of Japanese kana letters in different forms & simultaneously vs successively, classification, test of visual field differences, 11335

Response Frequency
asking closed vs open question, response rate in interviews, retired soldiers, 13504
caffeine &/vs N6-levophenylisopropyl adenosine, responses in operant conditioning, monkeys, 24837
clonidine &/vs alpha-adrenergic &/vs yohimbine &/vs prazosin, response rates under FI vs FR schedules, adult pigeons & male mice, 6137
dextroamphetamine, rate & distribution of verbal responding under FI reinforcement, 19–21 yr olds, 27647
differential reinforcement schedule followed by nondifferential schedule, response rate, pigeons, test of A. R. Wagner & R. A. Rescorla's model, 8613
duration of leverholding requirement in operant contingency, interreinforcement & work time & postreinforcement response pause, male rats, 21935
food-correlated vs random light signals on VI schedule, instrumental response rate & resistance to satiation & extinction, rats, implications for overshadowing explanation, 466
food intake reduction, meal size & frequency, male rats, implications for quantitative models of intake regulation, 5889
foot-in-the-door telephone manipulations, mailed questionnaire response rate & quality, 18907
haloperidol, barpress response after training on levers with varying force requirements, male rats, 3400
intensity & frequency of sinusoidal displacement stimuli, intensity & frequency of neural firing in pacinian corpuscles, cats, 8755
interposition of stimulus between reinforced response & presentation of reinforcer, response reduction on intermittent reinforcement schedules, male rats, replication of findings by R. M. Tarpy et al, 21913
lack of standard definition of survey response rates in marketing research, 2737
low-response rate operant reinforcement contingency, response rate during single vs concurrent schedules, pigeons, implications for reinforcement value maximization, 21942
methadone & multiple FI/FR & VI/VR reinforcement schedules, operant response rate, male rats, 24952
offer of survey results & questionnaire interest, male survey response, business students, 18894
postnatal dietary lead exposure & scopolamine vs pentobarbital, response patterns under FI reinforcement schedules, rhesus monkeys, 19705
prenotification vs personalization vs stamped return envelopes vs follow-up mail questionnaires, response rates, college students, 23901
presentation of postreinforcement stimulus correlated vs uncorrelated with interreinforcement interval duration, response rates in VI operant schedule, male rats, 21938
production rate of random sequences of vocal responses & response bias, college students, 11278
proximity of visual stimulus change to reinforcement & FR vs VR schedule, response enhancement, pigeons, 8662
respondent identification, response rate & quality, respondents to mail surveys, 18892
response deprivation, establishment of reinforcement schedules for academic performance, educable mentally retarded, 21420
separation of response dependency & response–reinforcer contiguity within recycling conjunctive schedule, male rats, 3172
shock punishment contingent on interresponse time, response rate & cessation of responding, adult squirrel monkeys, 8625
signaled vs unsignaled reinforcement delay & blackout interval association, response rates in delay of reinforcement procedures, pigeons, 21922
signaled vs unsignaled reward in FI vs VI reinforcement schedules, salience of temporal interval offset & subsequent overshadowing, rats, 3203
sinusoidal displacement stimuli, intensity of & amplitude-frequency characteristics for receptor potentials & neural spikes in pacinian corpuscles, cats, 8756
temporal order judgments of illumination of 2 lights, visual response proportion & RT, college students, 16412
temporal organization of intracranial self stimulation of medial forebrain bundle & role of motivational & priming factors, male rats, 27500
tetrodotoxin, regenerative action potentials & receptor potentials of pacinian corpuscles in response to sinusoidal displacement stimuli, cats, 8936
trimethyltin dose, response rate during DRL & role of hippocampal neurotoxic effects, male rats, 22195
tripelennamine &/vs pentazocine, FR response rate, male rats, 8968
use of "right" & "wrong" in verbal reinforcement, correlations & rate of response, kindergarten children, 3670
VR vs VI reinforcement schedules & interresponse time reinforcement, keypeck rates, pigeons, 461
Response Generalization
division problem difficulty, response generalization, 8–10 yr olds, 32055
interspersal vs concurrent training procedure, acquisition & retention & generalization of picture names, mentally retarded 7 & 11 yr old females & 7 yr old male, 29381
Response Lag [See Reaction Time]
Response Latency
ACTH 4-9 derivative, event-related brain potentials & autonomic responses & response latency under distraction conditions, male college students, 6149
active respond-withhold tasks, sustained event-related potentials & P3 response & late activity, 26–35 vs 45–55 vs 65–73 yr olds, 16650
application of loads to lower lip, compensatory responses in multiple facial muscles & lip movements during speech, female adults, 8744
cadmium & lead exposure, amplitude & latency of auditory & visual EPs, 5–16 yr olds, implications for learning disabilities, conference presentation, 20621
change in intensity of electrical shock & morphine & clonidine, stimulus discrimination & conditioned responses & response latency, male squirrel monkeys, 8881
chronic exposure to toluene for 30 days, brain function & pentylenetetrazol seizure properties & response to flash EP's, male rats, 27581
click phase & rate, latency of brain stem auditory EP, 15–58 yr olds, 13810
click stimulation in wakeful state, latency & amplitude changes in brain-stem auditory EPs, 26–38 yr olds, 24654
condensation vs rarefaction clicks of variable rise-time, auditory brain stem responses, normally hearing Ss, 13809
diazepam & personality traits, latency & amplitude of visual EP, 22–27 yr old males, 19657
discrimination of external duration vs regulation of action schedules, operant performance level, cats, conference presentation, 3180
errors & response latencies on Auditory Cognitive Style Task, 1st vs 3rd graders classified as good vs poor readers, 14107
familial sinistrality, speed of color naming, female vs male 5–7 yr olds, 16982
fixed-frequency tone vs rising vs falling tone glides with short duration, temporal auditory integration, 9.6–17.3 yr olds with deficits in auditory memory & reading, 14883
Flasher 80 modification of PET Flasher computer software, timing of visual displays & response latencies, 2808
frequency of occurrence of objects' names in print & item difficulty, latency of picture naming, 20–41 yr olds, replication of R. C. Oldfield & A. Wingfield's study, 13700
high intensity auditory stimulus, latency acceleration peaking of heart rate responses, normal vs alcoholic 24–56 yr olds, 12258
high vs average vs low student performance, wait-time in developing answers vs revisions to answers in classroom solicitation, high school foreign language students, 29293
information-processing model, effects of number of stimulus elements & item processing complexity on individual differences in accuracy & speed of spatial processing, college students with high vs low spatial ability, 8568
intelligence & speed of color naming, male vs female 5–7 yr olds, 16955
intensity & duration of shock as UCS in classical conditioning of hindlimb flexion, latency & amplitude of flexion response, cats, 3377

interstimulus interval & amplitude & frequency of tones, latency & amplitude of event-related potentials during selective auditory attention, 18–28 yr olds, 11478
intra-S test-retest reliability of auditory evoked P3 latency, 22–34 yr olds, 19521
latency periods & amplitudes of optical EPs, male 9–11 yr olds with brain damage sustained in early childhood, 4404
lexical familiarity & word frequency & semantic concreteness & number of meanings, word recognition latency, college students, 8562
lexical structure of words, eye fixation location & its effects on naming latency & gaze duration, college students, 404
light adaptation, cone response latency & log sensitivity, humans & turtles & monkeys, 8774
maternal exposure to methadone vs morphine during perigestational period, latency of response to noxious stimuli, infant rats, 22175
mathematical model & theoretical & methodological issues, anticipation of time of predictable sensory event & synchronization of motor response, conference presentation, 3014
percentile reinforcement, latency & interresponse time & duration of conditioned responses, rats, conference presentation, 3190
picture naming vs word reading, time course of picture-word interference, college students, implications for relative speed hypothesis, 19253
pimozide, response initiation latencies & eating times, male rats, 30318
positive & negative verbal reinforcement, latency & amplitude of evoked cortical activity, human Ss, 27370
posttraining injection of naloxone & morphine & drug dosage, retention of inhibitory avoidance response, male mice, 8932
preexposure to tone & context-stimulus associations, latent inhibition in acquisition of conditioned suppression, rats, 5867
pure tones, response latency of EMG in circothyroid muscle, adult rats, 11507
reinforced serial compound stimuli, latency of CR of nictitating membrane, rabbits, 451
relation of response latency & accuracy to choice in serial task, college students, 11252
repetitive click stimuli, absolute & interwave auditory brain stem response latency, normal vs learning disabled 9–14 yr old, 12312
residual latency, heterogeneous strain vs 5 strains of inbred mice, 16594
response latency & speech rate & turn duration convergence in fact-finding interviews, college students interviewing professionals in fields of interest, 27696
sentence contexts, word-nonword decision latency, deaf vs hearing college students, 14920
signs with airplane silhouette &/vs route arrow & congruence of silhouette's orientation & arrow direction, response times & accuracy of derived directional information, urban drivers, 32332
simple & choice RT tasks, cognitive processing & habituation of amplitude & latency of auditory EPs, 19–40 yr old neurotic depressives, conference presentation, 20329
sleep deprivation, latency of retrieval from semantic memory & classification, 17–21 yr olds, 11383
spatial frequency of sinusoidal gratings, amplitude & latency of visual EPs, human Ss, 27419
test lag in continuous memory task, accuracy & response latency of absolute frequency judgments, right handed college students, 11355
test of additive stage process model of answering yes-no questions, college students, 5800
validity of vocal onset latency vs read only trial procedure, "yes/no" question answering research, college students, 21720
verbal & spatial & emotional & nonspecific stimuli, response latency & recovery time of electrodermal activity, literature review, 8781
vibrotactile stimulation to forefingers of left vs right hands positioned ipsilaterally vs contralaterally in left vs right hemispace, response latency, college students, 11467
visually-cued normal- vs anti-saccades, RT & event- vs response- vs movement-related brain potentials to foveal vs peripheral stimulus, human Ss, conference presentation, 19438
visually presented letters, simple vs choice RT & response inhibition, college & high school students & laboratory assistants, 269

Response Parameters [See Also Interresponse Time, Reaction Time, Response Amplitude, Response Duration, Response Frequency, Response Generalization, Response Latency, Response Probability, Response Set, Response Variability]
advance telephone call, response rate & costs of personal interview survey, 8348
alternative for attention band & response ratio hypotheses based on Thurstonian model for magnitude estimation, 16273
counterphased checkerboard stimuli, steady state visual EP responses, anesthetized male monkeys, 24657
extent & velocity & duration parameters of discrete motor program learning, transfer of learning to task involving different response parameters, right handed adults, 24372
information-theoretic measure of redundancy for sequence of responses randomized vs spontaneously produced by Ss, college students, 254
linear models, parameter estimation of ordinal response, 11241
methods & uses of interval & time-sampling direct observation techniques, measurement of response dimensions within well-defined time frame, 13479
precuing & response specification, discrete finger responses, college students, 13655
response-free vs response-restricted situations, mental fusion of visual images, male college students with high vs low vs medium creativity, 29830
response patterns & rates, mail surveys, Netherlands vs US, 18899
responsiveness in dyadic interaction & irrelevant response, processing & retention of response content & attributions concerning speaker, college students, 22599
retention interval & processing during incidental learning & number of study vs test trials during intentional learning, response accuracy vs latency of recall on paired associate tasks, college students, 29954
stimulus-response compatability, choice RT performance & role of motor programing of manual responses, college students, 19176
use of rate vs period for description of temporal patterning in maternal calls & responses, ducklings, C. S. Evans, 18990
use of rate vs period for description of temporal patterning in maternal calls & responses, ducklings, comments on D. B. Miller's data, 18981
Response Probability
movement probability, advanced programing of movements, Ss with mean age of 22.6 yrs, 280
response-outcome contingency & outcome probability & unbroken- vs broken-time-line information presentation, judgment of response-outcome relations, college students, 11341
Response Rate [See Response Frequency]
Response Set
aggressive vs nonaggressive response sets, scores on MMPI subtle & obvious clinical subscales, 21–40 yr old male prisoners, 26975
partial correlation & canonical correlation analysis, control for effects of social desirability in self report inventories, alcoholic inpatients with mean age of 41.5 yrs, 13554
regular vs 6-wk projected response set, predictive validity of Beck Depression Inventory, college students, 13535
response sets in study of stereotyping, male expatriate vs local managers in American vs British vs Japanese firms, Singapore vs Britain vs Hong Kong vs Indonesia vs Malaysia vs Philippines vs Thailand, 8209
response sets of own opinion vs favorable impression, endorsement of irrational beliefs, male vs female college students, 1288
response styles in assessment of self concept, mentally retarded 23–50 yr olds, 28380
social desirability response bias, extraversion & neuroticism scales of Eysenck Personality Inventory, college students, 2941
survey response style, Black vs White 15–23 yr olds, 2851
Response Speed [See Reaction Time]
Response Time [See Reaction Time]
Response Variability
cross-situational variability of behavior & intercorrelation of single vs aggregate personality ratings, college students, 28127
ethanol, extinction-induced spatial behavioral variability in radial maze, male rats, 27578
habenular nucleus lesions, impaired acquisition of DRL operant responding, male rats, implications for septal & habenular functioning, 30181

intra-S test-retest reliability of auditory evoked P3 latency, 22–34 yr olds, 19521
random interval reinforcement schedules, variability of force & interresponse time, male hooded rats, 21940
reliability of retrieval of verbal knowledge about objects & word meaning from semantic memory, college students, 21882
sensitivity to psychopathology & nosological category selectivity & reliability of contingent negative variation & spiral aftereffect, psychotic inpatients, conference presentation, 20356
sinusoidal rotations, vestibulo-oculomotor reflex intersubject variability, 20–29 yr olds, 21831
sources of behavioral variance, chimpanzees, implications for research design problems & sample size selection, 27313
statistical tests, analysis of variability of visual EP, 7–15 yr olds, 13631
stereotypy in randomization & spontaneous sequencing of responses, college students, 3030
treadmill training at various speeds, inter & intratrial variability of locomotor responses, cats, implications for neural control, 27410
Responses [See Also Conditioned Emotional Responses, Conditioned Responses, Conditioned Suppression, Emotional Responses, Mediated Responses, Orienting Responses, Unconditioned Responses]
age differences, absolute frequency & percentage of response to Hand Test, college students & older adults with mean age of 64.9 yrs, 26973
analysis of hesitation in test responses, assessment of weaknesses & measurement of academic achievement, students, 8128
automatic activation vs conscious attention, expectancy concerning modality of stimulus & responses in single- vs dual-task conditions, college students, 400
demographic & treatment factors & post-hospital community adjustment, research dropout in psychiatric setting, older nonresponders vs older completers & older vs younger nonresponders, 5571
electrophysiological techniques, measurement of differences in ontongenesis of resources, children, 3596
human vs computer interviewing, survey response differences, college students, 26923
inclusion of researcher's picture in cover letter & status & role-clothing consistency & similarity between researcher & respondent, willingness to return survey form, college alumni, 11094
monetary incentives, mail questionnaire response rate, professional business executives, 87
practice, response consistency in pursuit tracking task, 23–30 yr old males, 3007
proposal for payment to respondents to polls & surveys & market research, 2835
time limit & access to questions & text- vs reader-based questions, response accuracy & frequency of lookbacks, college students, 11315
VI schedules with 25–35 cents/reinforcement, lever pressing, 24–40 yr olds, confirmation of R. Herrnstein's linear system theory prediction, 3105
Responsibility
accrual mobility as form of job mobility through responsibility accrual, employees of institutes of higher education, 31985
Adlerian group treatment program, agoraphobia & social interest & responsibility, clients, 7632
Adlerian psychotherapy, encouragement of client responsibility, 7250
admissibility of expert psychiatric testimony on question of intent during guilt determination, case law, 3892
aspects of sense of responsibility, primary school students, 993
attitudes toward responsibility of the care of demented elderly persons, caretakers, 18304
attitudes toward social responsibility practices, business school deans vs corporate chief executive officers, 2650
attribution of behavioral vs characterological blame to rape victims as means to maintain adoptive belief in predictable & controllable & meaningful world, college students, 20112
attribution of responsibility & causality, paranoid vs nonparanoid vs undifferentiated schizophrenic vs affective patients, 25592
attribution theory, rape victim responsibility, medical students with mean age of 26 yrs, 1526
beliefs about organizational conditions & position, perception of organizational wrongdoing, federal employees, 13330
case accounts of victim provocation, legal responsibility & years of imprisonment for homicide attributed to offender, college students, 14517
causal vs moral responsibility in defensive attribution, comments on theory of G. Y. Nogami & S. Streufert, 9510
causal vs moral responsibility in defensive attribution, response to criticism by F. D. Fincham, 9524
change in instructional effectiveness generated by mastery learning strategies, responsibility for student achievement & affect toward teaching & teaching self concept, intermediate & high school teachers, 7870
circumstances of pet ownership or other responsibility for animals, life satisfaction & morale, aged community & nursing home residents, 4926
client-assumed responsibility, use of contingent vs noncontingent responses, therapists, 20763
concepts of action & responsibility in psychoanalysis, 5545
coping ability & responsibility of rape, victims, reply to criticism by G. B. Wieder, 25659
development of judgment of responsibility for blame, kindergartners through 3rd graders, implications for attributional vs cognitive developmental vs symbolic-interactionist views, 30400
ethics, sexuality & masochism & egoism & responsibility & freedom, 11057
kindergarten task management programs, perceptions of teacher-learner roles, 2nd graders, followup study, 2441
lifestyle reform movement & social work model of responsibility for health status, 28905
outcome forseeability & motive, attribution of blame for personal injury, 4 yr olds vs adults, 9315
perceived physical attractiveness of pediatric patient, attribution of responsibility for hospital disturbance involving patient, female nurses, 31842
personality variables & ascription of responsibility, 17–55 yr old college students, 30868
philosophical issues, morality & responsibility, antisocial personalities, 25680
psychiatric vs legal presuppositions in definition of man & his world & actions or behavior, 1138
public vs private responsibility, mental health & substance abuse services, conference presentation, 21027
reality therapy, responsible behavior, adult offenders, 4983
responsibility for younger siblings, school grades, Black vs White 6th & 8th & 10th & 12 graders, 7992
responsibility in rape, criticism of article by M. Meyers et al, 25692
seriousness of dishonesty & attribution of responsibility & low vs high status of offender judgment of socially proscribed acts, college students, 14512
sex differences, assignment of responsibility for accident to male vs female in traditionally feminine vs masculine occupation, college students, 28057
sex of assault victim & type of assault, attribution of blame, college students with traditional vs nontraditional gender role attitudes, 4021
social responsibility & anomie & stress anxiety, academic achievement, freshman business college students, 32046
spontaneous vs mimetic-pretend role playing, readiness & responsibility attributions associated with delivery of electric shock to others, college students, 1236
unconscious motivations & legal responsibility & social order, 3914
validity of Rotter's Internal-External Locus of Control Scale, prediction of attribution of responsibility for positive vs negative outcomes, college students, 126
work satisfaction & family responsibilities, employment status, female nurses, 29029
Restlessness
alcohol withdrawal, extrapyramidal symptoms, 48–73 yr old alcoholics, 22867
diagnosis & treatment of akathisia, 23352
fear & restlessness & motion sickness & enuresis, 3 yr old same sex mono- vs dizygotic twin pairs, 16572
febarbamate & pipamperone, agitational & aggressive states, psychiatric patients over 60 yrs of age, 20896

methylphenidate, short term memory & vigilance & mood & motor restlessness, 22–43 yr old normal adults, implications for study of hyperkinetic children, 13873
metoclopramide treatment, tardive akathisia & agitated depression, 47 & 50 yr old female & male patients, 26205
nadolol, neuroleptic-induced akathisia, adults with schizoaffective disorder or schizophrenia or chronic schizophrenia, 23351
neuroleptic treatment using haloperidol or fluphenazine decanoate, impulsive suicide attempts with akathisia, 25 yr old male schizophrenic & 22 yr old female with schizoaffective disorder, 20902
Restraint (Physical) [See Physical Restraint]
Retail Stores [See Shopping Centers]
Retaliation [See Reciprocity]
Retardation (Mental) [See Mental Retardation]
Retarded (Mentally) [See Mentally Retarded]
Retarded Speech Development
categorization skills, normal vs language delayed 5.8–7.1 yr olds, implications for assessment & speech therapy, 6996
language behavior with child, mothers of normal vs language delayed 2.5–5 yr olds, 6988
nonlinear analysis of phonological disability, language delayed 6 yr old, 9879
verbal vs pictorial stories, constructive comprehension abilities, language disordered 7.8–8.9 yr olds, 28388
Retention [See Also Recall (Learning), Recognition (Learning), Reconstruction (Learning)]
ACTH vs corticosterone vs arginine vasopressin & vasotocin, memory retention, white-Leghorn black-Australorp cockerels, 750
anoxia & hypoxia treatment given 2.5 or 5 min after passive avoidance learning, memory retention, day old chicks, implications for multistage model of memory, 650
assessment for concept retention after 1.3–4.7 yrs, squirrel monkeys, 21910
auditory & visual memory training, retention of auditory & visual stimuli, kindergarten students, 14077
bilateral hippocampal vs cortical lesions & context, discrimination learning & retention & reversal learning, male rats, 715
bilateral hippocampal vs neocortical lesions, acquisition & retention of CR based on simple associations vs conditional vs nonconditional discrimination, male rats, 3388
categorization strategy, retention of literary vocabulary, 10th–12th graders, 5204
coloration models, role of emotions in representation & remembering of text & real events, 413
conscious cognitive vs mental counting strategy & S- vs E-defined rehearsal, short term retention of temporal visual information, graduate students, 395
cooperative learning in pairs, acquisition of knowledge & skills, college students, 10748
cycloheximide, retention of passive avoidance task, male rats, 13908
cycloheximide vs diphenylhydantoin, memory retention in passive avoidance learning, day-old white-Leghorn black Australorp cockerels, 751
depth of information processing, mental representation & retention of problem solving & recall tasks, female secondary school students, 11761
diisopropyl fluorophosphate, reduced muscarinic receptor binding & memory for passive avoidance task, rats, 27610
diisopropylfluorophosphate, passive avoidance retention & cortical quinuclidinyl benzilate binding, rats, 27587
discrimination & retention of stimulus temporal order & duration, pigeons, conference presentation, 3211
dopamine supersensitivity & apomorphine, retention of brightness discrimination, male rats, 16507
DRL training of 16 vs 20 sessions, long term memory retention, 6 vs 26 mo old male rats, 13753
duration of contextual cuing & cuing-test interval, forgetting of maze performance, male rats, 8620
early learning & memory & long term retention, preterm vs full-term infants, 9181
ECS preexposures, retention of passive avoidance learning & retrograde amnesia, rats, 3376
ECS, retention & retrograde amnesia, male mice, 3380
evaluation of decay in cardiopulmonary resuscitation skills over time, trainees, 31598
generative text processing strategies, recall & retention of textual material, college students, 29921
graphic organizer as aid in text lacking in unity, retention of relevant vs irrelevant ideas, above average 4th graders, 5267
imagery instruction, reading & retention of literary text, female college students, 29914
immediate vs delayed posttraining injection of beta-endorphin, retention of avoidance training & role of cholinergic mechanisms, male mice, 19685
instructions about text structure prior to reading vs prior to recall, free recall & recognition of information in research vs journalism texts, college students, 11344
intermittent reinforcement, generalization & maintenance of language response to trainers at school & mothers at home, developmentally disabled 3–5 yr olds, 18049
interspersal vs concurrent training procedure, acquisition & retention & generalization of picture names, mentally retarded 7 & 11 yr old females & 7 yr old male, 29381
interval between medical training & comprehensive examination, retention of knowledge, medical students, 18450
ip vs icv ACTH vs epinephrine vs beta-endorphin, retrieval of inhibitory avoidance task, female rats, 737
lateral entorhinal cortex electrical stimulation, retention & extinction of conditioning of appetitive task, mice with lesions of perforant path, 22096
learning & retention of gestures, apraxic patients with vs without aphasia, 25824
letter vs abstract form stimulus arrays with variable interstimulus intervals, retention, 3rd & 5th graders classified as average vs supra readers, 14075
lorazepam, digit span testing & visual retention & picture recognition & verbal learning, Ss with mean age of 22 yrs, 11603
memory & short term retention, 19–56 yr olds with multiple sclerosis, 14930
mood variation, learning & memory & retention, college students, 409
PASCAL program, assessment of recall & recognition of general information facts & subjective certainty, 29714
polyunsaturated fatty acid-deficient diets during perinatal period, retention of discrimination learning task, rats, 8894
post trial injection of atropine into caudate nucleus, short & long term retention of passive avoidance, male rats, 24918
posttraining injection of naloxone & morphine & drug dosage, retention of inhibitory avoidance response, male mice, 8932
pretest amphetamine, forgetting of conditioned emotional responses, rats, 6156
pretraining administration of scopolamine, acquisition & retention of choice behavior, male cockroaches trained to turn to avoid shock, 3404
question type in textual reading, understanding retention of biology concepts, college students, 7912
questioning cueing before reading, reading flexibility & attention allocation in question answering, 4th vs 6th graders vs college students, 10763
radio weather forecast with vs without TV pictures, recall, college students, 30327
rehearsal vs nonrehearsal of learned sets of noun labels, retention after 9 wks, 8–10 yr old autistic males, implications for structure of special education programs, 5333
REM vs slow wave sleep, retention of information, college students, 643
remember & forget cues, memory for pictorial stimuli, monkeys, 3193
repetition of order information, short term retention, college students, 24482
responsiveness in dyadic interaction & irrelevant response, processing & retention of response content & attributions concerning speaker, college students, 22599
retention of computer keyboard symbolic communication skills, institutionalized severely retarded 14.3–21.8 yr olds, 18-mo followup, 14864
retention of items & source amnesia, 30–70 yr old patients with severe memory disorders & college students, 25919

reward amount & omission, short term retention in delayed alternation procedure, male rats, 3205
role of pictures in comprehension & retention of written texts, children, literature review, 25144
serial position on grouped vs ungrouped lists & probe position & precuing, temporal properties of recall, 18–39 yr old college students, 29951
strategies in reading sentences for retention vs comprehension, 5th graders vs college age adults, 6273
structured vs unstructured oral discussion in cooperative learning groups vs individualistic learning, daily & postinstructional achievement & retention, 2nd graders, 18609
symmetrical reinforcement of delayed matching to sample & auditory vs visual stimulus, retention, rats, 5863
task variables, retention & recall of verbal materials, male vs female 11th graders, 3646
teaching method with vs without feedback & cognitive style, retention & transfer of science information, 6th graders, 1-yr longitudinal study, 29250
teaching model of O. Blake, attitudes toward subject matter & retention & application of knowledge in social psychology course, college students, 18585
thermocoagulation vs kainic acid pulvinar lesions, pattern discrimination retention & color discrimination learning, monkeys, 8918
tone & mild shock pairings & single strong shock immediately vs 30 min after training, effect of tone on drinking, male rats, 30178
training duration & distribution, retention of operant motor task after 1- vs 2-wks, 8 wk olds, 30480
unilateral entorhinal cortex &/vs psalterium lesions & lesion-induced synaptic proliferation, recovery of spatial alternation task performance, male rats, 22123
use of propositions for sentence meaning & reading speed & retention, 3rd grader beginning readers vs 5th grade skilled readers, 9197
variation in temporal structure & frequency of auditory stimuli, auditory discrimination & retention, monkeys, 11408
vasopressin & time of application, retention of learned submissive behavior, DBA/2 vs C57BL/6 mice, 6162
vasopressin vs vasopressin analogue, retention of passive avoidance training, chicks, 11584
verbal advanced organizer & field independence & scholastic aptitude, learning & retention of medical surgical class content, nursing students, 23636
verbal instruction alone vs with line drawings & visual vs nonvisual testing & cued vs free recall & order of testing, academic achievement, college students, 5275
visual vs auditory modes of presentation, short term retention of paired associates, males vs females with mean ages of 16.4 & 15.6 yrs, 14027
visual vs auditory vs mixed vs no sensory confusions, reading decoding & silent comprehension & specific errors & verbal retention, 8–11 yr old dyslexics, Chile, 21399
youth training program in use of microcomputers, transfer & retention of training, motor vehicle servicing vs information technology trainees, 5449
2nd language attrition, high school & college students, implications for programmatic research, 3093

Retention Measures [See Also Free Recall, Recall (Learning), Recognition (Learning), Reconstruction (Learning)]
age differences & construct validity of Wechsler Memory Scale, 20–79 yr olds with suspected neurological disorders, 13617
age, Wechsler Memory Scale performance, healthy younger vs older adults vs older neurologically impaired Ss, 14072
development of Continuous Paired Associate Test, assessment of verbal & figural memory & hemispheric differences in memory processing, 18–48 yr olds, 19091
development of Perceptual Memory Task, assessment of learning style, normal & multiply handicapped 4 yr olds through young adults, implications for vocational evaluation, 13580
evaluation of Extended Mental Status Questionnaire & Philadelphia Geriatric Center Delayed Memory Test, prediction of senile dementia, patients with mean age of 75 yrs, 19107
problems in testing, diagnosis of memory disorders, 21734
reliability & factor structure of Subjective Memory Questionnaire & effects of age & sex & social class on scores, dental outpatients & postgraduate students, 21765

Reticular Formation
acetylcholinesterase inhibitor neostigmine injections into dorsal pontine tegmentum, sleep wake cycle, male cats, 22133
application of morphine vs GABA to nucleus reticularis tegmenti pontis, reversal of akinesia & release of festinating forward locomotion, male rats, 13877
application of strychnine & bicuculline & pentylenetetrazol onto mesencephalic reticular formation, neuronal responses to sensory stimulation, cats & rats, 13883
behaviorally arousing electrical stimulation of mesencephalic reticular formation, 2-deoxyglucose uptake in auditory system, albino rats, 11553
computer graphics analysis, effect of lesions of pontine gigantocellular &/or lateral tegmental fields on sleep wakefulness state, adult female cats, 19624
electrical activity of reticular formation during aversive & appetitive conditioning, rats, 3282
electrical stimulation of bulbar reticular formation vs prefrontal cortex, skeletal activity & behavioral inhibition, rats, 3381
EMG & method for recording multiple unit activity in reticular formation in continuous monitoring of sleep-wakefulness cycles, implications for evaluation of dose- & time-response parameters of sedative-hypnotic drugs, 779
GABA agonist microinjection into pedunculopontine nucleus & nigrotegmental lesions, postural bias & circling behavior, male rats, 8878
globus pallidus vs lateral thalamus vs substantia nigra vs midbrain central gray vs median raphe vs pontine reticular formation lesions, climbing detour problem solving behavior, male rats, 30190
injection of bradykinin vs coronary artery occlusion, response of spinothalamic & spinoreticular neurons, monkeys & cats, 8877
injection of carbachol into pontine & midbrain & medullary reticular formation, desynchronized sleep signs, male cats, 16732
lesions of nucleus reticularis magnocellularis, supraspinal vs spinal pain reflexes & spinal cord monoamine levels, ovariectomized female rats, 8928
noxious stimulation, immunoreactive met-enkephalin release from nucleus reticularis gigantocellularis of medulla oblongata, rats, 3374
ocular oscillations in darkness vs cancellation of vestibular ocular reflex by target fixation vs vertical smooth pursuit vs ocular fixation, action potentials in rostral vestibular nuclei & reticular formation, monkeys, 8831
posttrial stimulation of mesencephalic reticular formation, generalization performance of spatial learning problems, male rats, 19599
projections of rostral medulla in nucleus reticularis magnocellularis & gigantocellularis, rats, 610
stimulation of midbrain reticular formation, neuronal activity in visual cortex during CR, rabbits, 27499
stimulation of midbrain reticular formation, reactions to light flash in visual cortex, 3372
transection of left optic tract & cerebral commissures, visual EPs, cats, 11561

Retina [See Also Cones (Eye), Ganglion Cells (Retina), Rods (Eye)]
age & disease duration & blood glucose, scores on Farnsworth-Munsell 100-Hue Test for Examination of Color Discrimination, 20–82 yr old diabetics, prognostic implications for retinopathy, conference presentation, 25867
analysis of photoreceptor thresholds in isolated skate retina, 8816
asymmetries & anisotropies & individual differences in topographic organization of visual fields in striate cortex, macaques, 8836
clinical utility of transient tritanopia effect, localization of site of retinal damage, patients with various eye diseases, conference presentation, 25838
clorgyline, circadian retinal rhythms, rats, 787
distribution patterns of retinocollicular pathways, normal hamsters vs hamsters with eye enucleated at birth, 8798
efferent innervation, retinal function, horseshoe crab, 19433
foveal & extrafoveal distribution of macular pigment, humans, conference presentation, 24420
foveal load & retinal eccentricity & left vs right visual field, peripheral line orientation discrimination accuracy & tunnel vision, college students, 29884

guanosine triphosphate vs cyclic guanosine monophosphate phosphodieterase, retinal rod membrane voltage, toads, 551
light & dark adaptation, binding of flunitrazepam to benzodiazepine receptors in retina & lateral geniculate nucleus & superior colliculus & visual & frontal cortex, rats, 30099
light vs dark conditions, retinal substance P, chicks, 16702
neural retina vs pigment epithelium & optic lobe, blood flow & uptake of nutrient analogs, 5–7 day old chicks, 11517
neurobehavioral effects of retrolental fibroplasia, cognitive development & intellectual functioning, literature review, 4509
occlusion of central vs peripheral retina, optokinetic nystagmus, humans, 24406
quantal fluctuations & optics & size & spacing of visual receptors in retina, visual acuity & hyperacuity, human Ss, 11476
retinal detachment surgery, color discrimination deficiencies, patients, conference presentation, 26227
retinal eccentricity, motion sensitivity for line stimuli undergoing unidirectional & oscillatory displacement thresholds, 19216
retinal ganglion cell death, terminal field retardation in development of ipsilateral visual pathway, rats, 5982
retinal vs extraretinal information, flash localization against visible background during saccadic eye movements, adults, replication of N. Bischof & E. Kramer's study, 24425
retinotopic organization of expanded projection to superior colliculus, adult rats with eye removed at birth, 27466
RTs to lateralized light flash, nasotemporal overlap in retina, college students, 3290
severity of retinopathy, scores on Farnsworth-Munsell 100-Hue Test for Examination of Color Discrimination, insulin-dependent vs nondependent diabetics, conference presentation, 25868
spatial organization & parafovean visual evoked potential contrast sensitivity, 285
ultraviolet light-induced retinal damage & subsequent recovery of visual thresholds, male rats, 19581
visual contrasts of 50 vs 100 percent, visual EPs, 53–68 yr olds with monolateral macular disease, 28415
visual cortex damage, loss of retinal X-cells, kittens, 19620
visual stimulation & consequent eye movements, neuronal responses of saccade-depressed vs saccade-excited cells in striate cortex, alert cats, 8832
Retinal Ganglion Cells [See Ganglion Cells (Retina)]
Retinal Image
alternation of visual edge stimuli having different blur profiles, apparent movement of edge & role of spatial filtering prior to nonlinear transduction, human Ss, 8506
background luminance & spatial filter & retinal image noise, vernier acuity, 29885
direct photographic recording of ocular monochromatic aberration using crossed-cylinder aberroscope, humans, 16276
extrafoveal vision, loss of spatial phase relationships, 30097
illumination & retinal size, depth stratification of subjective contour figures, adults, 24385
luminance of peripheral vs foveal presentation, perceived target size, human Ss, 5705
measurement of modulation depth of interference pattern presented to left eye, 30 yr old female, 24401
measurement of retinal image motion during forced angular head vibration, 17–44 yr olds with vs without vestibular dysfunction, 25930
monocular viewing of small target on patterned vs patternless background, fixational eye position & autokinesis, Ss with amblyopic vs nonamblyopic eye, 24439
perceived dominance of vertical vs horizontal pattern components & contrast of single grating, support for eye movement-afterimage theory of monocular rivalry, 29843
perception of symmetry & bilateral symmetry of visual system, college students, 24418
rainbow as pure visual illusion, 19190
terrestrial passage theory & retinal image constancy, celestrial illusion, 29867
Retinal Vessels [See Arteries (Anatomy)]
Retirement
attitudes toward retirement, 60 vs 64 yr old employed males, Netherlands, 29558
decision process & adaptation to retirement, females, literature review, 5439
educational & occupational status & health & social interaction, retirement, 58–63 yr old females vs 46–70 yr old males, 6362
educational attainment, retirement, White male 57–71 yr old wage & salary workers, 8170
employment status & occupation, salience of work & family & leisure/community involvement, elderly males, 10-yr followup, implications for clinical practice, 25046
evaluation of effectiveness of holistic care program, Ss over 62 in retirement community, 15392
expectation & intention & action in retirement, nonfaculty college staff aged 58 yrs & older, 2621
explanations for decision to accept or reject early retirement option, university faculty, 29131
fear & aggression & interpersonal activity & disengagement from social role activities, retired aged living in independent units vs hostel accommodations in retirement villages, 4052
geographic & social & economic factors, retirement migration decision making, 55–64 yr olds, 13999
international flexible retirement policies, 5429
leisure roles & income & health problems & employment background, life satisfaction, female homemakers vs retirees with mean age of 73 yrs, 12086
life satisfaction & leisure activities, test for phases of retirement, male retirees assessed over 6 month intervals, 30502
major role loss due to widowerhood & retirement & personal traits & prior participation, social participation, 59–63 yr old males, implications for preretirement education & programing, 1014
meaning of retirement & impact on social network, retirees prior to vs 6–8 mo after retirement & members of social network, 14169
meaning of working, students vs temporary workers vs self-employed businessmen vs engineers vs teachers vs tool & die makers vs white collar workers vs textile workers vs unemployed vs retired workers, Israel, 21547
need structures, retired persons living in retirement homes vs with family members, 6350
organization of emeritus college for utilization of skills & experience & knowledge, retired professors, 31964
pension & Social Security eligibility & retirement of husband, retirement plans, middle aged working women, 5442
prevention of identity crisis at retirement, 26735
process & related problems of entry into retirement communities, researchers, 13512
program model for dealing with emotional & psychological issues of retirement decision, employees, 16011
provision of living arrangements on college campuses & reciprocal volunteer work in departments of their expertise, retired & elderly professionals, 23732
public attitudes toward reliance on social security in retirement income, adults, 5440
reactions to retirement, 59–73 yr old professors from liberal arts vs comprehensive colleges vs major research university, 2335
recommendations concerning employment & retirement issues, 1982 United Nations Assembly on Aging, 5434
relationships between populations & environments, development of retirement communities, 16136
retirement & marital status changes, happiness, 58–63 yr old males, implications for necessity of considering other status changes in retirement research, 27882
retirement, life satisfaction & depression & leisure time, 52–97 yr old Blacks, 17041
retirement lifestyles, retired physicians & nurses & social workers, Israel, implications for continuity & development & disengagement theories, 2263
retirement process, implications for counseling, literature review, 6255
satisfaction in retirement & strength of work ethic & daily activities, well educated 53–88 yr olds who had had middle class occupations, 16009
sex role traditions, attitudes toward pre- & post-retirement experiences, male vs female emeriti officers in urban university, 18542
time perception & retirement & adjustment, recent retirees, 17067
Retroactive Inhibition
context specificity, conditioning & extinction & latent inhibition, rats, 11416
CS-signaled reduction in shock duration, inhibition of shuttlebox avoidance response, rats, 8616

inhibition of transfer both by more frequent occurrence of target words in word completion exercise & by prior recall of target words, 11th graders, South Korea, experimental replication, 932
psychophysical properties of temporal control & memory for event recency, effect of retention delays of performance on memory tasks, literature review, conference presentation, 3201
retroactive inhibition without intentional new learning in paired associates task, college students, support for stimulus encoding theory, 27184
retroactive vs proactive interference, visual discrimination learning & memory, 5–6 vs 24–26 mo old rats, 16521
UCS experience, taste aversion learning, rats, 11423
Reversal Shift Learning
bilateral hippocampal vs cortical lesions & context, discrimination learning & retention & reversal learning, male rats, 715
fornix transection, reversal shift learning, cynomolgus monkeys, 19626
ganglioside treatment after lesions of caudate nucleus, central sprouting & spatial reversal learning, male rats, implications for behavioral deficit recovery from brain damage, 13853
high magnesium diet, hippocampal frequency potentiation & reversal learning, 25 vs 9 mo old rats, 27607
response inhibition on discrimination & reversal tasks, mildly & moderately mentally retarded 8–10 yr olds, 14844
trial containing information on new contingency during successive reversal training, development of choice strategy & reversal performance, monkeys, 24550
verbal reinforcement combinations, reversal shift & nonreversal shift learning, 11–13 yr olds, 11715
Review (of Literature) [See Literature Review]
Revolutions (Political) [See Political Revolution]
Rewards [See Also External Rewards, Internal Rewards, Monetary Rewards, Preferred Rewards]
alpha-flupentixol & haloperidol, place preferences produced by morphine vs dextroamphetamine sulfates vs cocaine, adult male rats, 30266
bonus for cooperative choice vs penalty for noncooperative choice, rate of cooperation in social dilemma situations, college students, 20114
brain reward circuitry & intracranial self stimulation, rats, 5997
brain stimulation reward, sensitivity of caudate nucleus & nucleus accumbens & amygdala, rats, 6066
collative preference for variety of rewards, preschoolers vs 2nd vs 4th graders, 30464
contractual vs endogenous vs unexpected rewards, quality of performance, 4 yr old kindergartners with high vs low interest, 32052
deservedness of reward & storytelling & vicarious reinforcement, learning of generosity, Catholic 2nd–3rd graders, 17043
diversification strategies & design of managerial reward systems, industrial managers, 21585
dorsal hippocampal lesion, thresholds for ventral tegmental area self stimulation reward, rats, 27488
electrical stimulation or amphetamine injections into nucleus accumbens & tegmental area & hypothalamus, brain reward circuitry, rats, 6063
expectations for future interaction with male vs female coworker & type of reward & allocation decision, reward allocations, male vs female college students, 28028
group cohesiveness & drive & productivity, leader reward & punishment behaviors, municipal & state & mental health service employees, 21623
group discussion, equity vs ingroup bias in reward allocation, female college students, 30790
high vs low costs & rewards, level of help provided & perception of rewards & costs, college students, 12072
incentives & rewards & career ladders, teachers, 21258
individual merit & social rewards as inherent in industrialized society, US labor force data, 27898
internal interest & reward magnitude, preference for interesting vs uninteresting toy, 1st & 2nd graders, 22387
large vs small reward odor cues, simultaneous vs successive negative contrast, 11 vs 14 vs 17 day old rat pups, 11406
lateral vs medial hypothalamic electrical stimulations, escape & approach responses, male rats, 691
lesson structure & teacher-student interaction & negative reinforcement & rewards & monitoring, time on task, hearing impaired high school students, 21418
locus of control & prostrike attitudes & instrumentality of intrinsic outcomes & valence of extrinsic outcomes, intention to join union, female nursing students, 12878
naloxone antagonizable changes in behavior, endorphinergic modulation of neural reward systems, male rats expecting vs having received rewards, 24827
offer of reward preceding vs following choice to participate, intrinsic motivation & attribution, college students, 21895
overcorrection & rewards, nocturnal head banging, 7 yr old female, 4751
perceptions of incentives for employment, employed vs unemployed nurses, 18429
performance-contingent reward vs evaluation & feedback on pinball competence, intrinsic interest, college students, 422
performance contingent rewards & competence valuation, intrinsic motivation, male vs female high school students, 30507
performance contingent rewards & goals, motivation & self efficacy & performance, 9–11 yr olds, 21332
problem of philosophical analysis of religious concepts of punishment & reward, 8296
pulse current & electrode distancing, rewarding brain stimulation, rats, 30168
recommendations for improvement of career opportunities & incentives, teachers, 21257
reward amount & omission, short term retention in delayed alternation procedure, male rats, 3205
reward-induced decrements & increments, intrinsic motivation, literature review, 5838
reward magnitude, key pecking & food intake in closed economy, pigeons, 13759
reward skew, foraging preferences, white-crowned sparrows, 483
reward strategy in intervention, compliance with gynecological examination, 14 yr old autistic female with dysfunctional uterine bleeding, 6754
rewarding actions of saccharin & sucrose, taste preference & memory, male rats, 3185
rewarding effect of ventral tegmental morphine infusions, rats, implications for ability of opiate receptor fields to produce physical dependence, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 727
rewarding hypothalamic stimulation, plasma catecholamine, male rats, 8901
rewarding natural vs intracranial self stimulation & cue signals, integrated lateral hypothalamic unit responses, rats, 27504
rewards & opportunities, improvement of education & quality of teaching, teachers, 21270
rewards & practice, attentional performance, learning disabled 6–13 yr olds, 17676
self management strategy with rewards, decrease in undesirable behavior & generalization to sheltered workshop setting, mentally handicapped 21–28 yr olds, 18362
serial patterns of electrical brain stimulation rewards, rule learning, rats, 24541
sex & experience level, value of institutional rewards, elementary school teachers, 5182
short vs long refractory periods for fibers of hypothalamic substrate of brain stimulation reward, rats, 30067
stimulus manipulations antecedent to vs consequent on response, performance on position discrimination, profoundly mentally retarded 17.8–57 yr olds, 4360
strategies for creation of incentives for teaching underprepared students, college teachers, 31963
support for equal or equitable reward allocation for work performed, interpersonal attraction, 12028
tangible vs social vs undefined reward, helping behavior, kindergarten vs 2nd grade males, 22373
traditional vs alternate reward system, classroom attendance, college students, 23793
TV commercials, delay of gratification, kindergartners, 25182
type of distributive reward system, competitiveness of fantasy in projective story, female vs male college students, 28046

verbal praise vs vibration vs edible rewards, performance on perceptual motor task, mentally retarded students with median age of 5.5 yrs, 5346
Rheoencephalography
rheoencephalography study of regional cerebral blood flow in right vs left frontal regions during time estimation, 22–45 yr old males, 568
Rheumatic Fever
social factors, initial attacks of rheumatic fever, children, 17735
Rheumatism [See Arthritis]
Rheumatoid Arthritis
biobehavioral factors of treatment compliance & arthritic pain & psychosocial adjustment & functional independence, juvenile rheumatoid arthritis patients, 17811
familial schizophrenia & ankylosing spondylitis, case report, 6717
incidence & family history of major affective disorder, 29–72 yr old patients with fibromyalgia vs rheumatoid arthritis, 20526
McGill Pain Questionnaire, identification of pain syndromes, rheumatoid vs degenerative arthritis vs cancer patients, 178
narrative reconstruction of beliefs about etiology of illness, patients with rheumatoid arthritis, 3 case reports, 28523
psychosocial adjustment, adolescent offspring of depressed vs arthritic patients, 25495
Revised Multidimensional Pain Scale, pain assessment, Ss suffering from 1 of 4 types of rheumatoid diseases, 4420
Rhodopsin
analysis of photoreceptor thresholds in isolated skate retina, 8816
presence of color-sensitive visual pigment, phototactic archaebacteria, 27334
Ribonucleic Acid
ethanol, learning & performance of passive avoidance task & RNA synthesizing activity of brain cortical synaptosomes, rats, 721
glycerol & glucose & lysine, RNA content of ventromedial vs lateral hypothalamic neurons, male infant rats, implications for role of hypothalamus in food intake control, 22184
intracranial injections of actinomycin-D or cycloheximide or anisomycin in conjunction with estrogen or progesterone, lordosis, female rats, 6141
nontemplate RNA synthesis in neurons, learning, snails, 604
Rigidity (Muscles) [See Muscle Contractions]
Rigidity (Personality)
behavioral rigidity & obsessive compulsiveness & authoritarianism, college students, 25466
concept of rigidity, literature review, 14592
idealized physique preferences & attitudes toward women & personality rigidity, male college students, 20081
levels of authoritarianism & dogmatism & rigidity, female trainees, Ireland, implications for implementation of new teaching methods in primary schools, 29128
rigid personality & rigid thinking as measured by divergent thinking tests, college students, 20145
rigidity & self esteem & attitudes about change to computer-based information systems, clerical & professional agency personnel, 26808
rigidity, verbal paired associate learning, female college students, 24502
Riots
comparative analysis of traditional crowd psychology & lay accounts of crowd events during street disturbances, England, 22589
ethnicity & age, emotional response to & perceived causes of & solutions for 1981 riots, female vs male nurses & doctors & other psychiatric hospital staff members, England, 1016
Liberty City riot, feelings of alienation, metropolitan police officers, 2666
race & emotional reactions & perceived causes of 1981 riots & proposed solutions, psychiatric hospital staff, England, 2237
social identity model, crowd behavior in riot, England, 6421
Risk Populations [See At Risk Populations]
Risk Taking [See Also Gambling]
aerial pesticide spray, perceived health risk & environmental risk & number of precautions taken & acceptability, 15–74 yr old urban residents during 1981–82 Mediterranean fruitfly crisis, 5503
amount of capital on hand, betting & savings decisions under risky vs riskless conditions & proportion of capital saved, college students, 3985
behavioral threat-avoidance model of driving behavior, 13235
cognitive & psychophysical determinants of choice in risky & riskless contexts, 5780
components of research on decision making under risk & behavioral decision theory, literature review, conference presentation, 21877
concept of identity risk as basis for developmental transactions with environment, adults, conference presentation, 857
conjoint design & analysis of bilinear model, judgments of risk, college students, 18974
contingency model of strategic risk taking, management decision making, 23966
coparticipants' consent decisions, decisions to consent to experiment involving risk of moderate electrical shock, female vs male college students, 30775
decision making & risk taking & psychological time, literature review, 347
demographic characteristics, perception of risk/return characteristics of stocks, investors, 24073
deterrence & social bonding & social learning, social control of criminal involvement, college freshmen, 1141
development of general test, differentiation of moment vs dimensional risky choice strategies & demonstration of task dependence of single-peaked preference, college students, 11201
development of inventory to assess risk takers' personality, 20–45 yr olds, implications for personnel selection, 11161
evaluation of risks in adoption process, 9395
facial expression of mother, visual cliff behavior, 12 mo olds, 14205
goal-risk behavior, males with mean ages of 14.6 & 15.3 yrs, 6387
group composition, helping action in risky situations, 5–13 yr olds, 25178
high achievement motivation & intermediate levels of risk-preference, Ss with internal locus of control, 30862
high frequency of intoxication index, risk & inclusiveness, Ss over 18 yrs of age, 3975
identity risk & developmental transactions with environment, adults, criticism of S. C. Howell's paper, conference presentation, 853
identity risk & developmental transactions with environment, adults, reply to T. Fujihara's comments, conference presentation, 858
interest & decisional power, judgments of risk & benefit concerning hazardous materials, conference presentation, 21864
judgments of preference for & riskiness of lotteries, distributional model of risk, college students, 13647
killing of American nuns & lay volunteer in El Salvador in 1980, risk of death in prophetic ministry, 14271
knowledge of contraceptive methods & abortion practices, risk taking, 18–25 yr old never married males vs females, 1192
loyalty to existing suppliers & characteristics of buying situation & perception of procurement problem, perception of risk in buying decision, industrial buyers, 23981
minisociety economics instruction, perceptions of entrepreneurship & occupational sex stereotyping & risk taking & persistence & economic success, male vs female 3rd–6th graders, 2475
nature & inhibiting factors of risk taking, managers, 16074
personality profiles, anxious vs reckless drivers, 22868
presentation of alternatives having uncertain monetary outcomes, choice behavior & role of subjective probabilities, human Ss, test of expected utility model, 8586
presentation of model predator, attack distance, juvenile coho salmon, 27244
risk homeostasis theory, automotive safety, 24040
risks & incomplete knowledge, decision making, application of decision theory analysis based on expected utility, 3089
safety belt usage, perception of risk of accident, 18–25 vs 38–50 yr old male drivers, 23926
sensation seeking & risk taking behavior, firemen vs rescue squad members vs sportsmen, 26750
size of stimulus choice set, consistency of choice in "pick" vs "reject" response modes, test of C. H. Coomb's unfolding theory, 21731
validity of Kirton Adaption-Innovation Inventory as determined by dogmatism & sensation seeking & risk taking & innovation scale scores, college students, 24230

willingness to take risks in management of pharyngitis, medical patients, 28825
zest for danger & risk taking & death instinct, mountain climber, 2613
Ritalin [See Methylphenidate]
Rites (Nonreligious)
arousal & stimulus-seeking as psychobiological mechanisms underlying cultural rules & rituals associated with mate selection, literature review, 20055
communication & referential hierarchy of events precipitating & during feast for spirits of deceased relatives, Caribs, Guatemala, 6447
concept of rites, 3781
concept of ritual as embodied metaphor, community mental health, 7589
consequences & removal of self mutilating initiation tattoos, juvenile delinquent, 4353
experiences & rituals, adolescent motorcycle group members, 3733
family rituals & power of transformation & communication & stabilization, 20004
feminine physiological phenomena & societal puberty rites, 1042
group home as setting for initiation rites, disturbed female adolescents, 4932
incorporation of formal ceremony in divorce proceedings, comments on article by L. H. Gordon & M. Gordon, 14303
informal expressions of bereavement & memorialization in combat units, soldiers, Israel, 27925
IQ & educational & family background, military paratroopers vs prison inmates with vs without tattoos, 4281
language or speech events & rituals, development of power & structure in organizations, 16098
nature of residential burglary, dusting for fingerprints as negative rite, police officers, 20036
need & format for social ritual of divorce including meetings with marriage & family therapists & clergy, 14294
phobic family rituals, disruptive classroom behavior, adolescent, 4339
proposal for formal divorce ceremony, comments on article by L. H. Gordon & M. Gordon, 14293
psychoanalytic interpretation of food & feces in speech play at camp, 11–18 yr old Boy Scouts, 14187
psychohistorical analysis, snake handling ritual, Hellenistic Greece vs Southern US, 6462
Reaganomics as sacrificial ritual, 14397
ritual & religious & other contexts, response to certain sounds, Ilahita Arapesh Indians, Papua New Guinea, 14280
role of words in hunting magic, Aguaruna people, Peru, 11878
rules & rituals of Christmas gift giving, adults, 1214
social equality & ritual hierarchy, Arawakan Wakuenai people, Venezuela, 11885
symbolic anthropological perspective, rituals & ceremony in modern life, literature review, 6445
therapeutic utility of providing access to ritualistic ceremonies, hospitalized patients with terminal illness, 28592
traditional & ritual & magical aspects of ceremonies & life-cycle events & matriarchal family & social structure, Seychelles, 30605
types of rites & ceremonials, study of organizational culture, 11005
use of ritual in social work practice, 7627
voodoo death as classic example of biopsychosocial interaction model for health & disease developed by G. Engel, 25266
Rites (Religion) [See Religious Practices]
Rites of Passage [See Also Birth Rites, Death Rites, Initiation Rites, Marriage Rites]
anthropological fieldwork as symbolic quest for immortality, 9387
application of initiation rites & use of body language, therapeutic processes, disturbed adolescents, 4639
group psychotherapeutic process, institutionalized 14–18 yr old females & their psychotherapists, implications for adolescent rites of passage, 4656
heroin addiction as initiation rite, adolescents, 4286
historical & religious & cultural perspectives & psychodynamics, circumcision, Jewish vs North African males, 1032
juvenile delinquency as initiation rite, 4299
mass initiation rites, 10–20 yr old males, Chad, 3599
psychodynamics, rites of passage into adolescence, 3586
psychological & psychopathological view, puberty rites, 3572
refusal of treatment as rite of passage, handicapped & chronically ill adolescents, 4527
rites of passage, blind adolescents, 4533
rites of passage, family & adolescent development & change, families with adolescents, implications for family therapy, 30641
rites of passage, new residents from continental US, Alaska, 3777
somatic illness as puberty rite, adolescents, 4443
traditional & ritual & magical aspects of ceremonies & life-cycle events & matriarchal family & social structure, Seychelles, 30605
Rituals (Nonreligious) [See Rites (Nonreligious)]
Rituals (Religion) [See Religious Practices]
RNA (Ribonucleic Acid) [See Ribonucleic Acid]
Robbery [See Theft]
Robins
spatial proximity of simultaneously appearing mates, territorial behavior, robin chats, 30023
Robotics
artificial intelligence research & applications to human factors & automation & robotics, 24149
natural language interface for instructable robot, 32329
robotics, organizational behavior & structure & employee attitudes & interactions, factory workers, 24003
Rocking (Body) [See Body Rocking]
Rod and Frame Test
verbalized cognitive strategies & performance on Rod & Frame Test, college students, 1276
Rodents [See Also Beavers, Gerbils, Guinea Pigs, Hamsters, Mice, Minks, Norway Rats, Rats, Squirrels]
age differences, homing tendencies during escape, juvenile vs subadult vs adult bank voles, 8701
bacteria & urine as sources of odors from perineal gland secretions, male wild cavies, 3318
comparative analysis of estrus during postpartum & lactational periods, several species of rodentia order, 16535
distribution of food & predation risk, foraging behavior, hoary marmots, Alaska, 24590
dominance status & sex & fighting & fleeing behaviors, death caused by uremia, field voles, 21905
factors affecting reproduction, captive Asian chipmunks, 16525
food availability & optimal diet model, food consumption & preferences, 3 species of rodents, 8606
growth patterns of dentate gyrus & hippocampus, precocial murids, 24632
high population density, territory defense footdrumming, kangaroo rats, 27297
kinship & individual variability, spatial foraging patterns, yellow-bellied marmots, 27253
maternal behavior, female meadow vs prairie vs pine voles, 27283
olfactometer, isolation & delivery of biological odors during experimenter-controlled episodes in pheromone research, small rodents, 29681
recognition of littermates & associations prior to weaning, mating behavior & incest avoidance, prairie voles, 8596
reliability of F. A. King's Rodent Emotionality Rating Scale, laboratory-animal experienced vs inexperienced college students, 24249
role of tests of sexual behavior in screening drugs for teratogenic effects on sexual differentiation, rodents, 3470
sexual maturation, aggressive behavior, male bank voles, 19360
social dynamics of nesting, population cycling, overwintering meadow voles, 27278
vocal communication, dormice, 480
Rods (Eye)
analysis of photoreceptor thresholds in isolated skate retina, 8816
bleaching, dark-adaptation thresholds, complete rod monochromat, 19213
guanosine triphosphate vs cyclic guanosine monophosphate phosphodieterase, retinal rod membrane voltage, toads, 551
photopic background stimulation, time course of rod-cone interaction, human Ss, 8478
velocity of moving stimuli, activation of rod vs cone systems & structural & functional organization of ganglion receptive fields, frogs, 24646
Roentgenography
behavioral & symptomatic correlates of computed-tomographic scan assessment, 50–89 yr old psychiatric inpatients, 31611

cerebral asymmetry, 21–51 yr old paranoid vs nonparanoid male schizophrenics, 20358
computed tomography criteria of cerebral dimensional asymmetrics & prediction of language laterality, right handed aphasics with left vs right hemisphere language dominance, 25830
computed tomography vs measurement of regional blood supply in brain & EEG, quantification of disintegration in dementia, 20541
computerized tomographic characteristics, 8 mo to 30 yr olds with schizencephaly, 25879
computerized tomography scans, learning disabled 7–14.6 yr olds with right vs left hemisyndromes, 17670
correlation between computerized axial tomography & psychological test scores, patients with severe head injuries, 25866
correlational analysis of computerized tomographic measures & neuropsychological performance, normal vs demented 60–88 yr olds, 28425
cranial computed axial tomography vs hepatic gammagraphy, diagnosis of encephalic & hepatic pathology, alcoholic patients, 14789
electrophysiological & positron emission & X ray tomographic studies, schizophrenic 51 yr old female monozygotic Genain quadruplets, 22675
metrizamide myelography, intermittent hallucinatory activity, 47 & 61 yr old females, 9927
nuclear magnetic resonance scans, morphology of brain, schizophrenic patients, 17557
positron-emission tomography, assessment of localization & concentration & chemical forms of peptides effecting & arising in CNS, implications for assessment of Alzheimer's disease & classification of neuropsychiatric disorders, 28515
use of computer tomography of brain in psychiatry, 70 yr old female with chronic schizophrenia & 59 yr old male with psychotic episodes, 12439
use of indium diethylentriaminepentaacetic acid scinticisternography, 62 & 66 & 67 yr old males with supranuclear palsy, 25788
value of computerized tomography in diagnosis & treatment, psychiatry, 15082

Rokeach Dogmatism Scale

liberal vs conservative bias in Rokeach Dogmatism Scale-Form E, lower-division political science students, 11107

Role (Counselor) [See Counselor Role]

Role Conflicts

choices & doubts in home vs office, working mothers, 22554
demographics vs type of family vs coping style vs locus of control vs fear of success, role stresses, female entrepreneurs, India, 18868
development of measurement of home-career conflict, female college students, implications for relation to career motivation, 8400
development of new measures of role ambiguity & conflict overload vs commonly used measures of roles, identification & intervention in dysfunctional roles in applied settings, attorneys, 19052
double work load, psychosocial & health risks, working wives & mothers, 17252
dual careers & role strain & conflict, females, 9468

Rorschach Test

administration of Rorschach test, hemispheric specialization & analytical vs global treatment of information, left vs right hemisphere-injured patients, 11475
anatomical Rorschach responses, morbidly obese vs Koch patients vs Ss with colostomy vs ileostomy, 12360
chronic prostatitis & sexual problems, pathological sexual responses on TAT & Rorschach, males with mean age of 34.2 yrs, 6716
classical binary analysis, symbolic specificity of Rorschach inkblots, 11142
consensus method of Rorschach administration, behavioral assessment, couples, 162
construct validity of Mutuality of Autonomy Scale, assessment of developmental level of object relations based on Rorschach test, 4th–6th graders, 27045
construct validity of Rorschach space response, assessment of relationship between stress-coping reactions & aggression, medical students, 2880
construct validity, studies of intelligence using Rorschach test, literature review, 11185
correlations between Rorschach Egocentricity Index & MMPI & Exner Comprehensive System Rorschach variables, 14–69 yr old psychiatric inpatients, 24207
cultural differences in Rorschach protocols, 5–83 yr old Skolts vs Lake Lapps, Finland, 30840
development of scaling system to measure self representation & object relationships on Rorschach, nonpsychotic mentally disturbed adolescents vs 2 groups of somatic patients, 11179
developmental trends in Rorschach test responses, 6–11 vs 11–18 yr olds, longitudinal study, 30531
deviant verbalization & high delta scores on Rorschach Test, neurotic vs borderline vs schizophrenic Ss with mean ages of 24.6 vs 21.3 vs 24.5 yrs, 17582
early use in psychoanalytic psychotherapy of Rorschach for management of transference, borderline adolescents, 23147
early use of Rorschach in psychoanalysis in anticipation of transference, borderline adolescents, comments on article by A. D. Blotcky, 23164
early use of Rorschach in psychoanalysis in anticipation of transference, borderline adolescents, comments on article by A. D. Blotcky, 23149
evaluation of research on Rorschach cards IV & VII as "Mother" & "Father" cards, literature review, 26967
expectancy as influenced by clinical case history, interpretation of Rorschach protocols, groups of college students, 27052
expression of manic depressive bipolarity on Rorschach, 60 yr old male, 12185
illiteracy, performance on TAT vs Rorschach Test, 111
importance of Rorschach content in work with psychopaths & psychotics, discussion of teenage sex murderer in "The Fifty-Minute Hour" by R. M. Lindner, 10135
incidence of color-shading responses & their implications in Rorschach responses, cystic fibrosis patients with mean age of 25.9 yrs, 8383
interfering factors of psychological testing, situational nontest aspects of nonprojective behavior in Rorschach testing, 27049
interpretation of Rorschach content, Vietnam veteran with dissociated rage attacks, comments on R. D. Salley & P. A. Teiling's study, 129
MMPI & Rorschach performance & visual backward masking, Ss within schizophrenia spectrum with mean age of 27.9 yrs, 14732
Mutuality of Autonomy Scale, indication of psychopathology, previously hospitalized Ss with mean age of 38.5 yrs, 150
new relational method of presenting Rorschach Test, evaluation of relationship, couples, 169
number of oral Rorschach responses, college students volunteering as Ss for psychology experiments during 1st vs 2nd semester, 28063
perceived use of Rorschach Test in criminal forensic work, forensic psychiatrists & other mental health professionals, 5134
personality characteristics measured by Rorschach test, 71 vs 50 vs 30 yr olds, 17386
personality organization indicated by Rorschach factor structures, patients with schizophrenia vs depression vs nonpatients, 28224
procedure of asking for one last response on Rorschach Test, 132
psychodynamic interpretation & analyis, Rorschach test, 29722
psychological functioning measured by Rorschach protocols, 17–29 yr olds with severe closed head injury, 25811
response patterns & diagnostic signs from Rorschach test, schizophrenic vs nonschizophrenic psychiatric Ss, 12192
revision of predictive concepts related to diagnosis of homosexuality with Rorschach Test, 17586

role of psychic trauma, Rorschach symbol formation & interpretation, patients with post traumatic stress disorder, reply to M. P. Kowitt's comments, 26993
role of psychic trauma, Rorschach symbol formation & interpretation, 60 yr old male & 41 yr old female patients with posttraumatic stress disorder, comments on view of A. C. Carr, 26966
Rorschach H response, use of object relations in differential diagnosis, neurotics vs outpatient vs inpatient borderlines vs schizophrenics, 164
Rorschach indicators of psychological instability & perceptual sensitivity, prediction of therapeutic outcome, hospitalized 5.6–13 yr old psychiatric patients, 25985
Rorschach object relations & fantasy themes incorrectly scored as determinants, 8380
Rorschach responses, 18–60 yr olds with phobic neuroses, 20340
Rorschach test analysis, brain damage, 45 yr old male, 23056
structural features of Rorschach materials, 3 persons with multiple personalities, 28221
structures of deviant Rorschach responses, schizophrenic & borderline patients, implications for D. Rapaport's thought disorder categories, 25590
submission of myths corresponding to themes of human experience contained in Rorschach responses as postulated by R. S. McCully, Jungian analysts & professionals using Jungian theory in practice, 30362
tachistoscopic presentation of Rorschach, differential responses, schizophrenic vs orthopedic patients vs nonpatients, conference presentation, 25519
temporal consistency of Rorschach variables, Ss tested at 24 mo intervals starting at age 8 & ending at 16 yrs, 8-yr longitudinal study, implications for descriptive predictions of children, 26962
unusual content of kinesthetic perception in Rorschach protocol, dance instructors vs physical education vs visual arts majors, 5591
use of Rorschach test, differential diagnosis of anxiety, 16313
use of Rorschach test in brief clinical evaluation, 13568
Rosenzweig Picture Frustration Study
assessment of frustration reactions through Rosenzweig Picture Frustration Study, literature review, 24154
Rotary Pursuit
grade & sex, performance on RT & pursuit rotor & hand tapping & arm-hand steadiness tasks, 1st–6th graders, 944
high vs low performance on rotor pursuit motor skills task, ability to change heart rates, male college students, 24703
shock as stressor, performance & learning of pursuit rotor task, male vs female college students, test of perseverative consolidation theory, 13694
ROTC Students
computer literacy, college Army ROTC freshmen vs seniors vs cadre, 32086
Rote Learning
age & type of information & visual vs auditory mode, rote & gist memory, 20–29 vs 60–69 vs 70–79 yr olds, 16970
reading ability & testing vs review study activity, rote & conceptual learning, high school students, 15801
Rotter Incomplete Sentences Blank
Rotter Incomplete Sentences Blank-High School Form, assessment of grammatical skills, students with mean age of 13.8 yrs referred for diagnosis of learning problems, 2558
validity & reliability of Rotter's Sentence Completion Test, clinical application of Norwegian translation as diagnostic projective instrument, psychiatric patients, literature review, Denmark, 24312
Rotter Intern Extern Locus Cont Scal
analysis & standardization of Rotter's Internal-External Locus of Control Scale, college students, Italy, 179
factor stability & reliability of Rotter's Internal-External Locus of Control Scale vs H. Levenson's locus of control measure, college students, 125
factorial structure of original format vs Likert versions of Rotter's Internal-External Locus of Control Scale & Marlowe-Crowne Social Desirability Scale, college students, 21742
measurement of control locus & influence of impression management using Rotter's Internal-External Locus of Control Scale vs projective TAT, alcoholics, 13544
scores on MMPI & Rotter Internal-External Locus of Control Scale, Ss with chronic low-back pain vs alcoholics vs college students, 1338
scores on Rotter's Internal-External Locus of Control Scale, 18–65 yr old mineworkers from Wales vs Midlands vs North East regions, Great Britain, 13336
RT (Response) [See Reaction Time]
Rubella
congenital rubella, mental retardation & behavior disorders & neurosis & autism & neurologic damage, preschool age children, 4–5 yr follow up, 9907
demographics, rubella-deafened population, 4391
German measles during pregnancy, fetal development & multiple impairments in childhood, 28476
rehabilitation & vocational planning, clients affected by rubella virus epidemic of 1963–65, implications for inservice training of professionals, 5011

family therapy & role within family, female adolescent runaways, 4684
home life & parent child relations & personality traits, runaway females with mean age of 16 yrs, India, 6947
interpersonal relations, 10–15 yr olds with history of running away from home, 14817
self reported physical violence directed toward themselves by parent in yr prior to running away, adolescents, 17607
use of social adjustment items as indicator of running away behavior, adolescent borderline patients in residential treatment facility, 18301
Running
aerobic running alone vs with running facilitator, counseling technique, college students with low self esteem, 29448
assessment of personal compulsivity & running injuries & training style, runners with mean age of 31 yrs, 17368
combination of jogging & group counseling as intervention strategy, promotion of positive wellness, 12534
different degrees of running, sleep power & EEG power density, 30–35 yr old physically-fit males, 6038
EMG biofeedback vs relaxation treatment, flexibility of hip joint & sprinting performance, 13–21 yr old sprinters, 31447
experience of trance-like state during running, 9–73 yr old long distance runners, 5840
group psychotherapy vs running vs medication relaxation therapy, depression, depressed patients, 20662
iv naloxone after 6.3 mi run, pain sensitivity & mood & plasma endocrine levels, male long-distance runners with mean age of 38.8 yrs, 6020
jogging exercise program, self injurious behavior & stereotyped mannerisms, severely mentally retarded 19–23 yr olds, 10204
physical & emotional advantages & disadvantages of jogging, 11462
running direction & speed, energy expended & perceived exertion, male soccer players, 621
running program, attention span & impulse control, learning disabled 8–11 yr olds, 18672
running zealousness & fear of fat and tendencies toward anorexia nervosa, female & male runners, 12061
Runways (Maze) [See Maze Pathways]
Rural Environments
adult & extension education, farm bankruptcies & accidents & stress-related occupational hazards & change in rural living, Canada, 26294
age differences & rural vs urban background, moral development, 6th vs 8th vs 11th graders vs college students, Korea vs US, 3601
anthropological view of marihuana use, 17–48 yr old rural females, Jamaica, 17286
anxiety & depression & hostility, rural females with mean age of 44 yrs, 17375
assessment of need for mental health services, consumers in rural environments, 23404
assessment of nutrition status & mothers' perceptions of quality of life & immunization & cause of infant death, 21–39 yr old mothers & their 3–14 yr olds, rural Nigeria, 20573

attitude-behavior relationship & parental influence, circular mobility, parent & postadolescent child dyads, longitudinal studies, Thailand, 9389
attitudes toward childhood diarrhea & utilization of health services for treatment, adolescents & adults in rural areas, Zimbabwe, 23403
attitudes toward school & community, 8th & 12th graders vs teachers of kindergartners to 12th graders vs parents, Alaska, 21251
authoritarianism, rural vs urban 14–20 yr old Hindi, India, 6401
backpacking wilderness experience, self esteem & other benefits, 14–48 yr olds, 14565
blood pressure, rural vs urban females, India, 3314
brief psychotherapy, rural psychiatric hospital units, 31693
characteristics of civil commitment in rural communities, 30668
collective behavior & migration from urban to rural areas, US, 1960's through 1970's, 3776
community support services & case management & client characteristics, rural chronically mentally ill clients, 15404
crisis intervention & management techniques in rural areas, Alaska, 10384
cultural diversity, formal reasoning ability, 10–18 yr old Whites from rural vs suburban homogenous vs heterogeneous communities, 19827
current problems & attempted solutions, deafness, rural Asia, 28569
decentralized organizational systems, need satisfaction, impoverished rural Africans, 14236
degree of social integration, depression vs anxiety, rural vs urban females, Scotland, 9701
demographic & social factors, drinking behavior, male vs female 10th graders, rural US, 16882
descriptive & comparative cohort analysis of police contact & crime severity & social harm ratings of offenses, rural county high school males, juvenile justice policy implications, 15535
development & implementation of plan for rural psychiatric facilities, Norway, 31582
development of sociopsychiatry practice in rural & suburban regions, Switzerland, 26273
drinking patterns, urban vs rural American Indians, implications for intervention, 3980
drug abuse prevention program, 11–13 yr old rural middle school students, 8130
ecological strategies of prevention & social structure, rural community development, Appalachia, 1027
economic marketing study, health care services supply & demand, rural community, 7570
empowerment goals, rural community development, Puerto Rico, 11869
entry into rural labor force, females, Taiwan, 1181
environmental factors, use of physical & verbal abuse & disdain for youth, police officers in rural environment, 18847
environmental pressures & interagency linking functions, roles & job satisfaction, school psychologists in rural school systems, 5181
epidemiology of somatoform & mental & antisocial disorders, children & adolescents, rural Japan, 12103
establishment of community mental health centers, growth in number of mental health facilities in nonmetropolitan catchment areas, 23433
family therapy, rural multiproblem families, Scotland, 1893
filial expectations & frequency of parent-child association & assistance, older adults with only children vs 2 or 3 vs 4 or more, 14300
functions of privacy, wilderness environment, wilderness recreationists, 8257
health status & characteristic play activities, children in rural areas, Nepal, 22270
history of relationship, natural & urban settings reflected in art & literature & philosophy, 16141
home & family life & school experiences & self concept & interests, successful Black 8th–12th graders in rural school system, 18651
human factors, rural development, India, 11016
industrial & technological growth, occupational aspirations & choice, Black vs White vs American Indian male vs female 10th graders in rural school system, implications for counseling, 22282
influence of peer association & identification, drug use, rural junior & senior high school students, 19776
information & education activities of alcoholism rural outreach program, community attitudes toward & knowledge of alcohol & alcoholism & local resources, residents 18 yrs of age & older, 2-yr longitudinal study, 7735
information relevant to treatment alternatives, intake decision making, rural mental health centers, 4886
informativeness & coherence & context dependence of instructions on procedures of play & group games, 7 vs 10 vs 14 yr olds from city vs small town environments, 19846
issues in community satisfaction, urban-origin migrants to nonmetropolitan counties, US, 19943
issues of rural community psychology training programs, 12941
job satisfaction, clinical staff & supervisors in rural mental health care facilities, 5100
life in rural environments, elderly, literature review, 16139
living in rural rapidly vs not rapidly growing communities, perceived personal problems, female vs male 6th vs 9th vs 10th graders, 27868
mathematical creativity & personality factors, rural vs urban students, India, 29294
migration status & urban vs rural origin, psychodiagnosis, adult psychiatric patients, 25527
multiple victimization in rural areas, attitudes & beliefs about future victimization & community crime rates & reporting crime to authorities, victims of personal or household crimes, 9786
natural support systems, rural vs urban aged, literature review, 25213
number of bystanders & dependency of victim & urban vs rural community, helping behavior in low cost & risk demand situation, adult bystanders, Philippines, 17337
occupational stress, game conservation officers vs land managers vs law enforcement division supervisors in rural areas, 11006
perception of self & others, aboriginal vs White 11–13 yr olds in rural vs urban areas, Australia, 25174
perceptions of barriers to Black political & economic progress, Blacks vs Whites in Deep South counties, 11866
prevalence & incidence & psychotherapeutic care of psychological disorders, rural West Germany, 1950–80, conference presentation, 28606
prevalence of psychiatric disorders in urban vs rural environments, participants in community survey, 30907
prevention service delivery program despite economic cutbacks, abused children, rural US, 18208
primary health care projects, rural environments, India, 4840
priorities & perceived effectiveness & activities in primary prevention, 26–80 yr old clergy in rural environments, 15428
psychoanalytic analysis of Catholic practice & doctrine, rural families, 2-yr longitudinal study, Ireland, 14276
psychosocial factors, academic achievement, Black rural 8th–12th graders, 29282
qualitative assessment of social & physical environment, life satisfaction, rural 60 yr olds & older, 30381
race & SES, psychological distress, Black vs White rural vs urban 18–89 yr olds, 12188
racial aversion, urban-to-rural migrants, 11861
reasons for drinking, rural residents aged 65 yrs & older, 22559
role of social learning vs social bonding, deviant behavior, junior high & high school students in rural vs suburban vs urban communities, 22833
rural psychiatric services, Australia, 10373
rural social service delivery design, literature review, 21011
rural vs urban environment & type of residence & SES, time budgets, 10 yr olds, 16897
rural vs urban environments, health care utilization, Ss aged 65 yrs & over, Canada, 15391
rural vs urban origin, fear of crime, city residents, Canada, 11863
rurality, homicide rate, 28367
scores on Part II of National Board of Medical Examiners test & attitudes, medical students from university hospital vs rural training sites, 31939

self image & body image & moral & ethical self & family self concept, rural juvenile delinquents, 4309
sexual division & hired labor, on- vs off-farm labor, farm households, 11858
social & psychological characteristics, rural vs urban daycare program participants aged 50 yrs & over, Canada, 10417
social change in maritime island community as result of increased contact with mainstream institutions, 27894
special education, gifted students in rural schools, 10814
student background & rural vs suburban vs urban school setting, diagnostic & educational program decision making, school psychologists, 23894
technological changes, personal space, village inhabitants of Haut-Alpes region, France, 30566
technology & employability & income, poor rural females, 5453
technology & feminist movement & new class of rural farmers & social change, 30573
therapist & patient characteristics & theoretical orientation, francophone vs anglophone psychiatrists in private practice in rural vs urban environments, Canada, 10613
university outreach clinician program, attracting & retaining qualified speech-language personnel in rural environments, 23903
urban vs suburban vs rural residential location, nutritional adequacy, 60–74 yr olds, 19777
uses & importance of attics & cellars as hidden spaces, rural & urban dwellers, France, 32340
utilization of countryside vs urban fringe recreation areas, 16–69 yr olds, UK, 29574
value basis for Gemeinschaft & Gesellschaft & tests for rural-urban & collectivistic-individualistic hypotheses, 22418
wilderness use, self actualization, adults, 12098
Saccadic Eye Movements [See Eye Movements]
Saccharin
chronic saccharin exposure, morphine tolerance, genetically selected LC2-Hi vs LC2-Lo female rats, 19661
concentration of glucose vs saccharine, postingestive satiation behaviors, male rats, 27427
preexposure to nicotine vs mecamylamine vs hexamethonium, nicotine-induced taste aversions to saccharin, male rats, 22177
preference for saccharin flavored vs plain dry vs moist vs wet food, hamsters vs gerbils vs rats, 29991
rewarding actions of saccharin & sucrose, taste preference & memory, male rats, 3185
saccharin, pain responses, healthy vs diabetic rats of strains selected for high vs low rates of self stimulation, 3408
sucrose vs polycose with vs without saccharin, hyperphagia & obesity, male rats, 3508
Sadness
ability to mirror sadness & anger & happiness, imaginative vs expressive vs observational skills, dance therapy vs social work graduate students, 12034
anxiety & anger & sadness, physiological symptoms, 17–46 yr olds, 8871
coping strategies for anger & sadness, male vs female 6–11 yr olds, 19891
depression as state between grief & melancholy, 6856
frequency of occurrence & intensity of happiness vs negative moods & relation to subjective well-being, college students & 33–85 yr olds, 22623
mood & relative performance, resource allocation, college students, 12029
role of psychoanalyst in reduction of grief & suffering in loss of loved person or object, 7289
social conditioning, crying as expression of sadness, 18–65 yr old males, 9563
viewing of sad film, mood changes, 2nd yr medical students & junior faculty & 19–42 yr olds, 5835
Sadomasochism [See Also Masochism]
social features & sociological model, sadomasochism, 14838
Sadomasochistic Personality [See Masochistic Personality]
Safety [See Also Air Traffic Control, Aviation Safety, Highway Safety, Occupational Safety]
cognitive development & locus of control as predictors of understanding of safety & prevention, 33–73 mo olds & their parents, 25085
design of safety warnings, perception of brand safety & memory of product information, consumers, 26828
discussion- vs behaviorally-oriented safety training manuals, home safety & survival skills, 8–10 yr old latch key children, 7181
emergency fire safety skills training, blind 10–19 yr olds, 7368
external & self instruction primary preventive approaches, generalization & transfer of fire emergency responding, Black 3rd graders, 10717
fire safety training, evacuation time & amount of help needed, 22–42 yr old profoundly mentally retarded in group home, 23524
issues in acquisition & maintenance & generalization of fire reaction skills, developmentally disabled persons, literature review, 12832
methods to determine training priorities for accident prevention in job tasks for enlisted specialties, US Air Force personnel, 29512
mothers' prohibiting vs accelerating attitude toward child, safety education, mothers & their 3–5 yr olds, 11707
perception of security & scenic quality, urban recreation sites, college students, 13365
physical aggression control techniques, prevention of physical attack from client, crisis intervention personnel, 10399
potential dangers & prevention strategies, client violence, social workers, 12965
roadside simulation of road crossing, road crossing training, 5–10.5 yr olds vs young adults, 13996
safety of infant high chairs in restaurants, 2704
type of child-resistant reclosable container, ability to open container, 24–41 vs 42–51 mo olds vs 61–65 vs 65–75 yr olds, implications for accidental poisoning prevention, 1813
use of "Safe at Home" game, training in prevention & safety skills, 8–9 yr olds occasionally without parental supervision, 26544
Safety Belts
attitudes toward vs use of seat belts, male vs female college students, 21534
contingent vs noncontingent rewards, seat belt usage, drivers, 10225
delayed reward strategy, safety belt use, factory workers, 21530
incidence of safety belt usage before vs after law making it compulsory, adults, England, 23932
mandatory seat belt use laws, seat belt use & fatality & injury rates, drivers, Canada, 21532
perceived driving ability & social norms & other factors, seat belt usage, college students, Sweden vs US, 32220
safety belt usage, perception of risk of accident, 18–25 vs 38–50 yr old male drivers, 23926
safety measures, highway accidents & fatalities, 32219
selective traffic enforcement programs, seat belt use & motor vehicle accident casualties, drivers, Canada, 23929
validity of M. Fishbein's theory of reasoned action, measurement of motivation in seat-belt usage, college students, 6638
Safety Devices [See Also Safety Belts]
mandatory car passenger restraint law, number of injuries, children, US, 1978–83, 22537
survey of factors in child safety restraint use, 20–51 yr olds, 32210
Salamanders
body size & sex, aggression directed toward conspecific vs congeneric intruders, salamanders, 512
cloacal odors as cue for recognition of conspecifics, male salamanders, 27305
eye accommodation for distance estimation during prey capture, salamanders, 11407
recognition & preferences for conspecific & sex-specific & heterospecific pheromones, salamanders, 8592
sexual interference & competition, male & female smooth newts, 27317
Salaries
attitudes toward merit pay, arts & sciences vs business college faculty members, 13008
commission payment, recovery from declining sales & high inventory shrinkage & poor store appearance & employee attitudes & employee dissatisfaction with pay, convenience store managers, 32260
determinants of compensation policies & practices, scientists & engineers in high-technology firms & non-high-technology firms with research & development units, 13289
development of structural equation model of orchestral career commitment, symphony musicians, 21631

difference index, assessment of sex bias in salaries, 8151
future prospects of status & salaries, educational performance standards, teachers, 21279
gender & current pay level of employees in job description, evaluation & relative value of job, college & graduate students, 32245
incentives & rewards & career ladders, teachers, 21258
job evaluations as tool to achieving pay equity, female workers, 29481
job matching vs evaluation vs functional vs occupational vs global methodology, salary surveys & market pay curves, South Africa, 1977 & 1980 & 1983, 29489
level of schooling & credentials & earnings, 18–64 yr old Hispanics & non-Hispanic White males, 26768
male vs female job applicant's pay expectations, starting salary offer & hiring recommendation, management students, 18793
merit guideline charts, equitable pay & motivation, employees, 29516
merit pay system, organizational performance, Social Security Administration managers, 32269
methods of estimation of dollar value of performance, US Army tank commanders, 21574
peak-time pay for part-time work, bank clerks, 10969
presence of faculty union, pay & job satisfaction, college faculty members, 2345
psychometric analysis, methods of comparable worth evaluation of state agency job positions, 13501
research statistics & student ratings of teaching ability, promotion & salary decision, senior psychology faculty members, 18545
response rates to requests for information on salaries, full-time university faculty, 5171
salary increments with vs without increased staff autonomy & with vs without participation in decisions, job satisfaction, 19–63 yr old youth care workers, 24028
sex differences in pay expectations, undergraduate & graduate management students, 13260
sex, type of appointment vs tenure vs rank vs salary, administrators & faculty of public comprehensive college, 15694
theory & practice of concept of comparable worth, working females, US, 22547
Sales Personnel
commission payment, recovery from declining sales & high inventory shrinkage & poor store appearance & employee attitudes & employee dissatisfaction with pay, convenience store managers, 32260
commitment & purchasing decisions, sales people, 26843
computer simulated financially-based evaluation procedure, choice of appropriate supplier, retailers, 32265
demographic characteristics, attitudes & satisfaction & organizational commitment, part- vs full-time retail store employees, 13309
effort & task difficulty information, evaluation of subordinates, sales managers, 29527
feedback obstruction, employee turnover intent & anxiety & satisfaction, pharmaceutical sales representatives, 23945
foundation level instruction in sales training, 10935
framework for development of career concerns, industrial salespeople, 13250
group composition & structure & process behaviors & organization levels, self reported group effectiveness & satisfaction vs sales performance, communications industry sales teams, 16048
job attitudes & performance during trial vs stabilization vs maintenance stages of D. Super's career model, 21–60 yr old salespersons, 24029
job characteristics, job satisfaction & motivation & organizational commitment & role perceptions & performance, retail salespeople, 21601
job history & attitudes & satisfaction & work environment & career stage & performance & success, effective vs ineffective plateau, salespersons from defender vs analyzer firms, 21630
job satisfaction & performance, turnover rate, national industrial firm's sales force, 13316
meta-analysis of determinants of performance, salespersons, 29514
neurolinguistic programming principles & techniques, sales personnel, 10948
problem solving plan for indirect selling, 10927
role conflicts & ambiguity, turnover & job satisfaction & performance & involvement & other factors, insurance vs retail sales personnel, 26795
salesforce role stress, performance & satisfaction, sales representatives for major industrial firms, 13302
selection & implementation, sales incentives program, sales personnel, 16034
self monitoring, accuracy of suspect identification, convenience store clerks, 17314
self regulation of goals & self rewards & self monitoring of performance, job performance, insurance salespersons, 32243
sex of salesclerks & customer & department & type of store, perception of provision of services to male vs female customer, 25–70 yr old customers, 11009
Type A behavior, job satisfaction & sales performance, life insurance agents with mean age of 45 yrs, 5479
Salience (Stimulus) [See Stimulus Salience]
Saliva
acid variation in anions & titratable acidity & hydrogen ion concentration, saliva & taste responses, 21–43 yr olds, 3498
lithium carbonate, salivary & tear secretion rates & salivary electrolyte concentrations, manic depressive patients, 23296
preferences for conspecific salivary odor cues, estrous vs diestrous female hamsters, 27201
relaxation vs stressful intellectual procedures, salivary characteristics, 23–41 yr olds, 27435
saliva concentrations of cortisol & progesterone & estradiol & psychological symptoms, mothers with postpartum depression, 9641
saliva from dominant vs submissive males vs diestrous female, odor discrimination, adult male hamsters, 11401
saliva vs plasma cortisol levels in dexamethasone suppression test, 18–66 yr old patients with endogenous depression vs other psychiatric disorders, 28155
Salivary Glands
role of endogenous nerve growth factor in adrenergic innervation of submandibular gland, male vs female mice, 30145
Salivation
coffee vs apple juice with vs without caffeine, inhibition of salivation, 19–35 yr olds drinking 2–11 cups of coffee/day for at least 1 yr, 3504
dothiepin vs amitriptyline, psychomotor performance & salivary rate & blood pressure, 21–25 vs 65–74 yr olds, 3499
hunger state & visual exposure to foods of varied texture & composition & palatability, anticipatory salivary flow, 18–35 yr olds, 30117
lithium carbonate, salivary & tear secretion rates & salivary electrolyte concentrations, manic depressive patients, 23296
oxotremorine sesquifumarate, tremor & salivation & chromodacryorrhea & hypothermia, rats psychogenetically selected for bipolar extremes in shuttlebox avoidance, 13894
parotid salivary response to clonidine as indicator of adrenergic responsivity, 9–21 yr old males with Tourette's syndrome, 18145
self reported desire for alcohol & positive expectations, salivary responding to alcohol cues, alcoholic males with mean age of 37.5 yrs, relapse implications, 6900
Salmon
maturity, frequency-dependent disruptive selection in breeding, small vs large male coho salmon, 27258
presentation of model predator, attack distance, juvenile coho salmon, 27244
water flow rate, directional orientation, juvenile chum salmon, 8717
Saltiness [See Taste Perception]
Sampling (Experimental) [See Also Biased Sampling, Random Sampling]
data collection methods & verification efforts & sample sociodemographics, survey response rate, deaf adults, 21718
determination of sample size for hypothesis testing research, 19146
discriminant analysis, generalization of classification tables to large subpopulations of unequal sizes, 27069
estimation of sample sizes in 1-sample case survey research, 27067
identification in schools, learning disabled children, implications for research sampling, 18704
inadequacy of sample sizes & measurement of cost effectiveness & confidentiality of iterim data, design & conduct of randomized clinical trials, 29685

limitations of sampling assumptions in low-inference measurement of classroom processes, 26918
multi matrix sampling, evaluation of health education programs, 5th graders, 18573
parental refusal to cooperate in survey & incidence of psychiatric disorders in their children, parents & their 8 yr olds, implications for interpretation of multistage surveys in child psychiatry, 26915
point estimates & confidence intervals in measures of association, 29790
S selection in cross-sectional cognitive aging research, 13505
sample size in clinical outcome research, detection of weight control treatment differences, 10243
sources of behavioral variance, chimpanzees, implications for research design problems & sample size selection, 27313
statistical method for comparison of treatment effects when variances are unknown & unequal, 19160
traditional vs semitraditional vs nontraditional methods of recruitment for psychotherapeutic outcome research, demographic characteristics & treatment history & outcomes, 60–80 yr olds with unipolar depression, 31348
use of inferential & non-inferential tests with nonrandom sample in educational research, 2549
Sarcomas [See Neoplasms]
SAT [See Coll Ent Exam Bd Scholastic Apt Test]
Satiation
attack satiation, attack on novel target, female hamsters, 27293
bilateral lesions of terminal regions of sensory tract of vagus nerve, cholecystokinin effects on exploratory behavior, rats, implications for ascending pathway mediating satiation, 3383
catecholamine systems in peptide induced satiety, food & water intake, rats, 3532
cholecystokinin & bombesin & calcitonin & naloxone & glucagon & somatostatin & pancreatic polypeptide, food intake regulation, intact vs subdiaphragmatic vagotomized dogs vs rats, 22080
cholecystokinin & food deprivation & injections of lithium chloride, runway performance for 10 or 30 percent sucrose solution, rats, 30216
clonidine, angiotensin II-induced drinking, female rats, implications for role of presynaptic alpha-2-adrenoceptors, 746
concentration of glucose vs saccharine, postingestive satiation behaviors, male rats, 27427
dose of iv insulin during nocturnal fast, subsequent diurnal free food intake, male rats, 27608
food availability, time allocation to feeding & locomotive & reproductive & inactive behaviors, Aplysia fasciata, 27485
food-correlated vs random light signals on VI schedule, instrumental response rate & resistance to satiation & extinction, rats, implications for overshadowing explanation, 466
food intake reduction, meal size & frequency, male rats, implications for quantitative models of intake regulation, 5889
gastric reduction surgery, food & water intake & satiation under conditions of restricted vs continuous food supply, male rats, implications for gastric feeding mechanisms & treatment of human obesity, 3392
icv calmodulin vs calcium ions, spontaneous feeding behavior & core body temperature, satiated female cats, 3479
icv ostrich vs human beta-endorphin, food vs water intake, satiated pigeons, 22153
induced development of pancreatic glucagon antibodies, food intake & body weight, female obese vs lean rats, 27473
insulin injection & hyperphagia, food consumption & plasma glucose levels & stomach emptying & neurological impairment, male golden hamsters, 19668
internal stimuli, enhanced feeding behavior, Aplysia californica, 16560
lesions of area postrema, reduction in cholecystokinin-induced feeding, male rats, 3393
mannitol, satiation & reduction of fluid intake & role of taste aversion, male water deprived rats, 24791
milk-based liquid diet, reinstatement of feeding following glucose satiation, female rats, 19593
morphine, food ingestion, terrestial slugs, implications for opioid mediation of satiation, 27602
naloxone, behavior change & initiation & termination of eating, male rats, 19690
peripheral cholinergic blocker atropine methyl nitrate vs cholecystokinin, meal initiation by presentation of learned cues, rats, 6176
pleasantness of foods eaten vs not eaten in varied meal, satiety, 18–26 yr olds, 29822
repletion of body sodium by gavage in absence of taste stimulation, saline intake & satiation, rats, 13858
satiating efficiency of foods & mechanisms of satiation, male 18–25 yr olds, 3311
satiation therapy, feared auditory hallucinations, psychiatric patient, 23263
strategies for conducting food loading experiments, study of satiating efficiency of food, 8360
systemic glucose injection vs natural vs operant feeding, unit activity in orbitofrontal cortex & role of interoceptive information in satiety, monkeys, 578
4-hydroxyamphetamine, food & water intake & in vivo brown adipose tissue thermogenesis, female rats, 27665
Satisfaction [See Also Job Satisfaction, Life Satisfaction, Need Satisfaction]
assessment of health & mental health needs & satisfaction in VA psychiatric hospital, female patients, 15502
assessment of satisfaction with school psychology services, elementary school teachers, 23879
attitudes toward Army & Army programs & benefits & duty environment, career intentions, officers & enlisted personnel, 8233
characteristics of satisfying conversations with member of own ethnic group, Black vs White vs Hispanic college students, 11883
child custody dissatisfaction, fathers, 1143
choice vs no choice & locus of control, satisfaction with assigned task, college students, test of hypothesis of P. E. Spector, 28078
Client Satisfaction Questionnaire, assessment of attitudes toward community health center, Hispanics & other ethnic groups, 7606
Client Satisfaction Questionnaire, evaluation of university counseling center, college students, 8109
communication & satisfaction & empathy in sexual relationship, extension of author's dyadic interaction model, 14433
complementarity & similarity, relationship adjustment & satisfaction, married couples, literature review, 9423
construction & evaluation of College Descriptive Index, assessment of satisfaction with academic & nonacademic college experiences, college students, 15967
consumer life status & brand preferences & satisfaction with products & services, urban population, 13371
consumer satisfaction with automobile & clothing products, leisure involvement, 5432
cross national validation of Client Satisfaction Questionnaire, community mental health outpatients, Holland, 5606
cultural factors, expectations & satisfaction with health care services, clients, 7530
customer assistance via telephone hotlines & efforts to improve consumer satisfaction, General Motors Corporation, 13390
definitions & models, satisfaction with primary health care services, clients, literature review, 7557
development & construct validity of Dental Visit Satisfaction Scale, 18–73 yr old patients, 11127
dimensionality of revised version of community satisfaction scale, community residents, 24246
dimensions of classroom & family environment, scholastic achievement & self concept & satisfaction, 7th & 8th graders, 10787
egalitarian vs traditionalist marital role expectations, relationship satisfaction, engaged couples, 1059
employment status & type of employment & relevance to major & course satisfaction, academic performance, college students, 5283
environmental determinants of neighborhood satisfaction, urban male 60–81 yr olds, 14239
Evaluation Ranking Scale, assessment of satisfaction with public health center, patients, 5578
experience with & assessment of subfertility testing & treatment, childless 30–34 yr olds, Wales, 12722
factor structure of attitudes toward satisfaction with college instruction, nursing & physical therapy students, 31864
factors predicting satisfaction with children, 22–42 yr old mothers, 25293
health satisfaction, 18–34 vs 35–49 vs 50–64 vs 65 yr olds & older, 3588

honest opinions in Client Satisfaction Questionnaire, psychiatric inpatients revealing their names vs remaining anonymous, 7612
humanistic educational reforms, materialism & conflict in self fulfillment, 2323
imposed vs freely chosen field of study & sex differences in fields studied & reasons given for anticipated success or failure, 1st yr college students, Togo, 29268
inequality of rewards & inequity of contributors & outcomes, satisfaction in intimate relationships, male vs female college students, 30787
inflation & raise, economic satisfaction, Ss with vs without formal training or experience in economics, 10911
issues in community satisfaction, urban-origin migrants to nonmetropolitan counties, US, 19943
life satisfaction & perceived well-being, service satisfaction, public health patients, 7567
marital satisfaction, 55–62 yr old vs 63–69 yr old vs 70–90 yr old married persons, 6489
meta analysis, norms for satisfaction with mental health services & programs, patients, 7598
methodological issues in evaluation, satisfaction with mental health care services, children, 7610
mouth vs mouth/pharyngeal vs upper & lower airway anesthesia with lidocaine, cigarette craving & smoking satisfaction, pack-a-day cigarette smokers with mean age of 31 yrs, 11616
neighborhood satisfaction & architectural & other factors as predictors of housing satisfaction, urban 60–81 yr old males, 16130
patient centered interviews with family physicians, positive outcomes & satisfaction, patients, 23135
Patient Satisfaction Questionnaire vs direct measures of patient satisfaction, public health service patients, 5646
penile prosthesis implant, postsurgical psychological adjustment & satisfaction, patients & their partners, literature review, 31581
perceived need satisfaction & personality orientations, 20–50 yr old administrative officers, India, 32267
perceived real vs ideal partner & communication about ideal images, contentment, adult partners in long term romantic relationship, 14286
perceived satisfaction with conversation, college student in same- vs mixed-sex dyads, 9460
perceived supervisory influence, satisfaction with male & female supervisors, 22–35 yr old blue collar workers, Canada, 16109
personal/demographic & housing characteristics & attachment to home, housing satisfaction, Ss over age 60 yrs who own vs rent home, 868
personality vs environment vs person-environment congruency, satisfaction, college students, 26626
positive regard as explanation of association between marital communication & marital satisfaction, rural vs urban predominantly White middle class couples, 25283
private self consciousness & perspective taking, self disclosure & satisfaction in close relationships, 17–32 yr old couples, 27983
reliability of English & Spanish version of Client Satisfaction Questionnaire, Anglos vs bilingual Hispanics, 29765
reported satisfaction levels & less conscious affect regarding career decisions, 16–27 yr old Orthodox Jewish females likely to experience conflict between sex role traditions & concept of equal opportunity, 17273
satisfaction & dissatisfaction with doctors & medical care services, care seeking behavior, consumers, 7581
satisfaction & perceptions of school environment, city vs suburban public high school students, 32083
satisfaction & personal factors, absenteeism, clients in vocational rehabilitation centers, Israel, 28930
satisfaction-balance model of decision making & choice behavior, 9512
satisfaction with health care, medical appointment keeping, adolescent patients, 12714
satisfaction with mental health treatment, clients, literature review, 7597
satisfaction with pastoral care, clients, 31667
satisfaction with psychiatric hospitalization of children & adolescents, parents, 7665
satisfaction with services received by disabled family members, families of young adult chronic patients, 10420
satisfaction with status & perceptions of motherhood & childrearing practices & family role models, professionally employed vs unemployed mothers of 12 mo olds, Belgium, 1052
service evaluation questionnaire, measurement of satisfaction, patients, 5641
sex & training of resident physicians, satisfaction with quality of care, medical patients, implications for recruitment of females & humanistically oriented training in postgraduate medical education, 29050
sexual activeness & satisfaction, reactions to humorous sexual stimuli, college students, 11970
sexual dissatisfaction, adult female alcoholics vs females of alcoholic partners, 25666
similarities & differences in evaluation studies, satisfaction with mental health & health care services, consumers, 7550
single subject methodology, assessment of maternal satisfaction with psychological clinic-referred child, 7.3 & 3.4 yr olds & their mothers, 7163
social role performance & personal satisfaction, families of immigrants, Australia, 12088
socio-demographic variables, satisfaction with 26–37 yr old family practice residents, patients, 23119
sociodemographic variables & sociospatial perception of neighborhood, satisfaction with community, residents of new town, Great Britain, 8251
stages of family life, marital quality & satisfaction, married couples, Australia, 27942
topic intimacy & importance & relationship level, communication satisfaction & satisfaction with self & other, dyads of 10–95 yr olds, 22580
validity & reliability of marital problem screening questionnaire, parents with children attending psychiatric clinic, 21758

Saudi Arabia

attitudes toward university & faculty & peers, college students, Saudi Arabia, 26599
managerial value systems & impact on management practices, managers, Saudi Arabia, 32254
perception of desert urban residential quality, male Saudi Arabian vs US students & city residents, US vs Saudi Arabia, 26840
psychiatric practice, Saudi Arabia, comments on R. O. Pasnau & L. Hartman's editorial & S. L. Dubovsky's article, 15071
psychiatric practice, Saudi Arabia, comments on S. L. Dubovsky's article, 15037
psychiatric practice, Saudi Arabia, reply to comments by A. McKellar & A. A. El-Gaaly, 15035

Scaling (Testing)

advantages of visual analog scales on questionnaires in self evaluation of anxiety, psychiatric patients, 29718
Brazelton Neonatal Assessment Scale, behavioral evaluation, neonates 24 & 72 hrs after birth & 10 & 20 & 30 & 45 days old, 30371
cloze procedure vs K. Weltner's guessing procedure, scaling of comprehension & information & imagery of sentences, 5593
construction of self-consciousness scale, assessment of individual differences, Japan, 29775
development & testing of stochastic model of response to rating scales, assessment of attitudes toward work, electronics plant workers, 11145
development of scaling system to measure self representation & object relationships on Rorschach, nonpsychotic mentally disturbed adolescents vs 2 groups of somatic patients, 11179
development of verbal-content analysis scale using Hope scale, 19–25 yr old medical students, 29737
direct scaling methods, evaluation of comprehension & information content of short text passages, 29918
editions of Vineland Adaptive Behavior Scales, assessment & educational program planning for self help & social skills, mentally retarded 7.8 & 8.3 & 11.3 yr olds, 32129
expansion of Guttman simplex model to 3 sets with applicability to longitudinal data, 27063
formal properties & empirical predictions of new metric for bounded response scales, 21810
marketing research & improvement of reliability & convergent & discriminant validity of measures alternating least squares optimal scaling, 19021

necessary conditions for rank preservation in inconsistent positive reciprocal matrix, 21809
pros & cons of spatial & cluster analysis & row-column models of sociometric analysis, 19144
reliability & validity of rating scales having binary comparisons vs logarithmically spaced alternatives, assessment of subjective probability of rare events, implications for perceived risk of arrest for drunken driving, 21771
reliability & validity of unweighted & factor scales, analysis of Rahim Organizational Conflict Inventory, executives, 16357
response to correspondence on historical priority for idea of relation theory in psychophysical measurement, 21733
scaling methods, scale values & intergroup reliability of environmental perception rating scales, 2866
scaling of output regularities in free recall & assumptions underlying attempted solutions for categorized & unrelated lists, literature review, 24301
single-column vs discrepancy-column Likert-scale formats, discrimination strength in assessment of need, 2861
stability of magnitude production scales, oral & nonoral vibrotactile mechanoreceptive systems, 16–24 yr olds, 3009
Thurston vs Coombs vs Rasch models of item scaling, 19135
use of football team winnings as example for demonstrating statistical concept of transitivity, 21784
vibrotactile thresholds in right hand, power function exponent derived from magnitude production scaling, 16–24 yr olds, 3329
Scalp (Anatomy)
interfering tactile stimulation of hand, somatosensory EP of scalp, 22–35 yr olds, 13801
potential distribution on scalp of vertex sharp wave & saw-toothed wave in NREM & REM sleep, 25–28 yr olds, 13818
scalp & nasopharyngeal recordings of N2 & P3 & slow wave activity during target detection task, normal Ss, 16649
scalp hair trace element concentration, 2–11 yr old autistic & autisticlike children, diagnostic implications, 25741
Scalp Disorders [See Skin Disorders]
Scandinavia [See Also Denmark, Norway, Sweden]
advantage & disadvantage of use of depot neuroleptics, Scandinavia, conference presentation, 10259
contributions to field of psychophysiology, Scandinavia, 1968–83, literature review, 27444
dialectical & hermeneutical psychology, Scandinavia, 20
legislation with fines & therapeutically oriented sentences vs criminal law approach, recidivism, drunk driving offenders, Scandinavia, 20032
psychoneuroendocrine research on stress & coping, Scandinavia, 1974–84, literature review, 27380
role of research in personality & developmental psychology, Scandinavia, 1970's, 16258
sex habits & recent venereal disease & drug use, male homosexuals, Scandinavia, 17253
Scent Marking (Animal) [See Animal Scent Marking]
Schedules (Learning) [See Learning Schedules]
Schedules (Reinforcement) [See Reinforcement Schedules]
Scheduling (Work) [See Work Scheduling]
Schizoid Personality
age of disorder onset, 18–48 yr old chronic schizophrenic inpatients & their schizotypical or schizophrenic siblings, 6734
cognitive processes & language & memory & emotions, schizoid vs autistic vs normal children, 6879
cognitive processes & language & memory & emotions, schizoid vs autistic vs normal children, 28283
diagnostic rating & validation, diagnosis of schizoid personality from life history & interview descriptions of men diagnosed in middle childhood & adult life, psychiatrists, 12145
electrodermal responding to tone series, assessment of antisocial behavior & schizoid tendencies, 15 yr old males, 12275
eye tracking & attentional & psychometric correlates of psychopathology, 20–60 yr old schizophrenic & nonschizophrenic psychotic & schizotypal & neurotic patients, 22787
family history & subsequent schizoid personality & diagnosis validity & symptoms, 5–14 yr old males with schizoid personality, 10-yr followup, 6880
fear of not-being & mirror transference, narcissistic personality disorder, 14648
impaired smooth pursuit eye movement as possible biologic marker for schizotypal personality disorder, male college students, 12208
incidence of chronic schizophrenia & schizotypal & paranoid personality disorders, 1st degree relatives of chronic schizophrenics, 20219
interpersonal relatedness perspectiveness, treatment of schizoid personalities, therapist expectations, conferences presentation, 15160
neuroleptic treatment using haloperidol or fluphenazine decanoate, impulsive suicide attempts with akathisia, 25 yr old male schizophrenic & 22 yr old female with schizoaffective disorder, 20902
piano improvisation as therapeutic tool, acceptance & resolution of emotions, 26 yr old female schizophrenic with avoidance personality, 15036
psychoanalysis, schizoid process, conference presentation, 15105
psychoanalytic approach to working with anger & destruction turned inward, schizoid patients, conference presentation, 20717
psychoanalytic treatment & theoretical issues of Isakower phenomenon, anxiety-ridden schizoid male, 20704
reliability & validity of DSM-III criteria & Schedule for Schizotypal Personalities, diagnosis of schizotypical personality disorder, 9698
thiothixene & haloperidol therapy, borderline & schizotypal patients, 10308
use of psychological constructs, 17–28 yr old males formerly diagnosed as having schizoid personality in childhood, followup study, 6747
use of psychological constructs, 17–28 yr old males formerly diagnosed as having schizoid personality in childhood, followup studies, 28172
Schizophrenia [See Also Acute Schizophrenia, Catatonic Schizophrenia, Childhood Schizophrenia, Chronic Schizophrenia, Hebephrenic Schizophrenia, Paranoid Schizophrenia, Undifferentiated Schizophrenia]
ability to simulate normal MMPI profile, favorable prognosis, 17–30 yr old schizophrenic patients, 9694
abnormalities in electrodermal response & smooth pursuit eye movements & EEG during developmental course of schizophrenia, literature review, 1373
absence of grain in diet, schizophrenia, Papua New Guinea & Malaita & Solomon Islands & Yap, 9635
acting out suicide, schizophrenics, 1460
adaptive-style theory, role of perceived maternal childrearing behaviors in development of maladaptive social & cognitive styles, schizophrenic males, 14678
administration of phenylethylamine & MAO inhibitors & dopa decarboxylase inhibitor & phenylalanine load, phenylacetic acid excretion, chronic schizophrenic & unipolar depressed patients, 6795
adrenergic blocking drugs, treatment of mental disorders & schizophrenia & anxiety & drug withdrawal reactions, 10263
advances in research methology on psychotherapy of schizophrenia prompted by research of A. H. Stanton et al & J. G. Gunderson et al, 26023
adverse effects of family oriented intervention, schizophrenics, response to H. Grunebaum's supplementation, 20825
age- & sex-specific rates of prevalence of schizophrenia, Ghana, 1472
age & sex & intellectual capacity & length of hospitalization & presence of somatic disease, frequency of Schneider's 1st rank symptoms, hospitalized schizophrenics, 9681
age of disorder onset, 18–48 yr old chronic schizophrenic inpatients & their schizotypical or schizophrenic siblings, 6734
age of onset & illness duration & structure of family & understanding relatives, familial status, elderly schizophrenics, 4157
aging & senile dementia, elderly patients with schizophrenia & schizoform psychoses, 14645
alpha reliability of Luria-Nebraska Neuropsychological Battery scales, brain impaired vs schizophrenics vs Ss with mixed psychiatric disorders, 19083
analysis of schizophrenic speech, criticism of method outlined by R. E. Hoffman et al, 17441
anatomical-pathological vs pneumoencephalographical vs tomodensitometrical studies of cerebral atrophy, schizophrenic inpatients under 60 yrs old, 28233

antipsychotic drug therapy, schizophrenia, implications for drug dosages & combinations, 26211
apomorphine hydrochloride, growth hormone & prolactin responses, 19–38 yr old drug-free psychotic patients with vs without Schneider's 1st-rank symptoms of schizophrenia, 9738
apomorphine vs dopamine vs levodopa & carbidopa, prolactin concentration in blood serum, remitted vs exacerbated vs chronic schizophrenics vs personality disorders, 20252
application of self psychology to treatment, borderline & schizophrenic patients, comments on paper by B. Magid, 23177
associative response bias & severity of thought disorders, manics & paranoid & nonparanoid schizophrenics, 1466
asymmetrical electrocortical activity in schizophrenia, conference presentation, 1401
attention & logic & problem solving styles, 18–73 yr old process vs reactive schizophrenic vs patients with affective disorders, 14691
attention dysfunction, affective disorders & hyperactivity & cognitive deficiency, male college students, 20232
attentional & clinical & biochemical & computed tomographical & genetic factors of electrodermal nonresponding, 18–42 yr old schizophrenics, 4121
attitudinal & behavioral deficits in drug therapy compliances, schizophrenic patients, 18104
attribution of distinction between positive & negative schizophrenic symptoms to J. R. Reynolds vs J. H. Jackson, 14632
attribution of responsibility & causality, paranoid vs nonparanoid vs undifferentiated schizophrenic vs affective patients, 25592
auditory &/vs visual information, reliability of clinical assessment of affect using rating scales, 20–63 yr old schizophrenics, 2919
auditory EPs & contingent negative variation, schizophrenic patients, conference presentation, 1370
auditory evoked P300 brain potential amplitude, college students at risk for development of schizophrenia, conference presentation, 20369
autonomic nervous system response patterns, prediction of development of schizophrenia, conference presentation, 1481
awareness of presence of mental disturbance in treatment of relapse, rehospitalization vs outpatient treatment, 20–50 yr olds with diagnosis of schizophrenia, 20659
basal morning humoral endorphin blood levels, autistic vs schizophrenic vs normal 7–17 yr olds, 6873
behavioral & physiological functioning before vs after levodopa, investigation of dopamine hypothesis of schizophrenia & validity of using rats as animal model, 22695
behavioral approach to multiple family therapy, 21–35 yr old male schizophrenics, 10178
behavioral studies, schizophrenic monozygotic female Genain quadruplets, followup study, 22746
benefits of exploratory insight-oriented vs reality-adaptive supportive psychotherapy, schizophrenia, comment on study by A. H. Stanton et al & J. G. Gunderson et al, 26054
benzodiazepines, anxiety, patients with schizophrenia, 28735
benzodiazepines, treatment of schizophrenia, 10257
bibliography & abstracts on schizophrenia selected from National Clearinghouse for Mental Health Information, 1349
bilateral skin conductance & heart rate & CSF monoamine metabolite levels & psychotic symptoms & habituation, 19–44 yr old unmedicated schizophrenic vs paranoid patients, 9614
biochemical & genetic markers in depression & schizophrenia, conference presentation, 28249
biological & psychosocial influences, prognosis, schizophrenic patients, 17457
birth seasonality, Black vs White institutionalized schizophrenics with mean age of 58 yrs, 6773
blood serum dopamine beta-hydroxylase activity & lateral ventricular brain ratio, patients with schizophrenia vs major affective disorders, 28230
brain density patterns, schizophrenic & manic male patients, 9633
brief neuropsychological screening battery, brain damaged vs schizophrenics vs medical patients, 19110
burdens of care, relatives of 16–45 yr olds with schizophrenia vs chronic lung disease, 30880
central action peptides, schizophrenia, 9646
cerebral asymmetry, 21–51 yr old paranoid vs nonparanoid male schizophrenics, 20358
cerebral glucose uptake, schizophrenics with mean age of 28.3 yrs vs patients with affective illness with mean age of 41.7 yrs, 9628
characteristics of H vs P subtypes of schizophrenia, monozygotic twins, 30927
chemical vs radioreceptor assays of plasma levels of haloperidol & prolactin response, prediction of clinical improvement, schizophrenic patients with mean age of 28.7 yrs, 10310
childhood antecedents, schizophrenia & emotional & affective & antisocial personality disorders, adults, 22769
childhood indicators of vulnerability to adult schizophrenia, delinquent 10–17 yr old males who were vs were not schizophrenic 40 yrs later, 9657
childhood peer relationships, later mental health, literature review, 11793
clarification of unclear diagnoses, schizophrenia, 22732
classification & characteristics of forms of schizophrenia, USSR, 30966
clinical & epidemiological survey of attempted suicide & deliberate self harm, schizophrenic patients, Scotland, 31007
clinical & pharmacological problems in classification of responders & nonresponders to neuroleptics, schizophrenics, literature review, 26152
clinical history, female schizophrenic, 7-yr longitudinal study, 17485
clinical trial of dimethylpiperazinyl-propylcarbazole derivative BW234U, acute schizophrenia, 18–55 yr old patients, 26149
clinical use of concept of schizophrenia, case records from 1950 & 1965 & 1979, 20285
clocapramine, schizophrenia & paranoia, outpatients, 18140
clomipramine or haloperidol treatment & thyrotropin-releasing hormone tests, thyroid-stimulating hormone responses as indicators of antidepressant & neuroleptic drug mechanism, female patients with depressive or paranoid hallucinatory syndrome, 28776
clomipramine, repetitive behaviors, schizophrenics with obsessions & compulsions & rituals, 18134
clonazepam, symptoms of acute psychotic decompensation, 60 yr old female in manic phase of bipolar disorder & 30 yr old female & 44 yr old male schizoaffective disorder patients, 2013
closed head trauma, schizophrenia & affective disorders & personality change, 22987
coexistence of Capgras & Ekbom syndromes, 49 yr old female with symptoms of schizophrenia, 28229
cognitive complexity & consistency in making interpersonal judgments, 19–57 yr old thought disordered schizophrenics vs 18–59 yr old nonschizophrenic psychiatric outpatients, 4200
cognitive impairment, schizophrenic patients with vs without tardive dyskinesia, 20189
cognitive psychology of religious-mystical experience & significance of phenomenal overlap with schizophrenia, literature review, 431
cognitive therapy, enhancement of remission, patients with schizophrenia & bipolar illness, 1787
combinations of quantitative EEG variables, psychiatric diagnostic discriminations, neurotics vs personality disordered vs overt vs latent schizophrenics vs major depressives vs manics, 12204
comparison of decompensation to schizophrenic psychosis & dramatic religious conversion, 14755
compensatory efforts in dealing with subjectively experienced disorders, 20–52 yr old schizophrenics, 17446
computer axial tomography & structural pathology of brain in schizophrenia, conference presentation, 28277
computer programs, simulating spontaneous conversation, schizophrenics & analysts, 16229
computerized tomography, quantitative & qualitative assessment of brain structure & density, schizophrenic vs schizoaffective psychotic patients, 22731
concentration of neurophysin I & II in CSF, 29–61 yr old depressed & schizophrenic patients, 22736
concentrations of CSF corticotropin-releasing factor, 25–70 yr old depressives vs 27–66 yr old schizophrenics vs 73–92 yr olds with senile dementia, 25573
concentrations of haloperidol & reduced haloperidol in postmortem brain tissue, haloperidol-treated schizophrenic patterns, 7450
concept of cycloid psychosis & bouffee delirante vs schizoaffective psychosis, Europe vs US, 20302

concept of self psychology & treatment, borderline & schizophrenic patients, 23175
concordance for schizophrenia vs neuroses vs alcoholism, female vs male mono- vs dizygotic twin pairs aged 15 yrs & older, Finland, 16583
concordance rates for schizophrenia, monozygotic twins, criticism of methodology as biased toward probability of heritability, 17518
context, word recognition, hospitalized schizophrenic patients with mean age of 55.8 yrs, 14663
continuous word associations, schizophrenics diagnosed according to DSM-II vs Research Diagnostic Criteria, verification of L. J. Chapman & J. P. Chapman's response bias theory, 6855
contributions of self psychology to treatment, borderline & schizophrenic patients, comments on paper by B. Magid, 23160
coping styles for psychiatric symptoms, schizophrenic outpatients, 30919
correlational methods, analysis of regional coupling of cerebral glucose metabolism, 18–29 yr old schizophrenic males under electrical shock stimulation, 9632
course of illness outcomes, 18–55 yr old patients with schizophrenic psychoses vs other psychiatric disorders, 1-yr followup, 22700
course of psychosis in early schizophrenia, hospitalized patients, 1- & 2-yr followups, 28201
course of schizophrenia in form of acute transitory psychoses, hospitalized patients, 20228
creative vs reflexive-imaginative vs infantile personality features, type of information conveyed in drawings & paintings, schizophrenic patients, 6869
criticism of biochemical model of schizophrenia & psychiatric research methods, 14740
criticism of biochemical model of schizophrenia & psychiatric research methods, comments on article by P. Skrabanek, 14697
criticism of biochemical model of schizophrenia & psychiatric research methods, comments on article by P. Skrabanek, 14621
criticism of biochemical model of schizophrenia & psychiatric research methods, comments on article by P. Skrabanek, 14658
criticism of biochemical model of schizophrenia & psychiatric research methods, comments on article by P. Skrabanek, 14696
criticism of biochemical model of schizophrenia & psychiatric research methods, comments on article by P. Skrabanek, 14683
criticism of biochemical model of schizophrenia & psychiatric research methods, comments on article by P. Skrabanek, 14677
CSF amine metabolites & homovanillic acid & cortisol & dexamethasone suppression, 21–71 yr old depressed & schizophrenic & alcoholic patients & suicide attempters, 9748
CSF neurochemistry, 17–66 yr old depressives vs schizophrenics vs manics, 12158
cyamenazine treatment, patients with symptoms of schizophrenia or paranoid or depressive syndromes, 4801
cytoxic cerebral antibodies in adrenal cortex & neurosensitization of T-lymphocytes, schizophrenics in disease exacerbation stage, 6851
dance therapy group structure, individual reactions, schizophrenic vs character disordered Ss, 12550
dangers of cannabis use, 24–35 yr old schizophrenics treated with neuroleptics, 1993
date of psychiatric admission, phases or critical days in biorhythm cycle, patients with major vs bipolar depression vs schizophrenia vs other diagnoses, 20372
death due to self induced water intoxication, schizophrenic patients, 20367
decanoates of haloperidol vs fluphenazine, symptoms & side effects, 21–63 yr old schizophrenic patients, 7491
decision making process & RT, paranoid vs nonparanoid schizophrenics, 1435
definitions & criteria for diagnosis of relapse, schizophrenia, literature review, 1380
definitions of schizophrenia, reply to criticism by A. A. Rifkin, 17451
definitions of schizophrenia, reply to criticism by A. A. Rifkin, 17563
definitions of schizophrenia, response to comments by J. S. Strauss & W. T. Carpenter, 17548
degree of deterioration at first remission & after last hospitalization, schizophrenic patients, 4206
deinstitutionalization, social organization, schizophrenics, 2109
delay in rehabilitation in hospital treatment, schizophrenic patients, East Germany & USSR, 15492
delusion formation as symbolic attempt at self cure, analysis of schizophreniform crisis suffered by playwright & poet A. Strindberg, conference presentation, 4142
density of dopamine receptors in caudate nucleus & putamen & nucleus accumbens, postmortem brains of schizophrenics, 14737
des-tyr1-gamma-endorphin, CSF homovanillic acid & 3-methoxy-4-hydroxyphenylglycol & cortisol & growth hormone levels, neuroleptic-free patients with paranoid vs hebephrenic vs other schizophrenias, 7487
design & implementation of study on effects of psychotherapy, nonchronic schizophrenia, 18–35 yr olds, 26069
design & scientific & ideological issues in individual psychotherapy of schizophrenia, comment on study by A. H. Stanton et al & J. G. Gunderson et al, 26047
development of aftercare plan, criminal offenders with schizophrenia & affective disturbances, 10512
development of depressive syndromes, schizophrenic patients, 4251
development of positive anaclitic coutertransference in treatment, schizophrenic patients, 15178
development of residential treatment in community-based home & educational program & social support system, schizophrenic 15 yr old male with congenital hearing loss, 31627
development of trihexyphenidyl dependence, 28 & 30 yr old males with schizophrenia, 31519
deviant verbalization & high delta scores on Rorschach Test, neurotic vs borderline vs schizophrenic Ss with mean ages of 24.6 vs 21.3 vs 24.5 yrs, 17582
dexamethasone suppression test, differences in plasma cortisol suppression as evidence of subtypes of schizophrenia, 21–68 yr old female schizophrenic patients, 20218
diagnosis & prognosis of schizophrenia using symptom scale, psychiatric outpatients & family members, 14654
diagnostic validation, hospitalized psychiatric patients diagnosed with both schizophrenia & alcoholism, 17426
differential diagnosis, schizophrenia vs adrenoleucomyeloneuropathy, 32 yr old male, 22650
differential diagnosis, schizophrenic disorders & drug-induced hallucinations, 30886
differential language characteristics, aphasic 12.1–83.8 yr olds vs schizophrenic 19.8–81.1 yr olds, 9588
difficulties in measurement of motivations & relationship between patient & therapist, comments & implications for A. H. Staton et al & J. G. Gunderson's research on psychotherapy & schizophrenia, 26056
direct & indirect costs associated with schizophrenia vs myocardial infarction, Australia, 30898
disruptive anxiety & annihilation fears, schizophrenia, 12216
distinguishing risk factors for suicide, schizophrenics with mean age of 31 yrs, implications for prevention, 6758
disturbances of expression & reception of nonverbal clues as deficits in encoding & decoding contextual information, schizophrenics, 22667
disturbances of social perception, schizophrenic patients, 6845
disturbed CSF circulation & brain atrophy, 24–45 yr olds with schizophrenic psychosis, 12190
dopamine d/2 receptors in substantia nigra, drug-free vs neuroleptic-treated schizophrenics, 10295
dopamine theory, dopaminergic activity & etiology of schizophrenia, literature review, 9630
double bind theory, schizophrenia, 9618
dreams & schizophrenia, 1486
drug therapy, schizophrenia, 23327
DSM-II vs DSM-III as broad & narrow concepts, prediction of prognosis & outcome, schizophrenic patients, 2-yr followup, 26004
DSM-III criteria, development of schizophrenia after age 44, patients, 12197
duration of hospitalization & diagnosis, 19–79 yr old schizophrenics, 7673
early factors predictive of schizophrenia, children of schizophrenic mothers with mean age of 15.1 yrs, Denmark, 20-yr longitudinal study, 20344
ECT, treatment of schizophrenia, Canada, 23132

education about schizophrenia & support group & family therapy, expressed emotion & subsequent relapse rate of schizophrenic inpatient, relatives of schizophrenic inpatients, 17828
EEG activation levels, patients with schizophrenia vs mania vs neurosis vs depression vs personality disorders, conference presentation, 1467
EEG reactivity to information, acute vs recovered schizophrenics vs neurotics vs normal Ss, conference presentation, 1419

effect of genetic predisposition & family influences & other life events on expression or severity of schizophrenia or other affective disorder, schizophrenics, review of 3 long-term studies, 1442
efficacy of logotherapeutic techniques, 22 yr old female & 37 yr old male schizophrenics, 1843
efficacy of music therapy, schizophrenics, 25971
efficiency of visual information processing & associated event-related potentials, 9–13.5 yr old schizophrenics, 1480
ego structure & narcissistic economy & psychotic defenses, understanding clinical evolution & management of transference, schizophrenic patients, 17431
electrophysiological & positron emission & X ray tomographic studies, schizophrenic 51 yr old female monozygotic Genain quadruplets, 22675
elevated substance P-like peptides in CSF, patients with schizophrenic & major depressive disorder, 6842
emergency treatment & drug therapy, affective & acute psychosis & schizophrenia, 10247
emotional blunting, blunted vs nonblunted manic vs schizophrenic patients, 22719
encephalitis associated with catatonia & schizophreniform illness, 27 yr old female, 4101
endorphins, role in schizophrenia & affective disorders, 20227
environmental & constitutional aspects, etiology of schizophrenia, 20272
epidemiological & clinical research as guide in search for risk factor & biological markers of mental disorders, conference presentation, 28206
epidemiology & demographic characteristics, schizophrenia, USSR, 20343
epidemiology of schizophrenia, coastal Indians, British Columbia, 12132
epidemiology of tardive dyskinesia, chronic schizophrenia patients hospitalized for 2 yrs or more, Japan, 6788
estazolam therapy, schizophrenic patients, 1974
ethical & moral issues, deinstitutionalization, families of chronically mentally ill patients, supplements to K. G. Terkelsen's article regarding family therapy, 20799
ethnicity, consistency of reporting symptoms, 20–42 yr old Anglo vs Hispanic schizophrenics, 25584
etiology & symptoms & diagnosis & treatment of borderline syndrome vs clinical schizophrenia, 22663
evaluation of comprehensive community mental health services & changing utilization of system, schizophrenics, West Germany, 26280
evaluation of Spanish version of Frankfurt Psychopathological Inventory, schizophrenics & phobic-obsessives, 16334
evaluation of studies using individual psychotherapy vs drug treatment or family therapy, schizophrenia, 28580
event-related potentials during syllable discrimination tasks, 18–40 yr old siblings of schizophrenics vs 19–39 yr old medicated vs 24–34 yr old unmedicated schizophrenics, 9714
evidence of thought disorder, co-twins of schizophrenic identical & fraternal twins, 14630
evolution of concept of schizoaffective psychosis, US, 1436
existential analysis, coherence of conscious experience, 45 yr old schizophrenic male, 1463
experimental design & lay interviewer, reliability of Diagnostic Interview Schedule for assessment of lifetime history of psychiatric symptoms, schizophrenics, reply to criticism of M. Karno et al, 185
exploratory insight-oriented vs reality-adaptive-supportive psychotherapy, schizophrenic patients, 12 & 24 mo followup, 26034
expressed emotion & social networks, parents of 17–55 yr old schizophrenic patients, 9606
expressed emotion in family communications, 18–41 yr old schizophrenic inpatients & their families, 6817
expression of absurdity in psychopathology of schizophrenia, 30909
eye movement impairments, schizophrenia, literature review, 6808
eye tracking & attentional & psychometric correlates of psychopathology, 20–60 yr old schizophrenic & nonschizophrenic psychotic & schizotypal & neurotic patients, 22787
failure in psychoanalytic psychotherapy, 22 yr old female schizophrenic patient, comments on article by R. D. Chessick, 23157
failure in psychoanalytic psychotherapy, 22 yr old female schizophrenic patient, comments on article by R. D. Chessick, 23145
failure in psychoanalytic psychotherapy, 22 yr old schizophrenic patient, reply to comments by T. M. Abel & S. D. Field, 23154
false positive dexamethasone suppression test results related to antipsychotic drug withdrawal, 27 yr old nonmelancholic schizophrenic male, 10260
familial schizophrenia & ankylosing spondylitis, case report, 6717
family factors, relapse, schizophrenics with mean age of 25.6 yrs, 9-mo followup, replication of studies by G. W. Brown et al & C. E. Vaughn & J. P. Leff, 9735
family history & disease onset & symptoms, patients with puerperal psychosis vs schizophreniform variant of manic depression, longitudinal study, 4179
family history of illness & haloperidol treatment, platelet MAO activity, 16–55 yr old schizophrenics,, 18125
family history of mental illness & developmental abnormalities, lateral ventricular enlargement & changes in computerized axial tomography, schizophrenic vs manic depressive 18–40 yr olds, 14717
family relations & aggressive & withdrawn behavior, 1st & 4th & 7th graders at risk for schizophrenia, 4195
family relations & blocked individuation, families with psychosomatic disordered & schizophrenic adolescents, 4115
family structure & symbiotic relationships within family, parents of schizophrenic patients, 4152
family therapy & placement in family environment, schizophrenics, 18014
family therapy, schizophrenics & their families, 7295
finlepsin treatment, patients with manic depression or schizoaffective psychoses, 12664
first-rank symptoms, diagnosis of schizophrenia, Nigeria vs Saudi Arabia vs Europe, 1450
fluperlapine treatment, adult schizophrenic patients, 20946
fluphenazine decanoate vs oral pimozide, social behavior, schizophrenic outpatients, 1-yr longitudinal study, 26145
fluphenazine treatment, plasma homovanillic acid & psychotic behavior, 20–29 yr old chronic schizophrenics, 18131
frequencies of auditory & visual & olfactory hallucinations, English vs African vs Asian vs Caribbean vs Indian schizophrenic patients, England, 28237
frequency & severity of positive thought disorder, schizophrenic vs manic vs psychotic patients, 14702
frontal lobe dysfunction, schizophrenia, literature review, 6809
gamma endorphins, treatment of schizophrenia, 20943
gene dosage effects in etiology of schizophrenia, exclusion of borderline personality from schizophrenia spectrum, comments on A. F. Mirsky & C. C. Duncan-Johnson's paper, 1397
genetic aspects of schizophrenia, literature review, 31000
genetic background & course of illness, schizophrenic syndromes & mood disorders, hospitalized siblings, 12196
genetic mechanisms in familial transmission of vulnerability to schizophrenia, literature review, 30926
genetics of schizophrenia, examination of F. J. Kallman's research, 1938–53, 4209
genetics of schizophrenia, Iceland, 25554
genetics of schizophrenia, Iceland, comments on article by J. L. Jackson, 25545
genetics of schizophrenia, Iceland, comments on article by J. L. Jackson, 25562
genetics of schizophrenia, Iceland, comments on article by J. L. Karlsson, 25506
genetics of schizophrenia, Iceland, comments on article by J. L. Karlsson, 25591
genetics of schizophrenia, Iceland, comments on article by J. L. Karlsson, 25532

Gestalt group therapy, 16–18 yr old schizophrenic inpatients, 15509
group day treatment, resolution of latency era deficits, adult schizophrenic patients, 7314
group psychotherapy, parents of schizophrenic children, 20797
group psychotherapy, schizophrenic 17–35 yr old outpatients, 12569
growth related responses to apomorphine, 20–41 yr old schizophrenics, longitudinal study, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 1369
guidelines for preparation of discharge & neuroleptics, schizophrenia, outpatients, 18291
habituation of skin conductance orienting response, schizophrenic 18–64 yr olds, 6810
haloperidol & fluphenazine decanoate treatment, information processing, acute vs stabilized schizophrenic patients, 23336
haloperidol dose & plasma concentration, psychotic symptoms, 24 yr old male schizophrenic patient, 15321
haloperidol dose, differential clinical improvement, high- vs low-energetic level schizophrenics, 26179
haloperidol doses, serum prolactin levels, 18–45 yr old schizophrenic patients, 2005
haloperidol or thiothixene, akathisia, schizophrenic patients, 10314
haloperidol serum levels & clinical response & length of illness, schizophrenic patients, 15300
haloperidol vs propericiazine, maintenance treatment of schizophrenia, symptom-free outpatients, 4798
hemispheric dysfunction, schizophrenia, literature review, 22679
hemodialysis, exertion of mauve factor, schizophrenics, 18185
high dopamine concentration in left amygdala, schizophrenics, 17517
high levels of parental communication deviance & negative expressed emotion & emotional overinvolvement, risk for schizophrenia & relapse, children, 4174
higher plasma haloperidol concentrations, schizophrenic patients, China vs US, 18133
historical studies of J. Haslam, ventricular enlargement in schizophrenia, 12220
history of concepts of schizophrenia & affective psychosis, 28160
HLA-A & -B & -DR antigens, 14–58 yr old schizophrenic, Japan, 6818
homocystinuria, schizophrenic 36 yr old female, literature review, 14640
hospital care & aftercare vs comprehensive community treatment, hospital admission, 15–65 yr old schizophrenics, 12-mo followup, 7593
humoral immunity through levels of immunoglobulins, paranoid vs nonparanoid vs schizoaffective patients with schizophrenia, 20217
idealizing transference in therapeutic process, 22 yr old female schizophrenic, 23174
illustration of failure in psychoanalytic psychotherapy, 22 yr old female schizophrenic, 23153
impact of work by G. Bateson, family therapy & schizophrenia & creative expression of schizophrenia in art, 31433
importance of conceptual model, research in family life influences, schizophrenia, conference presentation, 12177
Impulsive Nonconformity Scale, assessment of impulsive antisocial behavior in prediction of psychotic-like & schizotypal symptoms, college students, 9535
in vivo lithium rates & medicated red cell lithium transport, bipolar vs schizophrenic patients, conference presentation, 31527
incidence of schizophrenia & sex distribution & symptoms & S characteristics & treatment, schizophrenics, Palau, 1402
incidence of schizophrenia, Australia, 25538
individual psychotherapy, schizophrenic female, 17897
individual psychotherapy & hospital milieu therapy interaction, engagement & continuance in treatment, schizophrenic patients with mean age of 21.5 yrs, 7654
indoleacetic acid in CSF, patients with retarded vs agitated vs manic depression vs schizophrenia vs anorexia, 28153
information processing & attentional functioning & prediction of disease course & outcome, schizophrenia, literature review, 1447
information processing deficits, event-related potentials, 19–39 yr old schizophrenics, conference presentation, 1405
inpatient community group meetings as aid to diagnosis of schizophrenia vs mania, 40–61 yr old patients, 2167
interdisciplinary short term hospital treatment, patients with acute schizophrenic episode, 18302
interhemispheric transfer in test of stereoagnosia, schizophrenic & affectively disturbed male patients with mean ages of 39 & 49.5 yrs, 1491
interhemispheric transfer times, schizophrenics, 4246
interrater reliability of Arbeitsgemeinschaft fur Methodik und Dokumentation in der Psychiatrie scale vs Comprehensive Psychiatric Rating Scale, hospitalized psychiatric patients, 24263
intra- & interhemispheric processing of auditory & tactile information, depressed vs schizophrenic vs normal Ss, conference presentation, 1420
intracisternal administration of IgG from schizophrenics' blood serum, sensorimotor cortex & lipid perioxidation & biochemistry, rats, 3363
introduction of convulsive therapy for schizophrenia by neuropsychiatrist L. Meduna in 1934, 1776
introduction of DSM-III, diagnosis of schizophrenia, psychiatrists, 22737
iv administration of noveril for 2 vs 10 days, therapeutically resistant depression, patients with manic depressive psychoses or schizophrenia or traumatic encephalopathy, 12651
kinesthetic & visual sensitivity, schizophrenic patients with cenesthopathic-hypochondriac syndrome, 31009
lack of employment opportunity, schizophrenics, 22683
large doses of niacin, schizophrenia, adult male, 4541
late paraphrenia as schizophrenia, 64–84 yr old patients, implications for DSM-III & other diagnostic criteria, 25541
latency & amplitude of P3 component of auditory vs visual EPs, cognitively impaired vs medicated vs drug-free depressed vs schizophrenic patients, implications for differential diagnosis, 6718
lateral ventricular size & psychopathology & response to neuroleptic therapy, 18–59 yr old patients with schizophrenia & affective disturbances, 1433
level of parental communication deviance, male schizophrenic 15–30 yr olds with severe vs less formal thought disorder, 1462
levels of albumin & immunoglobulin in serum & CSF, schizophrenic & depressed patients with mean age of 41 yrs, 14728
life events & familial stress & coping behavior, etiology of schizophrenia & onset of schizophrenic episodes, literature review, 1434
linguistic capabilities & destruction of mother image in secondary language learning, schizophrenics, comments on article by L. Wolfson, 6825
link between copper & endorphin hypotheses of schizophrenia, 4190
lithium &/vs fluphenazine, 18–60 yr old schizophrenic schizoaffectives, 10290
lithium carbonate, impaired smooth pursuit eye movements, inpatients with bipolar affective disorder vs outpatients with bipolar affective disorder in remission, 20923
lithium prophylaxis, 24–56 yr olds diagnosed as schizophrenic psychosis or schizoaffective type, application of Research Diagnostic Criteria & R. E. Kendall's & C. Perris's criteria, 26183
lithium therapy, mood-incongruent vs mood-congruent psychosis, patients with schizophrenia vs schizoaffective disorders vs manic disorders, 7493
lithium therapy, schizophrenia & schizoaffective disorder & hyperactivity & aggressive behavior & early-onset manic depressive disorder, literature review, 28748
lithium treatment, remission of psychoses, psychotic patients with variant red blood cell/lithium ratio or schizophreniform diagnosis, 15291
locus of control & other personality traits, schizophrenics with mean age of 25.1 yrs vs manics with mean age of 25.6 yrs, implications for treatment, 4267
long-acting depot injection vs oral administration of neuroleptic agents, maintenance, schizophrenic patients, conference presentation, 10279
long term drug administration vs association with schizophrenic disease process, etiology of dyskinesia, 12338
long term neuroleptic treatment, immunological characteristics, schizophrenics, 7452

low platelet MAO & schizophrenia, review of over 10 yrs of research, 9620
low vs conventional doses of fluphenazine decanoate, relapse rates & side effects, schizophrenic males, 10288
Luria-Nebraska Neuropsychological Battery vs WAIS, discrimination of schizophrenics with vs without brain damage, 11141
lymphocyte function, 21–66 yr old depressed outpatients vs hospitalized schizophrenic vs herniorrhaphy patients, 14734
lymphocyte radioactive spiroperidol binding, unmedicated schizophrenics, implications for dopamine hypothesis, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 1459
manic-depressive symptomatological changes & subsequent diagnosis of schizophrenia, adolescents with schizophrenia, 30973
manifestations of Koro syndrome, male 24 yr old West Indian & 20 yr old Greek Cypriot immigrants with diagnoses of schizophrenia & schizo-affective disorder & treated with phenothiazines & amitriptyline, 22664
markedly elevated MMPI schizophrenia scale scores, college students & university employees & community residents attending university counseling center, diagnostic implications, 1352
meaning errors in syntactic text processing, 16–55 yr old schizophrenics, 25548
measurement of social support, course & treatment, schizophrenia, 17438
melatonin in CSF, male neuroleptic-treated paranoid schizophrenics & unmedicated paranoid schizophrenics with mean age of 40.6 yrs, 12133
meta analysis of IQ, early & adult-onset schizophrenic patients, 17434
methodological problems in psychotherapy research & review of Michigan State Psychotherapy Research Project, comment on psychotherapy & schizophrenia study by A. H. Stanton et al & J. G. Gunderson et al, 26043
metyrapone test of hypothalamic-pituitary-adrenocortical axis, 21–65 yr olds with major depressive illness or schizophrenia or mania, 9639
milan model of systemic family therapy by M. S. Palassoli, schizophrenic families, 7305
minority group model, schizophrenics, 12221
misdiagnosis of schizophrenia, 72 yr old female with progressive supranuclear palsy, 25941
MMPI & Rorschach performance & visual backward masking, Ss within schizophrenia spectrum with mean age of 27.9 yrs, 14732
MMPI codetypes & DSM-III diagnoses, schizophrenic & depressive & bipolar patients, 24309
MMPI items, identification of schizoid-taxon membership, schizophrenics, 24275
MMPI profiles, anorexic vs schizophrenic patients, comment on data presented by A. C. Small et al, 13611
MMPI Schizophrenia-Organicity & Psychiatric-Organic scales, differentiation of brain damage & schizophrenia, literature review, 217
model based on Gestalt therapy, group therapy, hospitalized schizophrenics with mean age of 28.4 yrs, 12560
model for prevention oriented research program, competence & mother-child relations, children of schizophrenic & depressed mothers, literature review, 20987
models of causal relationship between biological & psychosocial factors in schizophrenia, 17456
modification of Freud's theory of psychosis with regard to neurosis, 12 yr old female, implications for schizophrenia, 11040
monitoring of haloperidol plasma concentrations, therapeutic management, 18–60 yr olds with schizophrenia vs acute mania vs severe borderline states, 10246
mortality, patients with affective vs personality disorders vs schizophrenia vs substance abuse vs neuroses vs psychophysiologic disorders, 14595
multidimensional treatment approach, hospitalized 30 yr old severely psychotic female, 18328
multiple regression analysis of aggregate data, etiology of schizophrenia, 1st-admission patients of public institutions in Wisconsin, 1978, 14653
multivariate EEG analysis, depressive psychotics vs manics vs schizophrenics, conference presentation, 1384
nadolol, neuroleptic-induced akathisia, adults with schizoaffective disorder or schizophrenia or chronic schizophrenia, 23351
naloxone, symptomatology, schizophrenic 23–47 yr olds, 28799
nature vs nurture, etiology of schizophrenia, comments on A. F. Mirsky & C. C. Duncan-Johnson's paper, 1468
nature vs nurture, etiology of schizophrenia, comments on A. F. Mirsky & C. C. Duncan-Johnson's paper, 1429
need for combination of depot neuroleptics & psychosocial intervention, lowered relapse rates, schizophrenic patients, US, conference presentation, 10275
need for research on efficacy of psychotherapies, comment on research on psychotherapy & schizophrenia by A. H. Stanton et al & J. G. Gunderson et al, 26018
need for study of transformation of risk status into manifest disorder, nature & nurture in etiology of schizophrenia, criticism of A. F. Mirsky & C. C. Duncan-Johnson's paper, 1390
negative & positive symptoms following hospital discharge, schizophrenic & depressed 18–30 yr olds, 1.5 yr followup, 17544
negative symptoms, platelet MAO activity, medicated vs unmedicated male vs female schizophrenic patients, 17508
neuroleptic drugs, beta-endorphin serum levels & therapeutic effects, acute unmedicated schizophrenic patients, 12650
neuroleptic drugs, paradoxical reaction, 19–39 yr old patients with masked epileptiform vs bipolar vs schizoaffective disorders, 12624
neuroleptic drugs with vs without anticholinergic drugs, performance on verbal matched-recall vs recognition tasks, mildly disturbed schizophrenics with mean age of 38 yrs, 10255
neuroleptic exposure vs disease process of schizophrenia as cause of tardive dysmentia & potential for misdiagnosis, criticism of paper by I. C. Wilson et al, 1443
neuroleptic exposure vs schizophrenia vs institutionalization as cause of tardive dysmentia, reply to criticism of S. Mukherjee et al, 1389
neuroleptic maintenance & psychosocial intervention with family, relapse, 16–65 yr old schizophrenic patients, 2-yr followup, UK, conference presentation, 10071
neuroleptic serum levels & admission symptoms & act leading to admission & military experience & childhood discipline as correlates of dangerous behavior, hospitalized male schizophrenics, 22795
neuroleptic suspension, REM reduction, 31 yr old male schizophrenic, 28798
neuroleptic treatment using haloperidol or fluphenazine decanoate, impulsive suicide attempts with akathisia, 25 yr old male schizophrenic & 22 yr old female with schizoaffective disorder, 20902
neuroleptics, attention, adolescent schizophrenics, 10265
neurological & psychopathological features, schizophrenic vs affective patients, 9680
neuropathological/structural & biochemical factors in pathogenesis of schizophrenia, literature review, 28272
neuropsychological assessment, inference of patterns of deficit lateralization, schizophrenics, 25569
neuropsychological dysfunction, associative thought disorders, schizophrenics, 25595
nuclear magnetic resonance scans, morphology of brain, schizophrenic patients, 17557
object relations as determined by Rorschach response patterns, borderline & neurotic outpatients & borderline & schizophrenic inpatients, 4196
object relations, parents of young adult schizophrenics vs anorexics vs patients with serious physical disease, 17443
occurrence & vividness of auditory & visual imagery, male schizophrenic patients with mean age of 30.6 yrs, 1476
onager oil treatment based on hypothesis of underlying prostaglandin deficiency, 25–48 yr olds with schizophrenia, 28741
ontogeny & premorbid personality & severity of schizophrenia, concordant vs discordant twins, 17527
operational definitions of schizophrenia & nonaffective psychoses, France, 25582
opposite asymmetries in hemispheric activation in florid vs nonflorid syndromes in schizophrenia, 18–65 yr old patients, 6780
oral sodium chloride, treatment of hyponatremia resulting from self induced water intoxication, schizophrenic patients hospitalized for 15–30 yrs, 4 case reports, 28800

origin & development of concept of expressed emotion reflecting attitude of close relative toward schizophrenic family member, literature review, implications for prediction of relapse, 28203
origins & etiology of schizophrenia, 1452
outcome of Agra cases in International Pilot Study of schizophrenia & manic depression, 13–14 yr followup study, 20647
parental affective style & treatment with behavioral family therapy vs individual psychotherapy, social functioning, schizophrenics with mean age of 25.6 yrs, 15112
parental expressed emotion & psychophysiological reactivity of parents & children, parents & their adolescents at risk for schizophrenia, 6870
passivity as defense mechanism & paradoxical behavior, schizophrenia, 14713
patterns of community & interpersonal functioning, prediction of vulnerability or outcome of schizophrenic disorders, literature review, 1492
perception of alcoholism & schizophrenia & other mental disorders, 18–69 yr old Yaqui Indians, implications for mental health providers, 30611
perception of congruent vs incongruent verbal & nonverbal communication, female schizophrenic vs depressed inpatients, 25520
perception of interpersonal interactions, schizophrenic patients exhibiting autistic behavior, 22726
perceptions of past & present maternal & paternal care & interpersonal relations, relapsing vs nonrelapsing schizophrenic patients readmitted vs nonreadmitted to hospitals, 9613
performance asymmetries on verbal divided visual-field task, schizotypal personality features assessed by STQ & other self report personality measures, 18–42 yr olds, 28064
peripheral catecholamine enzyme function & cognitive impairment, 57–96 yr old institutionalized patients & outpatients with schizophrenia, 12138
permeability of blood-brain barrier, schizophrenic & schizoaffective 17–65 yr old inpatients, 22784
personality & sociopsychological characteristics during illness process & premorbid state, duration of hospitalization, schizophrenic patients, 4976
personality change & psychiatric symptomatology, schizophrenic females with jealousy delirium, 12175
personality characteristics, 20–65 yr old depressed vs schizophrenic patients & their spouses, 4180
personality organization indicated by Rorschach factor structures, patients with schizophrenia vs depression vs nonpatients, 28224
pharmacological vs psychosocial approaches to long term treatment, patients with schizophrenic psychoses, 4558
phenomenological analysis of countertransference, 26 yr old suicidal male in residential treatment facility for schizophrenics, 28634
phenothiazine treatment, platelet alpha 2-adrenergic receptor binding before vs after treatment, 22–39 yr old schizophrenic patients, 15316
physiology & pathophysiology of endogenous opiates, schizophrenia, literature review, 20270
pilot study for search of methodological guidelines for experiential studies, 28–45 yr old siblings of schizophrenic patients, 17571
pimozide, CSF noradrenaline levels, 18–35 yr old schizophrenic patients, 4790
pinoline levels in blood serum & CSF, unmedicated schizophrenic patients, 20332
pipotiazine & pipotiazine palmitate, schizophrenic 18–51 yr olds, 28757
placement in community nursing homes vs VA nursing care units vs continued psychiatric care on same vs other ward, treatment outcome, male psychiatric patients with schizophrenia &/or organic brain syndrome, 31703
plasma cortisol, distribution of leukocytes in blood stream, adult schizophrenic vs depressed patients, 22729
plasma noradrenaline, clinical psychopathology, schizophrenic patients with mean age of 30.4 yrs, 4150
platelet aggregatory responses to adenosine diphosphate & arachidonic acid, drug-free schizophrenics vs other psychotics vs acute-on-chronic schizophrenics on neuroleptic therapy, 4271
platelet MAO activity & smooth pursuit eye movements as biological markers for schizophrenia, literature review, 14739
platelet serotonin levels, male vs female 20–84 yr olds with major depressive vs dysthymic vs schizophrenic vs paranoid disorders, 30955
positive & negative symptoms & thematic organization of speech, schizophrenic 38–60 yr olds, 12127
positive & negative symptoms, 20–61 yr old drug-free schizophrenic patients, 30983
positive vs negative symptoms, concordance for schizophrenia, monozygotic twins, implications for etiology & diagnostic criteria, 12190
postmortem neurochemical studies, schizophrenia & depression & suicide & Alzheimer's disease & Huntington's chorea, 22638
prazosin, autonomic arousal & psychiatric symptoms, schizophrenic 18–30 yr olds, 7442
pre- and perinatal complications & intellectual functioning, 5.2–12.1 yr olds with schizophrenia vs infantile autism vs conduct disorders, 17475
prediction of 5–8 yr outcome from presenting symptoms & background data, young 1st-admitted schizophrenics, 6791
predictive value of Strauss Carpenter Scale, outcome, schizophrenic patients, 5-yr followup, 16350
premorbid features & sex & age of onset & clinical episodes & course, Ss with episodic progressive schizophrenia vs recurrent schizophrenia vs manic-depressive psychosis vs intermediate psychosis, USSR, 4216
presence of electrophoretic variants of arylsufatase A in leucocytes, adult alcoholics vs schizophrenics vs psychiatric patients without alcoholism or schizophrenia, 9777
presence of high vs low expressed emotion parent, skin conductance, 29 yr old male schizophrenic, 17568
presence vs absence of neuroleptic medication, performance on Luria-Nebraska Neuropsychological Battery, schizophrenics with mean age of 31.4 yrs, 12649
prevalence of dimensions of psychotic & affective signs & symptoms, neuropsychologically impaired vs neuropsychologically intact schizophrenics, 22655
process & content issues during 1st 6 mo of outpatient group psychotherapy, schizophrenics, 17997
process-reactive measurement, prediction of symptomatic improvement, 18–55 yr old DSM-III diagnosed schizophrenics, 25517
professional language & difficulty in applying DSM-III criteria, schizoaffective syndromes, literature review, 30984
prognosis & social adjustment, schizophrenic outpatients, 17853
prolactin response, schizophrenic & manic & schizophreniform adult patients, 14682
prolonged suppression of cortisol in dexamethasone suppression test, manic vs schizophrenic patients, 25513
prostaglandin E1, treatment of schizophrenia, 21–31 yr old inpatients, 10281
psychiatric hospital discharge, social & emotional functioning, schizophrenic patients, 5–9 yr followup, 28919
psychiatrists' diagnoses vs operational definitions, schizoaffective vs cycloid psychoses, 16–65 yr old patients with schizophrenia & affective psychoses, 31005
psychoanalytic perspective, double bind, 17 yr old male schizophrenic patient, 4601
psychodiagnostic systems, schizophrenia & other psychotic syndromes, 20366
psychodynamic framework & underlying structural configuration, borderline personality, schizophrenics & borderline & character disordered patients, 12160
psychological construing, use of extreme ratings semantic differential, schizophrenic vs nonschizophrenic inpatients, 12174
psychometric artifact, slowing on cross-modal vs ipsimodal sequences in RT task, 18–48 yr old schizophrenics, 22742
psychopathology & clinical picture of double affective attacks, patients with schizophrenia, 30943
psychopathology of depressive symptomatology during schizophrenic processes, 4269
psychosocial & systemic development in families with schizophrenic adolescents, implications for family therapy, 14685
psychosocial functioning & neuroleptic response & biochemical evaluations & course of schizophrenic illness, 51 yr old female monozygotic Genain quadruplets, followup study, 22690

psychosocial intervention with families, course of illness & level of functioning at discharge into community, schizophrenic patients, 23063
psychosocial rehabilitation, alleviation of major mental symptomatology, schizophrenics, 10504
psychosocial treatment & drug therapy, schizophrenic patients, 5003
psychosocial treatment & drug therapy, schizophrenic patients, comment on R. P. Liberman & D. B. Rueger's article by father of schizophrenic patient, 5019
psychosocial treatment & drug therapy, schizophrenic patients, comment on R. P. Liberman & D. B. Rueger's article by ex-patient, 5006
psychosocial treatment & drug therapy, schizophrenic patients, comments on R. P. Liberman & D. B. Rueger's article, 5015
psychosocial treatment & drug therapy, schizophrenic patients, comments on R. P. Liberman & D. B. Rueger's article, 5001
psychosocial treatment & drug therapy, schizophrenic patients, response to comments by J. Marabella & D. J. Richardson & M. D. Levine & F. N. Pitts, 5002
psychotic symptoms & delusional themes, schizophrenic 28 & 35 yr old offspring of Holocaust survivors, 17510
psychoticism, characteristics of auditory hallucinations, schizophrenic patients, 30979
Quality of Life Scale, assessment of deficit symptoms, schizophrenic inpatients, 16327
radioreceptor binding assay, psychopharmacology & psychopathology, 7448
rate of progression, process schizophrenia, 12189
rates of diagnosis of schizophrenia & affective disorders, hospitalized psychiatric patients, implications for adherence to DSM-III criteria in diagnosis, 31704
reactions to families of schizophrenics, therapists, 1884
reality monitoring discrimination deficits, manic & schizophrenic patients with & without thought disorders, 17481
rehabilitation family therapy camp, 20–31 yr old patients with schizophrenia & their parents, 31414
relaxation psychotherapy & relationship between body & language, schizophrenic 10 yr old & hypertonic 5 yr old, 17911
reliability of premorbid adjustment measures, 22–61 yr old schizophrenics, 6860
repetition vs alternation random stimulus series, P300 cortical potential amplitude & RT during auditory discrimination task & role of trial-to-trial expectations, 21–54 yr old male schizophrenics, conference presentation, 20255
research design & diagnostic techniques, social environments & etiology of schizophrenia, comments on A. F. Mirsky & C. C. Duncan-Johnson's paper, 1496
research design, reliability of Diagnostic Interview Schedule for assessment of lifetime history of psychiatric symptoms, schizophrenics, criticism of A. E. Pulver & W. T. Carpenter's study, 160
response patterns & diagnostic signs from Rorschach test, schizophrenic vs nonschizophrenic psychiatric Ss, 12192
response to lithium & symptoms, platelet MAO activity, schizophrenic & manic patients, 7440
rest vs cognitive activity, cerebral blood flow in right vs left hemisphere, 18–52 yr old unmedicated schizophrenics, 20277
retroviral integration at site close to cerebral dominance gene, etiological hypothesis regarding schizophrenia, 22685
review of search for genetic markers in schizophrenia & major affective disorders, 9682
risk factors for schizophrenia, children of schizophrenic parents, 12153
risk of suicide, 17–32 yr old schizophrenics, implications for diagnosis, 14751
role of endorphins in schizophrenia & affective illness & sexual behavior & mood & memory, 12214
role of 1-carbon cycle in neuropsychiatric disease, literature review, 9595
Rorschach H response, use of object relations in differential diagnosis, neurotics vs outpatient vs inpatient borderlines vs schizophrenics, 164
rubidium, affective symptoms, patients with affective or schizophrenic disorders, 28222
saccadic eye movements, patients with endogenous psychoses, 20341
schizophrenia & incomplete acculturation, matricide, Muslim males in rural environment, Morocco, 6701
schizophrenia & self induced water intoxication & hyposthenuria, 35–46 yr olds, 4117
schizophrenia as misdiagnosis, 13–69 yr olds with delusional or bizarre thinking, 9610
scores on WAIS Picture Completion & Vocabulary & Block Designs subtests, patients with schizophrenia vs depression vs personality disorders, 1372
seasonality of schizophrenic births, Canada, 30924
self control procedure, elimination of stereotyped behavior, institutionalized 15 yr old schizophrenic deaf male with severe behavior disorders, 2157
self destructive behavior as self stimulatory reinforcement, autistic & schizophrenic & mentally retarded individuals, 4095
self healing strategies to compensate for basic disorders, 20–52 yr old schizophrenics in remission after acute episode, 7157
self help group & social support, perceived stress, family members caring for schizophrenic patient, 23228
self induced water intoxication, 28–46 yr olds with schizophrenic disorders, 1490
self inflicted enucleation of eye, schizophrenic 39 yr old male & 29 yr old female, 9605
self report of cognitive dysfunction vs objective performance & illness chronicity, 19–59 yr old schizophrenic inpatients, 9741
semantic networks & schizophrenia & language, reply to comments by R. W. Neufeld, 30991
semiology & definition & prognosis of schizophrenia, 30981
sensitivity of MMPI Scale 8, identification of schizophrenia, schizophrenia vs schizophrenic-spectrum patients, 216
serum calcium & magnesium, 10 yr old male inpatients with schizophrenia vs major depressive disorder, 14724
serum immunoglobulin concentrations, schizophrenic & depressed & psychotic & substance abusing inpatients, 28181
serum levels of sulpiride vs chlorpromazine, depressive symptoms, 18–43 yr old schizophrenic patients, 26140
SES & social mobility prior to first admission & manner of admission & length of therapy in first 2 yrs after admission, patients with schizophrenia, West Germany, 31717
sex differences & marital status, symptoms, schizophrenics, 14750
sex differences, schizophrenic vs nonschizophrenic psychiatric outpatients, evaluation of R. R. Lewine's hypothesis, 1427
sexual development & attitudes & arousal, female schizophrenics, 17546
sexual history & attitudes & behavior, adult schizophrenic females, 25536
side effects of neuroleptic, female patients with schizophrenia, 31529
signature size, psychodiagnosis, patients with schizophrenia vs depression vs manic depression vs organic mental disorders, 17435
sleep deprivation & amitriptyline & imipramine, treatment of depressive phase of schizoaffective psychosis, 63 yr old female, 17831
social & biological influences, schizophrenia, 17573
social & occupational adaptation, schizophrenic patients with periodic vs prolonged disease duration, 12125
social & physiological differences, at risk Ss with vs without psychopathology, comments on A. F. Mirsky & C. C. Duncan-Johnson's study & criticism of D. Rosenthal's study of adoptees with schizophrenic natural mothers, 1465
social influences & childhood illness & injury, patients with malignant vs sluggish schizophrenia, 9700
social outcome & adjustment, 16–57 yr old schizophrenics discharged after 1st time hospitalization, Australia, 25549
social support networks of nearest relatives, patient functioning, relatives of outpatient schizophrenics, 9728
sociodemographic & psychological characteristics, schizophrenic patients, Nigeria, 5-yr followup, 12167
somatoensory EPs, schizophrenic patients, 4172
spectral analysis of visual evoked potentials, unmedicated schizophrenics, 25553
structural & functional plasticity of brain, nonspecific biological etiology of schizophrenia, literature review, 9655

structural characteristics of personality change in beginning phase, patients with juvenile process schizophrenia, 12124
structural deficiencies, information processing, mentally retarded with mean age of 30.9 yrs & mentally retarded schizophrenics with mean age of 30.5 yrs, 4111
structure of continuous & paroxysmal forms of schizophrenia, delirious adults, 30963
structures of deviant Rorschach responses, schizophrenic & borderline patients, implications for D. Rapaport's thought disorder categories, 25590
suicidal behavior, schizophrenic patients, literature review, 30923
symptom state & platelet MAO activity & demographic variables, 57–96 yr old neuroleptic-free schizophrenics, 12137
symptoms & drug & dietary treatment & subjective experience of schizophrenia, adult male schizophrenic, 28202
symptoms & structure, schizophrenia, 30 yr old male in psychotherapy, 17928
syntactic processing & comprehension & recognition of sentences, manics vs schizoaffectives vs hebephrenic vs paranoid schizophrenics, 14675
systems therapy, schizophrenia, 17850
tachistoscopic presentation of Rorschach, differential responses, schizophrenic vs orthopedic patients vs nonpatients, conference presentation, 25519
tendencies to perceive illusory correlations, paranoid vs nonparanoid schizophrenics, 4139
test of neurotropic properties of blood serum, changes in adrenocorticocytes in zona glomerulosa of rat adrenal cortex, schizophrenic patients, 17577
test-retest reliability of Schedule for Affective Disorders & Schizophrenia for School-age children, 6.4–17.8 yr olds, 29740
theoretical aspects of "basic" deficits in schizophrenia, implications for treatment, 20283
therapeutic approaches to treatment & time course, patients with febrile schizophrenia, 31284
therapeutic use of onager oil as precursor of prostaglandin E, patients with schizophrenia, 20938
thioridazine & trifluoperazine & benztropine mesylate, development of torsade de pointes, 56 yr old schizophrenic male, 4824
thiothixene vs haloperidol treatment, rapid tranquilization, manic & schizophrenic patients with mean age of 36 yrs, 7449
third ventricle & main body of lateral ventricle size, schizophrenic & mixed psychiatric patients with mean ages of 26 & 25 yrs who resist treatment, 12148
thought disorder as discriminator during acute psychotic episodes, manics vs schizophrenics, 1404
thought disorder in schizophrenia as problem in processing information & selective attention vs language, comments on article by S. Schwartz, 30970
thought organization & primary process mechanisms in dreams, parents of schizophrenics, genetic heritability implications, 20311
thyrotropin-releasing hormone abnormalities, schizophrenic & schizoaffective & depressed & manic patients, 9742
thyrotropin releasing hormone, somatotropine levels, schizophrenic 14–18 yr olds, 28182
time-course & prognosis, patients with paroxysm-like schizophrenia, 12207
time-linked information-processing dysfunction, schizophrenic inpatients with mean age of 29 yrs, 14642
tool development using Fishbein's expectancy-value model, assessment of attitudes toward medication, schizophrenic patients, 12633
total vs free plasma levels of haloperidol vs chlorpromazine, schizophrenic patients under 35 yrs of age, 31546
tranquilizers in conjunction with neuroleptics, patients with slowly progressive schizophrenia, 31541
transmethylation hypothesis of schizophrenia, literature review, 1473
transsexualism & schizophrenia & borderline personality, Black female applicants for transsexual evaluation, 17513
treatment effects & remission, former schizophrenic inpatients, 31307
treatment recommendations, schizophrenia, 15018
tritiated imipramine platelet binding, Ss with major depressive disorder or schizophrenia, 4160
type & frequency of prodromal symptoms, patients with schizophrenic relapse, 17482
type-token ratio as measure of repetition in speech, thought-disordered vs non-thought-disordered schizophrenics with mean age of 31.2 yrs, 4207
unemployment & negative symptoms, lateral ventricular enlargement, 18–40 yr old schizophrenic & manic depressive patients, 14718
urinary excretion of neopterin & biopterin, 20–72 yr old patients with schizophrenia or unipolar depression or bipolar depression, 12149
use of backward masking, assessment of visual information processing, schizophrenics with positive vs negative symptoms, 4175
use of CNS stimulant challenge to catecholamines in etiological research on schizophrenia, 25507
use of dexamethasone suppression test, 21–43 yr old schizophrenics with high incidence of depressed mood, 20339
use of group climate measures in outpatient schizophrenic group, comments on study by N. Kanas et al, 18001
use of Syndrome Check List, frequency of 1st-rank symptoms of schizophrenia, English vs African vs Asian vs Caribbean vs Indian patients, England, 28238
utility of L. R. Goldberg's Neurotic Psychotic rule, prediction of schizophrenic vs nonschizophrenic diagnosis, male psychiatric patients with 2-7-8 MMPI profiles, 193
validation of concept of borderline schizophrenia, 12173
ventricular enlargement or other computerized tomography features as neuropsychiatric markers, understanding biological basis of schizophrenia, acute vs chronic adult schizophrenics, 11463
verbal vs activity group, self perception of communication skills, depressed & schizophrenic clients of occupational therapy clinic, 31756
views of A. De Waelhens on schizophrenia & phenomenology & psychoanalysis, 20364
vulnerability & inadequate information processing as basis of alternative concept of schizophrenia, 28173
vulnerability & stress factors, developmental course of schizophrenia, 1448
vulnerability to depression & schizophrenia, conference presentation, 17564
vulnerability/stress model of schizophrenic psychotic episodes, 1446
wet-pack technique, schizophrenic patient, 1786
word association response times, 50–71 yr old male Nobel Prize laureates vs depressive 19–40 yr olds vs schizophrenic 17–26 yr olds, 4237
word-ordering tasks, differential identification, aphasics vs schizophrenics, 17410
yohimbine & dihydroalprenolol & spiperone binding sites in blood cells & serum catecholamine levels, medicated vs unmedicated schizophrenic patients, 28165
Scholarships [See Educational Financial Assistance]

School Adjustment
ability to think about personal feelings, adjustment to school, 5.5 yr old male referred for psychotherapy, 12516
adaptation to college life & student characteristics, foreign college students, US, 10793
adjustment & assimilation & learning needs, Asian immigrant students, implications for counselor education, 32113
adjustment problems, educable mentally retarded vs behaviorally disordered vs learning disabled 8–16 yr olds, 23832
attachment to school & gains in knowledge from alcohol education program & drinking behavior, 8th graders, 21394
awareness group experience & ethnic student walk-in service & cultural diversity & monthly discussion group & orientation program, creation of inviting atmosphere, college students from ethnic minority groups, 29443
classroom activities, children's adjustment to relocation, teachers, 2455

collaborative project between school counselors, adjustment to junior high school, 7th grade elementary school students, Canada, 13167
counselors as resource to teachers in identification & treatment of classroom adjustment problems, elementary school students in overseas schools, 32207
cultural affiliation & adaptation & academic adjustment, male Mexican-American college students, 26590
cultural differences between social environments in countries of origin, school & societal adjustment, Soviet vs American & Canadian 8th graders, Israel, 27853
curriculum suggestions for aiding transition from preschool to kindergarten, implications for parental involvement, 29337
development of Structured Learning Program, handicapped high school students overreactive in mainstream settings, 8071
early education, subsequent school adjustment, 2nd graders, 26520
early institutional care & return to biological mother vs placement in adoptive vs foster home, adjustment & school performance, 15 yr olds registered for adoption as infants, longitudinal studies, 27824
early institutional care vs return to biological mother vs placement in adoptive or foster home, adjustment & school performance, 15 yr olds registered for adoption as infants, longitudinal study, 6341
early intervention & resource teacher support & mainstreaming, social adjustment & academic performance, 6.9–8.9 yr olds with Down's syndrome, 8078
educational background & school & social & occupational adjustment & employment, learning disabled adults, literature review, implications for intervention, 6967
educational problems & family environment, well- vs maladjusted kindergartners, 23799
emotional & developmental problems, students with cerebral palsy, implications for school counseling, 15957
enculturation & acculturation, school adjustment, American Indian children entering school, 26604
etiology & incidence of behavior problems & school intervention programs, survey of educators & support personnel & parents of 3–6 yr olds, West Germany, 32179
expectations & perceptions of self assessed adjustment, 1st yr college students, 15820
individual differences in prediction of teacher's motivation and responses to vignettes portraying inappropriate student behaviors, 1st–5th graders differing in classroom adjustment, 18657
inservice workshop to help children cope with stress, teachers, 12992
integration of study skills instruction into orientation course, freshman college students, 26536
intellectual & creative potential, classroom emotional adjustment, 1st–4th graders, Brazil, 13123
lack of attachment to peers & parents & school as cause of juvenile delinquency, students in high school vs juvenile correctional institutions, 22875
motivational & adjustment factors in educational assessment of intellectual competence, children, implications for learning disabilities, 29454
multivariate assessment skills required for successful school adjustment, kindergartners to 5th graders rated by teachers as high vs low in social adjustment, 26608
organizational analysis of school & school social work role, adjustment, students, 32173
orientation program, prevention of school adjustment problems, 1st–7th grade transfer students, 18744
parent attitudes & treatment at "all-day school", school adjustment, students with behavior problems, 2.5-yr followup, Denmark, 21404
parental belief systems & teaching strategies, social-cognitive problem solving & school adjustment, intact families with 2nd graders, 25039
peer & family & school bonds as 1st graders, substance use, male vs female Black adolescents, 10-yr followup, conference presentation, 3699
peer adjustment program, college adjustment, freshmen, 29446
person-environment fit, distress assessed by physical complaints & help seeking behavior & anxiety measures, college students, 29335
personal & social adjustment, gifted vs nongifted 1st–5th graders, 2477
primary disappointment, fears & insecurities & adjustment to nursery school, 3 yr old male referred for therapy, 12471
prior interracial experience, adjustment to predominantly White college, Black college students, 1-yr longitudinal study, 15835
reinforcement & modification of evaluation system, aversion to school-test anxiety, comprehensive school students, 15769
retention in grade, academic & personal & social adjustment, elementary school students, literature review, 26573
return to school, family relations & personal adjustment & social life, adolescent school refusers interviewed at 18.2–26.8 yrs of age, 8045
risk & resource factors, school adjustment, 1st–4th graders, 13096
role in adjustment of highly mobile students, school counselors, 13194
school closure, psychological maladjustment & academic & parental involvement decline & adverse community impact, Mexican-American mothers, followup of "Angles" case, 26475
self- vs teacher-rated school adjustment, mono- vs dizygotic same vs opposite sex twins in grades 3–6, longitudinal study, 16576
self report of adjustment problems & academic performance, native vs Malaysian university students, New Zealand, 29310
social class & stress & anxiety & social responsibility & anomie, attitudes & adjustment, business students, 23792
structural & interpersonal & psychological correlates, successful adaptation to college, Black college students attending White universities, 32075
subcultural practices, new middle class 16–20 yr old college students, England, 30485
support group, self expression & coping with academic & social pressures, gifted college students, 26690
temperament characteristics in 3rd yr of life & behavioral adjustment at school entry, preschoolers, longitudinal studies, 11801
temperament, social & academic adaptation to school, 8th graders, 32096
theories of loss & grief as result of relocation & new school assignments, students, 13100
topic-centered group counseling, academic reinforcement & transition, 2nd yr college students in 2 yr liberal arts college, 23919
unsolicited telephone call, helping interview & extension of orientation by peers, freshmen college students, 29447
validity of Behaviour in School Inventory, assessment of adjustment to school, 12–13 yr old secondary school students, Australia, 21523
variables associated with satisfaction with school performance, 30–49 yr old females entering or reentering college, 21390
School Administration [See Educational Administration]
School Administrators [See Also School Principals, School Superintendents]
assessment of lesson plans & teacher performance, preservice teachers & administrators, implications for teacher training programs, 26496
attitudes toward grade inflation, deans of colleges of education at private & public institutions, 13020
attitudes toward school programs for gifted, school administrators, 8055
attitudes toward social responsibility practices, business school deans vs corporate chief executive officers, 2650
awareness of self & staff & program, success in new position, supervisors in educational settings, 5168
dialogical & problematic perspectives of communication process, understanding, supervisors in education, 26503
external & internal control structures of school systems & strategy for change, application of organizational development model to training program for state school administration, Sweden, 29103
models of administrative leadership, administrative repertoire appropriate for early childhood special education, 29145
multiple models for administrator preparation in early childhood special education, 29163
neutral third party, academic negotiations & campus climate, community college administrators & union faculty members, 26479
number of subordinates & size of budget, stress coping capability, educational administrators vs business managers, 23696
predictors of job mobility, college administrators, 31991

review of teachers' lesson plans, evaluation of teachers' performance, school administrators, 26691
self perception of leader behavior, secondary vs post secondary career oriented vs vocational administrators, 23695
typology of occupational stress, public school administrators, 29144
use of human development theory in professional work, entry level college student personnel administrators, 26494

School Age Children

abandonment & placement in privileged environment vs remaining in disadvantaged social environment vs institutional or foster homes as types of adoption placement, IQ & academic performance & behavior, low SES children, 30426
ability testing for performance of minimum muscular fitness, urban 6–11 yr olds, Botswana, implications for physical education, 22273
ability to comprehend idiomatic expressions, kindergartners vs 2nd vs 4th vs 6th graders, 30418
ability to construct 3-dimensional models from diagrams, 6 vs 8 vs 10 vs 12 yr olds, England vs Nigeria, 22347
ability to phonemically analyze syllable-initial consonsant clusters & conception of spoken language, reading & spelling ability & alphabet acquisition, children, 27810
ability to predict how internal & external conditions affect behavior, early vs late preschoolers vs kindergartners vs 2nd graders, 19907
ability to represent properties of weight, 3–9 yr olds, 27769
ability to understand sincere vs deceptive vs sarcastic remarks, 6 vs 9 vs 13 yr olds vs college students, 9169
abstract religious thinking & interpretation of Bible, Roman Catholic vs Nazarene 3rd–12th graders, 14025
academic self concept & intelligence & school performance & emotional status, male vs female 9 yr olds, 6228
acculturation & intrinsic vs extrinsic reinforcement, field deprivation, Chicano 4th graders, 19773
acculturation, cognitive development, urban & rural 7–12 yr olds, Philippines, 19791
acquisition & overgeneralization of English dative alternation, 9 & 12 & 15 yr olds, 16967
acquisition of causal vs temporal vs final vs consecutive connectives, 1st–6th graders vs college students, Netherlands and Italy conference presentation, 14034
acquisition of comparatives in spontaneous speech, 1–8 yr olds, implications for simple vs intensive hypotheses, 25095
acquisition of concept of inverse proportion in balance equilibrium task, 3–14 yr olds, 6294
acquisition of meanings of ordinal & cardinal number words & number conversation, 4–6 yr olds, 25068
acquisition of number conservation & possible role of counting, 6 yr olds, replication of G. S. Halford & T. J. Fullerton's experiment, 11750
acquisition of phonological features of Black English, 1st–4th graders who speak Black vs Standard English, 19856
acquisition of plans vs syntax, cognitive compiling in language, 4.3–6.2 yr olds, 22317
active vs passive vs cleft sentences, identification of sentence which begins story, 3rd vs 5th graders, 19842
adjustment to adoption, 10 yr old adopted male & his natural mother, 7584
administration & interpretation & correlation with Peer Nomination Inventory of Depression, Children's Depression Inventory, 2nd–7th graders, 16363
administration of standard vs alternative forms of National Institute of Health's oral stereognostic forms, assessment of oral perceptual skills, 4–12 yr olds, 113
adoption of height in drawings as depth cue, 4 vs 5–6 yr olds, 22307
adult vs peer vs toddler as conversation partner, language use, language impaired 4.6–6.2 yr olds vs normal language 4.4–5.6 vs 2.9–3.4 yr olds, 1616
age & attention to & verbal labeling of target & nontarget stimuli, question asking in referential communication, 5 vs 8 yr old dyads, 6318
age & context, strategic time-monitoring in prospective memory task, 10 vs 14 yr olds with high vs low sex role expectations, 16918
age & dominant vs nondominant hand movement & motor control, cortical motor-readiness potentials, right vs left handed 8–19 yr olds, conference presentation, 19801
age & early vs late experience with verbs, linguistic expression of verb meaning, 6–9 yr olds, 16913
age & mutual vs unilateral friendship, reciprocity in acknowledgment of each other's personal-social characteristics, 2nd vs 4th graders, 994
age & projection, understanding self centered vs altruistic deception, 5.5–6.5 vs 7.5–8.5 yr olds, 30552
age & prompt vs trial & error teaching method, motor skill learning & transfer, 1st vs 3rd vs 5th graders, 11734
age & puzzle complexity & redundancy, puzzle completion times, 6.3–9.4 yr olds, 9247
age & reading ability, memory for phonemically confusable & nonconfusable letters, 2nd vs 4th vs 6th grade disabled vs average vs superior readers, 9155
age & sex & ethnic & religious & social class backgrounds, school phobic children, 2490
age & sex & verbal reinforcement, task mastery motivation & need for approval, 4 vs 8 yr olds, 22294
age & sex differences, development of attention, 6–10 yr olds, 894
age & sex differences, progressive stage development of interpersonal behavior measured by FIRO-BC 9–13 yr olds, 25172
age & sex, factor structure of self concept as measured by self description questionnaire, 2nd–5th graders, support of R. J. Shavelson's model, 9311
age & sex, oral stereognostic ability, 4.4–11.3 yr olds, 11745
age & sex, understanding & sensitivity & aptitude in representation of mothering activities, 2–8 yr olds & 12–14 yr olds observed in play situations, 27847
age & short form WISC-R scores & ego development, activity level & self control, males in grades 1–5, 11842
age & skilled self-paced motor task, amplitude of cortical readiness & motor cortex potentials & P200 & skilled performance positivity, 8–13 yr old males, conference presentation, 19800
age & sociometric status, ratings of assertiveness & social competency, 8–10 yr olds vs adults, 17080
age & task difficulty, referential cohesion of story retelling, 4 vs 6 yr olds & 1st vs 3rd graders vs college students, 16981
age at entry & duration of stay, aggressive behavior & intelligence, 3–25 yr old children's home residents, India, 31687
age-corrected deviation scale scores for Draw-A-Design & Draw-A-Child subtests of McCarthy Scales of Children's Abilities, 2.5–8.5 yr olds, 19096
age differences & amount of elapsed time, attitudes toward nuclear plant accidents, 4th–8th vs 10th–12 graders, 6398
age differences & rural vs urban background, moral development, 6th vs 8th vs 11th graders vs college students, Korea vs US, 3601
age differences, attribution of luck vs skill in others' performance, kindergartners vs 2nd vs 4th vs 6th vs 8th graders, 14192
age differences, contextual facilitation in sentence completion task, 7.8–9 yr olds vs college students, 19853
age differences, facilitation of performance on spatial decentering problems by image vs verbal strategies, 6 vs 18 yr olds, 11718
age differences, perception of peer aggression & withdrawal & likeability, 1st vs 4th vs 7th graders, 14217
age differences, semantic discontinuities following "but" in discourse, 7–10 yr olds, 11748
age differences, understanding of conversational principles, preschoolers vs 1st vs 3rd graders, 11725
age differences, visual perspective taking ability & role of egocentrism, 3.2–8.5 yr olds, 6283
age, magnitudes of ingoing vs outgoing fin forms of Mueller-Lyer illusion & of 2 versions of Ponzo illusion, 5–11 yr olds, 22342
age, perception of personal control, 8–13 yr olds, 3-yr longitudinal study, 27745
age, progression from primary to secondary process thinking assessed through Rorschach responses, 6 & 9 & 12 yr olds, conference presentation, 25175
age, social comparison jealousy, 6–11 yr olds, 11786
age vs sex vs spatial factor vs task demands vs spatial information type vs information-processing vs response mode, spatial abilities, 3–11 yr olds, 11741
age vs social-cognitive development, comforting skill, 1st–12th graders, 16857

aggression or friendliness toward sibling, stability of relationship, 6 yr olds initially interviewed at 2–3 yrs old, 3–4 yr longitudinal study, 30543
agreement in perceptions of mother's assertive power & withdrawal of love & other childrearing practices, 10 yr old males & their middle vs lower SES mothers, 3828
alien &/vs external reinforcement & personality, discrimination learning behavior, 6th graders, 30378
analogy-based therapy techniques for individual therapy, 10–15 yr olds, 26008
analysis of dramatic content in fantasy play, 5 vs 7 yr olds, 11798
analysis of movement as totality vs displacement, anticipation of trajectory & form of movement, 5 vs 7–8 yr olds, 22334
anxiety & coping mechanisms, terminal illness, 6–13 yr old males with leukemia & their 30–40 yr old mothers, 17747
application of evolutionary models to decisions made during object possession conflicts, 47–83 mo olds, conference presentation, 30553
application of majority rule in group decision making, 8 vs 10 vs 12 vs 14 yr olds, 3593
application of T. Kelley's method, assessment of diagnostic efficiency of WISC-R subtests, children & adolescents, 21767
appraisal of divorce & coping options, home & school adjustment & academic performance, female vs male 8.5–12 yr olds in separating or divorcing families, 14175
articulation characteristics, judgment of adequacy of spontaneous conversational speech, 8–12 yr olds with severe hearing impairment, 4485
asociality, understanding of friendship, 9–17 yr old males vs females, 19927
aspects of sense of responsibility, primary school students, 993
assertive skill & social status, 9–11 yr olds, 11841
assessment of neurological "soft" signs, premature low birth weight children at 8 yrs of age, longitudinal study, 28443
assessment of nutrition status & mothers' perceptions of quality of life & immunization & cause of infant death, 21–39 yr old mothers & their 3–14 yr olds, rural Nigeria, 20573
assessment of psychosocial needs, 11–20 yr old cancer patients, 31229
assessment of social skills & validation of Behavioral Assertiveness Test for Children, Black vs White male vs female 4th & 5th graders, 24241
assessment of written language, preschoolers through 7 yr olds, 936
assignment of noun as coreferent for anaphoric pronoun presented subsequently in same message, French-speaking 10–14 yr olds vs adults, test of parallel function hypothesis, 11760
athletic skills, social status, 9–13 yr olds, 11804
attendance at funeral or memorial service for sibling, behavior problems, 4–16 yr olds, 14185
attention to quantitative & configural properties of abstract visual patterns, 2nd vs 4th vs 6th graders vs college students, 9209
attentional & cognitive styles, hyperactive 1st & 2nd grade females, 7039
attentiveness & vocal excitability & irritability & activity in infancy, IQ & reading ability & reflection-impulsivity, 10 yr olds, longitudinal study, 9195
attitudes toward causes of illness, healthy kindergarten students & 1st & 4th & 5th graders, 11675
attitudes toward changing social/sex roles of women, male vs female elementary vs middle vs junior vs senior high school students, 22401
attitudes toward elderly vs elderly's perception of children's attitudes toward them, 5th & 6th graders vs Ss with mean age of 70.2 yrs, 9318
attitudes toward mother language maintenance & shift, 6th graders, Israel, 22318
attitudes toward orthopedic & sensory disabilities, nondisabled 3.2–6.2 yr olds, 13988
attribution of second-order beliefs, 5–10 yr olds, 25133
attribution traits in positive vs negative situations, donating behavior, 6th graders, 1002
attributions of emotions to self in hypothetical situations, 7 vs 9 vs 11 yr old males vs females, 17021
audiovisual peer modeling procedures, reduction of self reported medical fears, male vs female 3rd vs 5th graders, 18568
auditory language comprehension, learning disabled vs academically achieving 11–12.9 yr olds, 4372
auditory stimuli, event-related potentials & RT, 12 yr olds with Down's syndrome, 14859
availability of contextual information & strategy instructions, oral reading performance, 3rd–4th graders, 3621
availability of information with vs without contact with aphasic children, attitudes toward aphasic children, 9–14 yr olds, Israel, 19932
awareness of nuclear threat, personality & denial of threat, 4–18 yr olds, 19782
behavior problems & deviance & language abilities, Ss aged 3 yrs vs at age 8, 5-yr followup, 25681
behavior problems, rejected vs neglected vs popular vs average-status 8 & 11 yr olds, 17044
behavior ratings & psychometric profiles, 7–12 yr old males with attention deficit disorders vs developmental reading disorders, 32165
behavioral interventions, stealing behavior, children, 23290
behavioral weight reduction program with vs without parent training in general child management skills, overweight 8–12 yr olds & their parents, 1-yr followup, 20858
beliefs about coping behavior & reactions to parental divorce, 3rd & 5th graders, 16890
beliefs about health & illness, 6–17 yr olds with diabetes, 1661
bibliotherapy program, divorce, preschoolers & school age children & adolescents, bibliography, 31324
bilingualism, detection of syntactic ambiguity, tribal 10–16 yr olds, India, 16908
biological & social determinants, responsiveness to infants, 10–15 yr old females, 9282
birth of sibling, IQ, 2.5–17 yr olds 2 yrs following sibling's birth, 9313
birth order, empathy, 9–12 yr olds, 11812
blindfolded move without fronted or distinctive landmarks, ability to retrieve immobile target, 4–6 yr olds, 14066
Blissymbols vs Picsyms vs Rebus communication system, symbol transparency, 3–3.9 vs 6–6.9 vs 9–9.9 vs 18–21.9 yr olds, 864
books & play development, 3–10 yr olds, 975
carbohydrate intake & hair trace elements & EEG measures, reading ability, 5–16 yr olds, implications for development of causal model of ecological factors influencing child development & reading ability, 25154
career fantasies, prekindergarten through 1st grade White private school vs Hispanic barrio school students, 16891
cartooning as counseling approach, socially isolated 7 yr old female, 26720
case reports, 8–10 yr olds with elective mutism, 4155
categorical representativeness of words & free recall vs repetition vs categorical processing instruction, word recall, 7–8.3 yr old 2nd graders vs 9.6–11.3 5th graders, 3661
categorization skills, normal vs language delayed 5.8–7.1 yr olds, implications for assessment & speech therapy, 6996
categorization vs mental imagery mnemonic aids with vs without E instructions, reading skills & recall, 5th graders, 3650
causal attributions about recall performance, assessment of metamemory & prediction of strategic memory behavior, 1st & 2nd graders, 906
causal scripts for poverty vs wealth, kindergartners vs 2nd vs 4th vs 6th graders, test of attribution theory, 19895
cerebral asymmetries for visual perception of emotional vs verbal material, 1st–2nd vs 4th–5th vs 8th graders, 16989
change & stability in self esteem, children at 9 & 14 yrs, longitudinal study, 22403
character identification & suspense & outcome resolution, developmental trend in preferences for suspense stories, 2nd vs 4th vs 6th graders, 860
characteristics & defining features in development of word meaning, preschoolers vs kindergartners vs 2nd vs 4th graders, 6301
characteristics of moral problems & solutions, male vs female 3rd–8th graders, 30369
childhood gender identity, subsequent sexual orientation, 3.5–11 yr old males re-interviewed during adolescence & young adulthood, 17048
childhood multiple personality disorder, 8–12 yr old males, 4188

choice vs no choice of treatment, outcome of behavioral weight control program, overweight 8–15.3 yr olds, 1961
choices, post-decision regret & dissonance-reduction behavior, 5–8 yr olds, 11730
cigarette & alcohol behaviors & attitudes & knowledge, 5th–7th grade students, 19764
client characteristics & psychopathology, 2–11 yr olds referred with encopresis, 4532
clock-agenda combination program, use of clock & meeting scheduled appointments, mildly & moderately mentally retarded 7.8–12 yr olds, 21124
cognitive ability, accuracy of self efficacy prediction, preoperational vs concrete vs formal operational thinkers with mean ages of 7.2 vs 10.1 vs 15.2 yrs, 14049
cognitive capacity, styles of learning to add & subtract, 4–8 yr olds, 16985
cognitive competencies, aggressive behavior, kindergartners to 2nd graders & 4th–6th graders, longitudinal study, conference presentation, 25041
cognitive development & cognitive readiness for school, 1–7 yr olds, 6-yr longitudinal study, 30441
cognitive development & locus of control as predictors of understanding of safety & prevention, 33–73 mo olds & their parents, 25085
cognitive development & logical reasoning, 4–7 yr olds, 30461
cognitive development, understanding own feeling, 4–5 yr olds vs 8–9 yr olds, 9090
cognitive development, 0–6 yr olds, Mexico, 6336
cognitive maps & search strategies in large-scale environments, 3.3–6.6 yr olds, 9145
cognitive processes & memory & semantics, performance on awele game, 9–15 yr old males, 22343
cognitive role-taking status & channel of communication & age, production of oral vs written persuasive messages, 1st vs 3rd vs 5th graders, 27799
cognitive skills & motor performance & age, motor readiness potentials & reliability of cortical evoked waveforms during voluntary movements, 6–9 vs 10–12 vs 16–19 normal vs 15–21 yr old mentally retarded males, conference presentation, 19869
cognitive stage, matching of pitch, kindergartners vs 4th graders, 16916
collative preference for variety of rewards, preschoolers vs 2nd vs 4th graders, 30464
combinatorial structure, double reversibility in formal thought, 10–16 yr olds, 11716
common factors in Draw-A-Man & Draw-A-Tree tests, 4–9 yr olds, 16296
comparability of WISC & WISC-R & WPPSI, 5.8–6.3 yr olds, 186
comparison using case reports & records, 6–15 yr olds with conversion disorder vs adjustment disorder, 17578
competence & socioeconomic deprivation & caste system, cognitive performance & persistance, 12 & 13 yr olds, India, 30473
competitive behavior, female vs male 1st–3rd graders, US vs Mexico, 6231
competitive vs noncompetitive conditions, fear of success as motive, 5th–8th grade females, 3691
composition & relative size of each parent in drawings of family, 5–11 yr olds from separated & divorced families, longitudinal study, 11810
comprehension & production of compound nouns for related vs unrelated objects, 2–6 yr olds, 16922
comprehension of & memory for TV vs radio vs book version of story, 3rd & 6th graders, 14084
comprehension of literary work as structural whole, 4th graders, implications for teaching literature, 14029
comprehension of metaphorical sentences, 1st vs 3rd graders vs preschoolers, 9245
comprehension of nonverbal communication & social skills, learning disabled vs non-learning-disabled 9–12 yr olds, 6980
comprehension of number conservation, pretransformation & posttransformation judgments, 3–4 vs 6–7 yr olds, 16947
comprehension of proximity reference, 4–7 yr olds, 3628
comprehension of punctuation & graphic representation in reading & writing, 4.8–6.7 yr olds, 16928
comprehension of relational terms "more" & "less" & "same" in conservation & seriation tasks, 54.2 vs 62.6 vs 68.6 mo olds, 27777
comprehension of relationships between speed & duration & distance, 1st–5th graders, 14009
computational estimation skills without writing materials, 6th–9th graders, 16993
computer-managed vs traditional pencil & paper versions of Preschool Speech & Language Screening Test, assessment of communication disorders, 3–6 yr olds in Head Start, 2856
computer programs for mathematics education, school age children, 32003
concentration & visual perception & motor coordination developmental levels, learning game & accelerated acquisition of perspective-operations, 4–6 yr olds, 25118
concept of nature & importance to psychology, differentiation between natural & human-made environments in picture categorizing task, 6–14 yr olds, 14121
conceptual & empirical analysis, structure & content in social cognition, 1st graders, 9273
conceptual tempo & problem solving efficiency, 2nd & 4th & 6th graders, 14019
conclusion of compulsory education, self image, 11 vs 13 yr olds, Italy, 30555
concurrent & predictive validity of Kaufman Assessment Battery for Children, assessment of intelligence, 6–12 yr old Navajo children, 13586
concurrent validity of Children's Action Tendency Scale, self report of aggressiveness & assertiveness & submissiveness, 3rd–5th graders, 21752
concurrent validity of Children's Depression Inventory & characteristics of Ss with extreme scores, 2nd–5th graders, 11190
concurrent validity of Draw-A-Man Test with WISC-R & Bender Gesalt Visual Motor Test for Children, 6–12 yr olds with cerebral palsy, 2916
conditional statements with "if" vs "that," understanding & modes of interpretation, 6–7 vs 8–9 vs 10–11 yr olds, 16919
confirming factor analysis, self concept measured by Self Description Questionnaire, 2nd–5th graders, 21802
consistency of Matching Familiar Figures Test performance, children assessed at 3 & 4 & 5 & 11 yrs of age, longitudinal study, implications for validity of test as cognitive style measure, 17046
consistency of performance on field dependence, college students vs school children, Nigeria, 16938
constrained vs unconstrained choice of collage materials, creativity, 2–6 yr olds, 17005
construct validity & factor analysis, Sequential & Simultaneous Processing & Achievement scales of Kaufman Assessment Battery for Children, 2.5–12.5 yr olds, 8414
construct validity of Kaufman Assessment Battery for Children vs WISC-R & Stanford-Binet Intelligence Scale, school age children, 16337
construct validity of Kaufman Assessment Battery for Children, gifted 8–12 yr olds, 27030
construction & validity, of Test of Early Reading Ability, 3–7.1 yr olds, 26729
construction of Behavior Rating Form-Revised, parent-report measure of children's self esteem, parents of 4–6 yr olds, 155
construction of Cognitive Bias Questionnaire for Children, assessment of cognitive bias & depression relation, psychiatrically disturbed 8–16 yr olds, 29746
construction of inventory for measurement of SES & childrearing practice, school age children, India, 5613
construction of macrostructure for expository text, 3rd vs 5th vs 7th graders vs graduate students, 14120
constructive memory, low vs middle SES Black vs White 4th graders, 30443
constructs of development of language, 5–7 yr olds, conference presentation, 25093
content & form in artwork & implicit sex-role perceptions, female vs male 9–12 yr olds, 14001
context & linguistic processing, reading-related differences, highly skilled vs skilled vs less skilled 3rd & 4th grade readers, 11753
contextual information & processing difficulty, ability to make & modify excuse inferences about speaker's use of utterance, 3rd graders vs college students, 19790

contingent vs noncontingent feedback, problem solving in discrimination task & transfer learning, male 1st graders, 25080
contingent vs noncontingent reinforcement, subsequent cognitive problem solving tasks, 5th & 6th graders, 9198
control of movement of ball bearing on sloping sheet of metal, 4–11 yr olds, 3677
conventional vs behavioral coaching by peer coaches, development of soccer skills, 8–10 yr olds, 19851
conversational time patterns, Japanese-American children vs adults in same vs mixed gender dyads, 25240
cooperation vs competition vs altruism, 5.4–13.28 monozygotic vs dizygotic twin pairs, 22396
cooperative-group intervention, interracial friendships, male vs female White vs Black 5th & 6th graders, 30506
coping strategies for anger & sadness, male vs female 6–11 yr olds, 19891
coping with hospitalization & pediatric clinic visits, 6 yr old female with chronic constipation due to Hirschsprung's disease, 15481
coreferential contents & structural restraints, anaphoric noun phrases of written narratives, below- vs above-average 5th–7th grade writers, 19793
correlates of TV viewing, 1st–3rd vs 3rd–5th graders, 3-yr study, Australia, 9134
correlation of scores on Whole Word Accuracy with results of Arizona Articulation Proficiency Scale, assessment of articulation proficiency in conversation, 3–7 yr olds, implications for diagnosis of speech pathology, 5651
correlation of WISC-R & physical fitness scores, gifted 4th–7th graders, 16956
correlations between WISC-R & Developing Cognitive Abilities Test, gifted 5th–8th graders, 159
counterphobia as etiology of multiple sexual molestation, 4–8 yr old female victims, 4289
coupling of counting & measurement procedures with training based on Piagetian mechanisms of identity & reversibility & compensation, conservation concept learning, 4–6 yr olds, teaching implications, 16963
creative ability, culturally deprived vs middle class, 6th graders, implications for teaching & teacher education, 844
creativity training, Obscure Figures Test scores, 4th–5th graders, 854
criterion-related validity of Quick Test Form 2, correlation of IQs & academic achievement & memory measures, 5–10 yr olds, Canada, 2955
cue-induced transformation of verbal stimuli, recall & recognition of words not presented in learning lists, 12–18 yr olds, 6285
cues in processing cleft sentences, 5–8 yr olds, 22353
cultural components of pain, Asian 9–12 yr olds, 16851
cultural context, gender segregation in peer groups, 18 mo to 9 yr olds, Kenya, 17054
cultural diversity, formal reasoning ability, 10–18 yr old Whites from rural vs suburban homogenous vs heterogeneous communities, 19827
culture, degree & direction & magnitude of sex difference in psychological differentiation, Jewish 10 yr olds differing in fidelity to cultural patterns of Eastern-European Jews, 30585
curiosity & sex & activity level & SES, performance on discrimination learning task, 1st graders, 9199
death anxiety, 3–4 vs 7–8 vs 10–11 yr olds, Israel, 978
death anxiety, 6–10 yr olds with leukemia, Hong Kong, implications for psychological treatment of terminally ill children, 4476
decentering & classification ability, reading ability, male 2nd graders, 16951
decision consequences & decentering prompts, evaluation of other's decision, intellectually gifted vs average 7–10 yr olds, 30544
decision making behavior, adaptation of strategies to task characteristics, 6th graders, 19823
decoding & paragraph comprehension performance, 1st vs 3rd graders, Turkey vs US, implications for regularity of letter-sound correspondence, 9217
degree of concordance for growth spurts & mental development, 3–6 mo old mono- vs dizygotic twins, 6-yr longitudinal study, 16603
degree of smiling vs touching vs interpersonal distance, gender differences in self-presentation, White male vs female 1st–4th vs 9th–12th graders, 14131
dendritic development in occipital cortical neurons, infants & children at 20 wk gestational age through 7 yrs, 5966
descriptions of & attitudes toward elderly, male vs female 4th–6th graders, 19890
deservedness of reward & storytelling & vicarious reinforcement, learning of generosity, Catholic 2nd–3rd graders, 17043
destereotyping of gender-typed activities & androgynous preferences, female tomboy vs nontomboy vs male 4th vs 6th vs 8th vs 10th graders vs adults, 9324
determinants of preferences for driving-type games in arcades & extended play, mood & motivation to play, 9–15 yr old college student males, 30527
developing pattern of reading errors & style, 5–6 vs 7–8 vs 9–11 yr olds, 19818
development & factor analysis of 3-level model of intellectual abilities, 6th graders, 22316
development & psychometric properties of thematic apperception technique for urban Hispanics, Puerto Rican nonclinical kindergartners to 3rd graders & clinical kindergartners to 6th graders, 13578
development & reliability & validity of instrument, psychosocial assessment in family day care program, infants to 9 yr olds, 2885
development & reliability of self report measure of loneliness & social dissatisfaction, 3rd–6th graders, 8389
development & social & cognitive/perceptual correlates of ethnic identity, kindergartners to 3rd graders, 16903
development & validation of rhythmic conservation task, assessment of conservation of rhythm, 4–8 yr old violin students, 11752
development & validity of Childrearing Style Inventory, assessment of childrearing parameters, 10–14 yr olds, 21760
development factors, reading & study habits, 10–12 yr olds, 25038
development of abstract expressivity in drawing, 4–20 yr olds, 921
development of analogical problem solving skill, nursery school students vs kindergartners vs 1st vs 5th–6th graders, 14046
development of Children's Science Curiosity Scale, 5th graders, 5626
development of Child's Health Self-Concept Scale, measurement of collection of health perceptions & behaviors, 5–13 yr olds, 16328
development of cigarette use, 2nd–10th graders, prevention implications, 11680
development of cognition & social perspective & moral judgment & development of helping behavior, 10–11 yr olds, 30366
development of concept of death, 5 vs 6 vs 7 vs 8 vs 9 yr olds, 22329
development of concept of God, Jewish vs Protestant vs Catholic 5–16 yr olds, 9216
development of concept of time, advantaged Western vs disadvantaged Eastern 3rd vs 5th vs 7th graders, Israel, 9204
development of consistent moral reasoning & altruistic behavior & perspective coordination, 4–11 yr olds, 11666
development of construct "word", 3–6 yr olds, implications for reading instruction, 3635
development of diagnostic related groups using DSM-III, 6–14.9 yr old inpatients & outpatients, 30893
development of drawing ability, kindergartners & 2nd & 4th & 6th graders, 9172
development of ethnocentrism & religious identity, 4–5 vs 8–9 vs 14–15 yr old students in Hindu vs Muslim vs Sikh vs Christian schools, India, 3716
development of expressivity in drawing, 4–20 yr olds, 27855
development of family role concepts, White middle class 6–13 yr olds, 887
development of gender constancy, number conservation, 7.5–8 yr olds, 17016
development of interpersonal relationships, elementary school students, 3-yr longitudinal study, 17101
development of irreversibility & nonfunctionality & universality components of death concept, 2–20 yr olds, literature review, 9235
development of judgment of responsibility for blame, kindergartners through 3rd graders, implications for attributional vs cognitive developmental vs symbolic-interactionist views, 30400
development of moral heteronomy & autonomy, sharing with peers in conflict situation, 6 vs 7.5 vs 10 yr olds, 22379
development of oral & written language in narrative vs persuasive genres, 1st vs 3rd vs 5th graders, 9218

development of prosocial behavior, aggression, 22 yr study of Ss studied at 8 & 19 & 30 yrs of age, conference presentation, 25187
development of Reflections of Self by Youth scale, measurement of self actualizing growth, 4th–6th graders, 27876
development of reversible operations on balance scale task, preschool students vs 2nd vs 5th vs 8th graders vs college students, 3669
development of rule structures on balance-scale & inclined-plane tasks, 1st–6th graders, 19806
development of sensitivity to causally relevant dynamic information, 2nd vs 4th graders vs kindergartners vs college students, 9196
development of sensory processes, improvement in auditory temporal acuity, 6–12 yr olds vs adults, 25102
development of seriation & conservation & classification, kindergartners & 1st–2nd graders, 1-yr longitudinal study, 22323
development of seriation & correspondence & transitivity task performance, kindergartners & 1st–6th graders, 22324
development of sex bias, 2nd & 4th & 6th & 8th & 10th graders, 14152
development of sex-segregated play, 3–14 yr olds, 22394
development of sex trait stereotypes & classificatory skills, 4 vs 6 vs 8 yr olds, 3591
development of temporal reasoning & concepts, 5–8 yr olds, literature review, 30456
development of time-sequence cognition, 4–7 yr olds, 14036
development of verbal description of motion perception, 3–4 vs 5 vs 6 yr olds, 11747
development of Women in Science Scale, assessment of attitudes toward women in science careers, 10–16 yr olds, 5612
development of word recognition processes, 9–12 yr old poor vs good readers vs college students, 9242
developmental changes in dichotic listening performance, right- vs left-handed 7–16 yr olds, 9202
developmental changes in event-related cortical potentials, 11–18 yr olds, conference presentation, 19810
developmental changes, representation of meaning similarities of nouns, 4–8 yr olds, conference presentation, 14101
developmental differences, hemispheric lateralization & integration in tactual identification matching, 5–6 yr olds, 25164
developmental differences in interhemispheric information transfer ability & confabulatory responding, 4 vs 7 vs 10 yr olds, 22320
developmental differences in tendency to share emotion of TV character, 3–5 vs 9–11 yr olds, 19931
developmental history & family & individual psychodynamics & psychopathology & treatment, 12.5 yr old depressed male who attempted suicide at age 7, 20390
developmental stages in behavior regulation & effects of speech development, normal 4–31 mo olds & severely retarded 87–151 mo olds, 14854
developmental trends in quality of conversations, children vs young adults, comments on study by B. Dorval & C. Eckerman, 19888
developmental trends in quality of conversations, children vs young adults, reply to comments by S. Ervin-Tripp, 19884
developmental trends in Rorschach test responses, 6–11 vs 11–18 yr olds, longitudinal study, 30531
diagnostic accuracy & discriminant validity of Luria-Nebraska Neuropsychological Battery-Children's Revision, normal vs learning disabled 9–12 yr olds, 2897
diagnostic method based on comparative observations with mothers, psychiatric disturbances, school age children, 20206
diagnostic validity, Slosson Intelligence Test, 6.5–7.5 yr olds with suspected learning disabilities, 2572
dichotically presented CV syllables, cerebral asymmetry in speech processing, bilingual Crow Indian vs monolingual Anglo 1st–6th graders, 16899
dietary caffeine consumption, anxiety & behavior & arousal, 6–13 yr olds, 9008
differences in encoding specific & categorical information, cued recall for cue-target picture & word pairs, 2nd vs 5th graders vs college students, 19789
differential validity of classroom teacher ratings on Inattention/Overactivity & Aggression subscales of Conners Teacher Rating Scale, clinic-referred male children, 21490
discourse structure, difficulty in reading, kindergarten students & 1st graders, 19812
discrepancy between situational & facial expressive cues, recognition of emotions, 4–8 yr old females, 16900
discussion- vs behaviorally-oriented safety training manuals, home safety & survival skills, 8–10 yr old latch key children, 7181
disruptions in parent discipline practices & negative microsocial exchanges, physical fighting & peer relations, 4th & 7th & 10th grade males, model for family interactions as training for aggression, 25219
distractor words, intralingual vs interlingual interference in automatic processing of word meaning, French-English bilingual elementary & junior high school students, 16945
distributive & immanent justice & egocentrism, 4–5 yr old preschoolers & 2nd graders, 22276
divergent thinking, 9–17 yr olds, Hong Kong vs US, 3642
division problem difficulty, response generalization, 8–10 yr olds, 32055
dogmatism & empathy & nonverbal behavior of fathers, cognitive development, 12–13 yr old sons, 27811
dominance & affiliation, social organization of same sex groups, 1st & 2nd graders, 22376
dominance & prosocial behavior, 2.5–6.5 & 7–9 yr old sibling pairs, 14134
downward extension & factor analysis of Perceived Competence Scale for Children, measurement of perceived cognitive & physical competence & peer & maternal acceptance, 1st–2nd graders, 13558
drawings of person under Draw-A-Person Test, fluctuations in IQ, female assessed between 4.6–10 yrs of age, longitudinal study, 19028
dream recall ability & reactions to congruous vs incongruous images, 3–8 yr olds, 928
dream recall ability & reactions to incongruous images, 3–8 yr olds, 927
dynamic balance abilities, learning disabled vs nondisabled 1st & 3rd & 5th graders, 1590
dynamic testing procedures, scores on Coloured Progressive Matrices Test, 8–9 yr olds, 16309
early mother-child interaction, cognitive development, 11 & 12 yr olds, Japan vs US, followup study, 25106
early pronunciation processes for maintenance of syllables in polysyllabic words, later pronunciation skill & production, males studied at 1.9 & 3.7 & 6 yrs, 25110
editions of Vineland Adaptive Behavior Scales, assessment & educational program planning for self help & social skills, mentally retarded 7.8 & 8.3 & 11.3 yr olds, 32129
educational level & human sex differences, moral development, 6th vs 8th vs 11th graders vs college students, US vs South Korea, 11829
effective family problem solving, families of school age children, 22460
efficacy of overnight group counseling retreat, 10–17 yr olds adopted after 6 yrs of age, 31415
egocentrism in attributions of artistic preferences, 3 & 5 & 7 yr olds, 14165
electrophysiological features of brain development & autonomic & motor functions, healthy 7–8 yr olds, 16870
elicitation & instruction tasks, study of relationship between language acquisition & cognitive processing development, 4–9 yr olds, literature review, 949
elicitation of basic color terms & lexico-semantic development, Japanese-English bilingual 10–11 yr olds, 14111
Embedded Figures Test & self concept, male vs female 4th–6th graders, 976
emergency & type of injury & age of injured, helping behavior, 1st vs 4th vs 7th vs 10th graders, 25214
emotional & intellectual development, preterm vs full-term children at 6 & 7 yrs of age, 1- & 2-yr followup, 9105
emotional development, 5–17 yr old children of mothers with borderline personality disorder, 25525
emotional empathy, 9–12 yr olds & their parents, 988
emotionality & eidetic imagery, primary school students, 27743
empathic instructions, donating behavior, male vs female 1st graders, 14133
employment & work experience, delinquent behavior & commitment to education, 6th–12th graders, 1-yr followup study, 6912

encoding & decoding of facial expressions, 4th graders vs college students, 11809
encoding processes & development of face recognition, 4–16 yr olds, examination of S. Carey's theory, 30432
encouraging self evaluation, use of mnemonic strategy, 5–6.8 vs 8.1–9.8 vs 10.9–11.9 yr olds, 3645
enculturation & acculturation, school adjustment, American Indian children entering school, 26604
energy loading & discharge in creative process, school age children, 9183
ensuring continuity of long-term psychiatric care, male 12.5 yr old patient, 31297
enunciation & language production, 3–6 yr olds during play, 19835
epilepsy as psychosomatic disorder, 6–12 yr olds, 9986
errors & response latencies on Auditory Cognitive Style Task, 1st vs 3rd graders classified as good vs poor readers, 14107
estimates of incomes for various occupations & judgments regarding fairness of income differences, working- vs middle-class 3rd–7th graders, 25186
estimation of distances between elements in Gestalt patterns, kindergartners vs 2nd vs 4th vs 6th graders vs graduate students, 16932
ethnicity & SES & age, sociolinguistic variation & accommodation, 5–12 yr olds, Hawaii, 939
ethnicity & sex differences, conversational time patterns, 8 yr olds, Hawaii, 25162
etiology of shyness & timidity, elementary school student, 22378
evaluation of institutional care vs family placement in Mga Bata sa Tahanan Project, needy 8–15 yr olds, Philippines, 26289
evaluation of own happy vs sad vs angry vs scared facial expressions, 3–7 yr olds, 22397
evaluation of potential effectiveness of cues for remembering or relocating hidden objects, kindergartners through 3rd graders, 25072
exhibition of bossy interpersonal style in problem solving situation, dyads containing 1 average status & 1 popular vs unpopular 3rd & 4th grader, 9310
expectations of parental sex differences in responses to encountering interpersonal problems, male vs female 4th–8th graders, 17033
experiences & perceptions of ongoing pedophile relationship, 10–16 yr old males, Netherlands, 6942
experimenter vs peer influence, choice of ways to spend monetary gift, 1st vs 3rd vs 5th graders, 25242
explanation of meaning or use or conceptualization of words vs WISC Vocabulary test, measurement of vocabulary knowledge, 4–7 yr olds, 21777
exposure to adult TV commercials for lipstick & diet soft drinks, future consumer behavior & attitudes, 10 yr old females, 24065
exposure to unemployment, worries & anxieties, 6th & 9th & 12th graders, 17081
expressive & receptive language use & SES, performance on inference task, lower- vs middle-income Black 3 vs 5 vs 7 vs 9 yr olds, 952
extracurricular programs, self concept changes, gifted White 8–12 yr olds, South Africa, 29383
extraversion/introversion, mutual interpersonal attraction, 12–14 yr olds, 14170
fabling in development of play relationship with adult, 7 yr old female, 1-yr longitudinal study, 11813
factor analysis & validity of LPS 8/PSB 7 spatial ability subtest, 9.2–16.1 yr old educational counseling clients & 16.8–22.5 yr old delinquents, West Germany, 29773
factor analysis, aggression inventory developed by D. Olweus, 10–18 yr olds, Italy, 192
factor analysis of Kaufman Assessment Battery for Children, 5 vs 7 vs 10 yr olds, 16335
factor analytic study of items to measure forethought development, 3–14 yr olds, 3664
factor comparisons of Junior Eysenck Personality Inventory, males vs females, Greece vs Great Britain, 25188
factor structure of teacher ratings of inattention & impulsivity & hyperactivity & aggressive & anxious behaviors & relation to developmental & background variables, 9 yr olds, 30522
factors associated with aesthetic development, primary school students with talent in music vs fine arts, 11671
failure of socialization, crime rates, school age children, 12252
failure rule for Children's Embedded Figures Test, test discriminability, kindergartners to 4th graders, 143
familial sinistrality, speed of color naming, female vs male 5–7 yr olds, 16982
familiar words embedded in interchangeable vs noninterchangeable sentences, word recognition, 2nd vs 6th graders, 11777
familiarity of person giving reward & differential preference for external reward, intrinsic motivation for reading task, 2nd–4th graders, implications for cognitive evaluation theory, 22278
family background & language stimulation, verbal ability, 8 yr olds, 16931
family-based behavioral treatment, weight loss, 5–8 yr old obese females & their parents, 8- & 12-mo followups, 20850
family behavior & home discipline & marital relations of parents & parental rejection, 4th & 7th & 10th grade males who fight at home &/or school, treatment & prevention implications, 3720
family characteristics, 12–27 yr olds who attempted suicide, 9757
family history & subsequent schizoid personality & diagnosis validity & symptoms, 5–14 yr old males with schizoid personality, 10-yr followup, 6880
family size & birth order & sex of siblings, social acceptance, popular vs normal vs isolated 8–12 yr olds, 6376
family stability in community, reading achievement, 3rd–7th graders, 19830
family structural complexity & sex of stepchild, quality of relationship, stepfathers & 9–12 yr old stepchildren, 22462
family systems therapy in school programs, emotionally disturbed children, 32170
family therapy, learning & behavior problems, 5–7 yr old Asian males & their families, England, 1890
family vs peer content, performance on distributive justice scale, 5–11 yr olds, US vs Sweden, 1-yr longitudinal study, 9277
fantasy vs realistic vs contractual passages, syllogistic reasoning, 6th vs 12th graders, 30469
father's sex role attitudes & expectations for son's attitudes, son's actual sex role attitudes, fathers & their sons with mean age of 11.7 yrs, 27841
feelings of loneliness, sociometrically rejected vs neglected 3rd–6th graders, 30488
field dependence & operational development, male vs female 3rd graders, 30410
field dependence, cognitive task performance, 5.5–6.5 vs 7.5–8.5 yr olds, implications for distinction between cognitive style & cognitive development, 30435
field dependence, reading comprehension & accuracy & speed, 10 yr olds, 19807
formation of visual stimulus equivalences, 5 & 7 yr olds, 9203
free classification & construction of graphic vs nongraphic collections, 3 vs 5 vs 7 yr olds, 951
free recall of abstract vs concrete words, poor vs normal readers in 2nd vs 6th grades, 19867
free token/response cost system, stuttering, 12 yr old learning disabled male, 10237
frequency of self initiated speech repairs, kindergartners vs 2nd graders, 16933
frequency of sociometric choices, peer ratings, 4th–7th graders, 27834
friendship choices in integrated primary school, Protestant vs Roman Catholic 7–11 yr olds, Northern Ireland, 14144
friendship expectations, 2nd vs 4th vs 6th graders, 973
friendship vs nonfriendship grouping, verbal behavior & collaborative learning, 7 yr old females, implications for group work in classroom situations, 27851
functional-pragmatic evaluation of communication skills, school age children, 3665
fuzzy-trace theory of transitivity development, solution of thinking & reasoning problems, kindergartners & 1st & 2nd graders, 11721
games with rules emphasizing interindividual competition vs cooperation, interactive regulation processes, primary school students, 19875
gender concepts & cognitive maturity, 3–6 yr olds, 848
gender, expectations for feedback under public vs anonymous conditions, 4th & 6th graders, 14132

gender, performance on Piagetian tasks of horizontality & verticality, Igbo students aged 8–19 yrs, Nigeria, 19840
general guidelines for timing of preparation for impending hospitalization, 5–12 yr olds, 12729
generalization of computer based learning, 8 yr old male, 16960
generalization of verbal self regulative communication training to novel tasks, 1st graders, 938
generational effect in maltreatment & infant temperament, dyadic interactions, 6–11 mo olds & 2–10 yr olds & mothers & other adults, 22807
genetic aspects of temperamental differences, monozygotic & dizygotic same-sex twins at 2 & 9 mo, 6-yr followup, 6406
genetic factors in temperamental individuality, monozygotic vs dizygotic same-sex twins at 2 vs 9 mo vs 6 yrs, longitudinal study, 27885
goal- vs non-goal-oriented role play, locus of control, Black 5th graders, 6402
goal instruction, production & integration of narrative sequences in picture story, 4–6 yr olds, 885
grade & sex, performance on RT & pursuit rotor & hand tapping & arm-hand steadiness tasks, 1st–6th graders, 944
grade norms, psychological harm, school age children, 13174
group composition, helping action in risky situations, 5–13 yr olds, 25178
group discussion as means to raise level of moral judgment, 10 vs 13 vs 16 yr olds, Brazil vs US, implications for school psychologists, 3683
group discussions, moral decisions regarding altruism & honesty, 3rd vs 6th graders, 27823
group progressive relaxation training vs individual EMG biofeedback training, academic achievement & self control, hyperactive 3rd–5th graders, 31449
group social preference strategies, 5th vs 8th graders vs college students, 992
group therapy, 3rd–5th graders with behavior problems, Taiwan, 12533
group treatment program, peer relations, abused or neglected middle-school adolescents, 31425
group treatment with behavior modification & desensitization techniques, elective mute 6–9 yr olds, 20837
hallucinations, 8–16 yr olds with conduct & emotional disorders, 22702
handedness & eye dominance, perception of disappearing visual targets, 1st graders vs college students, 9206
handwriting speed & legibility, 7–14 yr olds, 956
happy vs neutral mood with vs without instruction that excessive self gratification is wrong, self indulgent vs self denial response to reward, 4–5 vs 8–9 yr olds, 19914
health & handicaps & size & development status, small- vs average- vs large-for-dates children, 7-yr followup, 11696
health locus of control & self esteem & behaviors & intentions, 5th & 6th graders, 9095
height & distance of human figures, dyad vs family placement in social schemata assessment, 5th graders, Israel, 14196
hemispheric dominance for speech perception, 3–12.5 yr old with congenital or infantile hemiplegia vs recently brain damaged nonaphasic adults, 9892
hemispheric specialization & creativity & masculinity vs femininity, male vs female elementary & junior high school students, 11712
hemispheric specialization indicators, performance on language & visual perception tests, school age children, 30437
hierarchical factor structure of Kaufman Assessment Battery for Children, 5 & 7 & 10 yr olds, 11162
high- vs low-SES, processing of stimuli presented to right vs left visual field, 5th & 7th graders, 9246
horizontal directionality & difficulty with reading & writing & spelling, 42–74 mo olds, 31095
ideas on social objects in sociopolitical world, 6–10 yr olds, 3679
identical vs category monitoring, comprehension of spoken discourse, 5 & 7 & 10 yr olds, conference presentation, 14113
identification of subgroups & panic-fear & emotional precipitants of attacks & role of allergic factors, asthmatic 7.5–12 yr olds, 7068
imaginary play companions, creativity & intellectual development, children, 6265
immediate vs delayed story recall, 7 vs 8 vs 10 yr olds, 6290
Impact Project, reduction of pathogenic impact, severely disturbed mothers & their 5–12 yr olds, 21023
impairment of social cognition, 7–10 yr olds with minimal cerebral dysfunction, 7056
improvement in psychometric properties of Behavioral Eating Test, kindergartners to 1st graders, 19038
inadequate family environment & emotional conflict, 5–16 yr olds with conversion neurosis vs neurosis vs aggressive behavior disorders, 1439
incidence of hearing impairment, Down's syndrome 5.3–20.2 yr olds in special schools, 22904
incidental vs intentional learning conditions, acquisition of family-resemblance vs criterial attribute categories, kindergartners & 5th graders & college students, 25127
incidental vs intentional memory conditions, free recall of categorized & noncategorized lists of pictures, kindergartners vs 2nd graders, 27801
inclusive vs exclusive interpretations of Piagetian class inclusion type questions, college students & 6 vs 8 vs 10 yr olds, 17000
incomplete frequency data & inferences, 4th–5th vs 7th–8th vs 9th–11th graders vs college students, 25113
incomplete pictorial instructions, questions asked & awareness of lack of understanding, 5.4–6.9 vs 8.10–9.6 yr olds, 6320
increase of number of objects, classification & inclusion skills, 3.5–9.8 yr olds, 30425
increased symmetry in discrimination task & perpendicular error in copying line drawings, children with mean ages of 5.8 vs 6.8 vs 8.5 yrs vs college students, 9220
increasing awareness of aged & knowledge of aging process, 3rd graders, 9326
independent vs parent support conditions, exploratory behavior, 42–90 mo olds, 9290
indication of direction & speed of nonmimetic figures, perception of speed & direction of motion, 8–16 yr olds, 27794
individual difference & situational factors, pre- & postmatch competitive stress, 9–14 yr old wrestlers, 14201
individual differences in cognitive synthesis & role of attentional reserve, 5.4–6.8 yr olds, 6276
individual temperment diagnosis, Ss at 4–8 mo vs 3–7 yrs of age, longitudinal study, 9266
individual vs TV presentation of fairy tales, story recall, children with mean age of 6.5 yrs, 14048
infliction of serious injuries on younger siblings, 4.5–12 yr olds, 17615
information & personal contact, attitudes toward handicapped, 12–16 yr olds, 22292
information feedback, control of observing response during visual discrimination learning, kindergartners vs 2nd vs 5th graders vs college students, implications for cognitive hypothesis testing, 19872
information processing demands, performance on combinational ordering problems, 2nd–5th graders, 16998
informativeness & coherence & context dependence of instructions on procedures of play & group games, 7 vs 10 vs 14 yr olds from city vs small town environments, 19846
informed consent in treatment decisions, hyperkinetic 10 yr old, 22501
initial ambiguity in directions followed by unambiguity, uncertainty in evaluation of spatial directions, 2nd vs 6th graders vs college students, 16937
inpatient psychiatric treatment, effectiveness, 4.2–10.7 yr olds, 2159
inspection time, discrimination of visual stimuli & auditory stimuli, 11.1–13 yr olds, 6299
instruction conditions, moral judgments, 4th graders vs 7th graders, 6245
instruction to remember TV programming for later testing vs to watch for entertainment, recall of visual vs auditory vs audiovisual information, 5 vs 9 yr olds, 16935
instruction to respond to 1 or both tasks, allocation of attention when given 2 tasks, 9 vs 13 yr olds, 25147
integrative & hemispheric learning styles, 10 vs 14 vs 19 yr olds, 30440
intellectual ability & reattribution training through observational learning, persistence behavior, male vs female learned helpless 5th–6th graders, 30423

intellectual giftedness, performance in Piagetian stages, 10–16 yr olds, 27762
intelligence & speed of color naming, male vs female 5–7 yr olds, 16955
intelligence, logical memory & recall, 2nd graders, 14086
intelligence test scores & RT & perceptual speed performance, 12 yr olds, 6326
interactivity of & reciprocity principle of language & writing & speaking, 6 yr old, 14080
intergenerational activity programs, 2nd graders & nursing home residents, 31729
interitem association & automaticity, development of organization in free recall, 3rd vs 5th vs 7th vs 9th graders vs adults, 25076
intermediate agent & applied pressure, judgment of textural roughness, 6–10 yr olds, 25143
internal interest & reward magnitude, preference for interesting vs uninteresting toy, 1st & 2nd graders, 22387
interpersonal trust & sense of self efficacy & age & sex, TV viewing habits, 5th–8th graders, 9126
interpretation of incomplete instructions, individual differences in strategy selection in solution of figural/numerical analogies, 4th vs 6th vs 8th graders vs college students, 19797
interpretation of referential ambiguities & pragmatic inference, 2nd & 4th & 6th graders, 9159
interracial contact & race of child & age & sex, racial prejudice, Black & White 6th–10th graders, 14190
interrelationship between firesetting & enuresis & cruelty to animals, 4–16 yr old psychiatric patients, 30936
interscorer reliability of Spatial Memory subtest of Kaufman Assessment Battery for Children, gifted 8.8–12.2 yr olds, 27011
interview methodology, investigation of pain experience & perception, 5–12 yr olds, 7569
intra- vs interpersonal performance information, comparison behavior, 3rd–5th graders, 22381
intrasentence context & content difficulty, oral reading of isolated words vs sentences, 3rd–5th graders, 3622
IQ scores on Columbia Mental Maturity Scale, 4–9.4 yr olds, Japan vs US, 9213
irregular spelling & spelling-sound correspondences, word recognition, 3rd vs 5th graders vs college students, 11779
issues & problems of working with families of school-aged handicapped children, family therapists, 7301
item & internal consistency reliability of Your Style of Learning & Thinking-Form CC, assessment of hemispheric laterality, 9–12 yr olds, 11177
item bias on Peabody Picture Vocabulary Test, White vs Black 2.5–7 yr olds, 23910
item complexity & correct vs incorrect transformation, strategies for solving geometric matrices, 7 vs 10 vs 13 yr olds, 19808
item difficulty, Tent & House series of Children's Embedded Figures Test, kindergartners through 4th graders, implications for test administration, 11149
judgment of speech sounds & spelling, kindergartners & 1st graders, 19864
judgment only vs judgment plus explanation criteria of M. L. Goldschmid vs Piaget, conservation performance, kindergartners to 6th graders, 16285
kibbutz vs urban setting, prevalence of grief reactions & behavioral symptoms following death of father due to war, 2–10 yr olds, Israel, 30514
kidnapping by noncustodial parent, psychological trauma & social disorders, 6–11 yr olds, 12227
knowledge & understanding of pain & pain experience, 5–12 yr olds in hospital & clinic & school settings, 25909
knowledge base & control processes & metacognitive states, Black vs White 2nd & 3rd graders, implications for racial differences in intelligence, 6277
knowledge of alcohol abuse related labels, kindergartners & 1st & 3rd & 4th & 6th graders, 22391
knowledge of animate being vs inanimate objects, 3 vs 4 vs 5 vs 7 vs 9 yr olds vs college students, 9171
knowledge of results, anticipatory timing & motor planning, 1st & 3rd graders, 19847
knowledge of sex role stereotypes & preferences for sex-typed activities, male vs female 2–5 yr olds, 14195
knowledge of social functions of younger vs older vs same-age peers with respect to friendship & instruction & leadership & help & sympathy, 1st vs 3rd graders, 9281
lack of knowledge inference & memory judgments, 2nd vs 5th graders, 25153
language choice & participative & integrative relationships in terms of filiation recognition vs denial, Greek 10–14 yr olds, France, 27739
language development & lateralizaton of semantics, right hemisphere short term verbal memory, right handed 4–11 yr olds, 22344
language development, bilingual Spanish/English speaking language handicapped 5–8 yr olds, 1606
language used in descriptions of images, primary school students, 9144
latchkey arrangement, functioning, 4th & 7th graders with self- vs adult-care, 25058
lateral dominance, braille tasks, 6–11 yr olds, 9211
learning experiences, development of concept of evaporation, 5 vs 7 vs 9 yr olds, 19796
learning of meaning & pronunciation of unfamiliar words varying in length & letter-sound regularity & complexity, 5th & 6th grade disabled readers, 17681
learning style & apprehensiveness & family life & parental support & school attendance, prediction of future achievement, 5–6 yr olds, followup study, 32056
left-right & near-far spatial dimensions of objects, spatial perspective taking, 2nd vs 4th graders, 19820
letter vs abstract form stimulus arrays with variable interstimulus intervals, retention, 3rd & 5th graders classified as average vs supra readers, 14075
level of cognitive development, comprehension of complex sentences, 1st vs 4th vs 7th graders, 19788
level of extraneous auditory stimulation, response latency & glances away from visual discrimination task, preschool vs 2nd vs 6th graders, 9192
level of involvement with child & parental role, fathers of hospitalized 5–12 yr olds, 31701
levels of damage vs culpability vs recompense, judgments of deserved punishment, 4–9 yrs olds vs adults, 22279
lexical innovations, construction of new word forms, 3–6 yr olds, conference presentation, 14023
likeability of assertive vs nonassertive film models of behavior, male 4th–5th graders, implications for training of assertive behavior, 22404
limitation of time & speed of signal presentation & high vs low lability of nervous processes, characteristics of brain associative functions, 6 yr olds, 22326
linguistic analysis of conversational repairs using R. Brown's model of linguistic development, Ss with mean ages of 2.5 vs 3.3 yrs vs 5–6 yr olds, 3647
living in rural rapidly vs not rapidly growing communities, perceived personal problems, female vs male 6th vs 9th vs 10th graders, 27868
locus of control & parental influences, perceived competence, 5th–8th graders, 27816
locus of control, preoperative coping behavior, 8–12 yr old minor surgery patients, 7548
locus of control, 3rd–5th graders from intact vs maritally disrupted families, 989
logotherapeutic technique of paradoxical intention, 7 yr old male with fear of not being able to fall asleep, 1861
long term memory retrieval efficiency & individual & developmental differences in cognitive functioning, 4th vs 8th graders vs adults, 16964
long term tracheostomy, physical & emotional development, infants less than 13 mo old, followup at ages 3–8 yrs, 31608
magical world view & logic, suicidal threats due to migraine pain, 10 yr old female in family therapy, 23225
magnitude of pattern contingent color aftereffects, 6 vs 8 vs 10 vs 20 yr olds, implications for development of perceptual learning, 30414
manifestation of cognitive dissonance & psychological reactance in decision making situation, 10–12 yr olds, 6227
manual communication, language instruction, school age children with severe reading disabilities, 10796

matching of length of lines within & between modalities of vision & kinesthesis, 5–6 yr olds vs 9–10 yr olds, 920
maternal behavior & cognitive abilities & affective tone of mother-child interaction, school readiness & 6th grade vocabulary & mathematics achievement, 1st born children evaluated at ages 3.7 & 4 & 5 & 6 & 12 yrs, longitudinal study, 9191
maternal employment & paternal involvement & mental health, 6–18 yr olds, Israel, 30541
maternal psychopathology & perception of child behaviors, mothers of abused & neglected school age children, 25626
maternal reinforcement style, prosocial motives & behaviors, Anglo American vs Mexican American 5–12 yr olds, 9298
maternal rejection during childhood, depression as child & young adult, 8–19 yr olds, 1425
maternal reports of behavioral stability & patterns of individual differences, identical vs fraternal same-sexed twins observed from birth to 6 yrs old, longitudinal study, 27861
maternal traditional vs modern sex role attitudes, need for achievement & expectancy of success, male vs female 7–12 yr olds, India, 30548
maternal vocational participation, occupational choices, public school male vs female kindergartners & 1st graders in upper-middle-class community, 16893
maturation & class structures, cognitive level & linguistic performance, 1st vs 8th graders vs younger vs older children not in school, Brazil, 22277
meaning of indefinite number terms, 3–6 yr olds, 9214
measurement of spatial relations with Draw-A-Person-With-Face-In-Front test, detection of literacy skills, school age children, Australia vs Western societies, 11756
media presentations & content, fear, 3–4 vs 6–7 vs 9–10 yr olds, test of Piagetian stages of development, 3689
medical foster care program to reduce extended hospitalization, 4 wk to 7 yr old abused or neglected females, 4881
memory & free recall capabilities, cooperative vs competitive vs individualistic social values, 3–10 yr olds, 13994
memory for movement, congenitally vs late-blind 8–15 yr olds, 1658
memory span & P300 latency, 5–14 vs 20–40 yr olds, 16952
mental task performance, EEG measurement, 11–13 yr olds, 22341
metalinguistic & cognitive abilities, bilingual vs unilingual 6 vs 8 vs 10 yr olds, India, 16977
metalinguistic awareness of pragmatic rules concerning direct vs indirect requests for action vs information, 6 vs 7 vs 8 yr olds, 14119
metapragmatic knowledge of request function, 5–8 yr old students, 16999
methodology & results of telepathy research, 3–13 yr olds, reply to S. Blackmore's criticism, 27804
methods for art therapy evaluation sessions, 6–8 yr old males, 7172
methods of grouping & development of classification of patterns of adjustment problems, male vs female 10 yr olds, 19877
mispronounced high-frequency words presented in storylike context, production of correct pronounciation, 2nd graders, 3630
mixed age hospital treatment milieu & therapeutic techniques, adolescents & latency aged children, 4958
model of mathematical problem solving, primary school students, 6302
modeling & shaping procedure, swallowing pills, 6 yr old female, 26091
modeling & social reciprocity, aggressive interpersonal acts, 1st & 2nd grade males, 977
modeling of thinking aloud & use of cues to stimulate self questioning during planning monologs & direct strategy instruction, 2-way reflective process in written composition, 6th graders, 14096
models of group treatment of developmental issues, young school aged children, 28679
moral development & education, school age children, 32020
moral judgment & role taking & cognitive processes & self concept, 10–11 vs 14–15 yr old delinquents & nondelinquents, 4304
moral judgment development & scholastic achievement vs solidarity with peers, 10 yr olds vs their teachers, 27714
morphology of orthostatic posture using Crampton's test, mentally retarded 6.5–15.4 yr olds vs 5.9–12.8 yr olds, 22900
mother child interaction & home environment & demographic variables & maternal attitudes, development of causal models for classroom & achievement test performance, Mexican American 7–9 yr olds, 27789
mother-child relations & cognitive ability, mathematics & reading achievement & conversation & vocabulary & block design performance, mothers & their 3 mo olds studied at 6 yrs of age, longitudinal study, 9166
motor performance, male vs female 3rd vs 4th vs 5th graders, 3631
movement speed & visual feedback, directional aiming task performance, 6 vs 9 yr olds, 11739
Multi-Option Basic Fact Program, mastery of additional facts in mathematics, learning disabled 7.2 & 8.2 yr old males, 26652
multidimensional scaling, discrimination of distinctive features of lower case letters, 3rd–4th graders with good vs poor spelling ability, 909
multimethod intervention, social skills, socially rejected 9 yr old Mexican American female, 4742
naming strategies & description of object purpose & agents involved in their use, 3–6 yr olds, implications for cognitive & language development, 14070
nature of situation in which help is needed, understanding of others' need for help, 4 vs 9 yr olds, 25220
neonatal & later activity & development of temperament style, 4–8 yr olds, 17065
new instruments for assessing self concept & self esteem during personality evaluations, 3–12 yr olds, literature review, 19068
nighttime fear content & coping behaviors, fearful vs unfearful 6.5–12.5 yr olds, 30523
noncontingent verbal praise, performance & integration of circular & linear movements in motor task, 6 vs 11 vs 17 yr old males, 3654
nonverbal enactment vs verbal paraphrase of narrative, normal vs learning disabled 6–7 yr olds, 3-yr longitudinal study, 10803
nuclear war threat, personality development in middle childhood & adolescence, 6357
nursing instructional program, self administration of breathing exercises & medication, asthmatic 2nd–4th graders, 18192
object & age & cultural/social background, reasoning of aliveness & animism, 5–9 yr old northern Unitarians vs southern Baptists, 25148
onset of tics following amphetamine treatment for narcolepsy, 3 yr old male, implications for linkage to Gilles de la Tourette's syndrome, conference presentation, 4814
oral & written communication, 7–12 yr olds, 930
organization of memory retrieval, 5 vs 6 vs 9 yr olds, 27815
organization of social interactive behavior, mothers & their children with or without minimal brain damage, 4453
parent-child relations & discipline & parent training, disobedience, 10–16 yr olds, 27735
parent recommendation vs performance on Woodcock-Johnson Psychoeducational Battery & Raven Progressive Matrices, educational diagnosis, gifted 4–6 yr olds, 10861
parent-reported development of modesty, 2–10 yr olds, 14198
parental attitudes, development of temperament, 3–15 yr old twins, 16579
parental belief systems & teaching strategies, social-cognitive problem solving & school adjustment, intact families with 2nd graders, 25039
parental childrearing attitudes, child's prosocial behavior, 3–6 yr olds from 2-parent families, 14206
parental divorce & environmental changes, cognitive & behavior changes, psychopathology, 6–16 yr olds, 881
parental home tutoring program, prereading skills, 4.1–6.7 yr olds with mild to moderate language delays, 7946
parental judgement of child's body weight, self perception of body image & weight, female vs male 9–11 vs 12–14 yr olds, 6296
parental sex role traits & television viewing, sex typing of toys & occupations, female vs male 5.5–7.5 yr olds, 22393
parental use of threat "God will punish", compliance, 4th–8th graders, replication of C. Z. Nunn's study, 19911
participation in pain instructional program, knowledge & understanding of pain, 3rd–4th graders, 18591
participation in prostitution & pornography, 8–12 yr old females, 22829

paternal alcoholism, stimulus augmenting & field dependence, 10–12 yr olds, 28324
pedophiliac relationships with adult males as positive vs negative experience, 10–16 yr old males, 6396
peer culture & organization of self & object representations in psychotherapy groups, school age children, 28689
peer vs adult positive vs neutral feedback, task performance & imitative behavior, Black male vs female 1st–2nd graders, extension of experiment by S. E. Henry et al, 919
perceived family strengths, 10–24 yr old children of remarried families, 11687
perceived maternal childrearing attitudes & moral judgment level, female vs male 9–11 yr olds, 30538
perceived sex stereotyping of activities, 2nd–6th graders, 990
perception & description & response to painful experiences, Arab-American 8–12 yr olds, 16904
perception & description of & response to painful experiences, 9–12 yr old Arab- vs Asian- vs Latin Americans, implications for assessment of children's pain coping strategies, 13981
perception & reproduction & estimation of time & GSR & EEG & EKG & GPA, 1st graders reassessed in 8th grade, 14033
perception of parents' childrearing behaviors, Anglo vs Navajo 5–8th graders, 30614
perception of procedural justice, 1st vs 5th graders, 9285
perception of relationship with father vs mother, female vs male 5–8 yr olds, implications for validity of norms for Family Relations Test & similar instruments, 8429
perception of self & others, aboriginal vs White 11–13 yr olds in rural vs urban areas, Australia, 25174
perception of sex-appropriate adult occupations & activities, male vs female kindergartners vs 5th vs 11th graders, 959
perceptions of family relations & intelligence scores, gifted 6–16 yr olds & their nongifted siblings, 25070
perceptions of normal mother-child & grandmother-grandchild interactions, Black grandmothers & mothers & 8–14 yr old children, 9424
perceptions of qualities of sibling relationships, 5th–6th graders, 22368
perceptions of sex role stereotypes in TV, 4–9 yr olds, 17035
perceptions of sexuality & relationship to development of incest, 5–15 yr olds, Australia & England & North America & Sweden, 27846
perceptions of spelling strategies, 3rd & 4th graders, 25137
perceptions of threat of nuclear plant accidents, 4th–8th graders vs 10th–12th graders at 1–3 vs 7 vs 10 mo after Three Mile Island accident, 27877
performance on WISC subtests & Raven Progressive Matrices, 8–13 yr old mono-vs dizygotic twin kibbutz school children, 16591
performance on Boehm Test of Basic Concepts, educable mentally retarded with mean age of 9.5 yrs, implications for psychoeducational assessment, 2587
performance on delay task of Gordon Diagnostic System, nonhyperactive vs hyperactive emotionally disturbed 6–11 yr olds, 7089
performance on Luria-Nebraska Neuropsychological Battery—Children's Revision, normal vs reading disabled 8–13 yr olds matched for IQ, 145
performance on Nonsense Syllable Test, 6–7.9 vs 8–9.9 vs 10–12.9 vs 22–26 yr olds, 22312
performance on semantic-processing & speed-of-processing tasks, examination of difficulties in reading comprehension, good vs poor comprehending 4th & 6th graders, 6297
perpetrator's actions as intentional vs accidental, attitudes toward degree of badness & punishment & compensation for victim, 1st & 3rd & 5th graders, Canada, replication of D. T. Miller & C. D. McCann's study, 16894
personality & behavior & family environment, Black vs White 6–10 yr olds, 17045
personality characteristics, anxiety regarding dental treatment, 8–14 yr olds, 26264
personality traits, depressive attitudes, high school students, Italy, 17047
personality traits, 9–15 yr olds, England vs US, 9295
personality vs parental child-rearing attitudes vs SES vs sociometric status vs academic achievement, peer interaction & relationships, 4th–6th graders, Taiwan, 17026
phonation time for /a/ sound, normal-voiced 3.6–17.9 yr olds, 9176
phonological ambiguity, naming of words, 3rd & 5th grade beginning readers learned in Roman & Cyrillic alphabets, Yugoslavia, 25088
phonological development, Castillian-speaking 3–7.9 yr olds, Spain, implications for prevention & diagnosis of language problems, 14015
physical conflict in peer relations and other stressors, 7–12 yr old males, implications for social workers, 28899
physical maturation rate, cognitive abilities, 3rd grade females vs 5th grade males, 2-yr longitudinal study, 30481
Piagetian developmental level, clustering in free recall of pictures, 64–75 mo olds, 25094
Piagetian task performance & cognitive growth & sex, 1st graders, 1-yr longitudinal study, 17001
Pickford-Nelson anomaloscope, assessment of color vision & validity of 4 pseudoisochromatic tests, 4–11 yr old males, 3651
pictorial & verbal depiction of meaning of death, 4–8 yr olds, 14118
pictorial instruction, paired associate recall, 1st graders, 27783
picture mnemonics, learning of letter-sound & letter-picture associations, preschoolers & kindergartners & 1st graders, 9174
place & type of residence & SES, semantic representation of words, elementary school students, 16966
placement of infant candidates in adoptive homes vs foster homes vs with biological mothers, social maladjustment & school underachievement & nervous disturbances, 11 & 15 yr olds, longitudinal study with 15-yr followup, 6476
play behavior as indication of attitudes & fears about nuclear weapons & war, kindergarten through 2nd graders, 22365
pleasant vs unpleasant story, perception of ambiguous figure, 1st–3rd graders, 916
position of anomalous information & convergent clues in stories, integration & comprehension monitoring, preschoolers vs kindergartners & 2nd graders, 14100
positive & negative impact of video game playing on social & academic life, 10–20 yr olds, 22274
positive vs negative intergroup comparisons, high vs low status groups of 10–13 yr olds of European vs Samoan descent, New Zealand, 27860
potential referents, understanding of ambiguity & response to ambiguous messages, 4.6–7.3 yr olds, 25142
preconceptions of mental demands required by TV vs printed materials in learning, 6th graders, 3606
precuing, attention to auditory vs visual signals, preschoolers vs 1st vs 2nd vs 3rd graders vs college students, 25096
predictive validity of Kaufman Assessment Battery for Children & comparison with WISC-R, assessment & prediction of cognitive ability & academic achievement, mentally retarded 5–12 yr olds, 13585
predictive validity of Kaufman Assessment Battery for Children, 7.1–11.9 yr olds, 23905
preferences when being read to by others, 5–13 yr olds, 25052
prenatal & developmental & medical & health history factors, hyperactive kindergartners through 5th graders, 20520
prenatal & postnatal maternal & child caloric supplement intake social & emotional & cognitive development, chronically malnourished 6–8 yr olds, 7008
prenatal exposure to estrogens or progestogens vs pregnancy complications, demasculinization & dimorphic behavior, male vs female 8–14 yr olds, reanalysis of data from previous study, 24889
prenatal exposure to progestogens &/or estrogens, sexually dimorphic behavior in childhood male vs female 8–14 yr olds, 24829
presence of hyperkinesis & writing problems & aggression & mood changes, elementary school pupils with glucose-6 phosphate dehydrogenase deficiency, 23000
presence of older siblings & mother's language during question-answer interactions, language production, 2.3–2.5 & 4.3–4.8 yr olds & their school age siblings & mothers, 22355
presence vs absence of observers, peer interaction, male dyads aged 4.5–5.5 or 7.5–8.5 yrs, 9264
presentation & recall requirements, comprehension of story schemata, good vs poor 6th grade readers, 14073
presentation of "he" vs "she" vs "they" in story, sex-biased responding & memory, male vs female kindergartners vs 1st graders, 25090

presentation of verbal & spatial information, recall, 5th graders, 14059
presenting message orally with vs without written form, ability to evaluate its communication adequacy, 1st grade beginning readers, 25077
prestige vs stigmatized phonological variables, dialect discrimination, 10–47 yr olds, Costa Rica, 24981
presuicidal syndrome, 9–18 yr old patients, 6925
pretraining vs feedback, performance on reasoning tasks, kindergartners vs 1st graders, 19860
prevalence & pattern of behavioral & emotional disorders, 6–12 yr old males attending special school for learning disabilities vs for severe emotional disturbance, 18690
prevalence of mental disorders, 10 yr olds, Norway, 22789
prevalence of physical abuse, psychiatrically hospitalized 3–17 yr olds, 26340
previous hospitalization experience, medical fears, female vs male 1st vs 4th vs 7th graders, 30486
prior visual inspection vs naming of familiar vs novel object, drawing of hidden features, 4–7 yr olds, 9160
processes of understanding & memorizing texts, 7–11 yr olds, test of cognitive story-schemata hypothesis, 905
production of definitions for common nouns, kindergartners vs 1st vs 4th graders, implications for theory of definition, 19870
profile of values, 6th grade Black vs White males vs females, 1972 vs 1982, 22384
projective value of drawing test "The Enchanted Family", hospitalized neurotic vs asocial or antisocial behavior disordered 10–15 yr olds, 12120
psychic overexcitability, assessment of developmental potential, gifted 12–17 vs 22–50 yr olds vs 18–59 yr old artists vs 22–50 yr old graduate students, 11698
psychoanalytic interpretation of food & feces in speech play at camp, 11–18 yr old Boy Scouts, 14187
psycholinguistics & development of grammar, Basque-speaking 3–11 yr olds & adults, Spain, 3623
psychological adjustment as measured by Personality Inventory for Children, learning disabled vs hyperactive vs hyperactive-learning disabled 6–13 yr olds, 12102
psychological adjustment, 6–18 yr old siblings of pediatric patients with cystic fibrosis & cerebral palsy & myelodysplasia & multiple handicaps, 6704
psychological functioning, 4.1–6.2 yr olds of mothers who were 15–17 vs 20–24 yrs of age at birth of child, 6247
psychological impact of human growth hormone replacement therapy, 6.6–20.9 yr olds with hypopituitary growth hormone deficiency, 28791
psychological preparation & preoperative intervention, reactivity to hospitalization, 3–9 yr olds undergoing tonsillectomy or adenoidectomy surgery, 12695
psychomotor development, 5–15 yr olds, 9232
psychomotor vs cognitive vs linguistic development & family environment, reading & writing readiness, 4 vs 5 vs 6 vs 7 yr olds from city vs small town vs village, 19799
psychopathological approach, encopresis, children, 4526
psychosocial factors & behavioral deviances, catecholamine excretion, males vs females studied at 3 & 9 yrs, 6-yr longitudinal study, 27711
psychosocial needs & summer camp program, 7–18 yr olds with cancer, 26371
psychosomatic approach to childhood asthma, 12 & 13 yr olds, 4517
psychotherapy, aggression & stuttering & reading problems due to oedipal complex & frustrated sexual impulses, school age children, 10124
psychotherapy, encopretic 10 yr old male, 4606
pubertal events, psychological reactions & significance, 5th–6th grade females, 27827
quality of conversations, 2nd vs 5th graders vs young adults, 19885
quality of schooling & exposure to pictures, pictorial comprehension, 9–11 yr olds, India, 6312
questions regarding construct validity & norms & reliability of Kaufman Assessment Battery for Children, 5630
race & income level & preferred category organization, category clustering in recall, Black vs White 1st vs 5th graders, 6315
racial & ethnic differences & intelligence, performance on Bender Visual Test, Black vs Hispanic vs White 5–11 yr olds, 3672
rate of social activity & degree of sexual segregation in affiliative interaction, female vs male 1–6 yr old day care students, 3-yr longitudinal study, 9304
rated personality dispositions for actors performing moral vs conventional transgressive behavior, 1st vs 4th vs 7th graders, 30540
ratings by parents on Revised Behavior Problem Checklist, female vs male 5–13 yr olds in community vs in child psychiatric units, 12228
ratings of personally threatening events, 12 vs 15 vs 18 yr olds, 14208
ratings of typicality of female & male sex role behavior, 3–12 yr olds, Sweden, 27829
ratios derived from Object Assembly subtest of WISC vs errors greater than 1 standard deviation on Bender Gestalt Test, White middle class 6–11 yr olds, 11193
reading & spelling ability, use of spelling-sound correspondences in reading & spelling, 3rd graders, 25160
reading ability & use of phonetic representation, spoken sentence comprehension & repetition, 3rd graders, 9207
reading ability, functional sight vocabulary, 2nd–5th graders, 22303
reading ability, spelling performance, 8 yr olds, 25141
reading comprehension skill, detection of errors in letter "t" in normal vs scrambled prose vs word list vs scrambled letter passage, 7–8 yr olds, 16975
reading familiar vs unfamiliar words, successive recoding of graphemes into phonemes, 2nd vs 3rd vs 4th grade good vs poor readers, 22345
reading skill, proficiency in retelling aurally-presented stories, 6 yr olds, 16942
reading time for letters vs words vs text, kindergartners & 2nd–3rd graders with high vs average reading ability, 16954
reasoning about relative ability of self & others, 2nd vs 5th vs 8th graders, 14193
reasoning difficulty with 3-term series problems, 8–9 yr olds, 3658
reasoning processes in identification of objects that correspond to statements in psycholinguistic task, 11 yr olds, 3616
reasoning/remembering dependencies in short term memory, kindergartners & 2nd graders, 30417
recall vs comprehension vs perceived importance of self knowledge via social feedback vs self observation vs social comparison, preschoolers vs 1st vs 3rd graders, 11831
recency & story content, development of moral reasoning, 4 vs 7 vs 11 yr olds vs college students, 11694
receptive & associative & expressive psycholinguistic abilities, advantaged vs disadvantaged 1st–3rd graders, India, 14093
recognition experience between acquisition & retrieval, cued recall of episodic information, 2nd vs 4th graders vs college students, 9142
recognition of rights violations & protection of rights in counseling, 8.2–9.7 vs 15.2–16 vs 20.4–23.1 yr olds, 12773
reflection-impulsivity, short term memory, emotionally disturbed with mean age of 11.6 yrs, 4165
regional vocabulary, Hispanic vs Anglo 6th graders living in South Texas border vs nonborder cities, replication of J. Garcia's study, 14035
rehearsal frequency & set size & short- & long-term memory recall, 7 yr olds, 2-yr longitudinal study, 30446
reinforcement levels, 2-choice multidimensional discrimination shift learning, 11–13 yr olds, 27752
reinforcer variety, resistance to extinction in behavioral conditioning, 2nd graders, implications for reinforcement-based psychotherapies, 9148
relationship between state-trait anxiety & externality of locus of control, 4th & 5th & 6th graders & 16–25 yr old female college students, 30491
relative number judgments of small vs large number displays with vs without perceptual aids, 5–6 yr olds, 11728
reliability & bias of Revised Children's Manifest Anxiety Scale & Child Anxiety Scale, Anglo- vs Mexican-American vs Black 1st–3rd graders, 29729
reliability & correlation of ethnic attitude assessment measures, 2.6–6 yr olds, 8427

reliability & validity, Home Environment Questionnaire for 1- vs 2-parent families, families of 4th–6th graders, 5652
reliability & validity of Children's Hispanic Background Scale, assessment of acculturation level, Chicano 4th graders, 19082
reliability of WISC-R subtest composites, 6.5 vs 11.5 vs 16.5 yr olds, 23908
religious symbols worn by examiner, performance on WISC—R, Catholic 5th–7th graders, 16988
repetition & comprehension of spoken sentences, reading disabled 3rd graders with mean age of 107.4 mo, 14867
replication of sounds in novel foreign language, English speaking 7 vs 9 vs 11 vs 13 vs 15 yr olds, 22332
representation of nasality in nonstandard spelling, 1st graders, 22405
reproductive memory & materialistic vs idealistic concepts in self & peer evaluation, 11 & 14 yr olds, 25045
response choice, enhancement of word frequency judgments, 5th & 6th graders, 931
restrictive vs permissive environment, thoughts & attitudes, preschoolers & 6–7 & 9–14 yr olds, China vs Sweden, 27839
retrieval in active rehearsal strategies for free recall task, 2nd vs 6th graders, 30466
revised norms for Junior South African Individual Scales, assessment of intelligence, 3–7 yr olds, 2875
revised version of class play method of peer assessment, social competence, 3rd–6th graders, 24261
revision & extension of Phatak Draw-a-man Scale for Indian Children, assessment of mental age & IQ, 2.5–16.5 yr olds, India, 2936
revision of vocabulary items in language test, 4–11 yr olds, 9152
riboflavin tracer method of medication detection, 30–45 & 7–12 yr olds, implications for home-based behavioral program to improve medication compliance, 31291
risk of major depression, 6–17 yr olds with vs without anxiety disorders vs probands with vs without major depression, 6872
roadside simulation of road crossing, road crossing training, 5–10.5 yr olds vs young adults, 13996
role of affective information in social-cognitive development, discrimination of moral vs conventional events, 1st & 3rd graders, 25027
role of father, identification process, children from birth through 3 yrs, Zaire, 30529
role of function in conceptual development, 3 vs 5 vs 7 yr olds, 6288
role of spatial & classification operations in memory for organized environment, 1st graders, 30436
rounded vs unrounded vowels & speech development, perception of fricative consonants, 5–5.9 vs 7–7.9 vs 18–33 yr olds, 19236
RT & movement time & WISC-R & subtest scores, children with mean age of 8.2 yrs, 5590
rules used for integration of intent & damage information, moral judgment, mothers & their 6–7.8 yr old sons, 13997
rules used for interpretation of "big" & "little", 3.2–6.2 yr olds, 14088
rules used for time quantification, 6.5–7.5 vs 9.5–10.5 vs 12.5–13.5 yr olds, 14067
rural vs urban environment & type of residence & SES, time budgets, 10 yr olds, 16897
same- vs mixed-age groups, social & task behaviors, 3–8 yr olds, 14171
scenarios involving social rejection vs broken social engagement, anticipated affect & communication of true reasons for action, 5–12 yr olds, 14213
school bus kidnapping & posttraumatic emotional sequelae, 5–14 yr olds, 5–13 mo followup, 28268
school bus kidnapping experience, posttraumatic emotional problems & misperception, 5–14 yr old victims, 6951
school phobia, psychosocial functioning, 6–11 yr olds, 10–20 yr followup, 18668
school vs everyday use of mathematics, 9–15 yr olds with 1–8 yrs of schooling selling goods on street, Brazil, 22310
science & technology knowledge level & achievement, male vs female 11 yr olds, UK, 7991
scoring of Bender-Gestalt Test using Koppitz Developmental Scoring System, 5–11 yr olds, 24203
screening & early remedial intervention project, low- vs high-risk disadvantaged school age children, Wales, 2-yr followup study, 29411
screening, school age stutterers in rural environment, 1980–81, 6998
self assessment of pain using rating scale & relationship to physiologic parameters & behavioral indicators & word descriptors of pain, 9–15 yr old patients, 17700
self concept & school achievement & maternal self esteem & sensory integration abilities, learning disabled 7–12 yr olds, 1594
self concept stability & self esteem, transient depersonalization, 3rd–12th graders, 9276
self esteem & attributional style, depressed vs non-depressed 1st & 4th & 8th graders, 6796
self esteem & body esteem, overweight vs normal weight 8.5–17.4 yr olds, 14188
self hypnosis, voluntary change of auditory EPs, 6–11 yr olds, 24520
self-reference orienting task as encoding activity, free recall of trait-descriptive adjectives, kindergarten & 1st & 4th grade students, 3632
self-regulation of expressive behavior, 1st vs 3rd vs 5th graders, 9327
self regulatory functions of private speech, 3.5–6 yr olds, support for L. S. Vygotsky's theory, 16940
self report vs O report vs behavior checklist, assessment of pain & anxiety & distress behavior during medical procedures, 6–17 yr old cancer patients, 4474
self verbalization training, free classification & matrix completion tasks, 7 yr olds, 11727
semantic constraints of sentence structures, elaborative learning, 2nd & 6th graders, 11776
sensory-specific vs non-sensory-specific stimuli, role of verbal encoding in inter- & intra-modal matching, 7–8 yr olds vs 20–28 yr olds, 11743
sentence context of word vs pseudohomophone, target recognition, 9–10 yr olds who were good vs poor readers, test of interactive-compensatory model of reading, 9162
SES & conservation training, performance on Piagetian conservation tasks, 4–6 yr olds, 910
SES & preferred category organization, category clustering in recall, Black vs White 1st vs 5th graders, 27796
SES & work experience, development of economic concepts, male 7–9 vs 11–13 yr olds, Egypt, 3676
SES based on parents' educational levels, classification & free recall, kindergartners & 1st graders, 19798
SES, perceptions of medical & psychological disorders of imaginary peers, high vs low SES 10–13 yr olds, 11703
setup of partitions during play, referential speech to playthings & verbal communication, 4–9 yr olds, 22370
sex & age & cultural differences, individualism, Anglo American vs Mexican American 1st–5th graders, 9289
sex & age & social class, distribution & use of pocket money, 7–8 vs 9–10 vs 11–12 yr olds, 3705
sex & age differences, hand & eye preference patterns, elementary & junior high school students, 22296
sex & birth order, aggressive behavior, 6–18 yr old siblings of disabled 3–18 yr olds, 28131
sex & developmental & divorce experience differences, beliefs about parental divorce, 3rd vs 5th graders, 9299
sex & developmental level, dichotic listening performance, 5–6 vs 11–12 yr olds vs adults, 3619
sex & experience with pets & beliefs & attitudes toward animal species, fear of animals, 5th graders, 9086
sex & grade normative data for depression inventory, 2nd–8th graders, 24225
sex & measures of aggressiveness, similarities & differences & prediction of aggressive patterns, 4th–5th graders, longitudinal study, 25173
sex & SES differences, attitudes toward community & personal health, 11–12 yr olds, Australia, 30525
sex & sex role taking of conflict situation, aggressive retaliation, 8–9 yr olds, 9320
sex differences & SES & translation of Parent Temperament Questionnaire, assessment of temperament, French-speaking 2nd graders, Canada, 17073

sex differences, peer assessment of prosocial behavior, 5th graders, 14218
sex differences, reading interests, Black vs White 4th graders, 27750
sex differences, trust in peers, kindergartners vs 2nd vs 4th graders, 27874
sex role attitudes & behaviors, 20–35 yr old single vs divorced mothers & their 8–14 yr old children, 17190
sex role behaviors, 4–12 yr old female vs male same-sex cotwins vs female-male twin pairs, 16575
sex role preferences, male vs female 2nd vs 5th vs 8th vs 11th graders, criticism of D. G. Brown's findings, 27826
sex typing of occupations, kindergartners vs 4th graders, 3685
sexual differentiation & sexual inequality via color codes in dress, males vs females from birth through formal education, Spain, 850
sexual maturation & age, dating, 12–17 yr olds, 6233
sexual maturation & behavior, 9–11 yr old Black males & females, 3613
sexual maturation vs age, social dating, 12–17 yr olds, 27717
sexual stereotyping, ratings of competence of individuals whose sex was consistent vs inconsistent with gender occupational stereotype, 61–78 vs 79–95 vs 96–114 mo olds, 17023
shared experience with vs without previous knowledge, social role taking competence, 4 vs 7 vs 11 yr olds, 966
short stature, grade retention & academic achievement, 6–16 yr olds, followup study, 856
simultaneous ego progression & drive regression in psychoanalytic process, 7 yr old male, 28656
simultaneous vs successive information integration & performance on Piagetian tasks, male & female 4.9–9.1 yr olds vs male preschoolers vs 2nd vs 5th graders, Canada vs India, 30459
simultaneous/successive synthesis & concrete operational thought, 7–9 yr olds, 30424
single-session cognitively based intervention program, fear of needles, 6–9 yr old hospitalized patients, 31450
single subject methodology, assessment of maternal satisfaction with psychological clinic-referred child, 7.3 & 3.4 yr olds & their mothers, 7163
single vs repeated massed vs spaced presentation of pictorial stimuli, free recall performance, 4–7 yr olds, 6329
skill learning, improvement of reading performance & fluency, children, 6278
slide presentation vs videotape vs walking with guide, route learning, kindergartners vs 2nd graders, 3625
slides of fire-setting vs non-fire-setting scenes, physiological & cognitive responses, 12 yr old fire-setting male, 31044
social class & mobility & marital status, prevalence of cerebral dysfunction & presence of child psychiatric disorders, 8 yr olds & their parents, West Germany, 25764
social class, emotional empathy, 9–12 yr olds, 3713
social cognition & sex & age & IQ & social class & competence, 4th–7th graders, 16889
social cognitive skills, interpersonal problem solving, male 4th & 6th graders with negative vs positive peer status, 19761
social facilitation, laughter, 5–6 yr olds, 19881
social history, racial self identification, 4–6 yr old Black males vs females, 972
social orientation & reflectivity vs impulsiveness, 6 yr olds, 25183
social perspective taking vs friendship vs self interest, prediction of persuasive appeals, kindergartners & 2nd & 4th graders, 25205
social-psychological significance of bilingual code switching, English speaking 5th graders, Canada, 974
social situation, cognitive understanding of pretense behavior, preschoolers & 1st & 3rd graders, 17102
social skill behaviors & peer judgments of interpersonal skills & likability, 3rd graders, 25198
social skills & systematic relaxation training, 6–9 yr olds, 4703
social skills training in school environment, social adjustment & academic achievement, preschool age children through adolescents, 26548
social status, aggressive vs aggressive/withdrawn 3rd–6th grade males, replication of study by R. Milich & S. Landau, 19899
social validation of Revised Behavioral Assertiveness Test for Children, 8–10 yr olds & expert judges, 24278
socialization into therapy group culture in outpatient psychiatric setting, preadolescents, 28687
sociometric status & physical attractiveness, 7–14 yr olds with physical handicaps vs chronic illnesses, 22981
sociometric status, emotion recognition from facial expressions, 8–11 yr olds, 9274
solvent abuse community program, children under 16 yrs of age, Scotland, 5059
sound, acoustic RT, 4–14 & 15–72 yr olds, 14010
spatial concept development, understanding of spatial prepositions, preoperational 2–7 yr olds, 9249
spatial perception & coordination, 5–11 yr olds, replication of Piaget & B. Inhelder's 3-mountain task study, 9225
speaker with Kannada vs Tamil accent, stereotyped attribution of personality traits, monolingual vs bilingual 8–10 yr olds, India, 6400
speech & tone sequence segmentation, dyslexic vs normal 6–9 yr olds, 1607
speech rate, short term memory span, 3–4 vs 7–8 vs 10–11 yr olds vs adults, 3639
spelling rules for consonants following short vowel, gifted 2nd grade male, Denmark, 30445
spontaneous writing-like behavior & finger movement, 7–12 yr olds, Japan, 862
stability & change in aggression & social withdrawal, aggressive vs withdrawn vs aggressive-withdrawal 1st & 4th & 7th graders, 3-yr longitudinal study, 14812
stability of sociometric status & best friend choices & disliked peers, 5th graders studied after middle school entry, 965
stage of cognitive development, choice of strategy in Piagetian spatial decentering task, 8–9 vs 12–13 yr olds, 893
standardization & validity & reliability of school readiness measures, 6–6.5 yr olds, USSR, 11160
standardization of Kimurs's Recurring Figures Test, measurement of nonverbal memory, 4–18 yr olds, 5634
standardization of prone extension postural test, assessment of vestibular functioning, normal vs learning disabled 4–8 yr olds, 2901
stimulus quality & semantic context, word recognition, congenitally blind Ss with mean age of 12.2 yrs vs sighted Ss with mean age of 10.5 yrs, 9988
stimulus rate, amplitude of auditory brain stem response deflection, 3 mo to 6 yr olds vs 23–36 yr olds, clinical implications, 28502
stimulus shaping vs fading procedures, learning word meanings, trainable vs educable mentally retarded vs normal 8–12 yr olds, 7387
story grammar skills, school age children, 19841
storytelling & group interaction, moral judgment, 6 yr olds, Philippines, 17038
strategic interaction & recursive thinking, comprehension of TV commercials, kindergartners vs 3rd vs 6th graders vs college students, 935
strategies for vocabulary learning, 5th–7th graders vs college students, 6317
strategies in reading sentences for retention vs comprehension, 5th graders vs college age adults, 6273
strategy utility knowledge, decision making regarding strategies for vocabulary learning, 4th–7th graders, 11757
strictness of parents, competitive & cooperative attitudes, male vs female 3rd–5th & 7th graders, 3680
structure in pitch notation, learning reading & playing of musical melodies, 1st–2nd graders, 16979
structure of play context, narrative organization of fantasy play, 47–53 vs 57–65 mo olds, 22339
structured fantasy & drama in Clown Club, expression & resolution of conflict & interpersonal relationships, 8–10 yr old girls, 31438
structured interview formats, assessment of psychopathology, children, implications for use by school psychologists, literature review, 15956
structured tasks in environments having both social & cognitive components, development of problem solving skills, 12–13 yr olds, 27875
structured vs differentiating redundancy in verbal communication, listening performance, 1st vs 3rd vs 5th graders, 3666
student characteristics & relations with peers, 1st & 6th graders with vs without parental permission to participate in research, 6339

student's blood lead levels, teachers' ratings of classroom behavior, 6–12 yr olds, 10033
study of speech perception using primary color associations, 11–14 yr old students, 30431
subjective vs experimenter-induced vs forced-random organization, recall of movement information, 7–8 & 11–12 yr olds, 11724
success vs failure on skilled tasks, causal attributions & performance expectations, preschool & 2nd grade children, 25128
success vs failure task feedback, self efficacy & task persistence, 9–14 yr olds with conduct disorders, 25650
suicidal behavior, 6–12 yr old psychiatric vs nonpsychiatric patients, 17639
suicidal thoughts, 6–12 yr olds, 17638
syllable structure, development of phonemic analysis & reading skills, 4–5 & 7–9 yr olds, 19863
syntactic skills & T-unit & clause length, female vs male 6th & 9th graders, implications for evaluation & treatment of language disorders, 25109
Szondian view of latency, 9–10 vs 16 yr olds, 6309
tangible vs social vs undefined reward, helping behavior, kindergarten vs 2nd grade males, 22373
task demands, drawing of model cup, 4.8–6.8 yr olds, 6230
task encoding load, development of seriation & ordinal correspondence & cardination tasks, kindergartners & 1st graders, Netherlands, 14054
task familiarity, conservation ability, 5 vs 7 vs 8 yr olds from pottery vs nonpottery making families, India, 27755
task requirements, attribution of life to inanimate objects, 4–11 yr olds, 9224
taxonomic organization, free vs cued recall of 2 & 4 category lists, 2nd vs 6th graders, 19819
taxonomic vs thematic clustering during free recall of pictures, Black vs White 7 vs 10 yr olds from low- vs middle-SES backgrounds, 9230
teacher assessment on Behavior Problem Checklist, 6–10 vs 11–14 vs 15–18 yr old behaviorally disordered students, 13133
teaching programing of microcomputers, preschoolers & school age children, 13045
temporal analyses of comprehension during oral reading, 2nd & 4th graders, 11763
temporal consistency & recent helpfulness of peers, trust, kindergartners vs 2nd vs 4th graders, 14199
temporal consistency of Rorschach variables, Ss tested at 24 mo intervals starting at age 8 & ending at 16 yrs, 8-yr longitudinal study, implications for descriptive predictions of children, 26962
temporal delay & frequency alteration of portable vs conventional delayed auditory feedback instruments, speech rates, 10–14 yr old females, implications for treatment of nonfluent speech, 27775
temporal stability of Woodcock-Johnson Tests of Cognitive Ability, learning disabled 2nd–5th graders, 23880
tension assessed with EMG level vs Children's Personality Questionnaire, intellectually gifted 4th–7th graders, implications for biofeedback training, 18052
test norms for Denver Developmental Screening Test, 2 wk through 6.5 yr olds, Philippines, 16371
test of stage model, development of causal attributions, kindergartners & primary school children, 19898
test performance on nonverbal color association, 8–12 yr old dyslexic vs 3–8 yr old normal children, 25739
test-retest reliability of self report measures of drug usage, 7th graders, 13553
test-retest reliability of 3 auditory subtests of Goldman-Fristoe-Woodcock Auditory Skills Test Battery, 5.6–11.8 yr olds, 13527
thematic structure processing procedures, discourse relations in language development, French & English speaking 4–9 yr olds, conference presentation, 14050
thinking style, creativity, 9–11 yr old males vs females with gifted vs average IQs, 19822
thought stopping, reduction of anticipatory anxiety & helplessness feelings, school age children prior to painful diagnostic or treatment intervention, 18321
time- & intensity-dependent filtering of auditory brain stem responses, normal hearing 3–6 yr olds, 2811
time-compressed sequenced rhyming words under contralateral multitalker masking vs no-masking conditions, time & order errors in perception, 7–8 vs 9–10 vs 11–12 yr olds, 11759
time pressure & distance, duration & velocity & acceleration & accuracy of movements, 5–9 yr olds vs adults, 11764
timing analysis in serial naming tasks of coding & articulation processes, 8–10 yr old dyslexics, 25697
tobacco & alcohol & marihuana & hashish usage, 9–17 yr olds, 36-mo longitudinal study, 3692
tongue dorsum movements during speech, 3.3–11.5 yr olds, 934
topic manipulation during conversation, dyads of 5–5.9 vs 9–9.9 vs 22–26 yr olds, 963
Torque Test as screening device & measurement of lateral dominance, identification of risk for behavioral & academic problems, 4th–5th graders, 3624
toy exploration with parents vs experimenter & mother-child interaction, individual differences in exploratory behavior, high- vs moderate- vs low-exploratory 3–6 yr olds, 9291
toys & representational play, infants to 6 yr olds, Senegal, 962
training in induction of conditional language & inductive rule learning & deductive interpretation, acquisition of conditional logic structure, 5th vs 7th graders, 14064
training in use of self monitoring strategy to prepare for recall, generalization to serial or free recall, 3rd graders, 9-mo followup, 25116
training to increase speech rate, serial recall performance, 7.1–8.1 yr old, 25101
transfer of knowledge in solving 2 similar problems, 5–6 yr olds, 11736
transformation from concrete to abstract & abstract to concrete thought, 4–7 yr olds, 6306
transformation of coordinate system in spatial representation, 6–10 yr olds, 25104
transgressor & victim sex, importance of transgressor punishment vs victim assistance, 3rd & 5th graders, 9258
trust & sharing as components of friendship & perception of vulnerability, neglected vs rejected 1st graders, Australia, 9329
tutoring of sibling vs unrelated peer, tutor's & tutee's behavior, preschool & school age children, 25207
TV advertisement with celebrity endorsement, product preference & understanding, 8–14 yr old males, 9129
TV viewing & videogame playing, gratification of needs, 10–14 yr olds, 3741
TV violence viewing & identification with aggressive characters, aggression, 1st–5th graders, Finland vs US, 3-yr longitudinal study, 984
TV vs radio, creative thinking, 3rd & 6th graders, replication of study by P. Greenfield et al, 22295
type of crime committed & specific crime, sense of justice for criminal offender, 7–12 yr olds, 14200
type of misconduct, evaluation of mother's disciplinary technique, 4–18 yr olds, 9331
type-token ratio, vocabulary performance on PPVT-Revised & Oral & Picture subtests of Test of Language Development & Test of Written Language, 6–8 yr olds, 11218
understanding & use of Euclidean spatial relationships, 4–6 yr olds, 25152
understanding of adoption, adopted 4–14 yr olds & their mothers, implications for adoption revelation, 6226
understanding of comparative sentences, 4–7 yr olds, 25075
understanding of economics & development of complex cognitive structures, 7–17 yr olds, Israel, 925
understanding of nature & causes & characteristics of mental retardation, 10–11 yr olds, Barbados, 27870
understanding of sentences describing familiar vs impossible vs possible but unfamiliar events, 4–8 yr olds, 899
upright vs inverted presentation of unfamiliar faces, processing of similarity using multidimensional scaling procedures, 7 vs 9 vs 12 vs 18–34 yr old males, 25131
urinary excretion of 3-methoxy-4-hydroxyphenylglycol, normal 7–12 yr old males vs females, implications for use as biological marker in psychiatric disorders, 9135
use of & preference for vertical vs horizontal lines in drawing, 3–7 yr olds, 9219
use of causal connectives in conversation, 3.5–9.5 yr olds, 19834

use of covariation vs frequency information, dispositional attributions, kindergartners vs 1st vs 3rd vs 5th graders, 14154
use of different aspects of sentence structure to facilitate decoding in course of reading development, 1st & 2nd graders representing 4 levels of early reading competence, 3653
use of interrogative words & structures & linguistic environment, 2nd vs 4th vs 6th graders, 27780
use of lexical vs internal vs external consistency standards for evaluation of passage comprehension, 5 vs 7 vs 9 vs 11 yr olds, 9146
use of matching vs objective rules, intentionality judgment of action outcomes, 2.8–12.2 yr olds, 14105
use of microcomputer in play therapy, 9–12 yr olds in learning clinics, 31368
use of motion information in perception & description of metaphoric similarity, 5 vs 7 vs 10 yr olds vs college students, 9170
use of propositions for sentence meaning & reading speed & retention, 3rd grader beginning readers vs 5th grade skilled readers, 9197
use of rules for judgment of difficulty of memory problems, 1st–8th graders & college students, 915
use of rules in production & interpretation & judgment of notations during encoding & decoding, 3–11 yr olds & college students, 16924
use of social comparison information for self evaluation, 2nd vs 5th graders, 25165
use of transparency solution to partial occlusion in drawings, 5–7 yr olds, 3626
usefulness of Noise & Memory for Sequence subtests of Goldman-Fristoe-Woodcock Test of Auditory Discrimination & Auditory Skills Test Battery, identification of central auditory function, 7–10 yr olds, 13543
utility of social preference & impact sociometric classification schemes, 5th graders, 2-yr longitudinal study, 9317
validity & reliability of procedure for phonetic transcription by consensus, speech sounds & errors, 3–6 yr olds, 97
validity of Depression Self Rating Scale, child psychiatric inpatients, 29730
validity of developmental scale for seriation, kindergartners & 1st–2nd graders, 27020
validity of diagnosis of major depression by DSM III, 10–19 yr olds of parents with affective disorders, 28161
validity of IQ form of Slosson Intelligence Test vs WISC-R, learning disabled 1st & 2nd graders, 5631
validity of Kaufman Assessment Battery for Children, measurement of intelligence & problem solving skills, 6–12 yr olds, 13618
validity of Luria-Nebraska Neuropsychological Battery-Children's Revision, normal 8–11 yr old vs brain injured children with mean age of 10.4 yrs, 21755
validity of self report measures of anxiety, identification of learning disabilities & emotional handicaps, Anglo American vs Mexican American vs Black 1st–3rd graders, 23877
values & cognitive vs emotional elements in environmental decision making & relation between self & nature, male vs female 12 yr olds, Finland, 27753
variability of lower lip & jaw movements, 4 vs 7 vs 10 yr olds vs graduate students, implications for development of speech motor skill, 19857
verbal counting & sex & conceptual tempo, DRL training performance, 10 yr olds, 9241
verbal creations, 4–6 yr olds, 9147
verbal mediation of impulsive responses, kindergarten students & 1st graders, 11722
verbal rationales &/vs modeling adjuncts, child compliance, mothers of 3–4.5 vs 5.5–7.5 yr olds, 9271
verbal reinforcement combinations, reversal shift & nonreversal shift learning, 11–13 yr olds, 11715
verbal vs nonverbal communication during conflict situation, preschoolers vs kindergartners vs 2nd graders, conference presentation, 30494
verbal vs pictorial test modality, comprehension score for material presented in TV program, 6th graders, 30482
verbal vs spatial ability level, use of verbal vs spatial procedures in spatial task performance, verbally & spatially able 6th -10th graders, 11766
verbalization, imitation of aggressive vs nonaggressive behaviors, 5–6 yr olds, 16852
vicarious punishment or reinforcement, time spent on imitative play, 4–12 yr olds, 11717
videotaped visual stimulus, identification of synthetic speech syllables, 4.8–6.8 vs 18–38 yr olds, 9208
viewing TV program designed to diminish sex role stereotypes, identification with nontraditional models, androgynous vs masculine vs feminine 9–12 yr olds, 14149
violation of child-generated norms for sex-typed behavior, attitudes toward offending peer, kindergartners vs 2nd vs 4th vs 6th graders, 27830
visit of Black Santa, beliefs about race of "real" Santa, Black vs White 49–73 mo olds, support for cognitive developmental theory, 6263
visual images & text, knowledge acquisition in botany lesson, 6th graders, 27813
visual vs auditory presentation of text, memory & comprehension, 3rd vs 6th graders, 946
visual vs linguistic feedback vs procedural cues, encoding of length series & transitive reasoning, 5.5–9.1 yr olds, 25132
visuospatial factors in denomination & copying & reproduction from memory tasks, 4–7 yr old females, 3617
WISC-R test ages, prediction of achievement as measured by Peabody Individual Achievement Test, 8.4–15.5 yr olds referred for academic problems, 15939
WISC-R verbal performance, Black vs Hispanic vs White 6–11 yr olds, implications for educational diagnosis, 26722
within-family environmental differences, emotional adjustment, 11–17 yr old sibling dyads, 5-yr followup, 25181
witnessing marital violence vs nonviolent marital discord & parenting style, emotional & behavioral problems, mothers of male children, 20395
word order awareness, reading readiness, 1st graders vs 5–7 yr olds, 9156
word reading & picture recognition task, event related brain potenials, 5–6 vs 20–32 yr olds, 30077
word recognition under normal vs reversed vs inverted orientation, 9–11 yr old mentally retarded vs normal readers, 4371
working alone vs in socio-cognitive confrontation, solving of single formal logic construction, 11–12 yr olds, 11737
1st name characteristics, academic achievement & social functioning, 2nd–12th graders, 14155
2- vs 1-parent family, gender identity & sex roles & toy choices, male vs female children, 25171

School Attendance

Adlerian parent study groups, home behavior & school attendance of adolescent children, Black parents with median age of 38.5 yrs, 10194
behavioral group program, increased school attendance, truant junior high school students, 8140
classmates' patterns of absence, performance on standardized algebra examination, 9th graders, 7977
color & lighting & midrange ultraviolet lighting, absence due to illness, elementary school students, longitudinal study, 13125
employment & work experience, delinquent behavior & commitment to education, 6th–12th graders, 1-yr followup study, 6912
employment, delinquent behavior & school attendance, 6th–12th graders, 1-yr longitudinal study, 25632
family violence, school refusal, students, 2470
half-day vs all-day kindergarten schedule, academic achievement & classroom social behavior & attendance, kindergarten students, 21305
high school GPA & number of college preparatory courses & high school teachers' ratings, class absences & prediction of performance in developmental studies courses, college students, 15812
intervention, reduction of early nonattendance, elementary school students, 8097
Jigsaw cooperative learning techniques, achievement & attendance & attitudes toward self & peers & schools, 5th graders, 21321
return to school, family relations & personal adjustment & social life, adolescent school refusers interviewed at 18.2–26.8 yrs of age, 8045
school absenteeism, educational & occupational aspirations, male vs female high school students, Canada, 21374

school attendance in adolescence & living in female headed household, school attendance at age 17 & completion of high school & experience of persistent poverty, Black vs White 17–27 yrs olds, 27732
school phobia & school refusal & shrinking from school & borderline intelligence, school attendance, public junior high school students, Japan, 2473
social & psychological & educational factors, school absenteeism, 3rd–5th yr students, 23810
traditional vs alternate reward system, classroom attendance, college students, 23793
validity & internal consistency of short form of Coopersmith Self-Esteem Inventory, assessment of general self esteem, 13.4–15.8 yr old persistent secondary school nonattenders, 21467

School Counseling

Adlerian approach to psychotherapy, children following parental divorce or remarriage, implications for elementary school counseling, 10862
advocacy information for independent evaluation, parents of exceptional students, 26704
aerobic running alone vs with running facilitator, counseling technique, college students with low self esteem, 29448
art therapy, intake interview at university counseling center, college students, 8124
assessment of counseling needs, ethnic & minority college students, 10882
attitudes & needs of college students, directors of college counseling centers, 10878
attitudes toward status of secondary school guidance, state director of guidance programs, US, 23907
availability & attitudes toward counseling services for college athletes, athletic directors & counseling center directors, 26679
awareness & perceptions & knowledge of counseling center services, faculty & college students, 29421
bibliography, behavioral & emotional problems, children of divorced parents, 26715
car-in-the-garage technique & social work implementation of Individualized Educational Program involvement, students, 32169
cartooning as counseling approach, socially isolated 7 yr old female, 26720
causal attribution of learning difficulties in children, parents, implications for school counseling, 23916
changes in theory & practice in school guidance & counseling, Great Britain, 26699
client & counselor gender & presenting problem, number of counseling sessions, male vs female college students who visited college counseling center, 15983
Client Satisfaction Questionnaire, evaluation of university counseling center, college students, 8109
cooperative school counseling referral process, elementary & middle school teachers & counselors, 32163
counseling considerations, gifted students, 10905
counseling goal-setting involvement, conduct problems & satisfaction with counseling, high school students referred for behavioral counseling, 5358
counseling intervention methods with exceptional students, elementary & middle & high school counselors, 23906
counseling needs assessment, secondary school students, Nigeria, 23875
counseling programs & relaxation training & modifying inappropriate expectations, learning disabled college students, 15926
counseling, self-esteem & educational achievement level, 10 yr olds, 32161
counseling strategies, Black college students, 13189
counseling techniques & interventions, Nigerian college students on US campuses, counselors, 21474
counselor & student level of self esteem, counseling outcome assessed by level of self esteem, 6th graders, 13230
counselor gender preferences & presenting problems, college students using counseling center services, 10846
counselor-led divorce groups, attitudes toward divorce & classroom behavior & academic achievement, 3rd–6th graders from divorced families, 10836
counselor's role in junior high schools, 2563
crisis intervention, acceptance of death of classmate, elementary school students, 15905
criticism of & suggestions for profession of student counseling, UK, 21168
description & application & evaluation of DURABLE approach to group counseling, high school students & school psychologists, 21487
description of services of psychological consultation program, learning disabled adult college students, US, 18746
development & content of district policy for school counseling services, Canada, 18728
development of group counseling & guidance services, secondary schools, Nigeria, 15940
developmental guidance programs in Catholic schools, emotional development, elementary school students, 2603
developmental theory of ego psychology, children, implications for school counselors, 11832
directed art counseling technique, elementary school students with reluctant & nonverbal behavior, 15904
dropout intervention program, dropout rates at beginning of next school yr, 9th–11th graders, 5208
eclecticism & Western models, counseling in universities, Asia, 10907
efficacy of school counselor training program, graduates, 5-yr followup study, New Zealand, 15590
emotional & developmental problems, students with cerebral palsy, implications for school counseling, 15957
establishment of clinical psychology services, students with adaptation & learning & personality problems, Brazil, 5410
establishment of peer counseling program in educational settings, school psychologists, 32177
ethical considerations in use of computers in psychological testing & assessment in schools, 21515
etiology & incidence of behavior problems & school intervention programs, survey of educators & support personnel & parents of 3–6 yr olds, West Germany, 32179
families in transition, implications for school counseling, 10843
family consultation in school setting, secondary school students referred to educational psychologist, 15978
family counseling intervention using school counselor & family therapist, families of emotionally distressed kindergarten through 6th graders & their parents, 10858
family systems perspective, counseling, college students, 13182
functional role of school problems in family, implications for school counseling, 13217
future of school counseling, US, 29462
group discussion work, communication, 4th yr female comprehensive school students, 13216
guided imagery relaxation, classroom tension & interpersonal conflict, 3rd–5th graders, 10880
guidelines for counseling single parents & their children, elementary school counselors, 10839
history of American School Counselor Association, 21203
hugging as counseling technique, 5th graders judged as unmotivated & inattentive, 15933
interdisciplinary team approach & ethical & legal considerations in identification & treatment of students with special needs, middle & elementary school counselors in large urban school district, 32134
language & cultural barriers & intervention strategies, employment, Indochinese high school students, 32205
laws & ethical guidelines governing access to information in school records, elementary & middle school counselors & administrators, 31959
list of novels dealing with adolescent issues, school counselors, 15932
model school guidance counseling program & evaluation of professional competency, graduates of 2-yr master's program in guidance & counseling, Turkey, 15710
models of counseling, reading & classroom behavior, 4th–6th graders with learning & behavioral problems & their parents & teachers, 10851
models of organization of adult education guidance services & information centers, Canada vs Northern Ireland vs Federal Republic of Germany, 15941

modification of service provision role from direct service to students to teacher consultation, school psychologists in high schools, New Zealand, 21501
need for developmental guidance program in Catholic secondary schools, 32208
needs assessment, guidance program, elementary school children & parents & teachers, 5362
neglect of issues related to learners & educational goals & school counselors in national reports on reform in schooling, 10648
occupational choice & academic comfort & introversion-extraversion & responses to Strong-Campbell Interest Inventory & comparison with test norms, 18–42 yr old college students seeking vocational counseling, 29473
parent-student-counselor conferences, 6th–7th graders attending middle school, 13215
participation in eating disorders group, anorexic & bulimic female college students, 10903
perception of campus counseling & placement center, day vs evening community college students, 8127
perceptions of university counseling center functions & institutional size, counseling center directors, 10838
personal & social problems & appropriateness for discussion with counselor, college students, Nigeria, 29394
philosophical & theoretical framework & methods of training program, academic counselors, 18531
premature termination in university counseling service, reply to comments by C. Saltzman, 32190
problems in research on educational guidance, conference presentation, 15944
program for educational awareness of relationship violence & courtship partner abuse, college students & residence hall workers & campus peer helpers, 10887
psychological consultation, athletic team development, college swim team members, 10859
psychosocial vs primary prevention models of school social work practice, work study programs, high school students, 23737
quieting reflex & success imagery training, stress & anxiety & test taking, 5th graders, 15923
reduction in failure & dropout rates & proposed educational guidance model, school psychologists & guidance counselors, Brazil, 5372
remodeling process of school guidance programs, 15931
role in developing countries & agent for change, school counselors, 13013
role of student counselors, West Germany, 13015
school counseling, coping with loneliness, students, 13181
school crises as symptom of deeper problems, adolescent female students, implications for counseling, 10891
school support groups, 5th graders of divorced parents, 10844
self instruction training as intervention technique, academic achievement & classroom behavior, 3–17 yr old students, literature review, 15744
sociopedagogical counseling program, student social isolation & social competency & teacher-student interaction, parents & teachers & students in junior & senior high schools, West Germany, 10872
speech therapy for normal & handicapped students in public schools, trained communication assistants in direct speech therapy, 5415
statewide career information delivery system, middle school counselors, 15718
stress management interventions, college students, 10894
structured group counseling vs explicit bibliotherapy vs standard individual counseling, prevention of problems, 7th–9th graders in changing families, 15973
structured vs nonstructured groups, teaching problem-solving skills, Black & Hispanic acting-out 7th & 8th grade females, 26683
symptoms & outcome & etiology & treatment approaches, bulimia, implications for school counselors, 25831
techniques for counseling stepchildren, elementary school counselors, 10853
therapeutic value of music, school counseling, elementary school students, 32181
therapeutic vs informative vs management vs helpful hints models, parent education/counseling, parents of learning disabled children, 21502
time-limited school-based intervention groups, children of divorce, 8114
training program, planning & facilitation and evaluation of developmental workshops for college students, undergraduate paraprofessionals, 26484
treatment of test anxiety & study problems, college students, 10873
types of problems presented to university counseling service, residence hall vs commuting college students from different academic years, 32203
use & role of exceptional student education specialist in assisting in guidance activities, school counselors, 23700
use of professional referral, school counselors, 23888
validation of 42-item Mooney Problem Check List scale for counseling, college students who sought vs did not seek counseling, implications for student outreach programs, 10898
validity of Lewis Counselling Inventory, identification of students in need of guidance & counseling, 4th form secondary school students, 21497
vocational guidance & counseling, vocational decision making & job finding, 8th & 9th graders in general & prevocational & lower commercial schools, Austria, 32198
workshop for enhancement of interpersonal relationships, college student couples, 29439
workshop on role expectations & coping style & joint planning & problem-solving, dual career college couples, 10835

School Counselors

allocation of work hrs & number of yrs of experience, school counselors, implications for counselor training, Israel, 2351
American School Counselor Association's ethical standards, responsibilities to pupils & parents & colleagues & school & community & self & profession, school counselors, 15682
books that foster positive attitudes toward handicapped, children, implications for guidance counselors, 26630
children's rights, ethical dilemmas & changing roles, elementary & middle school counselors, 32171

school district desegregation, attitude change, parents & students, longitudinal study, 18653
School Integration (Racial) [See School Integration]
School Learning
actions & interactions during learning task, 5–9 yr olds, 21351
active vs passive motivational set, learning, college students, 29263
amelioration of academic achievement, literature review, 7953
anticipated vs experienced barriers to adult learning, 25–54 yr olds enrolled in college evening certificate or degree programs, 29330
attention & understanding & cognitive processes & affect during mathematics instruction, 5th graders, 23785
attitudes & perceptions of school work, learning, students, 32087
captioned videotape vs classroom instruction vs connected prose with high vs low content structure, immediate learning performance, profoundly deaf college students, 18681
classroom floor plan, communication & learning, 5315
cognitive-structured vs serial teaching methods, learning & motivation & comprehension, teachers & students, 2391
cognitive styles & learning strategies, 2437
common vision problems, learning problems & behavioral signs, students, 13115
complexity of feedback & corrective efficiency, college students, 32061
computer assisted instruction & school learning process, 10731
cooperative learning in pairs, acquisition of knowledge & skills, college students, 10748
cultural & cognitive & affective factors, mathematics learning & advanced class participation, minority students, literature review, 18622
diagnostic-prescriptive scheme using diagnostic tests vs screening instruments vs classroom tasks, assessment of learning strategies, children with learning difficulties, 15980
directed overt activity notetaking strategy, spatial & simple & complex concept learning, college students, 21347
disclosure of cognitive style information & suggested learning strategies, academic achievement, college students, 5277
discrimination & validity of time series design, learning achievement in earth science, 8th graders with formal vs concrete cognitive tendency, 7961
effectiveness of note taking, learning outcome, college students, 29279
field independence-dependence & study techniques, learning from lecture method of instruction, female college students, 23780
growth of testing programs & multiple choice tests, teaching & learning, 5376
high vs low levels of intelligence, school performance, educable mentally retarded 4–27 yr olds, 8052
ideal teaching/learning vs effective teacher supervisory environments in meeting learners' social & psychological needs, 29242
impact of computers on education system, need for conceptual frameworks for education, 15674
individual & home & school environmental variables, learning using achievement test scores, 10th graders, India, 26582
information systems approach vs cultural responsive model vs educational change, concept of education & schooling, 12984
kindergarten task management programs, perceptions of teacher-learner roles, 2nd graders, followup study, 2441
learning LOGO in 3 person groups, abilities predictive of programing outcomes, 11–14 yr old junior high school students, 15819

learning process during reading instruction, 37 yr old illiterate adult male, implications for learning by learning disabled, 13132
locus of control & family relationships & attitudes toward school & self esteem, academic success, 13 & 14 yr olds, Philippines, 2452
mastery learning concepts & techniques to make school learning more play-like, learning & involvement, elementary school students, 13030
methodology for assessment of language &/or system most beneficial in learning academic material, deaf 6–7 yr old White females, experimental replication, 2516
noise & classroom design & environment, academic achievement & learning, students, literature review, 32106
performance on Kaufman Assessment Battery for Children, remedial education planning & pupil learning, 13161
physiological correlates & family & teacher & student expectations & stress, disturbances of concentration & performance & learning disorders, students, 7970
psychological & physiological body cycles, learning ability, 4th–12th graders, France, 5286
role of family & education system, formation of scientific world outlook, children in socialist schools, 15778
standard vs columnar vs vertical segmentation text structure, learning performance, 3rd graders, 21348
take-home vs in-class examination, learning performances, college students, 29429
task time, achievement & learning, high school students, 21361
teacher encouragement, learning & development, 21287
teacher expectations, student performance & schooling process, literature review, 13094
time spent in learning & time needed for learning, reading & spelling achievement, 4th–5th graders, 23781
types of experiential learning in colleges, 7963
written lesson plans for active learning, 7945
Yoruba &/vs English language media, learning, students with mean age of 11 yrs, Nigeria, 32004
3-stage model of skill acquisition in classroom, implications for computer-assisted instruction & computer as tutee, 5213

School Nurses
mainstreaming, professional role & liability, school nurses, 5180

School Organization [See Educational Administration]

School Phobia
age & sex & ethnic & religious & social class backgrounds, school phobic children, 2490
anxiety neurosis & anthropophobia & personality traits, refusal to go to school, male junior high school & male & female senior high school students, 8036
breakup of traditional patriarchal family due to industrialization & urbanization, school truancy, students, Japan, 13118
circadian rest-activity rhythm, 17 yr old male school refuser, 9759
classification & diagnosis of depression, school phobic 9–14 yr olds, 28211
concept & etiological factors, school refusal, literature review, 18631
diagnosis & behavioral treatment, school phobia, 23270
interprofessional dysfunction, case management & treatment of 13 yr old female with school phobia, psychiatrists & social workers, 7849
pimozide, development of school phobia, 10 yr old male with Gilles de la Tourette's syndrome, 23333
prevalence of school refusal & school-related fears, 3–14 yr olds, Venezuela, 13102

rankings of aspects of educational psychologists' training & characteristics, teachers in international vs county schools, England, 7875
restriction of practice to school settings, school psychologists with limited licenses, case law, 3875
role definition processes & job functions & factors in job satisfaction, school psychologists, 18530
role in care of preschool age children, school psychologists, 5189
role in identification & placement of exceptional students, school psychologists, 26728
role in parent training & counseling & therapy, integration of family & developmentally disabled children, school psychologists, 23706
role in provision of educational services for epileptic children, school psychologists, 23835
role in schools, school psychologists, 7876
role of guidance counselors vs school psychologists, Brazil, 5173
role of school psychologists, 5185
role of school psychologists, Brazil, 5170
role of school psychologists, 1930–70, 5190
role of student counselors, West Germany, 13015
self monitoring form & meetings with psychologist, completion of school work, male 3rd grader, 29445
sex role differences & organizational structure, professional functions, school psychologists, 26495
student background & rural vs suburban vs urban school setting, diagnostic & educational program decision making, school psychologists, 23894
system oriented models in therapy vs school psychology, 8061
tasks & time required in clinical psychoeducational assessment of children, school psychologists, 15945
training for work with bilingual/bicultural populations, school psychologists, 21277
training modules developed by National School Psychology Inservice Training Network, assessment & intervention strategies, school psychologists, 7866
use of computers for training school psychologists, 15687
work in overcrowded secondary school, school psychologist, Brazil, 5423
work of school psychologists, 5184

School Psychology
assessment of satisfaction with school psychology services, elementary school teachers, 23879
automated assessment systems in school & clinical psychology, 15914
computer software selection & evaluation for school psychology, 15670
consultant & consultee & organizational variables, preferences for school-based consultation vs traditional referral services, elementary school teachers & school psychology graduate students, 5177
contractual school psychological services provided by private organizations, 8147
development & current status of school psychology, Israel, 15966
development for vocational school psychology, 1974–84, 15671
development of school psychology & British & American influences, Australia, 21252
education & psychological services, deaf children, 32149
entry level in practicing school psychology, 18549
establishment of clinical psychology services, students with adaptation & learning & personality problems, Brazil, 5410
evaluation of adaptive behavior in assessment, mildly mentally retarded children, 15988
format & style of psychological report, comprehension, elementary school teachers, 15720
history of school psychology, US, 21247
inappropriate psychological assessment methods used by school psychologists, hearing impaired students in mainstreamed & special educational programs, 26674
issues & concerns for microcomputer use in school psychology, 15679
microcomputer applications in school psychology, 15672
nontherapeutic & assessment & therapeutic/intervention case study research in school psychology, 23895
perception of school psychological services provided by community mental health center, public school teachers, 26490
personal career experiences, school psychologist, 15717
practice & perceived importance of school psychological reevaluations, handicapped children, 18686
preferences for specificity level in written recommendations in school psychological reports, Head Start teachers & aides with median ages of 37.5 & 30 yrs, 13022
professional growth & development of school psychology from 1950's to present, school psychologist, 21246
retrospective review of 1st 20 yrs of Journal of School Psychology, 5164
school psychology & research on illiteracy, 5161
school psychology, Lebanon, 5166
school psychology, USSR, 21496
social skills & competence research, implications for school psychology, comments on papers by N. Eisenberg & J. D. Harris & by S. Brion-Meisels & R. L. Selman, 5156
strategies for providing for special education needs, school psychologists & educators & parents, US vs Denmark, 32154
structured interview formats, assessment of psychopathology, children, implications for use by school psychologists, literature review, 15956
system oriented models in therapy vs school psychology, 8061
systems approach for child-study teams in classrooms, handicapped children, 26650
traditional vs open-classroom school structure, consultation services, doctoral students in school psychology, 23892

School Readiness
abbreviated vs Harris' scoring system for Draw-A-Man-Test, prediction of school readiness, kindergarten students, 15974
Capon perceptual motor lesson plans, perceptual motor ability & self concept & academic readiness, kindergartners, 5237
cognitive development & cognitive readiness for school, 1–7 yr olds, 6-yr longitudinal study, 30441
maternal behavior & cognitive abilities & affective tone of mother-child interaction, school readiness & 6th grade vocabulary & mathematics achievement, 1st born children evaluated at ages 3.7 & 4 & 5 & 6 & 12 yrs, longitudinal study, 9191
parental role, preparation for school, children, 32084
perceptual motor development, learning readiness, kindergartners, 26620
professional & ideological issues, school readiness testing, 2555
school entry age of 62 vs 66 vs 71 mo, academic achievement in kindergarten & 2nd & 4th grade, female vs male students, 4-yr longitudinal study, 15805
self concept, school readiness, 4–6 yr olds, 6385
standardization & validity & reliability of school readiness measures, 6–6.5 yr olds, USSR, 11160
stroke directions in printing, prediction of school readiness, kindergarten students, 2594
validity of Lollipop Test, screening of school readiness, kindergartners, 13176

School Superintendents
descriptions & rating of aspects of jobs, school superintendents, 10664
perception of effectiveness of public elementary & secondary schools, superintendents vs principals vs teachers, US, 29140

School Truancy
behavioral group program, increased school attendance, truant junior high school students, 8140
breakup of traditional patriarchal family due to industrialization & urbanization, school truancy, students, Japan, 13118
classification of factors related to early intervention for prevention of school truancy, 8120

classroom behavior, 3rd–5th grade persistent absentees, South Wales, 8031
definition & frequency of occurrence & causes of truancy, United Kingdom, 26585
demographic & educational characteristics of problem absence, 10–18 yr old inner-city middle school students, 32112
family systems perspective, intervention in truancy, school social workers, 8100
intervention, reduction of early nonattendance, elementary school students, 8097
perceptions of truancy & court referral process, middle & high school students with unexcused absences or court referrals for truancy & school staff members, 8046
social & psychological & educational factors, school absenteeism, 3rd–5th yr students, 23810
truancy diversionary program, return to court, 13–15 yr olds referred for truancy violations, 8139
Schools [See Also Colleges, Community Colleges, Elementary Schools, Graduate Schools, High Schools, Institutional Schools, Junior High Schools, Kindergartens, Nursery Schools, Technical Schools]
attitudes toward corporal punishment in schools, parents of military dependents, 32094

family systems therapy in school programs, emotionally disturbed children, 32170
history of linkage between vocational rehabilitation & special & vocational education & function of rehabilitation counselors in public schools, 29465
implementation of low cost school improvement strategies, 26499
language use in school vs home & function of schooling in social stratification, children in lower- vs middle-class families & ethnic minority groups, 18519
philosophical analysis of play & introduction of simulation games in schools, 7859
policy issues, improvement of school & principal effectiveness, 26498
policy issues, school improvement projects, 26502
preventive drug abuse education strategies, schools, 29246
proposal for integration into regular school program, mentally disturbed school age children, France, 7176
school as agent for preventive mental health socialization, 12986
school environment & property damage, school officials, 2474
school improvement strategies at local level, 26489
school system as resource for intergenerational programs, nursing home residents, 31716
systems change model, implementation of school's special education policy changes, moderately & severely handicapped students, 32131
systems model of schools as basis of effective management technique, 29141
teacher effectiveness evaluation as strategy for school improvement, 15704
theories of school violence, 32091
use of laws & administrative techniques, school improvement, 26509
use of metaphors in characterization of school problems & reform proposals, 15676
view of school's role in preparation for work & relationship between unemployment & leisure, employed vs unemployed 16–18 yr old school dropouts vs 15–16 yr old students, 18646
vocational counseling in schools, Egypt, 15908
voluntary community agency's use of drop-in centers & individual & group counseling in schools, pregnancy prevention, junior & senior high school students, 26299
Sciatic Nerve [See Spinal Nerves]
Science Education
age & cognitive development & structured inductive vs semideductive content inquiry, science achievement, 6.2–11.3 yr old elementary school students, 21365
analysis of readability of science worksheets vs textbook materials, secondary school teachers, 26546
analysis of successful vs unsuccessful problem solving in genetics, college vs graduate students vs instructors, 26579
anxiety about teaching & learning to identify minerals & rocks in geology course, preservice college teachers & students, 29120
application of data analysis framework generating ground theory, effects of science teaching method on classroom behavior, teachers, 8137
aptitude-treatment interaction research in science education, 29209
attitudes toward science & technology upon entering secondary education, science achievement, male vs female 11 yr olds, 26619
attitudes toward science, gifted vs nongifted 5th graders, 8019
causal models, science achievement, 5th–8th graders, 10760
class visit to participatory science museum &/or classroom science lesson, science achievement, 5th graders, 26524
classroom management & instructional organization, student task engagement, junior high & middle school science teachers, 21391
computer instructional dialogs, science education, 5554
conceptual conflict, conceptual change & design of science instruction, 10th graders & college students, 10713
conceptual model & solved prototype vs transfer procedure, problem solving, female education majors in physical science course, 7949
construction & validation of group test of formal operational logic in content area of environmental science, 13–18 yr old science students, 21512
cooperative small groups vs individualized learning, creativity in science education, 5th–6th graders, 29194
cooperative vs competitive vs individualistic science laboratory interaction patterns, science achievement & acquisition of practical skills, 9th graders, 26543
creationist tactics, elimination of theory of evolution in classrooms, US, 18577
development & validation of test of biology-related attitudes, high school students, Indonesia, 8131
development of formal thought at beginning vs end of science course, high school students, Papua New Guinea, 8001
discrimination & validity of time series design, learning achievement in earth science, 8th graders with formal vs concrete cognitive tendency, 7961
drama vs conventional teaching methods, science education, 10–11 yr olds, 7882
educational objectives in engineering design courses, Australia, 23759
educational research paradigms & science education, 21244
evaluation of tutoring program using college students in elementary & junior & senior high science & mathematics & engineering courses, students & tutors & teachers, 32014
experience & verbal comprehension level, learning from 3 models of periodic table, high school students, 26570
formal reasoning capability, balancing chemical equations, 20–41 yr old college students, 29285
goals & content & evaluation strategies of a psychological training program, preservice science teachers, 21276
grades, anxiety level, college students in earth science & geology courses, 26625
grouping by formal reasoning ability, science content achievement & formal reasoning ability & learning environment & relationships between individuals in group, preservice elementary teachers in science laboratory, 21269
hierarchical model, intellectual development in science, elementary & secondary school students, implications for teaching methods, 29201
hierarchical model of intellectual development in science, primary & secondary science students, 2432
High School for Health Professions & Research Apprenticeships of Minority High School Students, career opportunities for minorities in medicine & science, 18600
identification of "potent" testing cues in science testing, high vs low test anxious college students, 21479

impact of national project recommendations on biology textbook content & effect of textbook content on academic achievement, 17 yr old students, 21296
individual science curriculum extension projects, gifted high school students, 13166
instruction in visualization of reflection or rotation in diagrams of 3-dimensional structures, transfer to other spatial dimensions, college students, Cape Verde & Pakistan, 7934
integration of subjects based on facts & relation to each other & time sequence, natural sciences, high school students, Czechoslovakia, 10707
language experience approach to science education, kindergarten through 3rd grade students, 7886
length of inservice training program, attitudes toward activity-centered energy education, teachers, 7874
model for analogy teaching, 26559
model of elementary school science curriculum based on learning processes & skills, 29223
page format & grade level & sex & content, ability to read science material measured by cloze readability method, 4th vs 5th vs 6th graders, 29299
panel of judges technique, validation of attitude measures in science education, professional criticism, 26681
perceived interest & ability & effort in natural sciences & technology & vocational preferences, secondary school students, Sweden, 29332
performance on mathematics pretest, prediction of physics achievement & identification of potential dropouts, college students, 8003
performance on practical work in biology vs physics vs chemistry, 1st-yr secondary school students in single-sex vs mixed-sex classes, 26565
play & hands-on approach, science instruction, primary school students, 7896
presentation mode & color, teaching visualization of rotation in diagrams of molecular structure, 15–16 yr old high school students, 26551
prior knowledge & beliefs as predictors of science achievement, criticism of methodology & conclusions in A. E. Lawson's study, 21354
prior knowledge as predictor of science achievement, reply to criticism by P. Lijnse, 21353
problems encountered in teaching material on plant growth & photosynthesis to 5th graders, elementary school teachers, 21338
pupil sex, grading science exercises, secondary school teachers under 30 vs 30–40 vs over 40 yrs of age, UK, 8136
question structure & sequence of items of different difficulty, performance on multiple choice chemistry test, 5th graders, 26697
question type in textual reading, understanding retention of biology concepts, college students, 7912
rational powers required by standardized high school science tests, 21492
reading scientific material, change in stereotyped attitudes toward lions & ticks, college biology students, 10784
reported fear of animals, college students who had vs had not taken biology in high school, 2456
role of mathematics & science instruction vs development, reasoning skill, 6th vs 8th vs 10th vs 12th graders, 7910
S sex & science teaching strategy, development of logical thinking, elementary school students, 29182
science & technology knowledge level & achievement, male vs female 11 yr olds, UK, 7991
science class attitudes & image of teacher, science achievement & perceptions of science & self confidence & extracurricular activities, high school students, 23815
self- vs experimenter-generated questions, learning from museum case exhibits, college education majors, 26571
self concept & gender role perceptions, attitudes & achievement in science, 7th–8th graders, 2-yr longitudinal study, 21378
self esteem, college physics students in inductive vs deductive preservice teacher education course, 26616
self lesson report form, study & evaluation of teaching, high school science students & teachers, 2597
sequence of item difficulty on multiple-choice chemistry test, test performance, 16–19 yr old students, 8113
sex & age & hands-on vs no-touch exhibit, attention & curiosity, adult vs child museum visitors, 6248
stability of attitudes toward science, junior vs senior high school students, 26596
tasks allocated by teacher in science instruction, task involvement, 6th–8th graders, 7943
teacher in-service course, environmental science achievement test performance, teachers vs college graduates vs high school graduates vs 7th graders, 7862
teacher's science process abilities, science achievement, 8th graders, 29258
traditional vs Concerns Based Adoption Model science methods course, attitudes or concerns about teaching science, preservice elementary teachers, 21273
understanding of vector concepts of position & displacement & velocity, 10th graders, 7950
use of propositions from psychodiagnostic interviews, assessment of conceptual knowledge, science students, 29412
verbal & textual forms of scientific presentation, attitudes toward science, students, 13059
visual-spatial ability, introductory physics achievement, college students, 7982
West African Examination Council vs newly developed alternative syllabus, biological science achievement & interest, high school students, Nigeria, 26533

analysis of metatheoretical approaches of G. Ammon & E. Jantsch, 16205
classification of psychology among sciences, 17th century to present, 18930
cognitive strategies for rationalizing patterns of change in scientific research & children's thought, 5526
collectivistic & value-free approach to science, criticism of A. Kukla's article, 2739
common & differing factors of creativity in art & science, 9558
conception of science & behaviorism & Kuhnism, comments on paper by F. Suppe, 18961
conceptualization of science of eudology, comments on article by R. E. Creel, 16180
definitions pretraining with vs without signaling, understanding of unfamiliar scientific passage, college students, 15768
development of Children's Science Curiosity Scale, 5th graders, 5626
ethics & development of nosology of spirit, 29633
family background & mathematics aptitude & need for power, choice of science major, female vs male college freshmen, 23818
fraud & dishonesty in sciences, 2275
goals & results of empirical science of literature, 9071
history of "consciousness movement" & relation to science, theory of quantum of action as 4th parameter of universe, 40
holomechanical model for life sciences research, 2748
mind-body dichotomy & problems of contemporary scientific thought, 16161
misuse of philosophy of science by science & behaviorism, 18957
natural vs human science approach to study of human freedom, 2776
need for cooperation between physical & behavioral sciences in resolving issues faced by scientists, 5516
need for feminist approach, sciences, 1198

objectivity of science, reply to criticisms by G. M. Alliger & P. J. Hanges & G. Netter, 2741
origins & essentials of T. Kuhn's historicist conception of science & its relationship to parapsychology, reply to G. H. Hoevelmann, 21665
origins & essentials of T. Kuhn's historicist conception of science & its relationship to parapsychology, 21664
paradigm concept & development, scientific communication & performance, university biology, chemistry & physics researchers, 12886
paradigms & conceptual relativism, experimental & theoretical scientific activity, 36
parapsychology & theories derived from quantum physics & psychology as science, 8282
participation in & impact of science & technology, females, 27900
phenomenological reductions set forth by E. Husserl & interpreted by A. Schutz & E. Kaufman & M. Merleau-Ponty, 26894
philosophical approach to scientific laws based on structure of universe & applicability to mental activity, 15
philosophy of science & Behaviorism & Kuhnism, comments on paper by F. Suppe, 18932
philosophy of science & Behaviorism & Kuhnism, reply to comments by W. B. Weimer & L. Briskman, 18958
proposal of eudology as science of happiness, 16178
psychology as empirical science, comments on J. Smedslund's criticism of psychology, 13459
psychology as science, 16155
relativism & absolutism & limits of research, comments on paper by P. Feyerabend, 18939
religious faith vs science, field of learning & mental disabilities, 14845
role in science, government vs colleges vs industry, 18911
role of family & education system, formation of scientific world outlook, children in socialist schools, 15778
role of logic & rhetoric in sciences & philosophy, Middle Ages to present, 26909
role of measurement & language in subjective & objective sciences & Q methodology, 19005
scientific knowledge claims of psychology, justification as social institution & science, 8276
sexology as professional discipline & social realities, 20061
sociology of knowledge & study of science, 24118
suggestion of combined government & industry & college support of basic scientific research, 18912
theoretical construction & experimental development, social & epistemological analysis of exact science research, 16261
value-free approach to science, comments on A. Kukla's article, 2742
view of science as collective enterprise, 13474
views on knowledge & science & ignorance, 14–23 yr old high school vs college students, 32107

Scientific Communication [See Also Professional Meetings and Symposia, Psychological Terminology]

absence of replication requirement for publication in American Psychological Association & other journals & effects on usefulness & quality of reported findings, comments on article by R. Sommer & B. A. Sommer, 24143
analysis of articles published in "Revista de Pedagogia", 1922–36, Spain, 8291
analysis of issues upon which K. R. Popper & T. S. Kuhn have been thought to differ, 8325
analysis of metaphor, B. Franklin's verbal behavior during his research on lightning, 13433
Anti-Freudian literature, 5532
articles & books frequently cited in sex research, literature review, 1200
attitudes toward & practice of writing for publication, college faculty, 26480
author's sex, acknowledgment of professional advice in written communications, 15634
authorship & institutional affiliation of articles published in Journal for Specialists in Group Work, 1976–84, 18005
blindness of blind review, psychologists, 29014
chosen format & composition of typewritten manuscripts, identification of author of psychological research, 29665
citation analysis of articles published in personality & social psychology texts & journals, 1977–81, 30858
citation frequency of Adler's & R. Driekurs's works in "The Individual Psychologist", 1973–82, 5551
communication between A. Einstein & S. Freud regarding psychobiologic factors of war, 25259
communication gap & theoretical orientation, social vs physiological psychologists, 5071
communication gap, drug addiction researchers vs practitioners, 1567
communication in terms of invisible college hypothesis & work patterns, 30–70 yr old prolific scholars in psycho-educational research, 23726
conclusions & recommendations, Second International Institute of Victimology, conference presentation, 9761
content analysis, Journal of Educational Psychology, 1910–81, 15663
contents of referred journals as worthy of presentation in textbooks & built-in experimental replication, comments on article by R. Sommers & B. A. Sommers, 24148
correlates of scholarly productivity, 27–69 yr old faculty members of doctoral level counseling psychology training programs, 31925
critique of public information & education sections of Report of the Presidential Commission on Drunk Driving, 32212
differences in training & sex-related interests & cultural roles & personality factors, decreased production of creative work assessed by amount of journal articles published, female psychoanalysts, 29076
discouraging factors of writing & measures for improvement, academicians, literature review, 18532
early plan for homosexual organization, translation of letters by E. F. Elmhurst & M. Hirschfield & H. Benjamin, 30726
educational & developmental & cognitive psychology research publications that publish articles on reading, 26844
efforts to obtain unpublished data from authors of studies published 1977–82, 24140
ensuring validity & credibility of reported research results, comments on suggestions by R. Sommers & B. A. Sommers, 24136
evaluation of scientific computer-based conference, scientists, 22239
evaluation of visibility & quality of human development journals, members of national psychological associations, France vs West Germany vs Great Britain vs US, 22288
examination of Controversial Discussions of British Psychoanalytical Society, change in psychoanalytic movement, 29649
excerpts from F. Deutsch's letters regarding Vienna Psychoanalytic Society, 1923 & 1935, 24125
factors affecting psychology in countries other than US, 21215
frequently addressed topics in Korsakov Journal of Neuropathology & Psychiatry, 14611
Freud's collaboration with J. Breuer on "Studies on Hysteria" & "Project for Scientific Psychology" as reaction, 24114
generalization criterion, selection of papers for publication in psychology journals, comment on article by D. G. Mook, 5128
guidelines for S descriptions in learning disabilities research reports, 98
history of & need for reform of publication & academic tenure process, 31980
implications of use of "oriented times three" referring to patients' orientation to time & place & person, 23667
importance of interdisciplinary communication, 13936
importance of Rorschach content in work with psychopaths & psychotics, discussion of teenage sex murderer in "The Fifty-Minute Hour" by R. M. Lindner, 10135
institutional productivity rankings & contribution to Journal of Applied Psychology, comments & update on report of W. M. Cox & V. Catt, 15618
journals contributing most to management research & ranking by citations, 23986
metapsychological work of D. Rapaport on activity-passivity & psychopathology, implications for adolescent development, 28188
methods for assessment of professional & scholarly contributions, criticism of study by T. M. Skovholt et al, 31914
model for writing & evaluating educational assessment reports, 15970

need for assistance in interaction with accepted channels of scientific communication & potential impact on contributions to field of psychopharmacology, scientists, Asia, 24929
need for exposure to international perspectives on psychology, psychologists, US, 21220
need for including age & sex variables in reports of depression studies, comment on editorial by D. J. Kupfer & A. J. Rush, 65
need for including effects of sex & age on dependent variables in reports of depression studies, reply to comments by J. A. Hamilton & R. M. Hirschfeld, 77
neglect of issues related to learners & educational goals & school counselors in national reports on reform in schooling, 10648
neuropsychological & psychophysiological basis of 4 primary tastes, selected passages from H. Oehrwall's & H. Henning's & E. von Skramlick's writings, 8739
nuances & implications of Freud's writing style & shortcomings of J. Strachey's translations, 24116
number of articles published in journal, estimations of journal quality based on development psychology textbook citations, comments on J. D. Hogan & R. Hedgepeth's article, 27733
occult writing & science, reply to A. F. Kootte's criticism of present author's comments on "The Teaching of Don Juan" by C. Casteneda, 11660
paradigm concept & development, scientific communication & performance, university biology, chemistry & physics researchers, 12886
personal & professional influence of C. M. Thompson on H. S. Sullivan, 13477
personnel selection research design & criteria & instruments & occupational groups, meta analysis of validity studies published in "Journal of Applied Psychology" & "Personnel Psychology", 1964–82, 197
presentation of overt behavioral measures of fear in major behavior therapy journals, 4719
procedures & barriers & attitudes toward academic writing, arts vs sciences university professors, Canada vs UK, 12997
professional jargon & patient accessible records, cognitive rehabilitation staff with brain damaged clients, 15617
publication source of article concerning handicapping conditions, perception of credibility, special education graduate students vs education vs engineering college students, 15685
published research in mental retardation, 1586
purpose & interpretation & report of qualitative nursing research, 10599
qualifications of observers & reliability & validity of observations, meta analysis of empirical studies from psychology & counseling journals, 2848
rated reliability & bias & harshness of peer reviewers evaluating manuscripts for "Journal of Applied Behavior Analysis", student raters, 2238
reading scientific material, change in stereotyped attitudes toward lions & ticks, college biology students, 10784
report of pharmacological intervention in behavior modification studies, mentally retarded, 20875
retrospective review of 1st 20 yrs of Journal of School Psychology, 5164
review of German language psychological periodicals, literature review, 29610
review of research by J. S. Armstrong on relationship between journal passage readability & intelligibility & rated prestige, 18944
role of parapsychology journals, parapsychology, 13424
social work perspective of disability, 26306
structure & boundries of leisure research, 5585
summary of articles appearing in Educational Research Quarterly, 23689
summary of events of 23rd International Congress of Psychology, 26847
summary of Publication Manual of American Psychological Association, 3rd edition, 1983, 7765
techniques in popularizing psychology literature, 31880
trends in interbehavioral psychology, 1937–83, 24126
use of parametric vs nonparametric statistical procedures in articles published in Journal of Counseling Psychology, 1954–81, 11223
validity of Milwaukee Project & ease with which tentative information becomes widespread in textbooks & technical literature, reply to comments by R. Sommer & B. A. Sommer, 24145
validity of research findings reported in textbooks, reply to comments by H. L. Garber & G. S. Bernstein & K. Heskin & K. B. Carsrud, 24180
variable related to reported learning in general psychodynamic groups held at professional meetings, participants in 1981 & 1982 annual meetings of Canadian Group Psychotherapy Association, 18481
view of science as collective enterprise, 13474
women's movement, incidence of mother-blaming for psychological problems reported in major clinical journal articles, offspring, 1970 vs 1976 vs 1982, 30367
work of P. Janet on beliefs & delusions, 22699
yr & type of report & journal focus & study quality, quality of research reports on subjective well being in adulthood, 30384
15 yr review of Nouvelle Revue de Psychanalyse, 13467
Scientific Methods [See Experimental Methods]

method for scoring & interpretation of Personal Orientation Device so as to predict Guilford-Zimmerman Temperament Survey scores, forensic evaluations, 166
Millon Clinical Multiaxial Inventory & its mail-in computer scoring, personality & psychopathology assessment, 8404
modification & standardization of scoring procedure, MacQuarrie's steadiness test, college students, 5595
modification of scoring procedure for Articulation of the Body-Concept scale, assessment of field dependence-independence, 3–5 yr olds, 24295
need for 2-dimensional representation on scoring androgyny, reply to criticism of B. Blackman, 11242
new scoring system & revision of Depression Experiences Questionnaire, college students, 27055
normalization of T scores for MMPI scales, reply to criticisms of L. M. Hsu, 2854
operant conditioning based motivational technique, examination performance, college students, 32176
percentage conversions as method of enhancing clinical discriminations, 13643
prior standardization, aggregation of scores, 11106
rights vs formula scoring on College Board Scholastic Aptitude Test, students, 2548
Rorschach object relations & fantasy themes incorrectly scored as determinants, 8380
SAS computer program, scoring of Vocational Preference Inventory, 21553
score collapsing procedure, comparison of 2 groups of Ss receiving different response options on balanced F scale, 24200
scoring & factor analysis of Schalling-Sifneos Personality Scale, identification of alexithymia, college students, 5636
scoring of Bender-Gestalt Test using Koppitz Developmental Scoring System, 5–11 yr olds, 24203
scoring of Millon Clinical Multiaxial Inventory, response to comments by S. E. Greer, 24272
scoring of neutral response option of Clinical Analysis Questionnaire, validity & reliability, psychiatric patients with psychosis or neurosis or personality disorder, 21764
scoring procedure allowing credit for synonyms, cloze test protocols of 4th & 6th grades, college students, 13192
scoring system for measurement of interpersonal affect in TAT responses, married couples, 27051
social desirability & normative scoring, Kolb's Learning Styles Inventory, college students, 11203
standardization & validity & reliability & administration & scoring of Test of Language Development-Primary, assessment of language skills & problem areas in expressive & receptive formats, US & Canadian children, 8396
true scores vs equipercentile observed-score equatings, equating of 6 verbal aptitude tests, 19139
use of desk-top scoring unit, errors in scoring mathematics & reading proficiency tests, 8th graders, 5407
use of model essays, reduction of context effects in essay scoring, college student scorers of essays by 13–14 yr old high school students, 21473
utility & scoring efficiency of Counselor Rating Form & Counselor Rating Form-Quick Score, assessment of client perceptions of counselor, counseling psychologists & college students, 27001
validation of scoring system of Weigl Colour-Form Sorting Test, neurological diagnosis, 20–94 yr olds with depression or dementia, 5623
validation of variation of technique for interpreting I. Sato's caution index, graduate students, 29402

validity of Menstrual Symptom Questionnaire & scoring procedures, discrimination between spasmodic vs cogestive dysmenorrhea, female college students, 11176
Scotland
age & social class & previous breast problems, knowledge about breast cancer & breast self examination, 16–64 yr old females, Scotland, 7185
alcohol & illicit drug use, incidence of alcohol related consequences, 14–15 yr olds, Scotland, 3731
attitudes & issues in working with couples, psychiatrists vs clinical psychologists vs social workers, Scotland, 1900
attitudes toward parenthood, decision to remain childless, couples, Scotland, 27928
client characteristics, 18–64 yr old chronic day patients, Scotland, 28920
clinical & epidemiological survey of attempted suicide & deliberate self harm, schizophrenic patients, Scotland, 31007
cross cultural differences, incidence & symptoms of postpartum depression, 17–41 yr old mothers, Japan vs Scotland, 14710
degree of social integration, depression vs anxiety, rural vs urban females, Scotland, 9701
evaluation of institutions for preschoolers, England & Scotland & Wales, 29255
family therapy, rural multiproblem families, Scotland, 1893
government guidelines for determining eligibility for community residential placement, mentally handicapped, Scotland, 7602
maternity blues, females, Japan & Scotland, 2nd-level meta-analysis of G. Morsbach & Orr's study, 14700
mental state & onset of diagnosable illness & demographic factors & social relationships with family & nonfamily persons, psychiatric illness, community members, 6-mo & 1-yr followups, Scotland, 28264
parasuicide rates & distinctive subcultures in different geographical areas, Scotland, 22855
postnatal depression incidence & symptoms, females, Uganda vs Scotland, 28176
problems with group behavior therapy, prisons, Scotland, 2193
social identity model, crowd behavior in riot, England, 6421
solvent abuse community program, children under 16 yrs of age, Scotland, 5059
usage of hypnotic drugs, aged in residential care, Scotland, longitudinal studies, 26168
use & descriptive features & meaning of term "borderline patient", psychiatrists, Scotland, 22740
Scotopic Stimulation
photopic background stimulation, time course of rod-cone interaction, human Ss, 8478
Scratching
benzomorphan analgesics & opioids, attenuation of bombesin-induced scratching, rats, conference presentation, 3424
Screening [See Also Job Applicant Screening]
acceptance vs refusal of alpha-fetoprotein screening, anxiety about fetal malformations in early vs mid vs late pregnancy, females, 7518
age & life events & satisfaction & stress, reported depression, 20–76 yr old visitors to community health screening, 26281
Apgar scores 5 & 10 minutes after delivery, screening for abnormal psychological development, infants, 6264
approaches to screening for language disorders, preschool age children, 28389
assessment of candidacy for cochlear implants, profoundly deaf, 10339
Asthma Problem Behavior Checklist, structured interview screening instrument for detection of potential problem behaviors, parents of chronic asthmatic 5–15 yr olds, 9913
attitudes toward prenatal screening with alpha-fetoprotein, midwives, 7797
blood screening for phenylketonuria, hospitalized psychiatric patients, 21089
brief evaluation of mental state at time of offense, "screening out" mentally normal offenders, criminal defendants with mean age of 30.2 yrs, 1155
children's perceptions & family attitudes toward informing children of prenatal diagnostic testing, families with 30–42 yr old mothers who underwent amniocentesis, implications for social work, 15363
clinical epidemiological screening for mental disorders, elderly, 4170
dexamethasone suppression test as screening procedure, rehabilitation patients with chronic pain consulting psychiatrist, 31764
effectiveness of screening & professional referral in treatment of alcoholism, 15559
errors of overinclusion vs underinclusion, screening gifted students, 1st–11th graders, 23898
factors affecting participation in 1st & 2nd rounds of community-based colorectal cancer screening, 41–71 yr olds, 7539
feasibility of mobile medical screening teams for public programs, 28828
Hopkins Symptom Checklist, screening for symptoms of depression & anxiety initially & after 4 wks, Ss with mean age of 23.7 yrs attending family planning service, 6878
identification of children of alcoholic parents from survey responses, 7th–10th graders, 20389
identification of suitable users of computer assisted guidance program, college students, 26687
importance of screening for language disabilities, kindergartners, 32128
incidence of & screening for bulimia in family practice, 14–42 yr old repeat visitors to family clinic, 10035
mass screening for cervical cancer, psychological side-effects, 35–54 yr old females with positive vs negative smear, 2059
medical approach to secondary alcoholism prevention, problem drinkers, France, 5034
medical standards for examinations, sport & commercial & military divers, implications for personnel selection, 29487
methods for art therapy evaluation sessions, 6–8 yr old males, 7172
operational definition & model for forensic mental health examinations, criminals, 1124
past traffic offenses as predictor of future driving behavior, selection for driver improvement program, drivers, 2608
Pickford-Nelson anomaloscope, assessment of color vision & validity of 4 pseudoisochromatic tests, 4–11 yr old males, 3651
predictive validity of screening procedures, identification of language delay, preschool age children, literature review, 14882
preschool screening, school psychologists, 5386
preventive health-related behavior & attitudes, 45–64 yr old females who decline breast screening, 26248
problems of mass urine screening for misused drugs, 17632
prompting schedule, attendance & follow-up in community hypertension screening program, 18–89 yr olds at risk for hypertension, 10390
psychiatric assessment of competence to care for newborns, 18–38 yr old mothers, 28147
psychiatric screening interview by nurse vs psychiatrist, accurate drinking histories, 16–65 yr old general psychiatric patients, 4279
rationale & screening-intervention model, identification of learning deficiencies, youth in short term detention centers, 18334
requirements for school screening for physical & emotional & behavioral & learning problems, young children, US, 5380
risk & decision making & moral issues & technical problems, early amniocentric intervention, 18194
routine hospital admission screening protocol, identification & treatment of physical disorders, 56–94 yr old psychiatric patients, 4948
school screening program for early identification of hearing problems, female 5th–8th graders, India, 18734
scores on Slosson Intelligence Test vs McCarthy Scale of Children's Abilities, retarded vs gifted preschool children, 21458
screening & early remedial intervention project, low- vs high-risk disadvantaged school age children, Wales, 2-yr followup study, 29411
screening & referral using curriculum-based measurement of academic performance vs traditional referral, referral rate & cognitive functioning & achievement & social behavior & sex & identification as learning disabled, 3rd–6th graders, 5399
screening for alcoholism in families, alcoholic outpatients, 17626
screening for alcoholism using J. P. Feighner's symptom profile, 18–65 yr old medical patients at 1st time hospital admission, Kenya, 6934
screening for early detection, dementia, elderly, 4414
screening for psychiatric disorders in general practice, England, 9724

screening of pain & emotional state, prevention of manifestation of disorder, patients, 25891
screening procedures & discriminating criteria for identification of severely mentally disabled, 18–65 yr old psychiatric patients, 22712
screening, school age stutterers in rural environment, 1980–81, 6998
selective referral vs routine screening in clinical EEG assessment, psychiatric patients, conference presentation, 12212
single vs dual administration of Beck Depression Inventory, screening for depression, college students, 29674
system-level screening procedures for identification, gifted-disadvantaged students, 13137
tachistoscope vs global accessibility rating, screening for delirium, hospitalized patients, 30900
use of psychodynamic vs task-oriented model by social services department, assessment, foster parents, 23436
usefulness of Weigl Color-Form Sorting Test, screening for brain dysfunction, male psychiatric patients with mean age of 41.3 yrs, 15001
validity of Multisensory Imagery Scale, screening of hyperopia developmental disability, students, implications for educational process, literature review, 10888
Screening Tests [See Also Psychological Screening Inventory]
Alcohol Dependence Scale & Lifetime Drinking History & Drug Abuse Screening Test, assessment of alcohol & drug problems, 5654
brief neuropsychological screening battery, brain damaged vs schizophrenics vs medical patients, 19110
clarification & clinical utility of dexamethasone suppression test, literature review, conference presentation, 30914
clinical utility of dexamethasone suppression test, school-age through elderly psychiatric patients, conference presentation, 30902
computer-managed vs traditional pencil & paper versions of Preschool Speech & Language Screening Test, assessment of communication disorders, 3–6 yr olds in Head Start, 2856
concurrent validity of Daberon screening tool, judgment of preschoolers' abilities, preschool teachers, 29463
concurrent validity of Vane Kindergarten Test, kindergartners, 29422
construct validity of PPVT-R as screening measure for intellectual functioning, 2.5–5.9 yr olds, 26980
construction & reliability & validity & applications of Wife Abuse Inventory, prediction of being at risk for spouse abuse, females, 27022
content & structure & validity of Diagnostic Achievement Battery, screening for learning disabilities, 6–14.9 yr olds, 26717
content & structure & validity of Test of Language Development Intermediate, language skill assessment, 6.5–12.9 yr olds, 24293
criterion lists, detection & prediction of chronic suicidal behavior, Ss who had attempted suicide, 19066
development & norms & validity of Basic Achievement Skills Individual Screener, assessment of reading & mathematics & spelling & writing achievement, 1st–12th graders, 15965
development & standardization & validation of Florida Kindergarten Screening Battery, early identification of learning disorders, kindergarten students, 8107
development & validation of screening instrument, prediction of level of emotional distress 2–6 mo after cancer diagnosis, adult oncology patients, 5662
development of Basic Achievement Skills Individual Screener, measurement of mathematic & reading & spelling achievement & educational diagnosis, students in 1st–12th grade & beyond high school, 10865
discriminant function analysis of interviews & laboratory tests, screening for excessive drinking & alcoholism, adult hospital patients, 107
ease of stimulus picture identification & administration time, comparison of 3 screening articulations tests, 3–5 yr olds, implications for efficiency of articulation screening, 8103
evaluation & criticism of 6 standardized language tests for use with adolescents, public school clinicians, 26721
evaluation of screening battery, identification of future reading disabilities, preschool students, 3-yr followup, 21464
factor analysis & validity of General Health Questionnaire, assessment of psychiatric disturbance, 20–60 yr old male patients of general practitioners, 8410
Fluharty Preschool Speech & Language Screening Test vs Compton Speech & Language Screening Evaluation Test, assessment of articulation deficits & language comprehension & expression & vocabulary, kindergartners, 29455
HRCA Vulnerability Index, self report screening of functional deficits in health care, aged in community, 16351
Michigan Alcoholism Screening Test administration, inmates in prison hospital, 28972
performance on kindergarten tests of language skills, prediction of reading difficulties in 1st grade & suggestions for prevention, children, longitudinal studies, conference presentation, 10874
predictive validity of Child Abuse Potential Inventory, correspondence between test scores & confirmed reports of abuse & neglect, mothers at risk for poor parenting & child abuse, 2929
predictive validity of First Grade Screening Test, identification of educational handicaps, kindergartners, 13208
problems in theoretical basis & design & standardization & validity & reliability & interpretation of Screening Test for Developmental Apraxia of Speech, 5625
relationship of short form of WISC-R & McCarthy Screening Test, 4.3–7.6 yr olds, 214
reliability & factorial validity of Parenting Stress Index, measurement of stress in parent child relations, parents, 27024
review of Basic Achievement Skills Individual Screener, norm & criterion referenced information on mathematics & reading & spelling & writing performance, 1st–12th graders & post-high-school Ss, 18741
review of Michigan Alcoholism Screening Test, 11151
Revised Beta Examination, prediction of WAIS-R scores, 21–42 yr old Black & Hispanic offenders, 230
screening & diagnostic & scoring efficiency of City University Colour Vision Test, protanopes vs deutanopes vs tritanopes, conference presentation, 25778
screening & diagnostic & scoring efficiency of Standard Pseudoisochromatic Plates vs New Color Test of Lanthony, screening & differentiation of color vision defects, conference presentation, 25779
screening test, identification of auditory perceptual abnormalities & subsequent language delay, 9 mo olds, 17814
screening utility of parent vs clinician vs teacher ratings on Child Behavior Checklist, measurement of behavior disorders, 6–7 yr olds, 27006
self-report depression scales vs clinician DSM III diagnoses of major depressive disorder, 21–77 yr old chronic pain patients, 1346
sex & social class differences, performance on Denver Developmental Screening Test, urban 16 day to 6.3 yr olds, Turkey, 27721
subtest scores on Vane Evaluation of Language Scale & Vane Kindergarten Test, prediction of academic achievement & placement in special education or high achievement programs, students tested at beginning of kindergarten & end of 2nd grade, 21505
test norms for Denver Developmental Screening Test, 2 wk through 6.5 yr olds, Philippines, 16371
Torque Test as screening device & measurement of lateral dominance, identification of risk for behavioral & academic problems, 4th–5th graders, 3624
training program, administration & scoring of screening battery for differential diagnosis of dyslexia vs hyperkinesis, psycho-educational technicians, 5178
use of Denver Developmental Screening Test, language development, 11 mo through 6 yr olds, Nigeria, 16354
use of Token Test For Children, identification of language deficits, 3–6 yr olds in preschool programs, 5370
usefulness of Noise & Memory for Sequence subtests of Goldman-Fristoe-Woodcock Test of Auditory Discrimination & Auditory Skills Test Battery, identification of central auditory function, 7–10 yr olds, 13543
usefulness of organic integrity test, diagnosis of dementia, depressed vs demented vs normal 66–86 yr olds, 146
validation of Brief Minnesota Multiphasic Personality Inventory for screening for substance abuse, male vs female job applicants vs chemical dependency inpatients, 24242

validation of Valpar Independent Problem-Solving Work Sample, screening, physically impaired & psychiatric & brain damaged 16–63 yr olds, 13530
validity & physical vs psychological dimensionality of Italian version of T. S. Langner's 22-item Mental Health Scale, screening for common psychiatric symptoms, adults, 16310
validity & reliability of marital problem screening questionnaire, parents with children attending psychiatric clinic, 21758
validity of biographical questionnaire, prediction of test performance, electrician applicants, 183
validity of Clinical Evaluation of Language Functions, assessment of language development, 5–17 yr old recommended for special education classes, 8129
validity of inferences from test scores, personnel tests, 16032
validity of Lewis Counselling Inventory, identification of students in need of guidance & counseling, 4th form secondary school students, 21497
validity of Lollipop Test, screening of school readiness, kindergartners, 13176
validity of PPVT as initial screening test, college freshmen & sophomores, 26680
Sculpturing
reflections on creativity & mourning & fear of paternity, life & art of sculptor G. Vigeland, Norway, 16846
sculpturing in family therapy, 1902
Sea Gulls
adoptive behavior & chick recognition, nesting pairs of herring gulls with 6–35 day old chicks, 506
analysis of predeparture vocalizations, kittiwake gulls, 27243
colonial breeding, nest predation, common gulls, 8693
daily food supplements near nests, weight gain & fledging success & parental behavior, herring gulls, 19364
fresh & weathered fuel oil application to eggs, reproductive success, great black-backed & herring gulls, 18886
nest attendance & activity & length of incubation shift, male vs female kittiwakes, 27239
nesting synchrony, aggression & reproductive fitness, ring-billed gulls, 27251
population density & age & species composition at feeding site, foraging success & aggression, gulls, 21946
sleep, predator avoidance, herring gulls, 27227
Seals (Animal)
acoustic communication & behavior, seals, 510
communication on land & in water, seals & sea lions, 539
echolocation, 7 yr old male harbor seal, comments on D. Renouf & M. Davis's article, 5950
echolocation, 7 yr old male seal, reply to D. Wartzok's comments, 5933
Seasonal Variations
avoidance of crisis at Christmas, patients in therapy, 26033
birth season, rates of neurosis & personality disorders & alcoholism, male psychiatric patients born between January 1915 & December 1959 & between July 1915 & June 1959, 1348
birth seasonality, Black vs White institutionalized schizophrenics with mean age of 58 yrs, 6773
bright light treatment during winter, depression, 20–58 yr olds with seasonal affective disorder, 15087
climate, homing orientation, homing pigeons, Germany vs Italy, 27252
endocrine activity associated with autumn migration, sedentary & migratory European blackbirds, 16675
exposure to bright light, melatonin secretion & circadian rhythms & photoperiodism, normal & blind Ss & seasonal manic depressive patients, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 1335
factor analysis, seasonal & behavioral & hormonal & body weight changes, male barheaded geese, 8681
food consumption, seasonal weight gain, female squirrels with lesions of suprachiasmatic nuclei, 22107
meaning of Christmas holidays, 72–97 yr old nursing home residents, 2153
natural history & acoustic behavior, crickets, 8670
race & sex, seasonality of birth, mentally retarded, 4364
rates of demand for depression-related services & myth of midwinter depression, Alaska, 4145
season & rank consortships & sex, time allocation in various activities & consorting & energetic cost, male vs female free-ranging olive baboons, 3215
season of birth, social class attainment, British born economically active males, England, 30574
season of capture & dominance, preference for summer vs winter habitat, wild-caught dark-eyed juncos, 19396
seasonal changes in alcohol sales, heavy & problem drinking rates, Iowa residents 18 yrs old & older, 17289
seasonal patterns & individual consistency & presence of conspecifics, distress calling, woodland birds, 21957
seasonal variation of food quality & density, high energy social interactions & play rates & weaning time, immature monkeys from 3 social groups, 30026
seasonal variation, rates of psychiatric hospitalization & mental illness, literature review, 22748
seasonal variations & sex differences, predatory behavior, wild chimpanzees, 8727
seasonal variations in blink rate & concentrations of catecholamines & their metabolites in hypothalamus & nucleus accumbens of postmortem brains, chronic schizophrenics, 12171
seasonal variations in plasma testosterone, violence & rape & crime rates, comment on R. P. Michael & D. Zumpe's hypothesis, 1581
seasonal variations in radioactive imipramine binding in platelets, depressed Ss with mean age of 38.6 yrs, 12222
seasonal variations of births of left handedness, males & females, replication of A. Leviton & T. Kilty's study of females, 19783
seasonal variations, serotonin uptake, depressed patients with mean age of 29 yrs, 14624
seasonal variations, sexual aggression & violent crimes, US, 28339
seasonal variations, sexual violence, comments on study by R. P. Michael & D. Zumpe, 14813
seasonal variations, sexual violence, reply to criticism by C. Nadelson & M. Notman, 14809
seasonality of birth, predisposition to schizophrenia, male vs female paranoid vs nonparanoid schizophrenics, 6823
seasonality of schizophrenic births, Canada, 30924
sex differences, seasonal changes in volume of caudal nucleus of hyperstriatum & robust nucleus of archistriatum involved in vocal control, white-crowned sparrows, 3260
simulated sunrise/sunset illumination seasonal changes, phototaxis, Daphnia magna, implications for laboratory lightning, 27467
social class & sex & age & ecological changes, home range variations, feral goats, 13777
stability across seasons in factor analysis, recreational activities, adult recreationists, 5665
temporal patterns of child abuse & neglect reporting, US, implications for scheduling of personnel, 17628
transition between nonbreeding & breeding season & estradiol, sexual behavior & sex steroid levels & sex skin color & ovulation, intact vs ovariectomized female rhesus monkeys in all-female groups, 3359
Seat Belts [See Safety Belts]
Secobarbital
secobarbital, choice RT in character recognition task, male college students, 8986
Seconal [See Secobarbital]
Secondary Education
academic achievement in secondary school, alternative vs public school students, Canada, 7889
academic performance in basic school, scores on secondary school entrance examinations, students, Czechoslovakia, 10771
academic vs vocational tracking & ethnicity, secondary school students, Israel, 7936
attitudes toward foreign language education, high school principals, 15691
attitudes toward science & technology upon entering secondary education, science achievement, male vs female 11 yr olds, 26619
attitudes toward status of secondary school guidance, state director of guidance programs, US, 23907
bounds of literacy in high school education, comments on J. Willinsky's research, 29274
brief waiting-time activities, elementary & secondary special education students, 23851
design of health education techniques & strategies & methods for reduction of drug use, secondary schools, 18586

development & implementation of model secondary education followup study, high school students, literature review, 10652
development of group counseling & guidance services, secondary schools, Nigeria, 15940
future-oriented studies in secondary education, Sweden, 18554
gender relations in secondary schools, 14–15 yr old students from working class vs ruling class families, Australia, 32095
history of orientation toward academic excellence at Central High School in Philadelphia, 10651
implementation of affective communication program in classroom, high school counselors, 26523
institutional divisions of academic & technical studies within secondary education, France, 31958
instructional validity as measured by proportion of students receiving instruction in competencies measured on Alabama High School Graduation Examination, teachers of grades 7–10, 21468
integration of subjects based on facts & relation to each other & time sequence, natural sciences, high school students, Czechoslovakia, 10707
literacy & language in high school education, reply to comments by H. J. Graff, 29301
need for developmental guidance program in Catholic secondary schools, 32208
organization of provisions for slow learners in secondary schools, implications for program & curriculum implementation, 2499
organizational systematic training model, needs assessment, secondary school counselors, 23718
perception of effectiveness of public elementary & secondary schools, superintendents vs principals vs teachers, US, 29140
policy & practice of school reports to parents, secondary & special schools, England, 3-yr longitudinal study, 15675
problem solving skills training, problem solving with adolescents & family members, urban high school principals, 23715
qualifications & standards & selection criteria, secondary school counselors, Canada, 12996
quality of high school education, survey of personnel officers' opinions, US, 13274
quality of tasks assigned, teachers of junior high & high school students, 13049
streaming vs mixed ability grouping, academic progress & social adjustment in primary & secondary schools, 50-yr literature review, 29199
work in overcrowded secondary school, school psychologist, Brazil, 5423
workshop for induction into pastoral-care system, secondary school staff, England, 5169

Secondary Reinforcement
immediate vs delayed token reinforcement, performance on WISC-R, Black & White low income 2nd graders, 21459
pairing of light & auditory stimuli with feeding, development of secondary reinforcement as measured by learning of new unrelated runway response & role of associative mechanisms, rats, 21920
remedial instruction involving rule-based approach & token reinforcement, spelling skills, 11 yr old male, 21451
role of secondary reinforcement, language learning, 14102
self monitoring & token economy points, reduction of chronic throat clearing, behaviorally disordered 10 yr old, 12592
token reinforcement program, off-path wandering, institutionalized 25 yr old female with Down's syndrome, 18067

Secretarial Personnel
age & job experience, responses to job analysis questionnaire, clerks & typists & secretaries, 8231
competency appraisal by self & management before vs after training, clerical & secretarial personnel, 10952
training wheels system, learning word processing by doing vs by manual, temporary office workers, 13272
workshop for reduction of computer anxiety, university secretarial staff, 31965

Secretarial Skills [See Clerical Secretarial Skills]

Secretion (Gland) [See Also Adrenal Gland Secretion, Endocrine Gland Secretion, Lactation, Salivation]
intracerebral self stimulation, effect of positive emotional excitation on normalization of stomach acidity, dogs, 6065
oxotremorine sesquifumarate, tremor & salivation & chromodacryorrhea & hypothermia, rats psychogenetically selected for bipolar extremes in shuttlebox avoidance, 13894

Sectioning (Lesion) [See Lesions]

Security (Emotional) [See Emotional Security]

Sedatives [See Also Amobarbital, Atropine, Barbital, Chloral Hydrate, Chlorpromazine, Flurazepam, Haloperidol, Heroin, Meperidine, Molindone, Nitrazepam, Pentobarbital, Phenobarbital, Reserpine, Scopolamine, Secobarbital]
alcohol & sedative drug use & perceived anxiolytic effects, adult neurotic outpatients in behavioral psychotherapy unit, 17552
chlormethiazole vs chlordiazepoxide treatment, acute alcohol withdrawal syndrome, patients with mean age of 44.9 yrs, 5046
dose of diazepam vs ethclorvynol vs chloral hydrate vs tertiary-butanol vs ethanol, response rate during operant schedule involving alternation of punished & unpunished responding, rats, 24967
ethanol vs pentobarbital vs methyprylon, sleep time response, mice from long vs short sleep strains, 30244
febarbamate & pipamperone, agitational & aggressive states, psychiatric patients over 60 yrs of age, 20896
haloperidol vs clozapine, detection thresholds for electrical brain stimulation of midbrain or forebrain, male rats, 22229
indiscriminate prescription of sleeping pills, Ss aged 60 yrs & older with insomnia, conference presentation, 31532
intranigral muscimol administration, ethanol withdrawal seizures, rats, 753
long term heavy & chronic use of barbiturates & sedative-hypnotics, ego state, 22–48 yr old males, 14830
midazolam with vs without atropine premedication, stress reduction before gynecologic surgery, female patients, 28795
neuropsychological deficits & primary dependence on sedative & hypnotic drugs, outcome of hospital treatment, 21–69 yr olds, 4–6-yr followup study, 12850
niaprazine, nervousness & agitation & sleep disorders, 2–13 yr old inpatients, 15278
patterns of sedative & tranquilizer use & abuse, college students, 17634
picrotoxin vs pentylenetetrazol vs tracazolate vs Ro 5-3663, social interactions & anxiolytic behavior, rats, 13884
prazepam & lorazepam, anxiolytic effects & tolerance, 18–70 yr old patients with neurotic anxiety, 26154
sedative depot neuroleptic cis (z) clopenthixol decanoate, psychiatric patients, 28775

Seeing Eye Dogs [See Mobility Aids]

Segregation (Racial) [See Social Integration]

Seizures [See Convulsions]

Selection (Personnel) [See Personnel Selection]

Selection Tests [See Also Psychological Screening Inventory]
bias in selection tests, 167
cumulation of validities of verbal ability selection test over 5–6 yrs, psychiatric aides, meta-analysis, 140
personnel selection research design & criteria & instruments & occupational groups, meta analysis of validity studies published in "Journal of Applied Psychology" & "Personnel Psychology", 1964–82, 197
preemployment selection test results & vertical dyadic exchanges between S & supervisor, prediction of managerial career progress, newly recruited male college graduates with mean age of 23.6 yrs, Japan, longitudinal study, 10982
simplified approach to application of Cleary model, evaluation of fairness of personnel selection tests, 114
validity of American College Testing Proficiency Examination as placement measure, nurses entering Bachelor of Science in Nursing program, 5143

Selective Attention
absence of illusory information in stimulus by instruction, Mueller-Lyer illusion, college students, 11300
abstract vs concrete words, recognition & image formation in selective attention conditions, 17–24 yr old females, 11332
abstract words, selective attention & visual vs auditory imagery formation, 19–30 yr olds, 11331
auditory selective attention, generalized vs left temporal vs right temporal complex-partial epileptics, 12332
auditory target localization tasks, short-latency event-related brain potentials, 17–30 yr old males, conference presentation, 19490

concurrent auditory verbal vs nonverbal vs motor tasks, detection of stop consonants, right handed male college students, 27133
discrimination & sorting of photographs of varying facial identities vs emotions, patients with right vs left brain damage, 17731
habituation to irrelevant information, speeded classification task performance, college students, implications for automatic processing & attention, 27152
horizontal optokinetic stimulation & attentive vs unattentive gazing, elicitation of responses characteristic of subcortical pathway, 22–45 yr olds, 19473
inescapable shock with delayed shocks & task irrelevent cues, choice-escape learning, rats, 19334
intelligence & impulsiveness & free-floating anxiety & stimulus occurrence guessing task, event-related brain potentials, college students, conference presentation, 19449
interstimulus interval & amplitude & frequency of tones, latency & amplitude of event-related potentials during selective auditory attention, 18–28 yr olds, 11478
isoproterenol & yohimbine vs propranolol, selective attention, 15 vs 30 vs 55–60 day old rats, implications for role of ascending dorsal noradrenergic bundle, 27572
level of facilitation of unattended word for target word, RT in imagery formation, 19–23 yr olds, 29924
level of selective-attention ability & memory manipulation, accuracy of ratings, field-dependent vs independent psychology & management college students, 10947
memory & selective attention, iconic & symbolic representation of abstract concepts, paranoid schizophrenics, 6749
memory-driven selective attention in visual search task, 18–22 vs 60–74 yr olds, 30451
moderate intensity noise, attentional selectivity, females, 29898
object- & discrimination- & space-based theories of selective attention, accuracy in visual discrimination tasks, 18–42 yr olds, 29839
prior selective listening task, right-ear advantage for dichotic listening, right handed college students, 16634
reading ability & selective attention, high- vs low-test-anxious 2nd & 4th & 6th graders, failure to replicate findings of J. Dusek et al, 13073
selective attending to color vs word dimensions of Stroop & non-Stroop stimuli, hemispheric asymmetries & time course & scalp distributions of visual event-related potentials, right handed 28–40 yr olds, conference presentation, 19427
selective attention & planning skills, mathematics achievement, 5th graders, implications for diagnosis & remediation of learning disabilities, 5390
selective attention & speech discrimination of noise, 16–28 yr old vocal abusers, 20466
selective attention, counseling, counselors, 15451
selective attention deficits, learning disabled children, 6963
selective attention for information at different vs single point in visual space, hemispheric asymmetry in event-related potentials in occipital cortex, human Ss, conference presentation, 19470
selective attention to color vs location, event related EPs, 19–39 yr olds, 24652
selective attention to dichotic speech stimuli, event-related brain potentials, 17–32 yr olds, 27416
selective orienting, vocal naming, infants, 11746
serial somatosensory decision tasks, cortical positive event-related potentials, 22–25 yr old females, conference presentation, 19453
sex, performance on auditory selective attention task, 16 yr old male vs female Ibo & Yoruba students, Nigeria, 25156
stimuli delivery rate & selective attention to electrical stimulation of left vs right hand, somatosensory event-related brain potentials, human Ss, conference presentation, 19496
supportive vs refutive information, recall of personally relevant communication, smokers vs nonsmokers vs ex-smokers & seat-belt wearers vs nonwearers, 11376
sustained attention in auditory modality, assessment of attention deficit, hyperactive 6.3–13.6 yr olds, 25901
sustained selective attention, forebrain & electroretinogram potentials, human Ss, replication & extension of study by R. G. Eason et al on early sensory filtering, 22059
temporal discontinuity between onset of visual stimuli, visual search performance & role of attention, college students, 19225
temporally patterned visual sequences, EPs & selective attention, conference presentation, 3054
Type A vs Type B personality, selective attention to negative feedback, college students, 14546
velocity of shifts of visual selective attention, experienced Os, 8512
visual preference for color over form, male vs female 16 yr olds, Nigeria, 16994

Selective Breeding
artificial selection for positive vs negative phototaxis, frequency of sepia allele, drosophila melanogaster, 16588
bidirectional selection for social dominance, agonistic behavior & sex ratios, paradise fish, 8740
Classical Mendelian cross, analysis of responses to ethanol, long & short sleep mice, 3253
revitalization of AA & ANA lines, ethanol consumption & righting reflex & motor impairment & open field behavior & blood acetaldehyde during ethanol metabolism, rats of AA & ANA lines, 11460
selective breeding, alcohol dependence, mice, 16602
selective breeding for sensitivity to diisoprophyl fluorophosphate, body weight & temperature & water intake, male vs female rats, 8741
triple test-cross study & genetics, open field ambulation & defecation & rearing-up activity in nonstressful environment, wild rats, 3256

Self Acceptance [See Self Perception]

Self Actualization
development of Reflections of Self by Youth scale, measurement of self actualizing growth, 4th–6th graders, 27876
foundations & justification of self actualization, reply to criticism by C. Ginsburg, 9539
high vs low level of actualization & integration, death fear & anxiety, college students, 20156
humanistic education based on A. Maslow's self actualization theory, enhancement of school curriculum & teacher & student effectiveness, 29192
Involvement & Drivenness subscales of Jenkins Activity Survey, measurement of relation between self actualization & self esteem, college students, 13572
number of students & grade level taught & sex differences, burnout & self actualization, public school teachers, 10671
orientation toward career vs family life & ideals of self fulfillment, male vs female 13 vs 16 yr olds, 25201
parent guidance training program, interpersonal sensitivity & personality parent–child relations, mothers & their 8–12 yr olds, 18030
parental educational attitudes & style, self actualization, students, 9323
perception of self actualization as major purpose of higher education, university students vs faculty vs administrators, 29107
positive parenting, self actualization, children, 6505
racial identity attitudes & self actualization & affective states, Black college students, 30604
similarities between meditative practices & self actualization, comments on article by J. Sallis, 20135
somatic understanding of "self", comments on article by L. Geller, 9540
struggle for self realization, female artists, therapeutic implications, 9536
surrender to purpose in life as self actualization, 1265
training program using cocounseling, self actualization, college students, 6-mo followup, 18025
wilderness use, self actualization, adults, 12098

Self Assessment [See Self Evaluation]

Self Care Skills
acquisition of practical knowledge, blind & visually impaired 8th–12th graders in public vs residential schools, 21401
assessment of dependency levels, geriatric patients, 18290
behavioral self help training, development of basic skills & adjustment, developmentally disabled, 23550
behavioral training program, performance of fire emergency skill, 43 yr old severely retarded male, 20866
clock-agenda combination program, use of clock & meeting scheduled appointments, mildly & moderately mentally retarded 7.8–12 yr olds, 21124

cluster analysis, validation of coin-skills curriculum, educable mentally retarded children with mean age of 116.6 mo, 5347
community-based vs residential-center training, independent living skills, blind adults, 21130
community program, eating behavior & diets & nutrition, 51–60 yr olds formerly institutionalized for alcoholism or organic brain syndromes or mental retardation, 21119
conductive education in feeding & drinking programs, profoundly mentally retarded 4.8–14.9 yr olds, 32120
criterion validity of National Bureau of Standards measure of self preservation ability in fire emergencies, developmentally disabled persons, replication of A. E. MacEachron & M. P. Janicki's study, 31091
Day Room Program, mental orientation & physical comfort, nursing home residents, 31683
deinstitutionalization, activity patterns & skills, severely/profoundly mentally retarded & multiply handicapped adults, 31638
discussion- vs behaviorally-oriented safety training manuals, home safety & survival skills, 8–10 yr old latch key children, 7181
drug information &/vs side-effect management techniques, chemotherapy knowledge & self care behaviors, cancer patients in chemotherapy, 10342
early life experiences, composites of strategic behavior to address problematic & cognitive aspects of daily grocery shopping tasks, mildly & borderline mentally retarded adults, 31089
ecological model for detection & management of mobility problems, elderly, 28555
editions of Vineland Adaptive Behavior Scales, assessment & educational program planning for self help & social skills, mentally retarded 7.8 & 8.3 & 11.3 yr olds, 32129
effectiveness of training program with ecological inventory approach & teaching methods & data-based instruction, skill acquisition, 16–21 yr old trainable & severely mentally retarded, 5335
evaluation of community-based residences & acquisition of independent living skills, mentally handicapped adults living in hostels vs hospitals vs home, 7600
evaluation of strategy to encourage staff to help residents use self help skills, male mentally handicapped 27–66 yr olds, 31699
functional status self ratings vs rating by significant other vs nurse, 65–92 yr olds, 25914
generalization of adaptive coping behavior skills to home & school environment, mildly & severely mentally retarded 11–20 yr olds in self contained special school, 2493
group instruction, sight word recognition & acquisition & generalization of daily living skills using general instruction booklet, moderately retarded adults, 4982
health promotion & independent living programs, chronically ill & disabled, conference presentation, 26354
independent living skills training program, multiply handicapped adults, 23008
issues in acquisition & maintenance & generalization of fire reaction skills, developmentally disabled persons, literature review, 12832
life skills training, autistic 22–40 yr olds living in community group homes, 28880
peer training by 4th graders, school cafeteria skills, severely retarded 8.8–11.8 yr old students, 23847
research interests & methodological issues of self help research, severely/profoundly mentally retarded, literature review of studies published 1964–82, 28951
room management techniques, increased participation in activities & skill development & staff-trainee interaction, mentally handicapped adult trainees, 7702
scores on mental status tests & self care scale, patients with mean age of 87 yrs in long term care institution, 7692
self care model for gerontological nursing, promotion of independent functioning, elderly, 12696
self care programs, elderly, US, 4882
skills training within own staffed apartment vs adult center, community living skills, moderately retarded Ss with mean age of 31 yrs, 12846
stressful conditions & work experiences & social activity, situational anxiety and performance on observational task, mildly mentally retarded adults, implications for understanding emotional life & competence of retarded adults, 31088
training for continence, severely disabled 4–16 yr olds, 7379
training method of N. H. Azrin et al, dressing skills, profoundly mentally retarded 27–50 yr olds, experimental replication, 10503
training package, teaching of menstrual care skills, 28–44 yr old mildly & severely mentally retarded females, 18073
transfer of training in domestic skills from training site to home, moderately to severely retarded 9–11 yr olds, 23565
use of adaptive shopping list, supermarket shopping skills, moderately to severely retarded males, 23557
use of "Safe at Home" game, training in prevention & safety skills, 8–9 yr olds occasionally without parental supervision, 26544
verbal & visual prompts & reinforcement & rehearsal, telephone answering skills, mentally retarded 17–45 yr olds, 26364
1-wk social skills training course, personal care & mobility skills, physically disabled 13–16 yr olds, 2184

Self Concept [See Also Self Esteem]

academic achievement & self concept & creativity & teacher expectations, American Indian 3rd & 4th graders, Canada, 26575
academic achievement, social status & self esteem, high school seniors, 5299
academic self concept & intelligence & school performance & emotional status, male vs female 9 yr olds, 6228
academic self concept & personal adjustment, 14–17 yr old high school students placed in work experience classes due to learning disabilities or mental retardation or behavioral or emotional problems or physical handicaps, 32144
academic self concept & projected academic achievement & locus of control, Maori vs Pakeha students with mean age of 11.2 yrs, New Zealand, criticism of P. Ranby's article, 8005
academic self concept, undergraduate vs graduate special education vs non-special education majors, 31974
achievement & SES, self concept vs perceptions of parental expectations vs family attitudes, learning disabled 7–13 yr old students, 2537
age & sex & cross cultural differences, self concept & self esteem & attitudes toward bodily physical attractiveness & effectiveness, 7th graders through college students, Japan vs US, 6379
age & sex, factor structure of self concept as measured by self description questionnaire, 2nd–5th graders, support of R. J. Shavelson's model, 9311
age, causal attributions & failure expectations & effects on intelligence test performance, 18–28 vs 60–84 yr old females, 22293
age, unity & differentiation & centrality of self & adaptation, 21–34 vs 35–64 vs 65–82 yr olds, 9296
age vs order of concave/convex vs initial distortion of mirror, self identity, male vs female 11–15 yr olds, 17075
analytically oriented art therapy, 29 yr old male with restrictive ego ideal, 17876
anatomical Rorschach responses, morbidly obese vs Koch patients vs Ss with colostomy vs ileostomy, 12360
animas, fathers & sons, reply to criticism by R. Gordon, 13430
anxiety & dissatisfaction in self concept, epileptic vs learning disabled 8–14 yr olds, 1695
artwork & drawings in therapeutic communication, self concept before & during & after psychiatric hospitalization, 9–12 yr olds, 2164
assessment of self concept & body image using semantic differential bipolar scales, 12–61 yr olds, implications for psychiatric nursing, 12050
athletic participation, self image differences, male vs female 9th & 10th vs 11th & 12th graders, 11796
attitudes toward self vs foreigners, college students, Colombia vs Venezuela, 1973 vs 1980, 30606
attitudes toward sexual expression & sex role attitudes & occupation & religion & politics, identity status & cognitive complexity, male college students, 3737
autobiographical account of loss of self & subsequent acceptance & emotional rehabilitation, severely disabled female with head injury, 14916
axiological maturity as link between valuing aspects of competence & value system content & fulfillment & reflected in identity status, college students, 4082
behavioral characteristics & self concept, American Indian vs Caucasian 4–5.9 yr olds, 964
biopsychosocial model of skin color, self identity, 12059

birth order & time of measurement, academic self concept, female vs male 1st–12th graders, 13103
birth order, self concept, 10th graders, 6361
body & self image, psychopathology, adolescents, 17062
body image consciousness, face recognition, college students, 20121
body self concept, 25–59 yr old social nudists vs nonnudists, 25478
Capon perceptual motor lesson plans, perceptual motor ability & self concept & academic readiness, kindergartners, 5237
career decidedness & psychosocial development, college students, 9341
causal model approach to symbolic interactionist view of self concept, married couples aged 19–91 yrs, 20157
change in instructional effectiveness generated by mastery learning strategies, responsibility for student achievement & affect toward teaching & teaching self concept, intermediate & high school teachers, 7870
changes in self image during early adolescence, 6th–8th graders, 3-yr longitudinal study, 9251
changes in self perception, psychotic 8–12 yr olds with identity problems, 3-yr study, 1440
changes within vs without nuclear family, identity formation & crisis, adolescents, 9337
childrearing taboo of nonexposure to mirrors & development & self image & intellectual development, infants, Nigeria, 27738
Chinese translation of Offer Self-Image Questionnaire for Adolescents, male vs female 9th graders vs adolescent factory workers, Taiwan, 24303
clinical & Eastern philosophical viewpoints on process of growing beyond limited view of self, 15194
clinical model based on cognitive developmental stages of social perspective-taking by R. Enright & S. Deist, enhancement of adolescent ego identity, college students, 14151
cognitive theory, restructuring of students' negative personal axioms, teachers, 29220
college experience & rate of skill development & variation in sources of influence, perception of academic skill development, college students, 18666
college experience, personal growth & development & self concept, disabled college students, 23798
combined music & movement & art therapy, body awareness & self concept & self acceptance, emotionally handicapped 6–8 yr olds, 10036
commitment to self vs ego, psychotherapy patients, 20712
communication & interpersonal skills program, self concept, Christian college students, 10722
concept of self in Christian psychology, 17134
conceptions of ability & affects in task- vs ego-involving situations, high school & college students, 9294
conceptual & methodological problems, concept of identity, female medical-psychological aides, 18433
conclusion of compulsory education, self image, 11 vs 13 yr olds, Italy, 30555
confirming factor analysis, self concept measured by Self Description Questionnaire, 2nd–5th graders, 21802
consciousness & pre-reflection in infancy, development of self & autonomy, 9325
construct & concurrent validity of Dimensions of Self-Concept-Form H vs Total Score of Academic Self-Concept Scale, measurement of academic self concept, Hispanic community college students, 13187
construct validity of Exploratory Piers-Harris Academic Self-Concept Scale, measurement of academic self concept, community college students, 13188
construct validity of general & academic self concept, literature review, 23883
construct validity of Self Description Questionnaire III, multidimensional self concept assessment, college students & female 11th graders, 10877
construct validity of Tennessee Self Concept Scale, 18–65 yr old offenders & college students, 19103
constructibility & associability of internal cues composed of personal experiences vs names of body parts, recall in self reference task, college students, 3095
continued familial conflict, adjustment & self concept & self esteem & anxiety, adolescents from divorced families, 3748
counselor sex & reputed expertise & client self concept, perceptions of counselor, college students, 7616
culture & self concept, aesthetic appreciation, implications for education, 6471
daily parental tutoring, achievement in reading/language arts & mathematics & student attitudes toward reading & self concept & motivation & parental attitudes toward school, 1st vs 2nd graders & their parents, 5252
death anxiety & introspection & search for identity in myths & legends, 28090
definition of animas, fathers & sons, criticism of J. Beebe's article, 13442
desirability of self rating on trait, prediction of information processing during perception of others, college students, 12022
development & structuralization & functioning of self, India vs Japan vs US, implications for psychoanalysis, 30536
development & validity of Self-Image Questionnaire for Young Adolescents, 6th graders, 24284
development of Child's Health Self-Concept Scale, measurement of collection of health perceptions & behaviors, 5–13 yr olds, 16328
development of ego identity through intergroup tensions, minority national group, 25262
development of scaling system to measure self representation & object relationships on Rorschach, nonpsychotic mentally disturbed adolescents vs 2 groups of somatic patients, 11179
development of Superiority & Goal Instability scales, assessment of H. Kohut's constructs of self, college students, 16362
developmental stages of identity formation, psychotherapists, 29026
dichotomous thought processes of concrete operational stage as basis for classroom behavior & student's self concept & teacher-student interactions, 29333
dimensions of classroom & family environment, scholastic achievement & self concept & satisfaction, 7th & 8th graders, 10787
discrepancies between real vs self-ideal level of temperament & orientation dimensions, male vs female adolescents, 17070
discrimination among ideal ego vs ego ideal vs superego, implications for ego development, 11033
dreams, identity formation & adult development, female psychotherapists, 10573
educational therapy, self image, functionally illiterate 40 yr old male, 29400
ego activity & self representation, psychotherapy, psychotic patients, conference presentation, 4642
ego identity, temporal perspective, male college students, 28104
Embedded Figures Test & self concept, male vs female 4th–6th graders, 976
essentialist vs constructionist views of sexual identity, implications for therapy, 23090
ethnic identity & SES & self concept, academic performance, Mexican American vs Anglo-American 8th graders, 29298
extracurricular programs, self concept changes, gifted White 8–12 yr olds, South Africa, 29383
factor structure & reliability of Perceived Competence Scale for Children & scales of motivational orientation & school concerns, educable mentally retarded 9–12 yr olds in segregated vs mainstreamed classes, 21507
factorial dimensions using Tennessee Self-Concept Scale, community residents with mean age of 79.6 yrs, 9283
family SES & ability grouping, self concept & academic achievement, 6th graders, criticism of C. C. Kulik & J. A. Kulik's study, 29325
family structure, attitudes & self concept, male adolescents, 6394
family therapy, identity & marital problems, 31–50 yr old cross cultural couples, 1892
father's anima, son's anima development, 13431
fear of success & sex role identity & masculinity, male vs female college students, 14543
feedback on congruence between one's personality & self definition & interpersonal cues to prompt self descriptions in conflict with self definitional needs, self description, college students, 20142
female identity problems, 3605
formation of one's own & extraneous body images & development of self concept & human relationships, clinical implications, 22402
forms of primary identifications & association with psychic space, 2 yr old male, 17009

generalizability & specificity of self schemata, males vs females, 17042
Gestalt group therapy sessions, self concept, 25–35 yr olds, 1917
Gifted Students Institute summer program, self concept, gifted, 10–14 yr old middle school students, 29363
group counseling, poor peer relations & classroom behavior problems & limited self concept & attitude toward school & withdrawal, 6th graders, 15912
group counseling, self concept & locus of control, 8–11 yr olds with learning disabilities, 15219
group therapy, trust & self concept & anger expression, females who had sexual involvement with former therapists, 20823
healing imagery & self in women's serious fiction vs popular romance, 30358
health beliefs & self concept & self efficacy, prediction of compliance with acne medication, college students, 26163
holistic vs behavioral group psychotherapy, weight loss & personality & self concept, moderately vs substantially overweight 18–65 yr old females, 7344
home environment & self concept & academic achievement, 14–15 yr olds, South Korea, test of 4 structural equation models, 15818
hospitalization & treatment with human calcitonin & art therapy, self image & physical well-being, 7 yr old male & his 5 yr old sister with chronic familial hyperphosphatasemia, 15088
human figure drawings, measurement of self concept development, kindergarten through 3rd graders in bilingual education program, 5384
identity formation & crisis in development of sense of self, adopted adolescents, 30508
identity status & crises & commitment, male vs female college students, 2472
imagination & unifying confrontation with time in life experiences of past vs present vs future, self concept, 26902
importance & process of self renewal, 20147
importance of religious ethnic & political social identities, Protestants vs Catholics with mean age of 16.6 yrs, Northern Ireland, 13986
impression point & synthesis of symbol & self, 30867
inservice program on gifted education, perception of competence, elementary & junior high school teachers, 10659
interrogative suggestibility & memory recall & self esteem, 19–32 yr olds, 9566
investment in clinical hypothesis & consistency with self schema, confirmatory bias in hypothesis testing strategy, 22–55 yr old counselors & counseling students, 7840
ITGAR program of parents teaching their own children, self concept & family & school relations & free-time activities & husband's view of wife, low SES mothers from Afro-Asian countries, Israel, 2385
language, social identity, handicapped, 25860
level of identity formation in religious ideology & occupational decision & overall ego, female college students, 32103
level of self acceptance, enthusiasm for school & acceptance/understanding of school, Black inner city 9th graders, 29312
making & breaking lies in pastoral care in modern mass schooling, high school students & teachers, 10893
management of personal identity in group home, elderly, Norway, 23491
marital role & self concept, depressed mood of wives, couples with wives less than 45 to over 60 yrs with 6–18 yr old children, 30989
mastery context, achievement & effort & perceived ability, college students, 21303
mathematics achievement & self perceptions of ability, children tested at Grades 2 vs 5 vs 10, longitudinal study, 10759
measurement of self concept & attitudes toward school & academic performance, 13195
methodological inconsistencies in research on identity status, 2834
mirthful self image of condensation, myth & psychology & philosophy, 30865
model of individuation, family relationships & adolescent identity exploration, 2-parent families with adolescent children, 22372
model of social & personal identity, 16–20 yr olds, implications for social identification theory of H. Tajfel & J. C. Turner, 30772
moral judgment & role taking & cognitive processes & self concept, 10–11 vs 14–15 yr old delinquents & nondelinquents, 4304
morality & self interest & justification for being moral, 8328
mother child relations, development of body image of maternal object vs self, 27884
music participation program, life satisfaction & music attitudes & self concept & quality of life, 60–95 yr old nursing home residents, 10492
music therapy, promotion of social interaction & self worth & assertive behavior, senior citizens, 15408
nature of self & psychological basis for mirror self, 9541
need for definition of homosexual identity, 6567
need for social approval & self concept, 14–22 yr old juvenile delinquents vs nondelinquents, 6906
new instruments for assessing self concept & self esteem during personality evaluations, 3–12 yr olds, literature review, 19068
origin & treatment methods, impostor phenomenon, psychotherapy clients, 31379
patterns of inner dialog which perpetuate self blame & replacement with self affirming dialogs, 1289
patterns of self concept conducive to delinquent behavior, junior & senior high school students, 25683
peer counseling training, personal growth, elderly students, 31849
perceived ability to learn & interest in further education, 65–96 yr old nursing home residents, 904
perceived competence & length of involvement in interscholastic sports, female vs male 12–18 yr old participants vs dropouts, 18641
perception of degree of affection, self concept, adolescents in monogamous vs polygamous families, Nigeria, 30533
perception of parental criticism of criticizable behaviors & self image, high school students, 25194
perceptions of equity/inequity, self concept & marital adjustment, 19–91 yr old married couples, investigation of interactionist model of reflective self, 3837
perceptions of family stress & personal problems & self concept, learning disabled college students, 17691
person perception & affirmation of personal identity, college students, 17335
personal concerns, ego identity status, college students with mean age of 20.5 yrs, 3738
personality & attitudes of real vs ideal self, adolescents, 25218
physical fitness training program, self concept & tension & depression, 19–35 yr olds, 20843
physical objects, self identification, comments on theory of G. H. Mead, 5505
placement in segregated enrichment programs, self concept, gifted 4th graders with higher vs lower IQ, 18678
political & cultural context of name change, adult male, Cameroon, 11845
predictive model of deviant behavior incorporating measures of deviance & parental education & independent variables including self derogation, junior high school students, 3-yr followup, 9779
predictive validity of Dimensions of Self Concept subscales, measurement of academic self concept, junior high school students, longitudinal study, 29408
predictive validity of subscales of Form S of Dimensions of Self-Concept, 7th graders, 5368
preteaching experience, promotion of self concept & constructive teaching attitudes, teachers, 5192
private vs audience expectancies of success, performance on anagram task, female vs male college students, 27185
profound orthopedic deformity, evolution of transsexualism, 28 yr old male, 7082
psychoanalysis, issues of identity & emotional adjustment, adopted children, 12482
psychoanalytical constructs of developmental profiles of self concept, psychotic 1–5 yr olds in daycare hospital, 10 yr longitudinal study, conference presentation, 6812
psychological & Zen Buddhist perspectives on development of sense of self during psychotherapy, anorexic patient, 15115
psychological status, male heterosexuals vs transvestites vs pre- vs post-operative transsexuals, 25612
psychometric properties of Body-Cathexis Scale, 14–22 yr olds, 24193
psychosocial variables, occupational aspirations & expectations, rural White vs Black 10th graders, implications for vocational training, 997

psychotherapy, self image, neurotic male 16–18 yr olds, 17942
public vs private self image & personality correlates of high public self consciousness, female college students, 9573
quality of diabetic control & personality & self image & diabetes knowledge & maternal educational style, male vs female 9–17 yr olds with diabetes mellitus, 17703
real & imagined places, concept & expression of personal & situated identities, 30354
recent psychoanalytic theory vs early symbolic interactionism, self differentiation, implications for clinical social work, 12074
reflected self-image in video therapy, drug addicts, 7739
reliability of Constantinople's Inventory of Personality Development, measurement of identity, college students, 2907
response styles in assessment of self concept, mentally retarded 23–50 yr olds, 28380
risk factors & education & value orientation & self concept & moral judgment, juvenile delinquents & their families, 31067
role of locomotion in development of sense of identity, adolescents & children, 27862
school ability & achievement, self concept, educable mentally handicapped & learning disabled & achieving & academically gifted 9–12 yr olds, 1589
school climate & discipline & student achievement & self concept & parental attitudes, 4th & 6th & 8th graders of fundamental vs regular schools, 26624
scores on selected Tennessee Self-concept scales, female vs male college students, 25449
self- vs professional-image in evaluation & potency & activity, psychiatrists vs internists, 26420
self acceptance & self concept, 9.6–18 yr olds with asthma & cystic fibrosis & emotional difficulties, 1337
self analytic seminar, sex role stereotypes & interactions & self images, male & female college students, 15237
self appraisal, academic performance, male high school students, 3-yr longitudinal study, 15806
self attribution & self concept & academic achievement, 5th graders, Australia, replication of study by H. W. Marsh & colleagues, 15814
self concept & age & disability & institutional residency, residents of VA medical center, 18308
self concept & body image, overweight female adolescents, literature review, 7063
self concept & gender role perceptions, attitudes & achievement in science, 7th–8th graders, 2-yr longitudinal study, 21378
self concept & locus of control, classroom behavior, students, 15843
self concept & others' ratings of facial appearance, self perception of facial attractiveness, White college students, 9560
self concept & perception of physical & social & cultural aspects of new vs old environment, 14–18 yr old migrants returned from US, Puerto Rico, 19913
self concept & preconceptions, information seeking & impression formation, female college student dyads, 22612
self concept & school achievement & maternal self esteem & sensory integration abilities, learning disabled 7–12 yr olds, 1594
self concept & self control & health locus of control & reinforcement hierarchy & activities, obese vs previously obese Ss, 12361
self concept & SES & popularity & sex, alienation, 16 yr olds, India, 11824
self concept & social support & psychological distress, 28–58 yr old females who underwent biopsy for suspected cancer, 3-mo followup, 4450
self concept &/or locus of control as identifiers of giftedness, 2nd–5th graders, 18742
self concept, academic achievement & choice of seating position in classroom, male vs female 4th graders from lower vs middle class, 2487
self concept, coping behavior, 12–18 yr old females with treatable idiopathic scoliosis, 12323
self concept enhancement & other necessities for instruction, migrant handicapped children, 2534
self concept, low income males vs females initially in 5th–6th graders, 9-yr followup study, 17010
self concept, obese vs normal weight 3rd–8th graders, 15010
Self Concept of Ability Scale & Self Perception of Attainment Scale, prediction of reading achievement, 8th graders, 29404
self concept, school readiness, 4–6 yr olds, 6385
self concept scores, White vs Black female alcoholics & drug addicts with mean ages of 26 & 30 yrs, 6898
self concept stability & self esteem, transient depersonalization, 3rd–12th graders, 9276
self concept, vocational choice, male vs female high school graduates, South Africa, 8168
self concept, vocational development & counseling, 32224
self-descriptiveness vs other-descriptiveness ratings for trait adjectives representing 3 levels of likability, college students vs elderly, 4027
self-ego identity problems, marriage & family relationships, females admitted to psychiatric hospital, 22744
self esteem & vulnerability to criticism & tendency to fantasize, private self consciousness & social anxiety, 12–19 yr olds, 27840
self handicapping strategy & goal choice & self image, male college students, 30847
self image & body image & moral & ethical self & family self concept, rural juvenile delinquents, 4309
self image & police responses to wife beating, battered wives, 12230
self image, emotionally disturbed vs depressed vs conduct disordered vs eating disordered vs psychotic 12–19 yr olds, 9590
self image model for prison reform, adjustment, prisoners 16 yrs old & older, 18333
self image, professional adaptation, student pilots, 16004
self image, 13–19 yr olds, 9319
self perception & preferred type of housing, college students, 20122
self psychology perspective, 32 yr old female with panic attacks & hypochondriasis bordering on agoraphobia, 20253
self vs ideal descriptions of Physician's Assistant & sex role stereotypes, 1st & 2nd yr & graduating Physician's Assistants, 18427
sense of personal identity & early experience of security & knowledge of own background, confidence & security, adoptees & Ss who grew up in foster homes & were in early or mid-20s, 11839
sentiment model, structure of fulfillment sentiment, adolescents, Japan, 11828
SES & special class placement & achievement expectations, self concept, mildly handicapped elementary school students with high vs low achievement in special vs mainstream classes, 13131
severe head injury, self concept, 17–34 yr old patients, 7-mo followup, 10014
sex role orientation, self concept & personality development, 6th–12th graders, 3759
short term career guidance program, career maturity & self concept levels, 17 yr old delinquent/disadvantaged males, 21558
sleep deprivation, thought content of self concept, 31–60 yr old depressed inpatients, 12176
small group work, enhancement of self concept, low-income Black male junior high school students, 18730
social & psychological factors in school selection & failure, students, 21367
social background & subjective meanings & self feelings & exchange processes, interaction between adult children & elderly parents, aged widows & widowers vs married persons, 1082
social class & sex & ethnicity, awareness & exploration of career possibilities, 13.9–15 yr olds, 30385
social discrimination & self concept & counseling, disabled females, 15430
social disorganization, incongruence between self & role, college students, India, 9565
social face in conflict & group values & relative status & social milieu, literature review, 25413
social identity & equity concerns, intergroup perceptions, psychiatric nurses & nursing students, partial support for social identity & strategic-response theories, 28055
social interaction with mother vs inhibition, self concept, infants at 12 & 16 & 20 mo of age, 1010
social skills training, locus of control & self concept & behavior, 12–17 yr old male delinquents, 23274
sociodemographic factors & self concept, 13–15 yr old female prostitute vs non-prostitute juvenile delinquents, 28298
somatic development, self concept & emotional health, adolescents, 17079
somatic understanding of "self", comments on article by L. Geller, 9540

special reading time with Spanish materials, reading abilities & attitudes & self concept, Hispanic junior high school students, 32036
statistical correlation of Tennessee Self Concept Scale vs Rosenberg Self Esteem Scale, college students, 224
stress & locus of control, concept of self, blue-collar workers, 25439
structural properties of "self concept", usefulness in research & theory, comments on L. S. Gottfredson's circumscription/compromise theory of career development, 14577
structural vs relational aspects of "self concept", reply to comments of R. G. Pryor, 14559
structure & significance of body concept, adult self concept, male vs female physical education students, 14571
structure of self concept, 56–95 yr olds vs students vs trainees vs adults, 27835
student or beginning teaching experience, self concept & attitude change, teachers, literature review & meta analysis, 23703
study skills & self concept, prediction of academic achievement, college students, 5278
suggestions from "hero" during brief hypnotic treatment, ego & identity & reality problems, 5–12 yr old males with encopresis &/or enuresis &/or hyperkinesis &/or other disorders, 31568
survival skills training with vs without solo camping, self concept & parentally rated behavior, male 14–18 yr olds, 11802
talent show & music therapy, self concept & endurance & orderliness, members of senior adult activity center, 10378
therapeutic recreation, self concept, learning disabled 6–16 yr olds, 28600
trait anxiety & self concept & locus of control & repression-sensitization & depression, social anxiety, college students & homosexuals, 1307
type of disorder & SES & race & sex & IQ, self concept, emotionally disturbed 5.3–12.8 yr olds entering day psychiatric treatment, 22798
types of self image & patterns of reaction in emotional development, gifted children, 30535
use of discovery & creation metaphors as means of understanding identity formation, adolescents, implications for use in counseling clients with identity problems, 27887
use of prescribed medication & establishment of self identity, 10245
use of stage makeup as evidence of psychological development, 14 yr old psychotic male, 4548
use of superego & ego ideal & ideal ego, understanding psychopathological structures in treatment, analysts, 12529
usefulness of attribution theory in understanding descriptions of behavior, aged residents of long-term care facility, 1251
validity of D. Lawrence's self esteem questionnaire, anxiety & academic self image & achievement & ability, 10–11 yr olds, 32183
validity of hypothetical personality trait of health care & self sentiment measure & psychoticism, heroin addicts vs alcoholics, 20407
validity of Objective Measure of Ego Identity Status, predictive relation between ego identity status & conformity behavior & personality, college students, replication of study by N. Toder & J. Marcia, 14532
value images of smokers vs nonsmokers & terminal vs instrumental value systems, recent high school graduates vs junior high school students, 17050
views of K. Horney on ego & guilt & self idealization, conference presentation, 16204
vocational evaluation, change in self concept & vocational maturity & goal setting behavior, 18–53 yr olds with emotional & neurological & orthopedic problems, 15529
vocational maturity & self concepts & identity, high school students, implication for guidance & counseling, 2469

Self Confidence [See Self Esteem]

Self Congruence

developmental processes of psychic organization & self congruence, cohesiveness of analytic forms of group therapy, 28690
nature of self & psychological basis for mirror self, 9541
social disorganization, incongruence between self & role, college students, India, 9565

Self Consciousness [See Self Perception]

Self Control

age & short form WISC-R scores & ego development, activity level & self control, males in grades 1–5, 11842
alternatives to manipulative management for helping children develop self control during transitions, early childhood educators, 18553
approaches to question of will, Freud vs H. S. Sullivan vs J. P. Sartre, 13461
arousal level & visual stimulus content, control of penile tumescence, incarcerated rapists, implications for deception in assessment of sexual arousal, 22840
behavior analysis of meaning of self control in psychological research, 16220
behavioral & self-instructional approach, verbal self-regulation, children with behavior problems, 18046
behavioral control & cognitive revolution, 20869
capacity & belief in & motivation & purpose of control, 20161
clinical hypnosis, volitional vs nonvolitional disorders, 7502
construct of restraint, obesity vs bulimia, female college students, 23028
construction of Restrained Drinking Scale & test of abstinence violation hypothesis, male college students & 21–47 yr old male alcohol users, 29766
control vs self efficacy theory, persistence, college students, 12065
covert conditioning & self control, 20839
creative dramatic experiences, learning physical & character control, children, 29186
deliberate alteration of visual perception task, visual evoked potential, 21–40 yr old normal Ss, 19526
development of deviant identity & process by which change was effected in eating behaviors, successful members of self help weight control group, 23121
development of social cooperation & self control & compliance in relation to childrearing style & infant-mother attachments & compliance to adults, children, 22374
developmental stages of impulse management, students, implications for intervention with behavior disordered children, 21433
discipline & increase of self control, preschool age children, 25215
dysphoric vs nondysphoric mood, food consumption, female college students identified as restrained vs unrestrained eaters, test of restraint theory's disinhibition hypothesis, 13840
group progressive relaxation training vs individual EMG biofeedback training, academic achievement & self control, hyperactive 3rd–5th graders, 31449
happy vs neutral mood with vs without instruction that excessive self gratification is wrong, self indulgent vs self denial response to reward, 4–5 vs 8–9 yr olds, 19914
high vs low score on Self Control Schedule, response to nortriptyline vs cognitive therapy, 18–60 yr old depressed outpatients, 15176
labels regarding patience & tester expectations, self control, 3 & 4 yr old preschoolers, 9128
level of affect induced by somatic vs self evaluation statements, self regulation during high vs low mastery math test, female college students, 19286
locus of control & biofeedback instruction vs creation of own control strategy, magnitude of voluntary acceleration vs deceleration of heart rate, adults, 633
low vs high feedback sensitivity, skin temperature control & autonomic arousal, college students, 30134
methylphenidate, attention & behavioral functioning, 9.1–12.1 yr old males with attention deficit disorder, 26148
multidisciplinary program involving self control techniques & education & group therapy & medical exams & pharmacological support, smoking cessation, smokers, 12866
noncontingent success vs failure vs no feedback, learned helplessness, college students with high vs low resourcefulness in self control skills, 16483
object relations & compulsion control, 16191
performance expectations & personal control in task, self esteem & negative mood, male college students, 421
picture cues & self monitoring techniques, job independence, severely & moderately retarded 18–21 yr old male vocational students, 23574

procedure for training self control with provision for responding during reinforcement delay, pigeons, conference presentation, 3189
programs, compliance & self control & discipline, young children, implications for daycare, 29319
prosocial attitude & behavioral self control training, attitude & behavior change, criminal offenders in minimum security institution, 3-yr followup, 28978
relaxation & assertive training, self control, 23–57 yr old psychiatric patients, 10218
restraint of eating, perception of sweetness intensity & pleasantness, 20–45 yr old females, 21824
self concept & self control & health locus of control & reinforcement hierarchy & activities, obese vs previously obese Ss, 12361
self control & control by others, 20164
self control & rational emotive therapy, 20848
self control, anorectic vs obese females with mean age of 27 yrs, 1748
self control procedures, treatment of behavior disorders, hearing impaired 17 yr old female, 1962
self control techniques & relaxation therapy & biofeedback, reduction of stress associated with cardiovascular arousal, 28720
self control therapy, changes in symptoms of depression over 10-wk period, 22–60 yr old females, 15261
self control therapy, depression, 20877
self management therapy, depression, conference presentation, literature review, 28728
self-regulation of expressive behavior, 1st vs 3rd vs 5th graders, 9327
self reported awareness of cardiac activity, self control of heart rate, experimental replication, 649
systematic desensitization vs self control treatments, test anxiety reduction, test anxious college students, 10229
teacher proximity, modification of disruptive behavior, 10 yr old male, 21405
teaching of social skills, development & internalization of self controlled behavior, high risk students, 21432
Therapeutic Contract Program, development of cognitive coping & self control repertoires, psychiatric inpatients, 26314
therapeutic signs & sayings for teaching self control & prosocial behavior, emotionally disturbed students, 21423
Type A vs B behavior, need for control, male college students, 20163
willpower & beliefs, overcoming problems, college students, implications for treatment, 31301

Self Defense
legitimate vs nonlegitimate self defense in homicide cases involving breaking & entering, 19934
viability of defense in battered wife syndrome, females who murder their husbands, 22497

Self Destructive Behavior [See Also Attempted Suicide, Head Banging, Self Inflicted Wounds, Self Mutilation, Suicide]
client characteristics & change in hospital treatment plan & loss of social support, predisposition to violent self destructive & suicidal acts, psychiatric inpatients, 10488
clinical & epidemiological survey of attempted suicide & deliberate self harm, schizophrenic patients, Scotland, 31007
clinical ratings & personality profile, self directed violence & suicidal ideation, male acute schizophrenics, 22772
contracting acquired immune deficiency syndrome as means of committing suicide, homosexual alcoholic male with anxiety disorder, 22819
diagnosis & treatment strategies & antipsychotic drug therapy, suicidal & self destructive behaviors, 12631
differential reinforcement of incompatible behavior & verbal punishment & required relaxation & overcorrection, self injurious behavior, profoundly mentally retarded 19 & 17 yr olds, 31469
flexible arm splints, control of finger biting & sucking, 11 yr old nonambulatory male with Lesch-Nyhan disease & 38 yr old profoundly mentally retarded male, 28708
guidelines for treatment & management of self injurious behavior, developmentally disabled children, 23256
jogging exercise program, self injurious behavior & stereotyped mannerisms, severely mentally retarded 19–23 yr olds, 10204
life threatening & self destructive behavior & suicide, classification & systematization concepts of C. J. Frederick, 12277
motivation for self poisoning & factors affecting attendance for outpatient treatment, 8–17 yr olds, 17887
motivational hypotheses related to onset & maintenance of self injurious behavior, implications for enhancement of treatment success, literature review, 22810
noncontingent vs contingent positive practice, self injurious behavior, 15 yr old mentally retarded male, 31456
nonexclusionary time out, elimination of stereotyped behavior, 28 yr old profoundly mentally retarded & autistic male with aggressive & self injurious behavior, 20872
oral sodium chloride, treatment of hyponatremia resulting from self induced water intoxication, schizophrenic patients hospitalized for 15–30 yrs, 4 case reports, 28800
overcorrection & differential reinforcement followed by brief restitution, self injurious & self stimulatory behavior, severely mentally handicapped 6–14 yr olds, 7367
overcorrection, aerophagia, 19 & 22 yr old profoundly mentally retarded, 20857
prevalence of self destructive stereotyped behavior & other characteristics, institutionalized mentally retarded, implications for treatment, 28372
prevalence of self injurious behavior & O agreement, severely & profoundly institutionalized retarded adults, West Germany, 26342
primitive survival mechanisms as self destructive tendencies, 14550
psychiatric symptoms & family relationships, 8–17 yr old self poisoners, 17654
recognition & management, high risk & acutely self injurious behavior, elderly, 12235
repeated self harm with increasing intent & increasing intent for suicide, self harm patients, 22851
respondent conditioning, self injurious behavior, socially isolated monkeys, 24545
roots in unconscious attraction to world destruction, trends toward nuclear holocaust & attitudes, 11847
self destructive behavior as self stimulatory reinforcement, autistic & schizophrenic & mentally retarded individuals, 4095
self inflicted gunshot wound, 39 yr old male with perceptual delusional bicephaly, 17428
self injurious behavior, literature review, 20391
severe childhood discipline & family conflict, self destructive behavior, psychiatric inpatients, 17663
trazodone, self destructive behavior, 18 yr old female with borderline personality disorder, 12652
use of protective clothing, reduction of self injury & corresponding self restraint, blind & profoundly mentally retarded 13 yr old male, 18079

Self Directed Learning [See Individualized Instruction]

Self Disclosure
analysis of patient's secretiveness, 36 yr old male psychoanalytic patient who refused to divulge his name, 15183
androgyny & self disclosure, romantic attitudes toward love, male vs female college students, 1294
attributes of self disclosure & self reference, 14469
characteristics of crime & relationship to assailant, reporting of rape, female rape victims, 14840
client disclosure & session evaluations, 22–36 yr old clients & therapists, 10154
counselor's self disclosure, client's impression of counselor's empathy & competence & trustworthiness, college students, 25988
cultural paranoia that prevents disclosure to White therapists, Black psychotherapy clients, 26063
development of self disclosure questionnaire, assessment of disclosure about personal feelings & response to health care & lifestyle, 15–80 yr old patients, 11131
disclosure of disability before job interview, 30–52 yr old professionals & managers with visual or auditory or orthopedic disabilities, 16029
gender & SES & race, self disclosure in psychotherapy, adult Ss, 15165
high vs low anticipation of counselor self disclosure, rating of counselors, female college students with high vs low preferences for counselor disclosure, 18279

intimate vs nonintimate self disclosures to parents vs best friends, androgynous vs traditional vs undifferentiated male vs female college students, 17383
loneliness & self disclosure to peers and parents & antecedent variables, high school students, 19892
manifest anxiety & self disclosure, 17–18 yr old urban males from nuclear vs joint families, India, 11833
masculine vs feminine vs androgynous sex role orientation, behavioral self disclosure, college students, 28126
perceptions of counselors using positive vs negative self involving statements, college students, 31650
personality traits of high vs low disclosure recipients, male vs female college students, 14589
physical attractiveness vs need for intimacy vs self disclosure vs thoughts about dating partner, romantic love, college students, 20089
prerequisite conditions for disclosure of private information, female vs male college students, 25406
prestige of speaker & public self disclosure, perceived appropriateness of disclosure & speaker persuasiveness, college students, 30810
private self consciousness & perspective taking, self disclosure & satisfaction in close relationships, 17–32 yr old couples, 27983
puberty & changes in self disclosure to parents, adolescents, literature review, 25217
relationship & individual effects in dyads in groups, self disclosure & questions asked, graduate students, 20099
self disclosure & biofeedback situations, GSR & EKG responses, college students with good vs poor student-teacher relationships, 16684
self disclosure in friendships, male vs female White vs Mexican American adolescents, 3742
self disclosure in interpersonal relationships, emphasis on I. Altman's theories on privacy regulation, 1224
self disclosure, interpersonal attraction, 30789
self disclosure, RT, male vs female college students, 6666
self disclosure to clients in psychotherapy, psychotherapists, 26013
sentence completion method in cross cultural group counseling, group discussion & interaction, 18012
sex differences, self disclosure, postgraduate teacher trainees, 15699
similarity & actual levels of self-disclosure & self-disclosure flexibility, perceptions of interpersonal attraction & adjustment, college students, 4032
social networks & individual differences in extraversion & neuroticism & self disclosure, loneliness, college students, 20091
subliminal symbiotic stimulus, hypnotic susceptibility & disclosure with hypnotist & rapport, male college students, 5842
superficial exchanges in rapport building, self disclosure & verbal fluency & discomfort & intimacy, college students, 12009

Self Efficacy

achievement expectancies, depressed vs nondepressed Ss, 14705
assumptions regarding self efficacy & social skills, handicapped students, implications for effectiveness of mainstreaming, 10807
cognitions surrounding relapse episodes & effects of relapse on self efficacy, ex-smokers, 11988
cognitive ability, accuracy of self efficacy prediction, preoperational vs concrete vs formal operational thinkers with mean ages of 7.2 vs 10.1 vs 15.2 yrs, 14049
congruence of locus of control & problem solving task instructions, self efficacy, female college students, 426
construct validity, measurement of teacher efficacy & observable teaching behavior, elementary school teachers, 10856
construct validity of generalized self efficacy scale, assessment of self efficacy, college students, 8439
control vs self efficacy theory, persistence, college students, 12065
desensitization vs self efficacy treatment models, behavioral functioning, 22–68 yr old acrophobics, 23291
efficacy & outcome expectations, prediction of performance in snake-handling task, nonphobic college students, 13718
group self efficacy lessons with vs without intensive training, self confidence, 17 yr olds, 10192
health beliefs & self concept & self efficacy, prediction of compliance with acne medication, college students, 26163
interpersonal trust & sense of self efficacy & age & sex, TV viewing habits, 5th–8th graders, 9126
mathematical preparation & self efficacy, choice of mathematics, 15837
measurement of self efficacy, subsequent assertiveness, female college students in assertiveness training, 1957
metacognitive & cognitive & affective processes & skills, development of intrinsic motivational skills training program in education, 29219
nicotine fading & self monitoring & self instructional training & self efficacy manipulation, smoking & nicotine/tar intake, smokers, replication & extension of results of R. M. Foxx & R. A. Brown, 10542
observation of peer models learning cognitive skill, self efficacy & achievement, 8.5–10.8 yr olds with difficulties learning subtraction, 29291
perceived control in health care situations & physiological processes & illness, elderly nursing home & senior citizen housing residents, 4-stage model of coping & control, 7676
perceived self efficacy & attributions for success vs failure with TV vs printed material, investment of mental effort in learning, 6th graders, 10765
perceived self efficacy, subtraction task performance, learning disabled 14 yr old male, implications for teaching methods, 23858
perception of coping self efficacy, effects of environmental events on catecholamine secretion, 19–40 yr old female phobics, 25509
perceptions of self efficacy vs danger, prediction of phobic distress, adult acrophobics, implications for treatment, 20371
performance contingent rewards & goals, motivation & self efficacy & performance, 9–11 yr olds, 21332
performance feedback, self efficacy & attributions of achievement while learning novel mathematical task, male vs female 6th & 8th graders, 23813
predictions & attributions for performance on knowledge & abstract reasoning intelligence tests, college students vs elderly Ss, 19825
preexisting vs manipulated self efficacy, weight loss in self control program, 11–65 yr olds, 28125
primary intervention program in human sexuality, contraceptive self efficacy, adolescents of Latin-American origin at high risk of pregnancy, 12754
relationships between self efficacy & stress responses & cognitive feedback manipulation & anxiety & physiological arousal, female college students performing easy vs difficult task, 13835
self efficacy & demographic variables & tobacco & drug use & anxiety & health locus of control, decision to participate in smoking cessation program, smokers with mean age of 37 yrs, 12853
self efficacy & success-failure attributions & weight loss, 21–65 yr old overweight females in rehabilitation program, 6 wk & 6 mo followup, 21098
self efficacy, academic achievement, students, 21360
self efficacy before vs after smoking cessation treatment, smokers with mean age of 41 yrs, 2205
self efficacy, change in smoking behavior, current vs former smokers in various stages of self change, 26379
self efficacy, dropping out of treatment, obese participants in behavioral program, 15259
Self-Efficacy Scale for Adult Stutterers, measurement of self confidence in speaking situations, 18–44 yr old stutterers, 31120
self hypnosis, self efficacy & mourning & relaxation, 20 yr old female college student whose father died, 15351
self percepts of ability & their stability & antecedents & effects on psychological functioning & behavior in achievement situations, 17388
sequence of ability & effort attributional feedback, task motivation & attributions for success & self efficacy & skillful performance, elementary school students, 15788
success vs failure task feedback, self efficacy & task persistence, 9–14 yr olds with conduct disorders, 25650
Type A personality & self efficacy & performance goals & work on multiple projects, research productivity, college faculty, 10682

Self Esteem

ability grouping, academic achievement & self esteem, 4th graders, 2424
academic achievement, social status & self esteem, high school seniors, 5299

achievement orientation & self esteem & attitudes toward females & sex typing, educational achievement, 10th graders of different ethnic groups, Fiji, 27708
activities to enhance self esteem & influence affective development, learning disabled students, 23820
aerobic running alone vs with running facilitator, counseling technique, college students with low self esteem, 29448
age & sex & cross cultural differences, self concept & self esteem & attitudes toward bodily physical attractiveness & effectiveness, 7th graders through college students, Japan vs US, 6379
alcohol rehabilitation, changes in self regard & masculinity & femininity at 30 vs 90 days after intake, 20–62 yr old female alcoholics in halfway house, 18390
assertiveness training, self esteem, female adolescents, 4750
assessment of moral dimension of self esteem, implications for Christian counseling, 10446
assessment of self esteem & psychological androgyny, 23–81 yr old clergywomen, 22548
backpacking wilderness experience, self esteem & other benefits, 14–48 yr olds, 14565
beauty norms & role of media, body image & self esteem & development of eating disorders & other health problems, female adolescents, 11799
Black consciousness & self esteem, Black college students, 17379
body weight & courtship behavior & self esteem, White never-married college students, 9466
change & stability in self esteem, children at 9 & 14 yrs, longitudinal study, 22403
cigarette smoking, perceptions of health & self esteem & social contacts, severe cigarette smokers, implications for theory of subjective competence, 9475
comparison of instruments & methods for assessment of self esteem, 9th–10th graders, 26999
computer assisted instruction, reading & mathematics achievement & attitudes toward school & self esteem & locus of control, 4th & 5th graders, 29200
conservatism & authoritarianism & achievement motivation & self esteem & anxiety & attitudes toward Blacks & conformity, urban Afrikaners, South Africa, 6685
construct validity of chronic & situational self esteem measures, 17–52 yr old college students, 11171
construction of Behavior Rating Form-Revised, parent-report measure of children's self esteem, parents of 4–6 yr olds, 155
correlational analysis of Personal Description Questionnaire Forms A & B, self esteem, male vs female college students, Australia, 8381
counseling, self-esteem & educational achievement level, 10 yr olds, 32161
counselor & student level of self esteem, counseling outcome assessed by level of self esteem, 6th graders, 13230
course in study & written language skills, knowledge of study skills & written language proficiency & improved self concept, academically able 6th–9th graders performing below expectations, 2381
creativity training program, creativity & self esteem, 10–16 yr old mentally retarded students, Greece, 8087
current issues in measurement of self esteem, 13531
development of Self Esteem Inventory, high school students, India, 2951
discriminant validity of related constructs using Q-sort definitions of social competence & self esteem, 3–5 yr olds, 24306
dynamics of self esteem & delinquency, 7th & 9th & 11th graders, 14807
early child development program, relationship with infant, middle class 1st-time parents, 12575
emotive reconstructive therapy, problem behaviors & negative self constructs, artists, 1856
employment & prisonization & self esteem, postrelease adjustment & recidivism, ex-offenders, literature review, 4992
Engineering Individual Growth through Manipulative Associations program, reading comprehension & vocabulary & development of concepts & self confidence in regular & special education settings, 21331
environment & routine, self confidence & behavior dependent behavior patterns, institutionalized patients in day hospital setting, 26310
ethnicity, trait anxiety & self esteem & health locus of control & impact of illness, 10–21 yr old Hispanic vs White cancer patients, implications for use of behavioral intervention in cancer treatment, 28527
expectations & confidence & frustration levels, parents of intellectually handicapped children with mean age of 5.7 yrs, 31097
experience of being only White member of all Black basketball team, self esteem & peer relations, male high school student, 23795
experimenter expectancy effect, measurement of self esteem & communication on anxiety, test administrators, 24147
feedback sequence & rater expertise & locus of control & self esteem, perceived feedback accuracy in personnel evaluations, graduate students, 2639
focal behavioral psychotherapy, demoralization & acute narcissistic injury & moping behavior, 20696
framing of conflict vs negotiator overconfidence, bargaining behavior & outcomes, college students, 21588
frequency of classification in sex-role categories & androgyny & psychological adjustment, 17–59 yr old homosexual males vs lesbians vs heterosexual males vs females, Ireland, 14427
group art therapy, self esteem & social skills, psychiatric patients who completed aftercare art therapy sessions, 9-mo followup study, 28535
group counseling, development of Black consciousness & self respect, Black 3rd–6th graders, 32189
group counseling, interpersonal skills & self confidence, ridiculed children, 18023
group self efficacy lessons with vs without intensive training, self confidence, 17 yr olds, 10192
group vs individual identity salience of self evaluation dimensions, prediction of global self esteem, 7th & 9th & 11th graders, 983
health locus of control & self esteem & behaviors & intentions, 5th & 6th graders, 9095

impression management & consistency effects in processing of feedback, college students with high vs low self esteem, 20100
incorporation of Adlerian & Mertonian models to create theory of deviance, 22872
intelligence & academic achievement & behavior & self esteem, 8–11 yr old learning disabled vs mentally retarded vs reading disabled students, 4362
interpretation & image of social world & self esteem prior to vs after intermediate treatment group, 15–17 yr olds with behavioral problems, 15205
Involvement & Drivenness subscales of Jenkins Activity Survey, measurement of relation between self actualization & self esteem, college students, 13572
job knowledge & career development & self esteem & occupational choice & success, educationally subnormal 15.1–16 yr olds in special vs mainstream schools, 21417
length of unemployment & other factors, psychological impact of unemployment, 16–19 yr olds, 19878
living status & sex & year in college, self esteem & life change experience, college students, 26606
locus of control & family relationships & attitudes toward school & self esteem, academic success, 13 & 14 yr olds, Philippines, 2452
locus of control & self esteem & alienation, normal Ss with mean age of 25.6 yrs vs neurotics with mean age of 24.1 yrs, 4243
loss of relationship rewards & self esteem, depression & anxiety & anger, college students, support for G. L. White's theory of romantic jealousy, 28029
masculinity & femininity & self esteem & attitudes toward women, male vs female college students, Yugoslavia vs US, 12040
modified empirical index of adequate vs inadequate self esteem, 6699
motivation & self esteem & reduction of learned helplessness, discarded homemaker despair, female 27–47 yr olds, 2–11 yr followup, 9398
music group therapy, self awareness, nursing home patients, 10096
narcissistic vulnerability, development of depression, implications for clinical practice, 12183
new instruments for assessing self concept & self esteem during personality evaluations, 3–12 yr olds, literature review, 19068

organizational development, individual freedom & privacy & self esteem, 16112
parental influences through symbolic interaction vs social learning, self esteem, male vs female adolescents, 22389
paternal absence, self esteem, 8th graders, implications for psychiatric intervention, 14189
peer evaluation, self esteem & professional development, teachers, 29459
perception of supervisor's reward & coercive & expert power, degree of modeling, subordinates with high vs low self esteem, 5461
perceptions of own dependency & levels of self esteem, causal attributions & emotional reactions in imagined success vs failure situations, college students, 17359
predictive validity of Self Esteem Inventory, prediction of feelings & communication satisfaction toward parents, emotionally disturbed & learning disabled 11–14 yr olds, 26972
prescriptive vs personalized instruction programs, reading attitudes & self confidence, college students, 15745
presence of confidants & their characteristics, self esteem & life satisfaction & psychological well-being, married males aged 60 yrs & over, 13992
presentation of verbal &/vs nonverbal cues, semantic differential ratings of discrepancy between what is said vs how, freshmen state legislators, 11927
prevalence of depression, learning disabled 8–13 yr olds, 12310
previous task failure & self esteem & advice, persistence & performance, college students, 12079
racial identity level, self esteem, Black college students, test of W. E. Cross' model of positive shift, 32101
rating instructions & students' affect & self esteem & liking, primacy & recency effects in rank ordering of 4 lecture quality sequences, college students, 10899
reasons for higher education & perceptions of self & family support & employment expectations, female college students aged 50–81 yrs, 15839
regression through music therapy, self confidence & ability to cope with stress, 5 yr old with mild mental retardation, 10038
reliability & factorial composition of Kirton Adaption-Innovation Inventory, self esteem, adults, 27008
reliability of translated Self-Esteem Inventory, Puerto Rican Spanish speaking 15–18 yr olds, mainland US vs Puerto Rico, 2940
research on self-worth theory of achievement motivation, implications for classroom teaching & learning, literature review, 13095
response style, Black-White differences in self esteem, high school students, 14127
revalidation & reliability of Index of Self-Esteem, clients, 21739
rigidity & self esteem & attitudes about change to computer-based information systems, clerical & professional agency personnel, 26808
science class attitudes & image of teacher, science achievement & perceptions of science & self confidence & extracurricular activities, high school students, 23815
self concept & school achievement & maternal self esteem & sensory integration abilities, learning disabled 7–12 yr olds, 1594
self concept, asthmatic 8–15 yr olds vs emotionally disturbed 8–18 yr olds, 9943
self concept stability & self esteem, transient depersonalization, 3rd–12th graders, 9276
self confidence & achievement motivation & academic achievement, 20–24 yr old male graduate students, 7984
self confidence & heightened vs low level of self awareness & group similarity, polarization of opinions, college students, 12030
self confidence in regular classroom, mainstreamed 4th–10th form students, Denmark, 32135
self consistency vs self enhancement needs, reactions to performance evaluations on important examination, college students, 13109
self esteem & attributional style, depressed vs non-depressed 1st & 4th & 8th graders, 6796
self esteem & body esteem, overweight vs normal weight 8.5–17.4 yr olds, 14188
self esteem & composition of success vs failure explanations for task performance & stated expectations for future performance, college students, 22619
self esteem & locus of control & conservatism, male vs female college students, 25455
self esteem & sense of guilt & reactivity & neuroticism, anesthesiologists in intensive care vs internists in traditional hospital care, 5121
self esteem & success vs failure on anagram task, attributions about own vs other's performance, 14525
self esteem & value orientation, delinquent vs marginal delinquent vs nondelinquent 14–18 yr old males, 6960
self esteem & vulnerability to criticism & tendency to fantasize, private self consciousness & social anxiety, 12–19 yr olds, 27840
self esteem, college physics students in inductive vs deductive preservice teacher education course, 26616
self esteem, intellectual attribution of responsibility, students with mean age of 15 yrs, Philippines, 19928
self esteem, job complexity & satisfaction & performance, 15–22 yr old 1st–4th yr electrical apprentices, 11004
self focused attention, self esteem & locus of control, college students, 28120
self handicapping, practice effort & performance during meet, college swim team members, 2609
SES & race, self esteem & academic achievement & achievement orientation, Black vs White 5th graders, 8018
sex & age & type of school & emotional maturity, self confidence, high school students, India, 8041
sex differences, achievement-related motivation & confidence, college students, 23814
sexuality education, knowledge & attitudes & self esteem, 14–17 yr olds in juvenile detention, 10506
social role/identity, self esteem, adjudicated male delinquents in correctional facilities, 31752
stages of reaction to unemployment paralleling stages of death & dying proposed by E. Kubler-Ross, unemployed Ss, 26749
state-trait anxiety & stress associated with ego threat vs pain anticipation, early & late contingent negative variation during go/no-go task, right handed males, conference presentation, 19466
statistical correlation of Tennessee Self Concept Scale vs Rosenberg Self Esteem Scale, college students, 224
stress management training, locus of control & self confidence & Type A behavior, police officers, 28724
success vs failure on social sensitivity test & public vs private knowledge of result, compensatory self inflation response to threat to self regard, female college students, 30818
tenure of service & self esteem, job involvement, postgraduate teachers of secondary & higher secondary institutions, India, 2343
unemployment, self esteem & loneliness, 18–49 yr old females, 4051
usefulness of Inferred Self-Concept Scale vs Behavioral Academic Self-Esteem Scale, measurement of self esteem, preschoolers, 2570
utilization of Adlerian principles in songs for elementary emotional development program, understanding of misbehavior & development of self esteem, elementary school students, 7903
validity & internal consistency of short form of Coopersmith Self-Esteem Inventory, assessment of general self esteem, 13.4–15.8 yr old persistent secondary school nonattenders, 21467
validity of Personal Attributes Questionnaire & Texas Social Behavior Inventory, measurement of gender stereotypes & social self esteem, 15.4–17 yr olds, Great Britain, 13564
validity of suggestibility & self esteem measure, 11–16 yr old males at short-term juvenile treatment center, implications for police interrogation, 19064
videogame playing & watching violent TV programs & SES, aggression & self esteem, 10–11th graders, 3697
videogames, self esteem & affect, elderly residents of long term care facility, 26336
Women Mentor Project, development of self esteem & leadership abilities & career awareness, female elementary & middle & senior high school students, 29245

Self Evaluation

age & reading proficiency & type of standard, spontaneous vs instructed use of multiple standards for evaluation of comprehension, 9 vs 11 yr olds, 5270

alcohol, perception of negative interpersonal feedback & self evaluation & marital communication & problem solving abilities, 19–25 yr old male moderate drinkers & couples with 1 alcoholic spouse, 30229
assessment of severely psychiatrically disabled patients' functional skills, severely psychiatrically disabled patients themselves vs practitioners, 18341
behavior of mother, self evaluation & withdrawal & effects on task persistence, 3 yr olds, 9307
classroom factors, self evaluation, students, 23807
clinical evaluation of self from memory vs videotape vs evaluation by peers vs supervisors, graduate student speech-language clinicians, 26415
construction & reliability & validity of questionnaire for self evaluation of depressive symptomatology, patients, 24286
emotional feedback from others, self assessment of ability, teacher & students, 10791
encouraging self evaluation, use of mnemonic strategy, 5–6.8 vs 8.1–9.8 vs 10.9–11.9 yr olds, 3645
equity & distress & evaluation of self & partner's personality & level of agreement, 22–55 yr olds from continuing vs dissolved dyadic partnerships, 8226
faculty- vs self-assessment of clinical clerkship performance, medical students, South Africa, 31878
feedback-based self appraisal, agreement with supervisor ratings, lending institution & military personnel, 13288
inflation bias in self-assessment examinations, validity of employee selections, job applicants, 10924
level of social anxiety & self-other perspective, causal attributions, 17–50 yr old college students, 6696
levels of aspiration & causal attributions & self evaluation for mathematics test, 2nd vs 4th graders, 10764
molecular self analyses of stuttered speech through speech time expansion, 16–73 yr olds who stutter, 31117
need for self evaluation & time & stress management skills throughout professional education, medical students, 29061
patient's definition of problem & expectancy for treatment, prediction of initiation of therapy, adults seeking outpatient psychiatric treatment, 2096
personal energy & approach to self evaluation & feedback, potential for burnout, social workers, 21173
problem solving appraisal & career decision making, college students who appraised their problem solving skills as positive vs negative, 21555
problem solving self appraisal & depression & attributional style, college students, 14562
provision of definitions & difficulty & type of terms, prediction of individual differences in semantic consistency in self descriptions, 15–73 yr olds, 17371
recollected parental appraisal of S's communication, self appraisal of communication, college students, 1266
recollection of teacher's & peer's evaluations, self evaluation of communication in classroom, college students, 2482
reinforcement vs reinforced self evaluation with vs without methylphenidate, social behavior, hyperactive 8–13 yr old males, 4561
reproductive memory & materialistic vs idealistic concepts in self & peer evaluation, 11 & 14 yr olds, 25045
retrospection & life review, understanding of self, 9112
self administered Cancer Inventory of Problem Situations, assessment of type & severity of problems, cancer patients with mean age of 60 yrs, 151
self assessment of competence & skill in in- & outpatient treatment, 1st vs 2nd vs 3rd yr internal medicine residents vs medical school faculty members, 18428
self assessment of instructional competence, special education student teachers, 31973
self consciousness & initial feedback, seeking out vs avoidance of ability-diagnostic information, college students, 17365
self description & description by others, Giessen Test for couple diagnosis, 16298
self evaluation, medical students in 6-yr baccalaureate-MD degree program, longitudinal study, 31830
self evaluation of health, 40–55 yr old females, 17369
self evaluation of psychiatric practice, 21163
self instructional manual, self monitoring & self evaluation & self reinforcement in generalization & maintenance of interview skills, vocational rehabilitation counselors, 12897
self involvement & self attribution & Type A behavior, 22–62 yr old health care professionals, implications for self evaluative model, 4073
self perceived reading proficiency predictions, scores on essay vs free recall measures, self perceived high-proficiency vs low-proficiency 7th grade average readers, 7952
self vs expert assessment procedures, career decision making, college students, 5402
self vs other driving ratings & typology of rated driving, 20–62 yr olds, 21540
self vs student ratings of job performance, supervisors of students of communication disorders, 26454
sex & effect of perceived appraisals by teachers vs friends vs parents, self evaluation, high school students, 25196
sex of available helper, willingness to seek & receive help, male vs female & androgynous vs sex-typed college students high vs low in self evaluation, 14522
size of box to be lifted or target to be hit with ball, decision time & self evaluation of ability, preschool age children, 27812
study skills program, recall of initial skills evaluation & perceived improvement, college students, 13037
uncertainty orientation, cognitive information seeking for reduction of uncertainty, college students, 12090
use of lexical vs internal vs external consistency standards for evaluation of passage comprehension, 5 vs 7 vs 9 vs 11 yr olds, 9146
use of social comparison information for self evaluation, 2nd vs 5th graders, 25165
validation of Anamnestic Comparative Self-Assessment scale, assessment of subjective quality of life, 16–81 yr old patients with malignancies, 5597

Self Help Techniques [See Also Self Management]
assessment of self help groups, nurses, 4862
behavioral self help manual with minimal therapist contact, smoking cessation, employees, 26806
control of self help & self help groups by political institutions, West Germany, 17986
development & evaluation of self guided career exploration kit, college students, 32188
development & goals of self help network & followup service, veterans with impaired vision or complete blindness who had completed training at VA rehabilitation center, 31758
development of deviant identity & process by which change was effected in eating behaviors, successful members of self help weight control group, 23121
developmental progress of self help group, disabled, 17971
effectiveness of Self-Directed Job Search Materials Package, job search skills & confidence & motivation, high school & adult students' in occupational training classes, 15942
ethics of self help books with emphasis on transpersonal psychology, 2265
evaluation of behavioral marital bibliotherapy program, clinically distressed couples aged 22–35 yrs, 23190
evaluation of self help support groups, 21–33 yr old medical students, 7786
feminist therapy & self help & support groups, males & females, 23187
growth of self help groups & consumer movement & family as support network, families of mentally ill, 10386
historical & theoretical backgrounds & political context & empirical results, self help procedures, 17840
ideological approaches, Overeaters Anonymous vs Lose Extra Weight Sanely, 4577
nursing instructional program, self administration of breathing exercises & medication, asthmatic 2nd–4th graders, 18192
parent training program, enhancement of self help skills & reduction of behavior problems, 4.5 yr old female with spina bifida, 12836
participant observation techniques & group dynamics, self help groups, 17994
participation in self help group vs psychotherapy, adjustment to child loss, bereaved parents, 1-yr followup, 17891

prediction/assessment of adjustment & family therapy & self help groups, adjustment to resumption of work, midcareer 1st time mothers, 4681
professional vs self help behavioral weight control program at worksite, weight loss & attendance & cost effectiveness, 22–65 yr old workers, 21622
profile of self help/self advocacy groups for mentally retarded, surveyed consumer groups, US & Canada, 12742
psychodynamic vs cognitive behavioral vs self help approaches to group therapy for bulimia, implications for membership & time frame & leadership & contract & content & goals, 28674
psychological problems & community self help groups, adjustment, hearing impaired, 21103
role of self help groups, patients with anorexia nervosa or bulimia, 10412
role of social workers in self help groups, Ss with anorexia nervosa or bulimia, 10449
self control procedures, treatment of behavior disorders, hearing impaired 17 yr old female, 1962
self exposure instructions by telephone, severe agoraphobia, 29 yr old male, 1970
self healing strategies to compensate for basic disorders, 20–52 yr old schizophrenics in remission after acute episode, 7157
self help & user-controlled programs, ex-psychiatric patients, 23472
self help groups & participative management, involvement in occupational health & safety, industrial workers, 15996
self help groups & relations to social systems, 17999
self help groups, anorectic & bulimic Ss & family members, 20804
self help groups, child & adult siblings of mentally retarded, 26272
self help network & community-based youth center, diversion from delinquent activity, juveniles, 15413
self-help vs therapist assisted relaxation, migraine or muscle contraction or mixed headache, headache patients, 1-mo follow-up, 18087
self provided crisis intervention, stress, teachers, 10665
self support system in employment counseling, single parents, 2620
self tape recording & listening in self counseling, awareness, graduates in counseling, 2134
spiritual principles for stress management, recovery from alcoholism, 5065
standard couple therapy vs group therapy vs minimal contact bibliotherapy, secondary orgasmic dysfunction, couples married for 1–20 yrs, 25987
techniques for increasing patients' motivation & success in cigarette smoking cessation, physicians, 31807
techniques for self help groups to avoid failure, 7599
treatment & cost effectiveness of self help large-group therapy, alcoholic outpatients, paper presented at symposium "Alcoholism Treatment Through Systems Intervention", 2213
use of peer counseling, independent living programs, 31772
usefulness of multipurpose kitchen aid, persons with one hand, implications for rehabilitation, 31783
Self Image [See Self Concept]
Self Inflicted Wounds
behavior therapy, compulsive lip biting, 12 yr old male, 4732
bilateral iv administration of GABA agonist muscimol into caudal substantia nigra, induction of self injurious behavior, rats, 27555
causes & movements associated with self scratching injuries on face, newborn infants, 27736
characteristics & etiology & treatment of self injurious behavior, children with mental retardation & other disorders, literature review, 4098
developmental conflicts, "delicate self cutting" as suicidal gesture, hospitalized female adolescents, 4291
drawbacks of sensory extinction, treatment of self injurious behavior, 10 yr old retarded male with mild spastic quadriplegia, 12600
DRO treatment & prevention of escape, self injurious behavior maintained by reduction of medication & transfer to new facility, profoundly retarded 27 yr old male, 1–35 mo followups, 10224
efficacy of multiple treatments, self injurious behavior, mentally retarded 52 yr old female, 34-mo longitudinal study, implications for importance of longitudinal data analysis, 1819
facial screening, self injurious behavior, moderately & severely & profoundly retarded Ss, literature review, 10232
interview in hospital, assessment of deliberate self harm, patients, 2137
modified psychotherapy, adolescent male with multiple tics & autoaggressive destruction of eyes as result of vaccination, 7284
precipitating factors & demographic & clinical features, self-inflicted gunshot wounds, 17–67 yr olds, 14820
pretreatment with phentolamine vs theophylline vs adenosine vs dipyridamole, clonidine-induced self biting, mice, 8980
protective device, treatment of self biting, autistic 9 yr old female, 18066
psychological & psychiatric factors, dermatitis artefacta, females who previously attended skin clinic, 9772
substitution of noninjurious pain for self cutting behavior, 20–35 yr old psychiatrically hospitalized females with history of wrist cutting, 18075
Self Instruction [See Individualized Instruction]
Self Instructional Training
behavioral & self-instructional approach, verbal self-regulation, children with behavior problems, 18046
cognitive behavioral training, academic performance, emotionally disturbed 8.1–13 yr olds, 26672
cognitive restructuring & cognitive & behavioral self control & cognitive rehearsal procedures, depression, 67–80 yr old nonpatients, 18044
exposure in vivo vs rational emotive therapy vs self instructional training, social anxiety, adults, 20849
general vs specific self instruction training, generalization, academically deficient 7–11 yr olds, 32041
in vivo vs rational emotive therapy vs self instructional training, 21–61 yr old social phobics, 23258
nicotine fading & self monitoring & self instructional training & self efficacy manipulation, smoking & nicotine/tar intake, smokers, replication & extension of results of R. M. Foxx & R. A. Brown, 10542
private speech during play activity, learning disabled 89–108 mo olds diagnosed as hyperactive vs reflective, implications for self instructional techniques, 14847
rehearsal & self instructional techniques, recall & skill generalization & maintenance, educable mentally retarded 25–35 yr olds, 1610
self instruction & exposure & importance of assessing treatment integrity, anxiety disorders, 23 & 34 yr old females & 30 yr old male with phobias, 26133
self instruction training as intervention technique, academic achievement & classroom behavior, 3–17 yr old students, literature review, 15744
self instructional procedures, academic achievement, educationally handicapped 13–14.6 yr olds, 23869
self instructional training, mentally retarded, literature review, 18058
self instructional training program, increase in reflecting, elementary school children, 8122
self instructional training vs skills training vs flooding & home practice & role of cognitions, public speaking incompetence & generalization of treatment effects, Ss with speaking anxiety, 10222
self instructional vs strategy training, mathematics task, 9.7–15.5 yr old distractible students, 26642
self verbalization training, free classification & matrix completion tasks, 7 yr olds, 11727
self vs therapist instructed relaxation program, 18–54 yr olds, 7362
Self Management [See Also Self Instructional Training]
activation vs inhibition, perception of control of EEG activity, college students, 26113
behavioral control & cognitive revolution, 20869
covert conditioning & self control, 20839
cueing & positive practice as self control measure, incorrect resting and swallowing tongue position, 16–23 yr old females, 28731
diaphragmatic respiration training with percent end-tidal carbondioxide biofeedback, moderate to severe chronic hyperventilation & idiopathic seizures, 10–42 yr olds, 18043
drug vs breathing & relaxation therapy vs hyperventilation provocation training vs psychotherapy, hyperventilation, 18–50 yr old patients, 26110
feedback from product of interbeat interval & pulse transit time vs relaxation training vs habituation to task, product feedback & self control of cardiovascular response to exercise, 18–34 yr olds, 7374

high vs low performance on rotor pursuit motor skills task, ability to change heart rates, male college students, 24703
home- vs work-based nuclear vs conjoint vs diffuse patterns of structuring work & personal life, life satisfaction, 23–40 yr olds, 28091
instruction in self management skills, reduction of ambulation time, 19 yr old severely handicapped female, 18086
intellectual self management, aged, 20882
interdependence of research & theory in 5-stage model of self regulation in sport psychology to maximize performance, 15997
management-of-self model of supervision, 18456
matching of behavioral cues with salient standard before achievement situation, self regulatory behavior, 9th graders, 18612
matching-to-sample procedure, self control of tinnitus, 36 yr old male & 36 yr old female with subjective tinnitus aurium, 12590
need for self evaluation & time & stress management skills throughout professional education, medical students, 29061
picture cues & self monitoring techniques, job independence, severely & moderately retarded 18–21 yr old male vocational students, 23574
preexisting vs manipulated self efficacy, weight loss in self control program, 11–65 yr olds, 28125
preference for self vs physician regulated methadone maintenance detoxification, heroin-dependent patients, 31813
process for designing self management programs, 14 yr old aphasic male with attention deficit disorder with hyperkinesis & cerebral palsy, 18059
rural vs urban environment & type of residence & SES, time budgets, 10 yr olds, 16897
self- vs externally-managed response-cost system, out-of-seat behavior & inappropriate verbalization, learning disabled male 2nd graders, 21436
self control & rational emotive therapy, 20848
self control procedure, elimination of stereotyped behavior, institutionalized 15 yr old schizophrenic deaf male with severe behavior disorders, 2157
self control strategy training, composition skills, 12 yr old learning disabled students, 18691
self control techniques, treatment of alcohol abuse, 31790
self control therapy, depression, 20877
self control weight loss vs attitude change, mild to moderate obesity, 20854
self directed behavior change, children, 10220
self instructional manual, self monitoring & self evaluation & self reinforcement in generalization & maintenance of interview skills, vocational rehabilitation counselors, 12897
self management, music practice, 20 yr old male, 26125
self management procedures in biofeedback treatment of headaches, literature review, 1952
self management program, disruptive behavior, 6th–8th grade middle school students, 2-yr followup, 23881
self management strategy, implementation of behavior management procedures & role playing & modeling & group discussion, residential child & family workers, New Zealand, 18444
self management strategy with rewards, decrease in undesirable behavior & generalization to sheltered workshop setting, mentally handicapped 21–28 yr olds, 18362
self management therapy, depression, conference presentation, literature review, 28728
self management therapy program, depression, depressed patients, 20878
self management training as mode of nursing action, patients, 12712
self management training, educable mentally retarded, 4738
self management training, medical compliance, insulin-dependent diabetic 9–13 yr olds & their parents, 6-mo followup study, 26173
self management training of coping responses & facilitation of motivation, mildly & moderately mentally retarded adults with behavioral/emotional difficulties, 31446
self management with token economy, productivity & generalization of tasks, 6–10 yr or old multiply handicapped & severely emotionally disturbed students, 18719
self measurement of blood glucose levels, diabetic patients, 7538
self monitoring alone vs with goal setting vs self administration of tokens, increased production, emotionally handicapped 25–36 yr olds in sheltered workshops, 18367
self regulation of goals & self rewards & self monitoring of performance, job performance, insurance salespersons, 32243
stress & psychosomatic factors, control of diabetes mellitus, 7007
student-administered group-oriented contingencies, mathematics achievement, Black male 5th graders, 23770
theoretical analysis of self management, rule-governed behavior, developmentally disabled, implications for rehabilitation, 18349
video feedback vs self control procedure, orofacial movement, 62 yr old female with tardive dyskinesia, 7365
word supply vs analysis error correction procedures in alternating treatments design, oral reading errors & self corrections, moderately mentally retarded 12–17.4 yr olds, 31100

Self Monitoring

behavioral assignments & therapeutic homework in short term office counseling, family physicians, 26233
blood glucose discrimination training program, insulin-dependent diabetic 56 & 26 yr old females, 26099
carbon monoxide feedback &/vs exercise, self monitored smoking, college students, 31786
cognitive-behavioral treatment & self observation, wife abuse, battering males, 12540
development & evaluation of self monitoring procedure, assessment of drinking behavior, Ss aged 60 yrs & older, 14463
direct instruction with vs without self monitoring checklist, transfer of "neat paper" skills, 10–12 yr old mildly retarded & emotionally disturbed & learning disabled & low performing students, 18670
exposure to pre- & posttest versions of reading games vs similar games, improvement of comprehension-monitoring skills, 4th–5th graders & college students with different levels of reading ability, 13076
feedback vs self monitoring, small group conversational behaviors & generalization, 22 yr old male head trauma patients, 7359
food & praise & self approval contingent on increasing meal duration, decrease in rapid eating habits, 43 & 42 & 20 yr old family members, 31444
frequency of self initiated speech repairs, kindergartners vs 2nd graders, 16933
home relaxation techniques vs EMG biofeedback with vs without antihypertensive medication, blood pressure, 35–62 yr old patients with essential hypertension, 23264
interdependence of research & theory in 5-stage model of self regulation in sport psychology to maximize performance, 15997
nicotine fading & self monitoring & self instructional training & self efficacy manipulation, smoking & nicotine/tar intake, smokers, replication & extension of results of R. M. Foxx & R. A. Brown, 10542
peer & self monitoring, reduction in negative interaction during recess, mildly retarded 9.8 yr old male & his 8.5–9.6 yr old peers, 29351
picture cues & self monitoring techniques, job independence, severely & moderately retarded 18–21 yr old male vocational students, 23574
reliability of attention-focusing technique, self reported thought intrusions & assessment of self monitoring technique, 18–37 yr olds, 11129
self assessment of mood, patients with migraine headache, 22971
self instructional manual, self monitoring & self evaluation & self reinforcement in generalization & maintenance of interview skills, vocational rehabilitation counselors, 12897
self monitoring & reinforcement, attendance in physical fitness program, mildly & moderately retarded 21–39 yr olds in sheltered workshop, 18339
self monitoring & self administered reinforcement & performance feedback, productivity, 23–49 yr old mentally retarded clients in sheltered workshop, 18351
self monitoring & token economy points, reduction of chronic throat clearing, behaviorally disordered 10 yr old, 12592
self monitoring alone vs with goal setting vs self administration of tokens, increased production, emotionally handicapped 25–36 yr olds in sheltered workshops, 18367
self monitoring form & meetings with psychologist, completion of school work, male 3rd grader, 29445

self monitoring, heterosexual conversational behaviors, 20 & 21 yr old males recovering from head trauma, 31474
self monitoring, on task behavior & time for assignment completion, 7.5 yr old learning disabled female in elementary school, 18711
self monitoring, work productivity, mentally retarded adults in sheltered workshop, 7696
self-recorded DRO & social skills & relaxation training, agitated/disruptive behavior, 22–28 yr old mentally retarded group home residents, 18072
self recording of progress on target skills, rate of skill achievement, kindergarten students, 26581
self regulation of goals & self rewards & self monitoring of performance, job performance, insurance salespersons, 32243
self report vs heartbeat tracking vs signal detection methods, heart rate perception & detection, college students, implications for biofeedback, 29702
structured learning & self monitoring, facilitation & maintenance & generalization of social skills, 18 yr old mildly retarded male in residential state mental health facility, 12811
teacher-guided behavioral self recording, on-task & other classroom behavior, hyperactive 3rd–4th grade males, 18563
training in use of self monitoring strategy to prepare for recall, generalization to serial or free recall, 3rd graders, 9-mo followup, 25116
trial-by-trial self tracking, responses on visual or vibrotactile 2- & 4- & 8-choice RT tasks, college students, 3024
validity of food diaries by determination of errors in food recording & calorie estimation, 17–59 yr old obese females in behavioral weight control program, replication of study by D. Lansky & K. D. Brownell, 31484
videotapes & closed circuit TV, self observation & therapeutic & teaching tool, 7164

Self Monitoring (Personality)

alcohol education with vs without "know the score" self monitoring of consumption of alcohol, 17–64 yr old male vs female professional vs white-collar vs blue-collar workers, 17282
androgyny & self monitoring, college students, implications for validity of measures of androgyny, 12094
focus on interior vs exterior attributes in choice of dating partner, high vs low self monitoring males, 28053
high vs low self monitoring, expressive decoding & empathic communication styles, graduate counseling students, implications for psychotherapy, 28096
level of self monitoring in observers vs participant conditions, utterances & conversation topics & acts in initial interaction, college students, 28017
personality characteristics, extreme high vs low self monitoring college students, 1313
public vs private insult & self presentation, evaluation bias, college students in interviewer/job applicant dyads, 30819
self monitoring, accuracy of suspect identification, convenience store clerks, 17314
self monitoring propensities, intimacy in dating relationships, college students, 12011
sex differences in facial expressive behavior, high vs low self-monitoring college students, 20134

Self Mutilation

autism & symbiotic psychosis & severe deficiency, self mutilation, young adults, 4293
chemotherapy, self mutilation, 4759
consequences & removal of self mutilating initiation tattoos, juvenile delinquent, 4353
demographic & behavioral characteristics related to self injurious &/or stereotyped behavior, 9–26 yr old institutionalized mentally retarded Ss, 12800
diagnostic groupings, self mutilation, literature review, 12234
genital self mutilation, 23 & 32 & 42 yr old males with delirium or psychosis or desire to be rid of perceived sexual embarrassment, 20383
gross motor activities, self injurious behavior, severely retarded 11–17 yr olds with sensory handicaps, 12596
Lasthenie De Ferjol syndrome, male transvestite, 6887
modified psychotherapy, adolescent male with multiple tics & autoaggressive destruction of eyes as result of vaccination, 7284
psychodynamic perspectives, self mutilation, children, 4332
reduction of brain catecholamine fibers by neonatal treatment with 6-hydroxydopamine & levodopa, susceptibility for self mutilation, 5 day old rats, implications for Lesch-Nyhan syndrome, 27566
self amputation & psychiatric issues of replantation surgery, comments on article by G. W. DeMuth et al, 15394
self inflicted enucleation of eye, schizophrenic 39 yr old male & 29 yr old female, 9605
self mutilating behavior, severely retarded children, 4375
self mutilation, children with early infantile psychosis, 4164
self mutilation, psychotic & autistic children, 4171
signs of self mutilative contagion over 1 yr period, adolescents treated at center for disturbed adolescents with mean age of 16.1 yrs, 14615
theoretical orientations of self mutilation, adolescents, 12276
treatment package to reduce self-injurious behavior, 13 yr old male with Lesch-Nyhan syndrome, 7719

Self Observation [See Self Monitoring]

Self Perception

age & sex, perceived health, 20–75 yr olds, 11682
alcohol, perception of negative interpersonal feedback & self evaluation & marital communication & problem solving abilities, 19–25 yr old male moderate drinkers & couples with 1 alcoholic spouse, 30229
ambiguity of judgment & self consciousness & influence of others' opinions, conformity in judgments of fashionability, female college students, 1227
anatomical Rorschach responses, morbidly obese vs Koch patients vs Ss with colostomy vs ileostomy, 12360
anticipation of social interaction, recall of negative self-descriptive traits, socially anxious vs nonanxious female college students, 4038
attitudes toward school & teachers & self on mainland vs in Puerto Rico, circulation vs returning female vs male migrant students, Puerto Rico, 2483
attitudes toward self vs foreigners, college students, Colombia vs Venezuela, 1973 vs 1980, 30606
bereavement, self perception of physical health, 55–83 yr old widows vs widowers, 6404
biased interaction technique based on D. J. Bem's self perception theory vs imaginal technique & expectancy, heterosocial anxiety, male college students, 12587
body image perception & motor skills, mentally retarded males vs females, 22883
body weight related questionnaire & self perceived overweight, emotional adjustment scores, female college students, 22622
change in self perception of Type A behavior, 30–39 vs 40–49 vs 50–59 vs 60–69 yr olds, 22617
changes in self perception, psychotic 8–12 yr olds with identity problems, 3-yr study, 1440
characteristics of Italian version of M. M. Feldman's test of body perception, 21763
chronic vs experimentally induced self awareness, responsiveness to equity vs equality standard of justice in allocation of payment, college students scoring high vs low on Self Consciousness Scale, 14472
cigarette smoking, perceptions of health & self esteem & social contacts, severe cigarette smokers, implications for theory of subjective competence, 9475
cognitive development, understanding own feeling, 4–5 yr olds vs 8–9 yr olds, 9090
combined music & movement & art therapy, body awareness & self concept & self acceptance, emotionally handicapped 6–8 yr olds, 10036
conceptualization of self as theory or fantasy in psychoanalytic theory, 12063
conceptualizations of homosexual behavior which preclude homosexual self-labeling, 22552
concern with own disfluency, kindergartners through 6th graders who stutter, 31110
congruence of perception at beginning of therapy vs posttherapy, therapy outcome, therapists & adult clients, 12474
consistency of self schema processing, depressed female psychiatric patients, 25564
construction of self-consciousness scale, assessment of individual differences, Japan, 29775

contemporary subjectivist interpretations of G. H. Mead's interactionist approach to relation between self & society, sociologists, US, 29613
controversy surrounding J. Kozielecki's theory of self knowledge, 2762
degree of smiling vs touching vs interpersonal distance, gender differences in self-presentation, White male vs female 1st–4th vs 9th–12th graders, 14131
degree to which one thinks one knows others, degree to which one thinks one is easily known, college students, 30813
desirability of self rating on trait, prediction of information processing during perception of others, college students, 12022
development of Adolescent Social Behavior Scale, measurement of imaginary audience & self consciousness in social situations, 8th vs 10th vs 12th graders vs adults, 14180
development of scale to measure self righteousness, 17–63 yr olds, 24223
development of self recognition, infants, literature review, 891
development of sex role identity, working vs nonworking mothers vs married vs single female college students, Canada, 25360
development of visual self recognition, infants, 6280
developmental stages of identity formation, psychotherapists, 29026
dispositional self consciousness, overperception of self as target, college students, 12057
downward extension & factor analysis of Perceived Competence Scale for Children, measurement of perceived cognitive & physical competence & peer & maternal acceptance, 1st–2nd graders, 13558
employment status & hemodialysis at home vs facility vs peritoneal dialysis, health status & locus of control, chronic renal disease patients, 26244
evaluation of own happy vs sad vs angry vs scared facial expressions, 3–7 yr olds, 22397
expectations & perceptions of self assessed adjustment, 1st yr college students, 15820
extensive group therapy vs vocational training, attitudes toward self & others, 19–24 male incarcerated drug abusers, 18340
false consensus for own attributes, depressed vs nondepressed college students, reply to C. McCauley's criticism, 28042
feedback on congruence between one's personality & self definition & interpersonal cues to prompt self descriptions in conflict with self definitional needs, self description, college students, 20142
functional relaxation therapy, self awareness & perception, physically & mentally handicapped, 26122
functional status self ratings vs rating by significant other vs nurse, 65–92 yr olds, 25914
generalizability & specificity of self schemata, males vs females, 17042
heart rate acceleration, belief perseverance & private self-attention & restricted cue range & relative left hemispheric activation, implications for research on persuasion, 3320
hypnotherapy & perception of hypnosis, adult female with acute anxiety & panic attacks, 12668
impression point & synthesis of symbol & self, 30867
incestuous relationship with father, long range psychosocial impact & self devaluation & heterosexual aversiveness, 15–23 yr old females, 6938
individual differences in public & private self consciousness, differentiation in judgments of personality of self & others, female college students, 20136
intelligence & personality characteristics & attitudes toward self & social figures, 19–21 yr old female delinquents, Philippines, 25619
labeling, self perception & social perceptions of others, college students labeled as alcoholic with normative vs excessive drinking patterns, 1512
length of sleep prior to awakening out of Stage 2 vs REM vs NREM sleep, sense of having been asleep, 20–35 yr olds, 13730
management development program with comprehensive diagnostic intervention, self awareness & skill development, male managers, 16065
managerial level, perceptions of actual & desired influence, textile mill managers, India, 8208
mental health & life stress & personality traits, self perceived health, 65–90 yr old females, South Africa, 851
minority group model, schizophrenics, 12221
mixed sex vs male anatomy dissection groups, self & peer ratings & evaluations of group process, medical students, 29009
modification of structure of Self-Consciousness Scales, adult females & college students, 13536
need to maintain sense of self & existence, undermedication of patients for pain, burn patients & medical staff, 23347
number of congregation members, participation in religious groups & level of self attention, members of religious groups, 25274
objective response-outcome feedback contingencies, self enhancing biased attribution, college students, 1257
order of description task, self- vs other description, normal Ss, 20110
parental divorce, perceptions of self & parents, students, 3-yr followup, 17187
parental judgement of child's body weight, self perception of body image & weight, female vs male 9–11 vs 12–14 yr olds, 6296
perceived ability, subjective probability in choice behavior, male college students, 25445
perceived authoritarianism in self vs others, male college students vs police officers, 14526
perceived cause of need for help, compliance with requests for assistance & role of justice norm & action efficacy, college students, 28052
perceived cognitive competence, subjective standards & expectancies & internal-external motivation orientation & classroom achievement behavior, academically competent 5th graders, 15848
perceived competence, job performance & role clarity, lower level managers with mean age of 39 yrs, 10972
perceived comprehension of text, ability to predict future test performance on material, college students, 24496
perceived driving ability & social norms & other factors, seat belt usage, college students, Sweden vs US, 32220
perceived qualifications, level of resentment about deprivation when resources are abundant vs scarce, unemployed nurses vs college students, 22611
perceived relative competence, behavioral conformity, male vs female college students, 25484
perceived self efficacy, academic achievement, literature review, 7989
perception of self & others, aboriginal vs White 11–13 yr olds in rural vs urban areas, Australia, 25174
perception of self & social role, college professors, Brazil, 13009
perception of student teachers' competence, student teachers vs university supervisors vs sponsor teachers, 23724
perceptions of ideal male vs female vs self portrayal, male vs female college students, 9472
perceptions of own dependency & levels of self esteem, causal attributions & emotional reactions in imagined success vs failure situations, college students, 17359
perceptions of self efficacy vs danger, prediction of phobic distress, adult acrophobics, implications for treatment, 20371
perceptions of skill & positive vs negative feedback, causal attributions, assertive vs nonassertive females, 14534
performance information, perceived competence & intrinsic motivation, high vs low achieving male 15–18 yr olds, 19894
personal history of traumatic life events as self handicapping strategy, female college students, 28071
personality consistency, perceptions of problem solving behavior & attitudes 17–41 yr old college students, examination of applicability of J. L. Holland's typology, 25465
personality differences & self perception of locus of control & impulsivity, repeat vs 1st-time aborters vs nulliparous females, 31588
physique & temperament, self attribution of personality traits, 19–24 yr old males, 17363
positive vs negative thoughts about stressful event outcomes, perceived psychological well-being, college students, 17373
private & public self consciousness & field dependence-independence, 24–39 yr olds, 1269
private self consciousness & perspective taking, self disclosure & satisfaction in close relationships, 17–32 yr old couples, 27983
private vs public self awareness, self consciousness, college students, 28073
psychoanalytic perspectives on objective vs subjective self awareness, normal adults, 14537

psychotherapy, selflessness, females, 10137
public vs private self consciousness, recall of self relevant information, college students, 17333
public vs private self image & personality correlates of high public self consciousness, female college students, 9573
recall vs comprehension vs perceived importance of self knowledge via social feedback vs self observation vs social comparison, preschoolers vs 1st vs 3rd graders, 11831
reevaluation & perception of handicap & occupational choice, 20–28 yr old dyslexics diagnosed during adolescence, 7–10 yr followup, 28377
relative vs absolute agreement of self & other ratings, consensus bias & depression, criticism of study by N. Tabachnik et al, 28048
reliability & validity of alternative format of Social Interaction Self-Statement Test, college students, 29784
reliability & validity of sleeping behavior scale & social- & self-perceptions of personality differences, college students identified as morning vs evening people, 5627
self acceptance & degree & type of disability, 16–25 yr olds with locomotive dysfunction, 28497
self acceptance & self concept, 9.6–18 yr olds with asthma & cystic fibrosis & emotional difficulties, 1337
self assessment of everyday spatial abilities & time spent in practice, male vs female college students, 1297
self concept & others' ratings of facial appearance, self perception of facial attractiveness, White college students, 9560
self confidence & heightened vs low level of self awareness & group similarity, polarization of opinions, college students, 12030
self consciousness & initial feedback, seeking out vs avoidance of ability-diagnostic information, college students, 17365
self consciousness, acute vs chronic schizophrenics, replication of A. E. Puente & S. Morrisey's study, 17430
self deception & depression, college students, 17551
self descriptions of personality & correlation with raters' consensus, college students, 22634
self-descriptiveness vs other-descriptiveness ratings for trait adjectives representing 3 levels of likability, college students vs elderly, 4027
self-descriptiveness vs other-descriptiveness ratings for trait adjectives representing 3 levels of likability, college students, 4026
self esteem & vulnerability to criticism & tendency to fantasize, private self consciousness & social anxiety, 12–19 yr olds, 27840
self focused attention, intensity of affect & accuracy of self reports & relation to self confrontation psychotherapy, adult male alcoholics vs psychiatric patients, 20727
self focused attention, self esteem & locus of control, college students, 28120
self handicapping strategy & goal choice & self image, male college students, 30847
self hypnotic suggestion, awareness of interpersonal aspects of pain complaints, 40 & 48 yr old males with chronic headaches, 26219
self inference from recent & unmanded vs distant & manded religious behaviors, attitude accessibility, college students, 1274
self perceived femininity & depressive mood, 40–50 yr old menopausal females after hysterectomy with vs without bilateral oophorectomy, 7544
self perceived personality characteristics, self evaluations & supervisory ratings of competence, 21–43 yr old female student teachers, 31981
self perceived somatotype & personality, male college students, 6697
self perception of dependency, 75–96 yr old females living alone, implications for health care service delivery, 25040
self perception of intellectual aging, 45–64 yr old psychologists, 9119
self perception of leader behavior, secondary vs post secondary career oriented vs vocational administrators, 23695
self perception of own stature, ratings of occupations in terms of prestige & stature, 15–18 yr old males, 19775
self perception, physically handicapped vs learning disabled vs emotionally disturbed vs normal 6th vs 7th vs 8th graders, 4092
self perceptions & descriptions of positively regarded students, female kindergarten teachers, 2336
self perceptions & perceptions of student characteristics, teachers, bibliography of articles & database documents, 2344
self perceptions vs teachers' perceptions of behavioral competence, academic achievement, Black 9–10 yr old students from low to moderate income families, 29278
self referent information, attribution of causal responsibility to self, college students, 6640
self report of distress symptoms, clinical disorder vs normal distress, males vs females over 18 yrs of age, 14714
self reported psychopathology & errors in recognition of recorded voice of self vs familiar other as evidence of self deception, reply to W. Douglas & K. Gibbins's criticism, 22770
self reported psychopathology & errors in recognition of recording of own vs familiar other's voice as evidence of self deception, reply to H. A. Sackeim & R. C. Gur's reply, 22705
self vs other ratings of well-being, college students vs married couples, 12019
self vs peer vs teacher nomination, identification of leadership giftedness, 4th–5th graders, 18684
semantic differential, assessment of changes in self perception during counseling skills class, master's level counseling students, 2269
sex & sex role orientation, perceived sex & hostility guilt for self & typical males vs females, college students, 3954
sex differences, self perceived influence & leadership, elected union committee officers, Israel, 16095
sex role-based perceptions of self & spouse & masculinity & femininity, 24–52 yr old female-to-male transsexuals & their wives, 3958
sex role orientation, self perceived health status, 40–59 yr old males, 17034
situational performance constraints & perceived competence & self determination, intrinsic motivation & satisfaction, college students with internal vs external locus of control, implications for business settings, 25446
social anxiety & public self consciousness, prediction of variability of social behavior, incoming college students, 4023
social identity, physicians & residents & medical students, implications for family practice training in provision of role models, 7781
social skills deficits & self evaluation, 21–55 yr old female depressed vs nondepressed psychiatric inpatients, 17479
softball coaches' feedback, self perceptions, female junior high school athletes, 21380
stressful life events, development of neurotic symptoms during personal assessment, symptom-free males & females, 12 mo longitudinal study, 20235
structure & significance of body concept, adult self concept, male vs female physical education students, 14571
subjective past & present & future cognitive & motivational fit, affective & somatic strain & well-being, college students, 17364
success vs failure on social sensitivity test & public vs private knowledge of result, compensatory self inflation response to threat to self regard, female college students, 30818
symbolic interaction & interpsychic relations, self vs social perception, 6649
trust & sharing as components of friendship & perception of vulnerability, neglected vs rejected 1st graders, Australia, 9329
utilization of Adlerian principles in songs for elementary emotional development program, understanding of misbehavior & development of self esteem, elementary school students, 7903
validity of leader effectiveness & description instrument of self perception, doctoral students, 24258
validity of leader effectiveness & description instrument of self perception, graduate students, comments on article by D. C. Leuder, 24238
validity of leader effectiveness & description instrument of self perception, graduate students, reply to article by P. Hersey & K. Blanchard, 24257
values & cognitive vs emotional elements in environmental decision making & relation between self & nature, male vs female 12 yr olds, Finland, 27753
verbal vs activity group, self perception of communication skills, depressed & schizophrenic clients of occupational therapy clinic, 31756
visual self recognition & object permanence & gestural imitation, 4.1–6.7 yr old autistic children, 12146
Self Realization [See Self Actualization]

Self Reinforcement
concentration of dextroamphetamine solution, self administration, physically dependent vs naive male rats, 6134
conditioning, reinstatement of opiate & stimulant self administration, humans & laboratory animals, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 798
degree of response control, reinforcement strength of electrical brain stimulation, male rats, 19613
dose & reinforcement schedule effects & blockade of benzodiazepine & GABA receptors, self-injection of diazepam, male rats, 24913
drug self administration & reinforcing effects, humans vs animals, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 807
food deprivation & drug dose, etonitazene self administration, male rats, 3419
high vs low doses of ethanol, reinforcing effects in self administration of ethanol, male rats, 22203
intracranial self stimulation & conditioned place preference & iv self administration, study of drug reinforcement, rats, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 784
intravenous self administration of nicotine with vs without schedule-induction, monkeys, 30297
iv self administration of dopamine agonists apomorphine vs piribedil vs propylbutyldopamine vs bromocriptine vs SKF 38393, monkeys, implications for reinforcing properties of CNS stimulants, 22232
methionine enkephalin microinfusions into nucleus accumbens, self reinforcement, male rats, 3447
morphine self administration vs yoked infusion, brain acetylcholine turnover, male rats, 3514
naloxone dosages, ethanol self administration, male rats, 30288
nucleus accumbens lesions, role of mesolimbic dopamine neurons in iv heroin vs cocaine self-administration, male rats, 24775
oral delta-9-tetrahydrocannabinol vs smoked marihuana vs nabilone, reinforcing properties assessed by self report & operant work-choice paradigm, 23–30 yr olds with regular vs intermittent vs occasional marihuana smoking histories, 24887
peripherally self-administered acetaldehyde & feeding regimes, oral alcohol consumption, male rats, 19708
self administration vs yoked infusion of morphine, muscarinic cholinergic & benzodiazepine receptor affinities & densities, male rats, 3513
self destructive behavior as self stimulatory reinforcement, autistic & schizophrenic & mentally retarded individuals, 4095
self directed behavior change, children, 10220
self injections of phencyclidine hydrochloride vs analogs, assessment of reinforcing properties, male baboons, 24880
self monitoring & reinforcement, attendance in physical fitness program, mildly & moderately retarded 21–39 yr olds in sheltered workshop, 18339
self monitoring & self administered reinforcement & performance feedback, productivity, 23–49 yr old mentally retarded clients in sheltered workshop, 18351
self reinforcement & locus of reward for task maintenance, hospitalized alcoholics vs psychiatric patients, 1565
self reinforcement & positive feedback mechanisms of obesity, humans & animals, conference presentation, 31227
self selected vs E-imposed goals & goal difficulty & need achievement, task performance, college students, 13716
training in self reinforcement & reward, depression, college students, 10223

Self Report
accuracy & sources of reporting errors & validity & reactivity of Self Observation & Report Technique, assessment of everyday behavior, hospitalized patients, 11096
accuracy of recall of recreation activities, community swimming pool members, 29479
accuracy of self scoring of Kuder General Survey, 8th graders, 26706
advantages of visual analog scales on questionnaires in self evaluation of anxiety, psychiatric patients, 29718
agreement on pretreatment drinking & alcohol-related jailings or hospitalizations, 24–64 yr old male alcoholics & their wives, 12270
assessment of severely psychiatrically disabled patients' functional skills, severely psychiatrically disabled patients themselves vs practitioners, 18341
clinical-behavioral vs self report measures of psychopathy, male prison inmates, 20280
comparison between repeated momentary & end-of-day daily mood reports as measured by Mood Adjective Checklist, 30–66 yr old community residents, 19024
computer vs in-person interviews, self-reported alcohol consumption, males, Scotland, 22561
concurrent validity of Children's Action Tendency Scale, self report of aggressiveness & assertiveness & submissiveness, 3rd–5th graders, 21752
confidentiality & anonymity vs nonanonymity alone, predictive validity of self report personality measures & biasing effect of response, college students, 18979
construction of self rating scale, assessment of depression, patients, 29744
correspondence between self report vs peer vs objective report measures of energetic personality trait & energetic performance, college students, 19022
corroboration of self reported alcohol consumption before & at time of offense, male prisoners vs their wives or cohabitees, 17633
cross situational consistency of self reported personality traits, college students, failure to replicate study by D. J. Bem & A. Allen, 14544
development & reliability & validity & factor structure of Self Evaluation of Life Function Scale, assessment of physical & emotional & social function, elderly adults, 19080
development & reliability & validity of Chronic Illness Problem Inventory, self report assessment of severity & extensiveness of problems in daily living, chronically ill patients, 5632
development & reliability of self report measure of loneliness & social dissatisfaction, 3rd–6th graders, 8389
development of self rated social skills inventory, adult male alcoholics & psychiatric patients, 11195
development of self report measure of peripheral physiological sensations, measurement of autonomic nervous system balance & correlation with personality traits, college students, 2923
discriminant validity of 3 self report measures, assessment of desire for control over health care processes, adult Ss, 205
EMG activity & self report data in headache vs pain-free states, differentiation of muscle contraction headache vs psychogenic pain, 17–60 yr olds, 31166
ethnicity, consistency of reporting symptoms, 20–42 yr old Anglo vs Hispanic schizophrenics, 25584
Family Assessment Measure based on process model of family functioning, measurement of self reported family functioning, family of 18 yr old anorexic male, 8436
functional status self ratings vs rating by significant other vs nurse, 65–92 yr olds, 25914
garbage analysis vs self report, measurement of usual vs period-specific food consumption, 11076
hand posture during writing & presence vs absence of left-handedness in family, possible artifacts from dicotomous self report forms, college students, 22002
HRCA Vulnerability Index, self report screening of functional deficits in health care, aged in community, 16351
informal networks, health status indicators & self assessment, elderly, 22299
integration of stable identity, lesbians, implications for social work, 20053
interpersonal reliability of reports of marital violence, husbands vs wives beginning marital therapy, 25642
learning grammatically structured or unstructured & color coded or black strings of letters, verbal reports of causal roles of stimuli in learning, college students, implications for accuracy of introspection, 27171
lottery procedure for obtaining self reports after discharge, 20–59 yr old alcohol abusers, 6 mo & 1-yr followup, 26380
low & high conflict situation & self report of affect during same situation days later, married couples, 22469
memory diaries to record incidents most often forgotten, college students, implications for prevention of forgetting, 27163
methodology & utilization of verbal reports in reading research, literature review, 31946

neuroticism & physician-rated vs self rated health & subjective well-being, 46–71 yr old White males vs females, 25577
neutral instructions vs instructions with negative implications for errors, frequency & detection of reported memory & motor lapses in everyday life, college students, 21732
partial correlation & canonical correlation analysis, control for effects of social desirability in self report inventories, alcoholic inpatients with mean age of 41.5 yrs, 13554
Phenomenology of Consciousness Inventory, prediction of hypnotic susceptibility, college students, 24282
physiological vs subjective measures of sexual arousal, 19–34 yr old males, 22551
physique & masculinity/femininity, sex differences in self reports of psychophysiological activity, college students, replication of R. Plutchik & H. Conte's study, 22628
Presleep Arousal Scale, self report assessment of presleep state, 21–65 yr old normal sleepers vs insomniacs, 21768
psychiatric properties of self report scales, assessment of alexithymia, 4247
psychometric adequacy of self report depression measures, implications for test reliability & validity, 19036
quality & reliability & validity of verbal report data of participants, families & couples, literature review, 100
ratings of adjectives descriptive of mood, amount of agreement between behaviorally-generated circumplexes & H. R. Conte & R. Plutchik's circumplex of semantic ratings, college students, 30843
reliability & bias of Revised Children's Manifest Anxiety Scale & Child Anxiety Scale, Anglo- vs Mexican-American vs Black 1st–3rd graders, 29729
reliability & validity of self report, assessment of daily activity patterns, chronic low back pain patients, 16317
reliability & validity of Sexual Experiences Survey, male vs female college students, 24253
reliability of attention-focusing technique, self reported thought intrusions & assessment of self monitoring technique, 18–37 yr olds, 11129
reliability of retrospective self reports of physical illness, college students, 44
reliability of self reported alcohol consumption as measured against sweat-patch testing, volunteer Ss, 88
report to trainer vs peers, participant evaluation of interpersonal skills training course, health care workers, implications for research methodology, 10197
Revised Multidimensional Pain Scale, pain assessment, Ss suffering from 1 of 4 types of rheumatoid diseases, 4420
self lesson report form, study & evaluation of teaching, high school science students & teachers, 2597
self ratings of mood & characteristic emotions, between word differences, college students, 1320
self ratings of performance & fatigue & motivation, younger vs older army truck drivers who experienced prolonged convoy driving, 21528
self recording of progress on target skills, rate of skill achievement, kindergarten students, 26581
self-report depression scales vs clinician DSM III diagnoses of major depressive disorder, 21–77 yr old chronic pain patients, 1346
self report of cognitive dysfunction vs objective performance & illness chronicity, 19–59 yr old schizophrenic inpatients, 9741
self report of frequency & phenomenological aspects of verbal hallucinations, psychiatric patients with mean age of 32.9 yrs, 20288
self report of imagery vividness & cognitive ability & memory & self concept & achievement motivation, visual imagery performance, 16–18 yr old females, 13686
self report of physical & mental condition & perceived condition of others while taking SAT, reasons for decline in SAT scores over last 20 yrs, college freshmen, 23920
self report personality measures & spouse ratings & interviewer-O ratings, assessment of personality similarity, spouses, 3813
self report questionnaires & sociometric-like techniques for development of compound profile of interactions, 18–22 yr old males, 19010
self report vs dichotic listening techniques, measurement of brain lateralization, college students & hospital workers, 8787
self report vs heartbeat tracking vs signal detection methods, heart rate perception & detection, college students, implications for biofeedback, 29702
self report vs O report vs behavior checklist, assessment of pain & anxiety & distress behavior during medical procedures, 6–17 yr old cancer patients, 4474
self report vs teacher rating vs interviews vs rating scales vs direct observation, identification of Ss at risk for anxiety, 1st–5th graders, 18727
self report vs therapist's rating of depression & marital adjustment, male vs female inpatients, implications for assessment & therapy, 22686
self reported involvement & perceived involvement of others in sex-typed behaviors, male vs female college students, 3951
self reported physical stress reaction 1st & 2nd order factors, college students, replication of J. C. Smith & J. M. Seidel's study, 24345
self reported psychiatric symptoms & symptom severity & relation to therapist-reported severity of psychiatric diagnosis, Black vs Hispanic vs White applicants for outpatient psychotherapy, 6857
self reported sex role characteristics & attitudes toward homosexuality, male vs female college students, 30719
self reported vs actual water saving during conservation campaign, customer households, 26835
self reported vs peer-reported voting & intake measures & multiple analytic criteria, assessment of construct validity of reports of alcohol & marijuana & cigarette use, college students, 30757
self reporting of cognitive-somatic anxiety response patterning, chronic & low-back pain patients vs college students & health professionals, 20500
Social Adjustment Scale Self Report, assessment of social adjustment, chronic schizophrenic patients, 6815
somatic vs self devaluative statements on Velton mood induction procedure, negativistic interpretations & depression, college students, 427
stressful task, self report & heart rate responses, college students, 22063
symptoms mislabeled as asthma, rehospitalization, 15–72 yr old former inpatients, 6-mo followup, replication of study by present authors & S. K. Robinson, 7649
task performance, self ratings of extraversion/introversion based on task & overall assessment on trait, college students, implications for error in self reports of personality traits, 28093
temporal factors in stressful life events & self report illness measures, 18–27 yr old male naval submarine school students, 29719
test-retest reliability of self report measures of drug usage, 7th graders, 13553
under- vs overreport of illness, association between psychosocial factors & physical health, college students, 28405
use of reactive vs nonreactive measures, validity of self report of smoking frequency after completing smoking cessation program, 24–74 yr olds, 3–4 mo followup, 24137
usefulness of self report as experimental method in research on mental processes, reply to M. H. Birnbaum & S. E. Stegner, 26947
utility of disguised test items in structured self report, assessment of psychopathology, college students, 21757
validity of Beck Depression Inventory vs MMPI Depression scale vs Self-Rating Depression Scale, male psychiatric vs chemically dependent patients, 24296
validity of behavioral vs subjective self report pain severity scale used in completion of diaries, 9–17 yr old migraineurs & their parents, 187
validity of food diaries by determination of errors in food recording & calorie estimation, 17–59 yr old obese females in behavioral weight control program, replication of study by D. Lansky & K. D. Brownell, 31484
validity of official vs self report data for offense status, birth cohort members, US, 16245
validity of reports of alcohol consumption, male alcoholics vs friends or relatives, 17659
validity of Repression-Sensitization scale, assessment of self reported symptoms of psychopathology vs defensive style, college students, 13534

validity of self report measures of anxiety, identification of learning disabilities & emotional handicaps, Anglo American vs Mexican American vs Black 1st–3rd graders, 23877
validity of short vs long & simple vs sophisticated vs self rating scales, assessment of depression, college students & psychiatric outpatients, 5602
validity of teacher & student scales & matching familiar figures test, assessment of aggressive classroom behavior, emotionally & behaviorally disturbed male 9–16 yr olds & their teachers, 21440
videotape vs cartoon vs verbal bogus-pipeline procedures, velocity of self reported tobacco & alcohol & marihuana use, 7th graders, 16223
Visual Analogue Scale vs Duration & Intensity & Behavior Scale, self recording of chronic epigastric pain, patients with mean age of 35.8 yrs, 5686
Self Respect [See Self Esteem]
Self Stimulation [See Also Brain Self Stimulation]
acute or chronic stressors vs desipramine, responding for electrical brain stimulation, mice, conference presentation, 30165
ambulation training, self stimulation, multiply handicapped 5 yr old, 28973
chronic methamphetamine administration, self administration of & tolerance to methamphetamine, monkeys, 24968
continuous reinforcement followed by sudden extinction, self stimulatory behavior, institutionalized severely mentally retarded 19 yr old males, 31468
degree of response control, reinforcement strength of electrical brain stimulation, male rats, 19613
discrimination learning, self stimulation in neural sites, 7 vs 10 day old rats, 8638
electrical stimulation of lateral hypothalamus, self stimulation of mesencephalic central gray, male mice, 19601
food deprivation & drug concentration, self administration of phencyclidine using operant FR16 schedule, male monkeys, 24805
FR size & pentobarbital concentration, response rate & number of drug deliveries, male rhesus monkeys, 19696
hippocampal stimulation, acquisition & performance of food-reinforced learning, male rats, 19600
intensive behavioral treatment, changes in self stimulatory behavior, 5–9 yr old autistic children, 26097
interburst interval between 2 bursts of medial forebrain stimulation, temporal summation of rewarding effects, male rats, 8905
intracerebral self stimulation, effect of positive emotional excitation on normalization of stomach acidity, dogs, 6065
intracranial self stimulation & conditioned place preference & iv self administration, study of drug reinforcement, rats, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 784
intragastric self infusion of ethanol, ethanol-preferring vs nonpreferring strains of rats, 13915
kind &/or amount of auditory self stimulation & maternal calls, auditory self-stimulated vs unstimulated wood ducklings, 5898
methodology for schedule-induced self injection of drugs, acquisition & maintenance of drug intake behavior, 6164
naloxone, frequency threshold brain-stimulation induced hunger & feeding, rats, 6046
naloxone, suppression of self stimulation by antagonism of endorphin-mediated reward vs analgesia, male rats, 16772
need for light stimulation & threshold of self stimulation response, white rats, 8663
opioid peptides, neurochemical substrates of self stimulation in medial prefrontal cortex, rats bilaterally implanted with monopolar electrodes, 13906
overcorrection & differential reinforcement followed by brief restitution, self injurious & self stimulatory behavior, severely mentally handicapped 6–14 yr olds, 7367
priming effects of brain stimulation, self deprivation, male rats, 8902
self administration of ethanol, sensitivity & tolerance, genetically heterogenous mice, 16785
self destructive behavior as self stimulatory reinforcement, autistic & schizophrenic & mentally retarded individuals, 4095
self induced photogenic epilepsy, 2 yr old male & 14 mo old female, 31271
self stimulation of anterior forebrain vs lateral hypothalamus vs dorsal raphe nuclei vs mild electric footshock, production of endogenous opiates & analgesia, rats, 16719
sensory awareness training, reduction of self stimulatory behavior, profoundly mentally retarded 12 yr old female, 15266
septal & cortical self stimulation reward & density of dopaminergic innervation, rats, 11495
six-hydroxydopamine lesions of dopaminergic mesocorticolimbic cell bodies, self administration of dextroamphetamine, rats, 13878
ventral tegmentum priming with morphine, reinstatement of iv heroin & cocaine self administration behavior, rats, implications for activation of mesolimbic appetitive motivational systems, 9025
visual EPs & nociceptive thresholds, female rats from genetically high vs low self stimulation lines, 19417
Selfishness
altruism vs selfishness, happiness, college students, 25408
Semantic Differential
analysis of semantic differential data with 3-mode principal components, 29794
assessment of self concept & body image using semantic differential bipolar scales, 12–61 yr olds, implications for psychiatric nursing, 12050
development of semantic differential instrument, measurement of attitudes toward Black Americans vs Black American patients, White nursing students, 21766
free association vs paired evaluations vs semantic differentials, measurement of social representations of participation, high school students, 19901
intracultural validity of graphic vs semantic differential, 20–25 yr olds, US vs West Germany, 30332
multidimensional scaling of classical music perception, female students of music & other disciplines, 11309
psychological construing, use of extreme ratings semantic differential, schizophrenic vs nonschizophrenic inpatients, 12174
semantic differential, assessment of orality & fixation & regression, neurotic inpatients, conference presentation, 28508
semantic differential, detection of sound stimuli, college students, 29900
semantic differential ratings of marriage related concepts & prediction of spouse's ratings, discordant vs nondiscordant spouses, 14285
stratum factor structure of musical pieces as determined by semantic differential, college students, implications for atypical evaluation-potency-activity structure found by T. Iwashita, 25014
validation of classification of attributions of classroom motivation, undergraduate education vs psychology vs graduate education majors vs naive Ss over age 35, failure to support B. Weiner's theory, 15824
validity of higher-order ability constructs in structure-of-intellect tests with semantic content & operations of cognition or evaluation, high school students, 27025
Semantics [See Also Antonyms, Homonyms, Synonyms]
accessibility to working memory & surface vs semantic conservation & processing in sentence comprehension, college students, 826
acoustic vs semantic similarity of words, repetition avoidance in sequential response production, college students, 6201
activation under semantic vs nonsemantic processing conditions, free & cued recall & word recognition, college students, 24488
age & semantic & nonsemantic tasks, late positive component of event related potential, 19–24 & 63–88 yr old males, extension of previous work of M. Kutas & S. A. Hillyard, 22011
age differences, semantic discontinuities following "but" in discourse, 7–10 yr olds, 11748
animacy/inanimacy of actors & patients & training sessions, comprehension of semantic relations & generalization to different animacy/ inanimacy patterns, 2 yr olds, 19804
assignment of noun as coreferent for anaphoric pronoun presented subsequently in same message, French-speaking 10–14 yr olds vs adults, test of parallel function hypothesis, 11760
bilingual retrieval from semantic memory, French-English speaking college students, 21855

categorical organization & lexical availability & representation of 22 French categories, college students, 5772
cognitive development & acquisition of words encoding success/failure, 15–21 mo olds, 9186
cognitive-semantic structure differences in lecture presentations & understanding of text, memorization of text, 18 yr old students, 352
component theory, semantic memory for verbs, adults, 416
construction of text representation in semantic memory, 353
development of word meaning, conference presentation, 14013
developmental changes, representation of meaning similarities of nouns, 4–8 yr olds, conference presentation, 14101
diazepam dosages, immediate & delayed free recall of word lists & serial number learning & semantic categorization, 18–30 yr olds, 6125
dimensional structure of semantic space, judgment of postures, 11644
discrimination of acoustic & semantic aspects of speech, cortical EPs, right handed 14–17 yr old males, 30092
division of vocabulary into semantically related clusters, elementary school teachers, implications for vocabulary instruction, 7918
elicitation of basic color terms & lexico-semantic development, Japanese-English bilingual 10–11 yr olds, 14111
event schemas as basis for categorical structure in semantic memory, 3–3.8 yr olds, 16965
evolution of grammatical categories from semantic categories, children, conference presentation, 14071
familiarity vs vocabulary size vs recognition ability in semantic domains of musical instruments vs fabrics vs trees vs hand tools, college students, 11636
feminist discourse & language of control & sexuality & need for nurturance & aesthetics in political transformation, 14429
hemispheric specialization, visual perception of verbal material based on semantic or visuo-spatial features, 5972
historical development & connotations of term "psychosomatic", psychosomatic medicine, 7080
identical vs synonym repetition of abstract vs concrete words, free recall, college students, implications for dual coding theory, 27162
imagery & meaning level of priming words, RT in semantic memory, college students, 27178
information encoded at structural vs phonemic vs semantic levels, recall & recognition, college students, test of levels-of-processing theoretical framework of F. I. Craik & R. S. Lockhart, 13692
integrative imagery vs concrete enaction & repetition strategies, recall of pictograph sentences, 5.5–6.5 yr olds, 25117
interlingual vs intralingual conditions & semantic priming, lexical decision for words, English-Hindi & English-French bilinguals, 19277
language & semantic relationship between target word & surrounding flanker words, target response times, bilingual college students, 5775
language development & lateralizaton of semantics, right hemisphere short term verbal memory, right handed 4–11 yr olds, 22344
letter identification paradigm, semantic encoding of same vs different pairs of adjectives, 16443
lexical development & relational word use, 12 mo olds observed from stage 5–6 of object permanence development, 9240
lexical familiarity & word frequency & semantic concreteness & number of meanings, word recognition latency, college students, 8562
lexical vs phonologic conversion systems in reading, 53 yr old male with transcortical aphasia & deep dyslexia, 17722
logograms & phonological & semantic therapeutic approach, dyslexia, school age children, 10811
male domination & sexist society & "telling it slant" as communication device, females, 27690
number & type of case relations in case frame of verb, retrieval speed of case relations in verb-noun pairs, college & graduate students, Japan, 27698
organization of semantic clusters, free recall of word lists, college students, 29956
perception of semantic relations in sorting task, college students, 6187
perceptual & functional advanced information, representations of semantic categories, college students, 3081
perceptual memory & picture recognition & verbal recognition test performance, multiple sclerosis patients, 17716
perceptual vs conceptual attributes, semantic priming, college students, 6198
physical & semantic incongruities, auditory event related potentials, right handed adults, 22021
picture naming & auditory word comprehension & cued word reading, 43 yr old globally aphasic female, 9949
pre-experimental semantic relations vs newly-learned episodic associations, speed & accuracy of discriminations of memory recency, 27144
provision of definitions & difficulty & type of terms, prediction of individual differences in semantic consistency in self descriptions, 15–73 yr olds, 17371
radical behaviorism approach as alternative to methodolgical behaviorism operationism, analysis of verbal behavior psychological terminology, critical comments & author's reply, 29644
reliability of retrieval from memory of semantic information about commonly used nouns, college students, 27161
reliability of retrieval of verbal knowledge about objects & word meaning from semantic memory, college students, 21882
rules used for interpretation of "big" & "little", 3.2–6.2 yr olds, 14088
script frequency, semantic processing of Kanji & Kana words, college students, Japan, 30334
semantic analysis, resolution of quantificational ambiguities in TENDUM system, 21643
semantic assimilation, mapping between semantic & syntactic knowledge, children, conference presentation, 14099
semantic category of distractors & targets, semantic errors in auditory comprehension & picture naming, aphasics vs non-aphasic brain damaged, treatment implications, 17715
semantic complexity of program modules, recall & hand execution performance, college students, 7978
semantic concepts, grammatical organization of sentences, 4–5 yr olds, conference presentation, 14041
semantic constraint, role of word frequency in word recognition, college students, 8564
semantic constraints of sentence structures, elaborative learning, 2nd & 6th graders, 11776
semantic focus of maternal speech, mothers & their 1–2 yr old children, comments on A. Ninio & J. Bruner's paper, 19990
semantic integration processes in sentence comprehension, adults, 821
semantic knowledge & problem solving ability & other factors, prediction of computer science course performance, college students, 7981
semantic knowledge, class inclusion task performance, 5.5–6.7 yr old students, Japan, 19862
semantic mapping vs verbal readiness instruction, reading comprehension & recall of concepts, 2nd–8th grade reading disabled students, 26668
semantic networks & schizophrenia & language, reply to comments by R. W. Neufeld, 30991
semantic priming during sentence processing, adults with mean ages of 25.1 vs 68.5 yrs, 903
semantic processing, serial recall, adolescent educable mentally retarded, 25717
semantic relationship of priming word to target, RT in lexical & nonlexical decision tasks & strategic control of processing depth, 27139
semantic vs nonsemantic orientation & associative processes, levels of processing & facilitation of pronunciation & recall, college students & staff members, 3085
semantics & politics of sexuality & need for social change, criticism of C. MacKinnon's work, 14437
semantics & syntax & context & part of speech, accessibility of words in sentences, college students, 831
semantics, classification of typical vs atypical category words, 5 yr olds, 6287
semantics in observation & recall of behavior, graduate students, criticism of R. A. Shweder & R. G. D'Andrade's systematic distortion hypothesis, 14523

semantics of verbs & inference of indirect objects in sentences, 20–45 yr old females, 22242
sentential speaking rate vs semantic congruity & task demands, word identification, college students, implications for speech processing models, 29893
sequential presentation of 2 pictures of some category to left vs right visual field, semantic priming effect in picture naming, college students, 16633
serial position of semantically-related words, free recall of words & role of semantic processing, learning disabled 7 vs 10 vs 13 yr olds, 4363
single word vs pairs, semantic priming without association in word naming & lexical decision tasks, college students, 24995
sleep deprivation, latency of retrieval from semantic memory & classification, 17–21 yr olds, 11383
speed of retrieval from short term memory & processing of permanently stored semantic information, mentally retarded adults, 31092
strategies & knowledge level, problem solving in semantically rich domains, college students, 3070
strategies for research on imagery & semantic processing & sentence comprehension, 53
support for lexical hypothesis of information processing, humans, 21880
syntactic processing & comprehension & recognition of sentences, manics vs schizoaffectives vs hebephrenic vs paranoid schizophrenics, 14675
thematic structure processing procedures, discourse relations in language development, French & English speaking 4–9 yr olds, conference presentation, 14050
types & levels of linguistic cohesion & referential coherence in social studies textbooks written for different grade levels, instructional implications, 5223
use of causal connectives in conversation, 3.5–9.5 yr olds, 19834
use of concatenation & deletion in combination of elementary terms, 2 yr old female, 9193
use of first names vs titles in English, expression of solidarity vs power, 11642
use of multiple choice test of lexical understanding with visual & semantic distractions, measurement of semantic comprehension, patients with neuropsychological disorders, 17708
use of semantic vs graphemic information, reading spatially transformed text, college students, 21861
use of syntactic vs semantic denials, 4–5 yr olds, US vs Japan, 16907
validity of depth-of-processing model, text recall in intentional vs deep vs shallow semantic orienting conditions, 17–35 vs 36–59 vs 60–82 yr olds, West Germany, 11349
variation of surface syntax & form of conditional threats in courtroom discourse & their function & semantic content in context of imposing legal sanctions, 27684
verbalization, structural vs semantic processing of art, 19256
word comprehension, 24 yr old female with pure word deafness, 1700
words presented to right vs left visual field, semantic priming effects, high school & college students, 22039

Semicircular Canals
ascending & descending axonal trajectories of excitatory vestibular neurons related to anterior semicircular canal, cats, 24688
floccular influence, excitatory vestibular reflex arc of anterior semicircular canal origin, cats, 24653
plane of rotation, optimal response of secondary vestibular neurons & relationship to convergence of semicircular canal input, cats, 8749
role of retinal image slippage & semicircular canals in sensing self-motion, 22023

Seminarians
motivational needs profiles & degree of combining of masculine & feminine traits, male vs female 22–51 yr old seminary students, 22437
sex-role preferences according to Bem Sex-Role Inventory, male vs female seminary vs masters of education students, 22550
stress & anxiety, Lutheran seminarians, 1039
tension in dual commitment to family & ordained ministry, 30–60 yr old female seminarians & clergy & their husbands, 27945

Semiotics [See Also Pragmatics]
history & development of psychiatric semiotics, late 18th century to 1982, 29627
psychopharmacology & semiological modifications, 31526
semiology & animal experimentation in psychopharmacology, 30300
semiology & definition & prognosis of schizophrenia, 30981
semiology & rating scales in adult psychiatry, France, 29724
semiology of intelligence disorders, 30881
structural analysis of motion pictures, 6206
theatrical semiotics in therapeutic relations, 31403
use of semiology in child psychiatry, 31283
value & limits of semiology in psychoanalytic approach, 31357
visuospatial factors in denomination & copying & reproduction from memory tasks, 4–7 yr old females, 3617

Senescence [See Aged]

Senile Dementia
age, Gibson Spinal Maze performance, normal 60–70 vs 70–89 yr olds vs those with senile or multi-infarct dementia, 4438
aging & senile dementia, elderly patients with schizophrenia & schizoform psychoses, 14645
articulatory loap system functioning, Alzheimer patients with mean age of 77 yrs, 9979
assessment of neuropsychological deficits, aged, 25851
auditory-verbal vs visual-spatial task, selective reminding, 54–88 yr old in- & outpatients with senile vs presenile dementia of Alzheimer type vs multi-infarct dementia, 20569
brain levels of some amino acids & ionized forms of calcium & acetylcholinesterase, patients with senile dementia, 7106
burden of care & coping behavior of families, 52–100 yr olds with senile dementia & their families, 14951
changing demands & needs & provision of adequate care, senile dementia patients, UK, 12733
client's age as source of bias, diagnosis of depression vs senile dementia, 26–49 yr old clinical psychologists, 4109
concentrations of CSF corticotropin-releasing factor, 25–70 yr old depressives vs 27–66 yr old schizophrenics vs 73–92 yr olds with senile dementia, 25573
construct validity of Sandoz Clinical Assessment-Geriatric scale, senile patients 60 yrs & older, 13589
day care program as alternative to institutionalization, elderly patients with forms of senile dementia, 28924
dexamethasone suppression test results, 55–79 yr old patients with presenile & senile dementia of Alzheimer's type, 14943
disability levels & outcome, elderly patients with dementia admitted to psychogeriatric assessment unit, 1977–78 vs 1981–82, 10470
drawing disability, 61–84 yr old senile dementia patients, 4488
drug treatment, cognitive deficits in senile dementia, 28769
encoding instructions & retrieval cues, recall, patients with senile dementia, 12344
ergoloid mesylates, symptoms of senile mental deterioration, institutionalized geriatric patients, 18155
evaluation of Extended Mental Status Questionnaire & Philadelphia Geriatric Center Delayed Memory Test, prediction of senile dementia, patients with mean age of 75 yrs, 19107
facial- vs postural-affect recognition, 66–82 yr old geriatric inpatients with senile dementia, 7026
factors related to morale & mental health, resident vs nonresident caregivers for relative with senile dementia, 1674
folic acid & vitamin B12 serum & erythrocyte levels, 20–94 yr old patients with senile dementia & psychosis & opiate addiction, 20187
frequency of abnormal dexamethasone suppression test responses, 64–94 yr olds referred to psychogeriatric assessment service, 28227
group therapy, improvement of communication abilities, geriatric center patients with senile dementia, 28694
human lymphocyte antigens, 45–89 yr old patients with senile vs presenile dementia of Alzheimer's type &: their family members, 23024
impact of & coping with dementia in older relatives, families, literature review, 23009
intellectual & memory & perceptual functions, patients with dementia of Alzheimer's type, 3-yr longitudinal study, 25854

language disturbances as symptom vs part of cortical degeneration of dementia, 61–78 yr old patients, 7072
left handedness, dementia patients with age at onset below vs above 65 yrs, criticism of study by B. Seltzer et al, 25809
Left handedness, dementia patients with age at onset below vs above 65 yrs, reply to criticism by E. D. Drexler et al, 25925
long term stages of disorder, senile schizophrenics, 4213
mindfulness & longevity & senility, 65–96 yr old nursing home residents, 16876
naloxone, cognitive function, Alzheimer's patients, 31542
need for professional intervention, study of families of Alzheimer's disease patients, response to G. Niederehe & E. Fruge, conference presentation, 22923
prevention of dementia & Alzheimer's disease & depression, elderly, 15020
primitive reflexes as normal vs related to cerebral atrophy & cognitive dysfunction, aged, 25112
rates of decrease in cerebral blood flow, 56–83 yr olds with Alzheimers disease vs vascular dementias, 25770
review of drug therapies, Alzheimer's type senile dementia, 15293
screening for early detection, dementia, elderly, 4414
severity of dementia & degree of pathomorphological changes in cerebral cortex, patients with senile dementia & Alzheimer's disease, 7124
severity of senile dementia & nominal dysphasia, 69–88 yr olds with dementia, 17805
somatic & neurologic & psychopathologic symptom profiles, nursing home residents with senile dementia, 17783
team oriented care of elderly & demented & dying patients, 88 yr old hospitalized male, 4869
usefulness of organic integrity test, diagnosis of dementia, depressed vs demented vs normal 66–86 yr olds, 146
validity of dementia diagnosis & Alzheimer's disease, aged patients, 4-yr followup, 12392
watch & diary & daily behavioral itinerary as memory aids, retraining of verbal & behavioral orientation, 84 yr old patient with senile dementia, 12588
Senior Citizens [See Aged]
Sensation [See Perception]
Sensation Seeking
age norms & reliability & scale intercorrelations for impulsiveness questionnaire, measurement of impulsiveness & venturesomeness & empathy, males with mean age of 11.9 yrs vs females with mean age of 12.6 yrs, UK, 11140
androgen, sensation seeking & personality & spatial ability, hypogonadal vs eugonadal adult males complaining of sexual dysfunction, 26191
augmenting-reducing & sensation seeking & use & perceived & preferred effects of alcohol & tobacco & cannabis, male vs female college students, 17292
choice of emotionally positive vs neutral vs negative pictorial stimuli, 19–28 yr olds scoring high vs low on Sensation-Seeking Scale, 25487
comparative approach to genetic determination & physiological correlates, sensation seeking, humans, 8743
correlation & interchangeability of various measures of extraversion & sensation seeking & stimulus screening & Type A behavior, 17–69 yr olds, 8403
EMG & skin conductance & thoracic respiratory amplitudes during perceptual motor task, telic- vs paratelic-dominant 18–23 yr olds, validation of reversal theory constructs, 16689
experience-seeking & political radicalism, Australians, 6554
intelligence & personality traits & sensation-seeking & pain perception, evoked potential reducers vs augmenters, 12064
kinaesthetic figural aftereffect test & stimulus intensity reducers vs sensation seekers, behavioral & physiological aspects of augmenting-reducing dimension & construct validity of A. Vando's Reducer-Augmenter Scale, 19–54 yr olds, 26997
profiles of cognitive vs sensory stimulation vs novelty vs overall experience seeking, adult consumers, 16147
sensation seeking & anxiety & antecedents/consequences of drinking & attitudes toward alcohol use, male vs female light vs heavy drinking college students, 1211
sensation seeking & familiarity with each food, willingness to taste unusual foods, 17–50 yr old college students, 4068
sensation seeking & misattribution of arousal, dyadic interactions, similar vs dissimilar strangers, 20097
sensation seeking & other personality correlates & number of drugs used, male nondrug vs chronic drug users, 1570
sensation seeking & risk taking behavior, firemen vs rescue squad members vs sportsmen, 26750
sensation seeking, 21–40 yr old Black vs White polydrug vs opiate & depressant drug abusers, 1524
sex & age differences, sensation seeking, 17–60 yr olds, Australia vs Canada vs United States vs England, 9529
validity of Kirton Adaption-Innovation Inventory as determined by dogmatism & sensation seeking & risk taking & innovation scale scores, college students, 24230
Sensation Seeking Scale
development of new format for Sensation Seeking Scales & reliability, college students, 21780
sex & age differences, sensation seeking, 17–60 yr olds, Australia vs Canada vs United States vs England, 9529
Sense Organ Disorders [See Amblyopia, Cataracts, Color Blindness, Ear Disorders, Eye Disorders, Glaucoma, Hemianopia, Labyrinth Disorders, Menieres Disease, Motion Sickness, Myopia, Nystagmus, Refraction Errors, Strabismus, Tinnitus, Tunnel Vision]
Sense Organs [See Also Cochlea, Cones (Eye), Ear (Anatomy), External Ear, Eye (Anatomy), Iris (Eye), Middle Ear, Olfactory Mucosa, Pupil (Eye), Retina, Rods (Eye), Semicircular Canals, Taste Buds, Vestibular Apparatus]
age & sex & chemosensory function, identification of blended foods, blindfolded Ss 18–26 yrs old vs 65 yrs old & over, 29818
Sensitivity (Drugs) [See Drug Sensitivity]
Sensitivity (Personality)
experiential group process, development of sensitivity to cultural identity & dynamics of power that affect treatment, clinicians, 23666
job satisfaction, personal sensitivity & altruism & consideration, utility company managers in vs not in training program, 13296
performance-based evaluation of interviewing skills & sensitivity to emotional aspects of illness, medical students, 2288
psychoanalytic interpretation of pathology of susceptibility to feeling hurt, 14604
validity of Assertion Inventory & relationship to social desirability & sensitivity to rejection, assessment of discomfort with self assertion & likelihood of assertive behavior, college students, 24269
Sensitivity Training
job satisfaction, personal sensitivity & altruism & consideration, utility company managers in vs not in training program, 13296
report to trainer vs peers, participant evaluation of interpersonal skills training course, health care workers, implications for research methodology, 10197
Sensitization (Protein) [See Anaphylactic Shock]
Sensitization Repression [See Repression Sensitization]
Sensorimotor Measures
relationship between scores on sensorimotor integration & tactile sensitivity & gross motor skills tests, preschool age children with vs without mild developmental delays, 8406
relationship of short form of WISC-R & McCarthy Screening Test, 4.3–7.6 yr olds, 214
Sensorineural Hearing Loss [See Hearing Disorders]
Sensory Adaptation [See Also Dark Adaptation, Light Adaptation, Orienting Reflex, Orienting Responses]
adaptation & presentation procedures & volume, magnitude estimation of taste, 19180
adaptation by physically integral stimuli, visual persistence, college students, 284
adaptation to dim long wavelength background, relative supersensitivity in red-green & yellow-blue equilibrium hues, human Ss, implications for mechanisms other than cone sensitivity & postreceptor effects, 8517
adaptation to gratings of various contrasts & spatial frequencies, contrast threshold elevation at single spatial frequency, human Ss, 8490
adaptation to horizontal vestibulo-ocular stimulation, electrical activity of flocculus Purkinje cells, Japanese monkeys, 6011
adaptation to motion between bars & textured background, motion aftereffect, adults, 24431

adaptation to prism in presence vs absence of secondary cognitive task, college students, 21843
comparison signal duration, estimates of loudness before vs after increment, college students, 3066
contralateral & binocularly fused chromatic adaptation, color perception, 21 & 22 yr olds, 24430
duration of alternating adaptation, sensitivity of monocular vs binocular neurons & aftereffects, 23–35 yr olds, 6005
exposure to short flashes, mathematical models of visual readaptation, 26–38 yr olds, 5725
factors in movement adaptation in peripheral retina, naive & experienced Ss, 29846
familial sinistrality vs dextrality, visual positioning adjustments to prismatic displacement & transfer of training, right handed female college students, 16645
frequency of pure-tone & broadband-noise signals, acoustic reflex adaptation, normal hearing Ss with mean age of 25.1 yrs, 13674
level & summation of pain sensation intensity, adaptation phenomena, 18–21 yr olds, 27482
limitation of movement to 1 vs 2 dimensions, transfer of adaptation resulting from 90 degree rotation of visual field, college students, 302
orientation & spatial frequency of adapting stimulus, spatial frequency discrimination, test of line-element model predictions, 27128
patching normal eye ataxia & vomiting & past pointing & subsequent adaptation of vestibulo-ocular reflex, 28 yr old female & 39 yr old male with peripheral monocular paresis, 20650
quantitative method of cross-adaptation, identification of multiple receptor sites for amino acids in olfactory receptors, carp, 22028
selective adaptation procedures, perspective orientation for spatially ambiguous reversible figures & role of multiple local visual processes, human Ss, 8521
sensory adaptation model of habituation, newborns & older infants, comments on proposals of J. L. Dannemiller & M. S. Banks, 25150
spatial location of adaptation grating, contrast sensitivity, humans, 24396
spatial relations of adapting & test stimuli, taste adaptation & role of central vs peripheral nervous system, human Ss, 8468
tactile/kinesthetic length disordance between arms, adaptation & aftereffect, college students, 260
target movement & pursuit eye movements, visual shift in prism adaptation, college students, 5748
tonal frequency change & length of preceding silent period, startle reflex, male rats, 29997
Sensory Deprivation
abnormal early visual experiences, temporal modulation sensitivity, 1 mo old rhesus monkeys, 664
abnormal early visual experiences, visual contrast sensitivity, 1 mo old rhesus monkeys, 665
binocular deprivation, interneuronal connectivity, cats, 11489
blindfold contingency, treatment of pica & collateral behaviors, profoundly retarded 24 yr old female, 18080
chronic intracortical administration of levoglutamate, ocular dominance shifts, monocularly deprived kittens, 6159
constant light vs darkness, locomotor activity & angular orientation & diel activity rhythms, sea catfish, 8897
control over environmental sensory cues, sensitivity to earth's magnetic field in direction orientation, college students, 27092
distribution patterns of retinocollicular pathways, normal hamsters vs hamsters with eye enucleated at birth, 8798
early visual experience & later left vs right hemisphere neocortical ablations, open field & spatial & visual behavior, light- vs dark-reared male rats, 27486
early vs later eye enucleation, brightness & tilt discrimination, rabbits, 11574
light & dark adaptation, binding of flunitrazepam to benzodiazepine receptors in retina & lateral geniculate nucleus & superior colliculus & visual & frontal cortex, rats, 30099
monocular deprivation & critical periods for visual acuity & contrast sensitivity, rats, implications for studying amblyopic children, 3301
monocular deprivation effects & prolonged dark rearing, visual cortical cell response, kittens, 24746
monocular deprivation, GABA receptor activity, kittens, 11502
monocular suture of eyelids, retinal levels of met-enkephalin & substance P & neurotensin & muscarinic & dopaminergic & opiate & benzodiazepine receptors, day old chicks after 17 days, 13788
neonatal cochlear ablation, neuronal thresholds in inferior colliculus to tone stimuli, adult gerbils, 16725
neonatal food & sensory deprivation, maternal behavior, female rats, 22088
neural receptive fields underlying binocular vision, normal vs monocularly deprived sheep & goats, comparison with cat study by M. L. Cooper & J. D. Pettigrew, 27479
neural retina vs pigment epithelium & optic lobe, blood flow & uptake of nutrient analogs, 5–7 day old chicks, 11517
prolonged monocular deprivation, unilateral vs bilateral visual cortex lesion effects on horizontal optokinetic nystagmus, cats, 8915
retinotopic organization of expanded projection to superior colliculus, adult rats with eye removed at birth, 27466
reverse suture at 3 wks after monocular deprivation, hypertrophy of initially deprived cells & shrinkage of undeprived cells, monkeys, 19645
sagittal transection of optic chiasm to separate competitive binocular interactions from deprivation factors, cell body size in lateral geniculate, cats, 16724
unilateral eye removal at birth, development of corpus callosum axonal projections to cortical area 17, rats, 11569
visual deprivation from birth to 3 mo of age, vestibulo-ocular reflex development, rabbits, 11536
visual experience in early life & flocculectomy, vertical vestibulo-ocular, reflex, dark-reared 3 mo old rabbits, 30183
Sensory Feedback [See Also Auditory Feedback, Delayed Auditory Feedback, Visual Feedback]
sensory feedback, control of movement, animals & humans, 13805
Sensory Handicaps (Attit Toward)
actual vs perceived attitudes toward deafness, deaf vs hearing adults, 9930
attitudes toward orthopedic & sensory disabilities, nondisabled 3.2–6.2 yr olds, 13988
family attitudes, rehabilitation process, blind/visually impaired 17–76 yr olds, 5008
Sensory Motor Processes [See Perceptual Motor Processes]
Sensory Neurons [See Also Auditory Neurons, Baroreceptors, Chemoreceptors, Cones (Eye), Mechanoreceptors, Nociceptors, Photoreceptors, Proprioceptors, Rods (Eye), Taste Buds, Thermoreceptors]
behavioral context during electrical stimulation of single identified sensory interneuron vs ultrasound, avoidance steering, crickets, 24754
duration of alternating adaptation, sensitivity of monocular vs binocular neurons & aftereffects, 23–35 yr olds, 6005
electrical stimulus of latero-posterior & pulvinar nuclei, enhancement of fixation task performance & inhibition of area 7 neurons, monkeys, 19435
in vitro preparation of brainstem/spinal cord, control & sensory gating of "frictive" swimming & turning responses, lamprey, 11486
light adaptation, dynamics & sensitivity of visual responses of retinal horizontal cells to temporally-modulated light, turtles, 16665
localization of neurons giving rise to descending fiber systems in sensomotor & orbitofrontal cortex, cats, 606
moving source of illumination, organization of functional connectivity between array of visual interneurons & motor neurons in oculomotor reflex pathway, crayfish, 19465
neurophysiology of olfactory neuronal stimulation, literature review, 11496
olfactory discrimination & receptor cell responses, frogs, 591
olfactory nerve transection leaving olfactory bulb intact, neurogenesis & replacement of olfactory receptors, male hamsters, 16722
photic stimulation & moving stimulus, neuronal responses of tectum, frogs, 5964
postnatal development of sensory functions of lateral hypothalamic neurons, 1–25 day old vs adult rats, 557
potassium homeostasis & membrane potential of sensory neurons in CNS, leeches, 8823

tactile stimulation, investigation of functional maturation of cuneate neurons, neonatal to adult cats, 8766
thermal discrimination task, activity of trigeminothalamic neurons in medullary dorsal horn, male rhesus monkeys, 8760
variations in direction of visual fixation, auditory receptive field response in superior colliculus, monkeys, 11481
Sensory Pathways [See Afferent Pathways]
Sentence Comprehension
ability to act out active & passive semantically biased & neutral sentences in comprehension task, 4.3–17.1 yr olds with Downs syndrome, 9827
accessibility to working memory & surface vs semantic conservation & processing in sentence comprehension, college students, 826
active vs passive vs cleft sentences, identification of sentence which begins story, 3rd vs 5th graders, 19842
animacy of passive & inverted cleft sentences, sentence comprehension, 2.5–5.5 yr olds, 19828
animacy/inanimacy of actors & patients & training sessions, comprehension of semantic relations & generalization to different animacy/ inanimacy patterns, 2 yr olds, 19804
anomaly in structural linguistic capacity, sentence comprehension, adults with developmental dyslexia, conference presentation, 9839
application of model of Chinese sentence comprehension, comprehension of English sentences of various structures, Western Ss, 11658
appreciation for conceptual distinction between adjectives & nouns, 2.5–5 yr olds, 19811
cerebral asymmetry, understanding of attitudes conveyed through prosodic cues & lexical content, 19–38 yr olds with right vs left hemisphere temporal lobe seizure foci, 20622
cloze procedure vs K. Weltner's guessing procedure, scaling of comprehension & information & imagery of sentences, 5593
cognitive processing of word meaning & sentence comprehension, college students, 5761
comprehension & production of syntactic devices for marking given vs new information in discourse, male vs female learning disabled vs non-learning disabled 1st–6th graders, 14849
comprehension of locative phrases depicting spatial locations, 3.6–5.5 yr olds, Peru, 19803
comprehension of transitive sentences with varying word orders, Hungarian/Russian bilingual children with mean ages of 4 & 6 yrs, Hungary, 13038
computer models & algorithms, comprehension of sentence or text, 51
conditional statements with "if" vs "that," understanding & modes of interpretation, 6–7 vs 8–9 vs 10–11 yr olds, 16919
construction of macrostructure for expository text, 3rd vs 5th vs 7th graders vs graduate students, 14120
contextual factors, comprehension of pragmatic indicators "even" & "also" & "essentially", French speaking adults, 22247
cross cultural differences in language acquisition & processing of simple sentences & lexical structure, children, literature review, 6300
cues in processing cleft sentences, 5–8 yr olds, 22353
development of sentence understanding, 2.5–6 yr olds, Hungary, 30450
emphasis on meaning vs accurate oral reading, sentence recall, 3rd graders, 10685
evaluation of presupposed & asserted information & pictorial encoding & referential continuity of presupposed information, referential verification of sentence-picture association, college students, 27146
factive verb with false complement & mask, lexical retrieval & postlexical processes during eye fixations in reading, college students, 30335
filmstrips viewed silently & with Vietnamese soundtracks, attempt to write dialog of characters, French teachers, implications for instruction of beginning language students, 21308
flexibility vs nonflexibility, sentence completion & comprehension, college students, 25480
grammatical subjectivization & clefting of concepts, focusing & presupposition in understanding sentences, 822
hierarchical organization for lexical categories, relative contribution of words to structure & meaning of text, college students, 24978
immediate vs continuous processing of words in sentence comprehension, college students, 367
level of cognitive development, comprehension of complex sentences, 1st vs 4th vs 7th graders, 19788
linguistic context, comprehension of complex syntactic structures, 38–91 yr old aphasics, 25897
meaning errors in syntactic text processing, 16–55 yr old schizophrenics, 25548
oral & written communication, 7–12 yr olds, 930
order of presentation & processing & structure of operations, reading of sentences, adults, 827
pauses & slow speaking rate, comprehension of low- & high-difficulty sentences, aphasic 46–84 yr old males with left hemisphere damage, 1643
phonological processing & speech comprehension, 31 yr old right handed female with left hemisphere damage & reduced auditory verbal span, 10016
pragmatic factors, strategies used in processing & comprehension of relative sentences, college students, 5764
processing of temporal relationship sentences, mentally retarded children & adolescents, 28371
program for automatic understanding of stories in natural language, 95
prototypicality of described event & sentence complexity, comprehension & production of bitransitive sentences, 3 vs 4 vs 5 yr olds, 3657
reading ability & use of phonetic representation, spoken sentence comprehension & repetition, 3rd graders, 9207
reflectivity style, performance on matching figures vs object-manipulation vs picture-pointing grammatical comprehension tasks, 4.5–5.5 yr olds, 14104
repetition & comprehension of spoken sentences, reading disabled 3rd graders with mean age of 107.4 mo, 14867
role of metaphor in language perception, 25006
self questioning procedure modeled on cognitive behavior modification, sentence elaboration & recall, 5th–7th graders, replication of research by J. D. Bransford et al, 2422
semantic integration processes in sentence comprehension, adults, 821
semantic priming during sentence processing, adults with mean ages of 25.1 vs 68.5 yrs, 903
semantics of verbs & inference of indirect objects in sentences, 20–45 yr old females, 22242
sentence meaningfulness & length & presentation mode, sentence-demonstration performance, reading disabled vs nondisabled college students, 9840
sentence variation task, development of concept of truth-functional negation, English-speaking 3–6 yr olds vs Korean-speaking 4–5 yr olds, 25108
sentence word order & agreement & animacy & stress, sentence interpretation, German- vs Italian- vs English-speaking adults, 6194
slowed speech, sentence comprehension, aphasic 37–72 yr olds, 20484
speaking & writing & comprehension of sentences, prelingually deaf 11–15 yr olds, implications for teaching, 4390
speed of metaphoric vs literal comprehension, college students, 5795
strategies for research on imagery & semantic processing & sentence comprehension, 53
strategies in reading sentences for retention vs comprehension, 5th graders vs college age adults, 6273
suprasegmental phonology in speech perception & reading comprehension, children, implications for reading education, 29185
syntactic ambiguity of sentences of varying length, inspection times for words, college students, 27688
syntactic processing & comprehension & recognition of sentences, manics vs schizoaffectives vs hebephrenic vs paranoid schizophrenics, 14675
syntactic processing during sentence comprehension in isolation vs discourse context, college students, 5777
topic continuity, use of marked vs unmarked linguistic forms in discourse writing & comprehension, college students, 19743

tutoring in acoustic vs visually based languages, comprehension of imperative sentences, dolphins, 13754
type of information used by language comprehender for determination of structural relations among words in sentence, college students, 24987
understanding of comparative sentences, 4–7 yr olds, 25075
understanding of sentences describing familiar vs impossible vs possible but unfamiliar events, 4–8 yr olds, 899
verbal vs pictorial context, comprehension of semantic vs syntactic components of spoken sentences, 40–81 yr old aphasic patients, 28482
Sentence Structure
active vs passive vs cleft sentences, identification of sentence which begins story, 3rd vs 5th graders, 19842
age differences, semantic discontinuities following "but" in discourse, 7–10 yr olds, 11748
ambiguity & attraction between verb & number of complement, grammatical error, college students, 16829
animacy of passive & inverted cleft sentences, sentence comprehension, 2.5–5.5 yr olds, 19828
application of model of Chinese sentence comprehension, comprehension of English sentences of various structures, Western Ss, 11658
cues in processing cleft sentences, 5–8 yr olds, 22353
familiar words embedded in interchangeable vs noninterchangeable sentences, word recognition, 2nd vs 6th graders, 11777
hierarchical organization for lexical categories, relative contribution of words to structure & meaning of text, college students, 24978
hierarchical structures of sentences in psycholinguistics, 6190
language complexity, phonological accuracy & consistency of target words in imitated sentences, 22–26 mo old females & 28–34 mo old males, 924
level of cognitive development, comprehension of complex sentences, 1st vs 4th vs 7th graders, 19788
linguistic analysis of conversational repairs using R. Brown's model of linguistic development, Ss with mean ages of 2.5 vs 3.3 yrs vs 5–6 yr olds, 3647
Lix procedure research on readability formulae, Austria, 3542
methods for teaching negative sentence structure, reading & reasoning abilities, students, 5233
open vs restricted context material in conditional propositions, decoding & reasoning behavior, college students, 25000
order of presentation & processing & structure of operations, reading of sentences, adults, 827
presupposed-existence notion & attitude change, 27677
prior knowledge of linguistic context, time during reading processing, college students, 5790
production & use of segmental phonological cues, perception of syntactic structure of syntactically ambiguous sentences, speakers of American vs British English, 19244
prototypicality of described event & sentence complexity, comprehension & production of bitransitive sentences, 3 vs 4 vs 5 yr olds, 3657
recognition of sentence structure in meaningful prose, 3rd & 4th grade skilled decoders vs good comprehenders, 7959
responses to broken vs unbroken narrative containing plurals vs singulars, college students, 16448
retention intervals, episodic memory of surface structure in sentence recognition task, college students, 24498
semantic concepts, grammatical organization of sentences, 4–5 yr olds, conference presentation, 14041
semantic constraints of sentence structures, elaborative learning, 2nd & 6th graders, 11776
sentence length & clause position, stuttering in complex sentences in English & Kannada, 17–34 yr old monolingual & 19–32 yr old bilingual male stutterers, 1618
sentence meaningfulness & length & presentation mode, sentence-demonstration performance, reading disabled vs nondisabled college students, 9840
sentence word order & agreement & animacy & stress, sentence interpretation, German- vs Italian- vs English-speaking adults, 6194
short term retention of positive vs negative sentences, human Ss, 11361
syntactic ambiguity of sentences of varying length, inspection times for words, college students, 27688
syntactic processing during sentence comprehension in isolation vs discourse context, college students, 5777
syntactic structure in sentences, lexical decision & word recognition, college students, 418
temporal analyses of comprehension during oral reading, 2nd & 4th graders, 11763
theme & type of sentence & retention interval, recall, college students, 29960
use of different aspects of sentence structure to facilitate decoding in course of reading development, 1st & 2nd graders representing 4 levels of early reading competence, 3653
use of propositions for sentence meaning & reading speed & retention, 3rd grader beginning readers vs 5th grade skilled readers, 9197
verb choice & construction of argument model, 27675
Sentences
age differences, contextual facilitation in sentence completion task, 7.8–9 yr olds vs college students, 19853
cloze procedure vs K. Weltner's guessing procedure, scaling of comprehension & information & imagery of sentences, 5593
contextual redundancy variation, recall accuracy for time-compressed real sentences, college students, 3063
individual differences in cognitive synthesis & role of attentional reserve, 5.4–6.8 yr olds, 6276
integrative imagery vs concrete enaction & repetition strategies, recall of pictograph sentences, 5.5–6.5 yr olds, 25117
intrasentence context & content difficulty, oral reading of isolated words vs sentences, 3rd–5th graders, 3622
mediational sentences, paired associate learning of picture list, mentally retarded children, 12302
patterned sentence story writing, development of print concepts, kindergarten through 2nd grade students, 7892
pragmatic factors, strategies used in processing & comprehension of relative sentences, college students, 5764
qualitative deficits in verification of negative sentences by pictures, alcoholics, 12244
semantics & syntax & context & part of speech, accessibility of words in sentences, college students, 831
sentential speaking rate vs semantic congruity & task demands, word identification, college students, implications for speech processing models, 29893
speed of verification of statements containing property vs category information, college students, implications for semantic memory, 24461
standardization of Auditory Comprehension Test for Sentences, 7–12 yr olds, 21774
victim's age, analysis of protocol sentences in suicide notes as reflecting aspects of Freud's formulations on suicide, 18–74 yr old suicide attempters & completers, 14800
Sentencing [See Adjudication]
Separation (Marital) [See Marital Separation]
Separation Anxiety
adaptive behavior, 3–4.5 yr old only children vs children with siblings, 14182
alpha-methylparatyrosine vs fusaric acid, separation-induced depressivelike behavior & changes in CSF monamine neurotransmitters, monkeys, 6048
brief separation from mother, adult-child & peer interactions, 15–39 mo olds in play group, 25229
childhood separation anxiety as origin of agoraphobia, agoraphobics vs simple phobics, 20355
crisis of emotional separation in geographical mobility & uprootedness, 14241
death of significant other, separation reactions & grief, distressed neighbors & family, 30939
emotional responsiveness of separation reactions in strange situation procedure, security of attachment, infants observed at 12.5 & 19.5 mo, 11837
FI vs VI separation from mothers, predictability & movement & vocalizations & plasma cortisol levels, infant monkeys, 8698
hand holding behavior & denial of separation from mother, autistic children, conference presentation, 6813
historical development of attachment theory, effects of early maternal deprivation & separation & loss, 6343

Jungian individuation in psychotherapy, 5.6 yr old male with inability to separate from parents, 7268
length of separation from infants, blood glucose responses, rhesus monkey mothers, 11511
mother-infant separation and reunion, agitation & behavioral depression & detachment, orangutans vs gorillas vs chimpanzees, 24573
panic & agoraphobic disorders & characteristics & drug treatment of separation anxiety, children & adults, conference presentation, 6776
parental vs adolescent rating of separation indicators, difficulty in leaving home, college students, 30524
psychoanalytic view of adjustment to separation from parents, 1 yr old going to nursery, 11822
separation & disruption of attachment bond, biological alteration, nonhuman primates & humans, literature review, 20289
separation anxiety & antisocial behavior, depressed 5–16 yr olds, 22704
separation stress following graduation to new class, play behavior & sleep patterns & activity level, 15 & 24 mo olds, 9101
separation stress, 2.9–5 yr olds transferring to new school, 2462
somatic complaints & withdrawal & overwhelming fear & refusal to attend school & treatment, 8 yr old depressed male living with chronically ill parents, 6769
threat of separation & role in conflicts, families, implications for application of attachment theory by family workers, 17970

Separation Individuation

adolescent & adult mirror masturbation in context of struggle for psychic differentiation & separation from mother, analytic patient in early 20's, 9582
aspects of internalization & separation-individuation in J. Joyce's "Portrait of the Artist as a Young Man", 3569
attitudes toward family values & need for closeness & emotional expression & separation-individuation, Japanese American vs White families with 13–21 yr old children, 30521
concept of mirroring in psychoanalysis, 7254
content of individuation & ego-self dialog & Taoist Way as paradigm of individuation & human development in Jungian psychology, 3725
crisis of emotional separation in geographical mobility & uprootedness, 14241
disorders of separation & attachment during childhood development, children in psychoanalytic therapy, conference presentation, 31376
expressive movement behaviors, separation & individuation, mothers with 2–6 yr olds, conference presentation, 3819
expressive movement, separation individuation, mothers–children, comments on article by D. Dulicai & S. Silberstein, 3836
failure in separation-individuation phase of development, interminable treatment, adult male psychiatric patients with good initial prognosis, 23123
family characteristics & symptoms & treatment methods, symbiotic mothers & their infantilized 3–11 yr old only children, 23189
family therapy, drug abuse as symptom of family system dysfunction, adolescents & their families, 15577
father-infant attachment & separation-individuation process, literature review, 6499
female development & separation-individuation process, battered females, 9808
interactional approach to family therapy, symptomatic disabled college students leaving home, 7342
Kierkegaardian synthesis of phenomenology & symbolism of leaving home, 18921
knowledge of geography as psychoanalytic metaphor for development of body ego & separation individuation, young homosexual male, 28653
mother child relations, development of body image of maternal object vs self, 27884
oedipal complex & earlier sequences of symbiosis & separation, 9254
pattern of separation from parents, psychotherapeutic process & outcome, adolescent & adult psychotherapy patients, 4630
peer social relatedness as means of stabilizing self-representation & aiding separation individuation from primary caretakers, infants, 9253
postadolescent crisis in autobiography of J. S. Mill, 4081
psychoanalytic psychopathology & psychoanalysis, separation & loss, disturbed children, comments on article by E. Mahon, conference presentation, 31391
refusal to identify as problem in completion of separation individuation process & resolution of Oedipus complex, 1837
regression to use of transitional objects, 15 yr old female in psychotherapy for having difficulty in individuation process, 4632
role of family dynamics & individuation in borderline personality, 17466
role of locomotion in development of sense of identity, adolescents & children, 27862
self psychology theory & selfobjects, adolescent development, 3758
separation-individuation, intimacy capacity, female college students, 30855
separation individuation process & adult intimate relationships & autonomy, males vs females, 9552
significance of separation & loss & coping behavior, females, implications for therapy, conference presentation, 30739
stages of narcissistic development, 6346
stages of separation-individuation process, 15 yr old female diagnosed as borderline, 31385
symbiosis & individuation, integrative process in residential treatment, severely disturbed adolescents, 23501
treatment of psychological separation, female victims of earlier incestual relationships, 12528
treatment program of Adolescent & Family Treatment Unit, separation issues, hospitalized adolescent psychiatric patients and their families, 4947
use of fairy tales in psychotherapy, separation individuation crisis, borderline 21 yr old female, implications for treatment of borderline adolescents, 4597
use of psychoanalytic object-relational perspective, understanding "Red Rover" game & its relationship to separation individuation process, latency age & preadolescent children, 25224

Septal Nuclei

behavioral learning tasks, uptake of radioactive choline into acetylcholinergic neurons of nucleus basalis magnocellularis vs medial septal area, male rats, 24691
classical conditioning with rewarding brain stimulation, neural activity in dentate & hippocampus & septum & medial forebrain bundle, male rats, 3278
electrical stimulation of hypothalamus, mechanisms underlying septal area control of quiet biting attack behavior, cats, 24748
functional integration of rat septum & hippocampus xenotransplanted into brain, rabbits, 27472
hippocampal & septal lesions, negative transfer, rats, 27533
hippocampal theta-driving septal stimulation, proactive behavioral effects on conditioned suppression & punishment, rats, 27498
intrahippocampal septal grafts, spatial learning ability, aged rats, 16723
intraseptal scopolamine hydrobromide, eye blink & heart rate classical conditioning, rabbits, 27630
lateral septum lesions induced by 6-hydroxydopamine, water intake during intermittently scheduled food delivery, male rats, 30189
lesions of olfactory bulb or lateral septum or medial accumbens or hypothalamus or dorsal & median raphe or amygdala, inhibitory control of agonistic behavior, mammalian species, literature review, 8908
lesions of posterior septum &/vs prelimbic cortex, dispositional vs representational memory, male rats, 8925
mouse killing & prey eating, spontaneous mouse-killing male rats vs rats with lesions of lateral septum vs medial accumbens vs medial hypothalamus, 24755
muscimol injections into medial septal nucleus, hippocampal theta rhythm & acetylcholine utilization, male rats, 27548
polytehylene glycol, thirst & sodium appetite, male rats with septal lesions, implications for role of angiotensin II, 3361
scopolamine injections into septum, open field ambulation & rearing, male rats, 24885
septal & cortical self stimulation reward & density of dopaminergic innervation, rats, 11495
septal lesions & use of intramaze stimuli, attenuation of problem solving deficit, rats, 22108
septal lesions in infancy & isolated vs group rearing, open field social behavior, male rats, 6078

septal vs medial accumbens vs medial hypothalamic lesions, hyperdefensiveness, weanling male rats, 19617
septo-hippocampal lesions, role of response strategy changes on spatial working memory deficits, male rats, 8921
topographical orientation & route-learning & kinesthetic memory, 11.7 yr old blind male without septo-optic dysplasia vs 13.3 yr old blind female with septo-optic dysplasia, 14933
visual stimulus complexity, exploratory behavior, adult male septalectomized rats, 13867
Septum [See Septal Nuclei]
Sequential Learning
prefrontal lesions, sequential behavior, male rats, 6083
Serial Anticipation (Learning)
food anticipation & lever-directed activities, male rats, 8618
item difficulty, serial anticipation learning, college students, 13706
Serial Learning [See Also Serial Anticipation (Learning)]
auditory rapid digit sequences followed by suffixes at various delay intervals, delayed suffix effect in recall, test of masking vs perceptual grouping hypothesis, 24357
concrete vs abstract item lists, degree of temporal order retention, college students, 29952
development of tests, measurement of choice of objectives & conditions & ability to grasp sequence & information & following oral instructions, 10–12 yr olds, 21480
diazepam dosages, immediate & delayed free recall of word lists & serial number learning & semantic categorization, 18–30 yr olds, 6125
knowledge level & rate of presentation, categorization in learning quantitative information, students, 27174
memory for acts & contents & spatial position patterns, serial position effects, college students, 16467
modes of operation for associative vs serial-order information, B. B. Murdock's versions of distributed-memory model, college students, 11368
overshadowing of interitem associations & associated reduced interference among items due to phrasing cues, facilitation of chunking & serial learning & resistance to extinction, male rats, 3152
physical health vs psychosocial variables as predictors of RT & serial learning performance, 65–85 yr old males, 25125
repetition of order information, short term retention, college students, 24482
role of cognitive manipulation processes in serial ordering, 3–5 yr olds, 30475
same/different concept learning & serial probe acquisition & probe delay, serial position functions & recency effect, monkeys, 19341
same/different concept learning & serial probe recognition & probe delay, serial position functions & recency effect, pigeons, 19336
semantic processing, serial recall, adolescent educable mentally retarded, 25717
serial learning tasks, practice effects & retrieval shift from primacy to recency items in free recall, college students, 27170
serial patterns of electrical brain stimulation rewards, rule learning, rats, 24541
serial position of isolated item, immediate recall of nonsense syllable list, female college students, 13707
serial position of semantically-related words, free recall of words & role of semantic processing, learning disabled 7 vs 10 vs 13 yr olds, 4363
serial position on grouped vs ungrouped lists & probe position & precuing, temporal properties of recall, 18–39 yr old college students, 29951
visual sequential memory tasks, holistic vs verbal analytic cognitive strategies, 9–11 yr old dyseidetic vs dysphonetic males, 25699
win-stay vs win-shift training in 8-arm radial maze, forced-choice memory recognition test performance, rats, 19323
Serial Position Effect [See Also Primacy Effect, Recency Effect]
articulatory suppression & information about item list length, recall, college students & staff, 24490
forward & backward continuations in orally produced number sequences, college students, implications for serial position hypothesis, 3091
grouping, word recall, 19–28 yr olds, 3099
information order & category variance, schema abstraction & transfer, college students, 354
interactive presentation of words in multi-trial free recall, learning, college students, 24486
length of retention & serial position effects & number of items recalled, memory for spatial locations of caches, food-storing birds, 11451
memory for acts & contents & spatial position patterns, serial position effects, college students, 16467
rating instructions & students' affect & self esteem & liking, primacy & recency effects in rank ordering of 4 lecture quality sequences, college students, 10899
serial learning tasks, practice effects & retrieval shift from primacy to recency items in free recall, college students, 27170
serial position of isolated item, immediate recall of nonsense syllable list, female college students, 13707
serial position on grouped vs ungrouped lists & probe position & precuing, temporal properties of recall, 18–39 yr old college students, 29951
serial recall of imagined voices, college students, 8530
serial vs simultaneous feature negative discrimination procedure, effects of postconditioning reinforcement of inhibitory feature stimulus, rats, 19327
stimuli temporal variables & serial position, delayed matching performance & auditory short term memory, monkeys, 30002
Seriousness
completion of Jenkins Activity Survey for measurement of Type A behavior & measure for telic dominance, college students, 17402
Serotonin
antidepressive & antiepileptic action of GABA receptor agonist progabide & role in monoaminergic & dopaminergic & serotonergic limbic forebrain systems, rats, 16735
apomorphine analog of serotonin receptor agonist 8-hydroxy-2-di-n-propylaminotetralin, CNS monoaminergic system function, male rats, 24846
behavioral effects of phenelzine & phenylethylamine & displacement of dopamine or serotonin from striatum, rats, 3432
biochemical research in etiology of early childhood psychoses, literature review, conference presentation, 6742
central serotoninergic receptors & binding characteristics of new agonist 8-OH-N,N-dipropyl-2-aminotetralin, 24651
chlordiazepoxide & serotonin & GABA levels, rewarded vs nonrewarded vs punished responding in conditioned conflict procedure, male rats, 8974
circadian rhythm of serotonin uptake in blood platelets, 24–40 yr olds, 30115
circling or turning behavior, dopamine & serotonin metabolism in substantia nigra & amygdala & nucleus accumbens, trained circling rats, 6014
decreased serotonin neurotransmission, depression & suicide, 12107
depletion of serotonin by chronic amphetamine injections, pontogeniculo-occipital wave activity, cats, 24953
different light photoperiods, serotonin production & locomotion, opilionids, 8880
dopamine vs noradrenaline vs serotonin vs acetylcholine vs GABA infusions into nucleus accumbens, hyperactivity, female rats selected as high- vs low-activity responders to levo-N-n-propylnorapomorphine, 3423
dose of 8-hydroxy-2-(di-n-propylamino) tetralin, copulatory behavior, male rats, 3492
drug challenges & role of serotonin receptors in regulation of aggressive behavior, rats, 9030
DSP-4 & parachlorophenylalanine & haloperidol, noradrenaline & serotonin & dopamine depletion & hippocampal rhythmic slow activity & exploratory behavior, male rabbits, 8956
electrolytic lesions to nucleus medianus raphe vs forebrain serotonin depletion, performance on spontaneous vs delayed spatial alternation tasks, rats, 30179
estradiol benzoate & progesterone, inhibition of levo-5-HTP induced myoclonus & temporal relation with lordosis & potential role of progestin receptors, female guinea pigs, 780
evaluation of serotoninergic hypothesis of depression, 4194
fenfluramine as discriminative stimulus & interaction with serotonergic systems, rats, 11604
fetal raphe cell & parietal cortex cell transplantation into denervated hypothalamus, sexual behavior & ventromedial nucleus concentrations, adult rats, 24770

genetic predisposition & acquired defects in serotonergic inhibitory control, integration & relationship between animal model of aggression & human violent behavior, 20428
immobilization stress, plasma corticosterone levels & brain part monoamines & neuroendocrine system, rats, implications for etiology of endogenous depression, 11548
inescapable shock as animal model of depression, escape behavior & brain norepinephrine & 5-HT & dopamine & cerebral blood flow, male rats, 30155
interaction of combinations of drugs & serotonergic system, behavioral effects, rats, conference presentation, 3503
intrathecal morphine vs methionine-enkephalin vs noradrenaline vs serotonin, antinociception assessed by tail pinch & tail flick & hot plate tests, male rats, 30259
introduction of serotonin into neocortex, EEG spectral characteristics, rabbits, 16780
isolation, serotonin levels & turnover in different brain areas, aggressive vs nonaggressive strains of mice, 19585
kappa agonist U-50,488H & morphine, serotonergic dependence of kappa opioid analgesia, female mice, 27660
lesions of basolateral amygdala, role of noradrenaline & serotonin in food preferences & learned taste aversions, rats, 19619
lesions of catecholaminergic & serotoninergic axons of medial forebrain bundle, sexual behavior, male rats, 19643
level of classically conditioned responding & blood levels of serotonin, normal vs neurotized dogs, 8845
long term diazepam administration, decrease in postsynaptic sensitivity to GABA in serotonergic dorsal raphe nucleus cells receiving GABAergic input, male rats, 748
maternal transport response & role of serotonin & acetylcholine & endogenous opiates & dopamine & norepinephrine, female rats, 16810
measurement of FCCP-evoked efflux of 5-HT from platelets, male vs female 26–62 yr olds with depression, 30975
mediation of 5-HT agonist-induced rotational behavior by 5-HT$_1$, rats, 11579
midbrain raphe lesions & serotonin depletion, body weight recovery following deprivation, female rats made obese by medial hypothalamic lesions, 24762
morphine sulfate vs neurotensin, turnover of 5-HT in brain nuclei & role in analgesia, rats, 22019
naloxone vs parachlorophenylalanine methyl ester & preexposure to analgesia test, analgesia induced by brief vs prolonged footshock, male rats, 6170
nociceptive stimulation &/or morphine injections, 5-HT synthesis in dorsal & ventral spinal cord & brain stem & forebrain, rats, 6062
olfactory bulbectomy, reflexive biting & locomotor activity & serotonin levels in olfactory tubercle & lateral olfactory tract & piriform cortex & nucleus accumbens & anterior olfactory nucleus, male mice, 3385
parachloraphenylalanine, mating behavior & brain concentrations of 5-HT & dopamine & norepinephrine, male chickens, 720
parachlorophenylalanine, nociception & serotonin depletion, rats, 27564
peripheral serotonin, water & food intake, male rats pretreated with methysergide vs metergoline, 8955
phencyclidine & serotonergic involvement, stereotyped behaviors, male rats, 27624
plasma-free & total tryptophan & blood serotonin levels, autistic 3–11 yr olds, 1409
plasma serotonin levels, agoraphobic 23–60 yr old patients, 14667
platelet aggregatory responses to 5-HT vs adenosine diphosphate, drug-free depressed patients with mean age of 49.7 yrs, 14754
platelet serotonin levels, male vs female 20–84 yr olds with major depressive vs dysthymic vs schizophrenic vs paranoid disorders, 30955
postmortem brain weight & neurochemical concentrations, 67–85 yr old Alzheimer patients, 4441
postmortem examination of frontal cortex indicating receptor changes in serotonergic system & cortical MAO A & MAO B enzyme concentrations, suicide victims, 1545
premenstrual tension, distress levels & serotonin concentration & uptake in blood plasma, 18–40 yr old females, 24722
quipazine vs fluoxetine, extinction of operant response, male rats, 22140
reserpine vs saline pretreatment & para-chloroamphetamine vs side-chain fluorinated analog, open field behavior & brain levels of serotonin & dopamine & noradrenaline, rats, 3405
role of brain catecholamines & serotonin in acquisition & retention of defensive conditioned response, male rats, 559
role of serotonergic mechanisms in control of copulation & postejaculatory refractory period, sexually experienced male rats, 19420
role of serotonin in etiopathogenesis of depression, literature review, 25594
RU 24969 administration with vs without pretreatment with antidepressants or ECS, locomotor activity & synthesis of 5-HT, rats & CD-1 mice, implications for role of 5-HT1 & 5-HT2 receptors, 11593
seasonal variations, serotonin uptake, depressed patients with mean age of 29 yrs, 14624
serotonin & dopamine receptors, pathogenesis of hypertension, spontaneous hypertensive rats, conference presentation, 30056
serotonin & norepinephrine, mechanism of action of novel analgesics, mice & rats, paper presented at Canadian College of Neuro-Psychopharmacology 1983 meeting, 803
serotonin agonists & antagonists, inhibition of labeled serotonin binding in frontal cortex in presence of guanosine triphosphate, rats, implications for presence of multiple receptor subtypes, 24938
serotonin levels in ventromedial vs supraoptic vs hypothalamic vs amygdala areas of brain, aggression, various strains of mice, 19518
shock-induced defensive fighting, regional changes in brain levels of serotonin & noradrenaline & dopamine & their metabolites, male rats, 8801
systemic fenfluramine & parachloroamphetamine & parafluroamphetamine, pituitary-adrenocortical activity, male rats, 8993
tetnus injection into caudate nucleus, induction of neuropathological stereotypic syndromes & role of dopamine & norepinephrine & serotonin, rats, 764
tonic immobility, 5-HT & 5-hydroxyindoleacetic acid levels in brain areas, male rabbits, 3341
trazodone vs amitriptyline, uptake of serotonin into platelets & serotonin receptor activity & plasma free & bound tryptophan concentrations, depressed patients, 7436
tryptophan & serotonin, conditioned reflexes, wild bees, 27614
tryptophan-induced brain 5-HT elevation, food intake & choice of diets varying in protein vs carbohydrate content, rats, 3500
urinary excretion of 5-hydroxyindoleacetic acid & blood serum tryptophan & serotonin levels, adults with unipolar vs bipolar depression, 12193
5-HT agonists & antagonists, sexual behavior, ovariectomized female rats primed with steroid regimes, 30246
5,7-dihydroxytryptamine creatinine sulfate lesions in basal ganglia & spinal cord, 5-HT-mediated behavior induced by amphetamine, male rats, 6109

Serotonin Antagonists [See Also Lysergic Acid Diethylamide, Mianserin, Molindone, Parachlorophenylalanine, Tetrabenazine]
analgesic activity of indalpine, chronic pain patients, 26156
binding potency for 5-HT1 vs 5-HT2 sites of putative 5-HT antagonists, blockade of discriminative stimulus properties of quipazine, male rats, 8961
dextroamphetamine vs fenfluramine, learned maze performance, male rats pretreated with metergoline, 9009
discrimination learning using pizotifen maleate, rats, 11608
DSP-4 & parachlorophenylalanine & haloperidol, noradrenaline & serotonin & dopamine depletion & hippocampal rhythmic slow activity & exploratory behavior, male rabbits, 8956
efficacy of phenytoin & Vitamin C & Procaine & Lidocaine & Cimetidine & cyproheptadine & clonidine hydrochloride treatment, anorexia nervosa patients, 1-yr followup, 28787
efficacy of pirenperone, anxiety disorders, 24–62 yr old inpatients, 4756
electrical stimulation of medullary raphe nuclei with vs without prior administration of methysergide or phentolamine, antinociception, male rats, 11539
establishment of stimulus control with paramethoxyamphetamine vs LSD, pizotyline effects on stimulus control, rats, 3533
indalpine & adaptive changes of postsynaptic receptors after chronic treatment & binding sites, rats, 24871

indalpine & zimelidine, electrophysiological aspects of serotonergic forebrain activity, male rats, 24816
indalpine in psychiatric treatment & research focusing on biochemical activity & pharmacological profile, 26182
indalpine, mood & side effects, 9–93 yr old general medicine & psychiatric patients, 26158
indalpine, platelet serotonin uptake, 18–36 yr old males, 24815
intrathecal vs ip vs icv injections of metergoline, response latencies in tailflick vs hot-plate test, male mice, 6118
manipulation of central serotonergic transmission through 5,7-dihydroxytryptamine lesioning of dorsal raphe & substantia nigra & benzodiazepine receptor antagonist Ro 15-1788, antipunishment effects of diazepam, rats, 6059
metergoline vs scopolamine, sucking behavior, 3–4 vs 7–8 vs 10–11 vs 15–16 vs 23–24 day old rats of primiparous vs multiparous dams, 19722
microinjection of zimelidine & morphine into nucleus raphe magnus, nociceptive threshold, male rats, 16776
naloxone, effects of LSD & 2,5-dimethoxy-4-methylamphetamine & quipazine on operant behavior, rats, 27620
norepinephrine & serotonin uptake inhibitors nortriptyline & desipramine & chlorimipramine & protriptyline & doxepin & nisoxetine & fluoxetine & iprindole, schedule-controlled behavior, pigeons, 3477
progesterone desensitization, effect of methysergide & luteinizing hormone releasing hormone on lordosis, female rats, 19675
serotonin agonists & antagonists, inhibition of labeled serotonin binding in frontal cortex in presence of guanosine triphosphate, rats, implications for presence of multiple receptor subtypes, 24938
serotonin blocking agent metergoline vs catecholamine receptor blocker chlorpromazine, self stimulation of habenular complex, male rats, 8891
serotonin reuptake blockers alaprolate & zimeldine, memory retrieval, male mice, 30198
varying doses of serotonin inhibitor citalopram, CNS, 19–44 yr old males, 19686
zimelidine & norzimeldine & other serotonin & norepinephrine reuptake inhibitors, voluntary ethanol consumption, rats, literature review, 8931
zimelidine, treatment of obsessive compulsive disorder, patients, 4783
zimelidine with vs without temazepam, psychomotor performance & subjective state, 19–32 yr olds, 3436
5-HT agonists & antagonists, sexual behavior, ovariectomized female rats primed with steroid regimes, 30246
5,6-dihydroxytryptamine, olfactory bulb responsiveness during wakefulness & sleep, male rats, 13885
Serotonin Metabolites [See Also Hydroxyindoleacetic Acid (5-)]
CSF levels of metabolites of norepinephrine & dopamine & serotonin, male patients with Korsakoff's disease & history of chronic alcohol consumption, implications for other cognitive disorders, 7090
differential pulse voltammetry, monitoring of 3,4-dihydroxyphenylacetic & 5 hydroxyindoleacetic acid levels, rats, 13498
estradiol benzoate & progesterone, inhibition of levo-5-HTP induced myoclonus & temporal relation with lordosis & potential role of progestin receptors, female guinea pigs, 780
food access following food deprivation, time-dependent changes in hypothalamic dopamine metabolism, rats, 8847
pinoline levels in blood serum & CSF, unmedicated schizophrenic patients, 20332
probenecid, CSF concentrations of serotonin & dopamine metabolites before & after weight recovery, anorexic patients with vs without bulimia, 12367
sex & strain differences & melatonin vs methoxytryptophol, open field behavior, TO vs C57BL/6 mice strains, 24909
Serotonin Precursors [See Also Tryptophan]
estradiol benzoate & progesterone, inhibition of levo-5-HTP induced myoclonus & temporal relation with lordosis & potential role of progestin receptors, female guinea pigs, 780
estradiol vs progesterone, levo-5-HTP-induced myoclonus, castrated male vs female guinea pigs, 30275
levo-5-hydroxytryptophan, 16–63 yr olds with manic depressive psychosis, 7475
serum cortisol response to 5-HTP, hospitalized patients with unipolar vs bipolar vs schizoaffective depression vs mania treated with antidepressants, 4214
trazodone, behavioral depression induced by 5-HTP, male rats, 3454
tryptophan vs 5-HTP vs phenylalanine vs tyrosine vs dopa, metabolism & neuronal effects, affective disorders, treatment implications, 2018
Serpasil [See Reserpine]
Serum (Blood) [See Blood Serum]
Serum Albumin
serum & hair concentrations of copper & zinc & magnesium & calcium & albumin & manganese, 55–79 yr old outpatients with Alzheimer's disease vs 55–72 yr old healthy spouses, 28495
serum levels of albumin & transferrin & IgG & IgA & CSF IgG levels, demented 36–64 yr olds with Down's syndrome, 12296
Servicemen [See Military Personnel]
Severely Mentally Retarded
acquisition of leisure & leisure related skills, 16 yr old nonverbal severely handicapped male, 21122
active participation by S & teacher vs pictorial representation, language learning & generalization, severely retarded 14.4–18.2 yr olds, 8085
adult talk &/vs silence, frequency of vocalization, severely retarded 6–8 yr olds, 10328
age, stereotyped behaviors, mentally retarded in early education program, conference presentation, 22881
alum po, reduction of rumination, severely retarded 8 yr old & profoundly retarded 20 yr old male, 26632
assessment strategy & taxonomy of communicative abilities, nonverbal 10–18 yr olds with severe/profound mental retardation, 25707
awareness & perceptions of community services, mothers caring for severely mentally retarded 3–17 yr olds at home, England, 2070
behavioral intervention based on I. Goldiamond's constructional approach, inappropriate behavior, severely mentally handicapped hospitalized patient, 23500
behavioral training program, performance of fire emergency skill, 43 yr old severely retarded male, 20866
color, visual discrimination of geometric symbols, severely & profoundly mentally retarded Ss with mean age of 23.2 yrs, 9852
comparison scan training, matching & visual scanning performance, severely & profoundly retarded Ss with mean age of 23.3 yrs, 12300
compatible single-element training, attention to multiple cues, severely mentally retarded adults, 32133
considerations for socially integrated school environments, severely handicapped students, 21398
continuous reinforcement followed by sudden extinction, self stimulatory behavior, institutionalized severely mentally retarded 19 yr old males, 31468
daytime department program, 6–22 yr old mentally retarded clients, 10388
definitional problems in area of severely handicapped, 6724
deinstitutionalization, activity patterns & skills, severely/profoundly mentally retarded & multiply handicapped adults, 31638
development of Aberrant Behavior Checklist, measurement of drug & other treatment effects, severely mentally retarded, 19035
developmental stages in behavior regulation & effects of speech development, normal 4–31 mo olds & severely retarded 87–151 mo olds, 14854
dextroamphetamine vs thioridazine vs contingency management, behavior problems, severely & profoundly mentally retarded 11–21 yr olds, 23070
ecobehavioral assessment of special education classrooms, severely mentally retarded 9–12 yr olds, 10831
effectiveness & classroom use of DRO & momentary restraint procedures, reduction of stereotypic behaviors, 6–16 yr old severely or profoundly mentally retarded & multihandicapped students, 26629
effectiveness of training program with ecological inventory approach & teaching methods & data-based instruction, skill acquisition, 16–21 yr old trainable & severely mentally retarded, 5335

endogenous depression, severely & profoundly retarded 19–34 yr olds, 17686
evaluation of instructional program for teachers & staff to increase manual sign use of students in classroom vs ward environment, teacher & residential staff & severely/profoundly mentally retarded 11.6–14.3 yr olds, 29353
evaluation of Morgenstern vs inflatable apparatus for play activities, severely & profoundly mentally handicapped, 31755
evaluation of Trainee Performance Sample, vocational assessment, moderately & severely mentally retarded adolescents & adults, 13551
facial screening, self injurious behavior, moderately & severely & profoundly retarded Ss, literature review, 10232
familial patterns of mental retardation, family members of Black vs White mildly vs severely mentally retarded, 17683
functional vs traditional assessment approaches in special education, severely mentally retarded children, 21445
generalization of adaptive coping behavior skills to home & school environment, mildly & severely mentally retarded 11–20 yr olds in self contained special school, 2493
gross motor activities, self injurious behavior, severely retarded 11–17 yr olds with sensory handicaps, 12596
gross motor movement facilitation devices, mobility, severely mentally retarded & visually impaired 10–12 yr olds with cerebral palsy, 18364
human rights issues in education, severely & profoundly mentally retarded students, 32116
identification of behavioral syndromes & psychiatric disorders, severely & profoundly mentally retarded adults hospitalized over 6 yr period, 22895
identification of entry level job requisites for employment of severely retarded students, employers vs secondary school teachers, implications for vocational training programs, 23821
illumination of black vs white stimuli after correct response, discrimination learning, moderately & severely retarded Ss with mean age of 8.3 yrs, 9853
instruction by moderately retarded peer, acquisition of complex photocopying task, severely retarded 19–20 yr olds, 21128
instruction in self management skills, reduction of ambulation time, 19 yr old severely handicapped female, 18086
integrated vs segregated school environment, student interaction, 3–22 yr old severely mentally retarded vs normal students, 26634
interrelationships between stimulus variables & types of responses & developmental levels during behavioral observation audiometry, severely & profoundly multihandicapped 7–153 mo olds, 17671
jogging exercise program, self injurious behavior & stereotyped mannerisms, severely mentally retarded 19–23 yr olds, 10204
language & social & cognitive impairments, children with L. Kanner's syndrome & severe mental retardation, 28150
mathematical model, prediction of probability of pathological left vs right vs ambiguous handedness, severely retarded & brain damaged & autistic Ss, 17420
methodology using polygraph & microprocessor, time-series analysis of stereotyped movements & relationship of body rocking to cardiac activity, severely mentally retarded & autistic 24–54 yr olds, 9847
modeling & verbal prompts & manual guidance, leisure skills & game playing, severely mentally retarded 15 & 19 yr old males, 31462
music & dance & drama & art education, quality of life & functional skills, severely mentally retarded 3–21 yr olds, conference presentation, 15891
nonsheltered vocational training, severely handicapped & severely handicapped autistic adolescents, implications for functional reading & language training, 13139
object & self manipulation & teacher attention & developmental age, stereotyped behavior in classroom & free play settings, severely developmentally disabled 1.3–16 yr olds, 25737
overcorrection & differential reinforcement followed by brief restitution, self injurious & self stimulatory behavior, severely mentally handicapped 6–14 yr olds, 7367
pairing with peers with similar vs higher on-task behavior, play on cooperative games, 18–19 yr old severely retarded high school students, 5260
passive range of motion exercise & positioning program, reduction of long term knee contractures, spastic quadriplegic severely mentally retarded 10–18 yr olds, 2187
pathological cognitive disharmony syndrome, psychiatric & nosological categories, severely mentally disturbed 13–19 yr olds, conference presentation, 31096
peer training by 4th graders, school cafeteria skills, severely retarded 8.8–11.8 yr old students, 23847
picture cues & self monitoring techniques, job independence, severely & moderately retarded 18–21 yr old male vocational students, 23574
prevalence of self injurious behavior & O agreement, severely & profoundly institutionalized retarded adults, West Germany, 26342
procedures for development & implementation of curriculum for shaping functional skills, profoundly & severely mentally retarded preschool students, 8073
recreation/leisure skill training, moderately & severely & profoundly mentally handicapped persons, literature review, 10516
research interests & methodological issues of self help research, severely/profoundly mentally retarded, literature review of studies published 1964–82, 28951
retention of computer keyboard symbolic communication skills, institutionalized severely retarded 14.3–21.8 yr olds, 18-mo followup, 14864
role in providing employment services to severely handicapped mentally retarded, rehabilitation counselors, 7711
room management techniques, increased participation in activities & skill development & staff-trainee interaction, mentally handicapped adult trainees, 7702
room management vs small group as alternative methods of staff organization, promotion of purposeful activity, severely retarded 21–32 yr olds, 23498
self mutilating behavior, severely retarded children, 4375
sensorimotor intelligence, severely/profoundly mentally handicapped 3–17 yr olds, 9829
SES, families with mildly vs severely mentally retarded children, West Germany, 17668
social skills training, moderately & severely mentally retarded children, 4754
systematic sign language instruction, acquisition of functional vocabulary, deaf &/or blind severely mentally retarded 9.3–19.4 yr olds, 2532
training for continence, severely disabled 4–16 yr olds, 7379
training package, teaching of menstrual care skills, 28–44 yr old mildly & severely mentally retarded females, 18073
transfer of training in domestic skills from training site to home, moderately to severely retarded 9–11 yr olds, 23565
usage of physical environment in community-based homes vs institutions, severely & profoundly mentally retarded 23–68 yr olds, 23441
use of adaptive shopping list, supermarket shopping skills, moderately to severely retarded males, 23557
use of automated equipment, contingent responding & auditory preferences, severely vs profoundly multiply handicapped 2.1–12.3 yr olds, 17673
use of peers in training & monitoring task performance, moderately & severely retarded 19 & 20 yr olds, 32153
variables affecting residential placement, severely mentally retarded adults & children, 21096

Severity (Disorders)

adaptive behavior & ability-achievement discrepancy criteria, determination of learning disability severity subtypes, learning disabled 8–11 yr olds, 25733
adaptive behavior as designator of severity of learning disability, implications for social adjustment & education & career counseling, literature review, 25743
age & duration of disease & degree of disability, body image & depression & locus of control, 22–72 yr old multiple sclerosis outpatients, 31167
alexithymia, severity of hypertension, 29–83 yr old hypertensives, 7050
allergic factors & illness severity & psychosocial variables in bronchial asthma, 15–68 yr old patients attending clinic, 31259
definitional problems in area of severely handicapped, 6724

dichotically presented synthetic syllables & severity levels, hemispheric dominance in listening, 7–9 vs 10–12 vs 13–15 yr old stutterers vs nonstutterers, 22908
disability levels & outcome, elderly patients with dementia admitted to psychogeriatric assessment unit, 1977–78 vs 1981–82, 10470
duration of illness & severity of neurological impairment, prediction of performance on WAIS & Wechsler Memory Scale & daily activities, patients with Huntington's disease with mean age of 45.5 yrs, 7022
emotionality, course of collagen-induced arthritis, rats, 24900
endogenicity & severity, consistency between clinician- vs patient-rated depression scales, 20–62 yr old inpatients with major depression, 9739
family history of alcoholism & severity of alcohol abuse, MacAndrew Alcoholism Scale scores, alcoholic patients in day treatment program, 6944
magnitude of life events, severity of depressive syndrome, patients 21 yrs old & older, 14721
Missouri Alcoholism Severity Scale, measurement of severity of symptoms, alcoholic outpatients with mean age of 39 yrs, 5589
ontogeny & premorbid personality & severity of schizophrenia, concordant vs discordant twins, 17527
perceived social support & length & severity of illness & age & remissions, depression, 23–71 yr old spinal multiple sclerosis outpatients, 1697
performance on Luria-Nebraska Neuropsychological Battery-Children's Revision, mildly vs severely 8–12 yr old learning disabled students, 5418
problems in peer relations & severity of behavior disorders, female vs male 3–19 yr olds, 25546
rhythmic imitation task, motor coordination & musical aptitude, emotionally disturbed 11–15 yr olds with varying needs for external structure to control behavior, 9650
sensitivity of Child Behavior Checklist to degree of dysfunction, parents of 6–16 yr old males with Tourette's syndrome, implications for measurement of treatment outcome, 190
severity of agoraphobia, depression & social anxiety & fear, outpatients with mean age of 35.2 yrs, 22680
severity of CNS damage, neuropsychological development, premature children with perinatal brain damage up to 6–7 yrs old, 9908
severity of cognitive dysfunction & dexamethasone, plasma cortisol concentrations, elderly patients with primary degenerative dementia, 28483
severity of dementia & degree of pathomorphological changes in cerebral cortex, patients with senile dementia & Alzheimer's disease, 7124
severity of depression & propensity to seek help & availability of alternate resources & demographic characteristics, help seeking behavior, depressed college students, 6828
severity of head injury, behavior, 1672
severity of illness & role of family-provided care in home, length of stay in mental hospital, patients, Japan, 31713
severity of learning disability, severity of attention problems, 8–13 yr olds, 21443
severity of psychiatric symptoms, outcome of paraprofessional drug counseling &/vs cognitive-behavioral or supportive-expressive psychotherapy, 18–55 yr old male opiate addicts, 5066
severity of retardation, physical appearance, mentally retarded 22 yr olds, 20450
severity of senile dementia & nominal dysphasia, 69–88 yr olds with dementia, 17805
severity of symptoms & attitudes toward treatment, inclination to refuse medication if given opportunity, patients admitted to locked acute treatment unit, 23515
social comparison information & symptom severity & sex, evaluation of depression symptoms & willingness to seek counseling, college students, 7633
type & severity of depression, risk of violent suicide attempt, 19–66 yr old inpatients, 28271
Sex Chromosome Disorders [See Also Klinefelters Syndrome, Turners Syndrome]
association of fragile X syndrome with autism, autistic 4–25.6 yr olds, 14673
developmental & behavioral characteristics, 4.4 & 10.5 & 12.3 yr old brothers with fragile X syndrome, 23052
estradiol benzoate, sexual behavior, XY gonadal dysgenetic chacma male baboon, 8934
fragile X syndrome & autistic mental retardation, 40 & 56 yr old males, 28526
intellectual organization & personality characteristics, males with XYY vs Klinefelter's syndrome, 28506
parental hormones, erotosexual status, young females with treated adrenogenital syndrome vs with 46,XY androgen-insensitivity syndrome vs Rokitansky syndrome, 28475
physical & emotional & intellectual & language development & learning disorders, 8–18 yr olds with sex chromosomal aneuploidy first identified at birth, 18-yr longitudinal study, 31245
role of extra Y chromosome, aggressive & violent behavior, human males, literature review, 4523
X chromosome abnormalities & cognitive development, children, implications for understanding normal human development, 25950
XYY chromosome syndrome, 4 yr old male with infantile autism, 9651
Sex Differences (Animal) [See Animal Sex Differences]
Sex Differences (Human) [See Human Sex Differences]
Sex Differentiation Disorders [See Genital Disorders]
Sex Discrimination
analysis & sex bias in job Comprehensive Job Evaluation Technique, PhD-level industrial & organizational graduate students, 8399
analysis of definitions of sexual harassment, university personnel, criticism of P. L. Crocker's study, 2330
beliefs & attitudes toward sex discrimination & female economic opportunity & racial equal opportunity, survey respondents over 18 yrs of age, 3770
bias in grievance outcomes, males & females in large labor union, 21598
countering racial & ethnic & sexual & social class prejudices in classroom, 5302
depiction of males & females in sex stereotypic activities & behavior in nonsexist vs conventional picture books, implications for socialization of children, 17250
difference index, assessment of sex bias in salaries, 8151
essentialist model of sexuality & scientific sex research, male supremacy & legitimization of violence against females, 6578
gender & current pay level of employees in job description, evaluation & relative value of job, college & graduate students, 32245
gender segregation in high school course enrollment, female students, Canada, 32013
interview scores, total evaluation for admission to medical school, male vs female applicants, US, 10565
low vs high status labeling of male vs female artist, evaluation of paintings, male vs female college students, 3961
organizational characteristics, sex discrepancies in faculty employment, university vs college professors, 18527
predominantly female occupations, academic sexism, 15701
role in policy development & curriculum reform & research in achieving sex equity in education, psychologists, 29110
sex bias based on denigration of women vs sex role congruence, implications for role theory & division of labor in work force, 25371
sex bias in evaluations for awarding 1st class & honors degrees, male vs female college students, Great Britain, comments on E. Rudd's paper, 32048
sex differences in abilities & psychological characteristics vs sex bias, awarding of university honors degrees, males vs females, Great Britain, reply to C. Bradley's criticism, 32070
sex equity provisions in 1976 amendments to Vocational Education Act, 29225
sex patterns in DSM-III, comments on work by M. Kaplan, 25576
sex, type of appointment vs tenure vs rank vs salary, administrators & faculty of public comprehensive college, 15694
sexism & sex discrimination in teacher education, implications for career development, 5188
sexist biases in DSM-III, comments on article by M. Kaplan, 25605
sexual bias in literature of social behavior, mammals & birds, 13769
social context of injustice in work situation & victim response, attitude toward acts of discrimination, college students, implications for policy & public opinion, 32294

suppression of females in religion, implications for counseling, 11905
theory & practice of concept of comparable worth, working females, US, 22547
Sex Drive
attention to situations vs sexual feelings in erotic story vs sexual imagery alone, sexual arousal, male & female college students, 22057
attitude & behavioral determinants, coital & masturbatory orgasmic responsiveness, 18–52 yr old sexually active females, 30734
cognitive behavioral model of treatment, inhibited sexual desire, couples & males without partners, 12552
drive & motivation & aspiration in sexual desire, 11962
physiopathologic theories, sex drive dysfunctions, 12347
sex differences, sexual impulses & coital patterning, humans, 11960
sex drive & sexual intercourse following stroke, 18–71 yr old males, 17743
Sex Education
appropriateness & ramifications & feasibility of sex education, autistic children & youth, reply to criticisms, 29356
assessment & implementation of sex education program, 30 yr old mentally retarded female with schizophrenia, 32146
attitudes toward sex education, male parents over 50 yrs old vs 17–20 yr old students vs 40–50 yr old teachers from rural & urban & metropolitan areas, India, 29238
birth control information from mass media, communication style, 13–17 yr olds, 3696
challenges in provision of sex education, learning disabled students, conference presentation, 32122
childbirth & pregnancy education, blind & visually handicapped 16–50 yr olds, 21397
communication styles & social processes in learning about birth control, 13–17 yr olds, 9094
counseling on sexual issues, developmentally disabled females, 12779
description of church-based sex education program, adolescents & their parents, 9107
education in human sexuality, female vs male medical faculty & residents, 26434
experiences of puberty development & need for sex education, 15–16 yr olds, Denmark, conference presentation, 25233
explicit sexual education, autistic individuals, comments on essay by S. Elgar, 29346
family life education, birth control knowledge & sexual attitudes, urban Black 7th–8th graders, 29204
feasibility & appropriateness & ramifications of sexual awareness building & sex education, autistic children & youth, 29355
homosexuality education with role playing, homophobic attitudes, college students, 32037
human sexuality classes, sexual behavior, college students, 18567
issues of sex education, autistic children & youth, comments on essay by S. Elgar, 29371
knowledge about & attitudes toward sexuality & sexuality research, 14–17 yr old mildly mentally retarded students, 32117
parent-child communication about sexuality & family planning for prevention of unintended pregnancies & physician facilitation, adolescents, 22456
parent communication & boyfriend support & perceived costs & benefits of contraception & sex education & knowledge & attitudes toward pregnancy & contraception & sexual experience, contraceptive use, 15–18 yr old females, 3714
parental attitudes toward sexual behavior & premarital sex & marriage & reproduction & sexual education, mentally retarded 6–18 yr olds, 20459
perceived impact of exemplary sex education programs, high school students & alumni, 10719
perception of father's role in family work & discipline, family climate for sexual learning, unmarried college students, 3810
perpetuation of menstrual shame & experience of menarche & education, pubertal females, 25049
selective sex education, autistic individuals, comments on essay by S. Elgar, 29375
sex education & psychoanalytic perspectives of sexual development, children, 9257
sex education & sexual awareness building, autistic children & youth, comments on essay by S. Elgar, 29376
sex education program, socio-sexual knowledge & attitudes, mildly mentally retarded institutionalized vs community resident 16–52 yr olds, 8079
sex education program, 12–20 yr old mildly to moderately retarded adolescents in training institute, conference presentation, 32152
sex education, psychosexual behavior, adolescents, 10699
sexual concerns & questions & sex education program, high school juniors, 5253
sexual education training, knowledge & attitudes about sex, psychiatric patients with mean age of 26 yrs, 15526
sexual instruction, autistic children & youth, comments on essay by S. Elgar, 29387
sexual knowledge & myths, adolescents, implications for sex education, 14172
sexuality education, knowledge & attitudes & self esteem, 14–17 yr olds in juvenile detention, 10506
training in human sexuality & family life education, peer counselors & professional, 26442
Sex Hormones [See Also Androgens, Estradiol, Estrogens, Progesterone, Testosterone]
castration & adrenalectomy & hypophysectomy & sex hormones & hypothalamic & pituitary hormones, courtship behavior, male garter snakes, 660
cellular aspects & CNS tissue responses to gonadal hormones, sexual differentiation, conference presentation, 30041
gamete production & sex hormone secretion & mating behavior, seasonally breeding vertebrates, 615
gonadal steroids & neuroendocrine mechanisms, fluid intake during estrous cycle, rats, 6022
hormonal condition & sex & castration & ovariectomy of intruders, aggressive & attack behavior, male & female rats, 8879
oral contraceptives, ethanol & acetaldehyde metabolism, 18–29 yr old females, 16767
performance on Embedded Figures Test, 20–36 yr old females before vs after childbirth, 647
personality characteristics & sex role orientation, etiology of climacteric symptoms & response to hormonal replacement therapy, 44–55 yr old postmenopausal females, 7415
prenatal hormones, gender identity & sex role behavior & sexual orientation & cognitive ability, 5958
prenatal sex hormones, gender identity & sex role behavior & sexual orientation & cognitive ability, 27330
role of hormones, sexual behavior, humans, 611
role of hormones, sexual behavior, humans, criticism of J. Bancroft's article, 616
steroids & steroid antagonists, sexual development & behavior, 24626
transition between nonbreeding & breeding season & estradiol, sexual behavior & sex steroid levels & sex skin color & ovulation, intact vs ovariectomized female rhesus monkeys in all-female groups, 3359
Sex Linked Developmental Differences
prenatal hormones, gender identity & sex role behavior & sexual orientation & cognitive ability, 5958
prenatal sex hormones, gender identity & sex role behavior & sexual orientation & cognitive ability, 27330
Sex Linked Hereditary Disorders [See Also Hemophilia]
treatment package to reduce self-injurious behavior, 13 yr old male with Lesch-Nyhan syndrome, 7719
Sex Offenses [See Also Rape]
accuracy of MMPI, identification of defensive & nondefensive denial, sex offenders aged 21 yrs & older, 4316
adult mental health & psychosexual adjustment, 18–24 yr old females removed from home in childhood due to sexual or physical abuse or neglect, 6889
art therapy, sexually abused 3–10 yr olds, 15059
assessment of heterosexual social skills, male rapists vs child molesters in prison, implications for rehabilitation, 20422
attitudes & recommendations for felony sexual assault cases, female vs male probation officers, 20039
